ITEM: E. Teachers' Retirement Association Part-time Teacher Program

COMMENTS BY: Ms. Annie Doughty

Part-time licensed staff who have taught a minimum of three (3) full years are eligible to participate for up to ten (10) years in the Teachers' Retirement Association's (TRA) Part-Time Teacher Program.

TRA retirement benefits are based on the years of service credit earned by the member and the individual's high-five average salary. In the teacher plans covering K-12 teachers, the high-five average salary is the average salary for pension purposes for the five successive years that produce the highest average. Generally, the high-five average salary occurs during the last five years prior to termination of service and retirement. An individual who worked part-time as a teacher late in his or her career could harm the high-five average if the individual were not in the qualified part-time teacher program. Participants must pay both the employee and employer share of the TRA. Annually, the School Board must approve the District's participation in this program.

RECOMMENDED ACTION: Approve participation in the Teachers' Retirement Association (TRA) Part-Time Teacher Program.

COMMENTS BY: Chace Anderson

Wayzata High School Receives 2016 Strength of America Award

The National Strength and Conditioning Association (NSCA) and the President's Council on Fitness, Sports and Nutrition are proud to announce Wayzata High School as a 2016 Strength of America Award recipient. This award recognizes WHS for representing the gold standard in strength and conditioning programs.

Led by Ryan Johnson, strength and conditioning coordinator to improve his school's curriculum, WHS was measured in four major categories: Supervision, Education, Program and Facilities. Selected from hundreds of eligible schools, WHS will be presented with the award during the NSCA's National Conference Awards Banquet dinner slide show, July 8, 2016 in New Orleans, Louisiana.

With the increasing number of inconsistent gym conditions and strength programs across the country, the NSCA and the President's Council on Fitness, Sports, and Nutrition are working together to provide all high schools concise guidelines. "I am proud to have Wayzata High School be part of our ongoing mission to improve the education and programs for all our youth," says Coach Scott Caulfield, NSCA's head strength and conditioning coach."

AGENDA SECTION: June Employee of the Month – Matt Rohweder

COMMENTS BY: Chace Anderson

Written by his colleagues:

We would like to nominate **Matt Rohweder** as the district's employee of the month from East Middle School.

As a PLC partner, Matt is a true asset. His love of Earth Science is contagious and he is constantly striving to improve the education that all students receive. He devotes countless hours to professional development opportunities (particularly the TIMES project) and parlays that into relevant, hands on science lessons. He is a joy to work with. He even brought "science" to EMS for all the grades with FMA Live which was a spectacular event for our students.

Matt is a natural leader. He helps his team focus in on what is most important, the kids. He is also willing to take on any challenge and keeps the team's focus positive. He makes us all want to do better for the students and not get mired in the stresses of the job. Instead of complaining, he wants to dig in and work, and that is contagious.

One of Matt's greatest strengths as a teacher is that he is an advocate for all students, whether he has them in class or not. He cares deeply about each student as an individual, he takes the time to hear their story and get to know them, and he is masterful at using each student's individual strengths to help them succeed.

Matt is an advocate for the underdog. He works hard to see the spark in every student and then goes out of his way to nurture those students who may be struggling or who don't have a lot of support in their lives,. He encourages students to share their strengths by going to their extra-curricular activities, having students in at lunch to talk, and by encouraging students to join clubs or groups.

It is for these reasons that Matt Rohweder is our selection for employee of the month!

Always maintaining a smile on her face no matter what challenges the day brings.

AGENDA SECTION: September Employee of the Month – Jane Johnson

COMMENTS BY: Chace Anderson

It is a great pleasure to recognize Jane Johnson, kindergarten teacher at Plymouth Creek Elementary, as the September Employee of the Month.

Jane began her career in Wayzata Public Schools as a kindergarten teacher at Oakwood Elementary and has been an integral part of the Plymouth Creek staff since the school opened in 1989. She fondly recalls how Plymouth Creek was in the middle of farm country with no stores close by and how fun it was to have everything new and matching. (Jane loves "cute.")

Kindergarten was made for Jane Johnson, or maybe Jane was made for kindergarten. Either way, Jane found her passion and calling. She loves her students, colleagues, parents and coming to school each day. She is filled with enthusiasm and loves to see the growth in her students. She is also quick to acknowledge the wonderful parents, volunteers and colleagues she gets to work with and the opportunity she has to learn from each of them.

As for the Employee of the Month recognition, her peers say it best.

"She is SO deserving!!! "

"Jane is someone who will do anything for anyone—student, teammate, co-worker, friend. She will work night and day to get her students what they need and she will not stop until they are successful. I can't thank her enough for all she has done for me. Not to mention that she continuously inspires me to want to improve my teaching, do better, try something new, refine something we've been doing to make it better, etc. I am so fortunate to work with Jane—she is an amazing teammate, teacher and friend!!!"

"Being a new teacher right out of college was exciting and scary at the same time! Jane had this amazing way of making me feel at home the minute I stepped into my classroom. She has always been eager to help guide me and lend me advice. She is truly a ray of sunshine each and every day! I have never met someone who is as kind and happy to every person around her, including each of her students. She is an inspiring teacher!"

From all of us at Plymouth Creek Elementary, congratulations Jane, and thank you for being the incredible teacher, leader and example you are to each of us.

Back to School!

AGENDA SECTION: SUPERINTENDENT’S REPORTS AND RECOMMENDATIONS

ITEM: Finance and Business Services

COMMENTS BY: Jim Westrum, Exec. Director of Finance and Business Services

Monthly Financial Reports

Enclosed for School Board review and information are the following financial reports as of July 2016:

- Investment Summary
- Analysis of Financial Reports
- Statement of Revenues
- Statement of Expenditures

No School Board action is required.

ANALYSIS OF FINANCIAL REPORTS

For the month ended July 31, 2016

The Business Office is preparing for the annual audit scheduled for the end of September. As that process progresses, accounts are reconciled, recorded, and reversal entries are made. Prepaids, deferred revenues, and payables are examples of items reflected in one fiscal year that will be adjusted to the proper year during the audit reconciliation process. Some entries have been completed while others will be completed in anticipation of the audit.

Statement of Revenues:

This report reflects revenue received by the month end noted above. Overall revenues are consistent with prior years with the exception of the following items:

- Alternative Facilities, Construction and Tech fund in the current year reflects revenue received from a Bond Surety which is related to the completion of a construction project. Fiscal 2016 had a deficit revenue amount due to recognizing a loss on an investment sold in July 2015. This loss was netted against earnings in prior fiscal years and over the life of the investment had positive net earnings.
- Interest earnings are reflected in the Building Construction Fund. The investments have been held since the May 2014 proceeds were received.

Statement of Expenses:

This report reflects actual expenditures paid and does not include outstanding encumbrance balances. Overall expenditures are in line with prior years with the exception of the following:

- General Fund Supplies & Materials fluctuate from year to year based on the District's needs for the start of school. Also, capital expenditures fluctuate from year to year based on a projects timing of work completion and the District's capital equipment needs.
- Community Service Fund had additional expenditures in Fiscal 2015 for moving outlays and various other items.
- Debt Service and OPEB Debt Service Funds reflect interest payments on debt that are due the first of August. The payment in August is for interest only and principal and interest payments are due the first of February each year. As of June 30, 2016, the OPEB Debt Service Fund was eliminated due to all outstanding debt being repaid.
- A construction budget is not reflected for the Building Construction Fund due to projects spanning over multiple fiscal years. For Fiscal 2016 only, the District adopted a budget for salary and related benefit expenditures. Construction began in Fiscal 2015 and the schools are targeted to open September 2016.

the fixtures, except for the following encumbrances which Buyer accepts or assumes [list here]:

N/A

C. PERSONAL PROPERTY. Any personal property to be purchased by Buyer is listed on the attached Personal Property Agreement.

5. PRICE AND TERMS. The price for the real property is
Two Hundred and Five Thousand Dollars Dollars (\$205,000.00), which
Buyer shall pay as follows:

Earnest money of \$ 5,000.00 by [CASH, CHECK, NOTE state which] _____ payable to
[select one:]

- ☐ Seller, to be deposited and held by Seller (and may be commingled with Seller's other funds) pending closing,
☒ Seller's lawyer, to be deposited and held in the lawyer's trust account pending closing,

☐ Seller's broker, to be deposited or held by broker according to the requirements of Minnesota Statutes,
☐ Other [describe how the earnest money will be held] _____,
receipt of which is hereby acknowledged and \$ 200,000.00 cash, on September 1, 2016, the DATE OF
CLOSING, and the balance of \$ 0.00 by financing as shown on the attached Financing Addendum.

6. DEED/MARKETABLE TITLE.

A. Upon performance by Buyer, Seller shall execute and deliver a Trustee's Warranty Deed, joined in by spouse, if any, conveying good and marketable title of record, subject to the following Title Exceptions:

- (1) Building and zoning laws, ordinances, state and federal regulations; and
- (2) The lien of real property taxes and the lien of special assessments and interest due thereon, if any, payable in the year of closing which by the terms of this Purchase Agreement are to be paid or assumed by Buyer.

B. Seller proposes to Buyer that Seller's good and marketable title will be delivered to Buyer at closing subject to the following title issues:

[Check (1), if applicable:]

- (1) ☐ Encumbrances, easements, covenants, conditions, restrictions, a declaration (without an association), and reservation of mineral rights by the State of Minnesota, as disclosed in M.S.B.A. Real Property Form No. 19, ADDENDUM TO PURCHASE AGREEMENT: TITLE ISSUES (2005), attached as a part of this Purchase Agreement.

[Check (2), if applicable:]

- (2) ☐ A Declaration of covenants, conditions, and restrictions with an association in a planned community, condominium, or other common interest ownership community, as disclosed in M.S.B.A. Real Property Form No. 12, ADDENDUM TO PURCHASE AGREEMENT: COMMON INTEREST COMMUNITY attached as a part of this Purchase Agreement.

[Check (3), if applicable:]

- (3) ☐ The rights of tenants or other parties in possession, as disclosed in M.S.B.A. Real Property Form No. 20, ADDENDUM TO PURCHASE AGREEMENT: TENANTS OR PARTIES IN POSSESSION (2005) attached as a part of this Purchase Agreement.

Although Seller has disclosed these title issues and Buyer has indicated a general willingness to take title subject to these title issues, these title issues are subject to the other provisions of the Purchase Agreement and to an examination of title based upon the Minnesota Title Standards and upon Minnesota law.

Buyer also reserves the right to evaluate these title issues in the light of Buyer's intended use and enjoyment of the property. Buyer shall have until the end of the period for stating Title Objections under Paragraph 14., of this Purchase Agreement to make the evaluation and determine if these title issues will affect Buyer's intended use and enjoyment of the property. Except for matters disclosed under B.(2), above, and governed by the statutory remedies referenced in M.S.B.A. Real Property Form No. 12, ADDENDUM TO PURCHASE AGREEMENT: COMMON INTEREST COMMUNITY, if Buyer, in Buyer's sole discretion, determines that these title issues will adversely affect Buyer's intended use and enjoyment of the property, Buyer may declare this Purchase Agreement void by notice to Seller, neither party shall be liable for damages hereunder to the other, and earnest money shall be refunded to Buyer. If the period for stating Title Objections under Paragraph 14., passes without Buyer's declaring that these title issues will adversely affect Buyer's intended use and enjoyment of the property, then, subject to Seller's covenant to deliver a good and marketable title of record, Buyer shall take title subject to these title issues. [Seller should consider full disclosure of all title issues to Buyer in this Purchase Agreement or in addenda to this Purchase Agreement. Full disclosure as to the substance of title issues allows Buyer an early opportunity to ensure that this is the right property for Buyer and to measure the impact on the Buyer's intended use or potential enjoyment of the property. In other words, Buyer's consent to take title subject to the existence of title issues must be a fully informed consent. If Buyer is fully informed early, it is less likely that Buyer will elect to void the Agreement.]

7. REAL ESTATE TAXES AND SPECIAL ASSESSMENTS.

A. Prior Years' Delinquent Real Estate Taxes and Delinquent Special Assessments. Delinquent real estate taxes payable in years prior to the year of closing and delinquent installments of special assessments certified for collection with real estate taxes payable in years prior to the year of closing, together with penalty, interest and costs, shall be paid by Seller not later than the actual date of closing.

B. Real Estate Taxes Payable in the Year of Closing. Real estate taxes payable in the year of closing shall [select from (1) or (2):]

☒ (1) Be prorated between Seller and Buyer [select (a) or (b)]:

☒ (a) On a calendar year basis to the actual date of closing;

☐ (b) As follows: Seller _____%; Buyer _____%;

adjusted between Seller and Buyer at closing, and paid to the county at closing if then due and Buyer shall assume installments not paid at closing.

☐ (2) Not be prorated and the entire year's taxes shall be [select (a) or (b)]:

☐ (a) Paid by Seller when due, but not later than closing,

☐ (b) Assumed by Buyer, to be paid when due and not later than closing if due prior to closing, and Buyer shall reimburse Seller at closing for any installments paid by Seller prior to closing.

Seller shall pay penalty, interest and costs on any delinquent installment of taxes and special assessments payable in the year of closing. If closing is delayed to a later year, real estate taxes payable in the year of closing shall be prorated between Seller and Buyer on a calendar year basis to the actual date of closing.

C. Tax Statements. If tax statements for taxes payable in the year of closing are not available on the Date of Closing, the amount to be used for closing purposes shall be _____% of the prior year's taxes, and such amount shall be [select one] ☒ FULL AND FINAL

BETWEEN SELLER AND BUYER ☐ **ADJUSTED UPON RECEIPT OF TAX STATEMENTS FOR SUCH YEAR** (in which case the party obligated to pay the adjustment shall pay it to the other party within 30 days of issuance of the tax statements).

D. Homestead Classification. Seller represents that, as of the date of this Agreement, the property tax classification is ~~strike one~~ **homestead / nonhomestead**. If the property is nonhomestead, Buyer may change the tax classification for taxes payable in the year following closing by taking possession of the real property as Buyer's homestead and filing a new homestead declaration within the time required by law. If the property tax classification in the year of closing is not homestead, Seller shall pay to Buyer at closing ~~select one~~

☒ \$0.00

☐ the difference (on Buyer's portion of the taxes) between the taxes in the actual classification and the taxes that would have been payable under homestead classification.

If the property tax classification for taxes payable in the year following closing is not homestead and, through no fault of Buyer, the closing takes place after the date by which Buyer must take possession of the real property as Buyer's homestead to file for homestead tax status for taxes payable in such year, Seller shall pay to Buyer at closing ~~select one~~

☒ \$0.00

☐ the difference (on Buyer's portion of the taxes) between the taxes in the actual classification and the taxes that would have been payable under homestead classification.

[If Buyer intends to claim the property as Buyer's homestead, Buyer should file Buyer's homestead declaration as soon as possible after taking possession and occupancy of the property.]

E. Deferred Real Estate Taxes. ~~select one:~~ ☐ **BUYER** ☒ **SELLER SHALL PAY ON DATE OF CLOSING OR PROVIDE FOR PAYMENT OF** any deferred real estate taxes (including "Green Acres" taxes under Minnesota Statutes Section 273.111) payment of which is required as a result of the closing of this sale or the recording of the Deed or Contract-for-Deed. Provision for payment shall be by payment into escrow of 1.5 times the estimated amount of the assessor's reassessment for deferred taxes.

F. Valuation Exclusions from Assessed Value. Seller warrants and represents that the property ~~select one:~~ ☐ **does** ☒ **does not** have an exclusion from estimated market value for certain home improvements pursuant to Minnesota Statutes Section 273.11, Subd. 16 (1997). Such exclusion expires on the sale of the property and will cause the assessed value of the property to increase for property tax purposes. The increase in assessed value will cause the property taxes to increase and might make the property unaffordable for Buyer. If Seller represents that the property does not have an exclusion and an exclusion is discovered prior to closing, Buyer may, at Buyer's option:

- (1) Assume payment of the increased property taxes without adjustment to the purchase price of the real property;
- (2) Require that the price of the property be reduced by the estimated increase in property taxes over the three calendar years following the year of closing (such estimated increase shall be obtained from the county assessor or city assessor); or
- (3) Rescind this Agreement, in which case all earnest money shall be refunded to Buyer.

If the exclusion is not discovered until after closing, Seller shall be liable to Buyer for liquidated damages in the amount that is five times the estimated increase in real estate taxes based on the reassessed value provided that any notice of a claim of breach of warranty must be in writing and must be given by Buyer to Seller within one year of the Date of Closing or be deemed waived. The provisions of this Paragraph F., shall survive the delivery of the Deed or Contract for Deed.

G. Certified Special Assessments. All installments of special assessments certified for payment with the real estate taxes payable in the year of closing shall be ~~select one:~~

- ☐ Prorated between Seller and Buyer on a calendar year basis to the actual date of closing, adjusted at closing, and unless otherwise provided in this Purchase Agreement, shall be paid at closing
- ☐ Paid by Buyer at closing
- ☒ Paid by Seller at closing
- ☐ Assumed by Buyer.

H. Pending Special Assessments. ~~select one:~~ ☒ **BUYER SHALL ASSUME PAYMENT OF** ☐ **SELLER SHALL PROVIDE FOR PAYMENT OF** special assessments pending as of the date of this Purchase Agreement for improvements that have been ordered by the City Council or other governmental assessing authorities. (Seller's provision for payment shall be by payment into escrow of 1.5 times the estimated amount of the assessments.) As of the date of this Purchase Agreement, Seller represents that Seller has not received a Notice of Hearing of a new public improvement project from any governmental assessing authority, the costs of which project may be assessed against the real property. If a special assessment becomes pending **after** the date of this Purchase Agreement and **before** the Date of Closing, Buyer may, at Buyer's option:

- (1) Assume payment of the pending special assessment without adjustment to the purchase price of the real property; or,
- (2) Require Seller to pay the pending special assessment (or escrow for payment of same as provided above) and Buyer shall pay a commensurate increase in the purchase price of the real property, which increase shall be the same as the estimated amount of the assessment; or,
- (3) Rescind this Agreement, in which case all earnest money shall be refunded to Buyer.

I. Deferred Special Assessments. ~~select one:~~ ☐ **BUYER** / ☒ **SELLER shall pay on date of closing or provide for payment of any deferred special assessments payment of which is required as a result of the closing of this sale or the recording/filing of the Deed or Contract for Deed.** Provision for payment shall be by payment into escrow of 1.5 times the estimated amount of the deferred special assessments.

K. Taxes and Special Assessments in the Years Following Closing. Buyer shall pay real estate taxes payable in the years following closing and special assessments payable therewith, the payment of which is not otherwise provided herein. Seller makes no representation concerning the amount of future real estate taxes or of future special assessments.

8. DAMAGES TO REAL PROPERTY. Until completion of closing and delivery of possession, all risk of loss is on Seller. If the real property is damaged prior to closing, Seller shall give notice to Buyer within 3 business days after such damage has occurred. The notice shall include Seller's proposal for repairing the damage. From the date that Buyer receives Seller's notice, Buyer shall have 3 business days to inspect the real property, and an additional 2 business days to determine if the damages and Seller's proposal for repairs are acceptable to Buyer. If Buyer does not accept Seller's proposals for repairs within the 2 day period, this Agreement is cancelled and the earnest money shall be refunded to Buyer.

9. SELLER'S BOUNDARY LINE, ACCESS, RESTRICTIONS AND LIEN WARRANTIES. Seller warrants that buildings, if any, are entirely within the boundary lines of the real property. Seller warrants that there is a right of access to the real property from a public right of way. Seller warrants that there has been no labor or material furnished to the real property for which payment has not been made. - (a) Except as provided in Paragraph (b) a seller is not required to disclose information relating to the physical condition of the real property if a written report that discloses the information has been prepared by a qualified third party and provided to the prospective buyer. For purposes of this paragraph, "qualified third party" means a federal, state, or local governmental agency, or any person whom the seller, or prospective buyer, reasonably believes has the expertise necessary to meet the industry standards of practice for the type of inspection or investigation that has been conducted by the third party in order to prepare the written report.
- (b) A seller shall disclose to the prospective buyer material facts known by the seller that contradict any information included in a written report under paragraph (a) if a copy of the report is provided to the seller.

N. METHAMPHETAMINE DISCLOSURE. *[Check only one box, either (1) or (2)]*

☒ (1) To the best of Seller's knowledge, methamphetamine production has not occurred on the property.

☐ (2) To the best of Seller's knowledge, methamphetamine production has occurred on the property and Seller's disclosure is continued in Part B., **METHAMPHETAMINE DISCLOSURE STATEMENT**, M.S.B.A. Real Property Form No. 22 (2005), included as an addendum to this Purchase Agreement.

O. NOTICE OF AIRPORT ZONING REGULATIONS. If airport zoning regulations affect this real property, a copy of those airport zoning regulations as adopted can be viewed or obtained at the office of the county recorder where the zoned area is located.

P. WARRANTIES SURVIVE CLOSING. Seller's warranties and representations contained in this Paragraph 10., shall survive the delivery of the Deed or Contract for Deed.

This Paragraph 10., shall not change or affect any rights that Buyer might have under the Uniform Commercial Code, [Minnesota Statutes Section 336.2-312], or under Minnesota's "Prevention of Consumer Fraud Act" [Minnesota Statutes Sections 325F.68 — 70], or under Minnesota's "Homeowners Warranty Act" [Minnesota Statutes Chapter 327A]; nor shall it preclude Seller's liability for an action for fraud, negligent misrepresentation, or other actions allowed by law [Minnesota Statutes Section 513.57.]

11. DISCLOSURE OF NOTICES. Seller has not received any notice from any governmental authority as to violation of any law, ordinance or regulation affecting the real property. If the real property is subject to restrictive covenants, Seller has not received any notice from any person as to a breach of the covenants. Seller has not received any notice from any governmental authority concerning any eminent domain, condemnation, special taxing district, or rezoning proceedings. Seller's representations contained in this Paragraph 11., shall survive the delivery of the Deed or Contract for Deed.

12. TRUTH-IN-HOUSING. Buyer acknowledges receipt of the Truth-in-Housing Disclosure Report or other inspection report if required by the municipality in which the real property is located.

13. POSSESSION. Seller shall deliver possession of the property not later than the day of closing. All interest, fuel oil, liquid petroleum gas, and all charges for city water, city sewer, electricity, and natural gas shall be prorated between the parties as of the day of closing.

14. TITLE.

A. ABSTRACT AND EXAMINATION OF TITLE. To demonstrate that Seller's title is good and marketable of record, within a reasonable time after acceptance of this Purchase Agreement, Seller shall furnish Buyer with an Abstract of Title [see B., below] or a Registered Property Abstract certified to date including proper searches covering bankruptcies and state and federal judgments, federal court judgment liens in favor of the U.S., liens, and levied and pending special assessments. Buyer shall have ten business days after receipt of the Abstract of Title or Registered Property Abstract either to have Buyer's lawyer examine the title and provide Seller with written Title Objections or, at Buyer's own expense, to make an application for a title insurance policy and notify Seller of the application. Buyer shall have ten business days after receipt of the Commitment for Title Insurance to provide Seller with a copy of the Commitment and written Title Objections. Buyer shall be deemed to have waived any Title Objections not made within the ten day period above, except that this shall not operate as a waiver of Seller's covenant to deliver a statutory Warranty Deed, unless a Warranty Deed is not specified above. If Buyer obtains title insurance, Buyer is not waiving the right to obtain a good and marketable title of record from Seller.

For the purposes of this Agreement, an "Objection to Title" or "Title Objection" is some title matter which fails to pass a title examination based upon Minnesota law and the Minnesota Title Standards promulgated by the Real Property Section of the Minnesota State Bar Association thereby rendering the title unmarketable and is a title matter which requires a remedial response by the Seller prior to or at closing.

An "Exception to Title" or "Title Exception" is some title matter which passes a title examination based upon Minnesota law and the Minnesota Title Standards; is generally regarded by title examiners as not rendering the title unmarketable and, which, because of its nature, is generally disclosed by title examiners to the recipient of the title opinion or title insurance commitment.

B. ABSTRACT LOST OR UNAVAILABLE: TITLE INSURANCE BY SELLER. If Seller is unable to find the Abstract of Title or if Seller did not receive an Abstract of Title when Seller purchased the Property, then, to demonstrate that Seller's title is insurable for marketability and subject to only those matters disclosed at Paragraph 6., above, within a reasonable time after acceptance of this Agreement, Seller shall furnish Buyer with a Commitment for Title Insurance including proper searches covering bankruptcies and state and federal judgments, federal court judgment liens in favor of the U.S., liens, and levied and pending special assessments. [Seller see *Advisory below.*] The Commitment shall be obtained from [select one:]

☒ The title insurer of Buyer's choice; or,

☐ The same title insurer that issued title insurance to Seller so that Seller may obtain a reissue credit from the insurer.

The Commitment shall contain the insurer's requirements for deleting these exceptions in the owner's policy (except for those matters accepted by Buyer in this Agreement):

(1) Rights or claims of parties in possession, not shown by the public records

(2) Easements, or claims of easements, not shown by the public records:

(3) Discrepancies, conflicts in boundary lines, shortage in area, encroachments, and any facts which a correct survey and inspection of the premises would disclose and which are not shown by the public records: and,

(4) Any lien, or right to a lien, for services, labor or material furnished, imposed by law and not shown by the public records.

Seller shall provide to Buyer and to the title insurer all documents [except a survey, unless Seller is required by other provisions of this Agreement to provide a survey] necessary to enable the title insurer to delete these exceptions from the owner's policy of title insurance. Buyer shall have 10 business days after receipt of the Commitment for Title Insurance to provide Seller with a copy of the Commitment and written Title Objections. Buyer shall be deemed to have waived any Title Objections not made within the 10 day period above, except that this shall not operate as a waiver of Seller's covenant to deliver a statutory Warranty Deed, unless a Warranty Deed is not specified above. By agreeing to receive title insurance in lieu of an Abstract, Buyer is not waiving the right to obtain a good and marketable title of record from Seller. [Buyer: see *Advisory below.*]

Select one of the following:

☐ The Commitment shall be accompanied by, at Seller's expense, the insurer's agreement (or the separate agreement of a Minnesota-licensed abstractor) to provide Buyer with an Abstract of Title at any time in the future. The abstract to be provided shall be at no cost to Buyer for all abstracting through the date of recording of the instrument of conveyance contemplated by

this Purchase Agreement. Seller shall pay all commitment, abstracting, examination, searches, and title insurance costs, including the premium for the owner's policy and excluding the premium for the lender's policies.

- ☒ The Commitment will not include the insurer's or abstracter's agreement to provide Buyer with an Abstract of Title at any time at no cost to Buyer. Seller shall pay all commitment, abstracting, examination, searches, and title insurance costs including the premiums for the owner's and the lender's policy.

ADVISORY TO SELLER: You should consult with your lawyer about the comparative costs of paying an abstract company to produce a new Abstract of Title versus paying the Buyer's title insurance costs. In many Minnesota counties, it is less expensive to obtain a new Abstract

ADVISORY TO BUYER: You should consult with your lawyer about the relative merits of receiving an Abstract of Title versus receiving a title insurance policy. As a future seller of the same property, you likely will be asked to give your buyer an Abstract. If your Seller does not obtain the title insurance endorsement for future production of an Abstract, you might be facing a large expense when you sell.

15. TITLE CORRECTIONS AND REMEDIES. Seller shall have a limited time, from receipt of Buyer's written Title Objections, to make title marketable. Upon receipt of Buyer's Title Objections, Seller shall, within ten business days, give Notice to Buyer of Seller's intention to make title marketable within the title-clearing cure period selected in C.(1) or C.(2) below. Liens or encumbrances for liquidated amounts which can be released by payment or escrow from proceeds of closing shall not delay the closing. Cure of the defects by Seller shall be reasonable, diligent, and prompt. Pending correction of title, all payments required herein and the closing shall be postponed.

As an alternative to making title good and marketable of record, Seller may, within the ten day Notice period, make a written, dated offer to Buyer to obtain title insurance for Buyer with insuring provisions acceptable to Buyer (and, if applicable, Buyer's lender), as follows:

- Seller may procure, at Seller's expense, an owner's policy of title insurance, from an insurer registered and licensed to do business in Minnesota and acceptable to Buyer, specifically insuring over the Title Objections; or,
- If the Title Objections are stated in a title insurance commitment which Buyer has obtained, Seller may provide the insurer with such documents and escrow as are necessary to allow the insurer to specifically insure over the Title Objections and agree to pay all of the insurer's charges for issuing the owner's policy to Buyer.

Under either of these title insuring alternatives, "at Seller's expense" and "pay all of the insurer's charges" mean that Seller will pay all title insurance commitment and policy premium charges, search charges, plat drawing fees, and any other charge by the insurer to issue the owner's policy, but not the premium for a lender's policy, if any. If Buyer accepts Seller's offer of an insurable title, then in this Purchase Agreement, "making title marketable" shall mean "making title insurable," in the manner described above. Buyer is under no obligation to accept Seller's offer of an insurable title in lieu of a good and marketable title of record, but, if Buyer does not reject Seller's offer of an insurable title within three (3) business days of receiving Seller's offer, Buyer shall be deemed to have accepted Seller's offer of an insurable title. If Buyer rejects Seller's offer to make title insurable, Seller shall then make title good and marketable of record and shall be subject to the provisions of this agreement for failure to timely present good and marketable title of record.

- A. If Notice is given and Seller makes title marketable, then upon presentation to Buyer and proposed lender of documentation establishing that title has been made marketable, and if not objected to in writing and within 5 business days of receipt of Seller's documentation, the closing shall take place within ten business days or on the scheduled closing date, whichever is later.
- B. If Seller does not give Notice of intention to make title marketable within ten business days after receipt of Buyer's Title Objections, this Purchase Agreement is canceled and the earnest money shall be refunded to Buyer.
- C. **Selection of Title-Clearing Cure Period. [C.(1) and C.(2) are alternative remedies. ONLY ONE OF THEM CAN APPLY FOR THIS PURCHASE AGREEMENT. If either party cannot endure more than a 30 to 45 day delay for the closing, select C.(1). If both parties can endure a longer delay for the closing, select C.(2). SELECT ONLY C.(1) OR C.(2).] IF THE PARTIES DO NOT SELECT C.(1) OR C.(2), BY CHECKING ONE OF THE BOXES BELOW, THEN C.(1) AUTOMATICALLY APPLIES AS A TERM FOR THIS PURCHASE AGREEMENT.**

☐ C.(1) is selected as a remedy for this Purchase Agreement.

- (1) Seller shall have **30 days** from receipt of Buyer's written Title Objections or until the Date of Closing, whichever date is later, to make title marketable. If Notice is given but the stated period expires without title being made marketable, Buyer may:

- (a) Cancel this Purchase Agreement by notice to Seller pursuant to Minnesota Statutes Section 559.217, Subd. 3 (allowing Seller a 15 day right to cure) and neither party shall be liable for damages hereunder to the other, and the earnest money shall be refunded to Buyer; or,
- (b) Elect to take title subject to some or all of the Title Objections.

☒ C.(2) is selected as a remedy for this Purchase Agreement.

- (2) Seller shall have *[select one]* ~~60~~ ~~90~~ ~~120~~ **days** from receipt of Buyer's written Title Objections or until the Date of Closing, whichever date is later, to make title marketable if Notice is given but the stated period expires without title being made marketable, Buyer may seek, as permitted by law, one or more of the following:

- (a) Proceed to closing without waiver or merger in the Deed of the Objections to Title and without waiver of any remedies, and may:
 - (i) Seek damages, costs, and reasonable lawyer's fees from Seller as permitted by law (damages under this subparagraph (i) shall be limited to the cost of curing Objections to Title, and consequential damages are excluded); or
 - (ii) Undertake proceedings to correct the Title Objections;
- (b) Rescission of this Purchase Agreement by notice to Seller, in which case all earnest money paid shall be refunded to Buyer;
- (c) Damages from Seller together with costs and reasonable lawyer's fees, as permitted by law;
- (d) Specific performance within six months after such right of action arises, including costs and reasonable lawyer's fees;
- (e) Cancellation of this Purchase Agreement pursuant to Minnesota Statutes Section 559.217, Subd. 3 (allowing Seller a 15 day right to cure).

- D. If title is marketable, or is made marketable as provided herein, and Buyer defaults in any of the agreements herein, Seller may elect either of the following options, as permitted by law:

- (1) Cancel this Purchase Agreement pursuant to either Minnesota Statutes Section 559.21 or Section 559.217, Subd. 3, and retain all payments made hereunder as liquidated damages. *[Note: Under federal law, Seller might not be able to legally claim or retain the earnest money under purchase agreements where Buyer applies for but is unable to secure F.H.A. or D.V.A. mortgage financing.]* The parties acknowledge their intention that any note given pursuant to this contract is a down payment note, and may be presented for payment notwithstanding cancellation;

- (2) Seek specific performance within six months after such right of action arises, including costs and reasonable lawyer's fees, as permitted by law.

E. If title is marketable, or is made marketable as provided herein, and Seller defaults in any of the agreements herein, Buyer may, as permitted by law:

- (1) Seek damages from Seller including costs and reasonable lawyer's fees;
 (2) Seek specific performance within six months after such right of action arises, including costs and reasonable lawyer's fees;
 (3) Cancel this Purchase Agreement pursuant to Minnesota Statutes Section 559.217, Subd. 3 (allowing Seller a 15 day right to cure) and neither party shall be liable for damages hereunder to the other, and the earnest money shall be refunded to Buyer.

NOTE: If this Purchase Agreement is canceled using Minnesota Statutes Section 559.217, contract provisions and statutory provisions for refunding of the earnest money to Buyer might be in conflict.

16. NOTICES. All notices required herein shall be in writing and delivered personally or mailed to the address as shown at Paragraph 1 above and, if mailed, are effective as of the date of mailing.

17. SUBDIVISION OF LAND. If this sale constitutes or requires a subdivision of land owned by Seller, Seller shall pay all subdivision expenses and obtain all necessary governmental approvals. Seller warrants that the legal description of the real property to be conveyed has been or will be approved for recording as of the Date of Closing.

18. MINNESOTA LAW. This contract shall be governed by the laws of the State of Minnesota.

19. WETLANDS, SHORELAND, AND FLOOD PLAIN CONCERNS. Unless disclosed as "a material fact" that could adversely and significantly affect buyer's use and enjoyment of the Property or any intended use of the Property, current law does not require Seller to disclose Seller's knowledge, if any, of the existence of wetlands, shoreland, or flood plain on or affecting the real property. If Buyer has not already investigated these concerns, Buyer might want to include Seller's disclosures regarding these concerns. *[Check the box if the following provision applies to this Purchase Agreement:]*

☐ **ADDENDUM TO PURCHASE AGREEMENT: WETLANDS, SHORELAND AND FLOOD PLAIN DISCLOSURE**, M.S.B.A. Real Property Form No. 8 (1997), is included as an addendum to this Purchase Agreement.

20. SELLER'S AFFIDAVIT. At closing, Seller shall supplement the warranties and representations in this Purchase Agreement by executing and delivering a Minnesota Uniform Conveyancing Blank [Form No. 50.1.2 (formerly 116-M) or 50.1.3 (formerly 117-M or 118-M)] Affidavit of Seller. Seller's Affidavit shall include Seller's representation that no encumbrances have been placed on the property since the date of this Purchase Agreement.

21. CLOSING. Closing shall be at the office of Seller's lawyer, Buyer's title insurer, or at some other mutually agreeable location.

[State other location:] _____ Buyer's title company or attorney's office

At closing, Seller and Buyer shall disclose their Social Security Numbers or Federal Tax Identification Numbers for the purposes of completing state and federal tax forms.

CLOSING COSTS. The costs of closing, if not determined by other provisions of this Agreement, shall be paid as follows.

A. SELLER'S COSTS. Seller shall pay the following at closing:

1. Document preparation costs, recording fees, and deed taxes for documents necessary to establish good and marketable title in Seller.
2. Document preparation costs, certified copy fees, and recording fees to establish the authority of the person acting on behalf of Seller.
3. Document preparation costs for Seller's deed or contract-for-deed, Certificate of Real Estate Value, Seller's affidavit, Well Disclosure Certificate (if required), and any other documents necessary to transfer good and marketable title by Seller's deed or contract-for-deed.
4. Deed tax on Seller's deed and the Agricultural Conservation deed tax charged under Minnesota Statutes Section 40A.152.
5. Fees payable to Seller's lawyer or to a closer ["title closer"] for conducting the title-transfer portion of the closing. If Seller is not providing a lawyer or title closer for the title-transfer portion of the closing and if Buyer is obtaining new mortgage financing and the closer's fee is not separated into a "title closing fee" and a "loan closing fee," then Seller shall pay one half of the closer's fee or \$ 500.00, whichever amount is less.
6. And also the following costs:

B. BUYER'S COSTS. Buyer shall pay the following at closing:

1. Document preparation costs, recording fees, and mortgage registry taxes for documents necessary for Buyer's mortgage financing.
2. Document filing fee for a Well Disclosure Certificate, if applicable.
3. The Agricultural Conservation deed tax on Buyer's mortgage deed charged under Minnesota Statutes Section 40A.152.
4. Loan closer's fee.

5. Recording fee for Deed, Contract for Deed, or other instrument of conveyance where Buyer is the grantee.
6. And also the following costs:

Buyer will pay up to \$10,000 of Seller's closing costs and attorney's fees directly applicable to sale of the property and the closing.

22. ADDITIONAL TERMS. Seller must, at Seller's sole cost and expense, remove all of the Seller's personal property from the Property prior to the Closing, and Seller may remove any fixtures or other portions of the house located on the Property prior to the Closing, so long as Seller leaves the house and garage in a safe condition, including, without limitation, boarding up all open doors and window spaces, if such items are removed, to reduce the risk of third party injury on the Property after Seller has abandoned the property. If Seller does not remove any fixtures and personal property from the Property the Closing, Seller's right to remove any fixtures and personal property terminates, title to any fixtures and personal property automatically transfers to Buyer without further action by Seller or Buyer, and Buyer may sell or otherwise remove and dispose of the fixtures and personal property, all in any manner Buyer chooses.

At any time after the date of this Agreement upon reasonable notice to Seller, Buyer and its agents shall have the right during reasonable hours to enter upon the Property and make and conduct any and all tests and inspections that Buyer deems necessary and/or appropriate to satisfy Buyer as to the condition of the Property; provided, however, that Buyer shall (i) promptly restore any damage to the Property resulting from the entry of Buyer or its agents and (ii) protect, indemnify and hold Seller harmless from any and all liens, claims, liability, charges or losses arising out of the acts or omissions of Buyer, its employees, agents and independent contractors (which indemnity shall include any attorney's fees, costs and disbursements incurred by Seller in any defense thereof) in connection therewith. Buyer's indemnity obligation shall survive the termination of this Agreement. All such tests shall be at Buyer's cost and expense. Seller shall use commercially reasonable efforts to assist with the completion of such testing (including without limitation the completion of any environmental questionnaire). As a condition to closing, Buyer must be satisfied with the results of such testing and the condition of the Property. If Buyer is not satisfied with the results of such testing or the condition of the Property, Buyer may terminate this Agreement on or before the Closing date by written notice to Seller. In the event Buyer terminates this Agreement, Seller will return the earnest money to Buyer within Three (3) business days of its receipt of such termination.

Buyer has not dealt with any real estate brokers, agents or salespeople during this transaction who are entitled to any commission. Buyer shall indemnify Seller against any claim of any broker claiming by, through or under Buyer.

AGENDA SECTION: SUPERINTENDENT'S REPORTS AND RECOMMENDATIONS

ITEM: Administrative Attendance Area

COMMENTS BY: Jim Westrum, Executive Director of Finance and Business

Due to current elementary enrollment and projected elementary enrollment growth within the District, the administration is recommending that the following neighborhoods be reassigned to Oakwood Elementary School as follows effective immediately for current and future years. These modifications are consistent with recommendations made to and approved by the School Board in June 2015 to maintain class sizes consistent with District staffing guidelines and to minimize crowding issues at its elementary sites.

- The first census area proposed for this administrative elementary attendance boundary adjustment includes current and future residences in the City of Corcoran. This change is not anticipated to negatively impact overall transportation time as the attendance area is expected to become densely populated. The administration anticipates that load times will be minimal and that commute time will be efficient allowing transportation ride times to remain within District standards. The administration is recommending that the current 24 elementary students who currently reside within this attendance area be given the option to continue their attendance at Meadow Ridge Elementary School or to attend Oakwood Elementary School with their neighborhood. Middle school boundaries will remain unchanged at Central Middle School.
- The second census area proposed for this administrative elementary attendance boundary adjustment includes properties in the city of Plymouth east of County Road 101, south of County Road 47, west of Troy Lane to 56th Avenue North, and then west of the new Peony Lane extension and west of the Wayzata High School Campus, and north of Highway 55. This area includes properties currently owned by the District as well as the former Elm Creek Golf course. At this time, there are no students currently residing in homes in this attendance area who attend an elementary school in the Wayzata Public School District. Middle school boundaries will remain at Central Middle School.

The Board has directed the administration to plan for a ten classroom addition to Meadow Ridge Elementary. The additional classroom space is expected to be operational in Fall 2018. In addition, the administration continues to study enrollment trends and residential development to determine if and when there may be a need for a ninth elementary school.

RECOMMENDED ACTION: Approve the reassignment of the attendance boundaries for Meadow Ridge and for Oakwood Elementary Schools, in the manner described above for current and future years, effective September 13, 2016.
