ITEM: A. Employee of the Month - July

COMMENTS BY: Superintendent Anderson

The Community Education Department is excited to have chosen **Kim Hilt** as the July Employee of the Month! When the Driver Education car pulls up to Central Middle School another young driver is learning from the best - Kim Hilt. Kim became the Driver Education Coordinator in 2002. He transformed a summer program into a year-round program with district-owned vehicles. The District's Driver Education program serves 400 high school students each year in the 30-hour classroom course and of course the behind the wheel.

Kim excels in communication! Kim connects with the kids by listening and teaching in a friendly, practical manner; he connects with parents by listening and explaining their child's progress; he connects with staff by taking the time to know his colleagues and to connect with them in person, rather than sending them an email. His success is measured by the many students he has taught to drive and their parents and younger siblings that come back and ask for Mr. Hilt!

Congratulations Kim!

ITEM: B. Employee of the Month - August

COMMENTS BY: Superintendent Anderson

The Buildings and Grounds Department is proud to nominate **Jim Leuer**, Maintenance Foreman, as Wayzata Public Schools' Employee of the Month for August, 2010. Jim has worked for the Wayzata Schools for fifteen years, starting as a custodian in 1995. As the Maintenance Foreman, Jim has been instrumental in establishing new programs and procedures for the maintenance department. He does an excellent job of identifying needs, developing solutions and providing follow-through to make them happen.

Jim values attributes such as team-work, communications and especially customer service. Jim is responsible for managing the ice arena and dome, where customer service is critical. Jim commented on the additional responsibilities of operating the Central Sports Complex as "an opportunity for the Buildings and Grounds Department and the Wayzata Public Schools to shine in the eyes of facility users". As the Leader of the Energy Management Team, Jim plays a key role in first and foremost, keeping our customers comfortable. He knows the importance our facilities make in the educational process, for both students and staff. At the same time, he works to help conserve energy through off-hours temperature set-backs and working with staff to turn off lights and equipment when they are not needed. Jim developed a temperature set-back strategy at the dome, resulting in a large reduction of natural gas usage and associated savings, cutting costs nearly in half.

Wearing Wayzata Blue for the buildings and grounds department is second nature, as Jim lives in the community and graduated from Wayzata High School. He is always available for emergency calls or whenever there is a need. He truly cares about our facilities and the educational process of our children. We are fortunate to have Jim Leuer on the Buildings and Grounds Team in the Wayzata School District.

Congratulations Jim!

1. Bulletin Board

While it is generally accepted that the School Board's "Official Bulletin Board" is located at the District Administration Building, it is recommended that the Board take action on this designation annually as a reminder to the public. We will continue our practice of posting School Board agendas in all District schools and on the District's Web site.

RECOMMENDED ACTION: Designate the bulletin board at the Administration Building as the School Board's "Official Bulletin Board" for the 2010-2011 School Year.

2. Radio Station for Emergency Announcements

It has been a long-standing practice of the District to use WCCO-AM Radio Station for making emergency announcements such as closing, delayed opening, or dismissing schools early. It is recommended that the Board annually designate the station the District will use for such announcements and that we continue with WCCO-AM for the 2010-2011 School Year.

RECOMMENDED ACTION: Designate WCCO-AM as the Wayzata Public School District's official radio station for emergency announcements during the 2010-2011 School Year.
