1. LRP Committee Meeting Minutes 10-20-14

Town of Somers
Board of Education
Long Range Planning Sub-Committee (LRPC)
October 20, 2014

1. Call to Order at 5:30 – Members Present: Dave Palmer, Rick Lees, Joan Formeister, Sarah Bollinger. Others Present: Superintendent Dr. Maynard Suffredini, Director of Business Services William Boutwell
2. The LRP reviewed the itemized list that was provided to the full BOE at the BOE's October 14, 2014 meeting. The consensus among the LRP was to modify the list to gain further clarity on what items are contained in the BOE's general operating budget vs. what is not, or perhaps may be a CIP item to consider. The Superintendent took the action to modify the list, and to present the revised format to the LRP at a LRP future meeting.
3. The LRP meeting was adjourned at 6:40.
