408 SUBPOENA OF A SCHOOL DISTRICT EMPLOYEE

I. PURPOSE

The purpose of this policy is to protect the privacy rights of school district employees and students under both state and federal law when requested to testify or provide educational records for a judicial or administrative proceeding.

II. GENERAL STATEMENT OF POLICY

This policy is to provide guidance and direction for school district employees who may be subpoenaed to testify and/or provide educational records for a judicial or administrative proceeding.

III. DATA CLASSIFICATION

A. Educational Data

1. State Law

The Minnesota Government Data Practices Act (MGDPA), ~~Minnesota Statutes, Ch. chapter~~ 13, classifies all educational data, except for directory information as designated by the school district, as private data on individuals. The state statute provides that **private data on individuals may not be released, except pursuant to a valid court order or informed consent by the subject of the data or a parent if the subject of the data is a minor.**

2. Federal Law

The Family Educational Rights and Privacy Act (FERPA), 20 United States Code section U.S.C. § 1232g, provides that educational data may not be released, except pursuant to informed consent by the individual subject of the data or any lawfully issued subpoena. Regulations promulgated under the federal law require that the school district must first make a reasonable effort to notify the parent of the student, or the student if the student is 18 years of age or older, of the subpoena in advance of releasing the information pursuant to the subpoena.

B. Personnel Data

The MGDPA, ~~Minn. Stat. Ch. 13~~, also classifies all personnel data, except for certain data specifically classified as public, as private data on individuals. The state statute provides that **private data on individuals may not be released, except pursuant to a valid court order or informed consent by the subject of the data.**

IV. APPLICATION AND PROCEDURES

- A. Any employee who receives a subpoena for any purpose related to employment is to inform the building administrator or designated supervisor when the employee receives

the subpoena. The building administrator or designated supervisor shall immediately inform the superintendent that the employee has received a subpoena.

- B. No employee may release educational data, personnel data, or any other data of any kind without consultation in advance with the school district official who is designated as the authority responsible for the collection, use and dissemination of data.
- C. Payment for attendance at judicial or administrative proceedings and the retention of witness and mileage fees is to be determined in accordance with the applicable school board policies and collective bargaining agreements.
- D. The administration shall not release any information except in strict compliance with state and federal law and this policy. Recognizing that an unauthorized release may expose the school district or its employees to civil or criminal penalties or loss of employment, the administration shall confer with school district legal counsel prior to release of such data.

606 TEXTBOOKS AND INSTRUCTIONAL MATERIALS

I. PURPOSE

The purpose of this policy is to provide direction for selection of textbooks and instructional materials.

II. GENERAL STATEMENT OF POLICY

The school board recognizes that selection of textbooks and instructional materials is a vital component of the school district's curriculum. The school board also recognizes that it has the authority to make final decisions on selection of all textbooks and instructional materials.

III. RESPONSIBILITY OF SELECTION

- A. While the school board retains its authority to make final decisions on the selection of textbooks and instructional materials, the school board recognizes the expertise of the professional staff and the vital need of such staff to be primarily involved in the recommendation of textbooks and instructional materials. Accordingly, the school board delegates to the superintendent the responsibility to direct the professional staff in formulating recommendations to the school board on textbooks and other instructional materials.
- B. In reviewing textbooks and instructional materials during the selection process, the professional staff shall select materials ~~which~~that:
1. support the goals and objectives of the education programs;
 2. consider the needs, age, and maturity of students;
 3. foster respect and appreciation for cultural diversity and varied opinion;
 4. fit within the constraints of the school district budget;
 5. are in the English language. Another language may be used, pursuant to Minnesota Statutes section Minn. Stat. § 124D.61;
 6. permit grade-level instruction for students to read and study America's founding documents, including documents that contributed to the foundation or maintenance of America's representative form of limited government, the Bill of Rights, our free-market economic system, and patriotism; and
 7. do not censor or restrain instruction in American or Minnesota state history or heritage based on religious references in original source documents, writings, speeches, proclamations, or records.
- C. The superintendent shall be responsible for developing procedures and guidelines to establish an orderly process for the review and recommendation of textbooks and other instructional materials by the professional staff. Such procedures and guidelines shall

provide opportunity for input and consideration of the views of students, parents, and other interested members of the school district community. This procedure shall be coordinated with the school district's curriculum development effort and may utilize advisory committees.

IV. SELECTION OF TEXTBOOKS AND OTHER INSTRUCTIONAL MATERIALS

- A. The superintendent shall be responsible for keeping the school board informed of progress on the part of staff and others involved in the textbook and other instructional materials review and selection process.
- B. The superintendent shall present a recommendation to the school board on the selection of textbooks and other instructional materials after completion of the review process as outlined in this policy.

V. RECONSIDERATION OF TEXTBOOKS OR OTHER INSTRUCTIONAL MATERIALS

- A. The school board recognizes differences of opinion on the part of some members of the school district community relating to certain areas of the instruction program. Interested persons may request an opportunity to review materials and submit a request for reconsideration of the use of certain textbooks or instructional materials.
- B. The superintendent shall be responsible for the development of guidelines and procedures to identify the steps to be followed to seek reconsideration of textbooks or other instructional materials.
- C. The superintendent shall present a procedure to the school board for review and approval regarding reconsideration of textbooks or other instructional materials. When approved by the school board, such procedure shall be an addendum to this policy.

608 INSTRUCTIONAL SERVICES – SPECIAL EDUCATION

[Note: The provisions of this policy substantially reflect statutory and regulatory requirements.]

I. PURPOSE

The purpose of this policy is to set forth the position of the school board on the need to provide special educational services to some students in the school district.

II. GENERAL STATEMENT OF POLICY

The school board recognizes that some students need special education and further recognizes the importance of providing a free appropriate public education and delivery system for students in need of special education.

III. RESPONSIBILITIES

- A. The school board accepts its responsibility to identify, evaluate, and provide special education and related services for disabled children who are properly the responsibility of the school district and who meet the criteria to qualify for special education and related services as set forth in Minnesota and federal law.
- B. The school district shall ensure that all qualified children with a disability are provided special education and related services that are appropriate to their educational needs.
- C. When such services require or result from interagency cooperation, the school district shall participate in such interagency activities in compliance with applicable federal and state law.

614 SCHOOL DISTRICT TESTING PLAN AND PROCEDURE

I. PURPOSE

The purpose of this policy is to set forth the school district's testing plan and procedure.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is to implement procedures for testing, test security, documentation, and record keeping.

III. DUTIES OF SCHOOL DISTRICT PERSONNEL REGARDING TEST ADMINISTRATION

[Note: This listing of school personnel may not be consistent with the personnel in the school district and, consequently, should be amended to reflect the personnel with responsibility for testing in the particular school district.]

A. Superintendent

1. Responsibilities before testing.
 - a. Designate a district assessment coordinator and district technology coordinator.
 - b. The superintendent, or a designee who has been authorized to be the identified official with authority by the school board, pre-authorizes staff access for applicable Minnesota Department of Education (MDE) secure systems.
 - c. Annually review and recertify staff who have access to MDE secure systems.
 - d. Read and complete the *Assurance of Test Security and Non-Disclosure*.

[Note: This form is available on the Minnesota PearsonAccess Next website—see Cross References for website address included in the 614 Form file of the Policy Reference Manual.

- e. Establish a culture of academic integrity.
- f. Fully cooperate with MDE representatives conducting site visits or Minnesota Test of Academic Skills (MTAS) audits during testing.
- g. Ensure student information is current and accurate.
- h. Ensure that a current district test security procedure is in place and that all relevant staff have been provided district training on test administration and test security.
- i. Ensure that a current process is included for tracking which students tested with which test monitors and any other adult(s) who were present

in the testing room (e.g., staff providing assistance, paraprofessionals, etc.).

- j. Confirm the district assessment coordinator has current information and training specific to test security and the administration of statewide assessments.
- k. Confirm the district assessment coordinator completes Pre-test Editing in the Test Web Edit System (WES).
- l. Post on the school district website the complete Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing form.

2. Responsibilities after testing.

- a. Confirm the district assessment coordinator and Minnesota Automated Reporting Student System (MARSS) coordinator complete Post-test Editing in Test WES.
- b. Verify with the district assessment coordinator that all test security issues have been reported to MDE and are being addressed.
- c. Confirm the MARSS coordinator has updated all student records for Post-test Editing.
- d. Confirm the district assessment coordinator has finalized the district's assessment information prior to the close of Post-test Editing in Test WES.
- e. Confirm the district assessment coordinator, or designee, has access to the Graduation Requirements Records (GRR) system and enters necessary information.
- f. Discuss assessment results with the district assessment coordinator and school administrators.

B. District Assessment Coordinator

1. Responsibilities before testing.

- a. Serve as primary contact with MDE regarding policy and procedure questions related to test administration.
- b. Read and complete the *Assurance of Test Security and Non-Disclosure*.
- c. Confirm all staff who handle test materials, administer tests, or have access to secure test content have completed the *Assurance of Test Security and Non-Disclosure*.
 - (1) Maintain the completed *Assurance of Test Security and Non-Disclosure* for two years after the end of the academic school year in which testing took place.
- d. Review with all staff the *Assurance of Test Security and Non-Disclosure* and their responsibilities thereunder.
- e. Identify appropriate tests for students and ensure student data sent to service providers for testing are correct.
- f. Establish district testing schedule within the testing windows specified by the MDE and service providers.

- g. Prepare testing conditions, including user access to service provider websites, preparing readiness for online testing, preparing a plan for tracking which students test on which computers or devices, ensure accommodations are indicated as necessary, providing students with opportunity to become familiar with test format, item types, and tools prior to test administration; establishing process for inventorying and distributing secure test materials where necessary; preparing procedures for expected and unexpected situations occurring during testing; planning for addressing technical issues while testing; identify staff who will enter student responses from paper accommodated test materials and scores from MTAS administration online.
 - h. Train school assessment coordinators, test monitors, MTAS test administrators, and ACCESS (test for English language learners) and Alternate ACCESS test administrators.
 - (1) Provide training on proper test administration and test security (Pearson's Training Management System).
 - (2) Verify staff complete any and all test-specific training.
 - i. Maintain security of test content, test materials, and record of all staff involved.
 - (1) Receive secure paper test materials from the service provider and immediately lock them in a previously identified secure area, inventory same, and contact service provider with any discrepancies.
 - (2) Organize secure test materials for online administrations and keep them secure.
 - (3) Define chain of custody for providing test materials to test monitors and administrators. The chain of custody must address the process for providing test materials on the day of testing, distributing test materials to and collecting test materials from students at the time of testing, keeping test materials secure between testing sessions, and returning test materials after testing is completed.
 - j. Confirm that all students have appropriate test materials.
2. Responsibilities on testing day(s).
- a. Conduct random, unannounced visits to testing rooms to observe staff adherence to test security and policies and procedures.
 - b. Fully cooperate with MDE representatives conducting site visits or MTAS audits.
 - c. Contact the MDE assessment contact within 24 hours of a security breach and submit the *Test Security Notification* in Test WES within 48 hours.
 - d. Address invalidations and test or accountability codes.
3. Responsibilities after testing.
- a. Ensure that student responses from paper accommodated test materials and MTAS scores are entered.

- b. Arrange for secure disposal of all test materials that are not required to be returned within 48 hours after the close of the testing window.
- c. Return secure test materials as outlined in applicable manuals and resources.
- d. Collect security documents and maintain them for two years from the end of the academic school year in which testing took place.
- e. Review student assessment data and resolve any issues.
- f. Distribute Individual Student Reports no later than fall parent/teacher conferences.
- g. Enter Graduation Requirements Records in the GRR system.

C. School Principal

- 1. Responsibilities before testing.
 - a. Designate a school assessment coordinator and technology coordinator for the building.
 - b. Be knowledgeable about proper test administration and test security as outlined in manuals and directions.
 - c. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - d. Communicate the importance of test security and expectation that staff will keep test content secure and act with honesty and integrity during test administration.
 - e. Provide adequate secure storage space for secure test materials before, during, and after testing until they are returned to the service provider or securely disposed of.
 - f. Ensure adequate computers and/or devices are available and rooms are appropriately set up for online testing.
 - g. Verify that all test monitors and test administrators receive proper training for test administration.
 - h. Ensure students taking specified tests have opportunity to become familiar with test format, item types, and tools prior to test administration.
 - i. Include the complete Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing form in the student handbook.
- 2. Responsibilities on testing day(s).
 - a. Ensure that test administration policies and procedures and test security requirements in all manuals and directions are followed.
 - b. Fully cooperate with MDE representatives conducting site visits or MTAS audits.

3. Responsibilities after testing.
 - a. Ensure all secure test materials are collected, returned, and/or disposed of securely as required in any manual.
 - b. Ensure requirements for embargoed final assessment results are followed.

D. School Assessment Coordinator

1. Responsibilities before testing.
 - a. Implement test administration and test security policies and procedures.
 - b. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - c. Ensure all staff who handle test materials, administer tests, or have access to secure test content read and complete the *Assurance of Test Security and Non-Disclosure*.
 - d. Identify appropriate tests for students and ensure student data sent to service providers for testing are correct.
 - e. Prepare testing conditions, including the following: schedule rooms and computer labs; arrange for test monitors and administrators; arrange for additional staff to assist with unexpected situations; arrange for technology staff to assist with technical issues; develop a plan for tracking which students test on which computers or devices; plan seating arrangements for students; ensure preparations are completed for Optional Local Purpose Assessment (OLPA), Minnesota Comprehensive Assessment (MCA), and ACCESS online testing; ensure accommodations are properly reported; confirm how secure paper test materials will arrive and quantities to expect; address accommodations and specific test administration procedures; determine staff who will enter the student responses from paper accommodated test materials and scores from MTAS administrations online.
 - f. Train staff, including all state-provided training materials, policies and procedures, and test-specific training.
 - g. Maintain security of test content and test materials.
 - (1) Receive secure paper test materials from the service provider and immediately lock them in a previously identified secure area, inventory same, and contact service provider with any discrepancies.
 - (2) Organize secure test materials for online administrations and keep them secure.
 - (3) Follow chain of custody for providing test materials to test monitors and administrators. The chain of custody must address the process for providing test materials on the day of testing, distributing test materials to and collecting test materials from students at the time of testing, keeping test materials secure between testing sessions, and returning test materials after testing is completed.
 - (4) Identify need for additional test materials to district assessment coordinator.

- (5) Provide MTAS student data collection forms if necessary.
- (6) Distribute applicable ACCESS and Alternate ACCESS *Test Administrator Scripts* and *Test Administration Manuals* to test administrators so they can become familiar with the script and prepare for test administration.
- (7) Confirm that all students taking ACCESS and Alternate ACCESS have appropriate test materials and preprinted student information on the label is accurate.

2. Responsibilities on testing day(s).

- a. Distribute materials to test monitors and ACCESS test administrators and ensure security of test materials between testing sessions and that district procedures are followed.
- b. Ensure *Test Monitor and Student Directions* and *Test Administrator Scripts* are followed and answer questions regarding same.
- c. Fully cooperate with MDE representatives conducting site visits or MTAS audits, as applicable.
- d. Conduct random, unannounced visits to testing rooms to observe staff adherence to test security and test administration policies and procedures.
- e. Report testing irregularities to district assessment coordinator using the *Test Administration Report*.

[Note: This form is available on the Minnesota PearsonAccess Next website—see Cross References for website address. Note: This form is included in the 614 Form file of the Policy Reference Manual.]

- f. Report security breaches to the district assessment coordinator as soon as possible.

3. Responsibilities after testing.

- a. Ensure that all paper test materials are kept locked and secure and security checklists completed.
- b. Ensure that student responses from paper accommodated test materials and MTAS scores are entered.
- c. Arrange for secure disposal of all test materials that are not required to be returned within 48 hours after the close of the testing window.
- d. Return secure test materials as outlined in applicable manuals and resources.
- e. Prepare materials for pickup by designated carrier on designated date(s). Maintain security of all materials.
- f. Ensure requirements for embargoed final assessment results are followed.

E. Technology Coordinator

1. Ensure that district is prepared for online test administration and provide technical support to district staff.
2. Acquire all necessary user identifications and passwords.
3. Read and complete the *Assurance of Test Security and Non-Disclosure*.
4. Fully cooperate with MDE representatives conducting site visits or MTAS audits.
5. Attend district training and any service provider technology training.
6. Review, use, and be familiar with all service provider technical documentation.
7. Prepare computers and devices for online testing.
8. Confirm site readiness.
9. Provide all necessary accessories for testing, technical support/troubleshooting during test administration and contact service provider help desks as needed.

F. Test Monitor

1. Responsibilities before testing.
 - a. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - b. Attend trainings related to test administration and security.
 - c. Complete required training course(s) for tests administering.
 - d. Be knowledgeable about how to contact the school assessment coordinator during testing, where to pick up materials on day of test, and plan for securing test materials between test sessions.
 - e. Be knowledgeable regarding student accommodations.
 - f. Remove or cover any instructional posters or visual materials in the testing room.
2. Responsibilities on testing day(s).
 - a. Before test.
 - (1) Receive and maintain security of test materials.
 - (2) Verify that all test materials are received.
 - (3) Ensure proper number of computers/devices or paper accommodated test materials are present.
 - (4) Verify student testing tickets and appropriate allowable materials.
 - (5) Assign numbered test books to individual students.
 - (6) Complete information as directed.
 - (7) Record extra test materials.

- b. During test.
 - (1) Verify that students are logged in and taking the correct test or using the correct grade-level and tier test booklet for students with paper accommodated test materials.
 - (2) Follow all directions and scripts exactly.
 - (3) Follow procedures for restricting student access to cell phones and other electronic devices, including wearable electronic devices.
 - (4) Stay in testing room and remain attentive during entire test session. Practice active monitoring by circulating throughout the room during testing.

[Note: School districts may allow test monitors to use their cell phones only to alert other staff of issues. If allowed, the school district should train the test monitors on proper and improper use.]
 - (5) Be knowledgeable about responding to emergency or unusual circumstances and technology issues.
 - (6) Do not review, discuss, capture, email, post, or share test content in any format.
 - (7) Ensure all students have been provided the opportunity to independently demonstrate their knowledge.
 - (8) Fully cooperate with MDE representatives conducting site visits or MTAS audits.
 - (9) Document the students who tested with the test monitor and any other adult(s) who were present in the testing room (e.g., staff providing assistance, paraprofessionals, etc.).
 - (10) Document students who require a scribe or translated directions or any unusual circumstances and report to school assessment coordinator.
 - (11) Report any possible security breaches as soon as possible.
- c. After test.
 - (1) Follow directions and scripts exactly.
 - (2) Collect all materials and keep secure after each session. Upon completion return to the school assessment coordinator.
 - (3) Immediately report any missing test materials to the school assessment coordinator.

G. MTAS Test Administrator

- 1. Before testing.
 - a. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - b. Attend trainings related to test administration and security.

- c. Complete required training course(s) for tests administering.
 - d. Be knowledgeable as to when and where to pick up MTAS materials and the school's plan for keeping test materials secure.
 - e. Prepare test materials for administration, including objects and manipulatives, special instructions, and specific adaptations for each student.
2. Responsibility on testing day(s).
- a. Before the test.
 - (1) Maintain security of materials.
 - (2) Confirm appropriate MTAS materials are available and prepared for student.
 - b. During the test.
 - (1) Administer each task to each student and record the score.
 - (2) Be knowledgeable about how to contact the district or school assessment coordinator, if necessary, and responding to emergency and unusual circumstances.
 - (3) Fully cooperate with MDE representatives conducting site visits or MTAS audits.
 - (4) Document and report and unusual circumstances to district or school assessment coordinator.
 - c. After the test.
 - (1) Keep materials secure.
 - (2) Return all materials.
 - (3) Return objects and manipulatives to classroom.
 - (4) Enter MTAS scores online or return data collection forms to the district or school assessment coordinator.

H. MARSS Coordinator

- 1. Responsibilities before testing.
 - a. Confirm all eligible students have unique state student identification (SSID) or MARSS numbers.
 - b. Ensure English language and special education designations are current and correct for students testing based on those designations.
 - c. Submit MARSS data on an ongoing basis to ensure accurate student demographic and enrollment information.
- 2. Responsibilities after testing.
 - a. Ensure accurate enrollment of students in schools during the accountability windows.

- b. Ensure MARSS identifying characteristics are correct, especially for any student not taking an accountability test.
- c. Work with district assessment coordinator to edit discrepancies during the Post-test Edit window in Test WES.

I. Any Person with Access to Test Materials

Read and complete the *Assurance of Test Security and Non-Disclosure*.

IV. TEST SECURITY

- A. Test Security Procedures will be adopted by school district administration.

[Note: This form is available on the Minnesota PearsonAccess Next website—see Cross References for website address. Note: A sample procedure that has been approved by MDE is included in the 614 Form file of the Policy Reference Manual.]

- B. Students will be informed of the following:

- 1. The importance of test security;
- 2. Expectation that students will keep test content secure;
- 3. Expectation that students will act with honesty and integrity during test administration;
- 4. Expectation that students will not access cell phones, wearable technology (e.g., smart watches, fitness trackers), or other devices that can electronically send or receive information. The test of a student who wears a device during testing must be invalidated.

If a student completes testing and then accesses a cell phone or other prohibited device (including wearable technology), the school district must take further action to determine if the test should be invalidated, rather than automatically invalidating the test.

- 5. Availability of the online Test Security Tip Line on the MDE website for reporting suspected incidents of cheating or other improper or unethical behavior.

- C. Staff will be informed of the following:

- 1. Availability of the online Test Security Tip Line on the MDE website for reporting suspected incidents of cheating or other improper or unethical behavior.
- 2. Other contact information and options for reporting security concerns.

V. REQUIRED DOCUMENTATION FOR PROGRAM AUDIT

- A. The school district shall maintain records necessary for program audits conducted by MDE. The records must include documentation consisting of the following:

- 1. Signed *Assurance of Test Security and Non-Disclosure* forms must be maintained for two years after the end of the academic year in which the testing took place.
- 2. School district security checklists provided in the test materials shipment must be maintained for two years after the end of the academic school year in which testing took place.

3. School security checklists provided in the test materials shipment must be maintained for two years after the end of the academic school year in which testing took place.
4. Test Monitor Test Materials Security Checklist provided for each group of students assigned to a test monitor must be maintained for two years after the end of the academic school year in which testing took place.
5. School district test monitor tracking documentation must be maintained for two years after the end of the academic year in which the tracking took place.
6. ACCESS and Alternate ACCESS Packing List and Security Checklist provided in the test materials shipment must be maintained for two years after the end of the academic school year in which testing took place.
7. Documentation of school district staff training on test administration and test security must be maintained for two years after the end of the academic school year in which testing took place.
8. *Test Security Notification* must be maintained for two years after the end of the academic school year in which testing took place.
9. *Test Administration Report* must be maintained for one year after the end of the academic school year in which testing took place.
10. Record of staff trainings and test-specific trainings must be maintained for one year after the end of the academic year in which testing took place.

619 STAFF DEVELOPMENT FOR STANDARDS

I. PURPOSE

The purpose of this policy is to establish opportunities for staff development which advance the staff's ability to work effectively with the Graduation Assessment Requirements and with students as they progress to achievement of those Graduation Assessment Requirements and meet the requirements of federal law.

II. GENERAL STATEMENT OF POLICY

The school district is committed to developing staff policies and processes for continuous improvement of curriculum, instruction, and assessment to ensure effective implementation of the Graduation Assessment Requirements and federal law at all levels.

III. STANDARDS FOR STAFF DEVELOPMENT

- A. The Advisory Committee for Comprehensive Continuous Improvement of Student Achievement (Committee) shall address the needs of all staff in prioritizing staff development which will ensure effective implementation of the Graduation Assessment Requirements and federal law at all levels. The Committee will advise the school board on the planning of staff development opportunities.
- B. The school district shall place a high priority on staff development including activities, programs, and other efforts to implement the Graduation Assessment Requirements effectively and to upgrade that implementation continuously.
- C. Staff development plans for the school district shall address identified needs for Graduation Assessment Requirements implementation throughout all levels of the school district programs.
- D. In service, staff meeting, and district and building level staff development plans and programs shall focus on improving implementation of the Graduation Assessment Requirements at all levels for all students, including those with special needs.

IV. TRAINING AND PROFESSIONAL DEVELOPMENT

- A. Paraprofessionals. The school district will provide each paraprofessional who assists a licensed teacher in providing student instruction with initial training. Such training will include training in emergency procedures, confidentiality,

vulnerability, reporting obligations, discipline, policies, roles and responsibilities, and building orientation. Training will be provided within the first 60 days a paraprofessional begins supervising or working with students.

Additionally, with regard to paraprofessionals providing support to special education students, the school district will ensure that annual training opportunities are required to enable the paraprofessional to further develop the knowledge and skills that are specific to the students with whom the paraprofessional works, including understanding disabilities, the unique and individual needs of each student according to the student's disability and how the disability affects the student's education and behavior, following lesson plans, and implementing follow-up instructional procedures and activities.

B. Teachers/Administrators

The school district will provide high quality and ongoing professional development activities as required by state and federal laws.
