President Miller presided and Niki George conducted. The Board of Education met in a study session to discuss the following:

A. Portrait of a Graduate Follow-Up Discussion

Dr. Godfrey expressed the intent to keep this item on the Board agenda in the near future so updates in the development of Portrait of a Graduate can be shared. He invited Carolyn Gough, administrator of Teaching & Learning, to present more information.

Ms. Gough shared information she received from Drew Schantz, associate partner with Education Elements. The documents explain expectations, outcomes, and approaches for the plan, as well as a proposed timeline. It is suggested to begin planning in July and implementing the foundations process in August, which includes a parent survey and focus groups. Ms. Gough said the design phase will last about two to three months and the final product launch could happen as early as March, but could also be done in the fall.

Dr. Godfrey clarified that Ms. Gough will execute the contract with Education Elements, while Board and administration will work together on assigning individuals to different tasks and teams. Ms. Dean requested diversity be a priority in selecting steering team members. Dr. Godfrey suggested the project team of four individuals include Cabinet and Board members, but the larger steering team could include diverse individuals from the community.

It was decided that Board leadership will work on assigning a project team and discussing the process for selecting a larger steering team. They will bring this information back to the July 18, 2023 study session.

B. Review of Request for Proposal (RFP) for Literacy Instructional Materials

Dr. Godfrey expressed the need for obtaining new literacy instruction materials since current materials are going out of print. He invited Ms. Gough to give further details.

Ms. Gough reported that the Utah State Board of Education recently updated Language Arts course standards which Jordan has implemented in grades kindergarten through 3. She reiterated that the current materials will be out of print, thus creating the need to adopt a new language arts curriculum for grades kindergarten through 6.

Language Arts Consultant Michelle Lovell explained the process of the Request for Proposal (RFP) for literacy instructional materials and recommended, on behalf of the department, "Wit and Wisdom" as the new curriculum. She said the RFP team felt this program met important criteria, including:

- 1) Aligns with core standards
- 2) Is easy for teachers to use
- 3) Includes additional reading materials
- 4) Builds a home connection
- 5) Aligns with other resources used in the District: Really Great Reading, Heggerty, 95% Group, and Geodes

Bryce Dunford arrived and joined the meeting in progress at 4:36 p.m.

Ms. Lovell suggested implementation could start in the 2023-24 school year as a school choice, then the following years could be implemented on a team choice basis, with various training options thereafter.

President Milller said State law requires two opportunities for public comment before new curriculum is adopted. Darrell Robinson asked about holding an open house to introduce the product and receive public comment. Dr. Godfrey recommended allowing public comment at the July 18 general session as well as holding an open house at a later date.

Board members agreed with this recommendation and with a potential vote on the new literacy instruction materials in August of 2023.

C. Review of Updates and Revisions to Non-negotiated Policies

John Larsen, Business Administrator, said during the course of negotiations some non-negotiated policies were impacted. The policies below were revised as follows:

- 1) *A3B District Advisory Council – Education Support Professionals*
Section D, regarding holding meetings outside normal working hours, was moved into section B.
- 2) *A10 Departmental Advisory Council – Education Support Professionals*
Language added to explain that council does not need to meet if there is no agenda item.
- 3) *DP307 Staff Selection, Promotion, and Salary Placement – Education Support Professionals*
Change to item 2C6 allowing former employees to be granted full credit for previous time worked in the District.
- 4) *DP318 Resignations – Licensed*
Changed terminology: "cost of a long term substitute" to "50 percent of the daily rate of a licensed employee on salary level one".
- 5) *DP318A Resignations – Administration*
Same change as item 4 above.
- 6) *DP338 Licensed Employees Elected to Public Office*
Same change as item 4 above.
- 7) *DP380 Maternity/Parent Leave*

Updating wording to indicate if this leave is utilized, there is an expectation the employee will return to work at Jordan School District.

Vice President George said these revisions will be voted on during the general session.

D. Discussion on Busing for the Western Springs Development

President Miller thanked Brian Barnett for his work on this item and gave an update on busing for the development. She said the Board decided to eliminate this bus route at the end of 2023. However, Riverton City is allocating \$40,000 for one bus route in 2023-24, and would like assistance from the District in paying for a second bus.

Board members agreed with splitting the cost of busing for the Western Springs development as long as it is done efficiently as possible and includes a Memo of Understanding (MOU) stating this arrangement would be active for the 2023-24 school year only.

E. Report on Buildings and Enrollment Impacting the Ongoing Building Plan

Marilyn Richards reported the Facilities Committee met on June 6, 2023 and mentioned updated documents were added to BoardDocs for reference.

Scott Festin, Planning & Enrollment consultant, identified a new potential "hotspot" within District boundaries that would include 600 housing units, 418 townhomes, and more than 117 single family homes. This area is divided between the following schools, which currently have pocket-busing: Sunset Ridge Middle School, Joel P Jensen Middle School, Fox Hollow Elementary and Antelope Canyon Elementary. Mr. Festin recommended evaluating this area to see if there is possibility to make a permanent boundary change allowing students to go to their natural-boundary school.

Board members discussed the need for two new elementary schools in the near future to accommodate growth: one in the Daybreak area and one in the Olympia Hills subdivision. Ms. Richards asked Scott Thomas to discuss the renovate or reconstruct analysis document shared with the Board.

Mr. Thomas explained that a rebuild should be considered if a building has 15 to 20 years of life left in the structure and renovation costs would be 50-60 percent. Per Board request, this analysis was completed on four schools: West Jordan High School, Joel P Jensen Middle School, Oquirrh Hills Middle School, and South Jordan Middle School. Mr. Rostrom said renovations can extend the life of a building about ten years.

Board members asked about a boundary change timeline and Dr. Anderson said notification would need to be sent 120 days in advance. Ms. Dean read the following thoughts from Mr. Festin regarding priorities for new schools to be built:

- 1) Elementary in Village 13, Daybreak community
- 2) Middle school on the Dansie property
- 3) South Jordan high school
- 4) Herriman or Wood Ranch elementary school

Niki George asked about a boundary change for the west West Jordan area. Dr. Godfrey discussed the boundary change process and it was agreed that administration will bring information about the schools involved, a proposed timeline, and list of possibilities to eliminate pocket-busing to the July 18, 2023 Board study session.

It was also decided the Facilities Committee will refine priorities for the Ongoing Building Plan and meet with the Finance Committee about options for renovations and construction needs. They will bring this back with a needs analysis to the Board meeting on July 18, 2023.

At 5:54 p.m., the meeting adjourned. The general session started at 6:06 p.m.

President Miller invited Superintendent Godfrey and John Larsen, business administrator, to conduct the budget hearing.

Introduction

Superintendent Godfrey thanked Business Administrator John Larsen and the accounting staff for their work on the budget. He said the budget is a reflection of the District's values and a strategic plan for providing the best education for students. Dr. Godfrey added that he takes stewardship over these funds very seriously. He thanked communities and taxpayers who give support to the District, the Legislature who allocates funding, and staff and outside groups who make what is done in Jordan possible.

Presentation of the 2023-24 Budget

Mr. Larsen thanked the Accounting department, especially Senior Accountant Jason Mott, for their hard work on the budget presentation. He proceeded with the presentation, giving information and explaining the following items:

Operational Changes- Oak Leaf Elementary School opened in August, 2022 and Covid-19 federal grants are still being utilized. This year, the federal free lunch program for all students ended, while the National School Lunch Program will resume for students who qualify. Interest revenue also increased \$10.7 million from fiscal year 2022 to 2023.

State Revenues- The Utah State Legislature increased the WPU \$224 to 6.0% for the 2023-24 school year which will generate \$17.8 million in revenue, less the \$20,000 Local Replacement Fund for charter schools. When factoring in an Educator Salary Adjustment increase of \$4,200, it brings the total revenue increase to \$34.98 million. Mr. Larsen noted that House Bill 2, line 615, removed \$50 million from the voted guarantee

program, which results in the District receiving approximately \$6 million less in revenue next year than anticipated.

Compensation- There were step and lane increases for employees this year, as well as pay increases, totaling \$43.7 million.

Enrollment Projections- The District's 2023-24 projected enrollment of 58,389 represents an increase of 560 (1.0%) from the October 1, 2022 enrollment.

Assessed Valuation- The 2023-24 assessed valuation per student, based on the State Board of Education legislative estimates, is projected to be \$746,174. The increase in valuation per student is increasing at a higher rate than the District's enrollment rate.

Tax Rate Comparison- A state-wide comparison of 2022-23 tax rates places Jordan slightly below the state average. Jordan is the ninth from the lowest in the state on operational tax yield and ranks in the bottom third on facilities tax yield.

Financial Overview- Mr. Larsen presented a five-year financial overview of revenue, expenditures, and fund balance on a District-wide basis and for the individual funds which include the General (aka Maintenance and Operation), Debt Service, Capital Projects, Nutrition Services, Self-Insurance, Student Activities, and Tax Increment Funds. Actual figures were provided for 2019-20, 2020-21, and 2021-22, final amended figures for 2022-23, and proposed figures for 2023-24.

District-wide- During 2023-24, it is estimated the District will receive 75.5 percent of its revenue from state required property taxes and state sources, 19.9 percent from local sources, and 4.6 percent from the federal government. District-wide revenue, expenditures, and fund balance for 2023-24 is projected to be \$761.7 million, \$839.5 million, and \$163.6 million, respectively.

General Fund- The projected general fund balance for the 2023-24 school year is \$68.5 million and includes employee benefits covered by the Board. The General Fund revenue, expenditures, and fund balance for 2023-24 is projected to be \$567.6 million, \$611.7 million, and \$68.5 million, respectively. Mr. Larsen noted 88% of the total expenditures are spent on personnel (64.5% wages and 23.5% benefits), and 12% on supplies, textbooks, and other purchases.

General Fund Revenue Types- Mr. Larsen gave a 10-year history of the General Fund, noting State restricted funding has increased from 22 percent to 28 percent, therefore providing less unrestricted funding for the Board to utilize. State unrestricted decreased from 49 percent to 31 percent. State required property taxes increased from 18 percent to 27 percent.

Debt Service Fund- Debt Service Fund revenue, expenditures, and fund balance for 2023-24 is projected to be \$20.4 million, \$19.8 million, and \$0.7 million, respectively. Jordan's 2023 additional legal debt incurring capacity is \$2.3 billion and the District's general obligation debt is very low in comparison to other school districts.

Capital Projects Fund- Capital Projects Fund revenue, expenditures, and fund balance for 2023-24 is projected to be \$54.9 million, \$67.7 million, and \$74.3 million, respectively. Construction projects include the flex school being built to relieve enrollment growth at Ridge View Elementary School.

Nutrition Services Fund- Mr. Larsen noted that student meal prices have not increased in 14 years, but a proposed increase for the 2023-24 school year was approved at the last Board meeting. Nutrition Services Fund revenue, expenditures, and fund balance for 2023-24 is projected to be \$19.3 million, \$26.8 million, and \$4.7 million, respectively. These figures include the proposed increase in meal prices.

Self-Insurance Fund- Self-Insurance Fund revenue, expenditures, and fund balance for 2023-24 is projected to be \$43.5 million, \$57.4 million, and \$8.1 million, respectively. No premium increase is planned for 2023-24.

Pass-Through Taxes Fund- Fund revenues and expenditures for the 2023-24 school year are projected to be \$28.5 and 28.5, respectively. Jordan District's 2023-24 local replacement contributions to charter schools is projected to be \$4,336,372.

Jordan Education Foundation- Foundation revenue, expenditures, and fund balance for 2023-24 is projected to be \$2.4 million, \$2.4 million, and \$1.6 million, respectively.

Student Activities Fund- Revenue, expenditures, and fund balance for the 2023-24 Student Activities Fund is projected to be \$25.1 million, \$25.2 million, and \$5.5 million, respectively.

Tax Rates- Mr. Larsen said the 2023-24 proposed tax rate will reflect a certified tax rate with Jordan District being revenue neutral, plus new growth as well as a proposed Board Local Levy increase sufficient to raise additional revenues the Board desired. He indicated that the actual tax rate for 2023-24 is undetermined because the assessed valuation and certified tax rates are still being calculated by Salt Lake County and the Utah State Tax Commission. The tax rate used for the purpose of preparing the 2023-24 budget is estimated to be 0.005907. The property tax per \$100,000 of residential market value for 2023-24 is estimated to be \$325 without a tax increase.

Truth-in-Taxation- A Truth-in-Taxation hearing is tentatively scheduled this year at West Jordan High School, on August 1, 2023 at 6:00 p.m. If the Board proceeds with the hearing, it will be the third one in ten years. The tax impact depends on the amount of additional tax revenue.

Conclusion. Mr. Larsen recommended the Board take the following action:

1. Adopt the 2022-23 final amended budget.
2. Adopt the 2023-24 proposed budget.
3. Authorize a Truth-in-Taxation hearing to set the property tax rates as follows:
 - a. Basic School Levy – the certified tax rate (as set by the Legislature)
 - b. Board/Voted Levies – a combined rate to yield an additional \$X.X million above the certified tax rate yield
 - c. Debt Service Levy – sufficient to cover debt payments
 - d. Capital Local Levy – the certified tax rate
4. Authorize any budget adjustments necessary to reflect funds received from the certified tax rate and the Truth-in-Taxation hearing
5. Formally remove committed funds for Educator Extra Mile Pay

Questions and Comments from Board Members

Mr. Robinson said there is a difference between “one-time” and “ongoing” money, noting that ongoing funds are needed to pay for educator salaries. He said the Board used reserves in the past, but will need a Truth-in-Taxation hearing to move one-time funds to cover ongoing expenditures.

Patron Comments Related to the Budget Hearing

Linda Crane, a resident, urged the Board to find ways to save money instead of increasing taxes. She gave Board members suggestions on ways to cut back expenditures she feels are unnecessary, including eliminating insurance benefits for Board members, new District-wide programs, and the Health and Wellness Day lunch for employees.

Tracie Halvorsen, a parent, expressed frustration over another proposed increase in tax rates as there was a 23% increase last year.

Terry MacArthur, a resident, read an email reply to her from the Board after the last Truth-in-Taxation meeting. She expressed concern that the Board has already determined to hold another Truth-in-Taxation hearing.

Jolene Norton, a resident, said she was worried about the impact of another Truth-in-Taxation on seniors with a fixed income.

Lisa Gayler, a resident, asked why taxes were being raised if teachers are already receiving money from the State. She asked the Board to cut their budgets in difficult times.

Teri Sorensen, a resident, said she feels like the District is being wasteful with funds. She said the increase in taxes has affected her retirement.

Board Action

MOTION: It was moved by Lisa Dean and seconded by Darrell Robinson to adopt the 2022-23 final amended budget. The motion passed with a unanimous vote.

MOTION: It was moved by Niki George and seconded by Lisa Dean to adopt the 2023-24 proposed budget. The motion passed with a unanimous vote.

MOTION: It was moved by Lisa Dean and seconded by Niki George to move forward with a Board/Voted Levy for a combined rate to yield an additional \$3.4 million above the certified tax rate yield.

Ms. Dean said she proposed this amount since the debt levy is going down by 2.08% and the tax increase would be minimal. Mr. Larsen confirmed that the debt levy will be going down.

Mr. Robinson said it is important to make inflationary increases on a regular basis and Truth-in-Taxation would give the District more ongoing funds. He called on legislators to look at revising the current tax law to include inflationary increases.

President Miller said she is open to a Truth-in-Taxation Hearing since taxes are decreasing, but she would propose a lower amount for the Board/Voted Levy.

SUBSTITUTE

MOTION: It was moved by Tracy Miller and seconded by Niki George to authorize a Truth-in-Taxation Hearing to set the property tax rate for the Board/Voted Levy for a combined rate to yield an additional \$3 million above the certified tax rate yield.

Niki George advocated for smaller tax increases, under the current tax code, to keep up with inflation. President Miller gave a reminder that the District has made substantial budget cuts and noted that 88% of expenditures are employee salaries and benefits. She said the Board needs to increase pay for employees to be competitive.

President Miller called a roll call vote on the substitute motion, which passed with a vote of four to two as follows:

Bryce Dunford	No
Lisa Dean	Yes
Marilyn Richards	Yes
Niki George	Yes
Tracy Miller	Yes
Darrell Robinson	No

MOTION: It was moved by Niki George and seconded by Lisa Dean to authorize a Truth-in-Taxation Hearing to set property tax rates as follows:
