The Summer Food Service Program (SFSP) provides cash reimbursement for meals served at eligible sites when school is out for the summer. This program is funded by the U.S. Department of Agriculture (USDA) and is administered by the Minnesota Department of Education (MDE), Food and Nutrition Service.

Benefits

Determining Site Eligibility	
Area Eligible	☒ At least 50 percent of the students enrolled in the local public school are eligible for free/reduced-price meals.

Proposal Subject: Adaptive Bowling

To: Julia Espe, Barbara Muckenhirn, and Princeton School Board

In order to offer a wider range of activities and to serve a more diverse population of students at Princeton High School, I propose we add adaptive bowling to the list of activities offered at Princeton High School. This is an 11 week season in the spring of the year.

Anticipated Expenditures include:

- Coaches/Advisors (Head \$975, class I) (Assistant \$650 class J if numbers permit)
- Transportation (\$2,000 includes state tournament)
- Bowling Alley Rental (10 athletes, twice a week = \$125/week for 11 weeks = \$1,375)
- MSHSL Registration Fee (\$180)
- Uniform (\$30 per participant X 10 participants = \$300)

Total estimated cost \$4830 (\$5480 w/ assistant coach)

Thank you for giving this proposal favorable consideration.

Go Tigers!
