502 SEARCH OF STUDENT LOCKERS, DESKS, PERSONAL POSSESSIONS, AND STUDENT'S PERSON

I. PURPOSE

The purpose of this policy is to provide for a safe and healthful educational environment by enforcing the school district's policies against contraband.

II. GENERAL STATEMENT OF POLICY

A. Lockers and Personal Possessions Within a Locker

Pursuant to Minnesota statutes, school lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.

B. Desks

School desks are the property of the school district. At no time does the school district relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant.

C. Personal Possessions and Student's Person

The personal possessions of students and/or a student's person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.

- D. Students violate this policy when they use lockers and desks for unauthorized purposes or to store contraband. Students violate this policy when they carry contraband on their persons or in their personal possessions.

III. DEFINITIONS

- A. “Contraband” means any unauthorized item possession of which is prohibited by school district policy and/or law. It includes but is not limited to weapons and “look-alikes,” alcoholic beverages, controlled substances and “look-alikes,” overdue books and other materials belonging to the school district, and stolen property.
- B. “Personal possessions” includes but is not limited to purses, backpacks, bookbags, packages, and clothing.
- C. “Reasonable suspicion” means that a school official has grounds to believe that the search will result in evidence of a violation of school district policy, rules, and/or law. Reasonable suspicion may be based on a school official’s personal observation, a report from a student, parent or staff member, a student’s suspicious behavior, a student’s age and past history or record of conduct both in and out of the school context, or other reliable sources of information.
- D. “Reasonable scope” means that the scope and/or intrusiveness of the search is reasonably related to the objectives of the search. Factors to consider in determining what is reasonable include the seriousness of the suspected infraction, the reliability of the information, the necessity of acting without delay, the existence of exigent circumstances necessitating an immediate search and further investigation (e.g. to prevent violence, serious and immediate risk of harm or destruction of evidence), and the age of the student.

IV. PROCEDURES

- A. School officials may inspect the interiors of lockers and desks for any reason at any time, without notice, without student consent, and without a search warrant.
- B. School officials may inspect the personal possessions of a student and/or a student’s person based on a reasonable suspicion that the search will uncover a violation of law or school rules. A search of personal possessions of a student and/or a student’s person will be reasonable in its scope and intrusiveness.
- C. As soon as practicable after a search of personal possessions within a locker pursuant to this policy, the school officials must provide notice of the search to students whose possessions were searched unless disclosure would impede an ongoing investigation by police or school officials.
- D. Whenever feasible, a search of a person shall be conducted in private by a school official of the same sex. A second school official of the same sex shall be present as an observer during the search of a person whenever feasible.

- E. A strip search is a search involving the removal of coverings or clothing from private areas. Mass strip searches, or body cavity searches, are prohibited. Strip searches will be conducted only by law enforcement in circumstances involving imminent danger.
- F. A school official conducting any other search may determine when it is appropriate to have a second official present as an observer.
- G. A copy of this policy will be printed in the student handbook or disseminated in any other way which school officials deem appropriate. The school district shall provide a copy of this policy to a student when the student is given use of a locker.

V. DIRECTIVES AND GUIDELINES

School administration may establish reasonable directives and guidelines which address specific needs of the school district, such as use of tape in lockers, standards of cleanliness and care, posting of pin-ups and posters which may constitute sexual harassment, etc.

VI. SEIZURE OF CONTRABAND

If a search yields contraband, school officials will seize the item and, where appropriate, turn it over to legal officials for ultimate disposition.

VII. VIOLATIONS

A student found to have violated this policy and/or the directives and guidelines implementing it shall be subject to discipline in accordance with the school district's Student Discipline Policy, which may include suspension, exclusion, or expulsion, and the student may, when appropriate, be referred to legal officials.

Consequences for employees who permit, condone, or tolerate hazing or engage in an act of reprisal or intentional false reporting of hazing may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of hazing may include, but not be limited to, exclusion from school district property and events and/or termination of services and/or contracts.

GD. This policy applies to ~~behavior-hazing~~ that occurs during and after school hours, on or off school premises or property, at school functions or activities, or on school transportation, and during and after school hours.

The term hazing includes, but is not limited to:

1. Any type of physical brutality such as whipping, beating, striking, branding, electronic shocking, or placing a harmful substance on the body.

School district property also may mean a student's walking route to or from school for purposes of attending school or school-related functions, activities, or events. A. Any person who believes he or she has been the target or victim of hazing or any person with knowledge or belief of conduct which may constitute hazing shall report the alleged acts immediately to an appropriate school district official designated by this policy. A person may report hazing anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.

B. The school district encourages the reporting party to use the report form available from the principal or building supervisor of each building or available from the school district office report in writing, but oral reports shall be considered complaints as well.

The building principal, the principal's designee, or the building supervisor (hereinafter the "building report taker") is the person responsible for receiving reports of hazing at the building level. If the complaint involves the building report taker, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.

VI. RETALIATION OR REPRISAL

Burnsville-Eagan-Savage School District Policy 203.1

203.1 SCHOOL BOARD PROCEDURES; RULES OF ORDER

I. PURPOSE

The purpose of this policy is to provide specific rules of order to conduct meetings of the school board.

II. GENERAL STATEMENT OF POLICY

To ensure that school board meetings are conducted in an orderly fashion, the school board will follow rules of order which will allow the school board:

- A. To establish guidelines by which the business of the school board can be conducted in a regular and internally consistent manner;
- B. To organize the meetings so all necessary matters can be brought to the school board and decisions of the school board can be made in an orderly and reasonable manner;
- C. To insure that members of the school board have the necessary information to make decisions on substantive issues and to insure adequate discussion of decisions to be made; and
- D. To insure that meetings and actions of the school board are conducted so as to be informative to the staff and the public, and to produce a clear record of actions taken and decisions made.

III. RULES OF ORDER

- A. School board members need not rise to gain the recognition of the chair.
- B. A motion will be adopted or carried if it receives the affirmative votes of a majority of those actually voting on the matter. Abstentions are considered to be acquiescence to the vote of the majority. Some motions by statute or Robert's Rules of Order require larger numbers of affirmative votes.
- C. All motions that require a second shall receive a second prior to opening the issue for discussion of the school board. If a motion that requires a second does not receive a second, the chair may declare that the motion fails for lack of a second or may provide the second. The names of the members making and seconding a motion shall be recorded in the minutes.

- D. The chair shall decide the order in which school board members will be recognized to address an issue. An attempt should be made to alternate between pro and con positions if appropriate to the discussion. A member shall only speak to an issue after the member is recognized by the chair.
- E. The chair shall rule on all questions relating to motions and points of order brought before the school board.
- F. A ruling by the chair is subject to appeal to the full school board pursuant to Robert's Rules of Order.
- G. The school board shall have authority to recognize any member of the audience regarding a request to be heard at the school board meeting. Members of the public who wish to be heard shall follow school board procedures.
- H. The chair has the authority to declare a recess at any time for the purpose of restoring decorum to the meeting or for any other necessary purpose.
- I. The chair shall repeat a motion or the substance of a motion prior to the vote. The chair shall call for an affirmative and a negative vote on all motions.
- J. The order in which names will be called for roll call votes will be determined by the school board.
- K. The chair has the same right and responsibility as each school board member to vote on all issues.
- L. The chair shall announce the result of each vote. The vote of each member, including abstentions, shall be recorded in the minutes. If the vote is unanimous, it may be reflected as unanimous in the minutes if the minutes also reflect the members present.
- M. A majority of the voting members of the school board constitute a quorum. The absence of a quorum may be raised by the chair or any member. Generally any action taken in the absence of a quorum is null and void. The only legal actions the school board may take in the absence of a quorum are to fix the time at which to adjourn, to adjourn, to recess, or to take measures to obtain a quorum.

203.6 CONSENT AGENDAS

I. PURPOSE

The purpose of this policy is to allow the use of a consent agenda.

II. GENERAL STATEMENT OF POLICY

In order for a more efficient administration of school board meetings, the school board may elect to use a consent agenda for the passage of noncontroversial items or items of a similar nature.

III. CONSENT AGENDAS

- A. The superintendent, in consultation with the school board chair, may place items on the consent agenda. By using a consent agenda, the school board has consented to the consideration of certain items as a group under one motion. Should a consent agenda be used, an appropriate amount of discussion time will be allowed to review any item upon request.
- B. Consent items are those which usually do not require discussion or explanation prior to school board action, are noncontroversial and/or similar in content, or are those items which have already been discussed and/or explained and do not require further discussion or explanation. Such agenda items might include ministerial tasks such as, but not limited to, the approval of the agenda, approval of previous minutes, approval of bills, approval of reports, etc. These items might also include similar groups of decisions such as, but not limited to, approval of staff contracts, approval of maintenance details for the school district buildings and grounds or approval of various schedules.
- C. Items shall be removed from the consent agenda by a timely request by an individual school board member for independent consideration. A request is timely if made prior to the vote on the consent agenda. The request does not require a second or a vote by the school board. An item removed from the consent agenda will then be discussed and acted on separately immediately following the consideration of the consent agenda.
- D. Consent agenda items are approved en masse by one vote of the school board. The consent agenda items shall be separately recorded in the minutes.

204 SCHOOL BOARD MEETING MINUTES

I. PURPOSE

The purpose of this policy is to establish procedures relating to the maintenance of records of the school board and the publication of its official proceedings.

II. GENERAL STATEMENT OF POLICY

It is the policy of the school district to maintain its records so that they will be available for inspection by members of the general public and to provide for the publication of its official proceedings in compliance with law.

III. MAINTENANCE OF MINUTES AND RECORDS

A. The clerk shall keep and maintain permanent records of the school board, including records of the minutes of school board meetings and other required records of the school board. All votes taken at meetings required to be open to the public pursuant to the Minnesota Open Meeting Law shall be recorded in a journal kept for that purpose. Public records maintained by the school district shall be available for inspection by members of the public during the regular business hours of the school district. Minutes of meetings shall be available for inspection at the administrative offices of the school district after they have been prepared. Minutes of a school board meeting shall be approved or modified by the school board at a subsequent meeting, which action shall be reflected in the official proceedings of that subsequent meeting.

B. Recordings of Closed Meetings

1. All closed meetings, except those closed as permitted by the attorney-client privilege, must be electronically recorded at the expense of the school district. Recordings of closed meetings shall be made separately from the recordings of an open meeting, to the extent such meetings are recorded. If a meeting is closed to discuss more than one (1) matter, each matter shall be separately recorded.
2. Recordings of closed meetings shall be preserved by the school district for the following time periods:
 - a. Meetings closed to discuss labor negotiations strategy shall be preserved for two (2) years after the contract is signed.

- b. Meetings closed to discuss security matters shall be preserved for at least four (4) years.
 - c. Meetings closed to discuss the purchase or sale of property shall be preserved for at least eight (8) years after the date of the meeting.
 - d. All other closed meetings shall be preserved by the school district for at least three (3) years after the date of the meeting.
 - e. Following the expiration of the above time periods, recordings of closed meetings shall be maintained as set forth in the school district's Records Retention Schedule.
3. Recordings of closed meetings shall be classified by the school district as protected non-public data that is not accessible by the public or any subject of the data, with the following exceptions:
- a. Recordings of labor negotiations strategy meetings shall be classified as public data and made available to the public after all labor contracts are signed by the school district for the current budget period.
 - b. Recordings of meetings related to the purchase or sale of property shall be classified as public data and made available to the public after all real or personal property discussed at the meeting has been purchased or sold or the school district has abandoned the purchase or sale.
 - c. Recordings of any other closed meetings shall be classified and/or released as required by court order.
4. Recordings of closed meetings shall be maintained separately from recordings of open meetings, to the extent recordings of open meetings are maintained by the school district, with the exception of recordings that have been classified as public data as set forth in Section III.B.3. above. Recordings of closed meetings classified as non-public data also shall be maintained in a secure location, separate from recordings classified as public data.
5. Recordings of closed meetings shall be maintained in a manner to easily identify the data classification of the recording. The recordings shall be identified with at least the following information:
- a. The date of the closed meeting;
 - b. The basis upon which the meeting was closed (i.e.: labor negotiations strategy, purchase or sale of real property, educational data, etc.); and

- c. The classification of the data.
- 6. Recordings of closed meetings related to labor negotiations strategy and the purchase or sale of property shall be maintained and monitored in a manner that reclassifies the recording as public upon the occurrence of an event reclassifying that data as set forth in Section III.B.3. above.

IV. PUBLICATION OF OFFICIAL PROCEEDINGS

- A. The school board shall cause its official proceedings to be published once in the official newspaper of the school district within thirty (30) days of the meeting at which the proceedings occurred; however, if the school board conducts regular meetings not more than once every thirty (30) days, the school board need not publish the minutes until ten (10) days after they have been approved by the school board.
- B. The proceedings to be published shall be sufficiently full to fairly set forth the proceedings. They must include the substance of all official actions taken by the school board at any regular or special meeting, and at minimum must include the subject matter of a motion, the persons making and seconding the motion, a listing of how each member present voted on the motion, the character of resolutions offered including a brief description of their subject matter and whether adopted or defeated. The minutes and permanent records of the school board may include more detail than is required to be published with the official proceedings. If the proceedings have not yet been approved by the school board, the proceedings to be published may reflect that fact.
- C. The proceedings to be published may be a summary of the essential elements of the proceedings, and/or of resolutions and other official actions of the school board. Such a summary shall be written in a clear and coherent manner and shall, to the extent possible, avoid the use of technical or legal terms not generally familiar to the public. When a summary is published, the publication shall clearly indicate that the published material is only a summary and that the full text is available for public inspection at the administrative offices of the school district and that a copy of the proceedings, other than attachments to the minutes, is available without cost at the offices of the school district or by means of standard or electronic mail.

205 OPEN MEETINGS AND CLOSED MEETINGS

I. PURPOSE

- A. The school board embraces the philosophy of openness in the conduct of its business, in the belief that openness produces better programs, more efficiency in administration of programs, and an organization more responsive to public interest and less susceptible to private interest. The school board shall conduct its business under a presumption of openness. At the same time, the school board recognizes and respects the privacy rights of individuals as provided by law. The school board also recognizes that there are certain exceptions to the Minnesota Open Meeting Law as recognized in statute where it has been determined that, in limited circumstances, the public interest is best served by closing a meeting of the school board.
- B. The purpose of this policy is to provide guidelines to assure the rights of the public to be present at school board meetings, while also protecting the individual's rights to privacy under law, and to close meetings when the public interest so requires as recognized by law.

II. GENERAL STATEMENT OF POLICY

- A. Except as otherwise expressly provided by statute, all meetings of the school board, including executive sessions, shall be open to the public.
- B. Meetings shall be closed only when expressly authorized by law.

III. DEFINITION

“Meeting” means a gathering of at least a quorum or more members of the school board, or quorum of a committee or subcommittee of school board members, at which members discuss, decide, or receive information as a group on issues relating to the official business of the school board. The term does not include a chance or social gathering.

IV. PROCEDURES

- A. Meetings
 - 1. Regular Meetings

A schedule of the regular meetings of the school board shall be kept on file at its primary offices. If the school board decides to hold a regular meeting at a time or place different from the time or place stated in its schedule, it shall give the same notice of the meeting as for a special meeting.

2. Special Meetings

- a. For a special meeting, the school board shall post written notice of the date, time, place, and purpose of the meeting on the principal bulletin board of the school district or on the door of the school board's usual meeting room if there is no principal bulletin board. The school board's actions at the special meeting are limited to those topics included in the notice.
- b. The notice shall also be mailed or otherwise delivered to each person who has filed a written request for notice of special meetings.
- c. This notice shall be posted and mailed or delivered at least three days before the date of the meeting. As an alternative to mailing or otherwise delivering notice to persons who have filed a written request, the school board may publish the notice once, at least three days before the meeting, in the official newspaper of the school district or, if none, in a qualified newspaper of general circulation within the area of the school district.
- d. A person filing a request for notice of special meetings may limit the request to particular subjects, in which case the school board is required to send notice to that person only concerning those particular subjects.
- e. The school board will establish an expiration date on requests for notice of special meetings and require refiling once each year. Not more than 60 days before the expiration date of request for notice, the school board shall send notice of the refiling requirement to each person who filed during the preceding year.

3. Emergency Meetings

- a. An emergency meeting is a special meeting called because of circumstances that, in the judgment of the school board, require immediate consideration.
- b. If matters not directly related to the emergency are discussed or acted upon, the minutes of the meeting shall include a specific description of those matters.

- c. The school board shall make good faith efforts to provide notice of the emergency meeting to each news medium that has filed a written request for notice if the request includes the news medium's telephone number.
- d. Notice of the emergency meeting shall be given by telephone or any other method used to notify the members of the school board.
- e. Notice shall be provided to each news medium which has filed a written request for notice as soon as reasonably practicable after notice has been given to the school board members.
- f. Notice shall include the subject of the meeting.
- g. Posted or published notice of an emergency meeting shall not be required.
- h. The notice requirements for an emergency meeting as set forth in this policy shall supersede any other statutory notice requirement for a special meeting that is an emergency meeting.

4. Recessed or Continued Meetings

If a meeting is a recessed or continued session of a previous meeting, and the time and place of the meeting was established during the previous meeting and recorded in the minutes of that meeting, then no further published or mailed notice is necessary.

5. Closed Meetings

The notice requirements of the Minnesota Open Meeting Law apply to closed meetings.

6. Actual Notice

If a person receives actual notice of a meeting of the school board at least 24 hours before the meeting, all notice requirements are satisfied with respect to that person, regardless of the method of receipt of notice.

7. Health Pandemic or Declared Emergency

In the event of a health pandemic or an emergency declared under Minn. Stat. Ch. 12, a meeting may be conducted by telephone or other electronic means in compliance with Minn. Stat. § 13D.021.

B. Votes

The votes of school board members shall be recorded in a journal kept for that purpose, and the journal shall be available to the public during all normal business hours at the administrative offices of the school district.

C. Written Materials

1. In any open meeting, a copy of any printed materials, including electronic communications, relating to the agenda items prepared or distributed by the school board or its employees and distributed to or available to all school board members shall be available in the meeting room for inspection by the public while the school board considers their subject matter.
2. This provision does not apply to materials not classified by law as public, or to materials relating to the agenda items of a closed meeting.

D. Data

1. Meetings may not be closed merely because the data to be discussed are not public data.
2. Data that are not public data may be discussed at an open meeting if the disclosure relates to a matter within the scope of the school board's authority and is reasonably necessary to conduct the business or agenda item before the school board.
3. Data discussed at an open meeting retain the data's original classification; however, a record of the meeting, regardless of form, shall be public.

E. Closed Meetings

1. Labor Negotiations Strategy
 - a. The school board may, by a majority vote in a public meeting, decide to hold a closed meeting to consider strategy for labor negotiations, including negotiation strategies or developments or discussion and review of labor negotiation proposals.
 - b. The time and place of the closed meeting shall be announced at the public meeting. A written roll of school board members and all other persons present at the closed meeting shall be made available to the public after the closed meeting. The proceedings shall be tape recorded, and the tape recording shall be preserved for two years after the contract discussed at the meeting is signed. The recording shall be made available to the public after all labor contracts are signed by the school board for the current budget period.

2. Sessions Closed by Bureau of Mediation Services

All negotiations, mediation sessions, and hearings between the school board and its employees or their respective representatives are public meetings. These meetings may be closed only by the Commissioner of the Bureau of Mediation Services (BMS). The use of recording devices, stenographic records, or other recording methods is prohibited in mediation meetings closed by the BMS.

3. Preliminary Consideration of Charges

The school board shall close one or more meetings for preliminary consideration of allegations or charges against an individual subject to its authority. If the school board members conclude that discipline of any nature may be warranted as a result of those specific charges or allegations, further meetings or hearings relating to those specific charges or allegations held after that conclusion is reached must be open. A meeting must also be open at the request of the individual who is the subject of the meeting. A closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

4. Performance Evaluations

The school board may close a meeting to evaluate the performance of an individual who is subject to its authority. The school board shall identify the individual to be evaluated prior to closing a meeting. At its next open meeting, the school board shall summarize its conclusions regarding the evaluation. A meeting must be open at the request of the individual who is the subject of the meeting. A closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

5. Attorney-Client Meeting

A meeting may be closed if permitted by the attorney-client privilege. Attorney-client privilege applies when litigation is imminent or threatened, or when the school board needs advice above the level of general legal advice, i.e., regarding specific acts and their legal consequences. A meeting may be closed to seek legal advice concerning litigation strategy, but the mere threat that litigation might be a consequence of deciding a matter one way or another does not, by itself, justify closing the meeting. The motion to close the meeting must specifically describe the matter to be discussed at the closed meeting, subject to relevant privacy and confidentiality considerations under state

and federal law. The law does not require that such a meeting be recorded.

6. Dismissal Hearing

- a. A hearing on the dismissal of a licensed teacher shall be public or private at the teacher's discretion. A hearing regarding placement of teachers on unrequested leave of absence shall be public.
- b. A hearing on dismissal of a student pursuant to the Pupil Fair Dismissal Act shall be closed unless the pupil, parent or guardian requests an open hearing.
- c. To the extent a teacher or student dismissal hearing is held before the school board and is closed, the closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

7. Coaches; Opportunity to Respond

- a. If the school board has declined to renew the coaching assignment of a licensed or nonlicensed head varsity coach, it must notify the head coach within 14 days of that decision.
- b. If the head coach requests the reasons for the nonrenewal, the school board must give the head coach the reasons in writing within 10 days of receiving the request.
- c. On the request of the head coach, the school board must provide the head coach with a reasonable opportunity to respond to the reasons at a school board meeting.
- d. The meeting may be open or closed at the election of the head coach unless the meeting is closed as required by Minn. Stat. § 13D.05, Subd. 2, to discuss educational or certain other nonpublic data.
- e. A closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

8. Meetings to Discuss Certain Not Public Data

Any portion of a meeting must be closed if the following types of data are discussed:

- a. data that would identify alleged victims or reporters of criminal sexual conduct, domestic abuse, or maltreatment of minors or vulnerable adults;
- b. active investigative data collected or created by a law enforcement agency;
- c. educational data, health data, medical data, welfare data, or mental health data that are not public data; or
- d. an individual's personal medical records.
- e. A closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

9. Purchase and Sale of Property

- a. The school board may close a meeting:
 - (1) to determine the asking price for real or personal property to be sold by the school district;
 - (2) to review confidential or nonpublic appraisal data; and
 - (3) to develop or consider offers or counteroffers for the purchase or sale of real or personal property.
- b. Before closing the meeting, the school board must identify on the record the particular real or personal property that is the subject of the closed meeting.
- c. The closed meeting must be tape recorded at the expense of the school district. The tape must be preserved for eight years after the date of the meeting and be made available to the public after all real or personal property discussed at the meeting has been purchased or sold or the school board has abandoned the purchase or sale. The real or personal property that is the subject of the closed meeting must be specifically identified on the tape. A list of school board members and all other persons present at the closed meeting must be made available to the public after the closed meeting.
- d. An agreement reached that is based on an offer considered at a closed meeting is contingent on its approval by the school board at an open meeting. The actual purchase or sale must be approved at an open meeting and the purchase price or sale price is public data.

10. Security Matters

- a. The school board may close a meeting to receive security briefings and reports, to discuss issues related to security systems, to discuss emergency response procedures, and to discuss security deficiencies in or recommendations regarding public services, infrastructure, and facilities, if disclosure of the information discussed would pose a danger to public safety or compromise security procedures or responses.
- b. Financial issues related to security matters must be discussed and all related financial decisions must be made at an open meeting.
- c. Before closing a meeting, the school board must refer to the facilities, systems, procedures, services, or infrastructures to be considered during the closed meeting.
- d. The closed meeting must be tape recorded at the expense of the school district and the recording must be preserved for at least four years.

11. Other Meetings

Other meetings shall be closed as provided by law, except as provided above. A closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

F. Procedures for Closing a Meeting

The school board shall provide notice of a closed meeting just as for an open meeting. A school board meeting may be closed only after a majority vote at a public meeting. Before closing a meeting, the school board shall state on the record the specific authority permitting the meeting to be closed and shall describe the subject to be discussed.

Burnsville-Eagan-Savage School District Policy 206

206 PUBLIC PARTICIPATION IN BOARD DELIBERATIONS

I. PURPOSE

The school board recognizes the value of public input in the deliberations and decisions on school district matters and the importance of conducting orderly and efficient proceedings. The purpose of this policy is to provide the procedures through which the public may provide input.

II. GENERAL STATEMENT OF POLICY

Meetings of the Board are conducted for the purpose of carrying on the official business of the school district. The Board encourages discussion by the public of subjects related to the management of the school district and the public is welcome to attend all School Board meetings, workshops, public hearings and public forums.

The Board may hold public meetings where the public will not be invited to address the school board including regular business meetings, work sessions and board retreats. The public will still be entitled to notice of these meetings and will be allowed to attend these meetings, but the public will not necessarily be allotted time during the meeting to address the board.

III. THE PUBLIC'S OPPORTUNITY TO BE HEARD

The school board provides three opportunities for public input:

A. Board and/or Superintendent Listening Session

The school board or superintendent may schedule a listening session prior to a regularly scheduled school board meeting during which time the public may make comments directly to the designated school board members or superintendent that deal with any topic related to the board's conduct of the schools. The school board, however, will not act at that day's/evening's regular meeting on any issue presented during the school board listening sessions if that issue was not previously published as an agenda item.

1. A report summarizing the listening session will be given and distributed to board members.

B. Public Hearings

Periodically, the school board is required by state law to hold public hearings to obtain public testimony or comment. A public hearing may occur as part of a regular or special meeting, or it may be the sole purpose of a special meeting.

C. Public Forums

Occasionally the school board may schedule an open forum to create a venue in which the public can gather to become informed about a specific issue, ask questions, offer input, and/or engage in a public conversation.

IV. RIGHTS TO PRIVACY

School district employees and students have a legal right to privacy related to matters which may come before the school board as provided by Minnesota Law. During Board Listening Sessions, Public Hearings, and Public Forums speakers may offer objective criticism of school operations and programs, but no person may present orally or discuss personnel matters or complaints concerning specific employees or students, which should be addressed through established policies and procedures.

V. RESPONSIBILITIES

- A. Board Chair/Acting Chair – has the primary responsibility for monitoring compliance with this policy. The Board Chair may rule that a speaker is out of order and may require the speaker to end his or her presentation.
- B. Board Members – in the absence of a Board Chair, all members of the Board will be responsible for monitoring compliance with this policy.
- C. Public – members of the public attending a meeting of the Board will be expected to maintain appropriate and proper decorum at all times.
