INSTITUTIONAL AFFILIATION AGREEMENT

(Education Clinical Experience Students)

THIS INSTITUTIONAL AFFILIATION AGREEMENT (the "Agreement") is entered into this 13th day of August 2019, (the "Effective Date") by and among Augsburg University, a Minnesota nonprofit corporation with its principal offices at 2211 Riverside Avenue South, Minneapolis, MN 55454 ("Augsburg"), and Wayzata Public School District with its principal offices at P.O. Box 660 Wayzata, MN 55391 ("the School").

Recitals

A. Augsburg operates an accredited teacher education program and desires for its education students (the "Students") to have clinical experiences at the School and to observe, provide instructional services and otherwise receive instruction, training and observational experiences at the School in accordance with Augsburg's academic and educational curriculum objectives under the supervision of one or more qualified faculty members of Augsburg and School staff members with appropriate experience (the "Program"). Such clinical experience could be at the undergraduate or graduate level and include, but not be limited to, pre student teaching experience, student teaching placements, practicum, internship, or clinical learning.

B. School provides education services and desires to promote clinical experience opportunities for qualified Students in a manner consistent with School's mission, policies and procedures.

C. Augsburg and School desire to enter into this Agreement for the purpose of defining their respective rights and obligations regarding the Students' Program.

In consideration of the foregoing recitals and the mutual covenants contained herein the parties hereby agree as follows:

AGREEMENT

1. General.

1.1. Augsburg and the School shall mutually agree on the number of Students that will participate in the Program.

1.2. Augsburg and the School shall mutually coordinate the curriculum, scheduling and implementation of the Program. Each party shall immediately notify the other party of any changes in School Representative (as defined in Section 2.2), Augsburg Representative (as defined in Section 3.4), or other assigned staff or problems with the curriculum that may affect the learning experiences of Students. School shall have final approval authority for the schedule of Students' participation in the Program.

1.3. The Students shall not be deemed employees of School for any purpose, but shall remain students of Augsburg who are present at the School solely as part of their course of study with Augsburg. Students shall not be entitled to compensation, benefits, workers'

compensation coverage, or professional liability, health or unemployment insurance from School.

1.4. Neither party shall discriminate on the basis of race, color, religion, national origin, gender, age, military status, sexual orientation, marital status, or physical or mental disability. Both parties shall comply with federal and state laws and regulations, including the Americans with Disabilities Act and the Rehabilitation Act of 1973, and the Educational Rights and Privacy Act of 1974 governing the privacy of student records.

1.5. Neither party, nor either party's employees, staff members, faculty members or Students, shall engage in or allow harassing, intimidating or demeaning behavior or create a hostile work environment (collectively "Prohibited Behavior") while participating in the Program or against a participant of the Program. School and Augsburg shall investigate all claims of Prohibited Behavior and shall take corrective action against any person engaging in verifiable acts of Prohibited Behavior.

2. School Rights and Responsibilities. Throughout the term of this Agreement, School shall:

2.1. Remain a duly organized School in good standing, maintain the School in accordance with the laws of Minnesota and the United States, and maintain current applicable and required accreditation.

2.2. Designate a representative to serve as liaison to Augsburg (the "School Representative") and notify Augsburg of any change in such designation.

2.3. Provide the Augsburg Representative (defined in Section 3.4) with a copy of School policies and procedures which relate to the Program or make such material accessible to the Augsburg Representative and Students.

2.4. Provide each Student with an orientation or documentation of policies and procedures that address School policies and procedures.

2.5. Permit Students to use its ancillary facilities, such as parking, library, and cafeteria, and other facilities as reasonably required for the Program; Students utilizing the ancillary facilities shall not be charged any fees beyond the normal charges assessed to employees utilizing these same ancillary facilities.

2.6. Provide each Student, Augsburg Representative or other faculty members participating in the Program with personal protective equipment when such equipment is required to be worn or used in accordance with School's policies and procedures or at the direction of School's administrative personnel.

2.7. Arrange for appropriate supervision of each Student by one or more qualified School staff members with appropriate licensure, privileges/credentials and experience, and provide the Student opportunities to participate in teaching and learning to accomplish the

Program objectives under supervision of the designated practicing teacher. School acknowledges that the Student is in a learning status and shall not require Student to render services lacking in educational value or outside the Student's capabilities. School also acknowledges that all teaching and learning of Students providing direct instruction is the responsibility of School.

2.8. Have the right to refuse to accept any Student or immediately remove any Student who, as determined in School's sole discretion, has failed to follow School's policies and procedures, exhibits unprofessional or disruptive behavior, presents a threat to School safety or welfare, or whose performance is otherwise unsatisfactory. Except in emergencies or as otherwise provided in this Agreement, the School shall consult with the Augsburg Representative prior to any such removal. Notwithstanding the removal of any Student, this Agreement shall remain in full force and effect for the other Students.

2.9. Have the right to exclude from the Program any Student who does not provide all information required under the School's policies and procedures in a timely manner.

2.10. Treat all records and data regarding a Student, whether such records or data are received from Augsburg or the Student or are generated by the School, as records and data subject to the provisions of Minnesota Statutes Section 13.04 et seq., Minnesota Rules part 1205.0100 et seq., 20 U.S.C 1232g and 34 C.F.R Section 99.1 et seq. The School shall comply with the provisions of these State and Federal statutes and regulations as applied to records and data regarding any Student placed at the School pursuant to this agreement as though such statutes and regulations were fully applicable to the School.

2.11. As necessary for Augsburg's accreditation, permit inspection of any facilities used for the Program at reasonable times and upon reasonable notice.

2.12. In the event of a Student illness during a clinical experience, provide appropriate emergency care within the capacity and capability of the School; provided, however, that the Student or the Student's health insurer shall be responsible for the cost of such care.

2.13. Maintain professional liability insurance that covers the School in the minimum amount of \$1,000,000 per occurrence and \$3,000,000 annual aggregate and maintain commercial general liability insurance that covers the School in the minimum amount of \$1,000,000 per occurrence and \$1,000,000 annual aggregate. School shall provide Augsburg with original certificates of insurance evidencing such coverage upon request. School shall notify Augsburg promptly of any cancellation or material modification of insurance coverage.

2.14. School shall obtain Augsburg's prior written approval before publishing any material relating to School's, Augsburg's or a Student's participation in the Program. Augsburg shall not unreasonably deny permission to publish material about the Program. This obligation shall survive termination of this Agreement.

3. Augsburg Rights and Responsibilities. Throughout the term of this Agreement, Augsburg shall:

3.1. Operate the Program in accordance with accreditation standards applicable to Augsburg and Program, applicable state and federal laws, rules and regulations, the School's bylaws, rules, policies and procedures, and applicable standards of accreditation.

3.2. Provide, at least seven (7) days prior to a Student starting the Program, the name of the Student participating in the Program and all information and documentation required by this Agreement and School's policies and procedures regarding the Program.

3.3. Designate one or more qualified faculty members or clinical instructors (each an "Augsburg Representative") to serve as liaison to School and to provide academic and educational supervision of the Students participating in the Program. Augsburg shall notify School of any change in Augsburg Representative.

3.4. Provide the academic objectives and guidance for planning, directing and evaluating the Students' learning experience. Augsburg shall assure that each Student has the educational background necessary to participate in the Program. Augsburg shall have control over all phases of the administration of the Program, curriculum content, evaluation, faculty appointments, admission requirements, promotion and graduation, and such other matters as are internal to Augsburg.

3.5. Immediately remove any Student from the Program at School's request in accordance with Section 2.8 and the remaining terms and conditions of this Agreement.

3.6. Provide School with copies of the applicable Augsburg handbooks and educational objectives upon reasonable request by the School.

3.7. Make all reasonable efforts to ensure that each Student and Augsburg Representative shall:

- (a) Comply with Augsburg's handbooks and educational objectives, and the School's rules, policies, procedures and regulations, including without limitation the policies and procedures regarding the Program and the School's policies on student privacy and applicable accreditation standards.
- (b) Provide information to and cooperate with the School's quality improvement, risk management and peer review processes as reasonably requested from time to time by the School for matters involving the Program.
- (c) Receive and provide School with documentation of training from Augsburg on student privacy standards, and receive and document additional training from School on School's student privacy policies as volunteer members of the School's workforce.
- (d) Obtain School's prior written approval before publishing any material relating to Augsburg's or a Student's participation in the Program. School shall not

unreasonably deny permission to publish material about the Program. This obligation shall survive termination of this Agreement.

3.8. Provide professional liability insurance that covers each Student's clinical activities in the School in the minimum amount of \$1,000,000 per occurrence and \$3,000,000 annual aggregate, and provide commercial general liability insurance in the minimum amount of \$1,000,000 per occurrence and \$1,000,000 annual aggregate. Augsburg agrees to maintain workers' compensation insurance for its faculty, Students and any other employees participating in the Program at the School. Augsburg shall provide certificates evidencing such coverage upon request, naming School as an additional insured. Augsburg shall notify School promptly of any cancellation or material reduction of insurance coverage. In the event the insurance is canceled in whole or in part or as to any insured, the School may immediately terminate this Agreement in whole or in part or require that an uninsured Student be removed immediately from participation in the clinical experience. This Section shall survive termination of this Agreement.

3.9 Pay the cooperating teacher an amount not to exceed \$300 per 12-week placement for each **student teacher** placed in the School.

4. Responsibility for Claims.

4.1. Augsburg shall indemnify School and hold School harmless for and against any and all losses, claims, actions, damages, liabilities, and expenses (including reasonable legal fees and disbursements) caused by or attributable to any breach by Augsburg of this Agreement, or any alleged negligent or intentional act or omission of Augsburg or any of its agents, Students or employees in the performance of its obligations under this Agreement.

4.2. School shall indemnify Augsburg and hold Augsburg harmless for and against any and all losses, claims, actions, damages, liabilities, and expenses (including reasonable legal fees and disbursements) caused by or attributable to any breach by School of this Agreement, or any alleged negligent or intentional act or omission of School or any of its agents or employees in the performance of its obligations under this Agreement.

4.3. Each party to this Agreement shall give the other party prompt written notice of any and all claims brought or actions filed against it or against its agents or employees with respect to the subject matter of this Agreement.

Provided, however, such termination shall not take effect with respect to Students already participating in the Program until such Students have completed the Program. This Agreement shall immediately terminate if either party is excluded from participation in any federally funded program or fails to maintain, in good

standing, its licensure, certification or accreditation, as applicable, to operate its School or program.

Culinary Express- Employee of the Month: Dawn Willar

Wayzata Culinary Express is proud to name Dawn Willar as Wayzata Public Schools' July 2019 Employee of the Month. She is a fantastic employee and a huge asset to our department, Wayzata High School and the entire district.

Dawn is the Wayzata High School Culinary Supervisor and lead for the Culinary Express High School Team. After starting with the district in September of 2002 as a 3-hour float position, Dawn's organization, drive and commitment to excellence has quickly advanced her to an administrative level supervisor. Dawn's experience and expertise in managing people is unparalleled. She has a unique way of bringing her often short-staffed employees together to share a common goal of providing great meals and customer service to our Wayzata High School students and staff.

Dawn not only brings numerous professional attributes to our department but also genuinely cares about delivering excellent and quality dining experiences to all who dine at Wayzata High School. She has the innate ability to not only understand the big picture, but also the minor details. Many times over the past couple of years we have witnessed Dawn jump on the serving lines to help get the students through as fast as possible, or just simply doing what it takes to get the job done. This has gained much respect from Dawn's staff, as well as her peers.

Dawn's strong drive and vision has taken the Wayzata High School program to the next level. She has successfully fostered and developed relationships with other departments and teachers including Culinary Arts, Ecology of Foods and Physical Education classes. In addition, the High School has also partnered with the Student Council to host a very large and successful National Student Council event, where students from all across the United States raved about the awesome food and service they received from Dawn and her staff.

We can't thank Dawn enough for all of her work throughout the years and we are proud to formally recognize her as the July 2019 Employee of the Month! Congratulations on this well-deserved recognition, Dawn.

August Employee of the Month – Becca Boggs

Becca Boggs has been with Wayzata Public Schools for a short time but has already made a big impact. Becca joined the district in the fall of 2018 and within the first month embarked on a challenge to share behavior science and research-based strategies with all staff by developing and implementing an intensive professional development plan for the district. She quickly became known for her positivity, friendly personality and professionalism throughout the district.

Becca helps schools with Positive Behavior Interventions and Supports (PBIS) implementation. The PBIS framework utilizes evidence-based behavioral interventions that are based upon the principles of applied behavior analysis, which utilizes the prevention approach to enhance the academic and behavior outcomes for all students. PBIS perfectly aligns with the more intensive training she has provided over the past year throughout the district.

In addition to training staff on how to implement research-based strategies for all students she also develops intensive behavior plans, trains staff and provides calm and steady support to the teams working with students who demonstrate the most challenging behavior. Staff working with Becca have increased confidence in their behavior skills because of the high-quality training they receive and they know that her plans are highly effective. Becca's philosophy when working with high needs students is to "focus on the positive and how students can excel when provided with the necessary tools to achieve what may at times seem impossible. With perseverance, we can achieve great things and help students live a life of improved quality."

Becca also serves on the Minnesota Department of Education Restrictive Procedure Work Group. Members of the work group have been invited by the Minnesota Department of Education so that they may provide recommendations and advice on the development of resources for Minnesota school districts. She has reviewed restrictive procedure data across the state and is working on a plan for training. The resources developed will be readily accessible for families and school staff. Her contributions will ultimately assist with the development of a statewide plan, including specific and measurable implementation and outcome goals for reducing the use of restrictive procedures in our district and throughout the state.

Congratulations Becca, and thank you for your commitment to students in our district and statewide! The impact of your work is consistent with your philosophy and we look forward to making what we previously thought impossible, possible.

September Employee of the Month: Birchview Elementary’s Aaron Benesh

Birchview Elementary School is proud to announce second grade teacher and PBIS Coach, Aaron Benesh, as the September 2019 Wayzata Public School’s Employee of the Month. Aaron is the epitome of a world-class elementary educator. Although he exemplifies all four of the Birchview core values of Commitment, Community, Compassion and Curiosity, it his Commitment to students and his focus on our Community that set him apart.

As a committed, child-centered educator, Aaron makes his classroom safe, inviting, consistent, and loving. There is never a shortage of joy and excitement when you talk with the students in his class. Although daily learning is always at the core of what he does as an educator, it is the special things he does that makes his classroom a place students talk about year after year. One such event is an annual race with his students. One year a student almost beat him. That student lives in a photo in his classroom to show that the teacher may not always win.

Aaron knows that running a classroom is a collaborative endeavor. Whether it is another teacher he is teaching with or a paraprofessional assigned to his room, he makes them feel like an equal. Others are made to feel important and valued for what they do for the students they share.

Aaron has been our PBIS coach for the last five years. He has been the face of Trojan Pride. He is also the star of many movies that we created to teach students expectations across the school. His character, “X-Man,” always learns from the students who need to show him how things work at school. He speaks at assemblies and creates weekly “Trojan Pride Updates” for the school news. He has also become a regular instructor during the district’s Paraprofessional Workshop Days.

Aaron has become a leader in the school – not because he sought out this role, but because of who he is. People follow him because he is knowledgeable, reliable, friendly and consistent. He is quick to seek clarity when there is confusion and support others when it is needed. All of us at Birchview are honored to serve alongside him.

Congratulations, Aaron, educator extraordinaire!

RE: eLearning Plan

The 2017 Legislature has amended the Length of School Year; Hours of Instruction (Minn. Stat. § 120A.41) to include the option of a school utilizing e-Learning days. e-Learning days may be used as follows:

- Due to inclement weather
- Up to five days in one school year
- Counted as an instructional day and included as hours of instruction

e-Learning Plan

The e-Learning plan must be developed by the district or charter school with cooperation from the teachers or their representative. Plans must be approved by the board in an open meeting and communicated with the families at the beginning of the school year.

The plan must include

- Accommodations for students without sufficient access to the Internet, hardware, or software in their homes.
- Accessible digital instruction for students with disabilities under chapter 125A and meet the needs of each student's Individual Education Plan (IEP)/504 plans.
- Access to teachers via telephone and online during normal school hours.
- Notification to parents and students of the plan must occur at the beginning of the school year and, upon implementation of an e-Learning day, there must be at least two hours' notice prior to the normal school start time that students are to follow the e-Learning day plan.

ITEM: Finance and Business Services Recommendations

COMMENTS BY: Jim Westrum, Executive Director of Finance and Business Services

Monthly Financial Reports

Enclosed for School Board review and information are the following financial reports as of July 2019.

- Investment Summary
- Analysis of Financial Reports
- Statement of Revenues
- Statement of Expenditures

No School Board action is required.

ANALYSIS OF FINANCIAL REPORTS For the month ended July 31, 2019

The Business Office is preparing for the annual audit scheduled for the end of September. As the process progresses, accounts are reconciled, recorded, and reversal entries are made. Prepaids, deferred revenues, and payables are examples of items reflected in one fiscal year that will be adjusted to the proper year during the audit reconciliation process. Some entries have been completed while others will be completed in the near future.

LTFM and Tech Fund:

Beginning in Fiscal 2019, the technology levy and long-term facilities maintenance program are reported in the General Fund with the exception of long-term facilities maintenance projects greater than \$2.0 million which continue to be reported in the LTFM and Tech Fund.

Statement of Revenues:

This report reflects revenue received by the month end noted above. Overall revenues are consistent with prior years with the exception of the following:

- The General Fund was higher in Fiscal 2018 due to the timing of yearend audit entries. All other General Fund revenues are following current trends and no unusual items are noted.

Statement of Expenses:

This report reflects actual expenditures paid and does not include outstanding encumbrances. Overall expenditures are in line with prior years with the exception of the following:

- General Fund benefits were higher in fiscal 2019 than other years due to a lump-sum onetime irrevocable election as the result of the sunseting of retirement insurance benefits in the Unaffiliated and Principal contracts beginning July 1st, 2018. Supplies & Materials and Capital Expenditures have fluctuated the last three years mainly due to the technology levy change as noted above, the timing and completion of construction projects, and the District's equipment needs.
- LTFM and Tech Fund fluctuation is due to the timing of projects and the change in accounting previously mentioned.
- The Building Construction Fund accounts for all activity related to the \$109.6 million bond issuance in May 2014 and the \$66.9 million bond issuance in February 2018. Since construction projects span over multiple fiscal years a multi-year comparison is not presented.

**RESOLUTION RELATING TO PROPERTY TAX ABATEMENT FOR
PARKING LOT PROJECTS; GRANTING THE ABATEMENT**

BE IT RESOLVED by the School Board (the "Board") of Independent School District No. 284 (Wayzata Public Schools), State of Minnesota (the "District"), as follows:

Section 1. Authorization and Recitals.

1.01. The District, pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, as amended (the "Act"), is authorized to grant an abatement of certain property taxes levied against net tax capacity imposed by the District on parcels of property by the adoption of a resolution specifying the terms of the abatement.

1.02. The District intends to undertake the construction of and improvements to District parking lots and related work (the "Improvements"), and related financing costs, benefiting certain properties within the District boundaries identified on EXHIBIT A attached hereto (collectively, the "Property").

1.03. The District has proposed to finance the Improvements by granting an abatement of the property taxes imposed by the District on the Property (the "Proposed Property Tax Abatement"), and by issuing bonds to provide an amount equal to the sum of said Proposed Property Tax Abatement.

1.04. Pursuant to the Act, this Board on September 9, 2019, conducted a public hearing on the desirability of granting the Proposed Property Tax Abatement. Notice of the public hearing was duly published as required by law in a newspaper of general interest and readership in the District, at least ten days but not more than thirty days prior to the date of the public hearing. The form of said Notice and the publication of said Notice prior to the date of adoption of this resolution is ratified and confirmed in all respects.

Section 2. Findings. On the basis of the information compiled by the District and elicited at the public hearing referred to in Section 1.04, it is hereby found, determined and declared:

2.01. The District expects that the benefits to the District associated with granting the Proposed Property Tax Abatement are at least equal to or exceed the associated costs to the District.

2.02. The granting of the Proposed Property Tax Abatement is in the public interest because it will finance and provide public infrastructure and help provide access to services for residents of the District.

2.03. The nature and extent of the public benefits which the District expects to result from the Proposed Property Tax Abatement are the construction of and improvements to District parking lots and related work, and related financing costs, which will enable District residents to continue to conveniently and safely access these facilities which are regularly utilized by the public for school and community events.

2.04. The Property is not located in a tax increment financing district.

2.05. The granting of the Proposed Abatement will not cause the aggregate amount of abatements granted by the District under the Act to exceed the greater of (i) ten percent (10%) of the District's net tax capacity for each taxes payable year to which the abatement applies, or (ii) \$200,000.

2.06. It is in the best interests of the District to grant the tax abatement authorized in this resolution.

2.07. Under Section 469.1813, Subdivision 9 of the Act, it is not necessary for the District to obtain the consent of any owner of the Property to grant an abatement.

Section 3. Granting of Tax Abatement.

3.01. A property tax abatement (the "Abatement") is hereby granted in respect of property taxes levied by the District on the Property for fifteen (15) years, commencing with taxes payable in 2020 and concluding with taxes payable in 2034. The total Abatement amount shall not exceed \$9,933,067 over fifteen (15) years.

3.02. The District shall retain the Abatement and apply it to payment of all or a portion of the costs of acquiring or constructing the Improvements or to the payment of bonds of the District issued to finance costs of acquiring or constructing the Improvements, whether such bonds are issued pursuant to the Act, or other law, as authorized by Section 469.1815, Subdivision 2 of the Act.

3.03. The Abatement may not be modified or terminated by the Board during its term.

ITEM: Finance and Business Services Recommendations

COMMENTS BY: Jim Westrum, Executive Director of Finance and Business Services

As a part of the financing of the Oakwood addition, the District administration recommends the use of the tax abatement financing tool available to Minnesota School Districts.

The Board has determined that it is necessary and expedient to issue approximately \$8,000,000 of General Obligation Tax Abatement Bonds, Series 2019A pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, and Chapter 475, as amended. The Bonds will provide funds to finance the construction of and improvements to District parking lots and related work, and related financing costs.

The Superintendent or Executive Director of Business and Finance and a Board officer are authorized and directed to receive all proposals presented in conformity with the Terms of Proposal contained in the Official Statement, the terms of which are ratified and confirmed in all respects, and to approve on behalf of the District the sale of the Bonds to the party submitting the most favorable proposal.

Recommended Action: Approve the Resolution authorizing the approval of the sale of General Obligation Tax Abatement Bonds, Series 2019A; covenanting and obligating the District to be bound by and to use the provisions of Minnesota Statutes, Section 126C.55 to guarantee the payment of the principal and interest on the bonds.

\$7,290,000 General Obligation Tax Abatement Bonds,
Series 2019A

Prepared by:

Executive Summary of Proposed Debt

Proposed Issue:	<p>\$7,290,000 General Obligation Tax Abatement Bonds, Series 2019A</p> <p>The resolution providing for a public hearing approved by the Board on August 12 called for the issuance of up to \$8,000,000 in Bonds. The \$7,290,000 is our current estimate of the bond amount necessary based on projects costs and the expected premium pricing structure explained in more detail on page 2.</p>
Purposes:	<p>The proposed issue will finance the construction of and improvements to parking lots districtwide.</p>
Authority:	<p>The Bonds are being issued pursuant to Minnesota Statutes, Chapter 475 and Section 469.184. The Bonds will be general obligations of the District for which its full faith, credit and taxing powers are pledged.</p>
Term/Call Feature:	<p>The Bonds are being issued for a term of 15 years and 3 months, resulting in 15 annual tax abatements. Principal on the Bonds will be due on February 1 of 2021 through 2035. Interest will be payable every six months beginning August 1, 2020.</p> <p>Bonds will be subject to prepayment at the discretion of the District on February 1, 2028 or any date thereafter.</p>
Bank Qualification:	<p>Because the District is expecting to issue more than \$10,000,000 in tax-exempt obligations during the calendar year, the District will be not able to designate the Bonds as “bank qualified” obligations.</p>
State Credit Enhancement:	<p>By resolution the District will covenant and obligate itself to be bound by the provisions of Minnesota Statutes, Section 126C.55, which provides for payment by the State of Minnesota in the event of a potential default of a school district obligation.</p> <p>To qualify for the credit enhancement, the District must submit an application to the State. Ehlers will coordinate the application process to the State on your behalf.</p>
Rating:	<p>Under current bond ratings, the state credit enhancement would bring a Moody's "Aa2" rating.</p> <p>The District’s most recent bond issues were rated by Moody’s Investors Service. The current ratings on those bonds are “Aaa” (underlying rating) and “Aa2” (credit-enhanced rating). The District will request a new rating for the Bonds.</p>

<p>Basis for Issuance:</p>	<p>Based on our knowledge of your situation and characteristics of various municipal financing options, you have chosen the issuance of General Obligation Tax Abatement Bonds as the best financing option to finance the construction of and improvements to parking lots.</p> <ul style="list-style-type: none"> • General Obligation Bonds will result in lower interest rates than some other financing options. • The Board can authorize the issuance without an election. • The District will be able to finance Bond Payments with an additional debt service levy authorization.
<p>Method of Sale/Placement:</p>	<p>We will solicit competitive bids for the purchase of the Bonds from underwriters and banks.</p> <p>We will include an allowance for discount bidding in the terms of the issue. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.</p> <p>If the Bonds are purchased at a price greater than the minimum bid amount (maximum discount), the unused allowance may be used to reduce your borrowing amount.</p>
<p>Premium Pricing:</p>	<p>In some cases, investors in municipal bonds prefer “premium” pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered “reoffering premium.” The underwriter of the bonds will retain a portion of this reoffering premium as their compensation (or “discount”) but will pay the remainder of the premium to the District.</p> <p>In the attached estimates, we have assumed a par amount of \$7,290,000 with an estimated net premium (the reoffering premium less the underwriter’s discount) of approximately \$714,308.</p> <p>On the day of sale, we will adjust the amount of the bond issue and the use of funds as needed to comply with the restrictions in the statute, and to ensure that the results of the bond issue will comply with the District’s objectives for available funds for construction, total principal and interest, and tax impact.</p>

<p>Other Considerations:</p>	<p>The most common procedure that Ehlers uses for the sale of bonds is to take proposals on the same day as a Board meeting and ask the Board to award sale of the bonds that same day. With October 14 being the date of the District’s regular board meeting and it also being Columbus Day, the financial markets are closed. As a result, we will be utilizing a parameters resolution, allowing Ehlers to take bids when the markets are open and the Board to ratify the award at their regular board meeting.</p> <p>The resolution for the September 9 meeting authorizes Ehlers to take proposals on the Bonds and designates a Board Officer and the Superintendent or the Executive Director of Business and Finance to accept the most favorable proposal if certain conditions (or “parameters”) specified in the resolution are met, thereby awarding the sale of the Bonds. The resolution specifies a parameter of a maximum true interest cost of 3.25%. We intend to accept proposals on October 10 and present the results to the designated officials for their authorization on behalf of the Board. We will then ask the board to adopt a ratifying resolution at the October 14 regular Board Meeting.</p>
<p>Review of Existing Debt:</p>	<p>We have reviewed all outstanding indebtedness for the District and find that there are no refunding opportunities at this time.</p> <p>We will continue to monitor the market and the call dates for the District’s outstanding debt and will alert you to any future refunding opportunities.</p>
<p>Continuing Disclosure:</p>	<p>The District will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain reportable events to the Municipal Securities Rulemaking Board (the “MSRB”), as required by rules of the Securities and Exchange Commission (SEC). The District is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.</p>
<p>Arbitrage Monitoring:</p>	<p>Because the Bonds tax-exempt obligations, the District must ensure compliance with certain Internal Revenue Service (IRS) rules throughout the life of the issue. These rules apply to all gross proceeds of the issue, including initial bond proceeds and investment earnings in construction, escrow, debt service, and any reserve funds. How issuers spend bond proceeds and how they track interest earnings on funds (arbitrage/yield restriction compliance) are common subjects of IRS inquiries. Your specific responsibilities will be detailed in the Nonarbitrage Certificate prepared by your Bond Attorney and provided at closing. We recommend that you regularly monitor compliance with these rules and/or retain the services of a qualified firm to assist you.</p>
<p>Investment of and Accounting for Proceeds:</p>	<p>In order to more efficiently segregate funds for this project and maximize interest earnings, we recommend using an investment advisor, to assist with the investment of bond proceeds until they are needed to pay project costs.</p>

<p>Other Service Providers:</p>	<p>This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship. For services you have not previously required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but the final fees may vary. If you have any questions pertaining to the identified service providers or their role, or if you would like to use a different service provider for any of the listed services please contact us.</p> <p>Bond Counsel: Knutson, Flynn & Deans, P.A.</p> <p>Paying Agent: Bond Trust Services Corporation</p> <p>Rating Agency: Moody's Investors Service, Inc.</p>

* Estimated tax impact includes principal and interest payments on the new bonds. The figures in the table are based on school district taxes for bonded debt levies only, and do not include tax levies for other purposes. Tax increases shown above are gross increases, not including the impact of the homeowner's Homestead Credit Refund ("Circuit Breaker") program. Many owners of homestead property will qualify for a refund, based on their income and total property taxes. This will decrease the net effect of the proposed bond issue for many property owners.

** For commercial-industrial property, the estimates above are for property in the City of Wayzata. The tax impact for commercial-industrial property in other municipalities in the district may be slightly different, due to the varying impact of the Twin Cities Fiscal Disparities program.

(WAYZATA PUBLIC SCHOOLS)
STATE OF MINNESOTA

HELD: SEPTEMBER 9, 2019

Pursuant to due call and notice thereof, a regular meeting of the School Board of Independent School District No. 284, State of Minnesota, was duly held on September 9, 2019, at 7:00 o'clock p.m.

Member _____ introduced the following resolution and moved its adoption:

RESOLUTION AUTHORIZING THE APPROVAL OF THE SALE OF GENERAL OBLIGATION TAX ABATEMENT BONDS, SERIES 2019A; COVENANTING AND OBLIGATING THE DISTRICT TO BE BOUND BY AND TO USE THE PROVISIONS OF MINNESOTA STATUTES, SECTION 126C.55 TO GUARANTEE THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE BONDS

BE IT RESOLVED by the School Board of Independent School District No. 284, State of Minnesota, as follows:

1. The Board has determined that it is necessary and expedient to issue approximately \$8,000,000 of General Obligation Tax Abatement Bonds, Series 2019A pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, and Chapter 475, as amended. The Bonds will provide funds to finance the construction of and improvements to District parking lots and related work, and related financing costs.

2. The Board, having been advised by Ehlers & Associates, Inc., the District's municipal advisor, hereby determines that this issue shall be privately sold after receipt of written proposals, as authorized pursuant to Minnesota Statutes, Section 475.60, Subdivision 2, as amended.

3. The Superintendent or Executive Director of Business and Finance and a Board officer are authorized and directed to receive all proposals presented in conformity with the Terms of Proposal contained in the Official Statement, the terms of which are ratified and confirmed in all respects, and to approve on behalf of the District the sale of the Bonds to the

party submitting the most favorable proposal (the “Purchaser”). If the true interest rate of the most favorable of said proposals does not exceed 3.25% and a favorable recommendation to accept the proposal is received from Ehlers & Associates, Inc., the Superintendent or Executive Director of Business and Finance and a Board officer are authorized and directed to accept the same as though the price and interest rate had been included herein. In the Terms of Proposal, the District reserved the right, after proposals were opened and prior to award, to increase or decrease the principal amount of the Bonds offered for sale or the amount of any individual maturity, with the increase or decrease to occur in multiples of \$5,000 in any of the maturities. The Superintendent or Executive Director of Business and Finance and a Board officer are authorized and directed to endorse an acceptance on both copies of the most favorable proposal and to send one copy to the Purchaser.

4. Upon approval of the sale of the Bonds by the Superintendent or the Executive Director of Business and Finance and a Board officer, the Board will meet at a subsequent meeting on October 14, 2019 to adopt the necessary ratifying resolution as drafted by the District’s Bond Counsel.

5. (a) The District hereby covenants and obligates itself to notify the Commissioner of Education of a potential default in the payment of principal and interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 to guarantee payment of the principal and interest on the Bonds when due. The District further covenants to deposit with the Bond Registrar or any successor paying agent three (3) days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Commissioner of Education that it will be unable to make all or a portion of that payment. The Bond Registrar for the Bonds is authorized and directed to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the date a payment is due on the Bonds, there are insufficient funds to make that payment on deposit with the Bond Registrar. The District understands that as a result of its covenant to be bound by the provisions of Minnesota Statutes, Section 126C.55, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.

(b) The District further covenants to comply with all procedures now or hereafter established by the Departments of Management and Budget and Education of the State of Minnesota pursuant to Minnesota Statutes, Section 126C.55, subdivision 2(c) and otherwise to take such actions as necessary to comply with that section. The chair, clerk, superintendent or executive director of business and finance is authorized to execute any applicable Minnesota Department of Education forms.

COMMENTS BY: Stacie Vos, Executive Director of Human Resource Services

Board Action on the Contract with Wayzata Education Association for Fiscal Years 2019-2021

The School Board’s Bargaining Team and the Wayzata Education Association representatives reached a tentative contract agreement on July 15, 2019. Subsequently, the WEA teachers voted on Tuesday, September 3 to ratify the contract.

Attached is the summary of the proposed two-year contract and the costing model. Both the Union and the Board place a high value on student achievement and a collaborative work environment. We are proud of the fact that our teachers and our schools bring value to the Wayzata Community and that this contract is a strong reflection of our District’s strategic direction.

The negotiations team members were: Cory Knudtson, Tina Christopherson, Clarice Jorenby, Anne Naumann, and Andrea Cohen Wayzata Education Association; Andrea Cuene and Cheryl Polzin, School Board; Melissa Lahr, Finance, Laura Hoffman-Hordyk, Human Resources, Jim Westrum, Executive Director of Finance and Business Services; and Stacie Vos, Executive Director of Human Resource Services.

I would like to express my appreciation for the collaborative efforts put forth by the negotiation team members throughout this process. The team’s collective ability to resolve issues in a positive and respectful manner benefits all of us.

Recommended Action: Approve the contract with the Wayzata Education Association for the period of July 1, 2019 through June 30, 2021 as agreed upon by the bargaining teams and ratified by the Wayzata Education Association.

Article V- Compensation

Section 5.1 Basic Salary Schedules

The Basic Salary Schedule set forth in Appendix A (which is attached hereto and made a part of this Contract) shall be effective as of July 1, ~~2017~~ 2019 and until June 30, ~~2018~~ 2020. The Basic Salary Schedule set forth in Appendix B (which is attached hereto and made a part of this Contract) shall be effective as of July 1, ~~2018~~ 2020 and until June 30, ~~2019~~ 2021. Such basic salary schedules shall apply to the performance of basic duties during the basic school year. Part-time teachers employed in regular teaching positions will be compensated for the performance of basic duties according to the basic salary schedule, prorated on the basis of their employment (e.g., a teacher employed one-half time will receive one-half pay).

Section 5.2 Status of Basic Salary Schedules

The basic salary schedules set forth in this Contract are not, and shall not be construed to be, a part of the individual contract or continuing contract of any individual teacher. The Employer reserves the right to withhold step advancement, lane advancement, or any other salary increase for any teacher for just cause.

Section 5.3 Initial Placement

Initial placement on the basic salary schedule shall be determined by mutual agreement between the individual teacher and the Employer.

Section 5.4 Performance Increment

Beginning July 1, 2007, a full-time teacher will advance one (1) Performance Increment for each basic school year in which he/she receives two (2) satisfactory performance evaluations or completes the appeal process outlined in Article V, Section 5.6, Part 8 with a satisfactory evaluation. Beginning July 1, 2015, teachers must create, review, and reflect upon a SMART (Specific, Measurable, Attainable, Realistic, and Time-bound) goal as a measure of student growth (MSG).

No Performance Increment will be granted to full-time teachers performing basic duties for the employer on fewer than one hundred twenty (120) work days during the basic school year.

The Employer will keep a cumulative record of the total contracted service for each part-time teacher, expressed as a full-time equivalent. Performance increment advancement for a part-time teacher will be based upon the cumulative full-time equivalent service for such teacher as of the first workday of the basic school year.

Examples:

As of the first day of the initial school-year, Teacher A has taught on a contract for 60% service each work day for two years. Teacher A's cumulative service is 222 work days, which is more than 120 work days, so

Teacher A would qualify for 1 performance increment advancement and would be placed on performance increment 2 for the following school year.

As of the first day of the initial school-year, Teacher B has taught on a contract for two work days per week for one year, Teacher B's cumulative service is 74 work days, which is less than 120 work days, so Teacher B would not qualify for a performance increment advancement for the following school year.

Section 5.5 Lane Advancement

Effective July 1, ~~2017~~ 2019 and until June 30, ~~2019~~ 2021 the compensation specified in individual teacher contracts for teachers previously placed on the basic salary schedule will reflect lane advancements as set forth below, subject to the right of the Employer to withhold salary increases for just cause.

Teachers who have completed at least one year of service for the Employer may advance to higher salary lanes by obtaining additional training, degrees, and/or credits for in service work required by the Employer. Teachers must submit programs for such lane advancement to the building principal for review and approval by the designated central office administrator prior to commencement of the coursework. Programs submitted for approval must cover a block of at least 15 quarter hours of credit, and shall include a general description of the coursework to be taken under the program and the relevance of such coursework to the teacher's assignment.

Transcripts of credits or other necessary verification must be submitted prior to September 1 for lane change effective at the start of the school year and prior to February 1 for lane change effective at midyear, ~~except that transcripts of Credits earned in the immediately preceding summer session may be used to qualify for lane advancement retroactive to the start of the school year if submitted on or before October 15.~~ Forms for lane advancement application are available from the building principals or the staff intranet.

All official transcripts filed by a teacher will be maintained in the teacher's personnel file. Upon request a receipt will be issued for any transcripts or other documentation submitted.

Advanced-degree programs must be taken from accredited institutions. Approved advanced degree programs will relate directly to the teaching assignment.

A lower division college course may be approved for lane advancement only where it would offer clear and significant breadth to the teacher's instructional background.

A. The second salary lane (B.A.+15) may be attained by:

1. Submitting an approved program and satisfactorily completing 15 quarter hours of upper division or graduate course credits after completion of the bachelor's degree. At least 75% of the course credits in such an Employer approved program must be in the area of the teacher's assigned basic duties, subject to approval of a specific exception for good cause by the building principal and the designated central office administrator.

B. The third salary lane (B.A.+30) may be attained by:

1. Submitting an approved program and satisfactorily completing 30 quarter hours of upper division or graduate course credits after completion of the bachelor's degree. At least 75% of the course credits in such an Employer approved program must be in the area of the teacher's assigned basic duties, subject to approval of a specific exception for good cause by the building principal and the designated central office administrator.

2. Course completion of a bachelor's degree in education after completion of a bachelor's degree in the subject field taught (a planned sequence).

C. The fourth salary lane (B.A.+45) may be obtained by:

1. Submitting an approved program for obtaining a master's degree or submitting an approved program and satisfactorily completing 45 quarter hours in upper division or graduate course credits after completion of the bachelor's degree. At least 75% of the course credits in such an Employer approved program must be in the area of the teacher's assigned basic duties, subject to approval of a specific exception for good cause by the building principal and the designated central office administrator.

D. The fifth salary lane (B.A.+60) may be obtained by:

1. Submitting an approved program for obtaining a master's degree or submitting an approved program and satisfactorily completing 60 quarter hours in upper division or graduate course credits after completion of the bachelor's degree. At least 75% of the course credits in such an Employer approved program must be in the area of the teacher's assigned basic duties, subject to approval of a specific exception for good cause by the building principal and the designated central office administrator.

E. The sixth salary lane (M.A. ~~In~~ in ~~F~~field) may be obtained by:

1. Submitting for advance approval and satisfactorily completing a master's degree directly in the subject field(s) taught.
2. Completion of a master's degree in education in which at least 75% of the courses apply to subjects taught.
3. Completion of a M.A. ~~T~~ from an approved graduate school, based upon a B.A. in the subject area taught.

Effective as of the beginning of the 1987-88 school year, no teacher may advance to the M.A. ~~In~~ in ~~F~~field lane without a master's degree, unless such teacher had a course or courses approved on or before August 26, 1977 for credit toward advancement from the B.A.+45 lane to the B.A.+60 lane. Teachers who attained the B.A.+60 prior to the 1987-88 school year will remain on the M.A. ~~In~~ in ~~F~~field lane.

F. The seventh salary lane (M.A.+15) may be attained by:

1. Submitting an approved program and satisfactorily completing 15 hours in related upper division and graduate courses all of which must be taken following completion of the M.A. ~~In~~ in ~~F~~field.

G. The eighth salary lane (M.A.+30) may be attained by:

1. Submitting an approved program and satisfactorily completing 30 hours in related upper division and graduate courses, all of which must be taken following completion of the M.A. ~~In~~ in ~~F~~field.

H. The ninth salary lane (M.A.+45) may be attained by:

1. Submitting an approved program and satisfactorily completing 45 hours in related upper division and graduate courses, all of which must be taken following completion of the M.A. in field.

I. The tenth salary lane (M.A.+60/Specialist) may be attained by:

1. Submitting an approved program and satisfactorily completing 60 hours in related upper division and graduate credits, all of which must be taken following completion of the M.A. in field.
2. Submitting an approved program and attaining the specialist degree from an approved institution in the field of assignment.

J. The eleventh salary lane (The Doctoral Degree) may be reached by:

1. Submitting an approved program and attain the doctoral degree from an approved institution in the field of assignment.

K. Special Institutes or Workshops. Graduate credits received for attendance at special institutes or workshops while enrolled in a master's degree program which do not count toward fulfillment of the requirements of the master's degree may in some cases be applied toward satisfaction of the requirements for lane advancement beyond the M.A. ~~In~~ in ~~F~~field lane. Such use of the credits from a special institute or workshop must be approved in advance of the workshop or institute. Up to 6 quarter hours of graduate course credits so earned and approved may be applied toward advancement to the M.A.+15 lane, and up to a total of 9 quarter hours of graduate course credits so earned and approved may be applied toward advancement to lanes beyond M.A.+15.

L. Courses Required by Employer. A teacher who is required by the Employer to complete upper division, **lower division**, graduate or in-service credits which would not otherwise qualify to be applied toward lane advancement will be reimbursed by the Employer for tuition expenses. Such teacher will also be paid for scheduled classroom hours outside the ~~school~~ **contracted** day at the applicable rate for curriculum writing. **If said teacher is currently placed at a MA plus 60 or PHD, a one time stipend of one thousand dollars (\$1,000)**

shall be granted. In addition, a teacher may be granted lane changes for previously unrelated degree(s) credit if said degree is now required to teach district approved courses.

Agreement - Written agreement that the teacher shall remain in the District for two (2) full time years following the completion of said credits.

M. Special Master's Degree Programs. The Employer may grant advance approval to treat the completion of a special master's degree program directly related to a teacher's current teaching assignment as the equivalent of completing the requirements for a salary lane beyond the M.A. ~~In in~~ Field, such as the M.A.+15 or M.A.+30 salary lane. Approval for such an equivalency will require at least a showing that the special master's degree program includes substantial additional course credits beyond the requirements generally applicable to the M.A. ~~In in~~ Field. (E.g. a Master's Degree in Social Work requiring a B.A. degree plus 81 course credits compared to 45 credits generally required for an M.A. ~~In in~~ Field may be approved as the equivalent of an M.A.+30.) Further advancement to higher salary lanes will be based only on courses taken after the completion of the special master's degree program. (In the example above, advancement to the M.A.+45 lane would require 15 credit hours completed after the Master's Degree in Social Work.)

Section 5.6 Alternative Compensation Program

Postings for the positions may specify the requirement of elementary or secondary experience. It is the District's intent to hire internal candidates, but if enough qualified candidates do not **apply**, the job will be posted externally. Teachers ~~who currently are~~ **who are currently** employed as a Peer Coach or currently employed as a TOSA (per Section 7.6 Part 2) may not apply for a subsequent Peer Coach position until Round 2.

Selection of Peer Coaches will be made by an interview team consisting of two (2) current Peer Coaches appointed by the WEA executive board and two (2) teachers appointed by the WEA executive board, the Alternative Compensation Program Supervisor, and three (3) administrators appointed by the superintendent **or superintendent's designee**. Recommendations for employment must be reached by a consensus of the interview team.

If a Peer Coach chooses not to complete their term, the Peer Coach may request a transfer to an open position for the following school year. If the Peer Coach is re-assigned by the Alternative Compensation supervisor, the Peer Coach will be guaranteed the opportunity to return to their previous assignment.

For the selection of the Alternative Compensation Program Supervisor an interview team consisting of four (4) administrators appointed by the superintendent or superintendent's designee, and four (4) representatives appointed by the WEA will interview, select, and recommend for employment. Recommendations for employment must be reached by a consensus of the interview team.

Part 3 Mentors

It is the goal of the Wayzata District to have a new teacher induction program that includes a pre-workshop orientation, mentoring, and personal reflection. Sites will have building mentor(s) with a ratio of first year teachers to mentors that does not exceed ten (10) to one (1). ~~The responsibilities of the mentors shall include organizing and facilitating a pre-workshop orientation and monthly reflective meetings with first year teachers.~~ Mentors will be paid a \$500 stipend in addition to their salary. Beginning the 2010-11 school year, mentors will be selected by principals with input from the Professional Development TOSA and will continue in this position for up to three years. If a teacher is appointed to fill a term of less than two years, they are eligible to apply for a full term.

Criteria for selection of the Mentor include:

- a. Commitment to professional development and growth,
- b. Effective communication skills,

Participation in the academy courses is optional.

All courses must meet the requirements as outlined in the Academy of Wayzata Educators Guidelines. Teachers may submit proposals for courses or study groups. Course offerings will be determined on an annual basis by the Academy of Wayzata Educators Leadership Team. The Academy of Wayzata Educators Leadership Team will consist of the Alternative Compensation Program Supervisor, Executive Director of Curriculum & Instruction, Executive Director of Human Resources, WEA President, Professional Development TOSA, one elementary principal, one secondary principal and four (4) teachers appointed by the WEA.

Course instructors will be paid a \$1000 stipend. Courses with more than fifteen (15) students will be allotted a second instructor.

Stipends for all Academy coursework, seminar facilitation, course instruction will be paid on the first regular pay period in June. Academy of Wayzata Educators coursework does not apply for lane change.

c) Staff Development TOSA:

A .5 staff development TOSA position will provide leadership in developing, organizing, and implementing the Academy of Wayzata Educators.

The teacher hired to be the Staff Development TOSA will be guaranteed the opportunity to return to his/her previous assignment at the end of the staff development term. In the 2006-07 school year the Staff Development TOSA will be hired for a three (3) year term.

Part 5 Annual Performance Bonuses

a) Individual Performance Bonus:

Upon the completion of two (2) satisfactory evaluations, or completion of the appeal process outlined in Article V Section 5.6 Part 8 with a satisfactory evaluation as well as the creation, review, and reflection upon a SMART (Specific, Measurable, Attainable, Realistic, and Time-bound) goal tied to student achievement, a full-time (1.0 FTE) teacher will be granted an Individual Performance Bonus of ~~\$1600~~ **\$1700** to be paid on the second regular pay period in June (last business day in June). A full-time teacher performing basic duties for the employer on one hundred twenty (120) or more work days during the basic school year will be eligible for the Individual Performance Bonus. A part-time teacher whose contract begins prior to October 15 and extends through the remainder of the school year will be eligible for an Individual Performance Bonus prorated to equal his/her FTE.

A teacher retiring at the end of the first semester will be eligible for an Individual Performance Bonus prorated to equal his/her annualized FTE upon the completion of two (2) satisfactory evaluations and creation, review, and reflection upon a SMART (Specific, Measurable, Attainable, Realistic, and Time-bound) goal tied to student achievement. To facilitate the scheduling of evaluations, it is the responsibility of the educator to notify his/her Peer Coach in writing by September 15 of his/her intent to retire at the semester break.

b) Site Goal Bonus:

~~A \$400~~ **\$1.00** Site Goal Bonus will be paid to each teacher based on the attainment of the annual Alternative Compensation site goal by his/her assigned site(s). ~~Beginning in the 2018-2019~~ **2019-2020** school year a ~~\$200.00~~ **\$1.00**. Site Goal Bonus will be paid to each teacher based on the attainment of the annual Alternative Compensation site goal by his/her assigned site(s). Each site's goal will be developed with teacher input. A full-time (1.0 FTE) teacher performing their duties for the employer on one hundred twenty (120) or more work days during the basic school year will be eligible for the Site Goal Bonus. **Any balance in this fund will be transferred to the district professional development fund.** ~~Part-time teachers whose contracts begins prior to October 15 and extend through the remainder of the school year will be eligible for a pro rata Site Goal Bonus based on their FTE. Itinerant teachers assigned to more than one (1) site will be assigned to a location and receive the bonus based on that site. The site will be determined by the location requiring the largest portion of the total FTE. An itinerant teacher assigned equal time in two locations will receive the bonus based on the assignment to each qualifying site. An itinerant teacher assigned to three or more sites or a teacher with district wide assignments will receive the bonus based on the following formula: number of sites district wide reaching their goals divided by total number of site goals district wide. If a site does not reach its goal, the allocated dollars for their site goal will be credited to the building's Professional Development fund and will be used by each teacher at the site for either twelve (12) hours of curriculum~~

~~development paid in a lump sum of \$400 or up to \$400 may be used by any individual teacher to pay for the costs (including substitute costs) of attending a relevant conference or workshop. Beginning in the 2018-2019 school year, if a site does not reach its goal, the allocated dollars for the site goal will be credited to the building's Professional Development fund and will be used by each teacher at the site for either six (6) hours of curriculum development paid in lump sum or \$200.00 or up to \$200.00 may be used by any individual teacher to pay for the costs (including substitute costs) of attending a relevant conference of workshop. Use of these funds is at the discretion of each teacher. Funds not used by July 1 of the following year will no longer be reserved for any individual teacher and may be distributed by the building staff development committee.~~

~~If an itinerant teacher with three or more assignments or a teacher with district-wide assignments does not receive his/her bonus, the allocated dollars for his/her site goal will be credited to the district professional development fund and will be used by each itinerant teacher for either twelve (12) hours of curriculum development paid in a lump sum of \$400 or up to \$400 may be used by any individual teacher to pay for the costs (including substitute costs) of attending a relevant conference or workshop. Beginning in the 2018-2019 school year, if an itinerant teacher with three or more assignments or a teacher with district-wide assignments does not receive his/her bonus, the allocated dollars for his/her site goal will be credited to the district professional development fund and will be used by each itinerant teacher for either six (6) hours of curriculum development paid in a lump sum of \$200 or up to \$200 may be used by any individual teacher to pay for the costs (including substitute costs) of attending a relevant conference or workshop. Use of these funds is at the discretion of each teacher. Funds not used by July 1 of the following year will no longer be reserved for any individual teacher and may be distributed by the *building staff development committee*.~~

The site goal bonus will be paid within thirty (30) days of all the schools' data becoming available.

Part 6 Evaluation of Continuing Contract Teachers

Teachers will be formally evaluated twice per school year. Each evaluation must include a pre-observation conference, an observation, and a post-observation conference during which a teacher receives a written copy of the evaluation.

Every teacher will annually develop a SMART goal as a measure of student growth (MSG) and submit it to his/her assigned peer coach or supervisor no later than October 15th. The SMART goal submission need not take place during required meetings with peer coaches. Peer coaches or supervisors will review submitted goals and (1) approve or (2) return to teachers for revisions no later than October 30th. Prior to May 30th, teachers will complete and submit a self-assessment and provide written rationale for the rating of their performance on the SMART goal as a formal reflection.

Teachers employed with a .8 FTE contract to 1.0 FTE contract will have two (2) formative evaluations and (2) summative evaluations each year. Teachers with a .51 FTE contract to .79 FTE contract will have one (1) formative evaluation and two (2) summative evaluations each year. Teachers with a .5 FTE and less contract will have one (1) formative and (1) summative evaluation each year. If a teacher's contract increases during the school year, it is the responsibility of the teacher to notify his/her Peer Coach within fifteen (15) days of the increased FTE.

The awarding of Performance Increments will be dependent on the teacher meeting expectations as defined in the Wayzata Advanced Framework for Leadership in Education (evaluation rubric). A satisfactory rating requires the individual receive a minimum of eighty (80) percent of the elements rated at either proficient or distinguished with no elements rated as unsatisfactory.

A Peer Coach may use the rating of not applicable (NA) on the evaluation. Not applicable (NA) will be counted as proficient in the total number of items. Example: If there are thirty-three (33) items on the classroom teacher rubric and a Peer Coach determines that two (2) items are not applicable to the lesson; eighty (80) percent will still be based on thirty-three (33) items.

The teacher must have completed two (2) formative evaluations and had satisfactory ratings on their two (2) summative evaluations or complete one of the items under Article V Section 5.6 Part 8 as well as created, reviewed, and reflected upon a SMART goal as a measure of student growth (MSG). If a teacher has been

placed on a Corrective Action Plan/Notice of Deficiency, the principal/supervisor will complete the formal evaluations.

Evaluations will be submitted to the Human Resource Department by the Alternative Compensation Program Supervisor. The Alternative Compensation Program Supervisor will forward a copy to the teacher's supervisor.

The Peer Coach is responsible for sharing The Wayzata Advanced Framework for Leadership in Education (evaluation rubrics) with their assigned staff prior to the first pre-observation conference.

Part 7 Evaluation of Probationary Teachers

Administrators will be responsible for evaluating probationary staff. Probationary teachers who are offered a contract for the following year will receive both the Performance Increment and the Individual Performance Bonus. The administrator will submit evaluations to the Human Resource Department. Probationary teachers will also receive a copy from the administrator.

If a probationary teacher is non-renewed and subsequently rehired with no break in service, he/she will receive the Performance Increment and Individual Performance Bonus. The teacher will be eligible for the Site Goal Bonus. Bonuses will be paid on the first regular paycheck in September. If testing data associated with a particular site goal is unavailable by August 15, the bonus will be paid within thirty (30) days of the data becoming available.

Part 8 Appeal Process

It is expected that all licensed staff members meet expectations of performance as defined in the Wayzata Advanced Frameworks for Leadership in Education (evaluation rubrics). It is important to support each staff member and provide opportunities to achieve success.

The appeal process is open to teachers who have received an unsatisfactory evaluation.

1. If a teacher receives an unsatisfactory performance evaluation the teacher may choose to work with his/her Peer Coach or administrator to develop an improvement plan. The Performance Increment and Individual Performance Bonus will be granted only when the individual has completed an improvement plan and received a satisfactory second evaluation.

Improvement plans may include, but are not limited to:

- a. Participating in targeted staff development coursework,
- b. Completing professional coursework through a college or university,
- c. Arranging to watch a Peer Coach or colleague instruct,
- d. Scheduling for an additional observation.

2. A teacher may appeal the evaluation and ask to be re-evaluated by a different evaluator. A written request for re-evaluation must be filed with the Executive Director of Human Resources within ten (10) working days of the post-conference.

3. If a teacher receives an unsatisfactory performance evaluation in the second round of evaluations for the year, that teacher may follow any of the options listed in number one (1) above to correct the deficiency, and he/she must then request another evaluation from the Executive Director of Human Resources to demonstrate satisfactory performance in order to be eligible for the Performance Increment and Individual Performance Bonus that school year.

4. If a teacher receives an unsatisfactory evaluation for the year and is unable to reverse it prior to May 30th, that teacher will not be eligible for the year's Individual Performance Bonus. At the start of the new school year, that teacher will also not be eligible for the new Performance Increment to his/her base salary. However, teachers may use any or all of the strategies listed in number one (1) over the summer and during the fall months of the new school year to make improvements. Prior to December 1, that teacher may request from the Department of Human Resources a special evaluation to demonstrate improvement. If successful, that teacher will then be eligible for that year's Performance Increment, retroactive to the first of the school year, but will not receive the previous year's Individual Performance Bonus. In order for the teacher to be eligible

for the current year’s bonus and increment the teacher will be expected to have two (2) evaluations. The evaluation used to determine last year’s increment will not be counted as one of the two (2).

5. If the school district is unable to provide two (2) evaluations for any teacher that teacher will be treated as if they had two (2) satisfactory evaluations.

Part 9 Carry Over Funds

It is an expectation that additional funding for alternative compensation be spent only to support the following programs: Peer Coaching, The Academy of Wayzata Educators (Academy , Site Goal Bonuses, and Individual Performance Bonuses. Any funds not expended in a given year will carry over within the program to fund only the aforementioned items.

Part 10 Academy Funding

The funding for the Academy of Wayzata Educators will be dependent upon Alternative Compensation Funds and district Best Practice grants. If adequate staff development funding is not available or made available through district Best Practice grants then the amounts in Article V Section 5.6 Part 4(b) will be adjusted.

Part 11 Discontinued Funding

Should the funding for the alternative compensation program be reduced by either state aid or reduced local levy to the point that the program could no longer be sustained, the WEA and the Wayzata Schools agree to eliminate the Alternative Compensation Plan. Teachers would return to the system of pay increases as it existed in the 2003-2005 contract. Any negotiated changes to the salary schedule and benefits not associated with the Alternative Compensation Plan will be maintained.

Part 12 Oversight Committee

A labor/management committee will be formed to provide oversight, monitor, and approve changes to non-contractual aspects of the Alternative Compensation Program. The committee will consist of a Board Member, the Alternative Compensation Program Supervisor, Director of Curriculum and Instruction, Executive Director of Human Resources, WEA President, a Building Principal and four (4) teachers appointed by the WEA. The committee will also make recommendations to the negotiation teams for changes in contract language.

Article VII Leaves and Absences Section 7.1 Sick Leave

In conjunction with the long-term disability insurance provided above, the Employer has established the following provisions for paid sick leave in order to minimize a teacher's loss of income because of unavoidable absence due to illness or injury during the basic school year. Sick leave may be used to care for an ill or injured dependent child. A "child" means an individual less than eighteen years of age or an individual under age twenty who is still attending secondary school. Accrued sick leave may also be used due to the illness or injury of an adult child, spouse, sibling, parent, step-parent, grandparent or step-grandparent if required by applicable Minnesota statutes as informed by the Human Resources Department.

Paid sick leave is provided for full time teachers (0.8 -1.0 FTE) for ten (10) days during each basic school year with a year-end accumulation of sixty-one (61) days or fewer. After a year-end accumulation of more than sixty-one (61) days, paid sick leave is provided for full-time teachers for nine (9) days during the basic school year. If a year-end accumulation drops to sixty-one (61) days or fewer, the teacher's annual sick leave provided will revert to ten (10) days. Part-time teachers (including hourly teachers) will be granted sick leave in proportion to the amount of their employment (e.g., a teacher employed one-half time will be granted ten (10) half days of sick leave). Beginning July 1, 2003, sick leave may accumulate up to a total of one-hundred ninety (190) days. A teacher who is absent at either the beginning or end of the regular school day for less than one-half (1/2) of such teacher's regular work day (less than four (4) hours for a full-time teacher) shall be charged for one-half (1/2) day of sick leave. All other absences will be charged as a full day of sick leave.

Beginning the 2020-2021 school year, teachers may use sick leave in hourly increments of time with prior administrative approval and substitute availability, with the exception of an emergency situation.

The Employer reserves the right to require substantiation of illness where there is evidence that sick leave is being abused.

Additional loaned sick leave benefits will be granted to any teacher who has exhausted accumulated sick leave benefits if such teacher has been continuously disabled and unable to teach for a period of twenty-five (25) or more consecutive work days, as certified by a medical doctor. Additional loaned sick leave benefits will also be granted for a subsequent absence during the same school year due to the same medical condition. Such additional loaned sick leave benefits will commence as of the work day immediately following the last

day of regular sick leave payment. Additional loaned sick leave benefits will continue only for the period during which the teacher remains continuously disabled and unable to teach, and shall cease in any event after sixty (60) calendar days of disability. Following a medical disability leave of 25 consecutive days or more, as certified by a medical doctor, an employee who returns to work will be granted five (5) sick leave days.

The loaned days will be re-paid utilizing the following requirements:

- a. At the beginning of each school year, four (4) days per year will be deducted from an employee's accumulated sick and/or personal leave until the total loaned days are paid back.
- b. These four (4) days can be a combination of sick and personal days; however, at least one personal day must be used. The employee must notify the Human Resource Department when they return from their leave, their choice of repayment (e.g. sick or personal days).
- c. For teachers, whose leave begins on or after July 1, 2007, the loaned days must be repaid within five (5) years of the leave. If after five (5) years, the teacher does not have adequate accumulated sick leave to repay the remaining portion, the District will subtract the balance from the teacher's salary.
- d. At the end of the school year, the employee may apply additional accumulated sick and/or personal days to the balance of the loaned days.
- e. If the loaned days are not re-paid and the teacher resigns or is terminated, the remaining days will be deducted from his/her final paycheck. Repayment of sick leave time will be calculated using the teacher's daily rate of pay at the time the loan was granted. If the teacher is unable to return due to a disability, this provision will not apply.

A teacher may use one (1) day of accumulated sick leave per summer school session to cover up to two (2) days of summer school absence due to illness or injury.

Section 7.4 Personal Leave

Each teacher employed at a 0.8 FTE or greater contract with a year-end sick leave accumulation of sixty-one (61) days or fewer is eligible for two (2) days of leave during each basic school year. After a year-end sick leave accumulation of more than sixty-one (61) days, each full-time teacher is eligible for three (3) days of leave during the basic school year which may accumulate up to three (3) days. If a teacher's year-end sick leave accumulation drops to sixty-one (61) days or fewer, the teacher's annual personal leave provided will revert to two (2) days. A part-time teacher (between 0.5 FTE but less than 0.8 FTE) will be granted two (2) days of personal leave in proportion to the amount of their employment (e.g. a teacher employed one-half time will be granted two (2) half days of personal leave.) This leave may accumulate to a maximum of three (3) days, (3 half-days for 0.5 FTE) and will not be deducted from sick leave credits.

Beginning with the 2015-16 school year, employees who have completed ten (10) years under the WEA master agreement, may accumulate to a maximum of four (4) days (4 half-days for 0.5 FTE). Employees who have completed twenty (20) years under the WEA master agreement, may accumulate to a maximum of five (5) days (5 half-days for 0.5 FTE). Any additional unused personal leave will be converted to sick leave.

Beginning with the 2017-2018 school year, employees have the option of borrowing one (1) personal leave day from the next school year's allocation. This borrowed day will be paid back by reducing the number of allocated personal leave days at the start of the following school year. If the teacher resigns or is terminated, that day will be deducted from their final paycheck.

Requests for such leave must be submitted to the building principal/supervisor in writing at least three (3) duty days in advance, except for emergency situations, and must be approved. In emergency situations, approval must be obtained upon return. On the days preceding and following a holiday break, no more than two (2) teachers per elementary building and four percent (4%) of the teachers per secondary building will be granted personal leave on the same day. In special circumstances, building principal/supervisor may elect to exceed the limitations on the number of teachers on personal leave on any given day.

Beginning the 2020-2021 school year, teachers may use personal leave in hourly increments of time with prior administrative approval and substitute availability, with the exception of an emergency situation.

Section 7.8 Child Care Leave

A child care leave is defined as a) the period of time once a teacher (mother) has been released from the disability period of childbirth or b) the period of time a teacher (mother or father) wishes to take to provide for the care of a newborn or newly adopted child/ren.

- a) A teacher may be granted a leave of absence without pay for a period of up to twelve (12) months for the purpose of providing full-time care for a newborn or newly adopted child or children. Written application for such leave shall be submitted to the Human Resource Department at least four (4) months prior to the effective date of such leave, and shall indicate the proposed starting and ending dates for the leave.
- b) A child care leave shall begin on the date approved by the Employer and shall end on the last day preceding the school quarter/trimester unless otherwise mutually agreed between the Employer and the teacher. In the case of a premature delivery or availability of an adopted child upon short notice, the Employer may adjust the starting date for the leave, provided a satisfactory substitute is available.
- c) A teacher may utilize accumulated sick leave up to a maximum of **four weeks (20 contract days)** for child care leave. If the teacher is declared disabled from teaching by a physician, Section 7.1 of this contract shall apply.
- d) Teachers may utilize accumulated sick leave up to a maximum of **six weeks (30 contract days)** for the care of a newly adopted child/ren.
- e) The Employer may send a teacher a written request that the teacher confirm his or her intention to return to work, and the teacher shall respond in writing within ten (10) days after receipt of such request. Failure of the teacher to respond to such a request within ten (10) days will result in termination of employment, as will the failure to return to work upon expiration of a child care leave (except for illness or injury). The Employer shall have no obligation to reemploy a teacher at any time other than at the end of a child care leave.

Section 7.18 Extended Leaves of Absence (Mobility Leave)

Extended Leaves of Absence (formerly called Mobility Leaves) are intended for qualified teachers that wish to explore other career opportunities outside the field of education. Pursuant to Minnesota Statute 122A.46, the School Board may grant an extended leave without salary to any teacher who has ~~a)~~ at least five (5) years of **service employment** in the District *and* has at least ten (10) years of allowable service in ~~one or more any~~ of Minnesota's ~~four~~ teacher retirement associations (**TRA or the St. Paul Teachers Retirement Fund Associations**), ~~or b) has ten (10) years of full-time teaching service in Minnesota public elementary, secondary, or area vocation-technical colleges.~~ **unless one of the following exceptions apply:**

K-12 exception: The teacher has 10 full-time years of allowable or forfeited teaching service credit. Members can be full-time or part-time employees.

State University and College Exception: The teacher must have 10 years of allowable service — forfeited service will not be accepted. Teachers must be full-time employees.

An extended leave ~~may be granted for a period of not less than three years and not more than five years~~ **must be granted for at least three years, but may not be more than five years.**

~~Mutual consent of the Board and the teacher is required. However, the granting of extended leaves of absence is within the discretion of the School Board and the School Board reserves the right to refuse to grant any extended leaves, if, in the judgment of the School Board, such leaves should not be granted. The School Board will consider the granting of extended leaves only under the conditions as they are described in M.S. 122A.46, Section 354.05, Subdivision 13, 354.094 and 354.091 as of the date of this agreement. Requests for extended leaves of absence must be submitted to the Human Resource Director by February 1 of the year preceding the school year for which the leave would commence. (Section 7.10)~~

Any TRA member who is granted an extended leave of absence without salary may receive TRA allowable service credit toward a retirement annuity by paying both the employee and employer contributions to the retirement fund. There is no District contribution during an extended leave. Refer to Section 7-12 for benefit eligibility during a leave.

Article VIII – Severance Pay

Article VIII

Severance Pay

Section 8.1 Statutory Authority

The parties have agreed upon the following standards and procedures for the implementation of a program of retirement incentive pay pursuant to M.S. 122A.48.

Section 8.2 Teachers Eligible

All teachers must submit a written letter of retirement to the Human Resource Department by February 1, including the requested date of retirement. A teacher will be eligible for severance pay only if each of the following standards is met:

- a) The teacher must have completed at least 20 years of full-time service as a teacher in the Wayzata School District, or at least 15 years of full-time service as a teacher in the Wayzata School District and a total of at least 25 years of full-time service as a teacher in school districts in the State of Minnesota.
- b) The teacher must have attained the age of 55 years as of June 30 of the school year in which a retirement letter is submitted.
- c) The School Board shall act on the letter of retirement at its first regular February meeting.
- d) No severance pay will be paid to any teacher who has been discharged for cause by the Employer pursuant to M.S. 122A.40.
- e) ~~If a teacher qualifies for Article IX, he/she is not eligible for severance pay (Article VIII, with the exception of Section 8.6 Insurance Benefits).~~
- f) The teacher must be hired prior to August 25, 1998.
- g) The teacher must have been placed on Step 5 and/or higher in fiscal year 1998.
- h)

Section 8.3 Amount

A teacher who qualifies under 8.2 and whose letter of retirement is approved by the School Board will be paid the amount determined by adding one-half (1/2) (up to 75 days) of the teacher's unused accumulative sick leave to 80 days, and then multiplying such sum by his/her daily rate of pay. The maximum number of total days shall be 155 (75 sick leave days + 80 days).

For purposes of this calculation only, a teacher who has 150 days of unused accumulated sick leave as of July 1 of the final year of active employment and who uses no more than ten (10) days of sick leave in that final year, will be deemed to have 150 days of accumulated unused sick leave.

Example: An eligible teacher is 55 years or older and has 120 days of unused accumulated sick leave. Such teacher is entitled to 140 days pay, computed as follows:

$$(1/2 \times 120 \text{ days}) = 60 \text{ days} + 80 \text{ days} = 140 \text{ days pay.}$$

If an employee has met the eligibility requirements in 8.2 and subsequently, reduces their FTE, his/her daily rate of pay will be calculated based on the FTE and salary immediately preceding the reduction of FTE.

Section 8.4 Payment

In the event that it is determined by the IRS that the severance benefit listed in this Article is constructively received by the individual employee in the year that the employee first became eligible to receive the benefit (and not in the year that the person retires), the employer agrees to withhold from the imputed income and

transmit to the IRS the amount necessary to comply with tax withholding requirement for lump sum payments under IRS rules in the year that the income is constructively received.

Upon retirement, the District will contribute an amount equal to the value of the employee's accrued severance pay into a 403(b) account established by the employee exclusively for the purpose of receiving such payment (the "Severance 403(b)"). The employee will not receive direct payment from the District for severance pay.

Payment will be made within sixty (60) days of the retirement date and will be within the applicable IRS limits. In the event the full amount of severance cannot be deposited into the 403(b) due to the IRS limits, any amount remaining shall be deposited on the first January payroll in the year following the retirement date (e.g. June 30th retirement, the first payment would be August 30th of the same year and the next payment would be January 15th of the following year). Provided that, in the event any such deposit would violate the applicable IRS limits, the Board may adjust the payment schedule as needed. The amount of the District contribution shall be calculated in accordance with this article.

Upon request of the District, the employee shall provide information needed to determine the amount of the District contribution that may be deposited into the Severance 403(b) without exceeding the applicable IRS limits on annual additions to all tax-deferred accounts held by the employee. The information needed shall be provided regardless of whether the employee has retired or is still employed by the District. For purposes of calculating the deferral limit, the District will provide the employee with contribution information for the last 12 months.

The retiree will not make any other deposits to the Severance 403(b) until the District has paid out the entire amount of severance due. The District will maintain a list of 403(b) vendors that may be used for the employee's Severance 403(b). Upon request of an employee, the District will add other vendors to the list, but only if the provider meets district requirements for compliance with state and federal law.

In the event the full amount of severance cannot be deposited into the 403(b) due to the IRS limits, any amount remaining in the fifth year after retirement shall be paid out as taxable compensation, subject to all applicable employment taxes.

In the event that a retired teacher dies before receiving the full amount of the severance pay to which that teacher is entitled, any remaining amount shall be payable to the teacher's legal heirs.

Section 8.5 Effective Date

This Article shall not be retroactive to any teacher who retired prior to the first day of the 1987-88 school year, but shall apply only to teachers who retire thereafter.

Section 8.6 Insurance Benefits

This section will apply only to employees whose service with the School District has been full-time and continuous as defined by this Agreement and whose service began prior to September 3, 2019. For employees whose employment with the School District began after this date, the provisions of this Section will not be applicable.

Any eligible teacher who has completed fifteen (15) or more years of continuous full-time service and who has attained the age of fifty-five (55) as of the effective date of retirement; or has completed twenty (20) years of full-time service to the District and who has attained the age of fifty-five (55) as of the effective date of retirement shall be eligible for the same employer contribution toward the premium actually charged by such retired teacher's insurance carrier for hospital/medical insurance as is provided to eligible teachers actively at work. Benefits available under the insurance plan shall be coordinated with any government-provided benefits (such as Medicare) to provide the same total benefits available to teachers actively at work., not to exceed \$980 per month for retirees electing single coverage, \$1,520 per month for retirees electing E+1 coverage and \$1,820 per month for retirees electing family coverage.-Such employer insurance premium contribution shall terminate once the teacher has been eligible for Medicare for five years. For eligible teachers who retire after June 30, 2008, such employer insurance premium contribution shall terminate at Medicare eligibility. By paying their own premiums, all retired teachers may continue to receive hospital/medical insurance coverage for as long as they wish even if the retiree is not eligible for District contribution.
