Northern Valley Schools 2023 – 24 Reopening Plan

In these continued unknown times, we must focus not only on the academic, social, and emotional health of our students, but also on the physical health and safety of our environment. We have provided guidelines and expectations that we believe will give us the necessary protection to reconvene while maintaining as much of a sense of normalcy as possible. As information and community conditions change, these guidelines may also change.

Expectations of Parents

Parents should provide individual water bottles that they may fill at the fountains.

We expect parents to check temperatures before students leave to get on the bus.... Anyone with a temperature of (100.4°F or higher) needs to stay home.

If a student becomes ill during the day, they must be picked up immediately and if they exhibit symptoms of COVID-19 they will need to be checked by their doctor and/or the county health department.

Transportation (buses):

The Federal Government has mandated that those riding on buses will be required to wear a facemask.

Daily Operations:

USD #212 will use social distancing when necessary.

Masks are recommended to be worn when social distancing cannot be maintained.

If a student becomes ill during the day they must be picked up immediately and if they exhibit symptoms of COVID-19 they will need to be checked by their doctor and/or the county health department. We will isolate the student in separate rooms in each building until they are picked up. It will be up to the county health department if they deem necessary any contact tracing or contact verification procedures.

If a staff member presents during the day with any symptoms they will be asked to remove themselves from school and follow procedures necessary by contacting their doctor and or the county health department.

Reviewed at November 11th board meeting.

Laptops are being used by the 5 – 12 grade students and K – 4 uses iPads if your child(ren) would need to be absent from school.

Students should bring individual water bottles that they may fill at the fountains.

Hand sanitizer stations will be in the classrooms, cafeterias, and other appropriate locations.

Custodial:

To maintain the highest level of safety, our students and staff will do periodic wipe downs throughout the week of the high traffic/touch zones (hand rails, doorknobs, etc).

Bus drivers will clean frequently touched surfaces, including hand railing, student bus seats and surfaces.

Teachers will have access to cleaning products for use throughout the day. In addition, janitors will clean classrooms daily.

Procedures for Staff

Office Procedures

- When the situation allows please call the office to limit person to person contact.
- If a student does not feel well, the teacher needs to notify the office and contact the parent.
- Small items usually acquired from the office (i.e. Band-Aids, rubber bands, etc.) should be maintained in each classroom.

Classroom & Building Procedures

- Practice and prepare to model proper hygiene practices, such as handwashing, using hand sanitizer and social distancing techniques, including alternatives to handshakes.
- Post signage in classrooms, hallways and entrances to communicate how to reduce the spread of COVID-19.
- Practice and prepare to model the proper wearing and disposal of protective personal equipment (PPE), including masks.
- Prepare to communicate effectively and empathetically with students about the pandemic and about the necessary changes to school life.
- Social distance as possible by increasing space between students during in-person instruction. Understand there may be times that it will be necessary to provide close individual contact to provide comfort, private discipline or personal instruction.
- Utilize outdoor spaces as appropriate.
- Prepare to accommodate students with disabilities, including students who may be

nonverbal, so they are safe from harm.

- Clean and disinfect frequently touched surfaces (e.g., playground equipment, door handles, sink handles, drinking fountains) within common spaces at least weekly and between use as much as possible.
- Discourage sharing of items that are difficult to clean or disinfect.
- Ensure adequate supplies to minimize sharing of high touch materials to the extent Possible.
- Be sure to have writing utensils, calculators and any personal needs with you.
- Textbooks and binders will be kept in the classroom or your locker. It is imperative that students have their names on binders, textbooks (check out so teacher has a record) and are organized with their materials, especially if we move to hybrid or remote learning.

To whom it may concern,

I hope this message finds you well. I am writing to express my interest in the open school board position. My name is Stephanie Hilburn, and I am a dedicated parent of three wonderful children, two of which attend Northern Valley Elementary. I have grown up in Norton County most of my life, and we currently reside in Almena. My husband Jesse and I are currently in the process of growing our cattle herd as well as our horse herd, we don't plan on leaving this area anytime soon. Additionally, I am employed at Nex-Tech, where I have gained valuable experience as a customer service representative. I believe that my professional background at Nex-Tech, combined with my passion for our children's education and community involvement as a parent, uniquely positions me to contribute effectively in a dual role as a board member and a representative of Nex-Tech.

I am committed to advocating for the best interests of our students and the community, and I am eager to contribute positively to the decision-making processes that impact our children's education.

Thank you for considering my application. I am looking forward to the possibility of serving our school community in this capacity.

Sincerely,

Stephanie Hilburn

Dear School Board Members and Administration;

I would like this opportunity to express my interest in becoming a member of the USD 212 School Board. As an Alumni of Northern Valley I would like to be a voice in helping make the very best decisions for the future of this school. I currently have a student in school and hope in the future my grandchildren will have the opportunity to attend Northern Valley Schools as well. I believe the success that Northern Valley has had and continues to have, starts with a board and administration that strives on making the best decisions for the entire school. I would appreciate this opportunity and appreciate you all.

Sincerely,

Brandi Keith
