RE: Budget Analysis for the Month Ending December 31, 2015

RECOMMENDATION: That the Board accepts the Budget Analysis for the month ending December 31, 2016

The December Budget Reports are presented for Board information and review. The reports indicate the following:

	Year-to-Date Revenue	% of Adopted Budget	Year-to-Date Expenditures	% of Adopted Budget
All Funds	\$ 48,389,298	30.71%	\$ 73,968,194	45.19%
General Fund	\$ 33,750,953	29.18%	\$ 45,930,671	38.18%

To assist the Board in monitoring monthly financial activity and to help identify budget-to-actual deviations, the following graphs have been developed for all funds and the general fund:

Cash and Investments by Month for Last year and Current year
Revenues Year-to-Date for Last two years and Current year
Expenditures Year-to-Date for Last two years and Current year

All of the reports and graphs show last year's actual figures, this year's budget and this year's activity to day. Additional detail is available upon request. I would be glad to answer any questions regarding these reports.

Burnsville-Eagan-Savage School District Policy 404

404 EMPLOYMENT BACKGROUND CHECKS

I. PURPOSE

The purpose of this policy is to maintain a safe and healthful environment in the school district in order to promote the physical, social, and psychological well-being of its students. To that end, Independent School District 191 will seek a criminal history background check for applicants who receive an offer of employment with the school district and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether any compensation is paid, or such other background checks as provided by this policy. The school district will also conduct criminal history background checks on all adults who provide after school academic assistance to students or who volunteer as chaperones for students on school-sponsored, overnight field trips. The school district may also elect to do background checks of other volunteers, independent contractors, and student employees in the school district.

II. GENERAL STATEMENT OF POLICY

- A. The school district shall require that applicants for school district positions who receive an offer of employment and all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether any compensation is paid, submit to a criminal history background check. The offer of employment or the opportunity to provide services shall be conditioned upon a determination by the school district that an individual's criminal history does not preclude the individual from employment with, or provision of services to, the school district.
- B. The school district specifically reserves any and all rights it may have to conduct background checks regarding current employees, applicants, or service providers without the consent of such individuals.
- C. Adherence to this policy by the school district shall in no way limit the school district's right to require additional information, or to use procedures currently in place or other procedures to gain additional background information concerning employees, applicants, volunteers, service providers, independent contractors, and student employees.

III. PROCEDURES

- A. Normally an individual will not commence employment or provide services until the school district receives the results of the criminal history background check. The school district may conditionally hire an applicant or allow an individual to provide services pending completion of the background check, but shall notify the individual that the individual's employment or opportunity to provide services may be terminated based on the result of the background check. Background checks will be performed by the Minnesota Bureau of Criminal Apprehension (BCA). The BCA shall conduct the background check by retrieving criminal history data as defined in Minn. Stat. § 13.87. The school district reserves the right to also have criminal history background checks conducted by other organizations or agencies.
- B. For an individual to be eligible for employment, to provide athletic coaching services or other extracurricular academic coaching services, volunteer academic assistance, or chaperone services to the school district, except for an enrolled student volunteer, the individual must sign a criminal history consent form, which provides permission for the school district to conduct a criminal history background check, and provide a money order or check payable to either the BCA or to the school district, at the election of the school district, in an amount equal to the actual cost to the BCA and the school district of conducting the criminal history background check. The cost of the criminal history background check is the responsibility of the individual, unless the school district decides to pay the costs for a volunteer, an independent contractor, or a student employee. If the individual fails to provide the school district with a signed Informed Consent Form and fee at the time the individual receives a job offer, or permission to provide services, the individual will be considered to have voluntarily withdrawn the application for employment or request to provide services.
- C. The school district, in its discretion, may elect not to request a criminal history background check on an individual who holds an initial entrance license issued by the state board of teaching or the commissioner of education within the 12 months preceding an offer of employment or permission to provide services.
- D. The school district may use the results of a criminal background check conducted at the request of another school hiring authority if:
 - 1. the results of the criminal background check are on file with the other school hiring authority or otherwise accessible;
 - 2. the other school hiring authority conducted a criminal background check within the previous 12 months;
 - 3. the individual executes a written consent form giving the school district access to the results of the check; and
 - 4. there is no reason to believe that the individual has committed an act subsequent to the check that would disqualify the individual for

employment or provision of services.

- E. For all nonstate residents who are offered employment with or the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, the school district shall request a criminal history background check on such individuals from the superintendent of the BCA and from the government agency performing the same function in the resident state or, if no government entity performs the same function in the resident state, from the Federal Bureau of Investigation. The offer of employment or the opportunity to provide services shall be conditioned upon a determination by the school district that an individual's criminal history does not preclude the individual from employment with, or provision of services to, the school district. Such individuals must provide an executed criminal history consent form.
- F. When required, individuals must provide fingerprints to assist in a criminal history background check. If the fingerprints provided by the individual are unusable, the individual will be required to submit another set of prints.
- G. Copies of this policy shall be available in the school district's employment office and will be distributed to applicants for employment and individuals who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services upon request. The need to submit to a criminal history background check may be included with the basic criteria for employment or provision of services in the position posting and position advertisements.
- H. The individual will be informed of the results of the criminal background check(s) to the extent required by law.
- I. If the criminal history background check precludes employment with, or provision of services to, the school district, the individual will be so advised.
- J. The school district may apply these procedures to other volunteers, independent contractors, student employees, student teachers, and administrative interns.
- K. At the beginning of each school year or when a student enrolls, the school district will notify parents and guardians about this policy and identify those positions subject to a background check and the extent of the school district's discretion in requiring a background check. The school district may include this notice in its student handbook, a school policy guide, or other similar communication. A form notice for this purpose is included with this policy.

IV. CRIMINAL HISTORY CONSENT FORM

A form to obtain consent for a criminal history background check can be obtained from the Human Resource Department.

The purpose of this policy is to provide guidance to school district staff and parents or guardians in these situations.

II. GENERAL STATEMENT OF POLICY

- C. School district staff will activate emergency medical services (911) as soon as possible when a student is undergoing a medical emergency during school or school activities.
- D. The parent/guardian will be notified of the emergency as soon as possible.
- E. IEP and Section 504 teams must develop individualized medical emergency care plans for students when appropriate in accordance with state and federal law.
- F. Parents/guardians who request that emergency care be withheld for their child or who present DNAR orders, shall be advised of and shall be given a copy of this policy.

528 STUDENT PARENTAL, FAMILY, AND MARITAL STATUS NONDISCRIMINATION

I. PURPOSE

Students are protected from discrimination on the basis of sex and marital status pursuant to Title IX of the Education Amendments of 1972 and the Minnesota Human Rights Act. This includes discrimination on the basis of pregnancy. The purpose of this school district policy is to provide equal educational opportunity for all students and to prohibit discrimination on the grounds of sex, parental, family, or marital status.

II. GENERAL STATEMENT OF POLICY

- A. The school district provides equal educational opportunity for all students, and will not apply any rule concerning a student's actual or potential parental, family, or marital status which treats students differently on the basis of sex.
- B. The school district will not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such students' pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity.
- C. The school district may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation in the normal education program or activity so long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.
- D. The school district will ensure that any separate and voluntary instructional program is comparable to that offered to non-pregnant students.
- E. The school board has designated Executive Director of Human Resources, 100 River Ridge Court, Burnsville, MN, 55337, 952-707-2010 as its Title IX coordinator. This employee coordinates the school district's efforts to comply with and carry out its responsibilities under Title IX.
- F. Any student, parent, or guardian having questions regarding the application of Title IX and its regulations and/or this policy should discuss them with the Title

IX coordinator. Questions relating solely to Title IX and its regulations may be referred to the Assistant Secretary for Civil Rights of the United States Department of Education. In the absence of a specific designee, an inquiry or complaint should be referred to the superintendent or the school district human rights officer.

- G. Any reports of unlawful discrimination under this policy will be handled, investigated, and acted upon in the manner specified in Policy 522 – Student Sex Nondiscrimination.

When evidence of the presence of a communicable disease exists or when required by any state or federal agency and/or state or federal law, students and/or their parents or guardians may be required to submit such other health care data as is necessary to ensure that the student has received any necessary immunizations and/or is free of any communicable diseases. No student may be enrolled or remain enrolled in any elementary or secondary school within the school district until the student or the student's parent or guardian has submitted the required data.
- D. If a person who is not a Minnesota resident enrolls in a school district online learning course or program that delivers instruction to the person only by computer and does not provide any teacher or instructor contact time or require classroom attendance, the person is not subject to the immunization, statement, and other requirements of this policy.

IV. EXEMPTIONS FROM IMMUNIZATION REQUIREMENTS

Students will be exempt from the foregoing immunization requirements under the following circumstances:

- A. The parent or guardian of a minor student or an emancipated student submits a physician's signed statement stating that the immunization of the student is contraindicated for medical reasons or that laboratory confirmation of the presence of adequate immunity exists; or

V. NOTICE OF IMMUNIZATION REQUIREMENTS

- A. The school district will develop and implement a procedure to:
 - 1. Notify parents and students of the immunization and exemption requirements by use of a form approved by the Department of Health;
 - 2. Notify parents and students of the consequence for failure to provide required documentation regarding immunizations;
 - 3. Review student health records to determine whether the required information has been provided; and
 - 4. Make reasonable arrangements to send a student home when the immunization requirements have not been met and advise the student

and/or the student's parent or guardian of the conditions for re-enrollment.

VI. IMMUNIZATION RECORDS

- A. The school district will maintain a file containing the immunization records for each student in attendance at the school district for at least five years after the student attains the age of majority.
- B. Upon request, the school district may exchange immunization data with persons or agencies providing services on behalf of the student. Immunization data is private student data and disclosure of such data shall be governed by Policy 515, Protection and Privacy of Pupil Records.
- C. The designated school district administrator will assist a student and/or the student's parent or guardian in the transfer of the student's immunization file to the student's new school within 30 days of the student's transfer.

602.5 SCHOOL CANCELLATION

I. PURPOSE

The purpose of this policy is to provide for closing, delay, and early dismissal of school.

II. GENERAL STATEMENT OF POLICY

The superintendent or designee is responsible for determining when the safety of students, staff or patrons warrants closing school for the day or days, delaying the start of the school day, or dismissing school early. The closing, delay, or early dismissal may apply to all buildings and activities or may be specific to a particular building(s) or activity. The superintendent or designee shall establish rules and practices for school closing, delay, and early dismissal.

A. Delayed Starts

When the start of a school day is delayed due to an emergency, and unless directed otherwise, staff members are expected to report to work at their usual time or as soon as practical thereafter. Upon receiving notice that the start of the school day will be delayed, the building principal or program director shall notify staff members of the late start. Employees are not excused from any portion of their normal workday as the result of a late start unless expressly dismissed by the superintendent or designee. Leave provisions contained in respective employment agreements may be used as applicable and with appropriate notification on approval. All other school activities, including childcare, will be delayed or altered due to the delayed start of the school day.

B. Early Dismissals

Upon receiving notice that school will be dismissed early, the building principal or program director shall notify staff members of the impending dismissal. The type of emergency and student departure schedule will determine how long personnel shall remain in the building and the duties they will perform. In general, employees are expected to work if they are to be compensated for that day. If authorized by the applicable employment agreement, employees may utilize various leave provisions, including supervisor approved compensatory time, if they wish to leave

before the end of their normal workday. Most school activities, including childcare, are to be discontinued as soon as practical.

C. School Closing

Upon notice that school will be closed due to an emergency, the building principal or program director shall notify staff members of the closing. Unless expressly dismissed with pay by the superintendent or designee, compensation for the day is governed by the respective employment agreement. Makeup days, if any, shall be scheduled by the school district and compensation paid according to applicable employment agreements.

In general, employees providing direct service to students will work on alternate days to be determined by the school district. Other employees are expected to work if they are to be compensated for the day. Leave provisions contained in respective employment agreements may be used as applicable and with appropriate notification and approval.

III. GENERAL INFORMATION ON DISMISSALS AND CLOSINGS

In general, when schools are dismissed early or closed for the day, all other activities and programs in district buildings or involving Independent School District 191 students are canceled, including community education programs. Exceptions are permitted when conditions change or if the event is scheduled to occur at another location not affected by the emergency. Exceptions may be granted by the superintendent or designee or building principals. Delayed starts, early dismissals, and school closings will be posted on the homepage of the district web site (www.isd191.org) as well as on the home pages of school building web sites. An instant parent notification system will be used to contact parents directly via provided contact information.

If the emergency is of sufficient duration, the school calendar may be extended to maintain the number of instructional days. No additional compensation shall be provided for this extended time unless the respective employment contracts dictate otherwise.

Burnsville-Eagan-Savage School District Policy 610

610 FIELD TRIPS

I. PURPOSE

The purpose of this policy is to provide guidelines for student trips and to identify the general process to be followed for review and approval of trip requests.

II. GENERAL STATEMENT OF POLICY

The general expectation of the school board is that all student trips will be well planned, conducted in an orderly manner and safe environment, and will relate directly to the objectives of the class or activity for which the trip is requested. Student trips will be categorized within three general areas:

A. Instructional Trips

Trips that take place during the school day, relate directly to a course of study, and require student participation shall fall in this category. These trips shall be subject to review and approval of the building principal and shall be financed by school district funds within the constraints of the school building budget. Fees may not be assessed against students to defray direct costs of instructional trips. (Minn. Stat. § 123B.37, Prohibited Fees)

B. Supplementary Trips

This category pertains to those trips in which students voluntarily participate and which may take place outside the regular school day. Examples of trips in this category involve student activities, clubs, and other special interest groups. These trips are subject to review and approval of the activities director and/or the building principal. Financial contributions by students may be requested. (Minn. Stat. § 123B.36, Authorized Fees)

C. Extended Trips

1. Trips that involve one or more overnight stops fall into this category. Extended trips may be instructional or supplementary and must be requested well in advance of the planned activity. An extended trip request form must be completed and approved at each level: student, principal, superintendent, and school board. Exceptions to the approval policy may be granted or expedited to accommodate emergencies or contingencies (e.g., tournament competition).

2. The school board acknowledges and supports the efforts of booster clubs and similar organizations in providing extended trip opportunities for students.
3. The process to obtain extended field trip permission is:
 - a. An ISD 191 employee initiates a written request (form: Proposal for Extended Field Trip) to the activities director or principal.
 - b. The activities director and principal review the request and, if appropriate, forward the request for preliminary approval (prior to communicating with parents and students) by the superintendent or Board of Education as appropriate per schedule below:

PRELIMINARY APPROVAL SCHEDULE

Local, Regional Travel - Principal	60 days in advance
National Travel - Superintendent	120 days in advance
International Travel – School Board	180 days in advance

- c. The superintendent reviews the request, and if appropriate, forwards the request to the Board of Education.
- d. The trip is approved or denied.
- e. Activities director or principal notifies the coach/advisor of the trip status.
- f. Parents and students are contacted regarding the feasibility of the approved trip.
- g. The activities director and principal review the request and, if appropriate, forward the request for final approval by the superintendent or Board of Education as appropriate per the schedule below:

FINAL APPROVAL SCHEDULE

Local, Regional Travel - Principal	30 days in advance
National Travel - Superintendent	60 days in advance
International Travel – School Board	120 days in advance

III. REGULATIONS

- A. Rules of conduct and discipline for students and employees shall apply to all student trip activity.
- B. The school administration shall be responsible for providing more detailed procedures, including parental involvement, supervision, and such other factors

deemed important and in the best interest of students.

- C. Transportation shall be furnished through a commercial carrier or school-owned vehicle.
- D. An employee may use a personal vehicle to transport staff or personal property for purposes of a field trip upon prior, written approval from administration.
- E. An employee must not use a personal vehicle to transport one or more students for purposes of a field trip.
 - 1. If immediate transportation of a student is required due to an emergency or unforeseen circumstance, such as the illness or injury of a child, and the transportation does not constitute regular or scheduled transportation, a personal vehicle may be used. To the extent a personal vehicle is used, the vehicle must be properly registered and insured.
 - 2. An employee must obtain preapproval by administration of student transportation by a personal vehicle, pursuant to Section III.E.1, if practicable. If preapproval by administration of use of a personal vehicle cannot be obtained in a reasonable time given the circumstances, an employee shall report the relevant facts and circumstances justifying the need for use of a personal vehicle to administration as soon as practicable. The relevant facts and circumstances for use of a personal vehicle shall be documented by administration.

IV. CANCELLATION

The superintendent is authorized to cancel an approved field trip should safety circumstances arise that in the superintendent's judgment warrant such action (e.g., based on U.S. State department travel advisories or other basis as determined by the superintendent).

4. In the event the content of the post-secondary course does not fully align with the content of a high school course required for graduation but is comparable to elective credits offered by the school district for graduation, the school district may provide elective credit and the grade will be recorded on the student's transcript as an elective course credit applied toward graduation requirements.
 5. If no comparable course is offered by the school district for which high school graduation credit would be provided, the school district will notify the Commissioner, who shall determine the number of credits that shall be granted to a student.

2. The school district will receive and maintain information provided to it by online learning providers.
3. The online learning provider must report or make available information on an individual student's progress and accumulated credit to the student, the student's parent, and the enrolling district in a manner specified by the Commissioner unless the enrolling district and the online learning provider agree to a different form of notice and notify the Commissioner.
4. The enrolling district must designate a contact person to help facilitate and monitor the student's academic progress and accumulated credits toward graduation.

B. Student Enrollment

1. A student may apply for full-time enrollment in an approved online learning program. The student must have the written consent of a parent or guardian to do so if the student is under eighteen (18) years of age.
2. The student and the student's parents must submit an application to the online learning provider and identify the student's reason for enrolling. An online learning provider that accepts a student under this section must notify the student and the enrolling district in writing within ten days if the enrolling district is not the online learning provider. The student and the student's parent must notify the online learning provider of the student's intent to enroll in online learning within ten days of being accepted, at which time the student and the student's parent must sign a statement indicating that they have reviewed the online course or program and understand the expectations of enrolling in online learning. The online learning provider must use a form provided by MDE to notify the enrolling district of the student's application to enroll in online learning.

Within 15 days after the online learning provider makes information in this paragraph available to the enrolling district, the enrolling district must notify the online learning provider whether the student, the student's parent, and the enrolling district agree or disagree that the course meets the enrolling district's graduation requirements. A student may enroll in a supplemental online learning course up to the midpoint of the school district's term. The school district may waive this requirement for special circumstances with the agreement of the online learning provider.
4. An online learning course or program that meets or exceeds a graduation standard or the grade progression requirement of the enrolling district as

described in the provider's online learning course syllabus meets the corresponding graduation requirements applicable to the student in the enrolling district. If the enrolling district does not agree that the course or program meets its graduation requirements, then the enrolling district must make available an explanation of its decision to the student, the student's parent, and the online learning provider; and the online learning provider may make available a response to the enrolling district, showing how the course or program meets the graduation requirements of the enrolling district.

5. An online learning student may enroll in supplemental online learning courses equal to a maximum of 50 percent of the student's full schedule of courses per term during a single school year, and the student may exceed the supplemental online learning registration limit if the enrolling district permits for supplemental online learning enrollment above the limit or if the enrolling district and the online learning provider agree to the instructional services. To enroll in more than 50 percent of the student's full schedule or courses per term in online learning, the student must qualify to exceed the supplemental online learning registration limit or apply to enroll in an approved full-time online learning program consistent with Paragraph IV.B.2. above. Full-time online learning students may enroll in classes at a local school under a contract for instructional services between the online learning provider and the school district.
6. An online learning student may complete course work at a grade level that is different from the student's current grade level.
7. An online learning student may enroll in additional courses with the online learning provider under a separate agreement that includes terms for paying any tuition or course fees.

C. Classroom Membership and Teacher Contact Time

1. The enrolling district may reduce an online learning student's regular classroom instructional membership in proportion to the student's membership in online learning courses.
2. The school district may reduce the course schedule of an online learning student in proportion to the number of online learning courses the student takes from an online learning provider other than the school district.
3. A teacher with a Minnesota license must assemble and deliver instruction to enrolled students receiving online learning from an enrolling district. The delivery of instruction occurs when the student interacts with the computer or the teacher and receives ongoing assistance and assessment of learning. The instruction may include curriculum developed by persons other than a teacher holding a Minnesota license.

4. The online learning provider, other than a digital learning provider offering digital learning to its enrolled students only under Minn. Stat. § 124D.095, Subd. 4(d), must give the Commissioner written assurance that all courses meet state academic standards and the online learning curriculum, instruction, and assessment expectations for actual teacher contact time or other student-teacher communications and academic support meet nationally recognized standards and are described as such in an online learning course syllabus that meets the Commissioner's requirements.

D. Academic Credit; Graduation Standards or Requirements

1. The school district shall apply the same graduation requirements to all students, including online learning students.
2. The school district shall use the same criteria for accepting online learning credits or courses as it does for accepting credits or courses for nonresident transfer students under Minnesota law.
3. The school district may challenge the validity of a course offered by an online learning provider. Such a challenge will be filed with MDE.
4. The school district shall count secondary credits granted to an online learning student toward its graduation and credit requirements.
5. If a student completes an online learning course or program that meets or exceeds a graduation standard or grade progression requirement at the school district, that standard or requirement will be met.

Burnsville-Eagan-Savage School District Policy 799

799 ANIMALS IN THE SCHOOLS

I. PURPOSE

The purpose of this policy is to provide guidance for when animals are allowed on school district property, including buildings and classrooms.

II. SERVICE ANIMALS

- A. A person with a disability may be accompanied by a service animal in public places within Independent School District 191 consistent with Minnesota Statutes §256C.02 and § 363A.19. A service animal is defined as a dog that has been individually trained to do work or perform tasks for the benefit of a person with disabilities. A person who is training a dog to be a service dog also may be permitted to have a dog on school property.
- B. The services animal must be permitted in any areas of school district facilities that the public is normally allowed to visit. This is true even if local health codes would prohibit a dog from being in part or all of the facility.
- C. The District may only ask whether the service animal is required by the person's disability and what work or task the service animal does for the person with disabilities. No other inquiries may be made regarding the service animal.
- D. The animal handler must do the following:
 - 1. Properly harness or leash the service animal and maintain control of the animal.
 - 2. Provide the service animal with humane care and treatment.
- E. The person with a disability may be asked to remove the service animal if it is out of control and the handler cannot regain control or if it is not house-broken.

III. NON-SERVICE, COMPANION ANIMALS

- A. A student with a disability who wishes to be accompanied in a school building including a classroom, lunchroom, or other area within the school building by a non-service animal should request that the student's Individualized Education

Program (IEP) or Section 504 team consider whether the non-service animal is necessary to provide the student with a free appropriate public education (FAPE).

- B. The non-service animal will be permitted to accompany the student if the student requires the animal in order to receive a FAPE as determined by the IEP or Section 504 team.
- C. IEP/ Section 504 teams will address any specific goal that would pertain to the animal and how the student's need would be addressed and if the use of the animal is the only means for meeting the student's need. These considerations would be balanced with the needs of other students in the school/classroom including allergies, asthma, and cultural concerns.
- D. The following requirements apply to non-service companion animals permitted in schools:
 - 1. The non-service animal is harnessed or leashed and controlled by the person with disabilities.
 - 2. Proof of vaccination for rabies and distemper-parvo must be provided before any non-service animal is allowed in a school.
 - 3. The person shall be liable for any damage done to property by a non-service animal.
 - 4. The person is responsible for the humane care and treatment of the non-service animal.
 - 5. The person may be asked to remove the non-service animal if it poses a significant health or safety risk or creates or may create disruption to the educational environment.

VI. VISITING ANIMALS

- A. The site administrator has the sole discretion to allow or not allow pets or animals on school property. This provision does not apply to service animals or companion animals for persons with disabilities.
- B. When possible, it is preferable for students to go outside and visit the animal rather than have the animal visit the students in the building.
- C. If the site administrator grants permission for a visiting animal to be present on school property, the following minimal conditions apply:
 - 1. The animal must be controlled and humanely cared for by the owner,

2. The animal must be vaccinated as required by local law,
3. The animal must be removed by the owner at the request of the school administrator regardless of the reason if any;
4. The owner will be liable for property damage or injury.

VII. CLASSROOM ANIMALS

- A. The site administrator has the sole discretion to allow or not allow animals (including birds, reptiles and insects) in classrooms.
- B. Animals must serve an educational purpose.
- C. Animals in the classroom are the responsibility of the teacher who must ensure safe handling or presentation of animals, adherence to proper hand washing and other safety practices, vaccination as required by law and clean-up of animal cages, food and waste.

VIII. ANIMAL BITES

If an animal bite or other injury to persons occurs, administer first aid as necessary and notify the health office and parent or guardian.

Re: Extended field trip request for 4th and 5th grade students at Vista View Elementary

RECOMMENDATION: that the Board of Education approves an extended field trip request for 4th and 5th grade students at Vista View Elementary to attend an overnight field trip at the Minnesota Science Museum Feb. 11-12, 2016.

Background: Vista View Elementary School has submitted an application for formal approval of an extended field trip to the Minnesota Science Museum Feb. 11-12, 2016. The primary objective of the trip is to give students a hands on experience to learning and understanding science. They will experience a wide range of experiments and activities.

There is no cost to students for the field trip due to a recent grant from the Science Museum of Minnesota and Flint Hills Resources. Approximately 105 students and at least 13 chaperones will attend.

Re: Change Order #044, #045, #050, #054, #055, #056 and #057 for the 2015 Additions and Alterations to Burnsville High School

RECOMMENDATION: That the Board of Education approve change orders #044, #045, #050, #054, #055, #056 and #057 for the 2015 Additions and Alterations to Burnsville High School.

On May 28th, 2015 the school board awarded contracts for bid package #1, on June 25, 2015 the school board awarded one contract for bid package #2, on August 13, 2015 the school board awarded contracts for bid package #3 and on October 22, November 5, November 19 and December 17, 2015 school board awarded contracts for bid package #4 for the 2015 Additions and Alterations to the Burnsville High School.

Change order #044 for contract #3110 (Max Steininger Inc.) Is in the amount of \$8,250.00. The reason for this cost increase was to remove additional pavement and to add new topsoil where VCP pipe was being replaced due to the conditions of the old pipe.

Change order #054 for contract #3100 (Max Steininger Inc.) Is in the amount of \$1,035.00. The reason for this cost increase was for some additional bituminous removal and grading to an area where a storm sewer for an existing roof drain needed to be reconfigured and replaced due to the condition of the sewer pipe.

Change order #055 for contract #2600 (Peoples Electric CO., Inc.) is in the amount of \$4544.00. The reason for this cost increase was to purchase and install electric heaters in the new warehouse restroom, also included in this increase was an additional electrical permit to gain temporary occupancy in the Annex.

Change order #057 for contract #2600 (Peoples Electric CO., Inc.) in the amount of \$2,754 was for additional low voltage work needed to put the warehouse network switch back on the districts network.

Change order #056 for contract #0600 (Ebert Construction Inc.) is in the amount of \$1,202.00. The reason for this change was to move a masonry wall and wrap a structural column in the classroom in the Annex. Changes were needed to accommodate for site conditions.

Change order #045 for contract #3210 (Midwest Asphalt Corporation) is in the amount of \$9,762.00. The reason for this cost increase was for additional light and heavy duty pavement replacement due to the replacement of sewer pipes due to the conditions of the pipe.

Change order #050 for contract #3210 (Midwest Asphalt Corporation) is in the amount of \$2940.00. The reason for this change was for additional concrete curb, a concrete stoop and charges for high early concrete for the curbs due to the cold temperatures.

To date total change orders in amount of \$543,295.00 to the 45 original contract amounts of \$37,734,946.00 brings the total contracts with change orders to \$38,278,241.00. This represents change orders of 1.44% of original bid amounts.

The items on these change orders have been reviewed and validated by ATS&R Architects and Engineers and WENCK Construction Inc.

SUPERINTENDENT EMPLOYMENT CONTRACT

Pursuant to Minnesota Statutes section 123B.143 (2015), the School Board of Independent School District No. 191, Burnsville-Eagan-Savage (“District” or “School Board”) enters into this employment contract (“Contract”) with Joseph Gothard (“Superintendent”). In consideration of the mutual promises contained in this Contract and other valuable consideration, the sufficiency of which is acknowledged, the District and the Superintendent agree as follows:

ARTICLE I DURATION AND TERMINATION

Section 1: Duration. This Contract is for a term of three (3) years beginning on July 1, 2016, and ending on June 30, 2019. This Contract will remain in full force and effect unless it is modified by mutual written consent of the School Board and the Superintendent, or unless the Board discharges the Superintendent in accordance with this Contract.

Section 2: Expiration. This Contract will automatically expire on June 30, 2019. When this Contract expires, neither party will have any further claim against the other, and the District’s employment of the Superintendent will automatically end, unless the District and the Superintendent enter into a subsequent employment contract in accordance with Minnesota Statutes section 123B.143. At the Superintendent’s written request, the School Board will evaluate the Superintendent’s performance between three to six months before the expiration of this Contract. In addition, on its own initiative, the Board may periodically evaluate the Superintendent as it sees fit.

Section 3: Termination During the Term. During the term of this Contract, the District may immediately discharge the Superintendent and thereby terminate this Contract based on any of the grounds stated in Minnesota Statutes section 122A.40, subdivisions 9 or 13. If the School Board votes to discharge the Superintendent from employment during the term of this Contract, the Board must give the Superintendent written notice of the grounds for discharge. The Superintendent is entitled to a hearing before an arbitrator to challenge whether the asserted grounds for discharge exist. To exercise this right, the Superintendent or his representative must mail or hand-deliver a written request for arbitration to the School Board Chair within ten (10) calendar days after receiving written notice of the grounds for discharge. If the Superintendent makes a timely request for a hearing, the parties may attempt to mutually agree on an arbitrator. If the parties cannot mutually agree on an arbitrator within five calendar days, the District will petition the Minnesota Bureau of Mediation Services (“BMS”) for a list of five arbitrators. Within ten (10) calendar days after receiving the list, the parties (or their representatives) must select an arbitrator from the list by using an alternating striking process. The arbitrator must conduct a hearing and issue a written decision within sixty calendar days after being selected by the parties, unless the parties agree to extend the timeline. The arbitrator’s decision will be final and binding upon the parties, subject to judicial review of arbitration decisions as provided by law. If the Superintendent (or his representative) fails to mail or hand-deliver a written request for arbitration to the School Board Chair within ten calendar days, the Superintendent will be deemed to have acquiesced to the discharge, and the Superintendent will have no further right to challenge the discharge or to bring a claim against the District.

Section 4: Mutual Consent. This Contract may be terminated at any time by the mutual consent of the School Board and the Superintendent.

Section 5: Superintendent's Option. The Superintendent may terminate this Contract at any time by providing written notice to the School Board one hundred fifty (150) calendar days in advance of the date of termination.

Section 6: Limited Application of Section 122A.40. Except as explicitly stated in this Contract, the provisions of Minnesota Statutes section 122A.40 do not apply to the District's employment of the Superintendent or to this Contract. The Superintendent does not have any continuing contract rights under Minnesota Statutes section 122A.40. By operation of law, Minnesota Statutes section 122A.40, subdivisions 3 and 19 apply to the Superintendent's employment with the District. In addition, by mutual agreement of the Superintendent and the District, Minnesota Statutes section 122A.40, subdivision 12, relating to suspension and leave of absence for health reasons, will apply to the Superintendent's employment with the District.

ARTICLE II RESPONSIBILITIES

Section 1: Licensure. Throughout the term of this Contract, the Superintendent must hold a valid and appropriate license to work as a superintendent in the State of Minnesota. The Superintendent must provide a copy of his superintendent's license to the District's Executive Director of Human Resources before July 1 of each year this Contract is in effect.

Section 2: Compliance with Laws and Policies. The Superintendent must comply with all applicable federal and state laws. The Superintendent must comply with all rules, regulations, and policies of the School Board and the State of Minnesota, including those rules, regulations, and policies that currently exist and any that are established or amended during the term of this Contract.

Section 3: Assigned Duties. The Superintendent must faithfully perform all services that the School Board prescribes or assigns to the Superintendent, regardless of whether those services are specifically described in this Contract or in a general job description. At any time during the term of this Contract, the School Board may place the Superintendent on paid administrative leave or may assign the Superintendent to perform other legal duties not traditionally associated with the position of a school superintendent. Regular and prompt attendance is an essential function of the Superintendent's job.

Section 4: Basic Duties. The Superintendent will have charge of the administration of the schools under the direction of the School Board. Toward that end, the Superintendent will perform the following functions: serve as the chief executive officer of the School District; direct and assign teachers and other District employees under the Superintendent's supervision; organize, reorganize and arrange the administrative and supervisory staff, including instruction and business affairs, as best serves the District, but subject to the approval of the School Board; select all personnel subject to the approval of the School Board; recommend policies, regulations, rules and procedures that are necessary for the District; visit and supervise the schools in the District; report and make recommendations about the condition of the schools in the District when advisable or at the Board's request; to the extent required by law, annually evaluate each school principal assigned responsibility for supervising a school building in the District; superintend school grading practices and examinations for promotions; make reports that are required by the Commissioner of the

Minnesota Department of Education; and perform all duties incident to the office of the Superintendent. The Superintendent will serve as an ex-officio member of the School Board and all School Board committees, and will provide administrative recommendations on each item of business considered by each of these groups.

ARTICLE III COMPENSATION

Section 1: Basic Salary. The District will pay the Superintendent a gross annual salary of one hundred ninety-one thousand nine hundred dollars and zero cents (\$191,900.00) for the 2016-2017 school year; one hundred ninety-five thousand two hundred dollars and zero cents (\$195,200.00) for the 2017-2018 school year, and one hundred ninety-eight thousand six hundred dollars and zero cents (\$198,600.00) for the 2017-2018 school year. During each school year covered by this Contract, the District will pay the Superintendent his gross annual salary in equal installments, less applicable withholdings and deductions, based on the District's regular payroll schedule.

Section 2: TSA Matching Payments. The Superintendent may determine the amount of the salary identified in Section 1, above, that he would like to receive as salary and the amount that he would like to have the District place in a tax sheltered annuity ("TSA") of his choice through payroll deduction. To the extent permitted by law, the District will match the Superintendent's contributions to a qualifying TSA on a dollar-for-dollar basis, up to a maximum of three thousand dollars and zero cents (\$3,000.00) during each school year covered by this Contract. Once the District has made a matching payment to the TSA, the matching payment will become the property of the Superintendent. However, if the Superintendent terminates this Contract pursuant to Article I, Section 5, the District will not be required to provide any additional matching payments after receiving written notice of the Superintendent's intent to terminate. Similarly, if the District decides to discharge the Superintendent, the District will not be required to make any additional matching payments after voting to discharge the Superintendent.

Section 3: Responsibility for TSA Compliance. The Superintendent and the annuity companies involved are solely responsible for ensuring that the TSA complies with Section 403(b) of the Internal Revenue Code, as amended, and Minnesota law. The Superintendent hereby waives any right that he might otherwise have to bring a claim against the District for any issue related to whether the TSA complies with Section 403(b) of the Internal Revenue Code, as amended, and Minnesota law. The Superintendent also waives any right that he might otherwise have to demand direct payment to him of the amount that he identifies for contribution to the TSA. The District's only obligation under Article III, Sections 2 and 3, is to make the specified contributions to the TSA.

Section 4: Automobile Allowance. The School Board recognizes that the Superintendent must regularly use his personal vehicle to travel for District business. Accordingly, pursuant to Minnesota Statutes section 471.665, subdivision 3, the District will pay the Superintendent a monthly automobile allowance in the amount of four hundred dollars and zero cents (\$400.00), less any applicable withholdings and deductions.

**ARTICLE IV
DUTY YEAR AND LEAVES OF ABSENCE**

Section 1: Basic Work Year. The position of superintendent has exempt status under the Fair Labor Standards Act. The Superintendent's duty year will be twelve months in length and will correspond to each school year (July 1 to June 30) covered by this Contract. The Superintendent must work full-time on at least two hundred sixty-one (261) duty days, less vacation, paid holidays, and sick leave used during each duty year. The two hundred sixty-one duty days include those legal holidays on which the School Board is authorized to conduct school if the School Board so determines. The Superintendent must be on duty during any emergency, natural or unnatural, unless otherwise excused in accordance with School Board administrative policy.

Section 2: Vacation. The Superintendent shall be credited with twenty-eight (28) days of paid vacation on July 1 of each Contract year (July 1 through June 30). The Board encourages the Superintendent to use his paid vacation leave. The Superintendent must obtain prior approval from the School Board Chair before taking more than ten (10) consecutive days of paid vacation, unless the vacation days are being utilized during a leave taken pursuant to the Family Medical Leave Act. If the Superintendent has accrued, unused vacation leave on June 30 of a Contract year, the School District shall contribute an amount not to exceed the equivalent of five (5) days of vacation leave to the Superintendent's 403(b) account. The amount of the contribution shall be calculated based on the Superintendent's daily rate of pay on June 30 of the Contract year in which the vacation leave was accrued. All other unused, accrued vacation leave shall be forfeited on June 30 of each Contract year.

Section 3: Payment of Vacation Upon Nonrenewal. If the School Board does not renew this Contract, the School Board will pay the Superintendent at his daily rate of pay, as determined by a divisor of 261 days, for each day of vacation that the Superintendent has accrued but has not used or forfeited as of June 30, 2016. Alternatively, the School Board may require the Superintendent to use his days of accrued but unused vacation during the last three months of this Contract. If the Superintendent terminates this Contract pursuant to Article I, Section 5, the District will not be required to compensate the Superintendent for any accrued and unused days of vacation. Similarly, if the Board discharges the Superintendent pursuant to Article I, Section 3, the District will not be required to compensate the Superintendent for any accrued and unused days of vacation that exist after the effective date of the discharge.

Section 4: Paid Holidays. The Superintendent will be entitled to ten (10) paid holidays each Contract year. Unless otherwise designated by the School Board, the paid holidays will be:

- | | |
|------------------------|----------------------|
| Independence Day | Day before Christmas |
| Labor Day | Christmas Day |
| Thanksgiving Day | New Year's Day |
| Day after Thanksgiving | Memorial Day |
| Two floating holidays | |

Section 5: Accrual of Sick Leave. On July 1 of each school year covered by this Contract, the Superintendent will be credited with twelve (12) days sick leave, which may be accumulated to a maximum of thirty-six (36) days during the term of this Contract. The Superintendent may use sick leave for any illness, injury, or health condition that prevents him from performing his job duties. In addition, the Superintendent may use sick leave for any reason that is explicitly permitted by law or by another provision of this Contract. Upon ending his employment with the District for any reason, the Superintendent is not entitled to payment for any unused days of sick leave.

Section 6: Definition of Immediate Family. For purposes of this Contract, the term “immediate family” means the spouse, child, parent, grandparent, grandchild, sibling, parent-in-law, daughter-in-law and son-in-law.

Section 7: Family Illness. The Superintendent will receive up to three (3) days of paid leave per school year to be used to care for a member of the Superintendent’s immediate family who has an illness or injury that requires attention from a medical provider. These days will not be deducted from the Superintendent’s accrued sick leave. Upon ending his employment with the District for any reason, the Superintendent is not entitled to payment for any unused days of family illness leave.

Section 8: Bereavement Leave. The Superintendent will be granted up to three (3) days of bereavement leave, without loss of pay, for each death in the Superintendent’s immediate family. Days utilized for bereavement leave will not be deducted from the Superintendent’s accumulated sick leave. Upon ending his employment with the District for any reason, the Superintendent is not entitled to payment for any unused days of bereavement leave.

Section 9: Workers’ Compensation Differential. In accordance with Minnesota Statutes Chapter 176, if the Superintendent is injured while performing duties for the District and qualifies for workers’ compensation benefits, he may draw from his accumulated sick leave in order to make up the difference between his regular salary and the workers’ compensation insurance payments he receives. The Superintendent’s accumulated sick leave will be reduced in proportion to the amount of compensation paid pursuant to this Section. This Section of the Contract will immediately cease to apply if the Superintendent exhausts his accumulated sick leave.

ARTICLE V INSURANCE

Section 1: Health and Hospitalization. The District will select and offer one or more group health and hospitalization insurance plans to the Superintendent. This paragraph will not apply unless the Superintendent qualifies for and enrolls in a group health and hospitalization plan that is offered by the District. If the Superintendent elects single coverage, the District will pay the full amount of the monthly premium. If the Superintendent elects dependent or family coverage, the District will contribute the same amount toward the monthly premium for group health and hospitalization insurance that it contributes for the District’s Tier I executive director(s) under the General Terms and Conditions of Employment for Unaffiliated Supervisory Employees. To the extent that the cost of the monthly premium exceeds the amount of the District’s contribution, the Superintendent must pay the remaining cost through payroll deduction.

Section 2: Dental. The District will select and offer one or more dental plans. This paragraph will not apply unless the Superintendent qualifies for and enrolls in a dental plan that is offered by the District. If the Superintendent elects single coverage, the District will pay the full amount of the monthly premium for dental insurance. If the Superintendent elects dependent or family coverage, the District will contribute the same amount toward the monthly premium for dental insurance that it contributes for directors under the Director’s Terms and Conditions of Employment. To the extent that the cost of the monthly premium exceeds the amount of the District’s contribution, the Superintendent must pay the remaining cost through payroll deduction.

Section 3: Life Insurance. The District will select and offer a group term life insurance policy with a maximum death benefit of five hundred thousand dollars (\$500,000). This paragraph will not apply unless the Superintendent qualifies for and enrolls in the plan that is offered by the District. During the term of this Agreement, the District will pay the full amount of the monthly premium for the policy offered by the District. The life insurance policy will be payable to the Superintendent’s named beneficiary.

Section 4: Long Term Disability Insurance. The District will pay the full amount of the monthly premium for a long-term disability (“LTD”) insurance plan selected by the District for the Superintendent.

Section 5: Claims Against the District. The District is not promising or guaranteeing that any particular claim will be paid or covered by insurance. The District’s only obligation is to select an insurance plan and make the premium contributions that are described in this Contract. The eligibility and coverage of the Superintendent and any dependents will be governed entirely by the terms of the applicable insurance policy. No claim may be made against the District as a result of denial of insurance benefits by an insurer if the District has selected the policies and paid the premiums described in this Article. Subject to any applicable requirements of federal or state law, the District’s obligation to make any contribution toward the cost of the premium for any and all types of insurance described in this Contract will cease immediately upon termination or expiration of this Contract or in the event that the Superintendent’s employment ends for any reason.

ARTICLE VI PROFESSIONAL GROWTH AND REIMBURSEMENT

Section 1: Professional Growth Conferences and Meetings. The School Board recognizes the importance of having the Superintendent attend and participate in conferences and meetings for professional growth. Accordingly, the Superintendent is encouraged and expected to attend appropriate professional meetings at the local, state, and national level. The District will pay, or reimburse the Superintendent for, all valid, reasonable, and necessary expenses associated with the Superintendent’s travel to and attendance at such conferences and meetings whenever his attendance is required or permitted by the School Board. The Superintendent is required to attend the annual American Association of School Administrators conference. The Superintendent must periodically report to the School Board about the meetings and conferences he has attended. To receive reimbursement for expenses, the Superintendent must file itemized expense statements in compliance with School Board policy and law. Notwithstanding any other provision in this Contract, the Board in its sole discretion may limit the number and type of conferences and

conventions the Superintendent may attend. Such a limit will not take effect until notice of the limit is provided to the Superintendent.

Section 2: Dues. The District will pay the professional dues to the American Association of School Administrators, Minnesota Association of School Administrators, and another organization of the Superintendent's choice. In addition, the District will pay the dues for the Superintendent to be a member of civic organizations and service organizations that are mutually agreed upon by the Superintendent and the District.

Section 3: Tuition Reimbursement. During each school year covered by this Contract, the Superintendent is eligible to receive a maximum of two thousand five hundred dollars (\$2,500) in tuition reimbursement for post-graduate coursework that is germane to maintaining his Minnesota license as a school superintendent. All coursework must be preapproved by the School Board Chair. The Superintendent must submit appropriate documentation to the Board Chair showing that the Superintendent earned a grade of B or higher, or a passing grade in a pass/fall system, in order to be eligible for tuition reimbursement.

Section 4: Advanced Doctorate Degree. During each school year covered by this contract, the Superintendent will receive \$5,000.00 of pay for an approved doctorate degree from an accredited college or university. The Board shall determine that the doctorate degree relates to the Superintendent's position within the District.

Section 5: Business Expenses. The District will reimburse the Superintendent for reasonable and necessary expenses that he incurs in the course of conducting District business. To obtain reimbursement, the Superintendent must file itemized expense statements in compliance with School Board policy and law. The School Board retains the ultimate discretion to approve or deny an expense. The Superintendent is encouraged to seek approval for significant expenses in advance of incurring the expense. Because the Superintendent is receiving an automobile allowance, the Superintendent may not claim reimbursement for miles driven in his personal vehicle. Notwithstanding any other provision in this Contract, the Board in its sole discretion may further define the number and type of expenses for which the Superintendent may claim reimbursement.

ARTICLE VII MISCELLANEOUS

Section 1: Outside Activities. Although the Superintendent must devote full time and due diligence to the affairs and the activities of the District, he may also serve as a consultant to other Districts or educational agencies, lecture, engage in writing and speaking activities, and engage in other activities if, as solely determined by the School Board, such activities do not impede the Superintendent's ability to perform the duties of the superintendent. However, the Superintendent may not engage in other employment, consultant service, or other activity for which a salary, fee, or honorarium is paid without the prior approval of the School Board Chair.

Section 2: Indemnification and Provision of Counsel. In the event that an action is brought or a claim is made against the Superintendent arising out of or in connection with his employment and he is acting within the scope of employment or official duties, the District will defend and indemnify the Superintendent to the full extent required by law. Indemnification, as provided in

this Section, will not apply in the case of malfeasance in office or willful or wanton neglect of duty. In addition, the District’s obligation to defend and indemnify the Superintendent is subject to the limitations stated in Minnesota Statutes Chapter 466 and the case law interpreting that statute.

Section 3: Jury Duty. If the Superintendent serves on jury duty during the term of this Contract, he will receive full pay from the District, without deduction from accumulated vacation or sick leave, provided that he submits to the District any compensation he received from being called to sit as a juror.

Section 4: Mandatory Disclosure. Before entering into this Contract, the Superintendent must disclose, in writing, the existence and terms of any buyout agreement, including amounts and the purpose for the payments, relating to his contract with another school board. For purposes of this Contract, a “buyout agreement” is any agreement under which the Superintendent was employed as a superintendent; left before the term of the contract was over; and received a sum of money, something else of value, or the right to something of value for some purpose other than performing the services of a superintendent. The failure to make such a disclosure will render this Contract void as a matter of law.

Section 4: Severability. If a court of law determines that any provision of this Contract is invalid or unenforceable by operation of law, the remainder of the Contract will remain in full force and effect.

Section 5: Entire Agreement. This Contract constitutes the entire agreement between the parties relating to the District’s employment of the Superintendent. Neither party has relied upon any statements or promises that are not set forth in this document. This Contract supersedes any and all prior agreements between the parties and any inconsistent provisions in any employee handbook or District policy. The Superintendent understands and agrees that any handbooks, manuals, or policies adopted by the District do not create an express or implied contract between the District and the Superintendent. No waiver or modification of any provision of this Contract will be valid unless it is in writing and signed by both parties.

IN WITNESS WHEREOF, the parties have voluntarily entered into this Contract on the dates shown by their signatures. This Contract will not become effective unless and until it is approved by the District’s School Board and signed by both parties.

**~~2013-2015-2017~~ GENERAL TERMS AND CONDITIONS OF EMPLOYMENT:
CONFIDENTIAL EMPLOYEES**

Purpose. This policy outlines the general terms and conditions of employment for confidential employees (“employee” or “employees”) of Independent School District No. 191, Burnsville (“District” or “School Board”). This policy does not create an express or implied contract between any employee and the District. The School Board may modify this policy at any time, without prior notice, as the Board sees fit. The terms and conditions in this policy will remain in effect until the Board modifies this policy.

Confidential Employees. For purposes of this policy, individuals holding any of the following positions are deemed to be “confidential employees”:

Tier I: Exec. Admin. Assistant, Payroll Supervisor

Tier II: HR Labor Relations Manager

Tier III: HR Employment Specialist

At-Will Employment. The employees covered by this policy are employed on an at-will basis regardless of any statements, representations, procedures, or other policies that may be made or promulgated by the District or its agents or representatives. As a result, the District may discipline or discharge an employee as the District sees fit and for any reason that is not unlawful. The District is not required to show cause when disciplining or discharging an employee. Employees may resign from the District at any time and for any reason. This paragraph does not apply to any employee who is required to hold a license from the Minnesota Department of Education or the Minnesota Board of Teaching.

Performance of Duties. Employees must faithfully perform, at a professional level of competence, the services and duties prescribed by the District, regardless of whether such duties are specifically described in this policy, in a job description, in a notice of assignment, or in another document. Prompt and regular attendance is an essential function of each employee’s job. Employees must also comply with all lawful directives issued by the Superintendent or by any other individual with supervisory authority. In addition, employees must comply with all applicable federal and state laws and with all rules, regulations, and policies established by the District. Employees may not, directly or indirectly, engage or participate in any action or conduct that conflicts in any respect with the interests of the District. Toward that end, employees may not engage or participate in any action or conduct that is inconsistent with their job duties, the basic educational mission of the District, or the desired image of the District.

Notice of Assignment. The District will give each employee an annual notice of assignment containing additional information about the employee’s position, including the following: (1) the employee’s annual salary or hourly wage; (2) the number of duty days required of the position; and (3) whether the position is “exempt” or “non-exempt” under the Fair Labor Standards Act.

- a. **Basic duty day.** The basic duty day for most full-time employees will be eight hours in length, but employees in an exempt position are expected to work the number of hours necessary to perform their job duties and to meet the professional expectations of their job.
- b. **Overtime.** Hours worked beyond a forty-hour workweek will not constitute overtime and will not result in any overtime pay or any other form of additional compensation for employees who hold an exempt position under the FLSA. Employees who hold a non-exempt position will receive one and one-half (1.5) times their regular rate of pay for all time worked in excess of forty (40) hours per week. Non-Duty days and paid holiday hours will not be counted as hours worked when determining overtime obligations in a given week. Beyond the basic duty day, all employees may be required to attend and participate in meetings and school-sponsored events and activities.
- c. **Modification of assignment.** The Superintendent may reassign an employee or modify an employee’s assignment at any time and for any reason. In addition, the Superintendent may modify an existing job description for an employee’s position or create a new job description at any time.

Individual Contracts. In accordance with Minnesota law, the District will issue an individual contract to each employee who is required to hold a license from the Minnesota Department of Education or the Minnesota Board of Teaching.

Full-Time Employment. For purposes of this policy, a “full-time” employee is one who is assigned to work at least 1400 hours per year according to the notice of assignment issued by the District.

Calendar of Duty Days. After receiving a notice of assignment, each employee must develop a calendar identifying the employee’s duty days and non-duty days. The employee must then submit the calendar to the employee’s supervising administrator for approval. The supervising administrator may require the employee to modify the calendar.

Compensation. The Board will determine the compensation of each employee covered by this policy. For the 2013-2014 2015-2016 school year and the 2014-2015 2016-2017 school year, the Board will use the following ranges as a guide when determining the compensation of each employee:

	2013-2014 2015-2016 Range		2014-2015 2016-2017 Range	
	Minimum	Maximum	Minimum	Maximum
Tier I	\$65,000	\$70,700 \$73,500	\$65,000	\$71,400 \$75,000

Daily and Hourly Rate of Pay. In the event the District needs to determine a daily rate of pay for an employee, the employee's annual salary will be divided by the number of duty days assigned to the employee. In the event the District needs to determine an hourly rate of pay for an employee, the employee's daily rate of pay will be divided by eight hours.

Holidays. In the absence of an emergency or a change in the school calendar, employees are not expected to work on the following holidays:

As described below, the District will contribute toward the cost of the premium for certain types of insurance for full-time employees who otherwise qualify for and enroll in the insurance policy, plan, or program. The District will select the insurance policies, plans, and programs. To the extent permitted by law, upon separating from employment with the District a former employee may continue to participate in a group health insurance plan, but such participation will be at the former employee's sole expense.

- a. **Single Health and Hospitalization Insurance.** The District will contribute an amount equal to 95% of the composite premium for an employee who enrolls the single plan. The composite premium will be based on a health care insurance plan with an HRA (Health Reimbursement Account) whereby \$1,000 shall be redirected by the district to the HRA, and the in-network deductible equals the in-network out of pocket maximum. The remainder of the cost of the plan will be borne by the employee via payroll deduction.

- b. **Dependent Health and Hospitalization Insurance.** The District will contribute an amount equal to 83% of the composite premium for an employee who enrolls in the dependent health insurance plan. The composite premium will be based on a health care insurance plan with an HRA (Health Reimbursement Account) whereby \$2,000 shall be redirected by the district to the HRA, and the in-network deductible equals the in-network out of pocket maximum. The remainder of the cost of the plan will be borne by the employee via payroll deduction.

- c. **Both Spouses Employed.** If an employee and his/her spouse are both employed by the district full-time and are enrolled in dependent coverage, either the husband or the wife will contribute an amount equal to 5% of the single composite premium towards family coverage.

- f. **Long-Term Disability (LTD) Insurance.** Income Protection coverage will be provided each employee at District expense. Disability pay will be governed by the policy in effect. After a confidential employee has been ill or disabled for more than thirty (30) consecutive days, the employee may use sick leave on a fractional basis, together with the income protection plan to equal full salary for an additional sixty (60) days. Maximum of (20) full sick days per illness may be used in this manner, provided the employee has sufficient accumulated days.
- g. **Disclaimer.** No claim or cause of action may be brought against the District for any claim that is not covered or paid by insurance. The District is not insuring or guaranteeing that any particular claim will be paid or covered by any insurance policy, plan, or program, or that any specific amount will be paid out under any policy, plan, or program. Any description of insurance benefits in this policy is intended to be general and informational only and is subject to change in the discretion of the School Board. The eligibility any particular employee and the employee's dependent(s) is governed by the terms of the actual insurance policy, plan, or program. The District's only obligation is to make the premium contributions that are identified in this policy, as it currently is written or as amended at any time in the future, for full-time employees who otherwise qualify for and enroll in the particular insurance plan or program.

Sick Leave. Each full-time employee will earn sick leave at the rate of ~~seventeen~~ **twelve (12)** days per school year and may accumulate a maximum of 150 days of sick leave. Part-time employees will earn sick leave on a prorated basis. An employee's use of sick leave is subject to the following conditions:

- a. The Superintendent may allow an employee to use up to five days of annual sick leave in advance of the monthly accrual, but the advance of sick leave will be deducted from subsequent accrual in that year. Any absences due to illness that are in excess of the employee's accumulated sick leave and annual accrual will be without pay.
- b. An employee may use accumulated sick leave whenever he/she is absent due to illness or a serious health condition that prevents his/her attendance or the performance of his/her job duties; to care for a sick or injured child who is eighteen years of age or younger; and for any other reason expressly permitted by state or federal law. An employee may use up to five (5) days of accumulated sick leave to care for a spouse who is suffering from an illness or serious health condition. In addition, an employee

may use up to one (1) day of accumulated sick leave per school year to attend the funeral of an individual who is not in the employee's immediate family. Sick leave may not be used to conduct personal business.

- c. If the employee reports being absent due to illness or serious health condition, the District may require the employee to provide a certification from a qualified physician stating that the absence was due to an illness or a serious health condition. The District will make the final determination as to whether the employee is entitled to receive sick leave for a given absence.
- d. Upon separating from employment with the District for any reason, an employee will have no right to receive any compensation for any unused days of accumulated sick leave.
- e. At the beginning of each fiscal year, (3) sick days will be converted to the equivalent of (3) days of the employee's daily rate of pay and contributed into the employee's HRA account.

The Superintendent may, in his/her sole discretion, grant up to ten (10) additional days of bereavement leave per school year for reasons such as multiple deaths in the immediate family and out-of-state funerals.

Personal Leave. An employee may take up to three (3) days of paid personal leave each school year. The employee must obtain permission from his/her supervising administrator to take personal leave on a given day. The Superintendent or the supervising administrator may deny any request for personal leave at a given time based upon the Superintendent's or administrator's assessment of the needs of the District. Days of personal leave do not accumulate and will be forfeited if they are not used. Upon separating from employment with the District for any reason, an employee will have no right to receive any compensation for any unused days of personal leave.

Jury Duty. An employee who is called for jury duty will be reimbursed for the difference between the amount paid for serving on the jury and the employee's regular salary during the period of service. To the extent possible, employees will be expected to report or otherwise perform their regular duties when temporarily excused from attending court.

Other Types of Leave. To the extent required by law, the District will grant other types of leave. In addition, the School Board may, in its discretion, grant additional types of leave that are not required by law.

Expense Reimbursement. The District will reimburse employees for mileage and reasonable expenses of job related activities. Employees may be given time to participate in professional conferences and seminars, and will be reimbursed for reasonable expenses associated with attending

such conferences and seminars, provided that the conference or seminar was approved in advance by the supervising administrator or the Superintendent. To obtain reimbursement, employees must submit the required forms in accordance with School Board policy.

Tuition Reimbursement. Employees are eligible for up to one thousand dollars (\$1,000) in tuition reimbursement per school year for post-graduate coursework that is germane to their assignment and benefits the District. All employees must submit appropriate documentation to the District showing that the employee earned a grade of B or higher, or a passing grade in a pass/fall system, in order to be eligible for tuition reimbursement.

Flexible Benefit Plan. The District has established a Flexible Benefit Plan under IRS Code 125. Regulations and procedures are available in the Human Resources Office. A School Board policy and accompanying regulations have been developed and will be updated annually to comply with IRS Regulations.

Matching Contribution Eligibility. Employees may participate in a tax- sheltered annuity pursuant to United States Public Law No. 87-370, Minnesota Statutes section 123B.02, subdivision 15, and School District policy. To the extent permitted by federal and state law, including Minnesota Statutes section 356.24, the District will match up to \$1,700 per year to an approved Minnesota deferred compensation program for an employee who is in his/her first year of employment with the District. After the employee has completed one year of service, the District will match up to \$2,000 per year to an approved Minnesota deferred compensation program. Part-time employees will receive a pro-rated contribution to a Minnesota deferred compensation program based on their F.T.E. equivalency as of July 1.

- a. **Employees on Leave.** An employee on an unpaid leave of absence is not eligible to participate in the plan.

Any description of insurance benefits in this policy is intended to be general and informational only and is subject to change in the discretion of the School Board. The eligibility of any particular employee and the employee's dependent(s) is governed by the terms of the actual insurance policy, plan, or program. The District's only obligation is to make the premium contributions that are identified in this policy, as it currently is written or as amended at any time in the future, for full-time employees who otherwise qualify for and enroll in the particular insurance plan or program.

Sick Leave. Each full-time employee will earn sick leave at the rate of ~~seventeen~~ **twelve (12)** days per school year and may accumulate a maximum of 300 days of sick leave. Part-time employees will earn sick leave on a prorated basis. An employee's use of sick leave is subject to the following conditions:

- a. The Superintendent may allow an employee to use up to five days of annual sick leave in advance of the monthly accrual, but the advance of sick leave will be deducted from subsequent accrual in that year. Any absences due to illness that are in excess of the employee's accumulated sick leave and annual accrual will be without pay.
- b. An employee may use accumulated sick leave whenever he/she is absent due to illness or a serious health condition that prevents his/her attendance or the performance of his/her job duties; to care for a sick or injured child who is eighteen years of age or younger; and for any other reason expressly permitted by state or federal law. An employee may use up to five (5) days of accumulated sick leave to care for a spouse who is suffering from an illness or serious health condition. In addition, an employee may use up to one (1) day of accumulated sick leave per school year to attend the funeral of an individual who is not in the employee's immediate family. Sick leave may not be used to conduct personal business.
- c. If the employee reports being absent due to illness or serious health condition, the District may require the employee to provide a certification from a qualified physician stating that the absence was due to an illness or a serious health condition. The District will make the final determination as to whether the employee is entitled to receive sick leave for a given absence.
- d. Upon separating from employment with the District for any reason, an employee will have no right to receive any compensation for any unused days of accumulated sick leave.

Bereavement Leave. An employee may take up to five (5) days of paid bereavement leave per year for any death(s) that occurs in the employee's immediate family. For purposes of this Agreement,

“immediate family” includes a spouse, children, parents, siblings, grandparents, grandchildren, and in-laws (mother-in-law, father-in-law, son-in-law, brother-in-law, and sister-in-law). The Superintendent may, in his/her sole discretion, grant up to ten (10) additional days of bereavement leave per school year for reasons such as multiple deaths in the immediate family and out-of-state funerals.

Personal Leave. An employee may take up to two (2) days of paid personal leave each school year. The employee must obtain permission from his/her supervising administrator to take personal leave on a given day. The Superintendent or the supervising administrator may deny any request for personal leave at a given time based upon the Superintendent’s or administrator’s assessment of the needs of the District. Days of personal leave do not accumulate and will be forfeited if they are not used. Upon separating from employment with the District for any reason, an employee will have no right to receive any compensation for any unused days of personal leave.

Jury Duty. An employee who is called for jury duty will be reimbursed for the difference between the amount paid for serving on the jury and the employee’s regular salary during the period of service. To the extent possible, employees will be expected to report or otherwise perform their regular duties when temporarily excused from attending court.

Other Types of Leave. To the extent required by law, the District will grant other types of leave. In addition, the School Board may, in its discretion, grant additional types of leave that are not required by law.

Sick Leave Credit. If an employee is enrolled in the district’s group insurance plan and has at least three (3) sick days available from the previous fiscal year, at the beginning of each fiscal year, three (3) sick days will be converted to the equivalent of three (3) days of the employee’s daily rate of pay and contributed into the employee’s HRA account.

Expense Reimbursement. The District will reimburse employees for mileage and reasonable expenses of job related activities. For Tier 1 and Tier IIa employees, the District shall provide a monthly allowance of Two Hundred Dollars and No Cents (\$200.00) for business use of the employee’s private automobile, pursuant to M.S. §471.665, Subd. 1. Employees may be given time to participate in professional conferences and seminars, and will be reimbursed for reasonable expenses associated with attending such conferences and seminars, provided that the conference or seminar was approved in advance by the supervising administrator or the Superintendent. To obtain reimbursement, employees must submit the required forms in accordance with School Board policy.

Tuition Reimbursement. Tier II, Tier III or Tier IV employees are eligible for up to one thousand dollars (\$1,000) in tuition reimbursement per school year for post-graduate coursework that is germane to their assignment and benefits the District. All coursework must be preapproved by the Executive Director of Human Resources. Coursework taken by a Tier I employee, hired prior to December 30, 2012, must be preapproved by the Superintendent to receive full tuition reimbursement. All employees must submit appropriate documentation to the District showing that the employee earned a grade of B or higher, or a passing grade in a pass/fail system, in order to be eligible for tuition reimbursement.

Flexible Benefit Plan. The District has established a Flexible Benefit Plan under IRS Code 125. Regulations and procedures are available in the Human Resources Office. A School Board policy and accompanying regulations have been developed and will be updated annually to comply with IRS Regulations.

Matching Contribution Eligibility. Employees may participate in a tax- sheltered annuity (TSA) pursuant to United States Public Law No. 87-370, Minnesota Statutes section 123B.02, subdivision 15, and School District policy. To the extent permitted by federal and state law, including Minnesota Statutes section 356.24, the District will match up to \$1,700 per year to an approved Minnesota deferred compensation program for an employee who is in his/her first year of employment with the District. After the employee has completed one year of service, the District will match up to \$2,500 per year to an approved Minnesota deferred compensation program. The District will match up to \$3,000 per year for Tier I employees. Part-time employees will receive a pro-rated contribution to a Minnesota deferred compensation program based on their F.T.E. equivalency as of July 1.

- a. **Employees on Leave.** An employee on an unpaid leave of absence is not eligible to participate in the plan.
- b. **Plan Year Begins July 1.** The annual year for the School District contributions is July 1 through June 30. Changes in District matching amounts must occur on July 1 of each year.
- c. **Employee Application.** Employees must apply to participate in the eligible TSA plan by July 1 for upcoming school year. Once an eligible employee elects to participate in the TSA investment program, the election will remain in effect for that school year and for each subsequent year unless modified by the employee.
- d. **Compliance with Federal and State Laws.** The plan is subject to applicable code provisions of the Minnesota Statutes, IRS Code Section 403(b).
- e. **Enrollment Limited to Participating Companies.** Tax sheltered annuity purchases will be limited to companies approved by the District.
- f. **Maximum District Contribution.** The amount the District contributes to an employee's matching TSA plan may not exceed forty thousand dollars (\$40,000) during the employee's entire period of employment with the District.

Post-Retirement Health Insurance Benefits for Tier I Employees. If a Tier I employee was hired before January 1, 2010 and retires in good standing with at least fifteen (15) years of full-time employment with the District as a Tier I employee, the District will contribute up to sixteen thousand dollars (\$16,000) per year toward the cost of the employee's post-retirement health insurance for a period of seven (7) years after the employee retires, or until the employee becomes eligible for Medicare, whichever occurs first.

Independent School District No. 191 is an Equal Opportunity Employer and does not discriminate on the basis of race, color, creed, religion, national origin, sex, marital status,

disability, status with regard to public assistance, sexual orientation, or age.

Executive Summary of the 2016-19 Student Device Implementation Plan

January 2016

*It's not a 1:1 Project. It's a 24/7 **equitable** access to digital resources and **personalized** learning project*

Utilize technology for instruction to provide rigorous, personalized learning, and maximize operational systems. ISD191 Vision 2020

Vision

This plan has been collaboratively developed to support the vision and mission of the district's [Strategic Roadmap](#), the work of the Teaching and Learning Department, [the goals of the Department of Equity and Integrated Services](#), and [the objective of the Technology Department's 3-year plan](#).

This three year plan will provide personal devices to all students in grades 6-12. Students will use these devices both in and out of school. We anticipate primary uses will be to access our learning management system (Schoology), to use productivity tools (Google Apps), and to access digital educational materials and information. See diagram at right.

Goals

1. Provide equitable access to the resources and opportunities that technology provides to all students.
2. Allow skills and content to be taught in more engaging, interactive ways including games and simulations, involving students who otherwise tune out of traditional instructional methods.
3. Provide access to information on a variety of reading levels and in a variety of formats through Schoology, our learning management system, e-textbooks, e-books, instructional videos, and other online resources. By having access to these resources the teacher's ability to differentiate instruction increases dramatically.

4. Provide opportunities for teachers to provide a variety of instructional delivery and assessment strategies.
5. Improve the ability for students to produce, create, and share original work in multiple formats.
6. Facilitate communication, collaboration, creation, and sharing of student produced work.
7. Give students the ability to learn outside school hours and in non-school locations.

Assumptions

1. Culturally Proficient Strategies are utilized in the development and delivery.
2. Schoology is used as a platform for transformational instruction.
3. Professional Learning is connected to the Danielson Framework.
4. The SAMR model is used as a guide to help teachers increase their utilization of technology for instruction.
5. Personalized learning includes student choice, student engagement, flexible learning environments, and personal learning paths

Professional Development, Program Assessment, Rationale for Choice of Device

Professional development will be ongoing and focused on increasing rigor and utilizing instructional strategies that engage all students.

[A timeline](#) has been developed that includes large group and individual instruction both in face-to-face environments as well as online and specific learner outcomes. That timeline is further broken down to specifics for [HS](#), MS, and elementary.

In assessing the project we will be using:

- Usage data on Schoology, GoogleDocs, Chrome Management System, math and reading programs, etc.
- Student, staff, parent surveys
- Quantitative assessment of subject areas using Schoology

Device selection process

During fall 2015, a group of 6th-12th grade teachers were asked to investigate, evaluate, and recommend preferred devices for a 1:1 implementation 6th - 12th grade that will best meet our vision and mission. The 1:1 Device Recommendation Advisory Group recommends touch-screen Chromebooks as the device of choice for 6th-12th grades.

[Link to the 1:1 Device Recommendation Group overview, notes, and recommendation](#)

Budget

[Here is the link](#) to the working draft of the 3-year budget for this project. In summary, HS students will get devices 2016-17, MS students will get devices 2017-18, elementary classrooms will get devices 2018-2019. Devices will be re-allocated among.

416 DRUG AND ALCOHOL TESTING

I. PURPOSE

- A. The school board recognizes the significant problems created by drug and alcohol use in society in general, and the public schools in particular. The school board further recognizes the important contribution that the public schools have in shaping the youth of today into the adults of tomorrow.
- B. The school board believes that a work environment free of drug and alcohol use will be not only safer, healthier, and more productive but also more conducive to effective learning. Therefore, to provide such an environment, the purpose of this policy is to provide authority so that the school board may require all employees and/or job applicants to submit to drug and alcohol testing in accordance with the provisions of this policy and as provided in federal law and Minn. Stat. §§ 181.950-181.957.

II. GENERAL STATEMENT OF POLICY

- A. All school district employees and job applicants whose positions require a commercial driver's license will be required to undergo drug and alcohol testing in accordance with federal law and the applicable provisions of this policy. The school district also may request or require that drivers submit to drug and alcohol testing in accordance with the provisions of this policy and as provided in Minn. Stat. §§ 181.950-181.957.
- B. If the school district contracts for transportation services, it will require the transportation contractor to comply with the provisions of this policy applicable to school bus drivers.
- C. The school district may request or require that any school district employee or job applicant, other than an employee or applicant whose position requires a commercial driver's license, submit to drug and alcohol testing in accordance with the provisions of this policy and as provided in Minn. Stat. §§ 181.950-181.957.
- D. The use, possession, sale, purchase, transfer, or dispensing of any drugs not medically prescribed is prohibited on school district property (which includes school district vehicles), while operating school district vehicles or equipment, and at any school-sponsored program or event. Use of drugs which are not medically prescribed is also prohibited throughout the school or work day,

including lunch or other breaks, whether or not the employee is on or off school district property. Employees under the influence of drugs which are not medically prescribed are prohibited from entering or remaining on school district property.

- E. The use, possession, sale, purchase, transfer, or dispensing of alcohol is prohibited on school district property (which includes school district vehicles), while operating school district vehicles or equipment, and at any school-sponsored program or event. Use of alcohol is also prohibited throughout the school or work day, including lunch or other breaks, whether or not the employee is on or off school district property. Employees under the influence of alcohol are prohibited from entering or remaining on school district property.
- F. Any employee who violates this section shall be subject to discipline which includes, but is not limited to, immediate suspension without pay and immediate discharge.

III. FEDERALLY MANDATED DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

A. General Statement of Policy

All persons subject to commercial driver's license requirements shall be tested for alcohol, marijuana, cocaine, amphetamines, opiates (including heroin), and phencyclidine (PCP), pursuant to federal law. Drivers who test positive for alcohol or drugs shall be subject to disciplinary action, which may include termination of employment.

B. Definitions

1. "Actual Knowledge" means actual knowledge by the school district that a driver has used alcohol or controlled substances based on: (a) direct observation of the employee's use (not observation of behavior sufficient to warrant reasonable suspicion testing); (b) information provided by a previous employer; (c) a traffic citation; or (d) an employee's admission, except when made in connection with a qualified employee self-admission program.
2. "Alcohol Screening Device" (ASD) means a breath or saliva device, other than an Evidential Breath Testing Device (EBT), that is approved by the National Highway Traffic Safety Administration and placed on its Conforming Products List for such devices.
3. "Breath Alcohol Technician" (BAT) means an individual who instructs and assists individuals in the alcohol testing process and who operates the EBT.
4. "Commercial Motor Vehicle" (CMV) includes a vehicle which is designed

to transport 16 or more passengers, including the driver.

5. “Designated Employer Representative” (DER) means a designated school district representative authorized to take immediate action to remove employees from safety-sensitive duties, to make required decisions in the testing and evaluation process, and to receive test results and other communications for the school district.
6. “Department of Transportation” (DOT) means United States Department of Transportation.
7. “Driver” is any person who operates a CMV, including full-time, regularly employed drivers, casual, intermittent or occasional drivers, leased drivers, and independent owner-operator contractors.
8. “Evidential Breath Testing Device” (EBT) means a device approved by the National Highway Traffic Safety Administration for the evidentiary testing of breath for alcohol concentration and placed on its Conforming Products List for such devices.
9. “Medical Review Officer” (MRO) means a licensed physician responsible for receiving and reviewing laboratory results generated by the school district’s drug testing program and for evaluating medical explanations for certain drug tests.
10. “Refusal to Submit” (to an alcohol or controlled substances test) means that a driver: (a) fails to appear for any test within a reasonable time, as determined by the school district, consistent with applicable DOT regulations, after being directed to do so; (b) fails to remain at the testing site until the testing process is complete; (c) fails to provide a urine specimen or an adequate amount of saliva or breath for any DOT drug or alcohol test; (d) fails to permit the observation or monitoring of the driver’s provision of a specimen in the case of a directly observed or monitored collection in a drug test; (e) fails to provide a sufficient breath specimen or sufficient amount of urine when directed and a determination has been made that no adequate medical explanation for the failure exists; (f) fails or declines to take an additional test as directed; (g) fails to undergo a medical examination or evaluation, as directed by the MRO or the DER; (h) fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process, fails to wash hands after being directed to do so by the collector, fails to sign the certification on the forms); (i) fails to follow the observer’s instructions, in an observed collection, to raise the driver’s clothing above the waist, lower clothing and underpants, and to turn around to permit the observer to determine if the driver has any type of prosthetic or other device that could be used to interfere with the collection process; (j) possesses or wears a prosthetic or other device that could be used to interfere with the

collection process; (k) admits to the collector or MRO that the driver adulterated or substituted the specimen; or (l) is reported by the MRO as having a verified adulterated or substituted test result. An applicant who fails to appear for a pre-employment test, who leaves the testing site before the pre-employment testing process commences, or who does not provide a urine specimen because he or she has left before it commences is not deemed to have refused to submit to testing.

11. “Safety-sensitive functions” are on-duty functions from the time the driver begins work or is required to be in readiness to work until relieved from work, and include such functions as driving, loading and unloading vehicles, or supervising or assisting in the loading or unloading of vehicles, servicing, repairing, obtaining assistance to repair, or remaining in attendance during the repair of a disabled vehicle.
12. “Screening Test Technician” (STT) means anyone who instructs and assists individuals in the alcohol testing process and operates an ASD.
13. “Stand Down” means to temporarily remove an employee from performing safety-sensitive functions after a laboratory reports a confirmed positive, an adulterated, or a substituted test result but before the MRO completes the verification process.
14. “Substance Abuse Professional” (SAP) means a qualified person who evaluates employees who have violated a DOT drug and alcohol regulation and makes recommendations concerning education, treatment, follow-up testing, and aftercare.

C. Policy and Educational Materials

1. The school district shall provide a copy of this policy and procedures to each driver prior to the start of its alcohol and drug testing program and to each driver subsequently hired or transferred into a position requiring driving of a CMV.
2. The school district shall provide to each driver information concerning the effects of alcohol and controlled substances use on an individual’s health, work, and personal life; signs and symptoms of an alcohol or drug problem; and available methods of intervening when an alcohol or drug problem is suspected, including confrontation, referral to an employee assistance program, and/or referral to management.
3. The school district shall provide written notice to representatives of employee organizations that the information described above is available.
4. The school district shall require each driver to sign a statement certifying that he or she has received a copy of the policy and materials. This statement should be in the form of Attachment A to this policy. The school

district will maintain the original signed certificate and will provide a copy to the driver if the driver so requests.

D. Alcohol and Controlled Substances Testing Program Manager

1. The program manager will coordinate the implementation, direction, and administration of the alcohol and controlled substances testing policy for bus drivers. The program manager is the principal contact for the collection site, the testing laboratory, the MRO, the BAT, the SAP, and the person submitting to the test. Employee questions concerning this policy shall be directed to the program manager.
2. The school district shall designate a program manager and provide written notice of the designation to each driver along with this policy.

E. Specific Prohibitions for Drivers

1. Alcohol Concentration. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater. 3. On-Duty Use. No driver shall use alcohol while performing safety-sensitive functions.
4. Pre-Duty Use. No driver shall perform safety-sensitive functions within four (4) hours after using alcohol.
5. Use Following an Accident. No driver required to take a post-accident test shall use alcohol for eight (8) hours following the accident, or until he or she undergoes a post-accident alcohol test, whichever occurs first.
6. Refusal to Submit to a Required Test. No driver shall refuse to submit to an alcohol or controlled substances test required by post-accident, random, reasonable suspicion, return-to-duty, or follow-up testing requirements. A verified adulterated or substituted drug test shall be considered a refusal to test.
7. Use of Controlled Substances. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substance, except when the use is pursuant to instructions (which have been presented to the school district) from a licensed physician who has advised the driver that the substance does not adversely affect the driver's ability to safely operate a CMV.

8. Positive, Adulterated, or Substituted Test for Controlled Substance. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive for controlled substances or has adulterated or substituted a test specimen for controlled substances.
9. General Prohibition. Drivers are also subject to the general policies and procedures of the school district which prohibit the possession, transfer, sale, exchange, reporting to work under the influence of drugs or alcohol, and consumption of drugs or alcohol while at work or while on school district premises or operating any school district vehicle, machinery, or equipment.

F. Other Alcohol-Related Conduct

No driver found to have an alcohol concentration of 0.02 or greater but less than 0.04 shall perform safety-sensitive functions for at least twenty-four (24) hours following administration of the test. The school district will not take any action under this policy other than removal from safety-sensitive functions based solely on test results showing an alcohol concentration of less than 0.04 but may take action otherwise consistent with law and policy of the school district.

G. Prescription Drugs

A driver shall inform his or her supervisor if at any time the driver is using a controlled substance pursuant to a physician's prescription. The physician's instructions shall be presented to the school district upon request. Use of a prescription drug shall be allowed if the physician has advised the driver that the prescribed drug will not adversely affect the driver's ability to safely operate a CMV.

H. Testing Requirements

1. Pre-Employment Testing

- a. A driver applicant shall undergo testing for [alcohol and] controlled substances before the first time the driver performs safety-sensitive functions for the school district.
- b. Tests shall be conducted only after the applicant has received a conditional offer of employment.
- c. In order to be hired, the applicant must test negative and must sign an agreement in the form of Attachment B to this policy, authorizing former employers to release to the school district all information on the applicant's alcohol tests with results of blood alcohol concentration of 0.04 or higher, or verified positive results for controlled substances, or refusals to be tested (including

verified adulterated or substituted drug test results), or any other violations of DOT agency drug and alcohol testing regulations, or, if the applicant violated the testing regulations, documentation of the applicant's successful completion of DOT return-to-duty requirements (including follow-up tests), within the preceding two (2) years.

- d. The applicant also must be asked whether he or she has tested positive, or refused to test, on any pre-employment drug or alcohol test administered by an employer to which the employee, during the last two (2) years, applied for, but did not obtain, safety-sensitive transportation work covered by DOT testing rules.

2. Post-Accident Testing

- a. As soon as practicable following an accident involving a CMV, the school district shall test the driver for alcohol and controlled substances if the accident involved the loss of human life or if the driver receives a citation for a moving traffic violation arising from an accident which results in bodily injury or disabling damage to a motor vehicle.
- b. Drivers should be tested for alcohol use within two (2) hours and no later than eight (8) hours after the accident.
- c. Drivers should be tested for controlled substances no later than thirty-two (32) hours after the accident.
- d. A driver subject to post-accident testing must remain available for testing, or shall be considered to have refused to submit to the test.
- e. If a post-accident alcohol test is not administered within two (2) hours following the accident, the school district shall prepare and maintain on file a record stating the reasons the test was not promptly administered and continue to attempt to administer the alcohol test within eight (8) hours.
- f. If a post-accident alcohol test is not administered within eight (8) hours following the accident or a post-accident controlled substances test is not administered within thirty-two (32) hours following the accident, the school district shall cease attempts to administer the test, and prepare and maintain on file a record stating the reasons for not administering the test.

3. Random Testing

- a. The school district shall conduct tests on a random basis at unannounced times throughout the year, as required by the federal

regulations.

- b. The school district shall test for alcohol at a minimum annual percentage rate of 10% of the average number of driver positions, and for controlled substances, at a minimum annual percentage of 50%.
- c. The school district shall adopt a scientifically valid method for selecting drivers for testing, such as random number table or a computer-based random number generator that is matched with identifying numbers of the drivers. Each driver shall have an equal chance of being tested each time selections are made.
- d. Random tests shall be unannounced. Dates for administering random tests shall be spread reasonably throughout the calendar year.
- e. Drivers shall proceed immediately to the collection site upon notification of selection; provided, however, that if the driver is performing a safety-sensitive function, other than driving, at the time of notification, the driver shall cease to perform the function and proceed to the collection site as soon as possible.

4. Reasonable Suspicion Testing

- a. The school district shall require a driver to submit to an alcohol test and/or controlled substances test when a supervisor or school district official, who has been trained in accordance with the regulations, has reasonable suspicion to believe that the driver has used alcohol and/or controlled substances on duty or within four (4) hours before coming on duty. The test shall be done as soon as practicable following the observation of the behavior indicative of the use of controlled substances or alcohol.
- b. The reasonable suspicion determination must be based on specific, contemporaneous, articulable observations concerning the driver's appearance, behavior, speech, or body odors. The required observations for reasonable suspicion of a controlled substances violation may include indications of the chronic and withdrawal effects of controlled substances.
- c. Alcohol testing shall be administered within two (2) hours following a determination of reasonable suspicion. If it is not done within two (2) hours, the school district shall prepare and maintain a record explaining why it was not promptly administered and continue to attempt to administer the alcohol test within eight (8) hours. If an alcohol test is not administered within eight (8) hours following the determination of reasonable suspicion, the school

district shall cease attempts to administer the test and state in the record the reasons for not administering the test.

d. The supervisor or school district official who makes observations leading to a controlled substances reasonable suspicion test shall make and sign a written record of the observations within twenty-four (24) hours of the observed behavior or before the results of the drug test are released, whichever is earlier.

5. Return-To-Duty Testing. A driver found to have violated this policy shall not return to work until an SAP has determined the employee has successfully complied with prescribed education and/or treatment and until undergoing return-to-duty tests indicating an alcohol concentration of less than 0.02 and a confirmed negative result for the use of controlled substances.

6. Follow-Up Testing. When an SAP has determined that a driver is in need of assistance in resolving problems with alcohol and/or controlled substances, the driver shall be subject to unannounced follow-up testing as directed by the SAP for up to sixty (60) months after completing a treatment program.

7. Refusal to Submit and Attendant Consequences

a. A driver or driver applicant may refuse to submit to drug and alcohol testing.

b. Refusal to submit to a required drug or alcohol test subjects the driver or driver applicant to the consequences specified in federal regulations as well as the civil and/or criminal penalty provisions of 49 U.S.C. § 521(b). In addition, a refusal to submit to testing establishes a presumption that the driver or driver applicant would test positive if a test were conducted and makes the driver or driver applicant subject to discipline or disqualification under this policy.

c. A driver applicant who refuses to submit to testing shall be disqualified from further consideration for the conditionally offered position.

d. An employee who refuses to submit to testing shall not be permitted to perform safety-sensitive functions and will be considered insubordinate and subject to disciplinary action, up to and including dismissal. If an employee is offered an opportunity to return to a DOT safety-sensitive duty, the employee will be evaluated by an SAP and must submit to a return-to-duty test prior to being considered for reassignment to safety-sensitive functions.

e. Drivers or driver applicants who refuse to submit to required

testing will be required to sign Attachment C to this policy.

I. Testing Procedures

1. Drug Testing

- a. Drug testing is conducted by analyzing a donor's urine specimen. Split urine samples will be collected in accordance with federal regulations. The donor will provide a urine sample at a designated collection site. The collection site personnel will then pour the sample into two sample bottles, labeled "primary" and "split," seal the specimen bottles, complete the chain of custody form, and prepare the specimen bottles for shipment to the testing laboratory for analysis. The specimen preparation shall be conducted in sight of the donor.
- b. If the donor is unable to provide the appropriate quantity of urine, the collection site person shall instruct the individual to drink up to forty (40) ounces of fluid distributed reasonably through a period of up to three (3) hours to attempt to provide a sample. If the individual is still unable to provide a complete sample, the test shall be discontinued and the school district notified. The DER shall refer the donor for a medical evaluation to determine if the donor's inability to provide a specimen is genuine or constitutes a refusal to test. For pre-employment testing, the school district may elect to not have a referral made, and revoke the employment offer.
- c. Drug test results are reported directly to the MRO by the testing laboratory. The MRO reports the results to the DER. If the results are negative, the school district is informed and no further action is necessary. If the test result is confirmed positive, adulterated, substituted, or invalid, the MRO shall give the donor an opportunity to discuss the test result. The MRO will contact the donor directly, on a confidential basis, to determine whether the donor wishes to discuss the test result. The MRO shall notify each donor that the donor has seventy-two (72) hours from the time of notification in which to request a test of the split specimen at the donor's expense. No split specimen testing is done for an invalid result.
- d. If the donor requests an analysis of the split specimen within seventy-two (72) hours of having been informed of a confirmed positive test, the MRO shall direct, in writing, the laboratory to provide the split specimen to another Department of Health and Human Services – SAMHSA certified laboratory for analysis. If the donor has not contacted the MRO within seventy-two (72) hours, the donor may present the MRO information documenting that serious illness, injury, inability to contact the MRO, lack of

actual notice of the confirmed positive test, or other circumstances unavoidably prevented the donor from timely making contact. If the MRO concludes that a legitimate explanation for the donor's failure to contact him/her within seventy-two (72) hours exists, the MRO shall direct the analysis of the split specimen. The MRO will review the confirmed positive test result to determine whether an acceptable medical reason for the positive result exists. The MRO shall confirm and report a positive test result to the DER and the employee when no legitimate medical reason for a positive test result as received from the testing laboratory exists.

- e. If, after making reasonable efforts and documenting those efforts, the MRO is unable to reach the donor directly, the MRO must contact the DER who will direct the donor to contact the MRO. If the DER is unable to contact the donor, the donor will be suspended from performing safety-sensitive functions.
- f. The MRO may confirm the test as a positive without having communicated directly with the donor about the test results under the following circumstances:
 - (1) The donor expressly declines the opportunity to discuss the test results;
 - (2) The donor has not contacted the MRO within seventy-two (72) hours of being instructed to do so by the DER; or
 - (3) The MRO and the DER, after making and documenting all reasonable efforts, have not been able to contact the donor within ten (10) days of the date the confirmed test result was received from the laboratory.

2. Alcohol Testing

- a. The federal alcohol testing regulations require testing to be administered by a BAT using an EBT or an STT using an ASD. EBTs and ASDs can be used for screening tests but only EBTs can be used for confirmation tests.
- b. Any test result less than 0.02 alcohol concentration is considered a "negative" test.
- c. If the donor is unable to provide sufficient saliva for an ASD, the DER will immediately arrange to use an EBT. If the donor attempts and fails to provide an adequate amount of breath, the school district will direct the donor to obtain a written evaluation from a licensed physician to determine if the donor's inability to provide a breath sample is genuine or constitutes a refusal to test.

- d. If the screening test results show alcohol concentration of 0.02 or higher, a confirmatory test conducted on an EBT will be required to be performed between fifteen (15) and thirty (30) minutes after the completion of the screening test.
- e. Alcohol tests are reported directly to the DER.

J. Driver/Driver Applicant Rights

- 1. All drivers and driver applicants subject to the controlled substances testing provisions of this policy who receive a confirmed positive test result for the use of controlled substances have the right to request, at the driver's or driver applicant's expense, a confirming retest of the split urine sample. If the confirming retest is negative, no adverse action will be taken against the driver, and a driver applicant will be considered for employment.
- 2. The school district will not discharge a driver who, for the first time, receives a confirmed positive drug or alcohol test UNLESS:
 - a. The school district has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the school district after consultation with the SAP; and
 - b. The employee refuses to participate in the recommended program, or fails to successfully complete the program as evidenced by withdrawal before its completion or by a positive test result on a confirmatory test after completion of the program.
 - c. This limitation on employee discharge does not bar discharge of an employee for reasons independent of the first confirmed positive test result.

K. Testing Laboratory

The testing laboratory for controlled substances will be certified by the Department of Health and Human Services – SAMHSA to perform controlled substances testing pursuant to federal regulations.

L. Confidentiality of Test Results

All alcohol and controlled substances test results and required records of the drug and alcohol testing program are considered confidential information under federal law and private data on individuals as that phrase is defined in Minn. Stat. Ch. 13.

Any information concerning the individual's test results and records shall not be released without written permission of the individual, except as provided for by regulation or law.

M. Recordkeeping Requirements and Retention of Records

- 1. The school district shall keep and maintain records in accordance with the federal regulations in a secure location with controlled access.
- 2. The required records shall be retained for the following minimum periods:

Basic records	5 years
---------------	---------

“Basic records” includes records of: (a) alcohol test results with concentration of 0.02 or greater; (b) verified positive drug test results; (c) refusals to submit to required tests (including substituted or adulterated drug test results); (d) SAP reports; (e) all follow-up tests and schedules for follow-up tests; (f) calibration documentation; (g) administration of the testing programs; and (h) each annual calendar year summary.

Information obtained from previous employers	3 years
Collection records	2 years
Negative and cancelled drug tests	1 year
Alcohol tests with less than 0.02 concentration	1 year
Education and training records	indefinite

“Education and training records” must be maintained while the individuals perform the functions which require training and for the two (2) years after ceasing to perform those functions.

N. Training

The school district shall ensure all persons designated to supervise drivers receive training. The designated employees shall receive at least sixty (60) minutes of training on alcohol misuse and at least sixty (60) minutes of training on controlled substances use. The training shall include physical, behavioral, speech, and performance indicators of probable misuse of alcohol and use of controlled substances. The training will be used by the supervisors to make determinations of reasonable suspicion.

O. Consequences of Prohibited Conduct and Enforcement

- 1. Removal. The school district shall remove a driver who has engaged in prohibited conduct from safety-sensitive functions. A driver shall not be permitted to return to safety-sensitive functions until and unless the return-to-duty requirements of federal DOT regulations have been completed.

2. Referral, Evaluation, and Treatment

- a. A driver or driver applicant who has engaged in prohibited conduct shall be provided a listing of SAPs readily available to the driver or applicant and acceptable to the school district.
- b. If the school district offers a driver an opportunity to return to a DOT safety-sensitive duty following a violation, the driver must be evaluated by an SAP and the driver is required to successfully comply with the SAP's evaluation recommendations (education, treatment, follow-up evaluation(s), and/or ongoing services). The school district is not required to provide an SAP evaluation or any subsequent recommended education or treatment.
- c. Drivers are responsible for payment for SAP evaluations and services unless a collective bargaining agreement or employee benefit plan provides otherwise.
- d. Drivers who engage in prohibited conduct also are required to comply with follow-up testing requirements.

3. Disciplinary Action

- a. Any driver who refuses to submit to post-accident, random, reasonable suspicion, or follow-up testing not only shall not perform or continue to perform safety-sensitive functions, but also may be subject to disciplinary action, which may include immediate suspension without pay and/or immediate discharge.
- b. Drivers who test positive with verification of a confirmatory test or are otherwise found to be in violation of this policy or the federal regulations shall be subject to disciplinary action, which may include immediate suspension without pay and/or immediate discharge.
- c. Nothing in this policy limits or restricts the right of the school district to discipline or discharge a driver for conduct which not only constitutes prohibited conduct under this policy but also violates the school district's other rules or policies.

P. Other Testing

The school district may request or require that drivers submit to drug and alcohol testing other than that required by federal law. For example, drivers may be requested or required to undergo drug and alcohol testing on an annual basis as part of a routine physical examination. Such additional testing of drivers will be conducted only in accordance with the provisions of this policy and as provided in Minn. Stat. §§ 181.950-181.957. For purposes of such additional, non-mandatory

testing, drivers fall within the definition of “other employees” covered by Section IV. of this policy.

IV. DRUG AND ALCOHOL TESTING FOR OTHER EMPLOYEES

The school district may request or require drug and alcohol testing for other school district personnel, i.e., employees who are not school bus drivers, or job applicants for such positions. The school district does not have a legal duty to request or require any employee or job applicant to undergo drug and alcohol testing as authorized in this policy, except for school bus drivers and other drivers of CMVs who are subject to federally mandated testing. (See Section III. of this policy.) If a school bus driver is requested or required to submit to drug or alcohol testing beyond that mandated by federal law, the provisions of Section IV. of this policy will be applicable to such testing.

A. Circumstances Under Which Drug or Alcohol Testing May Be Requested or Required:

1. General Limitations

- a. The school district will not request or require an employee or job applicant whose position does not require a commercial driver’s license to undergo drug or alcohol testing, unless the testing is done pursuant to this drug and alcohol testing policy; and is conducted by a testing laboratory which participates in one of the programs listed in Minn. Stat. § 181.953, Subd. 1.
- b. The school district will not request or require an employee or job applicant whose position does not require a commercial driver’s license to undergo drug and alcohol testing on an arbitrary and capricious basis.

2. Job Applicant Testing

The school district may request or require any job applicant whose position does not require a commercial driver’s license to undergo drug and alcohol testing, provided a job offer has been made to the applicant and the same test is requested or required of all job applicants conditionally offered employment for that position. If a job applicant has received a job offer which is contingent on the applicant’s passing drug and alcohol testing, the school district may not withdraw the offer based on a positive test result from an initial screening test that has not been verified by a confirmatory test. In the event the job offer is subsequently withdrawn, the school district shall notify the job applicant of the reason for its action.

3. Random Testing

The school district may request or require employees to undergo drug and

alcohol testing on a random selection basis only if they are employed in safety-sensitive positions.

4. Reasonable Suspicion Testing

The school district may request or require any employee to undergo drug and alcohol testing if the school district has a reasonable suspicion that the employee:

- a. is under the influence of drugs or alcohol;
- b. has violated the school district's written work rules prohibiting the use, possession, sale, or transfer of drugs or alcohol while the employee is working or while the employee is on the school district's premises or operating the school district's vehicles, machinery, or equipment;
- c. has sustained a personal injury, as that term is defined in Minn. Stat. § 176.011, Subd. 16, or has caused another employee to sustain a personal injury; or
- d. has caused a work-related accident or was operating or helping to operate machinery, equipment, or vehicles involved in a work-related accident.

5. Treatment Program Testing

The school district may request or require any employee to undergo drug and alcohol testing if the employee has been referred by the school district for chemical dependency treatment or evaluation or is participating in a chemical dependency treatment program under an employee benefit plan, in which case the employee may be requested or required to undergo drug and alcohol testing without prior notice during the evaluation or treatment period and for a period of up to two (2) years following completion of any prescribed chemical dependency treatment program.

6. Routine Physical Examination Testing

The school district may request or require any employee to undergo drug and alcohol testing as part of a routine physical examination provided the drug or alcohol test is requested or required no more than once annually and the employee has been given at least two weeks' written notice that a drug or alcohol test may be requested or required as part of the physical examination.

B. No Legal Duty to Test

The school district does not have a legal duty to request or require any employee

or job applicant whose position does not require a commercial driver's license to undergo drug and alcohol testing.

C. Definitions

1. "Drug" means a controlled substance as defined in Minnesota Statutes.
2. "Drug and alcohol testing," "drug or alcohol testing," and "drug or alcohol test" mean analysis of a body component sample according to the standards established under one of the programs listed in Minn. Stat. § 181.953, Subd. 1, for the purpose of measuring the presence or absence of drugs, alcohol, or their metabolites in the sample tested.
3. "Other Employees" means any persons, independent contractors, or persons working for an independent contractor who perform services for the school district for compensation, either full time or part time, in whatever form, except for persons whose positions require a commercial driver's license, and includes both professional and nonprofessional personnel. Persons whose positions require a commercial driver's license are primarily governed by the provisions of the school district's drug and alcohol testing policy relating to school bus drivers (Section III.). To the extent that the drug and alcohol testing of persons whose positions require a commercial driver's license is not mandated by federal law and regulations, such testing shall be governed by Section IV. of this policy and the drivers shall fall within this definition of "other employees."
4. "Job applicant" means a person, independent contractor, or person working for an independent contractor who applies to become an employee of the school district in a position that does not require a commercial driver's license, and includes a person who has received a job offer made contingent on the person's passing drug or alcohol testing. Job applicants for positions requiring a commercial driver's license are governed by the provisions of the school district's drug and alcohol testing policy relating to school bus drivers (Section III.).
5. "Positive test result" means a finding of the presence of drugs, alcohol, or their metabolites in the sample tested in levels at or above the threshold detection levels contained in the standards of one of the programs listed in Minn. Stat. § 181.953, Subd. 1.
6. "Random selection basis" means a mechanism for selection of employees that:
 - a. results in an equal probability that any employee from a group of employees subject to the selection mechanism will be selected; and
 - b. does not give the school district discretion to waive the selection of any employee selected under the mechanism.

7. “Reasonable suspicion” means a basis for forming a belief based on specific facts and rational inferences drawn from those facts.
8. “Safety-sensitive position” means a job, including any supervisory or management position, in which an impairment caused by drug or alcohol usage would threaten the health or safety of any person.

D. Right of Other Employee or Job Applicant to Refuse Drug and Alcohol Testing and Consequences of Such Refusal

1. Right of Other Employee or Job Applicant to Refuse Drug and Alcohol Testing

Any employee or job applicant whose position does not require a commercial driver’s license has the right to refuse drug and alcohol testing subject to the provisions contained in Paragraphs 2. and 3. of this Section D.

2. Consequences of an Employee’s Refusal to Undergo Drug and Alcohol Testing

Any employee in a position that does not require a commercial driver’s license who refuses to undergo drug and alcohol testing in the circumstances set out in the Random Testing, Reasonable Suspicion Testing, and Treatment Program Testing provisions of this policy may be subject to disciplinary action, up to and including immediate discharge.

3. Consequences of a Job Applicant’s Refusal to Undergo Drug and Alcohol Testing

Any job applicant for a position which does not require a commercial driver’s license who refuses to undergo drug and alcohol testing pursuant to the Job Applicant Testing provision of this policy shall not be employed.

E. Reliability and Fairness Safeguards

1. Pretest Notice

Before requesting an employee or job applicant whose position does not require a commercial driver’s license to undergo drug or alcohol testing, the school district shall provide the employee or job applicant with a Pretest Notice in the form of Attachment D to this policy on which to acknowledge that the employee or job applicant has received the school district’s drug and alcohol testing policy.

2. Notice of Test Results

Within three (3) working days after receipt of a test result report from the testing laboratory, the school district shall inform in writing an employee or job applicant who has undergone drug or alcohol testing of a negative test result on an initial screening test or of a negative or positive test result on a confirmatory test.

3. Notice of and Right to Test Result Report

Within three (3) working days after receipt of a test result report from the testing laboratory, the school district shall inform in writing, an employee or job applicant who has undergone drug or alcohol testing of the employee or job applicant's right to request and receive from the school district a copy of the test result report on any drug or alcohol test.

4. Notice of and Right to Explain Positive Test Result

a. If an employee or job applicant has a positive test result on a confirmatory test, the school district shall provide him or her with notice of the test results and, at the same time, written notice of the right to explain the results and to submit additional information.

b. The school district may request that the employee or job applicant indicate any over-the-counter or prescription medication that the individual is currently taking or has recently taken and any other information relevant to the reliability of, or explanation for, a positive test result.

c. Within three (3) working days after notice of a positive test result on a confirmatory test, an employee or job applicant may submit information (in addition to any information already submitted) to the school district to explain that result.

5. Notice of and Right to Request Confirmatory Retests

a. If an employee or job applicant has a positive test result on a confirmatory test, the school district shall provide him or her with notice of the test results and, at the same time, written notice of the right to request a confirmatory retest of the original sample at his or her expense.

b. An employee or job applicant may request a confirmatory retest of the original sample at his or her own expense after notice of a positive test result on a confirmatory test. Within five (5) working days after notice of the confirmatory test result, the employee or job applicant shall notify the school district in writing of his or her intention to obtain a confirmatory retest. Within three (3) working days after receipt of the notice, the school district shall notify the

original testing laboratory that the employee or job applicant has requested the laboratory to conduct the confirmatory retest or to transfer the sample to another laboratory licensed under Minn. Stat. § 181.953, Subd. 1 to conduct the confirmatory retest. The original testing laboratory shall ensure that appropriate chain-of-custody procedures are followed during transfer of the sample to the other laboratory. The confirmatory retest must use the same drug or alcohol threshold detection levels as used in the original confirmatory test. If the confirmatory retest does not confirm the original positive test result, no adverse personnel action based on the original confirmatory test may be taken against the employee or job applicant.

6. If an employee or job applicant has a positive test result on a confirmatory test, the school district, at the time of providing notice of the test results, shall also provide written notice to inform him or her of other rights provided under Sections F. or G., below, whichever is applicable.

Attachments E and F to this policy provide the Notices described in Paragraphs 2. through 6. of this Section E.

F. Discharge and Discipline of Employees Whose Positions Do Not Require a Commercial Driver's License

1. The school district may not discharge, discipline, discriminate against, request, or require rehabilitation of an employee on the basis of a positive test result from an initial screening test that has not been verified by a confirmatory test.
2. In the case of a positive test result on a confirmatory test, the employee shall be subject to discipline which includes, but is not limited to, immediate suspension without pay and immediate discharge, pursuant to the provisions of this policy.
3. The school district may not discharge an employee for whom a positive test result on a confirmatory test was the first such result for the employee on a drug or alcohol test requested by the school district, unless the following conditions have been met:
 - a. The school district has first given the employee an opportunity to participate in, at the employee's own expense or pursuant to coverage under an employee benefit plan, either a drug or alcohol counseling or rehabilitation program, whichever is more appropriate, as determined by the school district after consultation with a certified chemical abuse counselor or a physician trained in the diagnosis and treatment of chemical dependency; and
 - b. The employee has either refused to participate in the counseling or

rehabilitation program or has failed to successfully complete the program, as evidenced by withdrawal from the program before its completion or by a positive test result on a confirmatory test after completion of the program.

4. Notwithstanding Paragraph 1., the school district may temporarily suspend the tested employee or transfer that employee to another position at the same rate of pay pending the outcome of the confirmatory test and, if requested, the confirmatory retest, provided the school district believes that it is reasonably necessary to protect the health or safety of the employee, co-employees or the public. An employee who has been suspended without pay must be reinstated with back pay if the outcome of the confirmatory test or requested confirmatory retest is negative.
5. The school district may not discharge, discipline, discriminate against, request, or require rehabilitation of an employee on the basis of medical history information revealed to the school district, unless the employee was under an affirmative duty to provide the information before, upon or after hire.
6. An employee must be given access to information in his or her personnel file relating to positive test result reports and other information acquired in the drug and alcohol testing process and conclusions drawn from and actions taken based on the reports or other acquired information.

G. Withdrawal of Job Offer for an Applicant for a Position That Does Not Require a Commercial Driver's License

If a job applicant has received a job offer made contingent on the applicant's passing drug and alcohol testing, the school district may not withdraw the offer based on a positive test result from an initial screening test that has not been verified by a confirmatory test. In the case of a positive test result on a confirmatory test, the school district may withdraw the job offer.

H. Chain-of-Custody Procedures

The school district has established its own reliable chain-of-custody procedures to ensure proper record keeping, handling, labeling, and identification of the samples to be tested. The procedures require the following:

1. Possession of a sample must be traceable to the employee from whom the sample is collected, from the time the sample is collected through the time the sample is delivered to the laboratory;
2. The sample must always be in the possession of, must always be in view of, or must be placed in a secure area by a person authorized to handle the sample;

3. A sample must be accompanied by a written chain-of-custody record; and
4. Individuals relinquishing or accepting possession of the sample must record the time the possession of the sample was transferred and must sign and date the chain-of-custody record at the time of transfer.

I. Privacy, Confidentiality and Privilege Safeguards

1. Privacy Limitations

A laboratory may only disclose to the school district test result data regarding the presence or absence of drugs, alcohol or their metabolites in a sample tested.

2. Confidentiality Limitations

With respect to employees and job applicants, test result reports and other information acquired in the drug or alcohol testing process are private data on individuals as that phrase is defined in Minn. Stat. All present and future leadership positions will be forfeited, e.g., captains, co-captains, presidents, club officers, etc.

Third and subsequent violations:

The student shall lose eligibility for the next 12 consecutive interscholastic contests/performances in which the student is a participant, commencing on the first practice/performance/competition following notification of student by administration.

If, after the third or subsequent violations, the student on her/his own volition becomes a participant in a chemical dependency program or treatment program, the student may be certified for reinstatement in MSHSL activities after a minimum period of six (6) weeks after entering the program. Such certification must be issued by the director or counselor of a chemical dependency treatment center.

Penalties for violations shall be cumulative, grades 9-12, whether or not the activity is sanctioned by the State High School League. In order for retribution to be considered completed, a student must participate in the activity for the entire season. If a student denies a violation which is later determined to be accurate, the student shall be disqualified from all interscholastic athletics and/or activities for nine (9) additional weeks beyond what would be the student's original suspension time.

Appeals for citations received by local law enforcement authorities are appropriately done through the regular judicial system.

Parents may appeal those issues where extenuating circumstances exist. Complaints relating to this policy are not considered extenuating circumstances.

- B. Students who participate in activities not under the sanction of the Minnesota State High School League (including peer leadership programs) will also be subject to the following consequences:

First violation:

The student will not be allowed to participate for two (2) weeks, commencing on the first practice/performance/competition following notification of student by administration.

No exception is permitted for a student who voluntarily enters a treatment program. Leadership positions will be relinquished for eighteen weeks of the current year and, if necessary, the next school year; e.g., captains, co-captains, presidents, club officers, student council officers and elected student leadership positions.

Second violation:

The student will not be allowed to participate for the next six (6) consecutive weeks, commencing on the first practice/performance/competition following notification of the student by administration. No exception is permitted for a student who voluntarily enters a treatment program. All students who are in violation a second time will be encouraged to get a chemical dependency assessment at a District-approved program. All present and future leadership positions will be forfeited, e.g., captains, co-captains, presidents, club officers, student council, etc.

Third and subsequent violations:

The student shall not be allowed to participate for the next 12 consecutive weeks, commencing on the first practice/performance/competition following notification by administration.

If, after the third or subsequent violations, the student on his/her own volition becomes a participant in a chemical dependency program or treatment program, the student may be reinstated in activities after a minimum period of six (6) weeks after entering the program. Such certification must be issued by the director or a counselor of a chemical dependency treatment center.

Penalties for violations shall be cumulative, grades 9-12, whether or not the activity is sanctioned by the State High School League. If a student denies a violation which is later determined to be accurate, the student shall be disqualified from all interscholastic athletics and/or activities for nine (9) additional weeks beyond what would be the student's original suspension time.

Appeals for citations received by local authorities are appropriately done through the regular appropriate judicial system.

Parents may appeal those issues where extenuating circumstances exist. Complaints relating to this policy are not considered extenuating circumstances.

Chemical Dependency Programs

The District will continue its support for a program of drug education in the curriculum, encourage staff to foster awareness of the dangers in chemical use and abuse, and cooperate with other agencies involved in this endeavor.

The harmful effects of chemicals and alcohol shall be taught in health K-12.

Seventh through twelfth grade students shall attend a small group information meeting with advisors or in homeroom, near the beginning of the school year, devoted to school district policies and regulations about chemicals and alcohol.

The chemical awareness coordinator shall invite all activity and athletic coaches/advisors and student leaders to participate in a program to keep participants chemically free during an activity and/or athletic season.

The chemical awareness coordinator will provide each building's staff with an ongoing inservice so that staff is aware of school rules and regulations pertaining to chemicals and alcohol and the role of each in the identification of chemical use, abuse, and misuse.

A Student Assistance Program shall be established in grades 7-12 by the chemical awareness coordinator to provide alcohol and drug abuse intervention and prevention for students who have a chemically dependent parent, who abuse alcohol or drugs, who have chemical-related behavioral problems, and/or who have attendance problems. The program will have four components:

Supportive, educative group counseling will be provided for students with chemically dependent parents.

Students who are using alcohol or drugs dysfunctionally will receive individual or family counseling to initiate a referral to a treatment program.

Students with decreased academic performance, increased truancy, and/or inappropriate behavior that concerns school personnel may be referred to the chemical awareness coordinator.

The chemical awareness coordinator will meet with concerned parents and community groups to plan strategies for problems related to adolescent alcohol and drug abuse.

Re: Adopt the resolution providing for the sale of General Obligation Alternative Facilities Refunding Bonds, Series 2016A

RECOMMENDATION: that the Board of Education adopt the resolution providing for the sale of General Obligation Alternative Facilities Refunding Bonds, Series 2016A; and covenanting and obligating the district to be bound by and to use the provisions of Minnesota Statutes, section 126C.55 to guarantee the payment of the principal and interest on these bonds.

During the January 14, 2016 Board workshop, the opportunity to refund our existing 2007A, 2008A, and 2009A series bonds with a crossover refunding bond issuance was discussed in detail with our board. The discussion held in the workshop centered around the fact that our district continues to monitor these potential debt refunding options that may very well result in greater savings in the next few years. Timing is critical and it is the reason we work closely with our financial advisors of Ehlers and Associates to determine the ideal timing to best maximize the savings to our taxpayers.

Estimates shown by Ehlers indicated a potential future savings of \$793,194 for 2007A and a potential future savings of \$4,137,893 with crossover refunding of each of these. Discussion was held regarding 2009A which will require further monitoring to be considered for refunding purposes, as the details are not as favorable as 2007A or 2008A at this time. All future savings of these refunding bonds does remain within the Fund 07, debt services fund, and ultimately benefits our taxpayers through reducing debt payments. Discussion was held that we would experience less issuance cost if we combined the crossover refunding of 2007A and 2008A.

Attached is the resolution and school district credit enhancement application for program participation. Additionally, a Pre-Sale report will be added to this recommendation as support for the board to review in advance of the board meeting. This is anticipated no later than January 26, 2016. I recommend the board adopt the resolution providing for the sale of General Obligation Alternative Facilities Refunding Bonds, Series 2016A.

PARTICIPATION**

GENERAL INFORMATION AND INSTRUCTIONS: To ensure participation in the Credit Enhancement Program (CEP), a school district or intermediate school district must covenant and obligate itself to be bound by Minnesota Statutes, section 126C.55 prior to the issuance of debt obligations. The statute defines debt obligation as tax or aid anticipation certificates, certificates of participation, or general obligation bonds and provides a procedure for the State to preclude payment default on these debt obligations issued by school districts. The purpose of this application is to (1) inform the Minnesota Department of Education (MDE) that participation in the program is desired; (2) identify and provide information related to the Paying Agent and (3) request a certification providing evidence of State participation in the program. Please return the completed application and the signed copies to the above address. Maintain in the school district files copies of the board resolution, corresponding meeting minutes and all CEP documentation for any future state verification requests (**Unless requested, please DO NOT send CEP documentation to MDE**).

Independent School District No. 191 (Burnsville-

\$37,145,000 General Obligation Alternative Facilities
Refunding Bonds, Series 2016A

Prepared by:

Joel Sutter
Senior Municipal Advisor

And

Jeff Seeley
Senior Municipal Advisor

Executive Summary of Proposed Debt

Proposed Issue:	\$37,145,000 General Obligation Alternative Facilities Refunding Bonds, Series 2016A
Purposes:	<p>The proposed issue will finance an advance crossover refunding of the 2018 through 2027 maturities of the \$14,925,000 General Obligation Alternative Facilities Bonds, Series 2007A and the 2019 through 2033 maturities of the \$30,580,000 General Obligation Alternative Facilities Bonds, Series 2008A.</p> <p>The existing 2007A bonds have interest rates of 4.00% to 4.25% (see page 10) and the 2008A bonds have interest rates of 4.25% to 5.00% (see page 13). Based on current market conditions, we estimate that the new refunding bonds would have interest rates of 3.00% to 5.00% (see page 7). In addition, we expect that the underwriter of the bonds will pay a premium (a price in excess of the par amount of the bonds), as shown on page 6. Any premium will be used to reduce the par amount of the new issue. The lower interest rates, along with the premium paid by the underwriter, would reduce future debt service payments by an estimated \$5.01 million over fiscal years 2018 through 2033, resulting in the reductions in debt service levies for taxes payable in 2017 through 2032. The Net Present Value Benefit of the refunding is estimated to be approximately \$4.01 million, equal to 9.4% of the refunded debt service (see page 8). Actual results will be determined based on market conditions on the day of sale.</p> <p>This refunding is considered an advance refunding as the new Bonds will be issued more than 90 days prior to the call date of the obligations being refunded. Debt service will be paid from the District’s annual debt service property tax levy.</p>
Authority:	<p>The Bonds are being issued pursuant to Minnesota Statutes, Chapter 475.</p> <p>The Bonds will be general obligations of the District for which its full faith, credit and taxing powers are pledged.</p>
Term/Call Feature:	<p>The Bonds are being issued for a 17 year term. Principal on the Bonds will be due on February 1 in the years 2018 through 2033. Interest is payable every six months beginning August 1, 2016.</p> <p>The Bonds maturing on and after February 1, 2026 will be subject to prepayment at the discretion of the District on February 1, 2025 or any date thereafter.</p>
Bank Qualification:	<p>Because the District is issuing more than \$10,000,000 in tax-exempt obligations during the calendar year, the District will be not able to designate the Bonds as “bank qualified” obligations.</p>

<p>State Credit Enhancement:</p>	<p>By resolution the District will covenant and obligate itself to be bound by the provisions of Minnesota Statutes, Section 126C.55, which provides for payment by the State of Minnesota in the event of a potential default of a school district obligation.</p> <p>To qualify for the credit enhancement, the District must submit an application to the State. Ehlers will coordinate the application process to the State on your behalf.</p>
<p>Rating:</p>	<p>Under current bond ratings, the state credit enhancement would bring a Moody's "Aa2" rating.</p> <p>The District's most recent bond issue was rated by Moody's Investors Service. The current rating on that issue is "Aa2" (through the State Credit Enhancement Program) and "Aa2" (underlying rating). The District will request a new rating for the Bonds from Moody's.</p> <p>If the winning bidder on the Bonds elects to purchase bond insurance, the rating for the issue may be higher than the District's bond rating in the event that the bond rating of the insurer is higher than that of the District.</p>
<p>Basis for Recommendation:</p>	<p>Based on our knowledge of your situation and characteristics of various municipal financing options, we are recommending the issuance of General Obligation Alternative Facilities Refunding Bonds as the most effective option to meet the District's objective of reducing future debt service payments. General Obligation Bonds will result in lower interest rates than some other financing options.</p>
<p>Method of Sale/Placement:</p>	<p>In order to obtain the lowest interest cost to the District, we will solicit competitive bids for purchase of the Bonds from banks and underwriting firms.</p> <p>We will include an allowance for discount bidding in the terms for the Bonds. The discount is treated as an interest item and provides the underwriter with all or a portion of their compensation in the transaction.</p>
<p>Premium Pricing Structure:</p>	<p>Under current market conditions, most investors in municipal bonds prefer "premium" pricing structures. A premium is achieved when the coupon for any maturity (the interest rate paid by the issuer) exceeds the yield to the investor, resulting in a price paid that is greater than the face value of the bonds. The sum of the amounts paid in excess of face value is considered "reoffering premium." The underwriter of the bonds will retain a portion of this reoffering premium as their compensation (or "discount"), but will pay the remainder of the premium to the District. Any premium received will be used to reduce the Principal amount of the new Bonds.</p>

Escrow Account:	The proceeds of the Bonds will be invested in direct obligations of the U.S. Treasury, which will be held in an escrow account with U.S. Bank, National Association. The escrow account will be used to pay interest on the new Bonds through the call date of February 1, 2017 for the 2007A bonds and February 1, 2018 for the 2008A bonds, and to redeem the existing bonds on these dates. On the day of sale, an independent CPA will verify that the funds in the escrow account will be sufficient to finance all required payments.
Review of Existing Debt:	<p>We have reviewed all outstanding indebtedness for the District and find that, other than the 2007A and 2008A bonds, there are no other viable refunding opportunities at this time.</p> <p>We will continue to monitor the market and the call dates for the District's outstanding debt and will alert you to any future refunding opportunities.</p>
Continuing Disclosure:	The District will be agreeing to provide certain updated Annual Financial Information and its Audited Financial Statement annually, as well as providing notices of the occurrence of certain "material events," to the Municipal Securities Rulemaking Board (the "MSRB"), as required by rules of the Securities and Exchange Commission (SEC). The District is already obligated to provide such reports for its existing bonds, and has contracted with Ehlers to prepare and file the reports.
Arbitrage Monitoring:	Because the Bonds are tax-exempt securities, the District must ensure compliance with certain Internal Revenue Service (IRS) rules throughout the life of the issue. These rules apply to all gross proceeds of the issue, including initial bond proceeds and investment earnings in construction, escrow, debt service, and any reserve funds. How issuers spend bond proceeds and how they track interest earnings on funds (arbitrage/yield restriction compliance) are common subjects of IRS inquiries. Your specific responsibilities will be detailed in the Tax Certificate prepared by your Bond Attorney and provided at closing. We recommend that you regularly monitor compliance with these rules and/or retain the services of a qualified firm to assist you.
Risk Factors:	The Bonds are being issued for the purpose of financing an advance refunding of the 2007A and 2008A bonds. Only one tax-exempt advance refunding of an original tax-exempt debt obligation is permitted under current IRS rules. This refunding is being undertaken based in part on the assumption that the advance refunding at this time is likely to provide an overall lower debt cost as compared to waiting to refund the issue until its call date.

<p>Other Service Providers:</p>	<p>This debt issuance will require the engagement of other public finance service providers. This section identifies those other service providers, so Ehlers can coordinate their engagement on your behalf. Where you have previously used a particular firm to provide a service, we have assumed that you will continue that relationship, unless otherwise directed by you. For services you have not previously required, we have identified a service provider. Fees charged by these service providers will be paid from proceeds of the obligation, unless you notify us that you wish to pay them from other sources. Our pre-sale bond sizing includes a good faith estimate of these fees, but their final fees may vary slightly. If you have any questions pertaining to the identified service providers or their roles, or if you would like to use a different service provider for any of the listed services please contact us.</p> <p>Bond Attorney: Kennedy & Graven, Chartered</p> <p>Paying Agent: Bond Trust Services Corporation</p> <p>Rating Agency: Moody's</p> <p>CPA Escrow Verification Agent: Barthe & Wahrman</p> <p>Escrow Agent: U.S. Bank National Association</p> <p>Bidding Agent for Escrow Account Securities: Ehlers Investment Partners</p>

As additional facts become known or capital markets conditions change, we may need to modify the structure and/or terms of this financing to achieve results consistent with the District's objectives.

Re: Approve the 2016-2017 Start and End Times for Schools

RECOMMENDATION: that the Board of Education approve the changes as proposed to 2016-2017 Start and End Times for Schools.

During the December 17, 2015 board meeting two options were shared with the board regarding start and end times. At that time, staff had completed a survey and a parent survey was just being opened. Since then the surveys have closed and the data has been reviewed.

During the January 21, 2016 board workshop, the Board reviewed the two options for changes to school start and end times for 2016-2017 which were shared with staff and families during the month of December, 2015. Survey results from staff and families were reviewed. Also reviewed was a third option that was created with the assistance of transportation consultant CESO. This third option incorporates feedback the district received from parents and staff members, while still keeping our anticipated cost for transportation close to neutral and meeting the goals of aligning our secondary schools and separately aligning our elementary schools.

Discussion was held on the final third option which is being brought forward for formal board approval allowing for communication with families for implementation effective for the start of the 2016-2017 school year.

- With this option, only five elementary schools (Gideon Pond, Neill, Rahn, Sioux Trail and William Byrne) would change start times for next year
- Burnsville High School would start almost 30 minutes later than it does now.
- Metcalf & Nicollet would have about the same start time; Eagle Ridge would have an earlier start time to match the other middle schools
- Middle school days will be longer (about 20 minutes) than they are now to accommodate increased learning through the 8-period day
- The elementary school day will be slightly longer (15 minutes) to increase learning & accommodate bus logistics

District 191 School Start & End Times

Recommendation for 2016-17 compared to current times

BHS & BAHS

The high school day would start about 30 minutes later that it does currently. This is in between the two options originally considered, respecting the desire to have a later start for these students but accommodating the needs of after school activities.

Middle Schools

Start times would stay about the same for Metcalf and Nicollet; Eagle Ridge's start time would be about 40 minutes earlier to align with the other middle schools. The Middle School day would be longer by about 20 minutes to provide increased learning time and allow an 8-period day.

Elementary Schools

All elementary schools would start at 9:15 a.m. and end at 3:55 p.m. This would mean only five elementary schools (Gideon Pond, Neill, Rahn, Sioux Trail and William Byrne) would change start times for next year. The elementary school day would be longer by about 15 minutes to provide increased learning time and accommodate bus schedules.
