502 STUDENT DISCIPLINE

I. PURPOSE

The purpose of this policy is to ensure that students are aware of and comply with the school district's expectations for student conduct.

This policy applies to all school buildings, school grounds, and school property or property immediately adjacent to school grounds; school-sponsored activities or trips; school bus stops; school buses, school vehicles, school contracted vehicles, or any other vehicles approved for school district purposes; the area of entrance or departure from school premises or events; and all school-related functions, school-sponsored activities, events, or trips. School district property also may mean a student's walking route to or from school for purposes of attending school or school-related functions, activities, or events. While prohibiting unacceptable behavior subject to disciplinary action at these locations and events, the school district does not represent that it will provide supervision or assume liability at these locations and events.

II. GENERAL STATEMENT OF POLICY

- A. The school board has a responsibility to make reasonable policies for governing student behavior and conduct consistent with Minnesota statutes including Minnesota Pupil Fair Dismissal Act and rules and regulations approved by the Minnesota Department of Education
- B. The vision statement of the Wayzata School District includes a commitment to a welcoming, nurturing and safe environment.

In support of this vision, we believe in the following:

1. Recognition of the rights and responsibilities of all individuals.
2. Respect for governing laws.
3. Respect for private and public property.
4. Consequences for failure to follow student conduct rules.

The school board believes that learning occurs best in an orderly environment which promotes responsible behavior in our students. ~~This policy and these regulations apply to all students on school property at all times, at any school-sponsored activities and on school buses.~~
