Notes: FY19-20 Revised Budget Summary

\*Beginning fund balances reflect year-end final audited FY18-19 fund balances

1. Core fee has been budgeted in FY19-20 at \$15.05 per Adjusted Pupil Unit, this rate was last changed in FY15-16. The Special Education Non-member access fee (comparable to member levy and core fee charges) will continue to be assessed for all non-member district resident students. \$267,447 will move back into DISTRICTWIDE ADMIN/OPS fund balance from the assigned fund balance "Subsequent Year Budget" and \$90,000 is projected to transfer to the Separation/Severance Assigned Fund Balance.
2. A \$5 Member District ALC Stability fee per Adjusted Pupil Unit is new in FY19-20. ALC/Academic Education fund is projecting an increase in fund balance. The increase in revenue, expenditures and fund balance is due to the NSO program growth.
3. \$87,652 will move back into Career & Tech fund balance from the assigned fund balance "Subsequent Year Budget" and \$40,000 is projected to transfer to the Separation/Severance Assigned Fund Balance.
4. Special Education is projecting a growth in fund balance due to a projected increase in special education aid.
5. The remaining HealthPartners Rebate fund balance will be used to offset wellness programs.
6. The Staff Development Grant budget reflects a smaller grant award than in past fiscal years. This is the last year for this grant.
7. The Tuition Adjustment Reserve will be used to offset any potential loss of revenue in MDE Tuition or other tuition-based areas.
8. Intermediate Districts qualify for Long Term Facilities Maintenance through member districts' levies. FY19-20 projects include updates to HVAC systems districtwide.
9. To keep member district non-reimbursable special education tuition bills as flat as possible, the District is utilizing Medical Assistance revenue to fund more of these costs in 2019-20.
10. Safe Schools Restricted Fund is projecting a balanced budget.
11. Due to a legislative change, the compensatory set aside for extended school year requires a separate restricted fund balance.
12. Food Service – The budget includes a projected transfer of \$440,450 from the Admin/Operations portion of the General Fund to offset the estimated deficit in the Food Service Fund. Fund balances above reflect this transfer.
13. The Construction budgets reflect ABEC phase 2 and the beginning of phase 3 construction projects, which include the gym remodel and HVAC improvements.
14. The increase in revenue and expenditures in the Debt Service fund is due to the 2019 WEC refinancing. The Debt Service fund balance includes the North Education Center (NEC) sinking fund; this fund balance is projected to increase until February 1, 2029 when it will be used to pay off the Quality School Construction Bonds associated with the NEC building.
15. Internal Service Fund for Health is projecting a growth in fund balance. Maintaining the reserve is necessary to protect the District against future claims.
16. A change in GASB requires a custodial fund for the district Horst Scholarships, Give MN does not qualify for a custodial fund and will move to a separate assigned fund balance.

## **BUDGET ASSUMPTIONS 2020-21**

Budget Assumptions will take into consideration member district planning information. Member districts gave the responses below when asked if it was their intent to withdraw students from programs and services provided by Intermediate District 287 during the 2020-21 school year in order to provide the same educational services by other means or to discontinue the services:

As of July 1, 2020, the following changes will occur:

- District #279, Osseo will withdraw students from the following programs:
  - TIER 3 (PHASE and SUN Transition program) students.
- District #277, Westonka; #278, Orono; District #280, Richfield; District #281, Robbinsdale; and District #283, St. Louis Park have indicated that they are not withdrawing from any programs.
- We are still waiting for forms from the remaining districts.

### **Revenue Assumptions**

1. Education funding rates and the pupil weighting system as established by the State Legislature for the 2020-21 (FY21) school year will be used to project revenues.
2. The FY21 budget will be built based on ADM projections for each program area:

#### Special Education:

- a. ADMs in program areas for FY21 will be based on planning information for both member and open enrolled non-member students attending District 287 programs. Planning information will be developed based on meetings with member districts in February with an update to be completed in March/April.

#### Teaching & Learning:

- a. Base ADMs in the ALCs will be projected using member district planning information and historical trend analysis.
  - b. Districts have until March 1st to submit revised planning numbers based on high school registration, and budgets in these areas will reflect the projected need.
  - c. Special Education student support will be provided as appropriate in the ALC and Career and Technical Education programs with offsetting revenue flowing through the Special Education Uniform Tuition Billing system where possible.
3. District 287 will continue to work collaboratively with MDE to ensure appropriate funding through the Special Education Uniform Tuition Billing System, including appeals if necessary.
  4. Other revenue will be generated from MDE through the Application for Educational Benefits (Compensatory and Food Service Aids); Online Learning Aid; Grants; MDHHS for medical assistance claims; and through direct billings for other programs and services.
  5. District 287 will use the core fee of \$15.05 per Member District APU and a portion of the non-member access fee to cover district-wide costs that are not eligible for other funding.
  6. District 287 will use the collaboratively agreed to ALC programming fee of \$5.00 per Member

District APU to sustain current ALC programs.

7. District 287 will utilize all ALC revenue that is available per statute. The ALC fiscal host agreements with Robbinsdale, Richfield, Hopkins & Eden Prairie will continue.
8. Appropriate categories of levy dollars, including Safe Schools, Long Term Facilities Maintenance (includes Health & Safety) and Lease Levy, will be accessed through member districts levy authority.
9. A Non-member access fee that the 287 board will set will be charged to fund non-members proportionate share of lease, safe schools, LTFM and districtwide costs not eligible for other funding.
10. The budget will include any new revenues approved by the state legislature.
11. Revenue needed to fund future separation and severance obligations will be part of the rate structure for each program.
12. District 287 will continue to review all internal and external funding sources to support both Mental Health Partnerships and District Staff Professional Development related to meeting the mental health needs of students who have experienced trauma.

### **Expenditure Assumptions**

1. Expenditures will be aligned and prioritized so as to promote the implementation of the strategic plan - with a focus on student outcomes and racial equity and excellence in the services delivered and communications with stakeholders. Expenditures will also be aligned and prioritized to promote the District's strategic priorities - Student Outcomes, Racial Equity, Evidence-Based Instruction, Trauma-Sensitive & Healing-Centered Practices, and Employee Well-being.
2. Expenditure budgets for FY21 will align with revenue projections based upon anticipated ADMs from member district provided planning information.
3. In all program areas, the District will identify budget reductions to align with revenue projections based upon conservative ADM numbers. Enrollments will be closely monitored.
4. Budget reductions will also be necessary in areas that are impacted by program withdrawals.
5. New TIERS budgeting and tuition billing ratios that were approved by the Special Education Director Advisory Council (SEDAC) and the 287 School Board in 2019 for special education programs will be implemented.
6. In response to member district Special Education Directors' input, the centralized referral process will continue and a centralized enrollment process for other programs will be implemented.
7. Expenditure and staff adjustments will be made based upon the phase-out or end of grant funding.
8. Reductions will not impact the District's ability to comply with Federal and State legal

mandates.

9. Levy dollars available for Safe Schools, Long Term Facilities Maintenance (includes Health & Safety) and Leases will be utilized to ensure student and staff safety and to minimize impact on member districts' other general fund resources.
10. Expenditures will be aligned and prioritized so as to promote the recruitment and retention of high quality, culturally competent staff.
11. The budget will include funding for both Facilities operating projects and projected space projects needed to accommodate the specific needs of our students.
12. The FY21 budget may include an increase in FTE for 7 hour (.875 FTE) EAs to improve safety, teaming time and positive culture.
13. The Therapeutic Teaching Model program in partnership with the Amherst H. Wilder Foundation will continue. The District is working with key legislators to identify funding sources to continue and expand the program. Any Department of Human Services Grant Revenues and related expenditures will flow through Wilder but we will provide space for mental health staff and professional development. If legislation is not finalized by the budget approval date, the District will utilize the assigned fund balance for Strategic Priorities.
14. The Employee Wellness initiatives will continue including both internal and external supports.
15. Staff salaries will be budgeted at estimated FY21 amounts based on settled contracts or Board approved parameters for contract negotiations. Cost containment will be sought through negotiation parameters.
16. Costs associated with benefits will be budgeted at estimated FY21 amounts based on provider or self-insurance consultant estimates and Board approved contracts or board parameters for unsettled contract agreements.
17. The FY21 budget will include sufficient funds to cover anticipated separation and severance payments for all current retirees as well as an amount that will build funding for future obligations as per the District's actuarial information.
18. The FY21 budget will be developed in keeping with the Board fund balance policy.

**AGENDA SECTION: BUSINESS SERVICES & LABOR RELATIONS REPORT**

**ITEM: 2020-2021 District 287 School Calendar**

**PRESENTED BY: Michelle Axell, Director of Human Resource**

**1. Background Information**

The process of creating the District calendar takes into consideration member district calendars, alignment with member district transportation schedules whenever possible, and the Local 284 and 2209 contract parameters.

- The calendar has 172 student contact days which includes a “cushion” of two days when schools can be closed without needing a make-up day.
- Local 2209 licensed staff basic work year includes 11 staff development days and 8 hours of District-sponsored events after the standard workday.
- Local 2209 non-licensed staff basic work year includes 9 staff development days.
- The staff development days correspond with curriculum group meetings and quarter-end dates for work on progress reporting.

There is shared recognition between Education Minnesota Local 2209 and the Administration of the need for adequate time to collaborate in staff development activities focused on student success.

- Staff development days are scheduled early in the year to set a solid foundation with our instructional staff and balanced throughout the year in support of District-wide and site-based learning during the school year.
- The April 12 non-student contact/staff development day may be used to make-up instructional time if necessary due to a school closing earlier in the year.

Barack Obama once said, “Change will not come if we wait for some other person, or if we wait for some other time. We are the ones we’ve been waiting for. We are the change that we seek.” Such is the core tenet of Equity Alliance MN, located in Woodbury. We are an organization geared towards changing the landscape of equity in Minnesota, starting with the achievement gap for children of color. Armed with a team of intelligent, licensed staff, and with their hearts and minds resolved to change the educational ecosystem, we have put together a diverse list of student programs and professional development aimed at getting the rest of Minnesota as excited as we are about improving educational equity.

### Professional Educator Licensing and Standards Board (PELSB) Approved Professional Development:

In a state making groundbreaking strides towards closing the achievement gap for students of color, Equity Alliance MN is proud to offer Professional Development that is approved by the State of MN’s Professional Educator Licensing and Standards Board (PELSB). The Cultural Competency training fulfills the requirements for relicensure for Tier 1 teachers, as well as new teachers. The session can be offered to the district as a whole, or individual staff can register to attend a session hosted at Equity Alliance MN each month.

### Equity Audits:

In the interest of making educational facilities across the state of Minnesota more equitable, Equity Alliance MN has embarked on the exciting task of creating a complete, comprehensive

### From the Chair

AMSD Executive Director Scott Croonquist and I had the opportunity to meet with retired Supreme Court Justice Alan Page and Minneapolis Federal Reserve Bank President Neel Kashkari about their proposal to amend the State Constitution to guarantee the right to a quality public education for every student. We were joined by representatives of MSBA, MASA, MREA, SEE and the MN Association of Charter Schools. Everyone in the room agreed the current system is not meeting the needs of each and every student and the status quo is not acceptable. An engaging discussion followed about the proposed amendment and whether it would ensure the resources and changes needed to achieve the goal of eliminating the existing opportunity and achievement gaps based on race and socioeconomic status. Everyone left the meeting committed to continuing the conversation and bringing forward recommendations that they feel would strengthen the proposed amendment. Toward that end, please share your ideas with me or Scott and we will carry them forward. Thank you!

Equity Audit to help clients identify the gaps that exist within their districts, as well as the things they are doing well.

Our equity audit is designed to be a full-circle process that begins with a comprehensive assessment of the district, which includes building and classroom walkthroughs, focus groups, surveys, and community conversations. All data is collected and aggregated and is presented in the form of an Executive Report, which informs districts of the educational equity gaps that currently exist within their system. It also provides recommendations on what steps are needed to be taken to begin to narrow these gaps.

Our equity audit is fully customizable to any institution including school districts, educational facilities, places of business, and independently owned organizations.

## Student Programming:

Students are at the heart of everything Equity Alliance MN does. A wide variety of student programs allow for many opportunities for students to learn, grow, and develop confidence in their identities. EA-MN doesn't just offer programs such as *Lovin' the Skin I'm In* and *Synergy: Social Justice*, which are designed to provide students with a sense of self, but they also offer completely customizable after school programming that a district can host in their schools and community. They also offer a variety of summer programs such as Kindergarten Readiness Camp and Middle School Business Innovation Academy, which partner students from a variety of districts and provides students with new skillsets and prepare them for school and rigorous coursework.

## Youth Summit: Nothing About Us Without Us:

Equity Alliance MN hosted a youth-centered, open space technology conference in October, 2019, with the theme "Nothing About Us Without Us." The conference, which was planned by Equity Alliance MN's Youth Executive Board, brought over 120 students together from seven different districts and allowed them the opportunity to determine the topics they wanted to discuss. Session building happened live and included topics such as "Use of the 'N' Word," and "Cultural Appropriation." Students then picked areas to take action on in their districts, which included "Ethnic Studies" and "Student Advisory for School Boards." Student feedback on their experiences at the conference were that the conference made them feel validated, that they enjoyed spending time with students from other cultures and hearing their opinions, and that they learned how to "ensure change happens."

Equity Alliance MN looks forward to hosting another youth-centered conference in the future.

## Student Ethnic Studies Research Experience:

Equity Alliance MN will be bringing students out of the state of Minnesota on their version of the Civil Rights Tour, titled the "Student Ethnic Studies Research Experience," or "SESRE" for short. One of the pioneers of tour has tailored the experience to Equity

Alliance MN and will be taking a group of students from within our member district cohort to a variety of important civil rights landmarks across South Carolina, Alabama, and Tennessee. The students will not only grow deeper through their experiences, but also use important research skills to develop their own curriculum. The three-phase process is designed to provide students with practice in key areas of development for post-secondary education, as well as allow them the opportunity to effect real change in their districts through curriculum that they develop with the aid of a professor from the University of Minnesota. In Saturday meetings both leading up to, and after the seven-day landmark tour, students will develop important skills such as research, leadership, student advocacy, critical thinking, collaboration and communication, among others. In success, the experience will expand to include African American, Latinx, Asian American, and Native American strands of the experience. Planning is already underway and the bus is set to embark in March of 2021.

Equity Alliance MN offers a yearly membership as well as services for purchase and is excited to announce that enrollment for membership, or the individual purchase of any of the above listed programs, is now open! All interested parties should contact the Operations Manager at [jstammler@ea-mn.org](mailto:jstammler@ea-mn.org). ## 2020 AMSD Legislative Preview Brings Legislators and Education Leaders Together

Nearly 160 education leaders, legislators and staff turned out for the annual AMSD Legislative Preview on Feb. 7 to discuss the 2020 legislative session. The event, which included remarks from Commissioner of Education Mary Cathryn Ricker and a panel of legislators, precedes each session. The event brings together metro area legislators and education leaders to discuss important education issues and provides legislators the opportunity to hear a presentation of the AMSD platform.

The preview also allows member districts to communicate with legislators how the platform issues affect their districts directly.

While the AMSD Board of Directors recognizes that the 2020 session is not a budget-setting session, the board also believes it remains critical that state policymakers understand that Minnesota’s education funding system is not providing adequate, equitable or reliable resources for its schools.

AMSD unveiled its [2020 Legislative Platform](#) in December, based on surveys with AMSD member school districts. Districts agreed the key areas to address in the 2020 session include:

- Stabilize education funding
- Ensure safe and modern school facilities
- Reduce mandates and enhance local control
- Enhance taxpayer equity

These points were further detailed by three AMSD superintendents who provided context to show how their districts are directly impacted by state policies.

Supt. Mary Kreger of Rosemount-Apple Valley-Eagan urged lawmakers to address the inconsistent state funding of Minnesota’s school districts.

Supt. Astein Osei of St. Louis Park talked about the importance of providing funding for safe and modern school facilities.

Supt. Sandy Lewandowski spoke about the impact of mental health needs and trauma on students and staff at Intermediate District #287.

Supt. Mary Kreger of Rosemount-Apple Valley-Eagan spoke about the significant challenges that come with inconsistent state funding - funding that doesn’t keep pace with inflation, as well as underfunding the mandated growing costs of special education and English learner funding. “As a result of these growing cross-subsidies and less-than-inflationary funding for the general education formula, districts have two options: cut programs and services for students or ask voters to increase their local property taxes to make up the difference.”

Funding was a theme echoed by Supt. Astein Osei of St. Louis Park, who talked about the impacts of mandates on every school district’s financial stability. While AMSD districts are working to reduce discipline disparities, and while many do provide training and development for staff and their paraprofessionals, he urged caution to legislators from enacting "one size fits all" solutions and urged legislators to provide the resources needed to address these and other important issues.

He also emphasized the importance of funding for safe and modern school facilities. One-time funding this session could be the

start, he said, but “we need permanent funding to address the shortage of school support staff to address the mental health and trauma needs of our students.”

Supt. Sandy Lewandowski continued that theme - emphasizing with several points of data from District #287 - the growing impact of student mental health and trauma issues on school districts. Public schools have become the de facto mental health system for the state, she said.

“The current magnitude of student needs is the highest I’ve seen in my 40 years in education, and the responsibility of public schools to provide the range of services these students need is unprecedented.”

The preview wrapped with a legislative panel that featured Reps. Cheryl Youakim (DFL-Hopkins), Sondra Erickson (R-Princeton), and Sens. Carla Nelson (R-Rochester) and Chuck Wiger (DFL-Maplewood).

Youakim is the chair of the House Education Policy Committee, and Erickson is the ranking minority member. Nelson is the chair of the Senate Committee on E-12 Finance and Policy, and Wiger is the ranking minority member for the DFL.

Legislators (from left) Rep. Sondra Erickson (R-Princeton), Rep. Cheryl Youakim (DFL-Hopkins), Sen. Chuck Wiger (DFL-Maplewood), and Sen. Carla Nelson (R-Rochester) appeared on the panel.

VERSE 1:

I got cabin fever  
dying to be free  
drinking by the heater  
pullin' down my sleeve

VERSE 2:

laid up with my lady  
tryin' not to freeze  
everybody's shady  
lost their vitamin D

CHORUS:

every winter is the same  
every winter is the same  
every winter is a waiting game

VERSE 3:

snow in Minnesota  
it's white as Santa's beard  
all I got is soda  
while my friends are drinking beer

VERSE 4:

gotta upgrade my reputation  
being patient til next year  
make it out this situation  
cuz it's my biggest fear

## INTO SOMETHING ELSE

water changes into ice  
caterpillar changes into a butterfly  
naughty changes into nice  
snow changes into bright blue sky

water turns into snow  
snow begins to melt  
everything turns into something  
that turns into something else

short people turn into less short people  
loose teeth turn into wiggly teeth  
a sunflower seed turns into a sunflower  
and turns into something you can eat

water turns into snow  
snow begins to melt  
everything turns into something  
that turns into something else

blue blood turns into red blood  
our cells change into even more cells  
we turn from loud to calm and quiet  
we turn into different versions of ourselves

water turns into snow  
snow begins to melt  
everything turns into something  
that turns into something else

## TURNING INTO YOU

pieces turn into puzzles  
a seed turns into a flower  
water turns into ice  
minutes turn into an hour

turnin', turnin', turnin',  
turn into something new  
turnin' turnin' turnin',  
turnin' into you

seven days turn to a week  
an egg turns into a bird  
colors turn into pictures  
a letter turns to a word

caterpillar turns to a butterfly  
twelve months turn to a year  
a kid turns into a grown-up,  
a fawn turns to a deer

## THIS IS OUR HOME

a lizard feels at home in the desert  
playing in the sand  
a pig feels at home on the farm  
out in the farming land

a whale feels at home in its pod  
down in the deep blue sea  
polar bears feel at home at the poles  
where it's a cold as can be

this is our home, this is our home, this is our home

a zombie feels at home in the apocalypse  
far from the light  
a skeleton's home is caves and graves  
and mineshafts out of sight

a snowman feels at home in in the biome  
where we like to tromp  
and slime feels at home in the marsh  
or the bog or the swamp

this is our home, this is our home, this is our home

and some of us feel at home with our pets  
who we like to pet and clean  
and some of us feel at home in front  
of anything with a screen

and some of us feel at home on the ground  
building Lego worlds  
and some of us feel at home in the sky  
where the weather swirls

this is our home, this is our home, this is our home

## HUNGRY MAN

I'd like a pack  
of Cheez-Its  
sparkling water in a cup full of ice  
with tiny little bits

I'd like some snacks  
healthy granola bars  
and spaghetti with some red sauce  
right out of the jar

I'd like more food  
I'd like more to think  
more to eat  
and more to drink

I'd like to drink  
a Doctor Pepper can  
and big ol' plate of nuggets  
cuz I'm a hungry man

## MY PA

### VERSE 1:

Just finished my shift at the old saloon  
hopped in the truck by the light of the moon  
and drove as I always do down the country lane

got to pay my respects to my grandpa who died  
that fierce old man on my mother's side  
I grip the wheel and try to ease my pain

### VERSE 2:

been a long night and my mind starts to drift  
hit a sharp curve and I forgot to shift  
feel those wheels of the truck start to skid

and with a shudder and shock I tried to swerve  
landed in the ditch by the side of the curve  
man I couldn't believe what I just did

### CHORUS:

this is the meanest ol' place that I ever saw  
can't go on without my pa  
can't go on, without my pa

### VERSE 3:

the sun was coming up when I finally came to  
there was broken glass in the morning dew  
and I panicked when I thought about my  
grandpa's guitar

it was layin' in the grass, busted out of its case  
strings and splinters all over the place  
it was the one that my pappy had toured with near  
and far

### VERSE 4:

I picked up the scraps and staggered on home  
spent the whole morning working alone  
trying to repair the ol' instrument's busted frame

and at the end of the day I was truly amazed  
that grampy's guitar somehow still plays  
it looks a little worse, but it sounds the same

### CHORUS:

this is the meanest ol' place that I ever saw  
but I'll go on without my pa  
I'll go on without my pa

## AMUSEMENT PARK SONG

when I'm riding on the roller coaster  
after standing in the line  
I feel like I'm flying  
and I feel fine

when I'm riding the merry go round  
all the horses jump and run  
I feel like I'm galloping  
and I'm having fun

when I'm riding in the bumper cars  
early in the morn  
I'm feeling so excited  
when I'm beeping on the horn

## HELPING TIME

we might go sort nuts and bolts  
we might go shred paper piles  
we work the recycling line  
when it's time to help,  
when it's helping time

we might wipe the tables down  
in the lobby and café  
we will wipe them till they shine  
when it's time to help  
when it's helping time

when it's helping time,  
when it's helping time

we might help to carry trays  
and wash the aprons and the towels  
after all the students dine  
when it's time to help  
when it's helping time

we might help the food shelf staff  
or the humane society  
the dogs and cats are friends of mine  
when it's time to help  
when it's helping time

## FIFTY-ONE SMILES

my mom shines  
fifty-one hearts  
fifty-one smiles  
fifty-one hearts  
fifty-one smiles

hundred moms  
infinite presence  
is her face changing  
a simple question

my mom shines  
fifty-one hearts  
fifty-one smiles  
fifty-one hearts  
fifty-one smiles

looking for her  
fishing for a promise  
prayed for her to shine  
built my little palace

my mom shines  
fifty-one smiles  
fifty-one hearts  
fifty-one smiles  
fifty-one hearts

in her glorious dreams

my mom shines  
fifty-one smiles  
fifty-one hearts  
fifty-one smiles  
fifty-one hearts

## FOODMAS

VERSE 1:

I got the meat,  
the meat, the meat, the meat  
got turducken, mac and ham,  
and chicken strips to eat  
I got steak and chicken nuggets,  
all of 'em sizzling on the heat  
I got the meat, got the meat, got the meat

VERSE 2:

I got the veg,  
Got the veg the veg the veg  
Got broccoli and carrots  
and potatoes in a wedge  
and corn and sprouts and asparagus  
plucked right off the hedge  
I got the veg, veg, veg, veg, veg

VERSE 3: sides

I got the sides  
got the sides the sides the sides  
green bean casserole  
and sweet yams and fries  
bologna macaroni  
and waves of gravy tides,  
I got the sides, got the sides, got the sides

VERSE 4: dessert

I got dessert, dessert, dessert, desserts,  
ice cream sandwich cake  
even if it hurts  
I'll eat the pumpkin pie  
until my stomach bursts  
I got desserts, desserts, desserts
