BACKGROUND/RATIONALE

Members have submitted their 15 questions selected from the MSBA Executive Search Service Manual. A list of the questions selected was provided in the June 1, 2018 weekly update.

Members should bring the MSBA binder MSBA EXECUTIVE SEARCH SERVICES – YELLOW MEDICINE EAST SCHOOLS. That binder contains ALL questions considered. Members should also bring their copy of the Weekly update June 1, 2018 so you will have a list of the most chosen questions.

The order of the listing will be based upon the member selection beginning with the most frequently identified questions. Those items that receive a single notation were listed in numerical order.

It is recommended that members look at the Weekly Update and narrow the scope of their selections to those items previously selected.
