ITEM: D. (AMENDED) RESOLUTION ESTABLISHING COMBINED POLLING PLACES AND DESIGNATING HOURS

COMMENTS BY: Board Chair Droegemueller

For the special election scheduled for February 25, 2014, the School Board has established six combined polling places for multiple precincts. When a school district holds a general and/or special election that is not held on the same day as a statewide election, the school district is allowed to combine precincts instead of having each precinct be a polling place.

For the special school district election scheduled for February 25, 2014. The City of Minnetonka precincts have been temporarily combined into one polling place **only** for this school district election. This temporary change is detailed in the attached and amended RESOLUTION ESTABLISHING COMBINED POLLING PLACES AND DESIGNATING HOURS. The other five combined polling places are the same as in previous school district elections. The Board reaffirms that the polling places for the special election will remain open for voting between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m.

RECOMMENDED ACTION: Adopt the amended RESOLUTION ESTABLISHING COMBINED POLLING PLACES AND DESIGNATING HOURS DURING WHICH THE POLLING PLACES WILL REMAIN OPEN for voting on February 25, 2014.

AGENDA SECTION: 4. RECOGNITIONS

ITEM: A. Employee of the Month – Birchview Elementary – Marianne Brinda

COMMENTS BY: Superintendent Anderson

Birchview Elementary School is proud to announce second grade teacher, Marianne Brinda, as the December 2013 Wayzata Public Schools Employee of the Month. Ms. Brinda is the epitome of a world-class elementary educator. She exemplifies the Birchview core values of Commitment, Community, Compassion and Curiosity while providing excellence for each and every child.

Commitment: Ms. Brinda shows commitment to learning at all levels. She holds her students and her self to a high standard. She pushes her students to learn beyond where they think they can go and does it with care and with their dignity in mind. She also is a leader in staff development and donates her time as a guest speaker in the University of St. Thomas graduate program.

Community: The Birchview community is a driving force in Ms. Brinda's work. She is a member of the Building Leadership Team. She also helps organize a year-end food drive to stock shelves for Birchview families. Ms. Brinda can also be counted on to remember and acknowledge the happy and sad events that happen to us along the way.

Compassion: Ms. Brinda knows her students and deeply cares for them. Because of the strong relationships she builds, many of her former students come back to visit her and keep in touch with her over the years. This compassion is also evident in the many relationships she has built with parents and staff members.

Curiosity: The staff of Birchview fully acknowledges and appreciates the curiosity and devotion Ms. Brinda brings to the table. This has allowed her to amass an amazing repertoire of innovative ideas that she readily shares with her peers. Her curiosity also enables her to look at issues in a different light than others. In turn, this brings about unique solutions to seemingly complex problems.

Through a combination of these core values, Ms. Brinda has become a natural leader. She has been a trusted negotiator of WEA, union representative and mentor. She is also the first person to pause a conversation to ask for clarity and to share concerns about how it may impact the many aspects of our community. We, the community members of Birchview, are honored to serve alongside her.

Congratulations, Marianne, educator extraordinaire!

The policy will establish the expectations for parental involvement and describe how the School District will:

1. Involve parents in the joint development of the School District's Title I plan and the process of school review and improvement;
2. Provide the coordination, technical assistance, and other support necessary to assist schools in planning and implementing effective parental involvement;

 - 8. Provide other reasonable supports for parental involvement as requested by parents.

The School Board recognizes volunteers as a valuable resource and encourages their participation within the schools. It acknowledges that volunteers are individuals who are not paid for their services, but provide a supporting role in the education process. Volunteers should be selected with careful consideration of how their presence relates to the educational objective of a class or classes. Responsible District personnel will identify appropriate tasks for the volunteers, provide in-service training, and plan effective ongoing recognition for volunteer activities. SCHOOL VOLUNTEERS

REGULATIONS: 617-R

The following guidelines will be issued to all volunteers annually.

GUIDELINES

1. We depend on our volunteers to maintain confidentiality of our students, staff, and volunteers. Any concerns, observations, or information about a child should be shared only with the person in charge (example: teacher, administrator, or building volunteer facilitator). If there is a breach of confidentiality a volunteer's privileges may be revoked.
2. Notify a teacher, principal, or individual in charge if a child gives you information that causes alarm (e.g., they are unable to eat, do not have a place to sleep, inappropriate touch). Volunteers must report suspected child abuse to the building social worker, counselor, or principal. (State law requires you to report such suspicions.)
3. Avoid being totally isolated with a child (e.g., in a room with a closed door).
4. Some children may be uncomfortable with patting them on the head, or hugs, or other physical touch. Asking a child before touching them may be appropriate. Follow the clues children give as to their comfort level.
5. Be aware of any sensitive issue to a child (e.g., in discussing fire safety, a child may be uncomfortable as a fire destroyed their home). Follow the clues children give.
6. Background checks for volunteers need to be completed two weeks prior to departure of the trip.
7. Volunteers should use physical intervention only when you believe that a child will hurt themselves or others. If at all possible, volunteers should call another adult for assistance. If you must intervene physically, immediately inform a teacher, principal, or individual in charge of event that you did so.
 - If you must intervene, limit verbalization with a child (i.e., do not argue the issue, do not discuss)
 - Remain calm, do not overreact, isolate the situation
 - If a situation escalates verbally or physically, call a staff person
8. In each situation, do not participate in the activity if you feel uncomfortable or are unsure of what is going on.

9. Name tags or buttons should be worn by volunteers to identify them to students, staff, and other volunteers.
10. Sign in each time you participate in a volunteer activity. Sign in books/computers are kept in the school office for your convenience.
11. Notify a staff person or person in charge of the activity if you will be late or if you will not be able to participate in your volunteer activity.
12. Wayzata Public Schools will provide students, employees, and volunteers with an environment for learning and working that is free from sexual harassment or sexual violence, and prohibits any form of sexual harassment or sexual violence. A complete copy of the District's guidelines on sexual harassment/sexual violence is available from the Executive Director of Human Resources or Executive Director of Curriculum and Instruction.
13. Discipline is the teacher or staff person's responsibility. Volunteers are not expected to discipline a student or classroom. Contact a staff person to help with a discipline issue. A copy of the school discipline policy is available in the school office.
14. For the safety of one-to-one volunteers and the student(s) with whom they work, all interaction between student(s) and volunteer are to take place only at scheduled time in the schools.

The Board is concerned about providing educational opportunities at minimal personal expense to students and their families. It is recognized, however, that fees or charges are sometimes necessary to sustain optional activities such as field trips, athletics and instrumental music. Further, charges may be required for certain elective projects in class.

Consistent with state law and regulation, the Superintendent is directed to develop and maintain a schedule of related fees or rental charges. ~~which will cover basic District costs. These cost determinations should include depreciation, repair, and insurance charges for special instrumental or equipment use.~~

INTERSCHOLASTIC ATHLETICS

POLICY: 621

The School Board intends that the interscholastic athletics program in the Wayzata School District shall be an important and integral part of the total school educational program and shall be designed primarily for the benefit of students in Grades 9-12. Its purpose is to provide educational experiences not otherwise provided in the curriculum to as many students as logistically possible.

The interscholastic athletics program shall provide a well-rounded, professionally directed, and supervised program of athletic activities at all skill levels. The program shall operate primarily for the benefit of the students who participate directly or vicariously in these activities, although the importance of public fan and spectator support is also recognized and appreciated. Participation in athletics is a privilege for those students who meet standards of eligibility adopted by local, conference, and state associations.

The interscholastic athletics program should stimulate the development of the whole person. It should enable the athlete to experience personal accomplishments and skill growth, and foster a positive self-image through a competitive athletic experience. Winning is an important measure of accomplishment in competitive athletics, often enhancing the overall development of the whole person, and serves as a program goal so long as there is compliance with policy requirements.

The School Board directs that interscholastic athletic programs be designed to meet the needs and interests of students regardless of gender. ~~Resources shall be allocated in an equitable manner.~~

INTERSCHOLASTIC ATHLETICS

REGULATIONS: 621-R

1. The interscholastic athletics program in the Wayzata School District shall provide a well-rounded, well-directed, and supervised program of athletic activities on a competitive basis at all levels.
2. The District shall conduct its various interscholastic athletic activities in full compliance with the rules of the Minnesota State High School League (MSHSL), the ~~Classic~~ Lake Conference, and the District 284 Extracurricular and Cocurricular Student Behavior-Policy Regulations (524) which shall be provided annually to all student-athletes.
3. The District will strive for excellence in pursuit of producing winning interscholastic athletes and teams.
4. The District is committed to providing qualified coaches within the school staff whenever possible and to provide the necessary program funding within the resources available.
5. The District is committed to providing safe and modern equipment and facilities, and maintaining them at a high level.
6. While participation in high school students in interscholastic athletics is strongly encouraged, varsity and junior varsity teams will be comprised of the most highly skilled athletes in Grades 9-12.
7. For programs with more than two (2) levels of competition, students in Grades 9 and 10 who are identified as highly-skilled athletes may be moved to the varsity or junior varsity teams under the following conditions:
 - A. A pre-tryout meeting between the District's Athletic/Activities Director or designee and varsity head coach will be conducted to identify:
 - (1) Total number of participants in program;
 - (2) Number of teams;
 - (3) A skill position that needs to be filled on a particular team; and
 - (4) Circumstance surrounding the tryout of ninth and tenth grade athletes on the varsity and junior varsity teams.
 - B. Ninth and tenth grade students must have a tryout period of a minimum of five (5) days to be considered for membership on the varsity or junior varsity teams.

- C. After the conclusion of the tryout process, if the varsity coach desires to include ninth or tenth grade students on either team, a post-tryout conference will be held between the varsity head coach and the District's Athletic/Activities Director or designee. After the conference the District's Athletic/Activities Director or designee will then decide whether to approve membership on those teams. No announcement of any team selections may be made to anyone until after the decision of the District's Athletic/Activities Director or designee.
8. Participation in the interscholastic athletic program of Wayzata High School is primarily for the benefit of students in Grades 9-12. A seventh or eighth grade student-athlete may be considered as a possible participant at the varsity level in a given sport after meeting the following conditions:
 - A. The student is identified by a middle school coach and or varsity coach as a possible participant;
 - B. All members of the eligibility committee, composed of the District's Athletic/Activities Director or designee, the student's middle school principal, high school principal or designee and the varsity coach, agree that the move will be beneficial to the student;
 - C. A committee representative contacts the student's parents/guardians to advise them of the potential pros and cons of permitting the student to participate at the varsity level;
 - D. The parent/guardians and the student agree that the participation at the varsity level would be beneficial to the student-athlete; and
 - E. The "REQUEST FOR AN INDIVIDUAL MIDDLE SCHOOL ATHLETE TO PARTICIPATE AT HIGH SCHOOL VARSITY LEVEL" form must be completed and approved four (4) weeks prior to each season.
 - F. All middle school athletes who receive approval from the District Athletic/Activities Director for varsity participation shall undergo a tryout period in which the varsity coach evaluates the athlete's physical, psychological, social, and emotional readiness for competition at the varsity level. This tryout period shall be a minimum of five (5) days and shall not exceed two (2) weeks. At the conclusion of the tryout, the varsity coach will meet with the student-athlete and discuss the anticipated role of the young the student-athlete for the season.
9. Students in Grades 7 and 8 may be considered for participation in a high school program, designated for Grades 9-12, at the non-varsity level if there is full compliance with Paragraph 8; there are positions available on the non-varsity team; and there is adequate coaching staff to accommodate an increased number of participants. This determination will be made by the District's Athletic/Activities Director or designee.

10. Transportation in special situations is the responsibility of parents. Seventh and eighth grade students must realize that their school obligations and responsibilities cannot be neglected because of membership on high school teams. No dismissal from the school schedule will be allowed for regular participation in a high school sport. Early dismissals will be allowed, but limited to game days when travel time is needed.
11. Seventh and eighth grade students will compete in their respective schools. If the activity is not offered at their school, they may compete at another middle school provided there is space and adequate coaching personnel.

- The county auditor mails parcel specific tax notices to each property owner in the district.
- The school district is required to discuss the payable 2014 levy and current year budget.

<u>FUND</u>	<u>PRELIMINARY 2014 LEVY</u>	<u>PAYABLE 2013 LEVY</u>	<u>CHANGE</u>	<u>PERCENT CHANGE</u>

TOTAL	49,995,137	\$ 48,622,654	\$ 1,372,483	2.82%

Excellence. For each and every student.

Effect on Taxpayers

- The School Board approved a 2.82% increase in its property tax levy in September
- The school levy increase is primarily due to increased resident student enrollment tied directly to voter approved referendum authority
- Several levy components require local school boards to levy the entire state-calculated amount or the state will withhold a portion of the state aid the District is entitled to
- This levy does not include amounts related to the February 25, 2014 referendum

Excellence. For each and every student.

Effect on Taxpayers

- The District's tax levy is spread to property owners based upon taxable market value
- There is not a direct correlation between the District's total levy change of 2.82% and what individual property owners will pay

Excellence. For each and every student.

Effect on Taxpayers

The District's tax levy is spread to property owners based upon taxable market value

- If a property owner has NO increase in taxable market value, the change in the school portion of the taxes will be minimal if any, and less than the 2.82% change in the District's total property tax levy
- If the property owner has a decrease in taxable market value, the school portion of the taxes will decrease
- If the property owner has an increase in taxable market value and the home was valued at less than \$413,800, the school portion of the taxes will increase slightly more than the percentage increase in the taxable market value
- If the property owner has an increase in taxable market value and the home was already valued over \$413,800, the school portion of the taxes will increase slightly more than the percentage increase in the taxable market value

Excellence. For each and every student.

Changes from Last Year

- Largest change in the General fund levy is voter approved referendum authority due to increasing resident student enrollment

AGENDA SECTION: 7. OTHER BOARD ACTION

ITEM: A. Appointment of District 284 Representative to Intermediate

District 287 Board

COMMENTS BY: Board Chair Droegemueller

The appointment of Carter Peterson to the 287 Board of Directors will expire on December 31, 2013. As stipulated in the Intermediate District 287 Memorandum of Agreement, each member School District shall have one representative on the 287 Board who shall be appointed by the member District's School Board. The Board makes annual appointments at its January Board Meeting with the exception of the appointments made to inter-district school boards, 287 and WMEP. These appointments must be approved in December so they are official when the District 287 and WMEP boards meet in January. This ensures continuous board representation from Wayzata, because the January board meetings for 287 and WMEP occur prior to the January Wayzata Organizational Board meeting.

Ms. Peterson has indicated her interest and willingness to continue to serve as a Wayzata School District representative. Ms. Peterson has done a fine job in representing the Wayzata School Board, and we extend to her our thanks and appreciation for her work and commitment with District 287.

RECOMMENDED ACTION: Approve the appointment of Carter Peterson to the Intermediate District 287 Board of Directors for a two-year term of January 1, 2014 through December 31, 2015.

COMMENTS BY: Board Chair Droegemueller

The appointment of Susan Droegemueller to the WMEP Board of Directors will expire on December 31, 2013. The Board makes annual appointments at its January Board Meeting with the exception of the appointments made to inter-district school boards, 287 and WMEP. These appointments must be approved in December so they are official when the District 287 and WMEP boards meet in January. This ensures continuous board representation from Wayzata, because the January board meetings for 287 and WMEP occur prior to the January Wayzata Organizational Board meeting.

We'd like to thank board member Jay Hesby for his willingness to serve on this public school board in addition to his service on the Wayzata School Board for 2014. This appointment will involve an additional significant commitment by Mr. Hesby.

Jay Hesby: We would also like to extend to Ms. Droegemueller our thanks and appreciation for the fine job she has done representing Wayzata on the WMEP Board for the past two years.

RECOMMENDED ACTION: Approve the appointment of Jay Hesby to the WMEP Board of Directors for a one-year term of January 1, 2014 through December 31, 2014.

**CONTRACT FOR SERVICES
SUPERINTENDENT OF SCHOOLS
INDEPENDENT SCHOOL DISTRICT NO. 284
WAYZATA, MINNESOTA**

The School Board of Independent School District No. 284, Wayzata, Minnesota ("School District") enters into this agreement (the "Contract") with Chace Anderson ("Superintendent"), a legally qualified and licensed superintendent, who agrees to perform the duties of superintendent of schools of the School District. The implementation of this agreement is contingent upon the Superintendent completing the terms of the existing contract as required by Minn. Stat. 123B.143 Subd. 1.

The School District and the Superintendent agree as follows:

I. Applicable Statute

This Contract is entered into between the School District and the Superintendent in conformance with Minn. Stat. § 123B.143, Subd. 1.

II. Licensure

The Superintendent shall furnish, throughout the life of this Contract, a valid and appropriate license to act as Superintendent in the State of Minnesota as provided by applicable state laws, rules and regulations.

III. Duration, Expiration, Termination and Mutual Consent

1. Duration.

This Contract is for a term of three years commencing July 1, 2014, and ending June 30, 2017. It shall remain in full force and effect unless modified by mutual consent of the School Board and the Superintendent, or unless terminated as provided herein.

2. Subsequent Contract.

The School Board shall notify the Superintendent no later than September 1, 2016 (or ten (10) months prior to the expiration of this Contract) whether the School Board wishes to enter into negotiations with the Superintendent for a subsequent contract. If the Board fails to give notice of its intent concerning renewal by September 1, 2016, the parties shall assume that no such renewal is intended by the School Board and the Contract shall expire at the end of the contract term. If the Superintendent intends not to seek another contract with the District, the Superintendent will give the School Board written notice of such intent no later than September 1, 2016 (or ten (10) months prior to the expiration of this contract).

3. Expiration.

This contract shall expire on June 30, 2017. At the conclusion of its term, neither party shall have any further claim against the other, and the School District's employment of the Superintendent shall cease, unless a subsequent Contract is entered into in accordance with M.S. § 123B.143, Subd. 1.

4. Termination During the Term.

The Superintendent's employment may be terminated during the term of this Contract only for cause as defined in M.S. 122A.40, Subds. 9 or 13, as amended. Except for purposes of describing grounds for discharge, the provisions of M.S. 122A.40 shall not be applicable. If the School Board proposes to terminate the Superintendent during the Contract term for cause as described in M.S. 122A.40, Subds. 9 or 13, it shall notify the Superintendent in writing of the proposed grounds for termination. The Superintendent shall be entitled to a hearing before an arbitrator, provided the Superintendent makes such a request in writing within fifteen (15) calendar days after receipt of the written notice of the proposed termination. In such event, the parties shall jointly petition the Bureau of Mediation Services (BMS) for a list of five (5) arbitrators. The arbitrator shall be selected by the parties through the normal striking process as provided by BMS rules. The arbitrator shall conduct a hearing under normal arbitration procedure rules and issue a written decision. The decision of the arbitrator shall be final and binding upon the parties, subject to normal judicial review of arbitration decisions as provided by law. The Superintendent may be suspended with pay pending final determination by the arbitrator. If the Superintendent has been charged with a felony and the underlying conduct that is the subject of the felony charge is a ground for a proposed immediate discharge, the suspension pending the conclusion of the hearing and determination of the issues may be without pay. If a hearing is held, the board must then reimburse the Superintendent for any salary or compensation withheld if the final decision of the board or the arbitrator does not result in a penalty to or suspension, termination or discharge of the Superintendent. If the Superintendent fails to request a hearing as provided herein within the fifteen (15) calendar day period, it shall be deemed acquiescence by the Superintendent to the School Board's proposed action and the proposed action shall become final on such date as determined by the School Board, and the Superintendent shall have no further claim or recourse.

5. Mutual Consent

The parties may terminate this Contract at any time by mutual consent.

IV. Duties

The Superintendent shall have charge of the administration of the schools under the direction of the School Board. The Superintendent shall be the chief executive officer of the School Board; shall direct and assign teachers and other School District employees under the Superintendent's supervision; shall organize, reorganize and arrange the administrative and supervisory staff, including instruction and business affairs, as best serves the School District subject to the approval of the School Board; shall select all personnel subject to the approval of the School Board; shall, from time to time, suggest policies, regulations, rules and procedures deemed necessary for the School District, and in general perform all duties incident to the office of the Superintendent and such other duties as may be prescribed by the School Board from time to time. - The next five (5) unused days will be paid to the Superintendent at his daily rate of base annual salary for that given contract year. The payment shall be made at the end of the current contract year.
- Any remaining days shall be credited toward vacation time for the next contract year, and must be used within six months of the start of the next contract year.

The total number of days paid to the HCSP and Superintendent shall not exceed eight (8) in any given contract year. Any tax effects or effects upon retirement accounts related to these payments shall be solely the responsibility of the Superintendent.

The total number of vacation days earned by the Superintendent for the current contract year shall be credited to him on July 1 of the current contract year. However, should the Superintendent leave his employment for any reason prior to June 30 of that contract year, the vacation days earned shall be prorated accordingly.

3. Holidays.

The Superintendent shall be entitled to ten (10) paid holidays each Contract year as designated by the School Board.

4. Sick Leave.

The Superintendent shall earn paid sick leave at the rate of fifteen (15) days for each contract year, which may accrue without limit. Once each contract year, the School District will pay the Superintendent for up to ten (10) unused sick leave days accumulated beyond one hundred thirty (130) days during that contract year. Payment will be made during the last pay period of the contract year. The payment will be based on the Superintendent's daily rate of base annual salary for the given fiscal year. Upon termination of employment with the School District, unused accrued sick leave days shall be paid at the Superintendent's then daily rate of pay up to an accumulated maximum of one hundred thirty (130) days. The total number of sick leave days earned by the Superintendent for the current contract year shall be credited to him on July 1 of the current contract year. However, should the Superintendent leave his employment for any reason prior to June 30 of that contract year, the sick leave days earned shall be prorated accordingly.

5. Family Emergency Leave.

The Superintendent may annually apply up to ten (10) days of accumulated sick leave days to absence during the contract days due to critical illness in the Superintendent's immediate or close family. The Superintendent's "immediate or close family" is as defined and determined by the Superintendent. This definition also includes a relative or close friend normally living in the Superintendent's household.

The Superintendent shall receive two (2) days of paid personal leave for each Contract year. Any unused personal days shall be paid at the Superintendent's then daily rate of pay during the last pay period of the contract year.

7. Bereavement Leave.

The Superintendent shall be granted bereavement leave for a death within the Superintendent's immediate or close family. The time utilized shall be in a reasonable amount and shall be determined after conferring with the School Board chair. Days utilized shall not be deducted from sick leave.

8. Disability.

If the Superintendent is unable to perform regular duties because of personal illness or disability and has exhausted all accumulated sick leave, the School District shall provide additional paid sick leave at a salary equal to 100 percent of the Superintendent's regular salary until the expiration of the waiting period for long-term disability insurance.

9. Medical Leave.

- a. The Superintendent and School District agree to incorporate by reference and be bound by the provisions of M.S. 122A.40, Subd. 12 relating to suspension and leave of absence for health reasons.
- b. If the Superintendent is unable to perform regular duties because of personal illness or disability and has exhausted all sick leave credit available or has become eligible for long-term disability compensation and has not been suspended or placed on leave of absence pursuant to M.S. 122A.40, Subd. 12, the Superintendent shall, upon request, be granted a medical leave of absence, without pay, up to one year in duration. The School Board may, in its discretion, extend such a leave upon written request. A request for medical leave of absence or extension of such leave pursuant to this section shall be accompanied by a written statement from a physician outlining the condition of health and estimated time at which the Superintendent is expected to be able to resume normal responsibilities. The Superintendent, when on medical leave of absence, is eligible to continue to participate in group insurance programs as permitted under the insurance policy provisions, but the Superintendent shall pay the entire premium for such programs as the Superintendent wishes to retain commencing with the beginning of the leave. If medical leave of at least one full year is granted pursuant to this section, the Superintendent voluntarily waives any right to a leave of absence to which the Superintendent might otherwise be entitled pursuant to M.S. 122A.40, Subd. 12.

10. Worker's Compensation.

Pursuant to Minnesota Statute 176, the Superintendent injured on the job in the service of the School District will be eligible to receive worker's compensation benefits.
