AGENDA SECTION: Other Board Action

ITEM: Authorize Holding School Board Regular Mtg on Columbus Day

COMMENTS BY: Board Chair

Christopher Columbus Day is not observed as a holiday in the Wayzata Public Schools. School is in session and all school and administrative offices are open. While Minnesota statutes list Christopher Columbus Day as a holiday, it also provides “political subdivisions” with the option to conduct public business by taking specific action. It is recommended the School Board take action to authorize holding School Board meetings on Christopher Columbus Day, and will remain in effect until revoked.

Recommended Action: Declare that Christopher Columbus Day is not an observed holiday in the Wayzata Public Schools, that public business may be conducted, authorize holding School Board meetings on Christopher Columbus Day, and that this declaration and authorization will remain in effect until revoked.

Regular Meeting – January 9, 2023

AGENDA SECTION: Approval of Agenda and Consent Agenda Items

ITEM: Waive Statutory Pledge Requirement

COMMENTS BY: Nathan Flansburg, Associate Superintendent

According to Minnesota Statutes Section 121A.11, enacted in 2004, “all public school students shall recite the Pledge of Allegiance to the flag of the United States of America one or more times each week.” As part of this requirement, a school district must instruct students in the proper etiquette toward, correct display of, and respect for the flag, and in patriotic exercises. A school board may waive the statutory requirement that moderates the recitation and corresponding etiquette requirement by an annual vote.

Wayzata Public Schools also has a district policy that states:

The School Board recognizes the need to display an appropriate United States flag and to provide instruction to students in the proper etiquette, display, and respect of the flag. The purpose of this policy is to provide for recitation of the Pledge of Allegiance and instruction in school to help further that end. Students shall recite the Pledge of Allegiance one or more times a week. The recitation shall be conducted by each individual classroom teacher or teacher’s surrogate or over a school intercom system by principal or designee. Anyone who does not wish to participate in reciting the Pledge for any personal reasons may elect not to do so. Students and school personnel must respect another person’s right to make that choice. Students will be instructed in the proper etiquette toward, correct display of, and respect for the flag.

The practice during the 2022-2023 school year is to have elementary students routinely recite the Pledge; generally daily or weekly. Middle school and high school students recited the Pledge weekly; generally on a Monday morning TV broadcast. School principals report that this practice has worked well and the administration is recommending the continuance of this protocol for the 2023-2024 school year.

Recommended Action: The School Board supports recitation of the Pledge of Allegiance in the district schools and has a district policy calling for the recitation of the Pledge of Allegiance one or more times weekly in each school. Minnesota Statute 121A allows a school district to waive the statutory requirement mandating the recitation of the Pledge of Allegiance by majority vote. The Wayzata School District School Board has chosen to take a vote on waiving the statutory requirement. Waiving the statutory requirement has no impact on the School District’s policy.

WPS Employee of the Month - January 2023

Brittany Euerle
Special Education Teacher – West Middle School

Wayzata West Middle School is proud to recommend Brittany Euerle as the January 2023 Employee of the Month. Brittany is in her 10th year as a Special Education Teacher and has taught for 5 years at West Middle School. Brittany is a learner- centered teacher who brings significant expertise, innovation, and enthusiasm to the classroom every day.

Brittany serves on our Building Instructional Leadership Team at West and plays a key role in setting our building goals, leading this important work, and taking actionable steps to achieve these goals. Brittany goes above and beyond to support two long-term subs in her PLC this semester. Her effort to support and mentor her new colleagues has been invaluable and has helped ensure that students' needs are met.

Fellow colleague and PLC partner, Chad Morse, had this to say about Brittany:

Brittany is the definition of dedication to the profession. In everything from lesson planning and delivery of curriculum and instruction, to going the extra mile to support the students she works with, Brittany is amazing.

Not only does Brittany create meaningful and impactful experiences in the classroom for students, but she also has an enormously positive effect on her colleagues. She takes the time to help her peers with technology, onboarding new teachers to Wayzata schools, and helping with the many due process related components of the special education discipline.

Brittany is an asset to West Middle School, Wayzata Public Schools, and the teaching profession! Congratulations Brittany. We are honored and inspired by you on a daily basis. Thank you!

Brittany mentors others and exemplifies a desire to be a lifelong learner herself. She models an unmatched and selfless dedication to students and colleagues. Her “can do” mindset, paired with a genuine calm demeanor, are just a couple of her many admirable traits students and colleagues are fortunate to experience. Brittany is so deserving of this recognition and our gratitude for her is immeasurable. Congratulations to Brittany Euerle, the January 2023 Wayzata Public Schools Employee of the Month.
