9. Informational Items

9.A. Superintendent Report

We are just 2 weeks into the legislative session so things could change, but right now the governor is recommending to keep the budget flat for education. Which would mean zero cost of living adjustment for next year and no new money coming in, but he does want to see career ladder steps and lanes continued, which are statutory. They are looking at making cuts to virtual education which could affect our IDLA classes. We are also looking at an 11% increase on health insurance. The funding that comes to the district is called support units and is roughly the cost for

the operation of a classroom. The state as a whole is down 232 support units and based on enrollment numbers, we are down 40-something students. That could equate to two support units in our district, so even though he recommends keeping things flat, that could equate to a couple of teachers based on our enrollment numbers. That is something that we need to be aware of. There is a public education stabilization fund, and that is typically kind of a rainy day fund, which he is proposing we dip into. Normally, that wouldn't be done until mid-year. Last month, I mentioned the state superintendent was asking for 50 million for special education but after realizing how tight the budget is she backed out of that. The governor is proposing a 6 million bridge under the special education umbrella with 5 million of that going to high-needs students. With 150 districts that money wouldn't go very far. Just know this is where the governor came in with his initial proposal and now we have to wait and see where it ends.

Day on the Hill for Superintendents and School Boards is next month and I will be attending those meetings, which hopefully will give us a better idea of where things are headed.

We just received our Fall IRI (Idaho Reading Indicator) results from the state. This test has been given for years but the platform has changed. AMIRA is the platform this year, which is new, so it is hard to compare growth. I don't usually like to compare to others in the state, we would rather see actual student growth, but with the platform change we can only compare to others this year. Out of the 154 districts on this report we rank 26th, which means we are ahead of 83% of other districts or charter schools in the state which is great but it still doesn't give us our individual students growth. This is a K-3 reading test. The Oakwood Elementary actually ran some mid-year data using AMIRA with the 3rd grade so we will look at their numbers. They started off the year with 55% of our students proficient in reading with this new platform which the state says holds a higher standard than previous platforms. On their mid-year test, which was in January, they are now showing 71% proficiency in reading which is measurable growth in our students.

10. Levy

Our current levy that passed May 2024 is due to expire this year. We need to discuss running another one in the May 2026 election. With no new money proposed to come in from the state we would need to continue with another levy to continue some of the programs we currently have. We would like to go to the public with the same ask as we had last time. Once we receive some numbers from the county we will be able to give you hard numbers next month. We don't want to raise taxes at all for community members. This is money that we are already slated to receive from the state, if nothing changes in the legislation, it would not raise taxes. It would help us to increase wages for classified staff & substitute teachers, technology improvements, and maintain student extracurricular activities. We have broken out salaries and benefits for the school nurse, mental health counselor and SRO due to grants that are ending and this would allow us to use this money for those positions.

Chris Jones mentioned that by law the levy has to state how much your taxes would go up per \$100,000 of assessed value of your home but when in actuality there really would not be a tax increase, there would be no change.

Launa Moser mentioned listing who classified staff are due to the public not realizing it is your paraprofessionals who are reading aides, aids in the special ed classrooms, bus drivers, administrative assistants, etc... anyone who is not a certified teacher in the classroom or administrator. She would like it in parentheses what categories it would affect.

11. Action Items

Policy 631 Open Enrollment was passed 07/16/25. Should policy 3010 have been included in the motion to be deleted? Also, Policy 3010 was passed in 2023, should Policy 632 have been deleted at that time? We currently have all 3 policies. Attached for reference 631, 631P, 632, 3010

Policy 912 Display of Flags and Banners on School Property was passed 07/16/2025. We already have a Policy 912 Naming of School District Facilities that was passed 01/19/22. Can we change the Policy # on one of them to 911 or 913? Attached for reference

What kind of training would you like as a board? If you want it in February we need to take action and set the meeting date. Jayson Loyd, ISBA is available Feb 2 or 4th, Feb 9-13th or Feb. 23-27. There are several consultants for ISBA. He said if we could narrow down a couple of possible dates then he could reach out and see which consultants are available. Training dates were discussed and possible trainers. February 2nd worked best for everyone if a trainer is available.

Motion to delete Policy 3010 Open Enrollment and Policy 632 Open Enrollment, Policy 631 Open Enrollment was approved 07/16/2025. This motion, made by Launa Moser (Zone 1 Trustee) and seconded by Geniel Lyons (Zone 2 Trustee), Carried.

12. Policy - Action Item

12.A. Policy 1st Reading

Policy 572 no longer meets law. As we were digging into it, we discovered that in the 1st Quarter 2024 Holinka recommended the following update to policy. 570 - Extracurricular and Co-Curricular Student Activities. We have made extensive updates to this revised and renamed optional policy. First, we have provided definitions of "extracurricular activities" and "co-curricular activities." Second, we have taken the eligibility requirements from policy 572 and included them in this policy, together with additional academic and attendance eligibility requirements. Third, we moved the prohibition against drug and alcohol usage from policy 572 to this policy. Fourth, we have added an activity suspension section that delineates the consequences of violating this or other district policies or IHSAA rules. We have moved and revised the athletic activities insurance language from policy 573 to this policy. We have added a new section on athletic physicals. Finally, we have moved the extracurricular awards language from policy 574 to this policy. With these changes, we are recommending policies 571, 572, 573 and 574 be deleted.

Attached you will see our current policies 570, 571, 572, 573 and 574. The redline version from Holinka is attached AND the Redline Admin Reviewed Policy is what is recommended. Anything we changed from Holinka is in BLUE so you can see what we updated.

12.B. Policy 3rd Reading

Policy 414 is attached- No changes from 2nd reading
Motion to approve Policy 414 Sexual Harassment and move it to board policy. This motion, made by Geniel Lyons (Zone 2 Trustee) and seconded by Launa Moser (Zone 1 Trustee), Carried.

Learning Process

What We Understand

We commit to mastering our content to ensure high levels of learning for all students, regardless of their background/circumstance.
We understand that our instructional decisions directly affect student learning and outcomes.
We understand how students learn, including the role of practice, feedback, mistakes, and support in growth.

Skills -

Responsive Instruction
Purposeful Collaboration
Meaningful Communication

What We Do

We adapt instruction, pacing, and strategies based on evidence of student learning.
We work together to plan, analyze student work, consistently use formative assessment, and respond when students struggle or excel.
We commit to providing meaningful feedback, focused on improvement to each other, our students, and their parents

Dispositions -

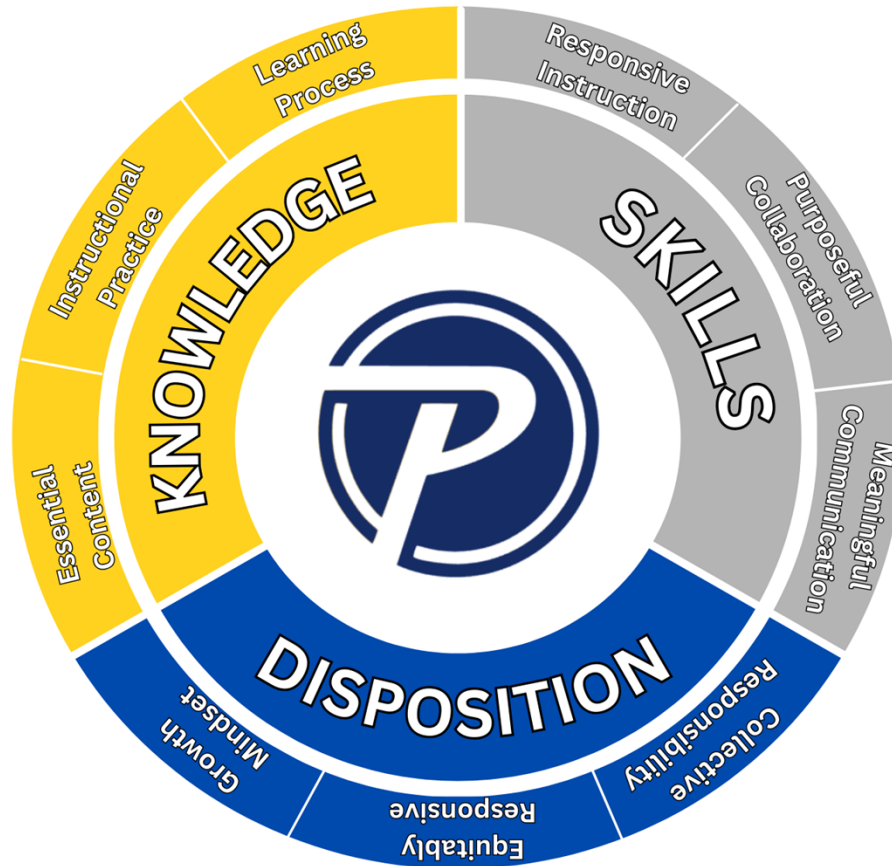

Collective Responsibility
Equitably Responsive
Growth Mindset

We Believe & Commit to

We believe all students can learn and we commit to ensuring that high levels of learning occur.
We maintain rigorous expectations while providing the time, instruction, interventions, and extensions students need to succeed.
We regularly examine our practice, seek feedback, and make changes when students are not learning.

Stated on the ballot:

Cost for the taxpayer would be \$81.50 per \$100,000

Decrease from the 2024 Levy - \$88.16 per \$100,000

May 2026 Levy Election Information

Public Forums will be held at the library:
Tuesday, April 7, 2026, from 6–8 p.m.
Tuesday, May 12, 2026, from 6–8 p.m.

- **Levy amount \$1,100,000**
 - SRO - \$70,000
 - Classified staff & sub wages - \$630,000
 - Extracurricular - \$20,000
 - Nurse/Mental Health - \$130,000
 - Technology - \$250,000
 - The levy is for school years 2026-2027 and 2027-2028.
- **Taxpayer cost**
 - Nothing due to Idaho code 33-911. The levy allows us to use the funds that the state is already giving us for immediate operational needs in the district.
 - However, we do have to state on the ballot that it would be \$81.50 per \$100,000
 - The 2024 Levy was \$88.16 per \$100,000
- **The changes from the 2024 levy**
 - Adding the SRO category
 - Increase for the classified staff and sub wage category.
 - Specialized educators' positions, the district nurse has been added.
- **Idaho Code 33-911 (facility funds)**
 - 2025-2026 School Year: \$2,111,410
 - 2024-2025 School Year: \$1,304,100.13
 - Bonds
 - Supplemental Levy
 - Plant Facility Levy
 - Construction of a new facility, renovation, or placed in a reserve account.
- **Idaho Code 33-917 (modernization fund)**

SRO Money Uses

- We received a grant from the state for two SROs. The grant expires at the end of this school year.
- Additional SROs are a preventative measure.
- SROs become part of the culture.
- The SRO is a joint effort of funding between the city and PSD. The city provides benefits, retirement, vehicles, equipment, training, uniforms, etc.
- During the summer, the SROs continue to help with any issues that come up with school-age kids, even though they aren't in school. They also help with staff training.

Classified Staff/Sub Money Uses

- To fund the step advancement on the classified salary schedule (2%) for each classified employee.
- Classified staff include everyone who works for the district except teachers, administrators, and counselors.
- Subs currently make \$12.50 per hour. This money will continue to fund these positions.

Extracurricular Money Uses

- This money goes to funding club activities, such as transportation to state events and junior high athletic programs.

Mental Health/Nurse Money Uses

- While the math specialist is no longer included in this levy category, the position is going to be maintained; the position is now being funded by other monies.
- The nursing position was also created with a grant from the state. This grant expires halfway through the levy in school year 2026-2027.
- This money is used for their salaries and benefits.

Technology Money Uses

- This money goes directly to purchasing and maintaining student devices. This could be either for classroom sets or one-to-one devices.

ADOPTED: June 1, 2007

AMENDED:

All students graduating from Preston School District No. 201 will meet all state and district graduation requirements. High schools ~~in this district~~ will offer a wide variety of courses to satisfy state and local graduation requirements, including instructional offerings in physical education and Career Technical Education (CTE). Additionally, each student's parent-approved career pathway plan will be reviewed and updated annually with the student (*see Policy No. 608, Middle/Junior High School Required Instruction*).

STATE STANDARDS FOR GRADUATION

The Idaho State Board of Education (SBOE) has established that all students graduating from an Idaho public high school must meet the following minimum requirements:

1. **Local Content Standards.** A student must meet locally established subject area achievement standards as demonstrated through various measures of accountability including examinations or other measures. The local standards must meet or exceed the standards set by the state.
2. **Course Credit and Core Instruction.** A student must successfully complete a minimum of forty-six (46) credits, which must include twenty-nine (29) credits in core subjects as set forth below and in IDAPA 08.02.03.105. One (1) credit equals sixty (60) hours of instruction unless the district has been granted a waiver by the Idaho State Department of Education (SDE). Waiver requests must be submitted in writing to the SDE, be signed by the superintendent and board chair, and provide information and documentation that substantiates the district's reason for not requiring sixty (60) hours of total instruction per credit.
 - a. **Secondary Language Arts and Communication**—nine (9) credits required.
 - 1) Eight (8) credits of language arts, each year of which will consisting of language study, composition, and literature aligned to the Idaho Content Standards for the appropriate grade level.
 - 2) One (1) credit of instruction in communications consisting of oral communication and technological applications that includes a course in speech, a course in debate, or a sequence of instructional activities that meet the Idaho Speech Content Standards requirements.
 - b. **Mathematics**—six (6) credits required. Secondary mathematics includes Integrated Mathematics, Applied Mathematics, Business Mathematics, Algebra, Geometry, Trigonometry, Fundamentals of Calculus, Probability and Statistics, Discrete Mathematics, and courses in mathematical problem solving and quantitative reasoning, including mathematics taken through career technical education programs. Dual credit

- ~~e~~Engineering courses and computer science courses aligned to the state standards for grades 9-12, ~~including AP computer science and dual credit computer science courses~~ may ~~also~~ be counted as a mathematics credit. Students who choose to take computer science ~~and dual credit~~ engineering courses may not concurrently count such courses as both a mathematics and science credit for the same course. Students must complete secondary mathematics in the following areas:
- 1) Two (2) credits of Algebra I, Algebra I level equivalent Integrated Mathematics or courses that meet the Idaho High School Algebra Content Standards;~~;~~
 - 2) Two (2) credits of Geometry, Geometry level equivalent Integrated Mathematics, or courses that meet the Idaho High School Geometry Content Standards; ~~and~~.
 - 3) Two (2) credits of mathematics of the student's choice.
- c. Science—six (6) credits required, ~~two (2) of which must be laboratory based. Four (4) credits are required from at least two (2) of the four (4) content areas: physics, chemistry, earth and space sciences, or life science. An additional two (2) credits in secondary~~Secondary sciences may include instruction in applied sciences, physics, chemistry, earth and space sciences, physical sciences, life sciences, engineering and computer science. Students who choose to take computer science or engineering courses may not concurrently count such courses as both a mathematics and science credit for the same course.
- 1) ~~Secondary sciences include instruction in the following areas: biology, computer science, physical science or chemistry, and earth, space, environment, or approved applied science.~~
 - 2) ~~Dual credit engineering and computer science courses aligned to the state standards for grades 9-12, including AP computer science, dual credit computer science, may be used as a mathematics credit. Such courses may not concurrently count as both a math and science credit for the same course.~~
- d. Social Studies—five (5) credits required, including government (2 credits), United States history (2 credits), and economics and financial literacy (1 credit). Courses such as geography, sociology, psychology, and world history may be offered as electives, but will not be counted as a social studies graduation credit requirement.
- 1) ~~Two (2) credits in government.~~
 - 2) ~~Two (2) credits in U.S. history.~~
 - 3) ~~One (1) credit in economics and financial literacy.~~

- ~~4) Courses such as geography, sociology, psychology, and world history may be offered as electives, but will not be counted as a social studies requirement.~~
- e. ~~Humanities~~ Fine Arts or World Languages—two (2) credits required. Courses include instruction in visual arts, music, theatre, dance, or world languages aligned to the Idaho content standards for those subjects. Other courses such as literature, history, philosophy, architecture, or comparative world religions may satisfy the humanities standards if the course is aligned to the Interdisciplinary Humanities Content Standards.
- ~~Humanities courses include instruction in visual arts, music, theatre, dance, or world language aligned to the Idaho Content Standards for those subjects.~~
- ~~1) Courses such as literature, history, philosophy, architecture, or comparative world religions may satisfy the humanities standards if the course is approved by the Idaho Interdisciplinary Humanities Content Standards.~~
- f. Health/Wellness—one (1) credit required. The course must be aligned to the Idaho Health Content Standards. Each student shall receive a minimum of one (1) training on psychomotor cardiopulmonary resuscitation (CPR) as outlined in the American Heart Association Guidelines for CPR to include the proper utilization of an automatic external defibrillator (AED) as part of the Health/Wellness course.
- ~~1) The course must be aligned to the Idaho Health Content Standards.~~
- ~~2) Each student must receive a minimum of one (1) class period on psychomotor cardiopulmonary resuscitation (CPR) training as outlined in American Heart Association (AHA) guidelines for CPR including the proper utilization of an automatic external defibrillator (AED) as part of the Health/Wellness course.~~
- g. Digital Literacy – One (1) credit is required. The course must include instruction that aligns with Idaho Content Standards associated with leveraging technology, digital citizenship, and computational thinking which are imbedded in the Information and Communication Technology Content Standards, and with leveraging the impacts of computing, algorithms, and programming, which are embedded in the Computer Science Standards. This requirement will apply to any student graduating after January 1, 2028. Students who have earned a middle school digital literacy credit may not use that course to satisfy the high school credit requirement.
- ~~g.h. Physical Education—no credit requirement. Students who participate in one (1) season in any sport recognized by the Idaho High School Activities Association (IHSAA) or club sport recognized by the district, or eighteen (18) weeks of a sport recognized by the district may choose to substitute participation up to one (1) credit of physical education. Students must show mastery of the Physical Education Content Standards in a format provided by the district.~~

~~Students who participate in one (1) season in any sport recognized by the Idaho High School Activities Association (IHSAA) or club sport recognized by the district or eighteen (18) weeks of a sport recognized by the district may choose to substitute participation up to one (1) credit of physical education. Students must show mastery of the content standards for physical education in a format provided by the district.~~

3. **Mastery.** Students must demonstrate mastery of Idaho Content Standards in a format provided by the district. Notwithstanding the credit definition set forth in section 2 above, a student may achieve credits by demonstrating mastery of a subject's content standards as defined and approved by the board. *The board will appoint a committee to develop a process whereby students may be awarded credit upon demonstrating mastery of a subject's content standards.*
4. **Credit Flexibility.** Credit flexibility is any instruction in applied concepts that meets Idaho Content Standards to apply for core academic credits. Under this provision, CTE courses or work-based learning opportunities that meet the Idaho Content Standards can be considered for academic credits. The district may work with the SDE in developing crosswalks and templates to assist in awarding credit for learning opportunities in ways that meet course requirements for high school graduation.
5. **Senior Project.** The senior project is a culminating project to show a student's ability to analyze, synthesize, and evaluate information and communicate that knowledge and understanding. A student must complete a senior project that includes a written report and oral presentation by the end of the student's 12th grade year. Senior projects may be multi-year projects, group or individual projects, or approved, pre-internship or school to work internship programs, at the discretion of the district. The project must include elements of research, development of a thesis using experiential learning or integrated project based/project-based learning experiences and presentation of the project outcome. The district may impose additional requirements at its discretion. Completion of a postsecondary certificate or degree at the time of high school graduation or an approved pre-internship or internship program may be used to meet this requirement. The senior project will last apply for the class of 2027, unless the district has opted to early implement the future readiness project, as described herein.
6. **Future Readiness Project.** The future readiness project is a culminating project that demonstrates a student's application of college and career competencies and exploration of potential post high school options. All students beginning with the class of 2028 must complete a future readiness project [or designate the year in which the district chooses to implement this requirement] by the end of grade 12. The project must include an experiential component, such as a work-based, service-based, research-based, or portfolio-based component in which a student demonstrates the acquisition of Idaho college and career competencies. Experiences including, but not limited to, apprenticeships, internships, volunteer work and extracurricular activities related to real-world skills

acquisition will count toward this requirement. The district will determine how students will demonstrate the acquisition of college and career competencies and may require additional components.

4.7. Localized Pathways. In order to assist students in structuring their secondary course selection electives, assessment, and supplemental activities, the district will develop and post publicly two (2) or more localized pathways. Localized pathways are designed to inform students and parents/guardians of local opportunities aligned with post-secondary goals as identified in the student’s career pathway plan. Examples of localized pathways include, but are not limited to: 2-year or 4-year college and university readiness; military readiness; apprenticeships; direct entry into a career or trade; or exploration of post-secondary opportunities. This requirement will be implemented by the district no later than June 30, 2026.

5.8. Civics and Government Proficiency. All secondary students must show they have met the state civics and government standards for such instruction through the successful completion of the civics test. The district may establish an alternate path for determining if a student has met the state civics and government content standards. Alternate paths are open to all students in grades 7-12. Any student who has been determined proficient in the state civics and government content standards either through the completion of the civics test or an alternate path will have it noted on the student’s high school transcript. A student may take the civics test, in whole or in part, any time after enrolling in the 7th grade and may repeat the test as often as necessary to pass the test. “Civics test” means the one hundred (100) questions used by officers of the United States citizenship and immigration services as a basis for selecting the questions posed to applicants for naturalization, in order that the applicants can demonstrate a knowledge and understanding of the fundamentals of United States history and the principles and form of United States government, as required by 8 U.S.C. §1423.

6.9. Financial Literacy. The district will offer to all students in grades 9-12 one (1) or more courses in ~~All students must complete at least one (1) course in~~ personal financial literacy and money management. Instruction in this area will include the following core competency areas: (a) recognize the influence of money on human behavior; (b) learn about various types of bank accounts; (c) evaluate various investment options and calculate net worth; (d) learn about various types of credit and how credit rating is determined; (e) understand the essentials of financing a college education; (f) evaluate various types of insurance associated with independent living; (g) recognize the purpose of the tax system and how it relates to each citizen and the citizen’s income; (h) build a budget for independent living; and (i) recognize and utilize modern consumer skills, tools, and practices. Completion of this course will fulfill the financial literacy component of the social studies high school graduation requirement.

7.10. Middle School Courses. *See Policy No. 609.50, Awarding High School Credit for Courses Taken Before Ninth Grade.*

SPECIAL EDUCATION STUDENTS

Students who are eligible for special education services under the Individuals with Disabilities Education Act may, with the assistance of the student’s Individualized Education Plan (IEP) team, meet graduation requirements in accordance with this policy, the student’s IEP, and specifications within the current Idaho Special Education Manual.

FOREIGN EXCHANGE STUDENTS

A foreign exchange student may be eligible for graduation by completing a comparable program to the requirements set forth above, as approved by the district.

DISTRICT REQUIREMENTS

History—1 credit Freshman year
Introductory CTE course—1 credit
Senior Project—1 credit
 Senior Project/Future Readiness Project – 1 Credit

ADDITIONAL GRADUATION REQUIREMENTS

As a further condition of graduation and as a condition of issuance of a diploma or certificate or as a condition for issuance of a transcript, all indebtedness incurred by a person when he or she was a student must be paid. Furthermore, all books or other instructional material, uniforms, athletic equipment, advances on loans, or other personal property of the school district borrowed by the person when he or she was a student of the district must be returned. The payment of fees may be excused upon an adequate showing of financial need or other exigency.

CREDIT CALCULATION

Credits toward graduation requirements cannot be counted more than once for meeting the minimum requirements.

AMENDED:

**Language in text set forth in italics is optional.*

The schools in theis district will develop a well-rounded and age-appropriate extracurricular and co-curricular activities program that provides opportunities for students to participate in a variety of activities which may include, but are not limited to, journalism and yearbook, music, speech and drama, and interscholastic athletics. To provide a variety of activities for students, the district will periodically assess the types of activities offered, the scheduling of facilities and activities, and the expenditure of funds. The district will maintain membership in the Idaho High School Activities Association (IHSAA) for the appropriate grade levels.

Participation in extracurricular and co-curricular activities is a privilege, not a right. Students are expected to demonstrate sportsmanship, respect, and cooperation at all times. It is expected that students will follow all rules of conduct and training established by the IHSAA, district policies, and coaches/advisors. Rules and expectations regarding student conduct and training will be provided to parents/guardians by coaches/advisors at the beginning of each school year or activity season. All applicable student conduct rules will be strictly and impartially enforced.

DEFINITIONS

The following definitions will apply to this policy:

“Extracurricular activity/ies” means district or school-sponsored activities which take place outside of or in addition to the regular academic courses or curriculum of the district, including, but not limited to, athletics, student groups or organizations, and other activities for which no class credit is given.

“Co-Curricular activity/ies” means district or school-sponsored activities held in conjunction with a for-credit class, including, but not limited to, drama, speech and debate, journalism and yearbook, and band or choir.

PARENTAL PERMISSION [choose one and delete the options not chosen]

~~OPTION A: This district will provide parents/guardians an opportunity to opt out of having their student join or participate in any extracurricular activities (including competitive interscholastic activities and events). The district will annually notify parents/guardians of the available extracurricular activities in the school handbook or other appropriate publication and provide an opportunity for parents/guardians to indicate that they do not want their student to join or participate in any extracurricular activities. The advisor or coach for each extracurricular activity will be responsible to review if parents/guardians have opted out of having their student join or participate in the activity. The district is not responsible for preventing a student from attending meetings open to non-members, or engaging in casual, non-official participation in extracurricular activities and the decision of the parent/guardian to opt out is not a guarantee that their student will not be associated with such organization, club or activity. Parents and guardians are ultimately responsible for the affiliation of their student.~~

OPTION B: Students are required to have parental permission to participate in any extracurricular activities sponsored by the district. Prior to joining any extracurricular club or organization, or participating on any athletic team, the student participant must submit to the advisor/coach a permission form signed by the parent/guardian, authorizing the student’s participation in the club or athletic team.

~~OPTION C: Students are not required to have parental permission to join extracurricular clubs but must have parental permission to participate in any athletic team. In addition, extracurricular clubs may engage in specific activities for which parental permission must be obtained prior to the student participating in the specific activity.~~

FEEES FOR EXTRACURRICULAR ACTIVITIES [choose one and delete the options not chosen]

~~OPTION A: Recognizing the importance of a well-rounded activities program to the academic, social, and physical development of students, and recognizing the limited funding available for such activities, theis district requires that all student participants, regardless of the activity, pay a nominal fee of \$_____. Fees will be held in a dedicated fund to offset costs of operating the program. Students who are unable to pay the fee may receive a full or partial waiver as determined by the superintendent or designee on a case-by-case basis.~~

OPTION B: Recognizing the importance of a well-rounded activities program to the academic, social, and physical development of students, and recognizing the limited funding available for such activities, theis district requires that all student participants, regardless of the activity, pay a ~~nominal~~ fee as indicated in the registration handbook on the fee schedule below.

~~[List each activity and the associated fee. In planning a fee schedule a school must take care not to discriminate. For example, a district may not charge a higher fee for participation in boys’ athletic activities than it does for girls’ athletic activities.]~~

Fees will be held in a dedicated fund to offset costs of operating the student activities program. Students who are unable to pay the fee may receive a full or partial waiver as determined by the superintendent or designee on a case-by-case basis.

~~OPTION C: The schools in theis district will not charge a fee for extraeurricular student activities.~~

ELIGIBILITY REQUIREMENTS

The district will follow all eligibility requirements for participation in IHSAA-sanctioned activities as may be amended from time to time. Students must meet IHSAA eligibility requirements as well as all district eligibility requirements.

Coaches and advisors are expected to set reasonable standards for continued eligibility, including but not limited to training and participation requirements, academic performance, and

sportsmanship. Such standards will be in writing and distributed to the students at the beginning of the sports season or enrollment period. Students are expected to comply with all eligibility requirements.

Academic eligibility for all extracurricular and co-curricular activities shall be as follows:

- To take part in any extracurricular or co-curricular activities, students must maintain a minimum cumulative GPA of 2.0.
- Grades will be checked every ~~two~~ one (1 $\frac{1}{2}$) weeks on Monday morning.
- Students must also have all grades at a ~~60~~70% or above to be allowed to participate in any extracurricular or co-curricular activity. If a student has a grade below a ~~60~~70% when grades are pulled, the student will have until ~~Tuesday at noon~~ the day of the contest of that ~~week~~ to get their grade up to a passing grade or they will be deemed ineligible to participate for that week. Any student that is ineligible for the week will have grades pulled again the following week. If the student meets the grade requirement, he or she is eligible to participate. Grades will not be pulled during the first three weeks of each semester.
- Student-athletes who earn an F in any class or have a semester GPA below 2.0 at the end of a semester or the last reporting period will be ineligible to participate in contests for 15% of the scheduled dates of their current sport season, or the next sport season in which they participate if they are not currently in season. The number of contests missed will be calculated based on the official schedule and rounded up to the next whole contest. Once the ineligibility period is served, the student-athlete may return to full participation for the remainder of the season.

The following attendance eligibility also applies.

- Students who participate in an extracurricular or co-curricular ~~contest activity~~ must attend ~~at all~~ enrolled ~~least four (4)~~ class periods the day of the ~~contest activity~~ unless they have the principal's permission to be absent. ~~If there is a contest on a non-school day, the student must attend four (4) class periods the school day before the contest.~~
- ~~Students who participate in an extracurricular or co-curricular contest must attend at least four (4) class periods in order to attend practice unless they have the principal's permission to be absent.~~

Homeschool students who are dual enrolled in the district and wish to participate in extracurricular or co-curricular activities must agree to adhere to this policy. Students must be able to show proof that they have a 2.0 GPA with the grade requirements set forth in this policy on the designated grade check dates. If a grade report is not provided, the student will automatically be ineligible for the week. Homeschool students are subject to all applicable district behavior and code of conduct policies and IHSAA rules.

All students wishing to participate in any extracurricular or co-curricular activities governed by the IHSAA must meet eligibility requirements established by the IHSAA as well as all district

eligibility requirements. This includes being enrolled in school full time and having passed at least 4 out of 5 classes the previous semester.

PROHIBITION AGAINST THE POSSESSION OR USE OF ILLEGAL SUBSTANCES

Students are prohibited from possessing, using, being under the influence of, or distributing tobacco, alcohol, illegal drugs, and/or paraphernalia (Policy 551, Student Drug, Alcohol and Tobacco Use). Students participating in extracurricular or co-curricular activities may also be subject to drug and alcohol testing as specified in Policy 578 (Drug and Alcohol Testing of Students Participating in Extracurricular Activities).

ACTIVITY SUSPENSION

A student will be immediately suspended from all extracurricular and co-curricular activities when he or she receives a suspension from school for any reason. Such suspension is automatic and may apply for the duration of the school suspension or longer, up to a total of nine (9) school days, at the discretion of the building principal. The suspension runs concurrently with the school suspension. Coaches and advisors may also suspend students from participating in extracurricular or co-curricular activities for failing to comply with training and participation requirements, or violation of student conduct rules, including but not limited to possession, use, or distribution of drugs, alcohol, or tobacco. Students may also be subject to school disciplinary action where appropriate.

Students who receive in-school suspension may practice with their team after the regular school day has ended. A student suspended from athletics may not compete with the team or travel with the team to away contests during the period of suspension. Students who are suspended out of school may not participate in any practice or team function until their suspension is completed. Students may be suspended due to possession, use, or distribution of drugs, alcohol, or tobacco in accordance with Policy 578 (Drug and Alcohol Testing of Students Participating in Extracurricular Activities).

Students suspended from a co-curricular activity may ask to do, or be required to do, alternative assignments or special projects to make up for the missed activity. The course grade for students will not be affected by a suspension from a co-curricular activity as a result of this policy unless the reason for the suspension was related to course work or course expectations.

SCHOOL INSURANCE

School insurance is available for students participating in extracurricular **athletic** activities. Before engaging in practice sessions, competitions, or events, students who want to take part in the school insurance program must have a permission form signed by the student's parent/guardian. Parents/guardians will be provided with information about the school-provided insurance and the limits of protection on the applicable policy. The district does not assume any financial responsibility for medical or hospital expenses incurred because of **athletic** injuries. Students participate at their own risk.

ATHLETIC PHYSICALS

Students participating in IHSAA-sponsored athletics are required to get a physical examination prior to participation their freshman and junior years. Information on when and where to obtain such physicals will be available from coaches and/or the district athletic director.

EXTRACURRICULAR AWARDS

Students who participate in extracurricular or co-curricular activities may be recognized by the awarding of varsity letters ~~or~~, certificates of participation, ~~or other awards~~. The type of award and criteria for receiving an award will be established prior to the commencement of the activity. Each coach or advisor will inform student participants of the requirements and standards for earning an award in the activity.

If a member of a varsity sport is injured during that sport’s season and cannot meet the requirements for earning an award, the coach has discretion to determine whether that student has earned a letter.

Managers of a varsity sport may earn a manager’s letter by fulfilling the requirements set by the coach for that sport.
