RE: Grant

It is my recommendation that the School Board of Independent School District #191 accept this check from the Midwest Dairy Council for Fuel Up to Play 60 in the amount \$4,000.00.

Hidden Valley was selected to receive these funds from among hundreds of school applicants across the country. Patricia Mosey, Hidden Valley's Science Specialist applied for and received this grant. She will use the funds to help jumpstart and sustain healthy nutrition and physical activity improvements in our school.

Re: Donation of School Supplies

Fairview Ridges employees and volunteers recently collected school supplies and cash (for additional purchases) for donation to five local school districts. The drive has become a tradition at the Ridges over the years and, once again, our District received a large box of basic classroom supplies that will be given to one of our schools.

I recommend that you accept this generous donation.

RE: Approve Ice Arena Lease with the City of Burnsville for 2012-2013

Recommendation: That the Board of Education approve the Ice Arena Lease with the City of Burnsville for the 2012-2013 year in the amount of \$90,553.70 for a total of 421.67 hours of ice time.

The ice rental agreement with the City of Burnsville provides practice, game and playoff time for both boys and girls hockey. The contract is similar to last year's inclusive of language for acknowledgement of concussion awareness obligations as per state statutes. The amount of the lease agreement is within overall budget parameters. The rate has been raised to \$215 per hour. The past two prior years were at a rate of \$210 per hour. I recommend approval.

RE: Receive a report on summer construction projects

The summer has been very active for a large group of people. Once again, our Custodial staff and Operations and Maintenance Supervisors have done a wonderful job of preparing our schools for the beginning of the new school year. Aside from the typical cleaning needed in our buildings, all operations staff find themselves involved in support of the additional cleanup that may be required for the sites where we have had alternative facilities projects in process. Glenn Simon will provide an update to the Board of Education on the projects that have taken place this past summer.
