CURRICULUM COMMITTEE meeting

June 22, 2015, 6pm

Kate, Ann, Kathleen Pezza, and Joan present

Six curriculum documents that K. Pezza had forwarded to us were discussed. They will be warned at the July 13 Board meeting and approved August 24, giving Board members plenty of time to review the documents and forward questions.

The content areas are Art, Music, Food Service, Health, Counseling grades 6-12, and Business & Computers. There were explanations followed by discussion regarding the documents .

Drafts of Language Arts and Math are done, and the curricula are being finalized to follow Common Core standards; they should be ready during the first half of next year.

Social Studies---preliminaries are being finished and teachers will be working on this area next year. There have been three sets of changes from the State in recent years; their frameworks have been approved by the State board.

Then will be Science and World Languages. TIDE updates itself frequently.

Meeting adjourned at 6:40pm.

Respectfully submitted,

Joan Formeister, Chair
