**PREPARED BY:** Danielle Batchelder  
Director of Business Services  
& Human Resources

**PRESENTED BY:** Danielle Batchelder

**ATTACHMENTS:** Student Enrollment Report & Recap

**SUBJECT:** Student Enrollment as of November 1, 2021

---

**BACKGROUND:**

Attached are the enrollment figures as of November 1, 2021. Mrs. Batchelder will answer any questions.

**STATUS:**

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

**Out of District - Special Education:** Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

**Private Placement - Special Education:** Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

Adam Gutcheon, 19 Mechanic Street - suggested, citing Robert's Rules, that the board president enforce the use of time more constructively when there are long discussions of items that are not up for debate.

Becky Jacobsen, 50 Lighthouse Hill Road - time could better be used and it is a misuse of the board and the community's time. She requested to understand what, at the prior regular meeting, Mr. Ristas meant by his concern about teaching social justice but not teaching the opposite of it.

Will Pelkey, 133 Portman Street - thanked the board for the time they have served and wished them well. Advocated for non-collegiate track education such as trade school.

Sally Grossman, 106 Niles Road - she referred to the moment at the last meeting where Mr. Ristas used the term colored for black students and he told Ms. Taylor to "get over it" as she found it unacceptable and that he owed an apology to the board, administrators, teachers and community.

Leighann Tyson, 141 Giddings Avenue - dismayed that, at the September 21, 2021 meeting there was another "diatribe" on "what is equity and why do we need it?" She spoke regarding Mr. Ristas' comments "colored" and "get over it" and suggested that both Mr. Ristas and Mr. Panos are unfit to serve the community and she suggested that both be disallowed by the Town of Windsor, to serve in any capacity where decisions need to be made for the safety, security and well-being of the community.

Mr. Lockhart allowed Mr. Ristas to respond to the comments made towards him.

Mr. Ristas said that he corrected himself immediately, stated later that it was a mistake and that it was contrite.

April 2022 Presentation to Town Council (Date & Time TBD)

## Budget Assumptions for 2022-2023 – 1<sup>st</sup> Reading of the BOE

- 1. Enrollment:** Each year the Windsor School District commissions the New England School Development Council (NESDEC) to conduct an enrollment projection study. NESDEC uses the cohort survival technique as well as current town-specific information into the generation of the enrollment forecasts for preparing Windsor's enrollment forecasts.  
  
District Wide enrollment has had a steady increase over the past few years. In 18/19, enrollment increased from 3,250 to 3,269. Enrollment increased again for 19/20 to 3,308. October 1, 2020 enrollment was slightly lower at 3,291 and dropped again as of 10/01/2021 to 3,247. The belief is that this slight decrease is due to the pandemic and more families choosing to home school.
- 2. Staffing & Programs:** Based on the likelihood that the approved budget will be lean, any requests for staffing increase will be highly scrutinized and should be made with the realization that they may not survive the budget process. Decisions around staffing and program redesign or development will be driven by their potential impact on raising student achievement while honoring the commitment to be fiscally responsible.
- 3. Health Insurance:** If we continue to have low claim trends as we have been experiencing the past few years, the cost for health care is projected to remain flat.
- 4. State & Federal Funding/Grants:** ECS Funding & Excess Cost Funding for Windsor is expected to remain stable for 22/23. Historical data is encouraging for WPS entitlement grants. Over the past 3 years, Title grants have increased an average of 11.52% each year and IDEA grants have increased an average of 3.52% each year.
- 5. ECS Alliance Grant:** Funding reliability of the Alliance Grant (most recently referred to as ECS Alliance Grant) has varied over the past 9 years. 21/22 is year 9 of the grant. Funding for 22/23 is highly likely to remain consistent with the 21/22 funding level.
