TITLE: Winter Fundraising List

TYPE: Action

PRESENTER: Todd Lechtenberg, Executive Director of Finance & Operations

Background:

To meet the requirements of school board policy 511, administration has set three school board meetings to present the fundraising activities that have been approved by administration for this upcoming school year. The administration will be requesting approval of fundraising at the September, November and June board meetings.

Rationale:

Attached is the winter fundraising list for athletics and activities. They were reviewed at the August work session.

Recommendation:

I recommend approval of the 2026-27 winter fundraising as listed in the attachment.

TITLE: Academics and Administrative Services

TYPE: Information

PRESENTER(S): Katie Baskin, Executive Director of Academics and Administrative Services

BACKGROUND:

The Office of Teaching and Learning oversees curriculum, instruction, staff development, and Federal Title programs for the district.

The Human Resources Office is responsible for employee recruitment and orientation, contract negotiations for all bargaining units, employee relations, student and employee data practices, and staffing with building/program administrators.

Support and resources to ensure a safe and welcoming learning environment

- **Teacher Mentorship:** This summer, Austin Public Schools welcomed 24 new teachers and certified staff who participated in onboarding and orientation experiences designed to support a successful start to the school year. Through sessions focused on technology, StrengthsFinder, district and community connections, benefits, and other essential resources, new staff began building the knowledge and relationships needed to have a great school year. Beginning in September, Year 1, Year 2, and Year 3 teachers will participate in the district's mentorship program, providing ongoing support, collaboration, and professional learning.
- **Strengths Development:** Throughout this school year, Austin Public Schools has continued to invest in strengths development as a key component of its leadership and culture work. New teachers were introduced to their CliftonStrengths during August onboarding, helping them understand and leverage their natural talents as they begin their careers in APS. Principals are partnering with their school leadership teams to deepen strengths-based leadership practices and intentionally apply strengths thinking within PLCs, team collaboration, and leadership responsibilities. In addition, a cohort of instructional coaches and Teaching & Learning staff is developing strategies to support ongoing strengths conversations with colleagues and students. Together, these efforts are building a shared language around strengths and helping staff lead, collaborate, and grow from what they do best.
- **Principal Professional Development:** Principal professional development this September will focus on strengthening instructional and systems leadership across the district. Learning sessions will include continued development of EduClimber to support effective MTSS implementation, with particular attention to using data to inform interventions and monitor student progress. Principals will also engage in professional learning around attendance within MTSS frameworks, emphasizing proactive strategies to improve student engagement and success. Additional learning will focus on understanding how professional development aligns with and supports key elements of the teacher evaluation process. This month's work will also include leadership development in special education, building principals' capacity to support inclusive practices and ensure high-quality services for all learners.
- **K-4 Grading and Reporting:** During September, grade-level teams will continue the district's K-4 grading and reporting work by reviewing finalized essential standards and refining proficiency rubrics to ensure clarity and consistency across schools. Grade level teams will preview assessment packets, provide feedback, and collaborate on implementation plans that support the transition to a standards-based grading and reporting

system. This work is part of the district's pilot year, focused on building shared understanding, improving assessment practices, and preparing for full implementation in 2027-2028. The September collaboration will help ensure that grading and reporting practices accurately communicate student learning and growth to families.

- **Family and Community Engagement:**
 - Back-to-School conferences were held in a scheduled format this year for students in grades K-6, with scheduled home visits continuing at the preschool level. Families in grades 7-12 attended open house events where they were able to tour buildings, get their schedules, and become more comfortable finding classrooms and meeting teachers. These opportunities provide families with an opportunity to start the year by building strong, positive connections with the schools. Success Coaches continue to work proactively to schedule conferences with families in need of interpretation to reduce language barriers and ensure access. We will continue to refine the Bookings tool to help facilitate the scheduling of conferences.
 - TalkingPoints is now available to families and educators across the APS PK-Adult Learning system. TalkingPoints is a two-way communication platform that allows families and teachers to exchange messages that families receive as SMS texts (or via an optional app) in their home languages. Early data from August 10-24th indicates that staff and families are already highly engaged in utilizing the platform. During this timeframe, staff sent 2,225 direct messages and 309 class announcements, and families sent 2,742 messages to educators utilizing the TalkingPoints platform. These numbers indicate that TalkingPoints is serving its intended purpose as a tool for increasing two-way dialogue between families and educators.
 - Varinh VanVugt, Family Engagement Specialist, has made contact with families who qualify for McKinney-Vento supports for students experiencing homelessness. Letters have been sent to formerly identified students, and Varinh has reached out to families in need of resource connections and accommodations to ensure that students in transition due to housing instability are able to attend school without interruptions to their learning.
 - The Teaching & Learning team continues to collaborate to ensure students new to Austin are screened and offered English Language Development (ELD) supports when indicated. Varinh VanVugt, our Family Engagement Specialist, has worked in collaboration with EL Coordinator Michelle Niska to administer screeners to help ensure students are well-served with appropriate English Language Learning supports.

Packer Profile for all learners

- **Grow Your Own:**
 - Our first scholarship recipients are beginning their college journeys this fall at Winona State University and Minnesota State University, Mankato. We are excited to follow their success and support them as they pursue their goals of becoming future educators.
 - Planning is already underway for the upcoming school year as we identify activities, field experiences, and guest speakers that will continue to inspire and develop our Future Teacher Club members. Colleen Owens will once again serve as the program coordinator and one of the club advisors. We are currently seeking a second advisor to join the team and support this important work.
- **Packer Profile Implementation:**
 - The Packer Profile is actively growing throughout our buildings and becoming an increasingly visible part of the student experience. Staff "About Me" posters, career pathway signage, and meaningful classroom experiences are helping connect students to their strengths, interests, and future possibilities.
 - At Austin High School, staff recently engaged in professional development connected to SchoolLinks, including the opportunity to practice using the platform from a student perspective. This hands-on experience will help staff better support students as they engage with the Packer Profile and explore future pathways. AHS students will participate in seven Packer Profile lessons throughout the school year. As part of this work, seniors will be required to complete a portfolio as a graduation requirement.

The first portfolio review will take place in December, at which time students with completed portfolios will be checked off for completion. Clear plans are also in place to provide additional support for students, particularly during the second semester following the first review. This will ensure students have the guidance and resources they need to complete the graduation requirement while continuing to explore their interests, goals, and future opportunities.

- **Integration Programming:**
 - Over 70 students entering 5th and 6th grades from Austin and Hayfield schools participated in Project E3 this summer. Project E3 provides students with the opportunity to interact and build friendships across districts while learning about environmental science and engineering in a hands-on, project-based environment. Project E3 is funded by Achievement & Integration incentive revenue, which is intended to help decrease racial enrollment disparities across districts.
 - Kristi Beckman, Equity Coordinator, attended the Leadership Austin kickoff event on August 20th, and is grateful for the opportunity to represent the district in this program, build connections with community stakeholders, and learn more about the resources available in the community.

District-wide multi-tiered systems of support for all learners

- **MTSS Implementation:**
 - MTSS teams are beginning to meet at each building site and utilize new tools within EduClimber to strengthen communication, collaboration, and the monitoring of student supports.
 - PLCs are getting underway across all sites. Some schools are launching PLCs for the first time and are intentionally building a strong foundation so all team members share a common understanding of the process, while others are refining and strengthening existing practices. This work will support high-quality Tier 1 instruction across the district.
- **Tier 1 Instruction:**
 - At the secondary level, our High Impact Teaching Strategies work is focused on strengthening vocabulary instruction through consistent routines and explicit teaching practices across content areas. During Back-to-School Workshop Week, teachers were introduced to three research-based vocabulary routines to support student learning: the Frayer Model, the New Word Routine, and the Morphology Routine. These strategies will help create a more consistent approach to building academic vocabulary and language skills for all students.
- **READ Act Implementation:**
 - This fall, all Kindergarten through second-grade students will be assessed using an Oral Repetition screener in the fall, winter, and spring as part of the new READ Act screening requirements.
 - Ellis Middle School and Austin High School will be using Lexia PowerUp, an intervention program for students who qualify for additional support based on their assessment data.
 - Austin Public Schools currently has three OL&LA cohorts underway. In addition to our two secondary cohorts, five tenured staff members who were new to APS in 2025 are enrolled in the K–5 OL&LA training. These cohorts help ensure our district remains in compliance with READ Act professional development requirements.
- **EL Program Review:** The district continues to welcome and enroll new English Learners (ELs) throughout the summer and into the beginning of the school year. EL Coordinator Michelle Niska has been meeting with EL staff across all buildings to strengthen program understanding, align services, and review instructional resources and curriculum. EL teachers are actively enrolling students, communicating with families, and ensuring all required EL placement and continuation of services notifications are completed. In addition, the district is implementing improved systems and practices to enhance efficiency and maximize support for ELs.
- **Math Program Review:** As part of the district's math program review, principals spent time in July building their understanding of the new math standards, including the background and key changes, the Mathematical Practices for students, and the instructional practices that support effective math teaching. Elementary teachers engaged in similar learning during back-to-school professional development. Secondary teachers began their work by unpacking the standards at the end of last school year and will continue this fall by identifying areas

where additional learning and adjustments are needed as we prepare for the adoption of a new mathematics curriculum.

- GT Program Review: As we reviewed our data from last school year, we identified an important success to celebrate. Over the past several years, we have focused on strengthening our gifted and talented identification practices, and participation in our K-5 GT programs now closely reflects the demographics of our overall student population. As we continue our commitment to supporting all learners, we will focus this year on improving communication, refining identification processes, and aligning programming and instruction across schools.

Excellence in Resource Management

- Curriculum Review:
 - We are finalizing purchases for our CTE and Project Lead the Way (PLTW) programs for this school year. Thoughtful purchases were made to ensure our students have opportunities to explore interests and make connections to careers.
 - We will also begin looking at options for new secondary math curriculum this year. This work is tied closely to new Minnesota math standards and our math program review.
- Human Resources Department: Since implementation began at the start of the 2026-27 school year, Kelly Education and Red Rover have been successfully integrated with only minor setup adjustments needed. Kelly Education has expanded recruitment efforts through career fair participation and the hiring of new substitute staff. Red Rover configurations have been refined to support the Year One objectives outlined in the Substitute Task Force findings, positioning the district for continued success in substitute workforce management.

TITLE: Community Education

TYPE: Information

PRESENTER: Jennifer Lawhead, Community Education Director

BACKGROUND:

Community Education uniquely serves Austin community members across the lifespan, from early childhood through older adulthood, in support of the district's mission to prepare all learners to make a difference in the world. The department identifies emerging community needs and develops responsive programs and services to address them. These needs are assessed through both formal and informal data collection, community engagement, and ongoing collaboration with local partners and stakeholders.

SUPPORT AND RESOURCES TO ENSURE A SAFE AND WELCOMING LEARNING ENVIRONMENT

DISTRICT-WIDE MULTI-TIERED SYSTEMS OF SUPPORT FOR ALL LEARNERS

ABE

- Registration on August 19 and 20 at Riverland Community College.
- Rolling registration adding additional students every two weeks.

Early Childhood

- Tier One Instruction Goals for 26-27
 - o **Student Attendance** - By June 2027, the CLC will reduce the percentage of students who are chronically federally absent from 23% to 20% or less, by implementing inclusive attendance support strategies, engaging families and students equitably, identifying and addressing absenteeism trends and factors and monitoring progress monthly to ensure all students attend school regularly.
 - o **Student Achievement** - By the Spring of 2027, the CLC will increase the percentage of students demonstrating proficiency by 3% in the following domains; Language (80%), Math (81%) Literacy (86%), and Social Emotional (92%) as measured by the TS Gold assessment, through work in professional learning communities to support the delivery of high-quality Tier 1 instruction. Instructional practices will be inclusive and equitable, ensuring all students—regardless of background—have access to effective instruction.

EXCELLENCE IN RESOURCE MANAGEMENT

TITLE: Finance and Operations

TYPE: Information

PRESENTER(S): Todd Lechtenberg, Executive Director of Finance and Operations

BACKGROUND:

The Finance Department includes payroll, employee benefits, accounts payable, accounts receivable, accounting, and fixed asset management. The Executive Director of Finance and Operations oversees Facility Services, Food & Nutrition Services and Transportation Services.

Support and resources to ensure a safe and welcoming learning environment

- Security camera work has been installed at Wescott Facilities. We have cameras that are pointed at the tennis courts, football field, and track complex.
- Painting has started at Wescott Facilities and hopefully will be wrapped up before our homecoming game on the 18th.
- Pappe submitted a proposal to upgrade our 345 security cameras that we have throughout the district. We will be investing \$40-50,000 a year over the next three years to replace our current system. Phase 1 will be replacing 40 cameras at AHS this year.
- Mondo surface is being installed during the months of August and September. Hopefully this will be wrapped up in the next week or so.
- Phase 2 of the Ellis Stage Lightening project is wrapped up and looks amazing.
- New sound system was installed before the first games were played at Hass Stadium.

Packer Profile for all learners

- The Departments continue to collaborate with colleagues across the district to better learn how we can support the work.

District-wide multi-tiered systems of support for all learners

- Working with Special Services to look at ways to maximize reimbursement for 3rd party billing and special education.
- Reviewing our state and federal special education budgets to decide the best way to maximize our funding.
- Reviewing current projections for the SPED reductions being proposed at the legislative level.

Excellence in Resource Management

- **Finance Department**
 - Open enrollment for the 2027 benefits will be open from October 26 to November 9th.
 - Here is the [financial review](#) for the month of July.
 - We are starting to review the process of applying for the ASBO Excellence in Reporting, which will be a goal for the 2025-2026 audit along with the 2026-2027 budget.
 - We have moved to a new vendor with our P-card and learning work is going on right now. The goal is to have a new manual ready by the end of the year.
 - Fiscal year 2026 audit is scheduled for the week of September 14-18th with the results being shared at the November board meeting.

- **Food and Nutrition Department**

- Work has finished at Southgate, Neveln, AHS and Ellis on the kitchen remodels.
- We are going to partner with ISG to help develop and manage the remaining upgrades at the other sites.
- Oakland Education Center and Ellis Middle School will have a School Nutrition Programs Administrative audit on November 4th and 5th.

- **Building and Grounds**

- Thank you to our amazing custodians and maintenance teams for all their hard work during the first few weeks of school with the above normal temps that we had.
- Thank you to our grounds department for all their hard work this year as our outside grounds have never looked as good as they do right now.
- Reviewing systemic designs for next summer's Indoor Air Quality with ISG and Knutson to ensure that bids can happen this fall.
- Congratulations to Joe Adamson for passing his Certified Plant Supervisor exam and now will attend some finance classes to earn his Facility Manager Certification.

TITLE: Information Services

TYPE: Information

PRESENTER(S): Corey Haugen, Director of Information Services

BACKGROUND:

The mission of the Information Services department is to support the district mission and strategic priorities by building capacity through research, evaluation and the application of data to inform school improvement for student success. We provide support and expertise to schools and staff through:

- Providing expertise in the area of measurement and delivering accurate and timely information to building and district staff
- Providing support to district and schools through a systematic evaluation process of district programs
- Reviewing and summarizing data related to student learning and instruction
- Providing professional development on assessment practices, data analysis and interpretation

Support and resources to ensure a safe and welcoming learning environment

- Information Services had a **great start to the school year**. In preparation for the staff and students return, Info Svcs initialized over 36 different curriculum/learning/operational platforms for users to enhance learning and improved operational efficiency.
- Information Services worked with and **supported families** throughout the summer and into the start of the year to assist them with technological and language barriers on their online annual renewal process for enrollment. Austin Public Schools has a superior centralized enrollment system that has become a model for districts throughout the state.

Packer Profile for all learners

- Information Services has been working to implement new **Course Masters in Infinite Campus** for the 2027–2028 school year. This initiative will further strengthen the district's academic planning and scheduling processes by providing a more consistent and structured approach to managing course offerings, student pathways, and scheduling information. This implementation will support more efficient collaboration between schools, further improve the accuracy and consistency of course data, and provide a stronger foundation for long-term academic planning. It will also position the district to better utilize Infinite Campus data to support student-centered decision-making and ensure students have access to appropriate courses and learning opportunities. This work aligns with the Austin Public Schools Strategic Plan by leveraging technology and data to improve organizational systems, strengthen

instructional planning, and support student success. The Course Masters implementation represents an investment in the foundational infrastructure and processes that help the district more effectively plan for and respond to the academic needs of all students.

- Information Services is continually working with sites to **inform instruction** based on assessment results from not only national/state-wide assessments, but also from our **Renaissance Next assessment platform** (STAR360 and FAST) that provides more formative data and standard specific data to support student learning and classroom instruction. When paired with classroom-level data, teachers have a detailed playbook for students needs and can respond to those needs through Tier 1 and targeted instruction.

District-wide multi-tiered systems of support for all learners

- **Fall Benchmarking** – we are working to screen all students Grades KG-08 on the STAR 360/FAST Assessment platforms according to the [district assessment program](#). Fall screenings will conclude on 9/18/2026 and Information Services will provide a summary snapshot to the board at a future board report / study session.
- Austin Public Schools is entering its second year of implementation with **eduCLIMBER** from Renaissance Learning, continuing to build a more coordinated and data-informed approach to supporting student success. During the second year, the focus is shifting from initial implementation toward deeper integration of eduCLIMBER within our district's Multi-Tiered System of Supports (MTSS) framework. Schools are expanding their use of the platform to document and monitor interventions, coordinate student supports, and evaluate the effectiveness of strategies being implemented at the classroom, grade-level, and individual student levels. Additional interventions and resources are also being incorporated to provide staff with a broader range of supports to meet students' academic, behavioral, and social-emotional needs. The goal is to establish greater consistency in MTSS practices across the district while ensuring that supports are responsive to the individual needs of students. The continued development of eduCLIMBER and our MTSS practices supports the Austin Public Schools Strategic Plan by strengthening systems for student support, promoting data-informed decision-making, and ensuring that students receive the appropriate level of support to be successful.

Excellence in Resource Management

- Tech Services and Info Services worked on a joint project this summer to implement **ClassLink OneSync & Roster Server** for the 2026–2027 school year to streamline student and staff roster provisioning across the district's digital learning applications that didn't support direct OneRoster API structures. Roster Server automates the sharing of enrollment and roster information with platforms including Seesaw, Benchmark Universe, Amplify, Capti, myLexia, and Thinklink. This integration reduces the need for manual roster creation and maintenance, helping ensure that students and staff are accurately and consistently provisioned in the applications they use for instruction and learning. Automated roster updates also improve efficiency for teachers and support staff while reducing the potential for errors and delays when students change classes/schools. The use of ClassLink Roster Server strengthens the district's digital infrastructure and supports our ongoing efforts to create more efficient, reliable, and student-centered systems for teaching and learning.

TITLE: Special Services Department Update

TYPE: Information

PRESENTER(S): Dr. Sarah Knudsen, Executive Director of Special Services

BACKGROUND:

The Special Services Department includes oversight of the following:

- Special Education Services
- School Health Services
- Student Support Professionals (School Counselors, School Social Workers, School Psychologists)
- Mental Health Supervision and Supports (internal and external)
- Oversight of education at Nexus Gerard's New Dominion School
- Oversight of education at the Austin Albert Lea Area Special Education Cooperative (AALASEC)

Support and resources to ensure a safe and welcoming learning environment

- Special recognition to Melissa Larson, Special Education Finance Specialist, and the Palmer Bus Company team for their outstanding collaboration at the start of the school year.
 - Through strong communication, organization, and responsiveness, they worked closely with staff and families to support transportation needs for students with disabilities.
 - Their partnership helped ensure safe, reliable student transportation and a smooth start to the school year.
 - This teamwork reflects a shared commitment to student safety, family support, and high-quality service.
- CPI Training and Safety Preparedness
 - CPI trainers are preparing and delivering annual recertification and initial certification opportunities for staff.
 - Special education paraprofessionals will complete CPI refresher training during the September 28 staff development day.
 - Licensed staff requiring recertification will participate on October 14.
 - Additional initial certification sessions will be offered outside of contract time in October.
- Improved Communication and Access to Resources
 - Launched the Special Services Resource Hub, a centralized location for procedures, resources, department guidance, and updates.
 - Introduced a monthly Special Services Newsletter as the department's primary communication tool, providing updates, timelines, training opportunities, reminders, and procedural information.
- Building-Based Collaboration
 - Established monthly special education team meetings at each building.
 - Meetings provide dedicated time for staff and Instruction & Inclusion Coaches to:
 - Review department updates and guidance.

- Discuss the implementation of new procedures.
 - Identify building-level support needs.
 - Promote consistency across schools.
- Professional Learning
 - Offered a series of optional due process and procedural trainings to strengthen staff knowledge, confidence, and compliance practices.

Packer Profile for all learners

- A collaborative team, including a high school special education teacher and an Instruction & Inclusion Coach, is developing guidance to support IEP teams in graduation planning.
 - The work focuses on ensuring students with significant disabilities can meaningfully participate in the Packer Profile Portfolio graduation requirement.
 - Guidance will include recommendations for accommodations and modifications that align graduation expectations with each student's strengths, needs, and postsecondary goals.

District-wide multi-tiered systems of support for all learners

- Special Education PLCs
 - Building-based PLCs launched the week of September 1.
 - Focus areas include:
 - Standards-aligned IEP goals.
 - High-quality goal writing.
 - Effective progress monitoring practices.
 - Use of the Goalbook platform to support IEP development.
- Behavior Support PLCs
 - Elementary behavior interventionists and behavior support paraprofessionals are participating in PLCs facilitated by the District Behavior Specialist.
 - Teams meet three times monthly to:
 - Strengthen behavioral supports.
 - Share effective practices.
 - Build consistent systems across elementary schools.

Excellence in Resource Management

- Operational Efficiency
 - The Special Services Resource Hub and monthly newsletter have streamlined communication and improved access to information and resources across the district.
- Expanded Service Capacity
 - All special education paraprofessionals are being trained and certified as Personal Care Assistants (PCAs).
 - PCA certification increases staffing flexibility, expands support options for students, and maximizes eligible Medical Assistance reimbursement.
- Fiscal Stewardship
 - The Special Services Finance Specialist is nearing completion of the annual reconciliation process between SEDRA and UFARS.
 - This work supports accurate reporting, financial accountability, and alignment between student service data and special education expenditures.

TITLE: Technology Services

TYPE: Information

PRESENTER: Amy Thuesen, Director of Technology

BACKGROUND:

Technology Services designs, implements, and supports the district's technology infrastructure and resources. This includes network and communications systems, hardware and software, and technology training and integration.

Technology Advisory Team

- This team will meet for its first meeting of 26-27 on Monday, October 5, at 3:30 pm. During this school year we will focus on updating the APS Technology Plan and aligning it to the district's strategic priorities. We are still looking for alumni, parents, and/or community members to join this team so if you know of someone who might be interested, put them in touch with Amy Thuesen.

Digital Futures Team

- Last spring we launched a district-wide group called the Digital Futures Team. This team will serve as the AI Committee required under Minnesota's new AI Policy 625, while also providing a meaningful space for staff input as we implement the APS Technology Plan. Team members will help explore responsible and effective uses of AI, share feedback from classrooms and departments, and contribute to long term technology planning. The focus is on thoughtful, practical decision-making that reflects the real work happening across the district. Meetings will be held once per month, alternating between in-person and online using Microsoft Teams - the first meeting will be held on Wednesday, September 23, at 3:30 pm on Teams.

Support and resources to ensure a safe and welcoming learning environment

- As staff and students returned this fall, we were able to put our new account management processes to the test. During this time:
 - We found some human errors in our systems that we have been able to correct and prevent from happening again in the future.
 - We can leverage the new system, OneSync, to communicate staff information and updates across multiple departments, not just Tech Services.
 - We have discovered where we can improve workflows and processes in district departments that all handle pieces of "people data."
- While we continue to fine-tune staff account information in Microsoft, our next test will be the implementation of our new district security alert system – Raptor. Because Raptor will send out alerts based upon building, having more up-to-date and

accurate staff information across systems is going to contribute to safety protocols. This work aligns with our Technology goal of improving group policies and access controls.

Districtwide MTSS & Packer Profile

- During the first week of school, we experienced an unexpected issue with some elementary curriculum and assessment tools and student rosters and logins. This forced our hand a bit in transitioning to a new tool, Classlink Launchpad, sooner than we had planned. Info and Tech Services and classroom teachers had to pivot very quickly, and with a few bumps, to a new way of logging into three main student learning apps. The patience and resilience of K-6 teaching staff was top notch and much appreciated during this unexpected change.
 - Further information about Classlink Launchpad: this tool is part of the same suite of resources we recently began using for staff and student account automation. In the future, we plan to more fully implement some of its other features: Launchpad for quick access to learning tools and logins, Analytics which provides data on learning app usage and engagements, and multi-factor authentication options for students.
- As mentioned in the previous board report, APS has transitioned to a new online scheduling tool for PreK-6 conferences, and it got its first real-world test during back-to-school conferences. Overall, it was a success, but we have a few changes to make. We will be making adjustments this month so that we can have it better meet our needs for fall conferences.

Excellence in Resource Management

- During the first weeks of school Tech Services deployed approximately 3200 student laptops, 150 staff laptops, 1800 student iPads, and 50 new desktop workstations. Overall it was a successful deployment and we learned even more about how we can improve processes.
- Though we are not even done with the first month of school, Tech Services already has its eye on pricing and availability for 27-28 device and infrastructure purchases. As tech prices continue to rise and some parts remain scarce, we will need to flex our purchasing plans accordingly.
- Our eRate funds for FY26 have been released and purchasing of new equipment should be complete by the end of September – this should allow us to install new equipment over Thanksgiving and winter breaks. We will be deploying:
 - Updated wireless controllers – our most significant project
 - 100-200 new wireless access points (upgrading outdated ones)
 - 2-3 new building network cores
 - 15-20 upgraded network switches

PRESENTER: Dr. Joey Page, Superintendent

BACKGROUND:

The following is a summary of events and items from our sites.

AUSTIN HIGH SCHOOL:

- **Support and resources to ensure a safe and welcoming learning environment.**
 - Incoming 9th grade students were invited to attend a student only Orientation led by our AHS Link Crew Leaders on August 13th. This event was well attended and a great way to welcome our new students to the high school.
 - AHS has their Back to School Conferences on August 11. This was a great opportunity for students and parents to meet the teachers.
 - Wescott received new cameras to support the safety of our students and community.
 - Fall Activities are off and running. We have 700+ students registered for Fall Activities
 - AHS Student Council and the Activities Department collaborated on a Fall Packer Punch Card for both students and staff – trying to incentivize getting out and supporting our students in their extra-curriculars
 - AHS Senior Bleacher Captains are excited to bring the energy and student body out to our Fall Sports Events. Their focus is on inclusion and bringing the School Spirit
 - All staff at AHS contributed to our Packer Promise Wall in the Commons. This is a visual display of how staff plan to show up for both students and staff this school year.
- **Packer Profile for all learners.**
- AHS Sophomores and all ALC students will be attending the 2026 CareerQuest Fair the morning of September 18th along with students from across the region. This isn't your ordinary career fair, it's a chance for students to visit interactive displays in all career cluster areas and learn about their options for career paths.

- This month we wanted to highlight the work of Jane Bumgarner at the Career Pathway Center. It is available to students to find information regarding volunteer hours, job shadow, career pathway exploration, college exploration, scholarship, and much more.
- **SAVE THE DATE:** Our annual Direct Admissions Event will be Friday, October 2nd at 1:30. We would love to have board members in attendance celebrating the success of AHS, ALC and AOA seniors. If you can come please let Jessica Cabeen know.
- **District-wide multi-tiered systems of support for all learners.**
 - Over the past four years we have seen a significant increase in credit attainment. We have moved from 83.9% to 86.8% as a building
 - Our most significant increase in credit attainment has come from our 9th grade moving from 83.2% to 91.5% credit attainment
 - For this year we have two grade nine BARR teams, one tenth grade BARR team and one EL BARR team. We continue to see positive results with both behavior and credit attainment
 - Packer Study Table is back for Year 3. Student-athletes needing academic support will begin working with our appointed staff to receive the needed assistance to manage their classes and academics 2x/week.
- **Excellence in resource management.**
- **Digital Hall Passes & Weight Room Update**
- We're keeping our digital hall pass system going this school year. It's been a great tool for keeping hallways clear, cutting down on class disruptions, and making sure everyone is where they need to be.
- Over in athletics, our partnership with ETS continues strong. Our certified strength coach is right here on campus, working directly with our Austin Packers. Plus, our athletes are making full use of the newly renovated weight room thanks to the Adam Thielen Foundation!
- Laptop distribution went smoothly again this year. On the first day of school, students in grades 10 through 12 received their devices during their Language Arts classes in the Media Center, and ninth grade students received through Packer Seminar the following Monday. Thank you to our staff for helping the process run so well. We are excited for another great year of learning.
- The Activities Department partnered with Games People Play to create back to school spirit stores for those interested in stocking up on their Austin Packers Gear.
- AHS and Ellis Athletics have worked together to purposefully align our programs to focus on skill development and alignment with high school athletics
- BOUND is the new platform for all AHS & Ellis Activities. This is the main hub for Activities Scheduling, Online Ticketing, and Concessions
- Wescott Sports Complex received a sound system upgrade for Art Hass Field

AUSTIN ONLINE ACADEMY/AUSTIN ALC :

- **Support and resources to ensure a safe and welcoming learning environment.**
Students and caregivers had the opportunity to connect with teachers and learn more about both programs during our Welcome Back and Onboarding events. These gatherings set a positive tone for the year and helped build strong relationships from the start. We look forward to celebrating student attendance and academic achievements throughout the semester
- **Packer Profile for all learners.**
ALC/AOA Experience courses are up and running. Students are engaging in activities via school links and ALC students will have community speakers starting in October. We would love to have board members consider becoming a career speaker-if interested reach out to Eli Rasmussen or Christine Hulsebus.
- **District-wide multi-tiered systems of support for all learners.**
BARR kicked off with Professional Development for all AOA/ALC staff. During back to school week we revisited norms, set meeting expectations and prepared to launch our small block, big block, Community Connect and iTime lessons. This year we continue to develop tiered supports for our part-time AOA students by having monthly check ins with AHS counselors and consistent follow up with our over 25 different schools that utilize AOA for supports.
- **Excellence in resource management.**
Night School Started On Monday, August 31st and we already filled three sections of night school. We want to thank the ALC Credit Recovery Teachers: Eli Rasmussen, Dr. Kelly Winkels, Jessica Stanley and Alexa Dolan for a successful start to the year. If families are still interested they can connect with their child's counselor.

BANFIELD ELEMENTARY SCHOOL:

- **Support and resources to ensure a safe and welcoming learning environment.**
 - This year our staff have been using Talking Points to communicate with families. This has been an excellent addition to our resources to communicate with families.
 - Staff completed a consistent name plate the incorporated their Clifton Strengths
 - For our first staff meeting of the year, we were able to celebrate staff's personal and professional accomplishments, along with talk through any topics that came up from the first week of school.
- **Packer Profile for all learners.**
 - Each morning, across the building, teachers do a morning meeting from 8:00-8:25. This year we are incorporating our district's Core Values into the morning meeting once a month.
 - Our specialist teachers; Art, Gym, Science, and Music, are developing a plan to incorporate the use of SeeSaw into their classes.
- **District-wide multi-tiered systems of support for all learners.**
 - Staff continue to explore the use of EduClimber to assist them with using data to drive instruction. This is a focus of the building on all staff development days.
 - This year we are working to continue our improvement of the implementation of Professional Learning Communities.
 - Our Attendance Team meets bi-weekly to review student attendance, identify obstacles in students getting to school and to align supports for them.
- **Excellence in resource management.**
 - We've been fortunate enough to have partnered with the Read Seed to bring a book vending machine. This is an exciting opportunity and

partnership that will benefit the whole building, and hopefully each

elementary school.

- Providing school supplies for families continues to be a success, and we were able to have these delivered to classrooms prior to back-to-school conferences.

NEVELN ELEMENTARY SCHOOL:

- **Support and resources to ensure a safe and welcoming learning environment.**

Neveln has launched our PBIS work for the 2026–2027 school year with a continued focus on the **Neveln Knight Code of Honor: Be Respectful, Be Responsible, and Be Safe**. During the first weeks of school, staff explicitly taught and practiced expectations across all school settings. Students are recognized with “I CAN” cards for demonstrating these expectations, while classrooms earn Golden “I CAN” cards that contribute toward schoolwide Golden Shields and celebrations. Neveln has already earned **three Golden Shields** toward our first schoolwide celebration.

Building strong family-school relationships is also an important part of creating a safe and welcoming environment. Neveln welcomed families for Back-to-School Conferences on August 17, with **93% of families participating**. Our September social-emotional focus, **Building Our Neveln Community**, continues this work through daily Morning Meetings, relationship building, and intentional opportunities for students to develop a sense of belonging.

- **Packer Profile for all learners.**

Neveln is intentionally connecting the **Packer Profile traits of Responsible, Resilient, Contributor, Learner, and Communicator** to learning experiences throughout the school year. Our goal is to help students understand how the skills they develop in school connect to their community, future careers, and life beyond the classroom.

In September, our third-grade students will participate in two community-based learning experiences. Students will visit the **Nature Center on September 8** and participate in **Day on the Farm on September 22**. These experiences provide opportunities for students to practice curiosity, communication, responsibility, and collaboration while connecting classroom learning to the Austin/Mower County community.

- **District-wide multi-tiered systems of support for all learners.**

Neveln continues to strengthen our **Multi-Tiered System of Support (MTSS)** with an emphasis on using multiple sources of data to provide the right support at the right time. Students are completing fall benchmark assessments in reading and math, and staff will use these results along with classroom data to identify strengths, areas for growth, and appropriate instructional supports.

Our linked MTSS teams—including PLCs and student support teams—meet regularly to review student progress and problem-solve supports across **academics, behavior, social-emotional learning, and attendance**. Staff are also continuing to strengthen the use of **EduClimber** to document interventions, monitor progress, and support data-based decision making.

Attendance remains an important component of our MTSS work. Neveln continues to reinforce **All Day, Every Day** attendance and the importance of students being in their classrooms and ready to learn when school begins at 8:00 a.m.

- **Excellence in resource management.**

Neveln has welcomed several new educators to our team this year, including **Emily Braaten and Carolina Benavente in fourth grade and Amy Alcala on our Multilingual Learner team**, along with new paraprofessionals. Our staffing decisions continue to focus on strategically aligning people and supports with student needs.

During the opening weeks of school, our Multilingual Learner and Reading Intervention teams provided additional classroom support to help students successfully transition into school routines. As benchmark assessment begins, these teams are transitioning into assessment and intervention work so student services can be aligned with identified needs.

This intentional use of staffing and instructional resources allows Neveln to respond flexibly to student needs while maintaining a strong focus on teaching, learning, and student success.

SOUTHGATE ELEMENTARY SCHOOL:

Strategic Priorities Update

1. Support and resources to ensure a safe and welcoming learning environment.

As part of our back to school activities, Southgate Gators are learning and practicing our PBIS mission of providing a safe and welcoming environment for students. Our students have been able to visit all areas of our school and are being taught our expectations for being "Respectful, responsible, Safe and Caring."

Homecoming week is Sept 14th through the 18th. A parade takes place on Friday, September 18th. Southgate Elementary will walk in the annual **Homecoming parade**. If families wish to walk in the parade with their child, they should meet at the our designated area at Austin High School starting 3:45 p.m. so we can gather and enjoy a walk with our Southgate Gator. More details to come!

Our **Walk A Thon** at APS will be held at Southgate on Wednesday, October 7th. All families are welcome to come and walk for our Family Walk at 8:15am. All students KG-4th grade will walk with their classroom teachers and our families are invited to join us too!

2. Packer Profile for all learners

The Packer Profile reflects what our students, staff, and families desire each day for our students and supports their preparation to become college, career, and life-ready. Our students, while learning foundations skills will use SeeSaw to start to create an portfolio of students work. Students will also have multiple opportunities for exposure to possible future career and educational choices.

Our Nature Center field trips, Day at the Farm outing and visit to the Hormel Home will serve as jump off points for students to think about different career paths for themselves. We appreciate these opportunities to explore our community and how we can contribute to it.

3. District-wide multi-tiered systems of support.

Teachers and specialists meet in teams once a week in professional learning communities to plan lessons tailored to the individual needs of all students. Our School Leadership Team met over the summer and is excited to lead staff through exploring best practices for our reading instruction.

We are also beginning to assess students groups to ensure that we can provide instruction that helps our learners grow and accelerate in according with the district's

Strategic Plan. These assessments will be conducted throughout September so that we can better gauge our student's learning.

4. Excellence in resource management.

Over the summer and into the start of the school year our building site witnessed some improvements in our walking and playground areas. We saw extensive repairs to our blacktop area and will continue to see work in our bus lanes and parking lots. These improvements will ensure that staff and students remain safe while navigating our site.

SUMNER ELEMENTARY SCHOOL:

- **Support and resources to ensure a safe and welcoming learning environment.**

At Sumner, we use Positive Behavioral Interventions and Supports (PBIS) to intentionally teach, model, and celebrate positive behavior throughout our school. Just like academics, we believe strong social-emotional and behavioral skills are learned through teaching, practice, encouragement, and consistency. Our students practice positive behavior in every school environment—classrooms, hallways, the cafeteria, bathrooms, buses, playground, and other shared spaces—through our four Sumner Cool Rules:

★ Be Kind!

★ Work Hard!

★ No Excuses!

★ Choose Well!

We make this learning fun and rewarding! Classrooms earn tokens when students demonstrate our Cool Rules and positive behavior. For every 10 tokens, the classroom earns a StarBuck. When our entire Sumner School Family reaches 50 StarBucks, we celebrate together with a special schoolwide celebration! 🎉

We are also incredibly proud that Sumner has been recognized as a Minnesota Sustaining Exemplar PBIS School for the third year in a row! This state recognition celebrates the commitment of our students, staff, and families to creating a positive school community where students feel supported, connected, and ready to learn.

Together, we are growing great learners, great citizens, and a great school community!

- **Packer Profile for all learners.**

- Our school staff is excited to participate in a Door Name Sign Pilot that brings our district's Packer Profile to life! Each staff member's sign shares a little more about who they are—including their strengths, Packer Profile traits, past jobs and careers, childhood career aspirations, hobbies, favorite quotes, pets, and a photo.

These signs have quickly become more than just nameplates! They are sparking conversations, helping students discover shared interests and experiences with staff, introducing them to a variety of career pathways, and strengthening meaningful relationships throughout our school community.

We are also bringing the Packer Profile to life through student learning portfolios in Seesaw. Throughout the school year, families will see examples of their child's learning in reading, writing, and math, along with a student strength artifact that celebrates the unique strengths they bring to our school community. Students will also showcase capstone projects in science, music, art, and physical education. Together, these experiences help us celebrate not only what students are learning, but who they are becoming. Seesaw provides families with a meaningful window into their child's learning journey and a portfolio that captures the growth, strengths, and accomplishments they experience throughout the school year.

- **District-wide multi-tiered systems of support for all learners.**

During the first month of school, our students complete benchmark assessments. The results from these assessments help us identify the instructional services and supports each student needs to be successful.

We are also excited to launch Professional Learning Communities (PLCs) this month. PLCs provide our staff with dedicated time to collaborate, analyze student learning, and design instruction that meets the needs of all learners. This work ensures that every student has the opportunity to grow and achieve at high levels.

- **Excellence in resource management.**

Each morning from 7:45–8:00, students are able to access breakfast and enjoy it in their classrooms, helping them start the day ready to learn.

We continue to encourage families to support All Day, Every Day attendance. Research is clear—consistent attendance is one of the most important factors in ensuring student success.

TITLE: World Language Trip – Spain 2028

TYPE: Action

PRESENTER: Activities Director Katie Carter

BACKGROUND: The general expectation is that all student trips be well planned, conducted in an orderly manner and safe environment, and relate directly to the objectives of the class or activity for which the trip is requested. Various levels of approval are needed depending on the type of field trip requested.

RATIONALE: Policy 610 outlines the three general areas of field trips, one of which is extended field trips. Trips that involve two or more overnight stops fall in this category and require school board approval.

RECOMMENDATION: I recommend approval of the 2028 World Language Trip to Spain.

Austin High School

Proposal for Extended Field Trip

ISD 492 Board Policy #610 Field Trips: "Extended field trips, that is those that require an overnight stay of more than one night and/or involve travel outside Minnesota, require school board approval. The board will consider such trips on an individual basis and pre-approval is needed before students or parents become involved. Field trips covered by this policy include those proposed by outside agencies or individual staff members that use the school name, or imply school district consent or authorization.

Goal/purpose of the trip: _____

- **Please attach a Trip Itinerary**

Trip Itinerary:

Day 1: Fly overnight to Spain

Day 2: Madrid

- Meet your Tour Director at the airport in Madrid, the capital and largest city in Spain. During your stay you'll explore Puerta del Sol, the heart of the city, and travel back in time to Spain's Golden Age at Plaza Mayor, where you'll learn about this grand square's history of bullfights, royal weddings, and public executions. At the Prado art museum, behold paintings like Velázquez's *Las Meninas* and Goya's paired canvases. Get a taste of royal Madrid at the extravagant Palacio Real, where you'll wander the fabulous palace interior and find more than 2,000 rooms decked in beautiful frescoes, delicate porcelain wares, and finely woven rugs.
- Take a walking tour of Madrid.

Day 3: Madrid

- Take an expert-led tour of Madrid: Puerta del Sol; Plaza Mayor.
- Visit the Palacio Real.
- Visit the Prado.

Day 4: Toledo | Granada

- Travel to Toledo.
- Take an expert-led tour of Toledo.
- Visit Toledo Cathedral.
- Visit the Church of Santo Tomé.
- Visit a synagogue.
- Continue on to Granada.

Day 5: Granada

- Take an expert-led tour of Granada.
- Explore more of Granada through a "City Challenge" scavenger hunt.
- Visit the Alhambra, Granada's crowning jewel that's widely recognized as the world's premier example of Moorish architecture. Built as an all-in-one alcazaba (fortress), alcazar (palace), and small medina (city), the Alhambra was home to the last of the Nasrid Sultans. Here, King Ferdinand and Queen Isabella agreed to finance the historic voyage of Christopher Columbus.
- Visit a Moroccan tea house.
- Enjoy a free evening or
 - experience a flamenco evening.

Day 6: Granada | Seville

- On your way to Seville, enjoy an authentic Andalusia experience with your Tour Director: olive oil factory; traditional meal at local village;

Day 7: Seville

- Travel to Seville—city of bullfights, flamenco dancing, Don Juan, and *Carmen*, and the heartbeat of Andalusian culture.
- Take a walking tour of Seville with your Tour Director. Follow narrow, twisting alleys through the Barrio de Santa Cruz, where picturesque whitewashed houses, flower-filled patios, and tiled benches are pleasant reminders of an unhurried lifestyle. Pass by María Luisa Park to admire the mosaics and fountains of Plaza de España, the centerpiece of the 1929 Ibero-American Exposition. Visit the grave of Christopher Columbus inside Seville's Cathedral, and imagine the spectacle of a traditional Spanish bullfight at the Plaza de Toros, celebrated for its Baroque architecture and historical significance.
- Enjoy free time to see more of Seville or
 - enjoy an evening river cruise.

Day 8: Seville | Cádiz

- Take a day trip to Cádiz.
- Enjoy an expert-level tour of Cádiz.

Day 9: Córdoba | Madrid

- Travel to Córdoba.
- Visit the Mezquita.
- See Don Quixote's windmills.
- Continue on to Madrid.

Day 10: Depart for home

• 2-DAY TOUR EXTENSION

Days 10–11: Madrid | Barcelona

- Travel by AVE train to Barcelona.
- Take a walking tour of Barcelona: Las Ramblas.
- Stop for a photo at Montjuïc.
- Take an expert-led tour of Barcelona. See La Sagrada Família, Casa Milà or Casa Batlló, and Barrio Gótico.
- Visit Park Güell.
- Time to see more of Barcelona or
 - explore Barcelona by bike.

Day 12: Depart for home

Objectives of Field Trip	Demonstration of Outcomes
To extend classroom learning beyond the walls	
To use Spanish language skills in real situations	
To explore the culture, history and people of several regions of Spain.

TITLE: Boys Hockey Co-op Dissolution & New Co-op

TYPE: Action

PRESENTER: Activities Director Katie Carter

BACKGROUND: Austin High School's hockey cooperative sponsorships provide students from surrounding communities with the opportunity to continue playing hockey at the high school level. Many of these students participate in Austin Youth Hockey and, without a high school cooperative sponsorship, would see their hockey opportunities end after 9th grade.

RATIONALE: The current boys hockey cooperative sponsorship no longer reflects the appropriate structure for serving the students and communities participating in the program. Establishing a new cooperative sponsorship will allow us to continue providing a high school hockey pathway for area youth while creating a sustainable partnership that meets current participation needs.

As part of this process, the Activities Director met with MSHSL Executive Directors to gain insight and guidance regarding cooperative sponsorships and the long-term implications of the proposed change. This conversation was particularly important as Austin High School is also participating in the MSHSL section reclassification process this year. The proposed structure was considered with both the current needs of our hockey program and the broader MSHSL classification and cooperative sponsorship landscape in mind.

RECOMMENDATION: Approve the dissolution of the current Boys Hockey Cooperative Sponsorship and approve the proposed new Boys Hockey Cooperative Sponsorship, effective for the **2026-27 school year**.

4. Excellence in resource management

AUSTIN PUBLIC SCHOOLS
INSPIRE • EMPOWER • ACCELERATE

The **Desired Daily Experience** sets the foundation of descriptions of the student, family, and staff experiences *if* the strategic plan is successfully implemented in APS.

- I am **supported** and **challenged** in my learning and believe I will be successful
- I feel that school is **safe** and that school is **challenging** and **fun**
- I am an **engaged** learner at school and in our community

- I am part of my child's education and feel **welcomed, valued, and respected** as a family
- My child enjoys coming to school and is **safe, included** and **respected** so they are learning every day
- I am **engaged** in a **partnership** with my child's school so I know what to do to help my child continue to grow and learn

- I am **seen, valued, and respected** for who I am and the work I do
- I receive the support and resources to do my job well so I am able to create a **healthy** and **safe** learning environment
- I work in a district that is willing to **adapt** and **change** when necessary to best meet the needs of all students

Engagement describes the attention, curiosity, interests, optimism and passion that both students and staff want from their interactions in the learning environment.

Environment includes a safe and supportive space where teaching, learning and movement are of importance and attended to in all forms and functions.

AUSTIN PUBLIC SCHOOLS

INSTRUCTIONAL MODEL

Equity includes 4 dimensions (Access, Achievement, Identity and Power) as powerful levers for creating caring, just, inclusive & healthy communities that support all individuals in reaching their fullest potential.

Evidence provides information for teachers and students to focus their teaching and learning to improve student understanding and tailor teaching strategies to accelerate student achievement.

Two Programs, Two Distinct Pathways

Austin Online Academy

- Statewide online high school
- Full and part-time enrollment
- Flexible, asynchronous coursework
- BARR Support 9-12

Austin Area Learning Center

- In-person program
- Individualized and relationship centering
- Flex Day (Juniors and Seniors)
- BARR Support 9-12

What is AOA?

What Is Austin Online Academy?

- An NCAA-approved online high school serving students in Austin and across Minnesota
- Offers full-time and part-time enrollment
- Uses Schoology and FlexPoint to provide flexible, asynchronous coursework
- Includes advisory, tutoring, on-site support opportunities, and weekly MTSS monitoring
- Allows students to access courses while remaining connected to educators and graduation planning

AOA Growth and Reach

- Expanded from serving students in 8 districts to more than 30 districts (25-26)
- Served approximately 247 unique students in the most recent enrollment snapshot
- Included both full-time and part-time learners
- Increased opportunities for students who need flexibility, expanded course access, or an alternative to a traditional daily schedule
- Continued growth requires balancing access with strong onboarding, engagement, and progress-monitoring systems

AOA Progress

- Overall course pass rates have grown substantially over the past several years.
- The percentage of failing grades decreased from more than 60% in the program's early years to approximately 15% by the end of 2025–26.
- The number of AOA graduates (full time and part time) has grown from 8 in 2023 to 69 or more projected in 2024–25 and 81 in the 2025-26

More courses completed.
Far fewer failing grades.

What is the Austin Area Learning Center

What Is the Austin Area Learning Center?

- An in-person alternative learning program for students who benefit from a smaller and more individualized environment
- Combines academic instruction with strong relationship-based support
- Includes BARR practices, seminar, social-work support, attendance planning, and credit monitoring
- Provides students with another pathway—not a lower standard—to graduation

ALC Progress

- Across all ALC programming, the Semester 2 failure rate was **13% in 2025–26**, compared with **17.5% in 2021–22**.
- The **BARR cohort's failure rate was 19.2%**, improving from **25.6% in Semester 1**.
- The overall ALC rate includes Night School credit-recovery courses.
- **Night School does not issue F grades**, so its inclusion lowers the overall failure rate.
- Because the programs use different grading practices, the **BARR and non-BARR failure rates are not an apples-to-apples comparison**.

What Is Driving the Progress?

- Strong relationships and consistent adult check-ins
- Weekly review of attendance, engagement, and course performance
- Earlier identification of students who are falling behind
- PLCs focused on instructional barriers and credit attainment
- Clearer onboarding and expectations for students and families
- Flexible support without lowering academic expectations

One Student Support System

- Review attendance and course-performance data.
- Identify students needing additional support.
- Determine the barrier—not just the symptom.
- Match the student with an intervention or adult support.
- Monitor progress and adjust.

Multiple Pathways. One Austin Promise.

How Austin Online Academy and the Austin Area Learning Center support students, strengthen graduation outcomes, and expand access to success

Supporting AHS Graduation

Graduating Class	Total Students	Took 1+ ALC Courses	Took 1+ AOA Courses
2025	352	73 students (20.7%)	69 students (19.6%)
2026	403	84 students (20.8%)	81 students (20.1%)

In each of the past two graduating classes, approximately one in five students accessed an ALC course, and approximately one in five accessed an AOA course on their path toward graduation.

Where We Are Still Growing

- Improving consistent attendance and engagement
- Helping students begin successfully through stronger onboarding
- Increasing timely course completion and credit attainment
- Clarifying when online or alternative programming is the best fit
- Strengthening communication with students and families
- Building more consistent instructional practices across courses
- Supporting postsecondary readiness through the Packer Portfolio and SchoolLinks

What Success Looks Like Next

- More students regularly engaged in learning.
- Fewer students failing multiple courses
- Earlier intervention when attendance or progress declines (BARR 9-12)
- More credits earned each semester
- More students graduating with a meaningful postsecondary plan (AOA/ALC Seminar Courses)
- Continued access to multiple pathways while preserving high expectations

Different Pathways, Shared Destination

- AOA and ALC are not competing programs; they are complementary pathways.
- Each program meets different student needs while working toward the same district promise.
- Our progress shows what happens when flexibility is paired with relationships, clear expectations, and consistent monitoring.

TITLE: Donations

TYPE: Action

PRESENTER: Todd Lechtenberg, Executive Director of Finance & Operations

Background:

School districts receive donations from private individuals, public entities, and trusts on a regular basis. The district implemented School Board Policy 706 – Acceptance of Gifts to ensure compliance with statutory guidance.

Rationale:

The school board may receive, for the benefit of the school district, bequests, donations or gifts for any proper purpose. The school board shall have the sole authority to determine whether any gift or any precondition, condition or limitation on use included in a proposed gift furthers the interests of or benefits the school district and whether it should be accepted or rejected. Once accepted, a gift shall be the property of the school district unless otherwise provided in the agreed upon terms.

Recommendation:

It is recommended that the following donations be accepted by the school board for the benefit of Austin Public School students.

DONOR	AMOUNT	RECIPIENT(S)	PURPOSE
Donnelly Law Firm	150.00	AHS Football	Ellis trip to US Bank Stadium

TITLE: School Board Goals

TYPE: Action

PRESENTER: Carolyn Dube, School Board Chair

BACKGROUND:

A 3-year Board Governance Plan, anchored in clear, measurable goals, helps the School Board stay focused on its core purpose: improving outcomes for all students. It provides a framework for how the Board leads, monitors progress, and supports the district's Strategic Plan. By setting priorities and defining how the Board will hold itself accountable, the plan builds consistency, strengthens decision-making, and reinforces public trust. The 3-year plan was approved at the regular August meeting.

RATIONALE:

The 2026 School Board Self-Evaluation (SBSE) identified opportunities to strengthen Advocacy and Communication while reinforcing the Board's responsibility to establish a clear vision, engage stakeholders, communicate the district's direction, and monitor progress toward strategic goals. The [2026 Community Perceptions Survey](#) also identified opportunities to strengthen public confidence in the School Board and the district's direction.

Together, these findings reinforce the Board's governance role by focusing on transparent communication, meaningful community engagement, effective advocacy, and ongoing monitoring of student outcomes. This work ensures Board decisions remain aligned with the Strategic Plan while maintaining accountability for continuous improvement and student success.

RECOMMENDATION:

Approve 2026-27 School Board Goals

Goal 1:

By June 30, 2027, the School Board will strengthen community engagement and advocacy by participating in opportunities to listen to stakeholders, communicating district priorities, and providing governance leadership for the district's long-range planning.

Goal 1 Progress Indicators:

- Participate in community engagement opportunities throughout the year.
- Review community input gathered through existing district engagement processes and use that input to inform Board discussions and decisions.
- Communicate district priorities and long-range planning through Board meetings and community engagement opportunities.
- Conduct an annual reflection on the Board's community engagement and advocacy efforts to identify opportunities for continuous improvement.

Goal 2:

By June 30, 2027, the School Board will strengthen strategic governance by monitoring progress toward the district's Strategic Plan, using student success indicators and student outcome data to guide Board decisions, monitor district performance, and ensure that policy and resource allocation align with district priorities.

Goal 2 Progress indicators:

- Review quarterly progress toward the Strategic Plan using success indicators.
- Monitor student outcome data and other student success indicators to assess district performance and progress toward Board priorities.
- Ensure Board policy, budget, and resource decisions align with the Strategic Plan and Board priorities.
- Complete the annual SBSE and use the results to identify governance improvements.

DATE: September 14, 2026

TITLE: 2026-2027 Superintendent Goals

TYPE: Action

PRESENTER: Joey Page, Ed.D., Superintendent

BACKGROUND:

Every year, the school reviews and approves the Superintendent's goals. The school board and superintendent establish two or three district-focused goals and potentially two to three professional development goals for the superintendent. The goals should be clearly aimed at improving student learning, the climate for student learning, and other specific operational oversight areas.

RATIONALE:

The School Board establishes the district's governance priorities through its annual goals. The Superintendent's goals align with those priorities and focus on:

- Community engagement and communication
- Strategic leadership and implementation
- Effective governance with the School Board

The School Board delegates authority to the Superintendent to lead the district and evaluates performance based on progress toward these goals and the Board's priorities.

RECOMMENDATION:

A motion and a second will be requested to approve:

- Superintendent Goals for 2026-2027

Goal 1: Community Engagement, Communication, and Long-Range Planning

By June 30, 2027, the Superintendent will implement the School Board's direction for community engagement and long-range planning by leading transparent communication, fostering meaningful stakeholder engagement, and providing timely information and leadership that support informed School Board decision-making.

Progress Indicators:

- Develop and implement a comprehensive community engagement and communication plan aligned with the School Board's priorities and long-range planning efforts.
- Provide the School Board with timely, accurate, and relevant information that supports informed decision-making throughout the long-range planning process.
- Lead meaningful stakeholder engagement and communicate district priorities through a variety of communication methods and community engagement opportunities.
- Evaluate the effectiveness of community engagement and communication efforts and present recommendations for continuous improvement.

Goal 2: Strategic Leadership and Continuous Improvement

By June 30, 2027, the Superintendent will lead the implementation of the district's Strategic Plan by continuously improving instructional, operational, and organizational systems to advance student outcomes, organizational effectiveness, and the achievement of Board priorities.

Progress Indicators:

- Implement and monitor the District Operational Plan in alignment with the Strategic Plan.
- Align School Improvement Plans and department plans with district priorities and strategic objectives.
- Utilize district success indicators to monitor district performance and guide continuous improvement.
- Recommend policy, budget, and resource allocations that support Strategic Plan implementation and student success.
- Provide evidence of district progress toward School Board priorities through established monitoring processes.

Goal 3: Governance Team Effectiveness

By June 30, 2027, the Superintendent will strengthen the governance team's effectiveness by fostering a productive School Board-Superintendent partnership through timely communication, informed recommendations, governance support, and ongoing Board development.

Progress Indicators:

- Facilitate annual Board goal setting and governance planning.
- Coordinate governance training and onboarding for Board members.
- Support regular Board self-reflection and continuous governance improvement.
- Maintain communication protocols and role clarity between the Board and Superintendent.
- Ensure Board agendas, work sessions, and progress monitoring reports support effective governance.
