PURCHASE AGREEMENT

RECEIVED OF New Horizon Homes, LLC the sum of \$500.00 as earnest money in part payment for the purchase of property in Mower County, Minnesota, described as:

Lot 10, Block 1, Nature Ridge Third in Outlot D and Outlot E, Nature Ridge and Northeast Quarter of the Southeast Quarter of Section 35, Township 103 North, Range 18 West, Austin, Mower County, Minnesota.

LEGAL TO GOVERN, all of which property the undersigned has this day sold to the buyer for the sum of \$43,900.00, which the buyer agrees to pay as follows: Earnest money \$500.00 and \$43,400.00 cash when the buyer obtains the construction loan but not later than June 1, 2025. Seller will defer \$10,000.00 of the purchase price until the spec home is sold by buyer herein and buyer will sign a Promissory Note for 10,000.00 with no interest to accrue.

The real estate taxes due and payable in the year 2025 shall be prorated as of the date of closing. The real estate taxes due and payable in the year 2026 and thereafter shall be paid by the buyer.

Any special terms, conditions or representations, not readily determined by actual inspection are to appear on the reverse side of this contract.

Subject to performance by the buyer, the seller agrees to execute and deliver a Warranty Deed conveying a marketable title to said premises subject only to the following exceptions: (a) Building regulations, zoning laws, ordinances, state and federal regulations, (b) Restrictions relating to use or improvement of premises not subject to unreleased forfeiture, (c) Reservation of any minerals or mineral rights to the State of Minnesota. Utility Easements. Subject to rights of tenants, if any.

Seller certifies that there are no wells or septic system on said property.

To the best of Sellers knowledge, there are no hazardous substances or underground storage tanks except herein noted: NONE.

Seller is not aware of any methamphetamine production that has occurred on the property.

The seller further agrees to deliver possession not later than June 1, 2025 PROVIDED THAT ALL THE CONDITIONS OF THIS AGREEMENT HAVE BEEN COMPLIED WITH. Closing date shall be on or before June 1, 2025.

The Seller shall at its sole cost and expense provide Buyer with a current Commitment from a title insurer acceptable to Buyer for issuance of an Owner's Title Insurance Policy (the "Title Commitment"). Buyer shall be allowed twenty (20) days after receipt of the Title Commitment for examination and the making of any objections thereto, such objections (exclusive of any of the Permitted Title Exceptions) to be made in writing or deemed to be waived. If any objections are so made, Seller shall be allowed sixty (60) days after receipt of such objections to

make title marketable. If title is not marketable and is not made to within said sixty (60) days of this Agreement, Buyer may either (i) waive the uncured title defect and proceed with this transaction; (ii) terminate this Agreement by written notice to Seller, whereupon the Earnest Money shall be returned to Buyer and the parties shall be relieved of all further liability under this Agreement; (iii) exclude from this Agreement in writing the portions of the Property affected by the uncured title defect and proceed with this Agreement as to the remainder of the Property, with appropriate adjustment in the Purchase Price. If the title to the Property is found marketable or is made so within said time, and this Agreement is terminated by Seller in accordance with Minnesota Statutes Section 559.21, all Earnest Money shall be retained by Seller as liquidated damages.

(1) The following shall be Permitted Title Exceptions:

- (a) Easements of record which do not interfere with the Buyer's intended use of the Property.
- (b) Reservations of minerals or mineral rights by the State of Minnesota.
- (c) Building, zoning and subdivision laws and regulations provided the Property and its current use are in compliance with the same.
- (d) The lien of real estate taxes which are payable by Buyer pursuant to the terms and conditions of this Agreement.

(2) The following shall not be Permitted Encumbrances:

- (a) Any mortgage now of record against the Property.
- (b) Judgments or liens not satisfied at or before Closing.
- (c) Real estate taxes and special assessments which are the responsibility of Seller pursuant to the terms and conditions of this Agreement.

Buyer has a general willingness to take title subject to the listed Permitted Title Exceptions subject to the other provisions of this Agreement and to an examination of title based upon the Minnesota Title Standards and upon Minnesota law.

Buyer also reserves the right to evaluate the Permitted Title Exceptions in the light of Buyer's intended uses and enjoyment of the Property. Buyer shall have until the end of the period for stating Title Objections under subparagraph B above to make the evaluation and determine if these title issues will affect Buyer's intended use and enjoyment of the Property. If Buyer, in Buyer's sole discretion, determines that these title issues will adversely affect Buyer's intended use and enjoyment of the Property, Buyer may declare this Purchase Agreement void by timely notice to Seller, neither party shall be liable for damages hereunder to the other, and earnest money shall be refunded to Buyer. If the period for stating Title Objections passes without Buyer's declaring that these title issues will adversely affect Buyer's intended use and enjoyment of the Property, then, subject to Seller's covenant to deliver a good and marketable title of record, Buyer shall take title subject to all Permitted Title Exceptions.

By delivery of the foregoing documents to Purchaser, Seller shall be deemed to have represented that all such documents and information are to Seller's Knowledge true, correct and

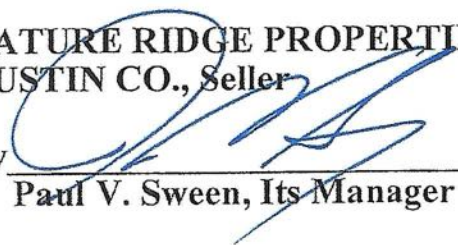

complete.

Buyer shall pay for the cost of an Owner's Title Insurance Policy.

I hereby agree to sell/purchase the said property for the price and upon the terms above mentioned, and subject to all conditions herein expressed.

MEETING CALLED

TO ORDER:

Chairperson Dube called the meeting to order at 4:00 p.m. in the District Office Conference Room at Austin High School.

AGENDA APPROVED:

A motion was made by Hartman, seconded by McAlister and carried unanimously to approve the agenda as presented.

PROPOSED FACILITIES

SCHEDULING TOOL

OVERVIEW:

Committee Chairperson Jen Lawhead presented information on the facilities scheduling tool being recommended for approval. Following demonstrations from several scheduling companies, the committee is recommending contracting with Arux due to the added features required by Community Education, ease of use, and its compatibility with software used by the Big 9. The request for approval will be brought forward at the regular May meeting.

FACILITIES DISCUSSION

AND PLANNING:

Sue Peterson and Kevin Bills from ISG and Michael Hart from PTMA reviewed identified priority 1 and priority 2 building improvement needs along with potential voter-approved bond and tax impacts. Discussion followed. The board will review the information provided, talk with community members for feedback, and determine if they will conduct a referendum campaign this November at the May special meeting.

DISTRICT PROGRAMMING

AND STAFFING UPDATE:

Board members took turns sharing their thoughts on proposed budget cuts, how those decisions are made, and the importance of communication.

ADJOURNMENT:

A motion was made by Hartman, seconded by Zielke, and carried unanimously to adjourn at 6:36 pm.

RECONCILIATION OF TREASURER'S BALANCE WITH BANK

0.00

DATE: May 11, 2026

TITLE: 2026-2028 APA Contract Approval

TYPE: Action

PRESENTER: Katie Baskin, Executive Director of Academics and Administrative Services

BACKGROUND:

Contract negotiations with the Austin Principal Association (APA) began in January 2026 and concluded on February 25, 2026. The process spanned two months of collaborative discussions focused on addressing staff needs, district priorities, and long-term sustainability, ultimately resulting in a mutually agreed-upon contract.

The following are highlights of the proposed 2026-28 contract:

1. Article 7: created insurance caps
2. Article 10: reduced the age of retirement with benefits to the age of 60
3. Article 10: decreased the amount of district covered insurance for retirees
4. Article 10: increase the amount of 403B to \$5,500 per year
5. Salary Schedule: increase doctoral stipend to \$3,000 per year added a lead principal stipend
6. Salary Schedule: added a lead principal stipend

The two-year total package for this proposed agreement is \$301,366.78. Using the Minnesota School Board Association's costing formula, the two-year percentage increase is 11.42%

Superintendent, Dr. Joey Page supports this recommendation.

RECOMMENDATION: I recommend approving the proposed 2026-28 APA collective bargaining agreement.

TITLE: Contract with Arux for Facilities Scheduling and Community Education

TYPE: Action

PRESENTER: Jennifer Lawhead

BACKGROUND:

Austin Public Schools currently lacks a consistent, efficient districtwide process for scheduling school facilities. To address this need, a team of district staff, representing multiple departments, collaborated with community stakeholders to examine current challenges and identify potential solutions.

The team explored the guiding question: *How can we implement an effective and efficient districtwide process, supported by new software, that ensures space-specific needs are met and that communication is clear, timely, and consistent for all internal and external stakeholders?*

As part of this work, the team reviewed district operational needs, community use requirements, and evaluated three software platforms designed to support facility scheduling and community education programming.

RATIONALE:

Based on this review, the team recommends moving forward with Arux. This platform enables centralized facilities scheduling, significantly reduces the risk of double-booked spaces, and improves access to accurate, timely information for both internal users and community members. The tool supports clearer communication and more efficient coordination for facility use and program participation across Austin Public Schools.

RECOMMENDATION:

Approve the use of Arux, a comprehensive cloud-based platform designed to modernize and streamline the management of after-school programs, childcare services, enrichment courses, and facility scheduling across the district.

TITLE: Kelly Services

TYPE: Information

PRESENTER: Sue Stark, Director of Human Resources

BACKGROUND:

During the 2025–2026 school year, the district established a Substitute Task Force to address the ongoing need for consistent classroom coverage by substitutes. The task force includes 38 members representing teachers, administrators, clerical staff, and substitute teachers. The purpose of the group was to examine the district’s current substitute system and identify opportunities to strengthen and improve substitute coverage across the district.

The task force focused its work around the guiding question: *How can the district strengthen systems, staffing, and support to ensure consistent classroom coverage in ways that are sustainable, effective, and student-centered?*

As part of this work, Kelly Services presented information to the task force regarding substitute staffing solutions. Their presentation highlighted strategies to improve substitute fill rates, expand the substitute pool, increase consistency through training, and create a more predictable and reliable daily coverage system.

RATIONALE:

The district continues to experience challenges in securing consistent substitute coverage, which can impact student learning, staff workload, and daily school operations. Improving substitute staffing systems is necessary to ensure classrooms are consistently supported by qualified personnel and to reduce disruptions caused by unfilled absences.

Through the work of the Substitute Task Force, the district identified a need for stronger systems and additional supports to improve substitute recruitment, training, and placement processes. Kelly Services’ proposal offers potential solutions to these challenges by increasing access to a larger substitute pool, improving fill rates, and providing more structured training and support for substitutes. These improvements would help create a more sustainable, efficient, and student-centered substitute coverage system across the district.

Kelly Services will also provide and fund Red Rover absence management for our school.

RECOMMENDATION:

This is information only but will be brought to the board for a vote on May 26, 2026.

DATE: May 11, 2026

TITLE: Approval of Red Rover for Absence Management and Hiring Software

TYPE: Action

PRESENTER: Sue Stark, Director of Human Resources

BACKGROUND:

Austin Public Schools has used Frontline Education for absence management, as well as recruiting and hiring, for the past 15 years. During this time, the system has undergone very few upgrades, prompting a review of both Frontline and alternative solutions that better meet the district's needs. A committee of 34 APS staff members participated in a product demonstration of Red Rover as part of this review.

RATIONALE:

During the demonstration, questions were addressed thoroughly, and overall feedback indicated that Red Rover would be a strong replacement for Frontline.

RECOMMENDATION:

I recommend transitioning our absence management and hiring software to Red Rover, with an implementation date of July 1, 2026, for absence management and October 1, 2026, for hiring.

DATE: May 2026

TITLE: Academics and Administrative Services

TYPE: Information

PRESENTER(S): Katie Baskin, Executive Director of Academics and Administrative Services

BACKGROUND:

The Office of Teaching and Learning oversees curriculum, instruction, staff development, and Federal Title programs for the district.

The Human Resources Office is responsible for employee recruitment and orientation, contract negotiations for all bargaining units, employee relations, student and employee data practices, and staffing with building/program administrators.

Support and resources to ensure a safe and welcoming learning environment

- **Principal Professional Development:** Principal professional development focused on strengthening instructional leadership and operational consistency across buildings. Sessions included effective use of EduClimber, connecting high-quality Tier 1 instruction and HITS practices to staff evaluation, and clarifying the principal role as the Special Education LEA representative/designee. Principals also received training on the transition to Microsoft Bookings for conference scheduling to improve family access and efficiency. In addition, guidance was provided on the effective use of Microsoft Teams channels to support communication, collaboration, and document management.
- **Leadership Professional Development:** The District Leadership Team continues its work supporting schools in the development and refinement of their Site Improvement Plans. This work emphasizes coherence across buildings and departments while ensuring specific goals remain responsive to student and staff needs. In addition, the team has begun planning for professional development on artificial intelligence, scheduled for October 2026, to build shared understanding and responsible use. This planning reflects our ongoing commitment to preparing staff for emerging tools that support teaching, learning, and operational effectiveness.
- **Teacher Mentorship:** During the month of April, year 1 teachers and certified staff spent time reflecting on classroom management practices, hints and tips. Our teachers have a wide variety of experiences, and this was a great opportunity for those with experience in the classroom to also share their ideas and strategies. Year 2 teachers did asynchronous learning this month completing a licensure requirement of their choice or need. Year 3 teachers continued their learning work around higher order thinking. They had great conversations about ways to incorporate these ideas into their classroom. May 4 is our last mentorship meeting of the year. All year 1, 2, and 3 teachers come together to celebrate the accomplishments of the year, reflect and provide feedback so that we can continue to evolve the program and meet their needs.
- **Human Resources Dept.:** HR is currently reviewing application and absence management software to identify solutions that better support staff needs while improving efficiency and accuracy in HR processes. This review focuses on streamlining workflows, enhancing user experience, and ensuring the systems align with district operational and reporting needs.
- **Safe and Welcoming Schools:** The District Security Committee spent this year strengthening emergency warning systems with a clear focus on accessible, reliable communication for all staff, including alignment with ADA requirements for employees who are deaf or hard of hearing. The committee reviewed multiple emergency

management platforms through vendor demonstrations and narrowed the options based on functionality, usability, and cost. Current analysis is focused on E3 and Raptor, which offer comparable pricing and strong tools for multimodal emergency communication and reunification support. The committee will continue its evaluation with the goal of recommending a system that enhances safety and provides teachers and staff with clear, actionable guidance during emergencies.

Packer Profile for all learners

- **Grow Your Own:** An exciting time in our GYO program! The students are having some great experiences as they continue to make college visits, most recently to the University of Minnesota. The GYO teacher signing event will feature 9 students and honored educators this year. This event will be held on May 19. We will also award the first GYO Grant Scholarships that evening. There are many summer opportunities coming up for our students, including a new opportunity to collaborate with Riverland and the YMCA. Our future teachers will be working to plan lessons and provide classroom experience for 2 weeks. This opportunity will give students some of their first classroom experiences planning a lesson and leading students through learning.
- **Packer Profile Implementation:** As a part of our ongoing work to support student pathways and career readiness, portfolio development continues across all grade levels at the high school. Seniors have established alumni accounts in SchoolLinks that will activate upon graduation, allowing continued access to college and career resources beyond AHS. Freshmen are actively developing their portfolios and will present later this month, while sophomores continue adding meaningful artifacts and juniors have participated in an assembly focused on portfolio expectations as they prepare for senior year. We are also looking ahead with excitement as Ellis is preparing to launch new Profile-related work next year.

District-wide multi-tiered systems of support for all learners

- **MTSS Implementation:** At the recent District MTSS meeting, leaders reviewed several next steps focused on strengthening systems and alignment across the district. Work is underway to develop a streamlined communication/contact log based on principal feedback, with an emphasis on simplicity and potential alignment with EduClimber. AHS is also defining its SST process for next year to clarify how supports align with BARR and broader student needs, which will be incorporated into district MTSS guidance. In addition, SEL feedback and synthesis are being shared with our MDE partner to inform next steps for 2026–27, alongside initial planning with student support staff representatives. Finally, MTSS growth areas and celebrations will be shared with principals and site leadership teams.
- **READ Act:** Sheila
- **EL Program Review:** Cross-department collaboration is essential to ensuring equitable outcomes for all learners. This year, the Special Education and English Language programs initiated coordinated work focused on strengthening decision-making for students who present with both language acquisition needs and learning concerns. Principals, instructional coaches, school psychologists, and speech-language pathologists collaborated to examine barriers and identify effective practices, with the goal of establishing a clearer, more consistent MTSS pathway for distinguishing between language difference and potential learning disability. This integrated approach supports earlier, more accurate identification and ensures students receive the appropriate instructional and intervention supports.
- **Math Program Review:** A team of eight K–12 APS teachers attended the Minnesota Council of Teachers of Mathematics (MCTM) Conference in Duluth on April 24–25. The conference, titled *Aligning Standards in Context, Culture, and Community*, featured keynote speakers and breakout sessions focused on a range of high-impact mathematics instructional practices. Participating teachers are eager to share and apply their learning as the district begins its work toward adopting the new Minnesota Mathematics Standards and engages in curriculum review as part of this process.
- **GT Program Review:** We hosted our elementary Pi meeting inviting identified students and families to learn more about the Pi program at Southgate Elementary. Parents and students have appreciated the opportunity to learn more about programming. We also celebrate the work of Karla Carroll who has worked to shape the Pi program during her years of service to the district.

Excellence in Resource Management

- Teaching and Learning:
 - After several months of review and collaborative decision-making with internal stakeholders, the Teaching and Learning team recommends the adoption of Lexia PowerUp as the secondary reading intervention curriculum to support implementation of the new state-required literacy program under the READ Act. This program will provide targeted, research-based instruction to address students' literacy needs and support improved reading outcomes across grade levels.
 - CTE teachers are continuing to review curriculum needs for purchase and we are in the process of getting quotes to ensure that we are meeting classroom needs and budget guidelines.

TITLE: Finance and Operations

TYPE: Information

PRESENTER(S): Todd Lechtenberg, Executive Director of Finance and Operations

BACKGROUND:

The Finance Department includes payroll, employee benefits, accounts payable, accounts receivable, accounting, and fixed asset management. The Executive Director of Finance and Operations oversees Facility Services, Food & Nutrition Services, and Transportation Services.

Support and resources to ensure a safe and welcoming learning environment

- Building and Grounds are working to develop a way to print ID cards for our vendors when they are in our buildings, so staff know who they are.
- New copiers are going to be installed during the week of March 9th and will allow us to move into phase 3 of Papercut. Thank you to Amy Thuesen and her team for leading this process.
- Developing a plan for security cameras not only installing new ones but also ensuring we have replacement plans in place for current ones.
- Working with the Security Committee to develop a process for notifying staff when we have an emergency that is not people dependent but more system driven.
- Plans have been approved to provide a new and improved office space at Austin High School in the main office and in the administration area. Work will be completed by end of July.

Packer Profile for all learners

- The Departments continue to collaborate with colleagues across the district to better learn how we can support the work.

District-wide multi-tiered systems of support for all learners

- The Departments continue to collaborate with Teaching & Learning, Special Services, and Building Administration to support and learn about MTSS and the impact it will have on student success.
- Reviewing our state and federal special education budgets to decide the best way to maximize our funding.

Excellence in Resource Management

- **Finance Department**
 - Budget process for 2026-2027 school year is underway with some challenging times ahead. Plan is to present in June.
 - Here is the financial review for [March](#). If you have any questions, please contact us.
 - We are starting to review the process of applying for the ASBO Excellence in Reporting, which will be a goal for the 2025-2026 audit along with the 2026-2027 budget.
- **Food and Nutrition Department**
 - The Food Service department is moving to a new menu software system (School Café) towards the end of this school year that will make it easier on our head cooks and staff

for production records and digital menus. The only change to parents will be a new URL, which we will communicate once we are ready to roll the new software out.

- Plans are underway to upgrade the kitchen facilities at AHS, Ellis, Southgate and Neveln

- **Building and Grounds**

- Been meeting with City of Austin and Riverland to develop to ensure that the Austin Public Schools baseball program will have access to the fields at Riverland. These meetings have been productive, and the joint powers agreement is almost ready between City of Austin and Riverland.
- Thank you to Joe and team for all their hard work this past weekend as they successfully deflated and put away the dome for the summer.
- Reviewing the CMA RFP proposals from the four companies that submitted the proposals. Plan is to interview on May 11 with a decision to be made by May 13.
- Summer projects planning is already underway and will be reviewed at the facilities and finance committees in May along with the work session at the end of May.

TITLE: Information Services

TYPE: Information

PRESENTER(S): Corey Haugen, Director of Information Services

BACKGROUND:

The mission of the Information Services department is to support the district mission and strategic priorities by building capacity through research, evaluation and the application of data to inform school improvement for student success. We provide support and expertise to schools and staff through:

- Providing expertise in the area of measurement and delivering accurate and timely information to building and district staff
- Providing support to district and schools through a systematic evaluation process of district programs
- Reviewing and summarizing data related to student learning and instruction
- Providing professional development on assessment practices, data analysis and interpretation

Support and resources to ensure a safe and welcoming learning environment

- Information services is working with all K-12 sites on building out 26-27 rosters and schedules. Here is a brief summary of the process for KG-06 class rostering.
 - **Teacher input is obtained** – teachers provide student feedback through a documentation process that provides targeted notes on students. These teacher inputs include student constraints, students that work well together and students that should be rostered together for specialized services.
 - Information Services takes all the **teacher feedback** and loads it into a **data structure** including data points from the following domains:
 - ✓ Demographic Information
 - ✓ S1 Life Skills Grades
 - ✓ S1 Reading Grades
 - ✓ S1 Math Grades
 - ✓ Attendance Data
 - ✓ Behavior Data, Both Infinite Campus/SWIS
 - ✓ Assessment Data: STAR CAT & CBM's, FAST, ACCESS, CogAT
 - Overall – there are **90+ variables per student** that go into the **algorithm** for clustering/balancing rosters.

- Information Services builds out **balanced classroom rosters** and then site leaders review the rosters with staff to gather **additional feedback and updates**. This is an **iterative process** and will go back and forth until we get the approval from all staff at the site.
- Once stakeholders have approved the rosters, we load the students into the Infinite Campus Student Information System for 26-27 access.

Packer Profile for all learners

- Information Services has been actively working with all our sites to make sure we are prepared for 2026-2027 including new course offerings. We **audit and maintain all courses taught throughout the district** and report student-level grade detail to MDE annually through the MN Common Course Catalog (MCCC) reporting requirements.

District-wide multi-tiered systems of support for all learners

- **MN STATEWIDE ASSESSMENTS (MCA-III/MTAS & MCA-IV/AltMCA) 2025-2026**
 - Teachers and students throughout the district have been working hard throughout the month of April and early May to complete statewide accountability assessments. **Final results from this spring 2026 administration will be available later this summer.** I can however, tell you that as of May 5, 2026 we have completed in total 2,423 MCA-III Mathematics assessments, 2,467 MCA-IV Reading assessments. All told, 4,890 Math and Reading assessments have been completed through May 2. Science testing is scheduled to conclude on May 8. Testing has been going very smooth this year, both from a technical and administrative perspective and we are currently beginning to review embargoed preliminary results in mathematics. Due to the Reading assessment switching to the MCA-IV, prelim results are not available until after standards setting and psychometrical analysis is complete for fall. I would like to thank all the district students, staff and administration for their attention to detail and hard work through another statewide testing season.
- **STAR/FAST Benchmarking Window** opened April 27 and will continue through May 15. This end-of-year assessment period is used to determine year-long growth metrics and help teachers and students see the impacts of their teacher and learning throughout the whole year. We are excited to see positive results later in May when final results are available after May 15.

Excellence in Resource Management

- **SUN Bucks Is Back Again This Summer!**
 - SUN Bucks is an U.S. Department of Agriculture (USDA) Summer Nutrition Program that helps kids thrive by providing families with resources to purchase healthy foods during the summer months.
- **What Is SUN Bucks?**
 - SUN Bucks is an income-based food support program that offers eligible families \$40 per month per child (a total of \$120) during the summer. Funds are provided on SUN Bucks EBT cards and must be used within 122 days of issuance. Families are encouraged to use their benefits as soon as possible to avoid expiration.
- **Who Is Eligible?**
 - Students are automatically enrolled in SUN Bucks if they are directly certified through programs such as:
 - Supplemental Nutrition Assistance Program (SNAP)
 - Minnesota Family Investment Program (MFIP)
 - Food Distribution Program on Indian Reservations (FDPIR)
 - Foster care or Medicaid

- Students identified as homeless, migrant, or runaway (categorically eligible)
- Students with an approved Application for Educational Benefits for free and reduced-price meals through the National School Lunch Program or School Breakfast Program are also eligible.
- **Data Collection Process**
 - The Minnesota Department of Education (MDE) will collect student eligibility data from schools via the SUN Bucks data portal. The Department of Children, Youth, and Families (DCYF) will then issue benefits directly to eligible students.
 - Information Services will be completing the reporting requirements for the SUN Bucks program throughout the summer by uploading eligible student data to the SUN Bucks portal. As of May 5th, we have submitted **3,092 total eligible students** that will generate **\$371,040 dollars of EBT disbursements**.

TITLE: Special Services Department Update

TYPE: Information

PRESENTER(S): Dr. Sarah Knudsen, Executive Director of Special Services

BACKGROUND:

The Special Services Department includes oversight of the following:

- Special Education Services
- School Health Services
- Student Support Professionals (School Counselors, School Social Workers, School Psychologists)
- Mental Health Supervision and Supports (internal and external)
- Oversight of education at Nexus Gerard's New Dominion School
- Oversight of education at the Austin Albert Lea Area Special Education Cooperative (AALASEC)

Support and resources to ensure a safe and welcoming learning environment

- Special Education Mentoring Project has completed three group mentoring sessions
 - Focus of mentoring sessions has been due process requirements and understanding IEP development
 - 10 mentees and 5 mentors participated
 - Mentors and mentees met one time individually between group mentoring sessions
 - Mentoring project is funded by a grant from Region 10

Packer Profile for all learners

- The April Special Education Advisory Council (SEAC) meeting was held at the Austin Transition Program location in downtown Austin
 - Staff and students hosted the meeting and provided a welcome
 - Presentation highlighted key program components, including:
 - Work experience opportunities
 - PAES lab
 - Classes held on the Riverland campus

District-wide multi-tiered systems of support for all learners

- Cross-department meeting was held to share learning and key insights regarding multilingual learners and identification for special education
 - Participants included:
 - Teaching staff
 - Building principals
 - Teaching and learning staff

- Special education staff, including school psychologists and speech/language pathologists
 - Shared new learning from a fall conference and insights from initial implementation of new concepts
 - Discussion focused on next steps for integrating key components into the MTSS process
- School psychologists met over the last month to plan for service delivery for next year
 - Discussion topics included:
 - Optional service delivery models due to an open position
 - Role clarity and alignment across buildings and settings

Excellence in Resource Management

- Continued efforts to recruit and hire staff
 - Currently recruiting:
 - Special education teachers
 - Speech-language pathologists (SLPs)
 - School psychologists
 - Hired one speech-language pathologist
 - Seeking contracted services for unfilled related service positions (speech and school psychologists)
- Special education paraprofessionals will be hired over the summer months
- Special education Instruction and Inclusion Coaches have been hired
- Assistant Director of Special Education selection process is underway
- Budget planning for the 2026–27 school year is in progress
- Speech Department is developing a process to accurately document workload and caseload:
 - SLPs reviewed and trialed a tool
 - Refinement of the tool is underway
 - Planned implementation for the 2026–27 school year

TITLE: Technology Services

TYPE: Information

PRESENTER: Amy Thuesen, Director of Technology

BACKGROUND:

Technology Services designs, implements, and supports the technology infrastructure and resources in the district. This includes network and communications, hardware and software, and technology training and integration.

Technology Advisory Team

- At the final meeting for the year, the Team discussed:
 - The new AI Policy 625 and how that policy will guide the district forward in its use of Artificial Intelligence.
 - The district's 3-Year Technology Plan, which is now just rounding out Year 2. We reviewed the goals and initiatives that have been completed as well as those that still need work. Next year, this Team will draft a new 3-Year Technology Plan to start in 27-28.
 - An updated student laptop damage and fine process. Members provided valuable feedback on the draft of a new fine structure for 26-27. The goal of this new structure is to simplify and clarify fines assessed for student laptop damage. Members also emphasized the importance of clear communication with families about laptop care and expectations, both at school and at home.
 - Finally, we discussed the rising price of technology hardware and its current and future impact on our district's technology purchases.

Support and resources to ensure a safe and welcoming learning environment

- Over the last several months, we have been working toward a major shift in how Tech Services manages account creation and management for staff and students. This work is planned to culminate during June, at which time we will be transitioning our user identity management to OneSync and Entra, moving users out of Active Directory. Functionally, this is a move from on-premises identity management to cloud identity management. This will have a significant impact on our ability to:
 - While logins will remain the same, we will be able to provide users with more timely and accurate access to their Microsoft account and to the email groups and Teams that are used to manage district and building communication and collaboration.
 - Manage security protocols related to account access, password management, and off-site access.

- Reducing reliance on legacy protocols which are harder to secure.

Districtwide MTSS & Packer Profile

- The district is inviting staff members to join a new working group called the Digital Futures Team. This team will not only fulfill the requirements of the AI Committee as outlined by Policy 625 (Acceptable use of AI), but will also be a step toward including instructional staff more fully in the discussion and guidance of APS Technology. This group will:
 - Guide the district's AI objectives and develop, implement, and review district procedures for AI use.
 - Provide feedback for technology-focused professional development.
 - Assist in the review of district adopted technologies (both hardware and software).
 - Have the opportunity to participate in technology pilot testing as new technologies are explored.
 - Provide feedback on district technology replacement cycles and distribution.

Excellence in Resource Management

- While the rise of Artificial Intelligence precipitated the need for a new AI Policy, it's also having an impact on hardware prices. AI is rapidly increasing demand for chips, memory, and data center infrastructure—raising prices and lengthening lead times for both businesses and consumers. We were able to purchase the new 26-27 student devices in December 2025, before prices increased significantly. We also put in our order for new 26-27 staff devices in mid-February. However, we learned in mid-April that the vendor wasn't able to fulfill our order for staff devices and we had to get a new quote for the order—the prices on that quote were approximately 20% higher than our original pricing quote. We then considered our options:
 - Switch vendors, manufacturers, or device models. We saw broad price increases across comparable Windows device options, and it wasn't workable to reduce the functionality of our staff devices. Moving to a non-Windows device with such a short runway to 26-27 would also be challenging for deployment and staff learning.
 - Delay this year's replacement and try to catch up next year. Prices are projected to remain elevated into 2027 and beyond, and may increase further.
 - Extend the replacement cycle for staff devices to five or six years. This would put devices out of warranty before end of use, and older devices tend to perform more poorly and require more costly repairs.

Considering all of the above, we made the decision to move forward with the purchase at the higher per-device price. We will closely monitor pricing and take time during 26-27 to consider our options on device selection and replacement cycle planning.

TITLE: APS Site Reports
TYPE: Informational
PRESENTER: Dr. Joey Page, Superintendent

BACKGROUND:

The following is a summary of events and items from our sites.

Austin High School:

- Support and resources to ensure a safe and welcoming learning environment.
- This month we had the opportunity to recognize our staff for their years of service. It was a great time to reflect on our staff and the impacts they make on a daily bases. Congrats to the following:
 - 5 years of service: Jenna Berg, Robin DeGlavin, Conner Jones, Nick Schiltz.
 - 10 years of service: Tiffany Abbott, Bobbie Stone, Kathy Ewing, Karen Huff, Gabe Nelson, Ashley Wilson.
 - 15 years of service: Yenny Ahumada, Allison Gunderson.
 - 20 years of service: Jens Levisen
 - 25 years of service: Colleen Owens and Nancy Jones.
- Packer Profile for all learners.
On Wednesday, April 29th we had our final Packer Portfolio Lesson and Assemblies. 9th and 10th graders completed work in classrooms while 11th graders had an assembly to review the Packer Portfolio requirements for graduation, learn about Direct Admissions and dive deeper into School Links. Seniors spent the hour with AHS Counselors to review final steps towards graduation and ways to stay connect with us after through School Links.

Senior: <https://app.smore.com/n/rhtma>

Junior: <https://app.smore.com/n/164etr>

- District-wide multi-tiered systems of support for all learners.
- During the final month of the school year, MTSS efforts at Austin High School focused on helping students successfully complete coursework and finish strong. The campus provided structured opportunities, including designated catch-up days and work sessions, for students to complete missing assignments and demonstrate mastery of essential standards.

- Teachers and support staff aligned efforts across all tiers to ensure students had access to the time, support, and resources needed to meet end-of-year expectations. These coordinated supports emphasized accountability, engagement, and persistence, ensuring students had multiple opportunities to remain on track for promotion or graduation.
- Excellence in resource management.
This was our communication with our school community. End-of-the-Year Student Device Turn-In
As we approach the close of the school year, we are preparing for our annual End-of-the-Year Student Device Turn-In. It is imperative that all student devices are returned at the end of the year. Devices are collected so they can be serviced, updated, and repaired to ensure optimal use for the Fall 2026 school year.
Device Turn-In Dates:
Seniors: Thursday, May 22 at 1:45 PM, during the Senior Walk
Seniors must turn in both their computer and charger at this time.
Students in Grades 9–11: Wednesday, May 27, beginning in the afternoon
All student devices must be turned in. Families will be charged the full replacement cost for any device or charger that is not returned. Prior to turn-in, students should remove all stickers, cases, and personal items from their devices to support an efficient collection process.
We appreciate everyone’s efforts and cooperation in helping us conduct a smooth and successful end-of-the-year device turn-in. Thank you for your continued partnership as we close out the school year and prepare for the year ahead.

Austin Online Academy/Austin ALC :

- Support and resources to ensure a safe and welcoming learning environment.
 - The recent increase in graduation rates across Austin Public Schools is a significant achievement for the district. A closer analysis of last year’s graduating class shows that alternative programming played a substantial role in this success. Of the 352 graduates, 73 students were enrolled in the ALC and 69 students completed one or more courses through AOA during their senior year—meaning over 40% of graduates were directly supported by these programs.
 - This data underscores that alternative programming is not supplemental, but a critical component of the district’s graduation outcomes. The flexibility, individualized support, and strong relationships provided through ALC and AOA create pathways for students to persist and succeed. Continued investment in these programs remains essential to sustaining and growing overall graduation success.
 -
- Packer Profile for all learners.

- The AOA and ALC Experience courses continue to serve as a foundational element of both programs, providing students with structured time and targeted support that directly impacts their overall success. Staff consistently report that students who engage in these courses on a weekly basis demonstrate stronger performance across their other classes. Students also value having a dedicated space to work on essential life and postsecondary tasks—such as completing the FAFSA, building resumes, and applying for jobs—with guided support, making the experience both practical and highly relevant to their future goals.
-
- District-wide multi-tiered systems of support for all learners.
 - MCA testing for Austin Online demonstrated strong student commitment and family engagement, with 38 students participating across multiple testing dates and locations. Notably, students traveled significant distances—including up to 164 miles one way—highlighting both the value families place on participation and the importance of accessible testing options. The YMCA site proved especially effective, offering a calm, comfortable environment for students and convenient amenities for families, contributing to a positive and supportive testing experience.
 -
- Excellence in resource management.
 - *Last month we had over 67 credits recovered in our night school in the ALC. Counselors are working to support seniors in completing the CLP for summer school if they need additional credits to graduate.*
 -

Ellis Middle School:

- Support and resources to ensure a safe and welcoming learning environment.
 - BARR meeting to review strengths and determine next steps in creating Teams for 26-27 school year
 - BARR report from Karen Dunbar:
 - During our second year of implementation, our BARR Coach visits 3 times during the school year. He spends the day with us observing I-Time lessons, block meetings, and our community connect meeting. This is a way for him to see the progress of BARR at Ellis. His last visit was on 3/4/26. A few of his comments are below.
 - Small Block teams assessed grades, honored strengths, and did a respectable job of concentrating on the area of concern.
 - The Big Block team allowed all voices to be heard, shared responsibilities, and consistently found targeted interventions for each student reviewed.

- The Community Connect team zeroed in on new or transitional students, and the school nurse presented great insight that led to a more robust student review.
- The consistency of I-Times facilitation continues to be a bright spot for this school. The I-Time lesson observed had a strong review of House Rules, created opportunities for small group conversations, and demonstrated teachers being flexible with their student population.
- One data point that we are tracking is the **failure rate** by quarter. In the first, second, and third quarters, we are pleased to see a downward trend over the last 4 years.

	2022-23	2023-24	2024-25	2025-26
Quarter 1	11.5%	10.2%	11.10%	9.1%
Quarter 2	13.4%	16.6%	15.5%	11.4%
Quarter 3	15.5%	14.9%	12.5%	11.7%

- Another data point that we are tracking is the number of **behavior referrals**. The number of behavior referrals per month has gone down significantly since we started BARR in the Fall of 2024.

- CRT met in March. Review of threat assessments and back-up plans for staff absences during emergencies were discussed.
 - Final student survey (Building wide IGDP goal) to be given to students in May to determine changes from mid-year survey
 - 2 Hour Connect included PBIS expectations in the hallway/classroom/bathrooms and lunchroom. In addition, the spring play Seussical Jr. was livestreamed into the classrooms for student enjoyment. Students who displayed the Packer Core Values were given a PBIS ticket to watch the event live.
 - 6 to 7 tours are scheduled for 5/27 and will include a building tour, Ellis PBIS expectations and introduction to the administrative team
 - Last CRT meeting for the year is scheduled for 5/25
 - First 20 Days of school planning committee developed. Currently reviewing past practices to determine next steps. This will include the planning/implementation of a 7th grade orientation day in August (Potential dates: 8/10, 8/17 or 8/18)
- Packer Profile for all learners.
 - We have started our work with Emily Hovland. She will help coordinate our Career project and our Eagle Bluff trip along with Rod Pesch.
 - Parent Academic Engagement Event on 3/19. Utilization of Title funds to feed our families. Student performances and department led activities throughout

the building. Positive staff/student feedback received. During the 26-27 school year we would like to incorporate this event into an academic day, abbreviate the time frame and expand to include the career project:

- District-wide multi-tiered systems of support for all learners.
 - Dr. Gabrielson/Dr. Cabeen:
 - ALC/Math intervention work for next year is in full swing:
 - Still going to have roughly two sections of "core" ALC students who will have a structured Academic Coach class.
 - Goal planning, LA, SS, Science Support, Social/Emotional learning
 - ♣ We will have a paraprofessional in there full-time to help with the groups.
 - ♣ Student identification process
 - Urgent Intervention, non-SPED, still figuring out EL.
 - Some Intervention kids may be considered.
 - High SGP Fall-Winter
 - May adjust after Spring scores are in for STAR Assessments
 - ♣ Working on student identification as well and resources.
 - Reading Intervention pre-planning is complete. This course will be in addition to core content instruction. Students will be enrolled for a full year of services and re-evaluated at the end of each quarter to determine if the level of intensive instruction continues to be necessary.
 - The proposed LIEP has been reviewed as well as the data pulls to make informed decisions regarding placement for students receiving EL services. Co-Taught sections will be reduced, and content area focus shifts (more math and language arts) are occurring.
 - 6 to 7 special services meetings have occurred to assure an appropriate transition and correct classroom placement for students who qualify for services
 - 7 to 8 special services meetings have occurred to assure correct classroom placement for students who qualify for services
 - We have approval and finalized the digital music class for next year.
 - We met with the music department to begin work on new music offerings for the 27/28 school year.
 - Presidential Awards and NJHS Induction is scheduled for 5/21
 - Excellence in resource management.
 - Re-Evaluation of PBIS/STAND for the building for 26-27. Both are stipend positions.
 - Substitute satisfaction surveys will be sent by May 15. Names/emails have been secured to complete the process

IJ Holton Intermediate School:

- Support and resources to ensure a safe and welcoming learning environment.
 - PBIS Celebration – Topic: Community Service. This was very successful we cleaned Todd Park and it was a beautiful day.
 - School Dance: Again, another huge success; attendance was down a little but much fun was had by all!
 - Continued Growth in BARR: We continue to integrate BARR and the BARR lessons into our daily work.
 - Mr. Schara and Mr. Malo started visits to elementary schools to talk with 4th graders.
 - Continued to look at using strengths to realign staff, especially with some leaving.
 - 4th grade tours of Holton are scheduled.
 - We continue to work on our first 20 days scripting for next school year.
 - BARR report from Karen Dunbar:
 - During our first year of implementation, our BARR Coach visits 4 times during the school year. She spends the day with us observing U-Time lessons, block meetings, and our community connect meeting. This is a great way for her to see the progress of BARR at IJ Holton. Her last visit was on 4/13/26. A few of her comments are below.
 - Many Small Block teams are nearing their goal to talk about all students by the end of the school year.
 - Teachers come to block meetings prepared to discuss student concerns and collaborate with their peers with new ideas to support each other and their learners.
 - Hundreds of postcards have been sent to students to encourage them in their growth and share their successes with their families.
 - The school is using data to support consistent practices and make adjustments when needed.
 - Below is our progress throughout the year according to our coaching reports from the 4 coaching visits. We have improved significantly in each of the 8 areas throughout the year.

Banfield Elementary School:

- Support and resources to ensure a safe and welcoming learning environment.
 - Banfield hosted a Family Glow Night on April 30 with over 400 attendees, creating a strong turnout and positive community engagement. We provided a variety of interactive activities for families, including glow-in-the-dark bingo, silent disco, and glow bowling. We provided pizza for families but ran out within the first hour.
 - Banfield celebrated Teacher Appreciation Week with multiple activities throughout the week to recognize staff efforts. Meals and treats were provided through the combined support of administration, BPTC, and local community organizations. Appreciation efforts focused on acknowledging staff dedication and maintaining a positive school culture as the year progresses.
 - Student created a video to say Thank You

Neveln Elementary School:

- Support and resources to ensure a safe and welcoming learning environment.

We welcomed our newest Neveln Knights on Tuesday, May 5th during our Kindergarten Welcome Event. We had 26 incoming Kindergarten students attend with their families and loved ones. Students enjoyed games, coloring, stories, and a bus ride with the Kindergarten teachers. Families participated in an informational session with Mrs. Hemann to learn more about Neveln Elementary and the Kindergarten experience. Families also had the opportunity to sign up for Packers in Training and schedule Kindergarten screening appointments.

It was a wonderful opportunity to connect with and welcome our new Neveln families into our Knight community.

We are excited to invite families to our Spring Family Event on Thursday, May 14th from 4:00–6:00 PM. This outdoor event will feature free food, ice cream, games, and more — a fun-filled evening is planned for the whole family.

- Packer Profile for all learners.

Throughout the year, our students have been uploading work into Seesaw to demonstrate their growth in reading and math. Families are encouraged to regularly review their child's learning artifacts and celebrate their progress together. If families are having trouble accessing their child's Seesaw account, they are encouraged to contact their child's classroom teacher for assistance with access codes.

Our Neveln Knights are also participating in several field trips this spring to help explore future career pathways and connect classroom learning to real-world experiences.

- Kindergarten students are visiting the Hormel Nature Center in May.
- 1st Grade students are visiting the Hormel Historic Home and Hormel Nature Center in May.
- 2nd Grade students are visiting Oxbow Park and Zollman Zoo in Byron, Minnesota on May 7.
- 3rd Grade students are visiting the Minnesota Zoo in Apple Valley, Minnesota on May 11.
- 4th Grade students are participating in the Canoemobile experience, touring IJ Holton, and visiting the Mower County Historical Society on May 13.

- District-wide multi-tiered systems of support for all learners.

Our students in Grades 3 and 4 recently completed the MCA assessments in reading and math. We are proud of our Neveln Knights for their hard work, perseverance, and positive attitudes during these important assessments.

Our schoolwide attendance goal is 90% or higher each week. This goal represents our commitment to ensuring every student has access to the learning, relationships, and opportunities they deserve.

Attendance Highlights:

- Week of April 1–3: 91.1%
- Week of April 6–10: 93.82%
- Week of April 13–17: 93.2%
- Week of April 21–24: 93.3%
- Week of April 27–May 1: 94.08%

Overall Attendance Rate for April: 93.4%

- Excellence in resource management.

We continue to closely monitor student enrollment numbers as we plan for the 2026–2027 school year. This ongoing review process helps ensure that staffing allocations, classroom placements, and resources are aligned to best meet the academic, behavioral, and social-emotional needs of our students.

Our goal is to responsibly manage resources while maintaining strong learning environments and providing high-quality support for all Neveln Knights.

Southgate Elementary School:

1. Support and resources to ensure a safe and welcoming learning environment.

Our Gators are working towards a dance party event when we fill up our GATOR Swamp. We are also hosting a welcome event for incoming Kindergarten families this Thursday to make sure we are welcoming our future Gators!

As the school year closes out, we have multiple activities plan to help build a welcoming environment for students including our Schoolyard Bash, our Nature Center and Canoemobile trips, and 4th grade send off.

2. Packer Profile for all learners

Our teachers continue to load artifacts into SeeSaw for students and families to see learning and growth over the school year. Also, many of this year's field trips will have elements of real life career exploration that we will capitalize on for students to be able to see themselves as productive members of or own community. We are very excited for these opportunities!

3. District-wide multi-tiered systems of support.

Each week, our student support teams continue to meet to discuss the needs of our students whether it is in the typical classroom or for those who may need additional supports. Members of our support teams are part of the district MTSS teams and continue our own learning.

We are now in our last assessment window and will use the data to adjust our classroom practices and how we provide services to students who may need additional supports. Our teams are also discussing how we can get the next school year off and running with a great start.

4. Excellence in resource management.

Teachers and our district office spent several weeks working through rosters drafts to make sure that our classrooms are balanced and give students and staff the best opportunity for success.

We are also beginning some necessary resource management for next year including looking at space needs, student programming and starting to develop a building schedule.

Sumner Elementary School:

- **Support and resources to ensure a safe and welcoming learning environment.**

On May 7th, we welcomed our incoming kindergarten students and families to Sumner Elementary! We were excited to host 43 future Sumner Star students and more than 70 family members and caregivers for an evening filled with important information, fun activities, and exciting first experiences at Sumner.

Caregivers spent time with Ms. Rollie and had access to valuable resources to help prepare for a successful start to the school year, while our youngest learners enjoyed time in a kindergarten classroom, meeting new friends, and experiencing what it means to be a Sumner Star. We are so excited to partner with our families and help our newest Sumner Stars get off to a strong start this fall!

We are looking forward to our Spring Concert showcasing our incredibly talented kindergarten (9:00 AM), first grade (9:45 AM) and fourth grade (10:45 AM) students. These concerts will occur on Friday, May 15.

- **Packer Profile for all learners.**

Exploring Career Pathways Through Field Trips! This spring, our students are taking learning beyond the classroom through a variety of engaging field trips that connect to real-world career pathways. Our kindergarten and first grade students will be heading out to the Nature Center, where they'll explore the wonders of the natural world and learn about careers in environmental science and conservation. Our fourth grade students will participate in the

Canoemobile experience—an exciting, hands-on opportunity to learn about water ecology and outdoor education. They'll also visit the Historical Society at the fairgrounds to dive into local history and explore careers in museum curation, preservation, and public service. These experiences help spark curiosity and broaden students' understanding of the many ways learning connects to future opportunities!

Check out your child's learning progress in reading, math and writing by navigating to our Seesaw application. If you haven't logged into Seesaw yet, reach out to your child's teacher to get connected!

- **District-wide multi-tiered systems of support for all learners.**

Growing Greatness Through Strong Data-driven Systems and Relationships! We continue to engage in powerful work at Sumner to support every student—academically, socially, and emotionally—through our MTSS (Multi-Tiered System of Supports). MTSS is a framework that helps us identify and respond to each student's needs by providing layered levels of support. Whether a student needs enrichment, targeted intervention, or additional social-emotional guidance, MTSS helps ensure no one slips through the cracks. We value the importance of building strong relationships and maintaining clear, consistent data-driven systems to help all students thrive. We're excited to carry this learning forward as we continue growing greatness at Sumner!

Our third and fourth graders have successfully completed the MCA assessments—great job to all of them! Next, we'll begin our spring benchmark assessments. These assessments help us track student growth over the course of the year and identify key success criteria for end-of-year outcomes. This information is essential in guiding our instruction and celebrating how far our students have come.

- **Excellence in resource management.**

We continue to monitor student enrollment numbers to determine staffing needs for the upcoming 26-27 school year.

Many of our staff applied for grants through the Austin Public Education Foundation. Sumner was awarded over \$14,000 in grants this year from this foundation. I know we are already rich in collaboration, trust, collective efficacy, and an unwavering commitment to our students, and this grant opportunity has only added to our wealth. We are excited to see the meaningful impact it will have on our students in the upcoming year.

- Support and resources to ensure a safe and welcoming learning environment.
 - Early Childhood Screening and Packer in Training representatives were present for the Kindergarten Welcome Events.
 - We hosted a new family meeting for incoming preschool students on April 30th at the CLC. We were pleased to meet so many new families and to welcome them to Austin Public Schools.
- Packer Profile for all learners.
 - Summer Community Education summer offerings will be publicized this month. We look forward to sharing all the great enrichment opportunities for youth this summer.
 - Preschool graduation is planned for May 27 and 28. During graduation students share their desired career path in addition to sharing their learning through songs.
 - The CLC will be hosting our final family event of the year on May 14th with music by Will Sings Songs (AHS Alumni), kite flying, and root beer floats.
 - Summer Kids Korner will be open at Woodson this year. Many in and out of town field trips are planned for fun and learning.
 - Several of our Adult Learning students are participating in the “para class” through ABE. As part of this course they are required to observe in classrooms. We are so pleased that several of our students have chosen to do their observations at the CLC.
- District-wide multi-tiered systems of support for all learners.
 - Readers Café, a summer reading program, will be offered the month of June at Woodson during summer lunch.
 - Kids Korner will be partnering with Austin Aspires this summer to offer tutoring for students who are interested while they attend School Age Child Care.
 - Our early childhood team received training on “Handwriting Without Tears”, designed to inform educators about best practices in building early writing skills.
- Excellence in resource management.
 - Representatives from the Minnesota Community Ed Association will be in the district May 13th to conduct interviews with community members, school district employees, and parents about the Community Education programs in Austin. They will be preparing recommendations for improvement in the form of an audit available in June. We look forward to receiving this information.

AOA/ALC: Experience Course

More than a class—it's preparation for life beyond high school.

All AOA/ALC students participate in an Experience Course each year designed to build real-world readiness.

What to Expect:

Life Skills: Managing time, responsibilities, and real-life decisions

Career Readiness: Exploring pathways, building employability skills

Real-World Exposure: Job shadowing and hands-on experiences

Future Planning: College visits and postsecondary exploration

Why It Matters:

This course helps students connect their learning to their future—so they leave high school not just with credits, but with direction.

Wrap Up and Questions

DATE: May 11, 2026

TITLE: Layoff of 3 clerical staff

TYPE: Action

PRESENTER: Sue Stark, Director of Human Resources

BACKGROUND: At the January 5, 2026, board meeting, the board authorized the administration to explore cost-saving measures and operational efficiencies should the district experience a significant change in funding for the 2026–2027 school year.

RATIONALE: Based on TeamWorks enrollment projections, the district is projected to decline by approximately 127 students, resulting in an estimated revenue reduction of \$1.75 million. In addition, the district is projected to lose approximately \$2.5 million in compensatory revenue due to changes in the State of Minnesota funding calculation. Combined, these factors represent an estimated \$4.25 million decrease in revenue for the 2026–2027 school year.

RECOMMENDATION: Administration recommends that the school board approve the attached resolution laying off 3 clerical staff effective June 30, 2026.

Sarah Nelson	Due Process Clerk
Jolene Brandt	3 rd Party Billing
Kellie Fiske	District Cashier

Member P. Young introduced the following resolution and moved its adoption:

RESOLUTION FOR LAY-OFF OF CLERICAL POSITIONS

BE IT RESOLVED, by the School Board of Independent School District No. 492, that the following employees be laid off at the end of the 2025-2026 school year effective June 30, 2026:

<u>Names</u>	<u>Position</u>
Jolene Brandt	3 rd Party Billing
Sarah Nelson	Due Process Clerk
Kellie Fiske	District Cashier

BE IT FURTHER RESOLVED, that written notice be sent to said employee regarding the lay-off.

The motion for the adoption of the foregoing resolution was duly seconded by Member R. Hartman and upon vote being taken thereon, the following voted in favor thereof: C. Dube, R. Hartman, C. Kroc, D. Leathers, C. McAlister, P. Young and D. Zielke

And the following voted against: --

Whereupon said resolution was declared duly passed and adopted.

BACKGROUND: At the January 5, 2026, board meeting, the board authorized the administration to explore cost-saving measures and operational efficiencies should the district experience a significant change in funding for the 2026–2027 school year.

RATIONALE: Based on TeamWorks enrollment projections, the district is projected to decline by approximately 127 students, resulting in an estimated revenue reduction of \$1.75 million. In addition, the district is projected to lose approximately \$2.5 million in compensatory revenue due to changes in the State of Minnesota funding calculation. Combined, these factors represent an estimated \$4.25 million decrease in revenue for the 2026–2027 school year.

RECOMMENDATION: Administration recommends that the school board approve the elimination of the District Utility Maintenance position, reassignment of Josh Marshall, and layoff of Chris Moore.

Member _____ introduced the following resolution and moved its adoption:

RESOLUTION ELIMINATING DISTRICT UTILITY MAINTENANCE
POSITION AND LAY-OFF

BE IT RESOLVED, by the School Board of Independent School District No. 492, that the following position of Utility Maintenance be eliminated at the end of the 2025-2026 school year effective June 30, 2026;

HAND-DELIVERED

Dr. Raymond Diaz

RE: Resolution Proposing Placement on ULA

Dear Dr. Raymond Diaz;

You are hereby notified that at the meeting of the School Board of Independent District No.492 held on May 11, 2026 a resolution was adopted by a majority vote of the School Board, proposing your placement on unrequested leave of absence, without pay or fringe benefits at the end of the 2025-2026 school year effective June 30, 2026. Said action of the School Board is taken pursuant to Minn. Stat. 122A.40, subd. 10 upon the grounds described in said statute and which are specifically as follows: discontinuance of position, lack of pupils and financial limitations.

You are entitled to a hearing before the School Board provided that you make a request in writing within fourteen days after receipt of this notice. If no hearing is requested within such period, it shall be deemed acquiescence by you to the School Board's proposed action.

Sincerely,

Enc. Resolution Proposing Placement of a Principal on Unrequested Leave of Absence

TITLE: Donations

TYPE: Action

PRESENTER: Todd Lechtenberg, Executive Director of Finance & Operations

Background:

School districts receive donations from private individuals, public entities, and trusts on a regular basis. The district implemented School Board Policy 706 – Acceptance of Gifts to ensure compliance with statutory guidance.

Rationale:

The school board may receive, for the benefit of the school district, bequests, donations or gifts for any proper purpose. The school board shall have the sole authority to determine whether any gift or any precondition, condition or limitation on use included in a proposed gift furthers the interests of or benefits the school district and whether it should be accepted or rejected. Once accepted, a gift shall be the property of the school district unless otherwise provided in the agreed upon terms.

Recommendation:

It is recommended that the following donations be accepted by the school board for the benefit of Austin Public School students.

TITLE: LEA Appointment

TYPE: Action

PRESENTER: Superintendent Dr. Joey Page

BACKGROUND:

Each year the School Board is required to designate the Local Educational Agent (LEA) for the district. This designation is for the oversight of Federal Title funds as well as work with any required district/site improvement plans that may result from AYP (Adequate Yearly Progress) status.

RATIONALE:

The Local Education Agent responsibilities fall under Dr. Katie Baskin's role as Academics and Administrative Services Executive Director. This would be her fourth year as serving as our LEA.

RECOMMENDATION:

I recommend the appointment of Dr. Katie Baskin as the Local Educational Agent (LEA) for Austin Public Schools for the 2026-27 school year.

DATE: May 11, 2026
TITLE: Identified Official with Authority (IoWA) Designation
TYPE: Action
PRESENTER: Carolyn Dube, Chairperson

BACKGROUND:

The Minnesota Department of Education (MDE) has set up a process for assigning an Identified Official with Authority.

The School Board must designate the Identified Official with Authority to authorize user access annually, as well as any time there is a change in the assignment of the Identified Official with Authority. This certification of the Identified Official with Authority designation is in accordance with Minnesota State Access Control Security Standard 1.0. The School Board minutes must clearly specify this role assignment.

RATIONALE:

In order to comply with MDE guidelines, Austin Public Schools must designate the Identified Official with Authority for 2026-27.

RECOMMENDATION:

It is recommended the School Board of Independent School District #492 designate Dr. Joey Page, Superintendent, to the role of Identified Official with Authority for 2026-27.
