Dear Goose Creek CISD Board of Trustees,

On Friday, February 25, 2011, Alamo Elementary lost a beloved staff member this year when Coach Jon Brunson succumbed to cancer. Coach Brunson contributed greatly to the lives of our students and our school community. In his role as one of our physical education teachers, he modeled a positive and pleasant attitude in all his interactions with students and staff. He knew the children well and was caring and patient.

I can say with all honesty that Jon Brunson was one of the finest educators with whom I have had the pleasure of working. What I remember most about Jon Brunson is how once every couple of weeks he would come into my offices, shake my hand, and thank me for giving him the opportunity to do the job he loved. It always stuck with me how much he loved his job and working with the students every day. Coach Brunson had left education for a while to go work in the private sector, but he came back because he missed working with kids.

Coach Brunson knew that teaching was what he was supposed to do. He believed in his students. He had high expectations for all of his students, and he was successful because his students know that he really loved and respected them.

The lesson that I learned from Jon Brunson is just how powerful a positive attitude can be. Coach was always smiling, even when he was in pain. He made sure that you never knew that there was something wrong; he never gave less than his absolute best and did it with a smile. Coach taught me that no matter what is going on in life, the best way to approach it is to smile and face it head on.

It is for these reasons, and so many more, that I would like to request that the school board consider naming the Alamo Gym the Jon P. Brunson Gym in his honor.

Please feel free to contact me with any questions you might have.

Sincerely,

**Ron Wyatt, Ed.D.
