NORTON COUNTY NEIGHBORHOOD REVITALIZATION PLAN

At-A-Glance

The Opportunity: Home builders, developers, and those looking to invest in Kansas communities are asking for NRP's and other financial programs to incentivize investment activity and oftentimes choose those communities that offer such incentives. Norton County would help create this financial environment to generate housing construction projects from new homes to existing housing stock remodels and additions. Employers of all kinds are needing a variety of incentives to attract and retain potential employees. Most employers would agree that the current housing offering is sub-par and is a threat to filling critical job positions which support our local economy.

WHY NRP?

Economic Challenges: Norton County faces economic stress with incomes significantly below state and national averages. Many residents earn below the poverty level.

Population Decline: The county has experienced a population decrease of 6.4% from 2010 to 2020 and a 21% decline since 1980.

Aging Population: A significant portion of the population is elderly, with many living on fixed incomes.

Housing: Within the recent years, a housing study revealed significant problems in quality, affordability, and quantity of housing stock to support the current needs.

WHAT DOES NRP OFFER/PROVIDE FOR RESIDENTS? WHAT IS ELIGIBLE?

- All properties in Norton County are eligible for the program.
- Improvements must begin after the plan's effective date and be completed within a specified timeframe.
- Projects must result in at least a \$10,000 increase in the property's appraised value.
- Property owners must file an application with the County Appraiser before starting construction.
- A non-refundable application fee, based on the estimated value increase, is required.
- Approved projects receive property tax rebates based on the increase in property value due to the improvements.
 - o The rebate percentages decrease over **five years**:
 - **Year 1:** 90%; **Year 2:** 70%; **Year 3:** 50%; **Year 4:** 30%; **Year 5:** 10%
- The rebate only applies to the increased tax amount due to the improvements and does not include the state mill levy.

STIPULATIONS ON NRP:

- Owners must be current on all property taxes.
- The program does not cover properties owned by individuals or entities delinquent on any other property taxes within the county.

BOARD OF EDUCATION
UNIFIED SCHOOL DISTRICT #212 (ALMENA)
NORTON COUNTY, KANSAS.

President -

Vice-President -

Treasurer -

BEFORE THE BOARD OF COUNTY COMMISSIONERS
OF NORTON COUNTY, KANSAS.

IN THE MATTER OF THE ADOPTION OF A
NEIGHBORHOOD REVITALIZATION PLAN

REVITALIZATION PLAN

The Board of County Commissioners of Norton County, Kansas, (herein sometimes called "Governing Body") pursuant to the Kansas Neighborhood Revitalization Act, K.S.A. 12-17, 114 et. seq. does hereby adopt a Neighborhood Revitalization Plan (herein sometimes called "Plan") for the County of Norton as follows:

FINDINGS

Pursuant to K.S.A. 12-17, 116, the Governing Body FINDS:

1. Norton County currently suffers from periodic stressed economic conditions as evidenced by the following:
 - (a) Norton County incomes are significantly below statewide averages. The average per capita money income for Norton County in 2022 was \$28,514, with the state and national averages being \$38,108 and \$41,261 respectively. The median household income in 2021 for Norton County averaged \$49,304 whereas the state and national averages exceeded \$73,000. In 2022, an estimated 877 individuals, or 16.1% of our Norton County population, earned incomes below the poverty level. (US Census Bureau)
 - (b) Norton County's population growth is below state and national norms and has actually dropped 6.4%, from 5,651 to 5,301 between 2010 and 2020, according to the latest U.S. Census figures. The State of Kansas grew by over 3 percent during the same period. Norton County ranks 64th in population out of 105 counties. Since 1980, the population of Norton County has fallen by over 1,388 people or 21.0%.
 - (c) The median age of Norton County residents is 43.4 years, ranking the County 59th in the state. Nearly 20.3 percent of the population of Norton County is 65 years of age or older. With nearly one-fourth of the population not in the labor force and living on fixed incomes, renovating and rehabilitating existing housing is difficult.
 - (d) Coupling the aging population with the out-migration of youth to urban areas poses problems for future income earnings and leadership in the County. If this trend continues, either tax rates must increase, or cutbacks will be made to public services. The County's most glaring challenge is the potential inability of the tax base to support the levels of governmental services residents have come to expect and are essentially needed.

- (e) The number of housing units has decreased from 2,983 in 1980 to 2,461 in 2022. The number of households has decreased from 2,589 in 1980 to 1,881 in 2022. The median value of an owner occupied home in Norton County is \$98,800, well below the \$189,300 level for the State of Kansas. (US Census Bureau)
- (f) The tangible assessed valuation per capita for Norton County in 2005 was \$11,979, ranking the county 73rd of 105 counties in Kansas.
- (g) Numerous circumstances account for the challenging economic conditions in Norton County. A continuing decline in the number of farms, as well as the periodically depressed farm economy, has continued to cause a decline in retail sales. The resulting drop in enrollment at the area schools has forced school boards to increase taxes to make up for the lost state aid. This increase in taxes has limited many people from renovating existing housing or making needed improvements to property.

The County has also suffered from the continued out-migration of our youth to the more urban areas. This has had a negative effect on the number of available employees and the future leadership of the County.

2. Notice of hearing on this Plan has been given pursuant to K.S.A., 12-17,117(c) by publication in the Norton Telegram, official county newspaper, on the dates published, [redacted] and [redacted], 2025, editions of such newspaper and proof of such publication has been filed in the office of the County Clerk of Norton County.

3. By reason of the findings made in paragraphs 1 and 2 above, the Governing Body further finds that a majority of the conditions as described in subsection (c) of K.S.A. 12-17, 115 exist in the entire County of Norton as a single unit or area eligible for designation under the Kansas Neighborhood Revitalization Act and that the rehabilitation, conservation and redevelopment thereof is necessary to protect the public health, safety and welfare of the residents of Norton County.

PLAN

5. MUNICIPAL SERVICES. The Plan does not include any proposals for improving or expanding municipal services as described in K.S.A. 12-17,117(a)(5) and, if any proposals for any such improvements or expansions of municipal services are hereafter proposed by the Governing Body, then any such proposal will be prepared and considered independently of this Plan.

6. REAL PROPERTY ELIGIBLE.

(a) All real property and all improvements thereon situated in Norton County are eligible to apply for Revitalization under the Plan.

(b) Rehabilitation of and additions to existing buildings and, also, construction of new buildings are each and all eligible to apply for Revitalization under the Plan.

7. CRITERIA FOR ELIGIBILITY: PROCEDURE TO COMPLETE APPLICATION TO QUALIFY.

(a) The criteria to be used by the Governing Body to determine what specific real property is eligible for Revitalization and for Property Tax Increment Rebates are as follows:

(B) Construction must be completed and such fact reported to the County Appraiser no later than the second **January 1st** following the date on which the County Appraiser conditionally approved the Application to Qualify And To Participate; otherwise the Conditional Approval will become null and void and the Improvements, if any, theretofore completed will not be eligible to participate in the Plan and Rebate Program.

(ii) In order to qualify for Revitalization, a Parcel of real estate:

Bus NVR

To Ken Tharman <ktharman@nvhuskies.org>

So the one I was looking at before I can get through a vendor which is nice so we are not tied to any company. Vivotek NV9311P is the NVR. It allows for 8 Camers and runs \$1700. It is military grade. Then we add however many cameras you want. 1-2 and a security hard drive. The cameras are \$500 a piece and throw in a hard drive. I would say each bus would be \$4000 on the high side if you pitched it. We can come in under that but get approved for that.

Re: Intent to Negotiate Items of the Negotiated Agreement between the BOE and NVEA

The BOE would like to negotiate in good faith changing date of when the school calendar is due to the board, increasing the mileage reimbursement rate to match the consent calendar, the HS Athletic Director supplemental, and the items presented by the NVEA.

Submitted Respectfully,

Kenneth A. Tharman, Superintendent

Hilary Van Patten, BOE President
