Wrenshall School District #100
February 11th AIPAC Minutes

Start Time 4:40 pm.

Present in attendance.

Jeff Pesta, Erin Riley, Carol Kot, Jeff Blanchard, Syndy Seliskar, Michelle Blanchard, Kevin Kot

State timelines discussed.

Closed meeting with only voting members present for discussion. The group went through measurable goals and voted concurrence by all members. The vote was shared with all in attendance. A vote of concurrence will include further recommendations when presented to the school board.

Recommendations

- Larger room size as current room only accommodates 6 in a small area. Report from parents students not utilizing the room because not enough space.
- District to include goals in the 6 focus areas. This way AIE AIPAC recommendations and goals can help support the district goals for American Indian Students and not supplant what the district should be doing to help us all work together for the good of AIE students.
- Priority to join Dream Catchers

Cultural Liaison role clarification and communication need improvement from Special Education to Liaison. Principle Blanchard will notify the Cultural liaison if an American Indian student was listed in the SST and CST meetings for additional academic support. Cultural Liaison Mr Kot will gather information about the Liaison role to help clarify the position.

Dream Catcher meeting needs to be set up to help staff understand American Indian culture and SPED and to involve Liaison in Special Education as part of the team.

Larger room

Adjourn 5:36 pm

AIPAC Recommendations

- Larger space is needed for the American Indian program, as some parents and guardians have expressed concerns about their children not being able to access the room due to insufficient space, and crowded conditions.
- Incorporating measurable district goals into the State American Indian Aid application.
- Ongoing clarification of the Cultural Liaison role within the District.

Recommendations from the 2023/2024 school year not addressed.

- Conduct an American Indian Academic standards audit.
- AIPAC collaborative review of the MDE Indian Education Self-Assessment Rubric.
- Staff development to continue the 8-hour cultural competency requirement with opportunities for staff to have Indigenous Peoples education focus.
- Gather, review, and make recommendations/goals with American Indian students to include but not limited to: the number of Indian students in SPED, testing, and bullying data.

Annual Compliance Overview

[Minnesota Statutes 2024, section 124D.78](#) requires Minnesota districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students to have an American Indian Parent Advisory Committee (AIPAC). Specifically, the Statutes cite that school boards and American Indian schools must provide for the maximum involvement of parents and children enrolled in education programs, programs for elementary and secondary grades, special education programs, and support services.

Districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students are required to submit annual compliance documents to the Office of American Indian Education (OAIE) by March 1 of each year. Also known as the vote of concurrence or nonconcurrence, annual compliance is a valuable opportunity for AIPAC members to meet and discuss whether or not they concur with the educational offerings that have been extended by the district to American Indian students.

The Vote and Resolution

Parent Committees receive data from the district on whether or not the district has met the needs of American Indian students using the goals from the program plan submitted and approved by MDE. The AIPAC votes on how the district is achieving and accountable to the goals. The AIPAC should work with administration to fill out the Program Plan Review. This vote is formally reflected on the annual compliance documents. Members of the AIPAC present the vote and resolution to the school board.

If the vote is one of nonconcurrence, the AIPAC must provide written recommendations for improvement to the school board at the time of the presentation. The school board then has 60 days in which to respond in writing to the AIPAC recommendations. A copy of this written response must be provided to OAIE.

Using the approved American Indian Education Aid application that was submitted, communicate how the district or school has progressed towards all the goals outlined within each narrative for areas 1-6. Data should be shared with the AIPAC in order to concur with the district plan.
