RECITALS

WHEREAS, the School District is authorized to issue aid anticipation certificates of indebtedness to provide money for school purposes in anticipation of state aids for schools receivable by the District during the July 1, 2012 to June 30, 2013 school year for such purposes; and

WHEREAS, Minnesota Statutes, Section 126C.56, authorizes the School District to issue the aid anticipation certificates of indebtedness herein authorized by negotiation and without advertisement for bids; and

WHEREAS, the Minnesota School Boards Association and the Greater Minnesota Educational Cooperative Service Units have endorsed the Minnesota Tax and Aid Anticipation Borrowing Program (the "Program") whereby participating school districts, by simultaneously issuing their aid anticipation certificates of indebtedness, may be able to reduce their debt service and issuance costs below what could be achieved if they issued separately; and

WHEREAS, the Program requires the execution and delivery of Certificates of Participation evidencing proportionate interests in payments of principal and interest on certain aid anticipation certificates of indebtedness issued by the participating school districts in anticipation of state aids receivable in connection with the Program, including the Aid Anticipation Certificates described herein; and

WHEREAS, the Program requires that each participating school district enter into a Trust Agreement with U.S. Bank National Association, St. Paul, Minnesota, as trustee (the "Trustee"), in substantially the form presented to this Board and on file at the office of the Clerk (the "Trust Agreement"); and

WHEREAS, the principal amount of Aid Anticipation Certificates to be issued by the School District pursuant to this resolution shall not exceed \$594,700; and

WHEREAS, the principal amount of said Aid Anticipation Certificates to be issued hereunder does not exceed either (a) the maximum working capital deficit of the Operating Funds to be financed from such state aids for the period during which the state aids are anticipated to be received and during which the Aid Anticipation Certificates will be outstanding, as computed in accordance with Section 1.148-6(d)(3) of the Income Tax Regulations (the "Regulations"), or (b) exclusive of additional obligations authorized by Minnesota Statutes Section 475.56, 75% of the state aids for said Funds, receivable in the school year ending June 30, 2013.

NOW, THEREFORE, BE IT RESOLVED by the School Board of Independent School District No. 2190, State of Minnesota, as follows:

Section 1. The Program.

1.1. This Board finds that it is desirable and expedient to participate in the Program and to simultaneously with other school districts issue its Aid Anticipation Certificates of Indebtedness, Series 2012B (the "Aid Anticipation Certificates") and to authorize the execution of and delivery of Certificates of Participation, Aid Anticipation Series 2012B (the "Certificates of Participation"), evidencing proportionate ownership interests in payments of principal and interest to be made by the School District in connection with the Aid Anticipation Certificates, pursuant to the provisions of the Trust Agreement. Subject to the provisions of Section 2.8 hereof, the Aid Anticipation Certificates shall at all times be registered in the name of the Trustee and held by the Trustee for the benefit of the holders of the Certificates of Participation.

1.2. This Board hereby approves the form of Trust Agreement. The Trust Agreement shall be executed in the name and on behalf of the School District by the Chair or, in the absence of the Chair, the Clerk, in substantially the form on file, but with all such changes therein, not inconsistent with law, as may be approved by the officer executing the same, which approval shall be conclusively evidenced by the execution thereof. Such changes in the Trust Agreement may provide for changes in certain terms of the Aid Anticipation Certificates which will not have a material adverse affect on the School District, including changes in the time for the performance of certain acts.

1.3. U.S. Bank National Association, St. Paul, Minnesota is hereby appointed as trustee under the Trust Agreement and as the paying agent and registrar for the Certificates of Participation and as the authenticating agent, paying agent and registrar for the Aid Anticipation Certificates under Minnesota Statutes, Chapter 475.

Section 2. The Aid Anticipation Certificates.

2.1. Piper Jaffray & Co. (the "Purchaser") has stated an intention to make an offer to purchase the Aid Anticipation Certificates of the School District in accordance with the terms set forth in the Proposal Form and Acceptance set forth as Exhibit A hereto, which, together with similar obligations of other school districts, are to be evidenced by the Certificates of Participation described in the Trust Agreement. An offer to purchase the Aid Anticipation Certificates, if made, will be made by telephone or facsimile communication to the Clerk or Chair of the principal amount, interest rate and purchase price. If the principal amount does not exceed \$594,700, the interest rate offered does not exceed 6.00% per annum and the purchase price is not less than 99.9% of the principal amount thereof (said discount being evidenced by the issuance of additional obligations as authorized by Minnesota Statutes Section 475.56), the offer is hereby accepted and the Chair, Clerk or any other officer of the Board is authorized and directed to accept the same on behalf of the School District by inserting the interest rate and purchase price in the Proposal Form and Acceptance, executing the Proposal Form and Acceptance on behalf of the School District and returning a completed copy thereof to the Purchaser.

2.2. The Aid Anticipation Certificates shall be in a principal amount not to exceed \$594,700, shall be dated as of the date of delivery (which is expected to be December 11, 2012), shall mature on September 10, 2013 and shall bear interest at the rate per annum accepted by the Chair or Clerk on behalf of the School District and recorded in the Proposal Form and Acceptance, payable at maturity, without option of prior payment. Interest shall be calculated on the basis of a year of twelve 30-day months. The Aid Anticipation Certificates shall be numbered from R-1 upwards and may be issued in any denomination or denominations. The principal amount of the Aid Anticipation Certificates shall be reduced if and to the extent necessary to obtain an approving legal opinion of bond counsel as to the legality thereof and the tax exempt status of interest thereon. The principal amount may also be reduced in a manner which reflects any premium at which the Certificates of Participation are offered for sale.

2.3. The Aid Anticipation Certificates are issued in anticipation of certain state aids for schools receivable during the July 1, 2012 to June 30, 2013 school year for the Operating Funds of the District, and the maximum authorized principal amount of the Aid Anticipation Certificates, exclusive of additional obligations authorized by Minnesota Statutes Section 475.56, does not exceed seventy-five percent of the amount of such aids receivable by the District during the July 1, 2012 to June 30, 2013 school year for said Funds. The Aid Anticipation Certificates are general obligations of the School District and the full faith and credit of the School District is hereby pledged to the full and prompt payment of the principal thereof and interest thereon.

2.4. The District shall utilize the provisions of Minnesota Statutes, Section 126C.55, and shall file with the Department of Education any necessary application or other forms. The District hereby covenants and obligates itself to notify the Commissioner of Education of any potential default in the payment of the principal of or interest on the Aid Anticipation Certificates and to use the provisions of Minnesota Statutes, Section 126C.55, to guarantee payment of the principal and interest on the Aid Anticipation Certificates when due. The District further covenants to deposit with the Trustee three business days prior to the maturity of the Aid Anticipation Certificates an amount sufficient to make the payment of principal and interest then due, or to notify the Commissioner of Education that it will be unable to make all or a portion of that payment. The Trust Agreement shall include the provisions required by Subdivision 7 of Minnesota Statutes, Section 126C.55. The District shall do all other things which may be necessary to perform the obligations hereby undertaken under Minnesota Statutes, Section 126C.55, including any requirements hereafter adopted by the Commissioner of Management and Budget or the Commissioner of Education.

2.5. The Aid Anticipation Certificates, the form of certification by the authenticating agent and the provisions for assignment of the Aid Anticipation Certificates shall be, respectively, in substantially the following form (the text of which may be typewritten or printed on the face, or on the back, or partly on the face and partly on the back):

When the Aid Anticipation Certificates shall have been so prepared and executed, they shall be delivered by the Clerk and Treasurer to the Trustee in exchange for the purchase price and upon receipt of the signed legal opinion of Dorsey & Whitney LLP, and the Purchaser shall not be required to see to the proper application of the proceeds.

2.8. As long as any of the Aid Anticipation Certificates issued hereunder shall remain outstanding, the School District shall maintain and keep at the office of the Registrar an office or agency for the payment of the principal of and interest on such Aid Anticipation Certificates, as in this Resolution provided, and for the registration and transfer of such Aid Anticipation Certificates, and shall also keep at said office of the Registrar books for such registration and transfer. Upon surrender for transfer of any Aid Anticipation Certificate at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's duly authorized attorney, and upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, the School District shall execute and the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more fully registered Aid Anticipation Certificates of the same series, of any authorized denominations and of a like aggregate principal amount and interest rate. The Aid Anticipation Certificates, upon surrender thereof at the office of the

Registrar may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Aid Anticipation Certificates of the same series of any authorized denominations. In all cases in which the privilege of exchanging Aid Anticipation Certificates or transferring fully registered Aid Anticipation Certificates is exercised, the School District shall execute and the Registrar shall deliver Aid Anticipation Certificates in accordance with the provisions of this Resolution. For every such exchange or transfer of Aid Anticipation Certificates, the School District or the Registrar may take a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Except as described below in Section 2.9 in the event of an exchange of Certificates of Participation for Aid Anticipation Certificates of the corresponding series, the cost of preparing each new Aid Anticipation Certificate upon each exchange or transfer, and any other expenses of the School District or the Registrar incurred in connection therewith (except any applicable tax, fee or other governmental charge) shall be paid by the School District.

2.9. The Certificates of Participation, upon surrender thereof at the office of the Registrar, may, at the option of the registered owner thereof, be exchanged for Aid Anticipation Certificates of the corresponding series in an aggregate principal amount equal to the percentage interest held by the registered owner of the Certificates of Participation in the Aid Anticipation Certificates as indicated on such Certificates of Participation. The School District shall execute and the Registrar shall authenticate and deliver (a) one Aid Anticipation Certificate in the name of the registered owner of the Certificates of Participation of the corresponding series requesting the exchange and (b) one Aid Anticipation Certificate in the name of the Trustee in the aggregate principal amount equal to the balance of the Aid Anticipation Certificates of the series held by the Trustee and represented by outstanding Certificates of Participation of the corresponding series. Notwithstanding any other provisions of this Resolution, the cost of preparing new Aid Anticipation Certificates upon each exchange requested by a registered owner of Certificates of Participation, and any other expenses of the School District or the Registrar or Trustee incurred in connection therewith (including fees of bond counsel or other legal counsel or any applicable tax or other governmental charge) shall be paid by the registered owner of the Certificates of Participation requesting the exchange as a condition precedent to the exercise of the privilege of making such exchange.

2.10. Interest on any Aid Anticipation Certificate which is payable, and is punctually paid or duly provided for, shall be paid to the person in whose name that Aid Anticipation Certificate (or one or more Aid Anticipation Certificates for which such Aid Anticipation Certificate was exchanged) is at the time of payment registered. Each Aid Anticipation Certificate delivered under this Resolution upon transfer of or in exchange for or in lieu of any other Aid Anticipation Certificate shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Aid Anticipation Certificate and each such Aid Anticipation Certificate shall bear interest from such date so that neither gain nor loss in interest shall result from such transfer, exchange or substitution.

2.11. As to any Aid Anticipation Certificate, the School District and the Registrar and their respective successors, each in its discretion, may deem and treat the person in whose name the same for the time being shall be registered as the absolute owner thereof for all

purposes and neither the School District nor the Registrar nor their respective successors shall be affected by any notice to the contrary. Payment of or on account of the principal of any Aid Anticipation Certificate shall be made only to or upon the order of the registered owner thereof, but such registration may be changed as above provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Aid Anticipation Certificate to the extent of the sum or sums so paid.

2.12. There is hereby created a special account within the General Fund of the School District, to be known as the Aid Anticipation Certificates of Indebtedness, Series 2012B Sinking Fund Account (the "Account"). There shall be credited to the Account from the proceeds of sale of the Aid Anticipation Certificate any accrued interest received in the sale of the Aid Anticipation Certificates. At such time as state aids for schools distributable to the District for the current school year, receipts of which are to be recorded as assets of the Operating Funds of the District, and which remain to be received, are in the amount of 105% of the principal and interest due on the Certificates, on their maturity date, there shall be deposited in the Account all subsequent receipts of such aids or other moneys of the District legally available therefor, until the balance in the Account is sufficient to pay all principal and interest due on the Certificates at maturity. Amounts therein shall be used for no other purpose than to make the required deposit in the Debt Service Account of the School District established under the Trust Agreement as provided below and as provided in the Trust Agreement. Moneys on deposit to the credit of said Account may be invested by the School District in any securities eligible for investment of School District funds ("Qualified Investments") maturing or redeemable at the option of the holder prior to the maturity of the Aid Anticipation Certificates. Qualified Investments so purchased shall be deemed at all times to be part of said Account, but may from time to time be sold or otherwise converted into cash whereupon the proceeds derived from such sale or conversion shall be credited to the Account. Any interest accruing on and any profit realized from Qualified Investments to the credit of the Account in excess of the amounts required to be transferred to the Debt Service Account referred to below may be applied by the School District to any other lawful purpose. The School District shall verify the amount on hand in said Account and the place and manner of investments of said Account within five days of receipt a written request from the Trustee requesting such information.

2.13. There is created under the Trust Agreement a special fund to be known as the Debt Service Account of the School District. At least three business days prior to the maturity of the Aid Anticipation Certificates, an amount from the Aid Anticipation Certificates of Indebtedness, Series 2012B Sinking Fund Account of the District created pursuant to Section 2.12, sufficient to pay on the maturity date the principal of and interest on the Aid Anticipation Certificates at maturity, shall be paid to the Trustee for deposit in the Debt Service Account of the District and applied in the manner provided in the Trust Agreement.

2.14. The proceeds of the Aid Anticipation Certificates, exclusive of accrued interest, if any, shall be deposited into the Operating Funds and used for school purposes and invested in Qualified Investments pending the expenditure thereof. At the election of the Superintendent or Business Manager, proceeds of the Aid Anticipation Certificates (exclusive of accrued interest and amounts required to pay costs of issuance) and the amounts from time to time on deposit in the Account created pursuant to Section 2.12 hereof may be invested in the current Guaranteed Investment Agreement offered to school districts participating in the

Program through the Minnesota School District Liquid Asset Fund Plus (the “Investment Agreement”). At the direction of the Superintendent or Business Manager as evidenced by the execution of an Investment Agreement Acceptance form as set forth in Exhibit B, the Trustee is authorized to execute the Investment Agreement on behalf of the School District. The officers of the School District are hereby authorized and directed to comply with the terms of the Investment Agreement relating to the investment and withdrawal of the moneys required to be deposited thereunder and to execute such other documents as may be necessary to evidence the acceptance thereof.

Section 3. The Certificates.

3.1. The Trustee is authorized and directed to execute and deliver the Certificates of Participation, Aid Anticipation Series 2012B, on the School District's behalf, pursuant to the terms of the Trust Agreement, in the aggregate principal amount specified in the Trust Agreement and substantially in the form and otherwise containing the provisions set forth in the form of the Certificate of Participation contained in the Trust Agreement, which terms and provisions are hereby approved and incorporated in this Resolution and made a part hereof.

3.2. The Executive Director of the Minnesota School Boards Association, or his delegate, is authorized and directed to sign the Letter of Representations (as defined in the Trust Agreement) on behalf of the School District.

3.3. The Certificates of Participation shall be executed by the Trustee in accordance with the Trust Agreement. When so prepared and executed, the Certificates of Participation shall be delivered to the Purchaser upon payment of the purchase price thereof, pursuant to the terms of the Trust Agreement.

Section 4. Miscellaneous.

4.1. The officers of the School District are hereby authorized and directed to prepare and furnish to the Purchaser of the Aid Anticipation Certificates and to the attorneys approving the same, certified copies of all proceedings and records of the School District relating to the power and authority of the School District to issue said Aid Anticipation Certificates and to execute and deliver the Trust Agreement and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including a certificate as to no-litigation and as to the Official Statement, and a non-arbitrage certificate, and such certified copies and certificates shall be deemed representations of the School District as to the facts stated therein.

4.2. The Clerk is hereby authorized and directed to certify a copy of this Resolution and to cause the same to be filed in the office of the County Auditor of each county in which the School District is located in whole or in part under Minnesota Statutes, Section 475.63, and to obtain a certificate as to registration of the Aid Anticipation Certificates.

4.3. The officers of the School District are hereby authorized and directed to prepare and submit to the Secretary of the Treasury a statement meeting the information reporting requirements of Section 149(e) of the Internal Revenue Code of 1986, as amended (the

“Code”), by the 15th day of the second calendar month after the close of the calendar quarter in which the Aid Anticipation Certificates are issued or other applicable date.

4.4. Springsted Incorporated is hereby authorized to prepare an Official Statement and an addendum thereto in connection with the sale of the Certificates of Participation to be presented to the Chair and Clerk for review. The Chair, or in the absence of the Chair, the Clerk is authorized to approve the forms of the Official Statement and the addendum and to deliver a certificate as to the Official Statement and addendum thereto to the Purchaser.

4.5. The School District hereby determines that the Aid Anticipation Certificates shall not be designated as “qualified tax-exempt obligations” for the purposes of Section 265(b)(3) of the Code.

4.6. Investments of the proceeds of the Aid Anticipation Certificates and investments of moneys in the Aid Anticipation Certificates of Indebtedness, Series 2012B Debt Service Account and the Debt Service Account of the District created pursuant to the Trust Agreement shall be limited as to amount and yield of investment in such manner and to the extent required so that no part of the outstanding Aid Anticipation Certificates and Certificates of Participation shall be deemed arbitrage bonds under Section 148 of the Code. This Board finds that the exception for small governmental units available under Section 148(f)(4)(D) of the Code is applicable to the Aid Anticipation Certificates because (i) the School District has general taxing powers, (ii) the Aid Anticipation Certificates are not private activity bonds under Section 141(a) of the Code, (iii) ninety-five percent or more of the net proceeds of the Aid Anticipation Certificates are to be used for local governmental activities of the School District and (iv) the aggregate face amount of all tax-exempt bonds (other than private activity bonds) which will be issued by or allocated to the School District and any subordinate units during 2012 is not reasonably expected to exceed \$5,000,000, provided that such amount may be increased by the lesser of \$10,000,000 or so much of the aggregate face amount of the tax-exempt bonds as is attributable to financing the construction of public school facilities.

4.7. The Securities and Exchange Commission (the “SEC”) has promulgated certain amendments to Rule 15c2-12 under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (the “Rule”) that make it unlawful for an underwriter to participate in the primary offering of municipal securities in a principal amount of \$1,000,000 or more unless, before submitting a bid or entering into a purchase contract for the bonds, it has reasonably determined that the issuer or an obligated person has undertaken in writing for the benefit of the bondholders to provide certain disclosure information to prescribed information repositories on a continuing basis or unless and to the extent the offering is exempt from the requirements of the Rule. The principal amount of the Aid Anticipation Certificates is less than \$1,000,000. The School District hereby represents that it has not issued within the six months before the date of issuance of the Aid Anticipation Certificates, and that it reasonably expects that it will not issue within six months after the date of issuance of the Aid Anticipation Certificates, other certificates or bonds of the School District of substantially the same security and providing financing for the same general purpose or purposes as the Aid Anticipation Certificates. Consequently, this Board hereby finds that the Rule is inapplicable to the Aid Anticipation Certificates, because the aggregate principal amount of the Aid Anticipation Certificates and any other certificate or bond

issue to be integrated with the Aid Anticipation Certificates thereunder is less than \$1,000,000. Therefore, the School District will not enter into any undertaking to provide continuing disclosure of any kind with respect to the Aid Anticipation Certificates.

The motion for the adoption of the foregoing resolution was duly seconded by Member \_\_\_\_\_ and upon vote being taken thereon the following voted in favor thereof: and the following voted against the same:
