Chef Patty LaBeau, Fundamental Chef Instructor within our Career and Technical Education programs was recognized by WCCO-TV Channel 4 as an Excellent Educator. Her story aired on Friday morning March, 27th. This award is given to an educator making a difference to her students and is nominated by a student, parent, colleague, or other staff member.

Lynn Colvin, Career Center Specialist at Hastings HS and Eric Van Brocklin, Secondary Programs Principal were guests on KDWA 1460-AM Radio in Hastings to talk about the Career and College Fair that was hosted on March 12th. The fair was a collaboration of the Dakota County Perkins Consortium, which ISD 917 and Hastings are both a part of. Over 70 businesses, colleges, training centers, military groups and county organizations were present. Almost 700 students were able to attend the fair as well. Hastings HS was a wonderful host and Lynn Colvin did a great job organizing this event.

Eric Van Brocklin, Dale Engman, and Chef Patty LaBeau were guests on KDWA 1460-AM Radio in Hastings to talk about ISD 917 Career and Tech programs. They were interviewed for the In-Depths Show that aired on Friday, March 27th. A big Thank You to KDWA for inviting us in. We will return on April 28th to talk about upcoming events and discuss some success stories experienced through our CTE programs and ALC programs. Link is included below.

John Borup purchased a dozen guitars with part of the \$2537 grant we got from Education Minnesota. We are working with The Guitar Shop in Rosemount. We will be using them for guitar lessons and music production starting in the fourth quarter in advisory class.

Valmont, a frequent contributor to ISD-917 in funding and materials (they gave 800 pounds of aluminum to the welding program 4 years ago), has continued to support our program and students. In a recent field trip in Mr. Rachuy's tech ed class, two of the students have expressed interest in applying to the Valmont manufacturing company. One student has already been granted an interview to take place in late March. The student received help from Mr. Tom LeDoux in reviewing how to read a micrometer, as well as assistance from Patti Mattos and Adam Rachuy on interviewing basics. We think our student will be well prepared for his interview. Way to go team!

Starting April 6, 2015 students in the Graphic Design Technology Class will start Adobe Illustrator. Students will be learning the tools to draw potential animated characters for their story board/comic strip of their own.

April 10-12, 2015 students from Graphic Design Technology and Heavy Duty Truck will be competing in their Skills Areas in the SkillsUSA Minnesota State Championship Showcase, housed at the Double Tree by Hilton Hotel in Bloomington and competing at Dakota County Technical College, Rosemount and Cummins NPower in White Bear Lake for 8 hours on Saturday the 11th. Good Luck to those students.

May 20, 2015 Students in Graphic Design Technology, Video Game Design and Culinary Arts will be displaying and demonstrating their year-end Skills and Projects at the Rosemount Area Arts Council's Student Display Show at the Rosemount Community Center Banquet Room.

**Good News
Special Education**

April 7, 2015

- On February 25, 2015, 24 students from Kennedy High School in Bloomington attended an all-day Developmental Adapted Physical Education field trip to *Base Camp*, located in Bloomington, set up by the District 271 DAPE Teacher. There were three students in the group who receive Blind/Visually Impaired services from ISD 917. **Lori Klein**, Teacher of the Blind/Visually Impaired and **Sarah Johnson**, Certified Orientation and Mobility Specialist were able to attend with the group. *Base Camp*, run by Northern Star Council, is an experiential education program that offers year-round environment for visitors to engage in team-building activities, rock climbing, high ropes courses, archery, and more. During the field trip, the students completed a variety of team-building activities, archery and rock climbing. The students had a chance to try new things and did not want to leave at the end of the day. The three students hope to attend again next year on the DAPE class field trip.

Phuong Nguyen, Grade 9, is standing by her archery target. She has no vision and independently shot with a sound source at the target.

Jose 'David' Gomez Ayala, Grade 10, is a low-vision student who is climbing a wall that is similar to the rocks at Taylors Falls.

- The upcoming Spring Formal will be held on Friday, April 24th from 6 p.m. until 9 p.m. at the Dakota County Technical College in the East Commons. This year's theme is "Music of the Decades." Students will start arriving at 5:30 p.m. and the Grand March will start at 6:00 p.m.
- Thursday, March 5th the 40 & 8 Club, also known as **La Societe des Quarante Hommes at Huit Chevaux**, made a \$1500 donation to the TESA Program toward the Spring Formal. For over 30 years, the 40 & 8 Club has been donating to the ISD 917 TESA Program for special programming events. The 40 & 8 have a tradition of promoting the well-being of veterans, widows and their children, and actively participate in selected charitable endeavors including programs that promote child welfare; ISD 917 TESA Program has been honored by them once again this year.
- The week prior to St. Patrick's Day was one where a very mischievous leprechaun played naughty tricks in ISD 917 D/HH Teacher **Shannon Rasmussen's Deaf/Hard of Hearing Preschool** classroom. The students were eager to tell how they came to school each day and discovered he had broken crayons, ate students' snacks, messed up their books, spilled items and painted on the wall (whiteboard)! Ms. Rasmussen set a trap (see picture, which closely resembles an upside-down laundry basket). Ms. Rasmussen told the students she was going to sleep in the room overnight in hopes of trying to catch him. One student even brought a little blanket to school for her to sleep with to keep her warm. After coming in from their buses on March 17, the students found Ms. Rasmussen 'sleeping' near the trap. She had missed him! However, she and the students found that the leprechaun had cleaned up all his messes and left them chocolate coins and a note! In the picture, note the excited students along with **Tina Sheppard**, ISD 917 Program Assistant, standing near the leprechaun trap holding the note left by the leprechaun, *I had fun making a mess in your room. You're pretty sneaky with this trap. But, I am sneakier than you. I hope you like the chocolate I left for you. The Leprechaun.*

- The TEA program has had a very successful year. So far this year six students have transitioned back to their mainstream schools! There are five other students who are in the process of transitioning back and spending part of their day in their home school. The plan is to have the students fully transitioned by the start of next year. This will mean that 26% of the students at TEA transitioned back to their home district over the course of the year!
- Kim Martin's Cedar SUN classroom took a field trip to the Children's Theater to see a production of Huck Finn. The student's had listened to the book in class and seeing the play was the final activity. Not having attended a professional theater production before, the students were excited and a bit nervous about going. However, they had a great time. When asked about the play, they said, "It was awesome!"

Board Policy 6.15 Wellness states the Food Service Program Administrator/Business manager will annually inform the community about district progress in attaining the goals of the Wellness Policy. This Policy was reviewed and approved by the board on April 7, 2014 (copy of complete policy enclosed). RE: Calendar Development Committee

The calendar development committee met on March 17 to review member calendars and develop a recommendation for consideration by the Board. The base factors we considered in developing our recommendation to the Board are:

1. Matching members starting and ending dates;
2. Matching members winter break, spring break, and student days around the Easter weekend;
3. Matching members student days around the Education Minnesota Conference in October;
4. Matching the calendar of our lunch contractors (196) (191)
5. Number of student days (173 to 175) and teacher days (185 and 187 for new staff).

Attached is a data sheet detailing the various critical dates of the members' 2015/2016 calendars, the proposed calendar for 2015/2016 for Board consideration, and a summary page which provides more detail on the essential elements of the calendar.

I recommend approval of the calendar presented.
