**BOARD OF EDUCATION**  
Regular Meeting – October 11, 2021

**AGENDA SECTION:** Approval of Agenda and Consent Agenda Items

**ITEM:** Finance and Business Services Recommendations

**COMMENTS BY:** DeeDee Kahring, Executive Director, Finance and Operations

**Finance and Business Services Recommendations**

These routine items are presented for School Board review and approval through a single consent motion.

**Monthly Bills**

The attached lists itemize claims for which the School Board is requested to authorize payment:

General Checking Account for September 2021	\$4,856,717
Wire Transfers, EFTs, and ACHs for August 2021	\$5,191,760

**Acknowledgement of Contributions**

Minnesota Statutes 465.03 – Gifts to Municipalities:

“Any city, county, school district or town may accept a grant or devise of real or personal property and maintain such property for the benefit of its citizens in accordance with the terms prescribed by the donor. Nothing herein shall authorize such acceptance or use for religious or sectarian purposes. Every such acceptance shall be by resolution of the governing body adopted by a two-thirds majority of its members, expressing such terms in full.”

The School Board is requested to accept the attached list of donations received in September 2021:

Cash Donations	\$6,992
In-Kind Donations	\$0

**Recommended Action:** Approve the checking account and wire transfer payments and accept with appreciation the donations, which comply with current state and local policies and guidelines.

Motion by: \_\_\_\_\_ **ROLL CALL** Passed: \_\_\_\_\_

Second by: \_\_\_\_\_ Failed: \_\_\_\_\_

Abstentions: \_\_\_\_\_

# 2021-22 School Year Gifts & Bequests

**Board of Education**  
Regular Meeting – October 11, 2021

**AGENDA SECTION:** Recognitions

**ITEM:** Employee of the Month

**COMMENTS BY:** Chace B. Anderson, Superintendent

Mandy Kraus – West Middle School – October 2021 Employee of the Month

Wayzata West Middle School is proud to recommend Mandy Kraus as the October Employee of the Month. Mandy is in her 24th year teaching 7th grade Social Studies at West. Mandy is a learner centered teacher who brings expertise, innovation and enthusiasm to her classroom every day.

During the 2020-2021 school year, Mandy taught in all three of our learning models - Hybrid, Distance and In-Person. She was a leader in the building in creating quality learning experiences in each of the learning models and often led professional development opportunities for the West staff as we grew our capacity to provide virtual and asynchronous learning opportunities.

Mandy currently serves on the West Guiding Coalition and as the building professional development lead. She has been a key driver of West’s advisory programming that has focused on building community and supporting students in owning their learning. Mandy has also been a building leader in utilizing MyTime, a flexible time built into the West daily schedule. Her MyTime sessions support student learning and have allowed students to go deeper and explore passion areas.

A colleague at West had this to say about Mandy:

“Mandy consistently goes above and beyond, not only for her students, but for the staff. She is a building leader in everything from professional development to advisory. The countless hours Mandy puts into everything from planning lessons to leading a staff training deserve to be recognized!”

Mandy models a love for learning for her students and is a colleague that others look up to for her commitment to student learning. Mandy is so deserving of this recognition and we congratulate her as the Wayzata Employee of the Month.

**Board of Education**  
Regular Meeting – October 11, 2021

**AGENDA SECTION:** Recognitions

**ITEM:** Plymouth Wayzata Youth Baseball Association – Letter of Intent Donation

**COMMENTS BY:** Chace B. Anderson, Superintendent

The Plymouth Wayzata Youth Baseball Association (PWYBA) has been working closely with the school district about improving the Wayzata West Middle School Baseball fields. After close communication with PWYBA representatives and the District’s administration and construction partners, the district administration and PWYBA Board of Directors recommend that the District proceed with the following projects and with the following pledged donation from PWYBA as follows:

Lights for the fields:	\$457,974
2 more batting cages + 4 bullpens:	\$151,450
2 Scoreboards:	\$24,950

GRAND TOTAL DONATION: \$634,374

To date, \$482,924 of the projects have been completed. The uncompleted items will be completed next summer 2022. Until the date of completion, the district will hold funds in a separate account for this specific designated use.

We are extremely grateful to the Plymouth Wayzata Youth Baseball Association for their generous donation and for everything that they do for the youth and families in our community.

Two representatives from Plymouth Wayzata Youth Baseball Association Board (Ryan Boutwell, President and Joe Fusaro, former President) will attend the October 11 school board meeting to present the Wayzata School Board with the donation and to be recognized for the important contribution PWYBA makes to the community.

# 2021-22 School Year Financial Report Analysis

For the Month Ended August 31, 2021

Excellence. For each and every student.

## Statement of Revenues Analysis

This analysis reflects revenue received by the month end noted above. Overall revenues are consistent with prior years with the exception of the Community Services Fund and Debt Service Fund. Community Services Fund revenue through August 31, 2021 was \$1,973,249 compared to \$712,119 the prior year. The favorable increase is due to less strict COVID-19 social distancing requirements than the prior year, yielding increased revenues from fee for service programs.

On June 28, 2021 the School Board approved the sale of bonds to refund the Series 2014A and Series 2014B General Obligation bonds. The District received the proceeds of the refunding bonds, the Series 2021A Taxable General Obligation School Building and Alternative Facilities Refunding Bonds, on July 22, 2021. The proceeds received by the District totaled \$137,249,726 and will be used to refund all maturities of the 2014A and 2014B bonds in February 2023, generating savings for taxpayers of the District in future years.

## Statement of Expenditures Analysis

This analysis reflects actual expenditures and does not include outstanding encumbrances. Overall expenditures are comparable with prior years with the exception of the Debt Service Fund. As noted above, the District executed the sale of refunding bonds and received the proceeds of the sale in July. The District remitted the proceeds of the sale to the escrow agent responsible for making required principal and interest payments on the bonds. This transaction increased expenditures and other financing uses by the figure noted above. Additionally, the aforementioned transaction reduced the District's regularly scheduled August debt service payments. The escrow account established for the Series 2021A bond paid for a portion of the Series 2014A interest payment and all of the Series 2014B interest payment. The total amount paid by the escrow account in August was \$2,263,434.

# 2021-22 School Year Statement of Revenues

**School Board Presentation**  
**2021-2022 School Year**  
**First Month of School/COVID-19 Update**  
**October 11, 2021**

# Two Primary Goals for this Year 2021-2022

1. Ensuring the health and well-being of students and staff.
2. Keeping students in school every day throughout the school year.

37 **Excellence. For each and every student.**

# Last Year Compared to this Year

## Last School Year.....

2020-2021

“The Year of the Learning Models”

## The Current School Year.....

2021-2022

“The Year of Mitigation Strategies”

**Excellence. For each and every student.**  
38

# MN Department of Health/8-4-21

## Slow or Stop Transmission

Mitigation strategies that are helpful in slowing/stopping spread when asymptomatic students or staff are in school.

21

# MN Department of Health Situation Update 8-4-21

## CDC: Guidance for COVID-19 Prevention in K-12 Schools Key Takeaways

- In-person instruction in the fall 2021 is a priority.
- Vaccination is currently the leading public health prevention strategy to end the COVID-19 pandemic.
- Masks should be worn indoors by all individuals regardless of vaccination status.
- CDC recommends schools maintain at least 3 feet of physical distance between students within classrooms, combined with indoor mask wearing by people who are not fully vaccinated, to reduce transmission risk.
- Students, teachers, and staff should stay home when they have signs of any infectious illness and be referred to their healthcare provider for testing and care.

# MN Department of Health

## Transmission Rates/Vaccination/Layered Prevention

- When community rates of COVID-19 are high, especially in areas of lower vaccination rates, there is an increased likelihood of transmission in schools.
- When prevention strategies are layered, transmission within schools and Early Childhood programs can be limited.
- Children and adolescents can transmit the virus even though they may be asymptomatic or have milder symptoms when compared to adults.

### CDC Science Brief: COVID-19 in Children and Adolescents

Science Brief: Transmission of SARS-CoV-2 in K-12 Schools and Early Care and Education Programs:  
[https://www.cdc.gov/coronavirus/2019-ncov/science/science-briefs/transmission\\_k\\_12\\_schools.html](https://www.cdc.gov/coronavirus/2019-ncov/science/science-briefs/transmission_k_12_schools.html)

- **When community rates of COVID-19 are high, especially with lower vaccination rates for those eligible for vaccination/many who are unable to be vaccinated.** there is an increased likelihood that SARS-CoV-2 will be introduced to, and potentially transmitted within, a school or ECE setting.
- Evidence to date suggests that when **prevention strategies are layered and implemented with fidelity, transmission within schools and ECE programs can be limited.**
- Have an infection rate that is comparable and, in some settings, higher, than adults.
- **Can transmit the virus to others even when they do not have symptoms** and/or have mild non-specific symptoms.
- **Compared to adults are more commonly asymptomatic or have mild, non-specific symptoms** (e.g., headache, sore throat).

## Core Indicators—New Cases and Positivity Rate

### MMWR TABLE. CDC core indicators of and thresholds for community transmission levels of SARS-CoV-2

Indicator	Transmission level			
	Low	Moderate	Substantial	High
New cases per 100,000 persons in the past 7 days*	0-9.99	10.00-49.99	50.00-99.99	≥100.00
Percentage of positive nucleic acid amplification tests in the past 7 days†	<5.00	5.00-7.99	8.00-9.99	≥10.00

WPS = 288  
HenCty = 253

0-9 YRS 6.78    10-19 YRS 8.67

9-24-21

\* Number of new cases in the county (or other administrative level) in the past 7 days divided by the population in the county (or other administrative level) multiplied by 100,000.

† Number of positive tests in the county (or other administrative level) during the past 7 days divided by the total number of tests performed in the county (or other administrative level) during the past 7 days.

The Wayzata Public Schools COVID-19 Dashboard has been created to track positive COVID-19 cases present in our students and staff. This dashboard will be **updated each Wednesday** with new information from the previous week. Positive cases will be reported when there have been **5 or more cases of COVID-19** in students or staff. The numbers will indicate who has been identified as tested positive or as a close contact during the past **7-day period. Reporting when we have 5 or more cases is consistent with how the Minnesota Department of Health (MDH) is reporting school data and is being done to protect the health privacy of our staff and students.** Schools with fewer than 5 new cases will be indicated with a "-" in the chart."

# U of MN Wolfson Model—Data Sorted by Masking Protocol

## 7 Day Running Total of Cases per 100,000 Residents

[https://jwolfson.shinyapps.io/school\\_openings/](https://jwolfson.shinyapps.io/school_openings/)

- Reviewed Wolfson Data over a five-week period (six data points: 9-2-21 through 10-7-21)
- Association of Metropolitan School Districts
- Minnesota School Districts with at least one city of 7,500 residents or higher
- School Districts Adjacent to Wayzata Public Schools
- Data from a total of 88 Minnesota school districts was reviewed and summarized

Number of Districts	SUMMARY CHART	Sept 2 through Oct 7 Trendline	Dates Data Collected						Sept 2-Oct 7	Sept 2-Oct 7	Sept 2-Oct 7
			2-Sep	9-Sep	16-Sep	23-Sep	30-Sep	7-Oct	Change	Average	% Change
12	Average Blended K-12		198	206	282	270	278	359	161	266	81.4%
37	Average Optional K-12		259	267	339	372	435	545	286	370	110.4%
39	Average Universal K-12		199	204	250	266	273	339	141	255	70.8%

“Blended K-12” Districts with BOTH Required and Recommended Masking/K-8 or K-6 (Req) and 9-12 (Rec)

“Optional K-12” Districts with Recommended Only Masking/K-12

“Universal K-12” Districts with Required Masking/K-12

# Mitigation Strategies

## Indoor and Outdoor Quarantine Protocols

### Indoors if Masked:

- Quarantines will not be mandated if all staff and students have been masked.
- Students who test positive for COVID-19 will continue to follow our current quarantine practices.
- If students are masked, and determined to be a close contact (within 3 feet for 15 minutes or longer), parents/guardians will be notified regarding exposure, but the students will not be required to quarantine. Parents may always choose to self-quarantine their student(s) when considered a close contact.

### Indoors if Unmasked:

- Individuals who are indoors and unmasked who are determined to be a close contact (within 6 feet for 15 minutes or more) will need to quarantine (ex: lunchroom setting). Quarantine and isolation timelines requirements follow MDH guidelines.

### Outdoors:

- No contact tracing will take place when students are outdoors.
- Should classrooms move outside for instructional purposes or snack, teachers should continue to distance students to the best of their ability, to limit possible exposure if students are unmasked.

# Mitigation Strategies

## Quarantine for Buses/Exemption Protocols/Isolation

### **Busing:**

- Contact tracing will not take place on school buses, parents will be notified of potential exposure when a student on the bus tests positive for COVID-19.

### **Exemptions to Quarantine:**

- Tested positive for COVID-19 in past 90 days
- Fully vaccinated (14 days from last dose in series)
- Students who have been over 3 feet from others students when both are fully masked

### **Isolation:**

- When someone has tested positive, even if they are vaccinated, they must isolate for 10 full days from the time the symptoms began or from the time they tested positive (if they were asymptomatic)

# Mitigation Strategies

## Quarantine for Household/Non-Household Members

### Household Members

- All unvaccinated persons who live in a household with someone who has tested positive must quarantine for 14 full days. If the person who tested positive is not able to isolate from other household members, the other persons must isolate with the person who tested positive and then must quarantine for an additional 14 days (possible total of 24 days if unable to separate).

### All Other Non-Household Close Contacts

- All other non-household close contacts qualify for a shortened quarantine. If the unvaccinated close contact is able to show proof of a negative molecular or PCR test after day 3 from the last contact with the person who tested positive, they may return after 7 full days. Close contacts who decide not to test, or who are unable to show proof of a molecular or PCR test, may return after 10 full days of quarantine.

# Mitigation Strategies

## Testing

- The BinaxNow home tests are for symptomatic students and available from the school LSNs.
- Such tests are optional and offered as a convenience to families.
- WPS does not test students on site or endorse any specific test.
- We will continue to monitor available options for additional testing.

55 **Excellence. For each and every student.**

## Mitigation Strategies Vaccination Clinics

**Vaccination clinics for staff, community and students (12 and older) held on the following dates:**

Wayzata High School:	May 19 and June 9
Central Middle School	May 20 and June 10

**Tentative and optional vaccination clinic dates for 5-11 year old students include:**

Central Middle School	November 12
Central Middle School	December 3

# General School Opening Thoughts

1. Staffing Challenges
  - Substitute teacher shortage
  - Wayzata Kids
  - Wayzata Cafés
  - Paraprofessionals
  - Bus drivers (currently fully staffed but we have very few extras)
  
2. Supply chain for Wayzata Cafes paper products and food supplies, etc.
  
3. Staff workload
  - Contract tracing by Licensed School Nurses
  - Teachers providing schoolwork for quarantined students
  
4. Etc.

# Closing Thoughts

1. We will continue focusing on our two primary goals and doing what we think will help us achieve them:  
A) Keep students and staff safe, and B) Keep students at school for in-person learning every day.
2. We appreciate the feedback from parents, students, staff and others as we navigate the COVID-19 challenges.
3. Although conditions are much improved from a year ago, COVID-19 concerns remain with rising numbers.
4. We are recommending continuing with the current mitigation strategies for now given the current conditions and consider any future modifications.
5. We have been fortunate with fall sports and activities that participants have not thus far had any contests or events cancelled due to COVID-19 outbreaks.
7. Regardless of the circumstances, our teachers, principals and support staff have been and will continue to work tirelessly to design and deliver the best possible educational experience for students.
8. Again, achieving the two goals outlined in #1 above will remain our primary focus.

Despite the challenges, it has been a very positive start to the school year. Students are in school, participating in activities, enjoying special events including homecoming, middle school field trips, elementary fun runs and regular routines for our early learners.

**Thank you!**
