President Dunford presided and conducted. The Board of Education met in a study session to discuss the following:

A. Options for Elementary Boundaries

Mr. Michael Anderson, associate superintendent, presented the administration's proposed boundary recommendations for the new elementary school under construction in West Jordan. He reviewed priorities considered which included longer-lasting boundaries, room for growth, avoidance of high-traffic roads, alignment of feeder systems, following natural boundaries, balancing enrollment size, reduction of busing, and following city boundaries. Mr. Anderson also shared that there are many busy roads and highways in this area, schools are located relatively close to one another, the boundary change would allow Fox Hollow to move to a traditional calendar, and Falcon Ridge changes would only affect currently unoccupied areas. He also noted that the 120-day notice to parents and city leaders required by Utah law included a notification to Copper Canyon parents about a potential boundary change, but the proposed boundary recommendations for the new elementary school do not include changing the boundaries for this school.

Mr. Anderson presented two boundary options for Board consideration. The schools affected by a boundary change include Falcon Ridge, Fox Hollow, and Oakcrest Elementary Schools. Mr. Anderson provided the Board with data on current enrollment numbers for these three schools, plus projected school enrollments for each of the boundary options.

Board members discussed the recommendations and proposed two additional boundary scenarios. In order to determine if the two scenarios are viable, they expressed the need to have projected enrollment

numbers for both. After speaking with Mr. Hamblin, director of Student Services, about whether it would be possible for him to quickly run projected enrollment numbers for the two scenarios, the Board determined to move forward with the agenda and then return to this item when Mr. Hamblin had enrollment data prepared for further Board review.

Mr. Hamblin presented projected enrollment data for the Board's two options. Following the review of this data and discussion by the Board, they eliminated one of the options and asked to have the remaining option identified as option C. The Board then authorized Mr. Anderson to move forward with boundary options A, B, and C.

Mr. Anderson reviewed a proposed timeline of events, past and future, which included the presentation to the Board in August of the list of possible schools involved in the boundary change, followed by 120-day notifications to parents and city leaders and communication with School Community Council members. The presentation made to the Board tonight will be followed by the administration gathering patron feedback about the three options via boundary surveys and open houses that will be held October 15 at Oakcrest and October 17 at Fox Hollow, from 6:00-7:00 p.m. On November 12, a summary of patron feedback will be presented to the Board and, if needed, new options and surveys will be sent out for patron review. On November 26, boundaries will be tentatively approved by the Board, followed by formal approval on January 14.

B. Report on Oquirrh Hills Middle School Building Usage

Mr. Michael Anderson, associate superintendent, presented information requested by the Board about housing and projected enrollment for middle schools in the southeast area of the District, specifically, the ability of Oquirrh Hills Middle School to accommodate anticipated enrollment growth. He presented current and projected enrollment and capacity information for Oquirrh Hills and compared this data with the same data for South Jordan Middle School, which is the same school design. He also provided current enrollment and capacity data for Hidden Valley Middle and South Hills Middle Schools for Board review. Mr. Anderson said he met with principals to discuss this matter and get their input and principals felt that while enrollment is higher, it is manageable, and it allows for a wide variety of programs to be offered to students.

Mr. Anderson stated that it is the recommendation of the Administration that a boundary change for the southeast middle schools is not necessary at this time, as current capacities are capable of sustaining projections.

Board members discussed the recommendation. Superintendent Godfrey, in response to a question by Ms. Atwood about providing the same class offerings at schools with lower enrollment as those with higher enrollment, indicated that there are ways to provide the same offerings such as traveling teachers and other creative means.

President Dunford called for an informal vote on the Administration's recommendation to not consider a boundary change for the southeast area middle schools: Oquirrh Hills, South Hills, and Hidden Valley. Board members unanimously agreed with the recommendation.

When the Board started discussing a potential boundary change for the southeast area middle schools, a 120-day notice to parents and city leaders, which is required by Utah law, was sent to inform them of a potential boundary change. Since the Board will not be considering a boundary change, President Dunford asked Superintendent Godfrey to notify the School Community Councils, community members, and city officials of the Board's decision.

C. Discussion on Standards-based Grading

Mr. Michael Anderson, associate superintendent, presented information regarding standards-based grading practices in Jordan School District. He explained the history of Professional Learning Communities (PLCs) which began about 17-18 years ago at District middle schools as a result of the

receipt of grants to be used for this purpose. By 2009, all middle schools had implemented PLC time and from 2010 to the present there has been an establishment of standards, assessments, interventions, Canvas, Mastery Connect, etc. Mr. Anderson reported that standards-based grading is the next step. He explained that standards-based grading is a system of instruction, assessment, and grading that is based on a student showing understanding or mastery of the knowledge and skills they are expected to learn and a “learning statement” as an agreed upon statement of what a student should know and be able to do in a given content area.

Mr. Anderson reviewed the differences between standards-based grading and traditional grading. He also reviewed the standards-based four-point grade scale summarized as follows: 4 Advanced - The student is proficient and demonstrates an advanced application of concepts, skills and/or processes of the standard(s); 3 Proficient (meets standard) – The student consistently demonstrates an understanding of concepts, skills, and/or processes of the standard(s); 2 Approaching – The student demonstrates some understanding of concepts, skills, and/or processes of the standard(s) but lacks proficiency in key areas; and 1 Beginning – The student does not yet demonstrate an understanding of concepts, skills, and/or processes of the standard(s), and requires support to complete key tasks.

Mr. Anderson presented four guiding principles of standards-based grading: 1) to communicate student achievement based on state and district standards and to separate the reporting of academic and behavior performance; 2) the grading program should be fair, consistent, support learning, and promote communication between teachers/students/parents; 3) grading procedures should relate to learning goals; and 4) grades should not include measurements of effort, attendance, participation, citizenship, attitude, bonuses, behavior, group work, homework, or anything that doesn't relate to a standard. Mr. Anderson provided a sample 4.0 grading scale and criteria for assigning grades which is intended to provide efficiency and consistency across all coursework.

D. Update on Establishment of Licensed Employee Advisory Committee

Superintendent Godfrey provided Board members with an updated draft of the letter that will be sent to principals that specifies guidelines for choosing licensed employees to serve on the Licensed Employee Advisory Committee. He noted that he anticipates sending the letter with the regular communication to principals on Thursday of this week and asked Board members to provide feedback, if any, before Thursday. He noted that the first meeting of the Committee will be Thursday, November 7, from 4:00 to 6:00 p.m. At this first meeting he will ask for input about dates for the January and April meetings and also noted that the administrators of schools will work with school principals to insure that the selection procedure is followed.

President Dunford directed Superintendent Godfrey to move forward with plans to distribute the letter and hold the first meeting. He proposed having Mr. Young and Ms. Miller attend the first Committee meeting, as well as Dr. Godfrey, and noted that two different Board members will be chosen for each of the two remaining Committee meetings. He reiterated that the format will be similar to the “What Counts?” meetings held in the past and Committee members will be strategically placed at round tables and invited to bring up issues and concerns they would like Board members to be aware of and then share those with the entire group for discussion. A formal presentation to the Board will be made during a regular meeting of the Board.

E. Board / Superintendent Communication

Ms. Tracy Miller led a discussion about communication between Board members and Superintendent Godfrey and Cabinet members and asked for input from Board members. Board members discussed how communication was handled in the past, how they would like to see it handled going forward, what types of information they would like to receive, and how often. Following the discussion, the consensus was to receive a weekly update from Superintendent Godfrey of information that would be good for Board members to know and to allow him to decide how and what will be sent.

Dr. Godfrey proposed that his weekly communication provide the Board with information-only items and not include critical items that need the Board's immediate attention. He thanked the Board for the direction given and for always communicating whether issues are time-sensitive.

F. Review of Board Policy Ends 401 *Student Achievement*

President Dunford stated that when the Board previously discussed revisions to Board Policy Ends 401, an assignment was made for all Board Advisory Committees to hold a discussion about how to measure success at the middle school level and what a student leaving middle school should have accomplished. He invited Board discussion. It was suggested that given Mr. Anderson's presentation on standards-based grading, perhaps the policy should include a measurement for its implementation. It was also suggested establishing a standard for awarding citizenship grades.

Superintendent Godfrey reviewed results of Cabinet and middle school principal discussions about criteria for measuring success of middle school-level students. Board members discussed the proposed criteria and evidence for measuring growth.

President Dunford stated that the purpose of Ends 401 is to provide direction to the Superintendent about Board expectations for student success and how success will be measured. He noted that meeting standards is clearly one of the expectations. President Dunford asked each Board member during the next month to write a minimum of three Ends goals based on the Board's discussion regarding the middle school level and posed the question, "What do you think the end product needs to look like for a middle school student?" He asked to have the goals ready for discussion at the November 12 study session.

G. Discussion on Board Statement Regarding Sportsmanship

Mr. Matt Young stated that with the start of the new school year, schools are beginning athletic and other competitions and events and he suggested that now is a good time to remind students, parents, and community members that schools have more in common than differences and to re-emphasize the importance of sportsmanship. He read his draft Board Statement on Sportsmanship and invited Board members to make recommendations for changes or additions.

Following the discussion and recommendations for changes, President Dunford invited discussion on how the Statement should be disseminated. Superintendent Godfrey suggested that he take the Statement to his meeting with student body officers on Monday, October 14, to share it with them and to ask them for suggestions for presenting it to students. It was also suggested placing the document on each school's internet home page for all parents and students to read and to have it read during morning announcements.

H. Legislative Priorities for the 2020 Legislative Session

Ms. Marilyn Richards, chair of the Government Relations Board Advisory Committee, provided Board members with a draft copy of the Board's Legislative Priorities for the 2020 Legislative Session. She invited Board members to discuss the priority list and to make recommendations for changes or additions. She also asked for recommendations for creating a fact sheet based on the priorities that can be given to legislators. Board members discussed the Legislative Priorities list and made several recommendations for items that would be important to include in the fact sheet. Ms. Richards stated that the Committee will discuss the Board's recommendations at their meeting on October 14 and prepare a draft fact sheet for Board review.

I. Discussion on School Dedication Dates

President Dunford stated that in preparation for upcoming school dedications, a "save the date" card will be mailed to key stakeholders such as school community councils, contractors, architects, legislators,

city officials, mayors, community members, etc. The following are proposed dates for the school dedications:

Mountain Ridge High School, Wednesday, November 6
Mountain Creek Middle School, Wednesday, November 13
Mountain Point Elementary School, Tuesday, November 19
Ridgeview Elementary School, Wednesday, November 20

President Dunford noted that all dedications will begin at 7:00 p.m. and that the West Jordan Middle School dedication will take place in spring 2020. He said he would take the assignment of working with Ms. Riesgraf, director of Communications, to prepare the VIP list and the “save the date” notifications. He also indicated that numerous sample programs for school dedications have been assembled for Board review and will be available at the next study session.

J. Professional Development Board Book Study

Ms. Tracy Miller led a discussion on chapters four and five of the book “Crucial Conversations” by Patterson, Greeny, McMillan, and Switzler. She invited Board members to share insights and comments about the information contained in these chapters. Ms. Miller asked Board members to read chapters six through eight in preparation for the discussion in November.

K. Board Reports and Comments

1. Innovations in Education Board Advisory Committee

Mr. Robinson, Committee chair, reported that the next meeting of the Committee will be October 30, 2019.

2. Government Relations Board Advisory Committee

Ms. Richards, Committee chair, reported that Dr. Godfrey has been introduced to the Salt Lake County Council. Ms. Richards said the Committee met this afternoon with Southwest Vision Consultants and reported that they are gathering relevant data for the southwest communities and appreciated having the District included as a partner in this effort. Ms. Richards stated that the Committee has a meeting scheduled on October 14 and had invited two elected officials to meet with them; however, the legislators had a conflict so they will be invited to meet with the Committee at a later date. She noted that at the October 14 meeting, the Committee will discuss legislative priorities and items to be placed on the fact sheet.

President Dunford noted that he, along with Mr. Young and Mr. Robinson, met recently with two Herriman City councilmen regarding tax increment financing. He said it was fascinating to learn that as they described the District’s process in approving CDAs and RDAs, the council members were unaware of what they were talking about. He asked Ms. Richards to be aware of this for future conversations with city officials and said he provided the Herriman City officials with her contact information as chair of the Government Relations Committee. Mr. Robinson suggested organizing an information-sharing meeting between the Board and Herriman City officials.

3. District Finance and Audit Board Advisory Committee

Mr. Young, Committee chair, reported that the next meeting of the Committee is scheduled on October 17, 2019.

4. Facilities Board Advisory Committee

Ms. Miller, Committee chair, reported that the Committee met to discuss the Ongoing Projected Building Plan, formerly known as the Five-Year Building Plan, noting that the name was changed

because the Plan looks beyond five years. She provided a draft of the Plan for Board members to review and noted that it includes the elementary in Herriman decided on at the last meeting, as well as District-owned properties. Board members reviewed the Plan and recommended additions to language and revisions. They also discussed presenting the Plan to city leaders at City Council meetings and making it available to the public. Ms. Miller will make revisions based on the Board discussion and provide it to Ms. Richards, chair of the Government Relations Board Advisory Committee. Ms. Richards will oversee the City Council presentation assignments.

Mr. Young made a request of the Facilities Committee to review construction progress on the new elementary. He said he was told that if the school is not “dried in” by the end of the month it will be a challenge to meet the construction deadlines and in his last drive-by of the new school, it didn’t appear to be closed in. He asked to have the Facilities Committee take the lead on having someone investigate the progress on this school to insure that the contractor is meeting the construction schedule.

5. **Community Outreach Board Advisory Committee**

Ms. Atwood, Committee chair, said the Committee will be meeting on October 15 and she will report on that meeting at a later date.

6. **Additional Reports**

Ms. Voorhies reported that the Jordan Education Foundation held a planning meeting and introduced four new members of the Foundation Board. She said the Foundation Board members are in the process of visiting their assigned schools to inquire about families within the school boundaries who may be in need of a Thanksgiving dinner. She noted that the Foundation has 1,200 dinners available to be donated to families in need.

7. **Superintendent Report**

Dr. Godfrey reported that he met with the Majestic Elementary faculty to discuss ideas for keeping the school open and also discussed ideas with Cabinet members. He reported that Ms. Finlinson is working on contacting a school district in Missouri to arrange visits to three successful elementary schools, one with a STEM focus, one that allows children to learn at their own pace, and one that is arts-focused. The visits would include visiting the classrooms to see them in action. He noted that these schools are visited on a regular basis because of how successful they have become. He said once dates are solidified, travel plans will be made for him and those who will travel with him. Dr. Godfrey also said he is looking at ways to connect with Majestic parents to get their input. Once he has finished gathering all of the input and has the information from the travel to Missouri, he will make a presentation to the Board that will include the input and the policy recommendations.

Dr. Godfrey asked Board members about their preferred method for reviewing and approving TSSA Plans. Board members asked to have the review and approval handled in the same manner as school plans for Trust Lands funding. Two Board members will review each plan, with the first review to be completed by the Board member over the school. Board members also asked to have a checklist included with each plan to provide them with criteria (coaching, mentors, principal’s discretionary fund) to analyze as they review the plans. Mr. Anderson stated that the plans will be provided to Board members as soon as possible. President Dunford suggested having Board members complete the review by October 29, and having the Administration present the plans to the Board for approval on November 12, 2019.

MOTION: At 9:25 p.m., it was moved by Jen Atwood and seconded by Matt Young to go into closed session. Motion passed with a unanimous vote.

President Dunford presided and conducted. The Board of Education met in a study session to discuss the following:

A. Continued Discussion on Housing and Enrollment Report

Mr. Michael Anderson, administrator of schools, provided District-wide enrollment projections for the elementary, middle, and high school levels for years 2020 through 2026. He noted that the potential exists for two to three percent average annual growth resulting in an increase in enrollment from the current 56,556 to 65,616 students, an increase of 9,060 new students by 2026. He reported projected annual growth for the elementary level of 2 percent, middle level at 1.2 percent, and high school level at 3.7 percent annual growth between now and 2026. Mr. Anderson discussed the following areas of the District to watch for continued growth: southwest area elementary schools, southeast area middle schools, and western area middle and high schools. He provided information on current enrollment, current capacity including portables, and growth projections for Bastian, Blackridge, Butterfield Canyon, Foothills, Herriman, and Silver Crest Elementary Schools, and also discussed permits and whether additional portables or classrooms could be added to these schools. Mr. Anderson provided this same information for the following southeast area middle schools: Hidden Valley Middle, Oquirrh Hills Middle, and South Hills Middle, and the following western area middle and high schools: Copper Mountain

Middle, Mountain Creek Middle, Herriman High, West Hills Middle, Sunset Ridge Middle, and Copper Hills High.

Mr. Anderson explained administrative recommendations for Board consideration. These included continuing the boundary process for the elementary school under construction in West Jordan, building a new elementary school in the southwest area, potentially adding classroom additions to six southwest elementary schools, building a new middle school to alleviate growth in the western area of the District and building a high school to alleviate growth at Copper Hills and Herriman High Schools.

Board members discussed the administrative recommendations and asked specific questions of Mr. Anderson related to school enrollment projections and facility needs.

Mr. Young, chair of the Finance and Audit Board Advisory Committee, noted that he sent Board members via email a document that provided four funding scenarios for the building of new schools and various projects. President Dunford asked for Board member input about the funding scenarios for new schools and projects. Following the Board discussion, he called for a formal vote on the proposal to move forward with using lease revenue bonds in the amount of approximately \$40 million to construct the elementary school identified as Village 8 (to open in 2021) and to construct an elementary school in the Herriman area (to open in 2022). Board members voted five to two to move forward with this proposal and to authorize Mr. Larsen to make preparations to obtain the lease revenue bonds. Mr. Dunford and Ms. Richards voted against the proposal.

President Dunford asked for information to be presented to the Board in the October 8 study session regarding middle school enrollment; specifically, whether Oquirrh Hills can sustain its current and projected enrollment and if a boundary change should be considered for three middle schools: Oquirrh Hills, South Hills, and Hidden Valley.

Superintendent Godfrey reiterated the Board's request for the administration to present to the Board a Gifted/Talented plan in November, to continue with the Village 8 elementary design, to begin the design phase for a new elementary in the Herriman area, to move forward with 2020 summer projects as identified by the Board, to move forward on lease revenue bonds, to provide a realistic assessment of the Oquirrh Hills enrollment for a potential boundary change, and to provide the Board with proposed boundary options on October 8 for the new elementary under construction in west West Jordan.

B. Interlocal Agreement with Bluffdale City on Auditorium, Fields and Dog Park

President Dunford stated for the benefit of the public that the Board tentatively entered into an Interlocal Agreement with Bluffdale City that will allow the City to build a dog park on District property for community use, noting that the park will not encroach on any future District construction plans. The Agreement also includes Bluffdale City assuming responsibility for after-hours scheduling of auditoriums and fields at Hidden Valley Middle School and Mountain Point Elementary School, with the District maintaining first rights for use. He noted that Board members are free to discuss this with the public during the next few weeks and action will be taken to approve the agreement at an upcoming Board meeting. A copy of the Interlocal Agreement is available for public review on BoardDocs.

C. Aging Buildings Report

President Dunford stated that staff presented an aging buildings report at the last study session. Following the presentation of the report, Board members were asked to analyze the information and be prepared to discuss specific information that may be needed to make decisions about aging buildings. He invited each Board member to share their thoughts and suggestions.

Board members discussed school maintenance needs, renovation and remodeling needs, seismic requirements, factors for determining the point at which an aging building should be replaced, etc. President Dunford asked Ms. Miller, chair of the Facilities Board Advisory Committee, to have her

Committee review the information presented by Board members and prepare a report that encompasses the discussion about aging buildings.

D. Continued Discussion on Possible Establishment of a Licensed Employee Advisory Committee

President Dunford provided Board members with a draft memorandum which outlines the procedure for each school principal to follow in selecting licensed staff to participate on the Licensed Employee Advisory Committee. Board members reviewed the document. They asked about including participants from the District's specialty schools. It was decided to include one licensed staff from each specialty school which includes JATC South, JATC North, Kauri Sue Hamilton, South Valley, River's Edge, and Valley High, and to use the elementary-level criteria for selecting the representative.

President Dunford asked for Board support to allow Dr. Godfrey to oversee the dissemination of the memo to principals, the gathering of committee names, and the selection of an October date for the Committee's first meeting. Board members agreed. President Dunford stated that once a date has been identified, the Board will decide which two members will attend the Committee meeting. He also suggested having the Committee, during its first meeting, brainstorm topics for discussion using the "What Counts?" format.

At 6:10 p.m., the meeting adjourned. The general session started at 6:30 p.m.

- Allyson Stovall, teacher at Terra Linda Elementary, appointed administrator on special assignment in the Teaching & Learning Department.

Recognitions by Board Members

Ms. Miller reported that she visited River's Edge and wanted the Board to know how grateful teachers are for the bus stipend. She said last year the Board approved giving a stipend to teachers for bus duty and this year the program was expanded to include teachers at specialty schools. Ms. Miller visited Monte Vista Elementary and said construction has not started but the fence is up and students participated in a fire drill to help them learn new exit routes. Ms. Miller attended the District's Safety Assembly held at Foothills Elementary and noted that members of the Riverton Police Department were also there and a video created by the Communications Department was shown. She invited everyone to view the video. Ms. Miller said she attended several School Community Council meetings and expressed appreciation to those who have their counsels organized and operating. While attending the Riverton High School Community Council meeting she

learned that the school is offering a blended math class this year and depending upon its success, they may add additional classes next year. She said it was also interesting to hear how schools are using their TSSA money and that they are grateful for the money so they can move forward with implementing their plans. Ms. Miller attended the South Jordan Elementary event held September 11 to honor the emergency personnel in New York City that lost their lives on that date. She said the South Jordan Police and Fire Departments were invited so students could honor them as well. She added that the South Jordan Middle School choir students did a great job with their performance. Ms. Miller attended the women's soccer game between Bingham and Copper Hills and said it is fun to attend all the new things going on in the District. Ms. Miller gave a "shout-out" to Herriman High for the Mascot Bowl they held and said it was a fantastic event that provided great fun for the community. The event was part of the school's fundraising efforts to provide service to families at Christmastime. Ms. Miller attended the Jordan Education Foundation Economic Summit and said it was a great opportunity to hear from state and local leaders regarding economic development and projections for this area. She expressed appreciation to the Foundation for all they do to bring community partners together and help schools.

Mr. Young said the Riverton High School Drama Department had an opportunity to pilot two one-act plays produced by the Disney Play Division. He said both plays were Marvel-related and he attended the first-ever production of *Squirrel Girl Goes to College* and *Subatomic a Stature Play*. He said the productions were well done and dealt with some fairly heavy issues experienced by high school students. Mr. Young also attended School Community Council meetings at Riverton High School and Oquirrh Hills Middle and said it was interesting to hear how principals are planning to use their TSSA funds and how much they appreciate the autonomy the Board has provided to them to accomplish their goals.

Ms. Richards attended several School Community Council meetings in her area and expressed that she is pleased with what they are doing with Trust Lands and TSSA money and that they are all doing a fabulous job. Ms. Richards attended the Homecoming Assembly at Bingham High and said she was honored to be able to present the Alumni Pay Dirt Award to Deanne and Gary Curtis, noting that Deanne worked as a secretary in the District for many years and Gary was instrumental in obtaining lighting for the "B" on the mountain. Ms. Richards expressed appreciation for the opportunity to attend the Jordan Education Foundation Economic Summit and said it is a worthwhile annual event. She also attended a Utah High School Activities Association full-day summit held at Salt Lake Community College and said it was very informative.

Ms. Atwood said several West Jordan community members and teachers asked her to express appreciation to the Board for the new daycare center and counseling center at West Jordan High. She said the West Jordan Middle School community is excited about having a new school and the teachers were especially excited for parent-teacher conferences so they can share this excitement with parents. Ms. Atwood attended the Jag Bash and Homecoming game at West Jordan High and said she enjoyed being part of that fun day and seeing students take pride in their school. Ms. Atwood gave a "shout-out" to Superintendent Godfrey and the Communications Department for Superintendent Godfrey's podcast, "Supercast." She invited everyone to listen to the podcast which she said is fun and informative. She added that the commercials in the podcast answer questions that parents may not know they have questions about.

Ms. Voorhies congratulated West Hills and Sunset Ridge Middle Schools for the way in which the students at these schools have adjusted to the boundary change. She said it has been terrific to see how students new to these schools have been embraced by other students and how they have begun building a strong community. She said this speaks highly of parents who have helped their kids make the transition. Ms. Voorhies gave a "shout-out" to all of the Copper Hills High School fans. She said she attended the game between Taylorsville and Copper Hills and thought there may have been four times the Copper Hills families than Taylorsville families in attendance which speaks highly of the Copper Hills' community and the effort they make to support their children. Ms. Voorhies attended the Foundation's Economic Summit and said she learned about how the cities are working together to resolve problems that affect the entire southwest quadrant. She stated that because of these efforts, everyone will be better off and expressed appreciation to the mayors and leaders of all of the cities.

Mr. Robinson thanked his wife and family for allowing him to be away from home in the evenings for District events and said they no longer ask if he has an evening meeting, but rather what meeting he has to attend.

Mr. Robinson said as a family they listened to Dr. Godfrey's Supercast and by the end his children admitted they liked the Supercast. He thanked Dr. Godfrey for doing the podcast. Mr. Robinson visited Ridgeview Elementary School for the revealing of the school mascot, the Ridgeview Raptors. He added that the Utah Jazz Dunk Team performed at this event. Mr. Robinson reported that he attended many PTA events, sometimes two or three a night, such as Colorfest, and visited Foothills, Blackridge, Midas Creek, Ridgeview, and has plans to visit Silver Crest and Butterfield Canyon. He said School Community Councils have been fun to attend and it is great to see the uniqueness of each school. He added that it has been great to see how staff and parents have adjusted with all the administrative changes and boundary realignments. Mr. Robinson attended the Foundation's Economic Growth Summit and said it is great how the District has partnered with wonderful people who are working to make the community better. He said there are huge growth issues in his area and he expressed gratitude for the groups who are working on this issue. Mr. Robinson expressed appreciation to John Knotwell, the legislative representative in the Herriman area who just announced he is stepping down, for what he has done for education and for being a great friend to him and mentor.

Mr. Dunford recognized and thanked Ms. Christin Richards-Khong for valiantly serving as principal of Bingham High School for many years and for the wonderful job she has done in leading that school. He said the Bingham High community cares about their school and has many expectations and Ms. Richards-Khong has been able to see the Bingham High community through wonderful times and hard times and has celebrated and cried with them. He expressed appreciation for Rodney Shaw who will step into the position as principal of Bingham High. He said Mr. Shaw is a Bingham High graduate and has a love for the tradition and history of that school. Mr. Dunford said last week the District hosted a Parent University dedicated to helping parents and students prepare for their post-high school future. He expressed appreciation for District personnel and outside individuals and vendors who were willing to offer their services at this event to help students and parents. He said the tremendous work done by all those who helped plan and prepare for this event showed how much the District cares about its students.

MOTION: It was moved by Matt Young and seconded by Darrell Robinson to alter the agenda to move the presentation by Mayor Dawn Ramsey, South Jordan City, to this point in the meeting. The motion passed with a unanimous vote.

Presentation by Mayor Dawn Ramsey, South Jordan City

Mayor Dawn Ramsey thanked the Board for the great things happening in the District. She indicated that she attended many of the functions mentioned during the Board recognitions and that she also attended the Bingham High vs. Herriman High football game and she and Ms. Miller split their time between the two sidelines as both are South Jordan feeder schools. She also attended the Parent University and thought it was fantastic as well. Mayor Ramsey stated that one year ago she and Brian Preece, Economic Development director for South Jordan City, and a representative from Merit Medical met with the Board's Finance Committee to discuss the 15-year extension of a Merit Medical EDA and an increase in the pass-through from 10 percent to 25 percent. She said during this meeting she commented that she would like to see the 10 percent RDA money, which is set aside for housing, be used to help Jordan District and South Jordan City employees afford a home in South Jordan City. She reported that this idea became a reality after approaching Ivory Homes about the development on 11400 South. She stated that arrangements have been made to offer nine homes in this development to District and City employees who qualify at the 80 percent AMI, which at the current 2019 Salt Lake County level would be \$52,950. She said slightly under \$1 million of RDA money will be used to buy-down the construction costs of those nine units. First priority on these homes will go to qualifying District and City employees who apply for this program. She also stated that this plan for providing housing assistance to Jordan District and South Jordan City employees will continue in perpetuity. Mayor Ramsey stated that because of this South Jordan City plan she was invited to participate on a housing panel with Congressman McAdams hosted by the Hinckley Policy Institute. She added that the City will be looking at ways to fund other projects during the coming year such as senior and workforce housing and housing rehab programs.

Patron Comments Regarding Non-Agenda Items

Melissa Worthen, mother of Meagan Worthen who participates in girls tackle football, said she resisted at first but now realizes allowing her daughter to play tackle football was the best thing she could have done for her and helped her in many ways. She said the girls have confidence and see themselves as strong women which will help them in their future endeavors. She asked the Board to be the first in the United States to provide the girls with equal opportunity by supporting a female tackle football team. She added that funding is not an issue and the girls can play in the off season.

Meagan Worthen, a student at Bingham High, asked the Board to allow a female tackle football team at the high school level. She said the boys get praised for being football players and girls who want to play are “torn down” by men and told they are not capable. She said girls deserve the Friday night lights and praise and it would mean a lot to them to have the Board’s support.

Whitney Cook said she has been playing tackle football since the age of 11 and as a sophomore she joined the high school team, but she was told by the coach to never expect to play on the varsity team. She asked the Board to support a female tackle football team.

Shawn Goetz said the girls’ football program is amazing and the girls have developed great friendships and confidence. He said the teams just completed season five and 460 girls participated and they expect to see 600 participants next year. He said it is not realistic to have girls play with the boys and asked the Board to support a female football team.

Heather Reich, sixth-grade teacher at Majestic Elementary, thanked Dr. Godfrey and Lisa Robinson for meeting with teachers to discuss options for keeping Majestic open. She said someone wise told her they need to seek long-term stability for Majestic and she agreed. She cited 2017 National Education Policy Center research on school closings that “closing schools fails to increase student achievement or well-being and that students struggle academically, socially, and emotionally after a school is closed.” She said the evidence also indicates that school closures disproportionately affect low-income communities and students of color. She referred to a study from the Urban Institute that found that neighborhoods with closed schools had lower earnings, higher poverty, lower college completion rates, and lower home values than neighborhoods surrounding open schools. Ms. Reich said it would be destructive to close Majestic and that “school closures can be part of a cycle of disenfranchisement and disinvestment.” She asked the Board to look at ways to increase opportunities for Majestic students rather than ways to shut them out of the system. She encouraged Board members to visit a website: opportunityatlas.org and enter the Majestic zip code, 84084, to view the probability statistics for groups based on gender, ethnicity and socio-economic status. She asked the Board to keep Majestic open to provide stability for the students and community.

I. **General Business – Consent Agenda**

A. **Motion to Approve Consent Agenda Items**

1. **Minutes**

Minutes of the Board of Education meetings held August 27 and September 10, 2019, were presented to the Board of Education for approval.

2. **Foreign Students Attending Jordan School District**

A list of Foreign Exchange students attending school in Jordan School District for the 2019-20 school year was provided to the Board of Education.

MOTION: It was moved by Marilyn Richards and seconded by Janice Voorhies to approve Consent Agenda items A1 through A2, as recommended. The motion passed with a unanimous vote.

B. **Motion to Accept Consent Agenda Items**

1. **Expenditures**

Expenditures for the month of August 2019 were provided to the Board of Education.

2. **Financial Statement**

The financial statement through August 31, 2019, was provided to the Board of Education. A copy is attached at the conclusion of these minutes. (Attachment 1)

3. **Personnel – Licensed and Classified**

Personnel changes for the month of August 2019 were provided to the Board of Education.

4. **Recommendation to Issue Certificates for Home Instruction**

It was recommended that the students whose parents have filed affidavits pursuant to Utah Code 53G-6-204 shall be issued certificates excusing them from attending public school.

MOTION: It was moved by Janice Voorhies and seconded by Jen Atwood to accept Consent Agenda items B1 through B4, as recommended. The motion passed with a unanimous vote.

II. **Bid Recommendations**

A.	<u>School or Department</u> West Hills Middle School	<u>Items for Bid</u> HP Chromebooks & Google Management Console Licenses
----	--	--

<u>Bidders</u> CDW-Government EnPointe Technologies ITC Information Technology Core Troxell VLCM	<u>Amount of Bid</u> \$69,797.00
---	-------------------------------------

Purpose: Increase the number of Chromebooks due to enrollment growth and provide each new core teacher a classroom set for accessing digital curriculums and programs.

Budget: School Technology Budget.

Recommendation: It was recommended awarding the contract to the most responsive, responsible and acceptable state contract bidder, Troxell. They complied with the specifications, terms, and conditions outlined in the bid documents. (State Contract MA2785)

MOTION: It was moved by Janice Voorhies and seconded by Matt Young to approve the bid for HP Chromebooks and Google Management console licenses, as recommended. The motion passed with a unanimous vote.

B.	<u>School or Department</u> Copper Hills High School	<u>Items for Bid</u> Concrete Work and Fire Pit
----	--	---

<u>Bidders</u> Acme Construction Thorup and Associates, Inc. Wasatch West Construction, LLC	<u>Amount of Bid</u> \$79,810.63
--	-------------------------------------

Purpose: To create a central area for students to gather and have activities. Project is being funded by the Senior Classes of 2018 and 2019.

Budget: Senior Class Gift Budget.

Recommendation: It was recommended awarding the contract to the most responsive, responsible and acceptable bidder, Thorup and Associates, Inc. They complied with the specifications, terms, and conditions outlined in the bid documents.

Principal Veazie was asked by Ms. Atwood about safety measures, to which he responded by explaining all the measures taken to insure the fire pit will be a safe environment for students. He also responded to a question from Ms. Miller about how senior gift funds are collected by stating that money collected for dances and not spent is placed in a class fund each year for three years and is used to fund a senior gift.

Mr. Young stated that given the extreme scrutiny the Board is under with regard to school fees, which includes what is being charged for school dances, and learning that activities hosted by the various classes can generate a \$30,000 surplus, he expressed his continuing concern that students are being over-charged for dances and other activities, especially when excess funds can be used to pay the cost of a senior gift. President Dunford asked to have the senior gift issue and school fund balances placed on a future study session agenda for further discussion.

Mr. Robinson stated that he will abstain from voting for this bid because he feels uncomfortable about having a fire pit installed at the school and he is opposed to the tradition of charging students to attend dances.

MOTION: It was moved by Janice Voorhies and seconded by Marilyn Richards to approve the bid for concrete work and fire pit, as recommended. The motion passed with a vote of five to one. Mr. Young voted against the motion and Mr. Robinson abstained from voting.

III. **Special Business**

A. **Recommendation to Approve Revisions to Administrative Policy AS66 *Non-Resident and Charter School Student Enrollment***

President Dunford noted that Policy AS66 was reviewed during prior study sessions and is being brought before the Board for approval.

A copy of Policy AS66 *Non-Resident and Charter School Student Enrollment* is attached at the conclusion of these minutes (Attachment 2)

Public Comment

No patrons signed up to address the Board regarding this Special Business item and no patrons accepted the invitation to speak.

MOTION: It was moved by Jen Atwood and seconded by Janice Voorhies to approve revisions to Administrative Policy AS66 *Non-Resident and Charter School Student Enrollment*. The motion passed with a unanimous vote.

B. **Recommendation to Approve New Administrative Policy DP378 *Employee Code of Conduct***

President Dunford noted that a new Administrative Policy DP378 *Employee Code of Conduct* was created by the Board in compliance with State law. This policy was reviewed during prior study sessions and is being brought before the Board for approval.

A copy of Policy DP378 is attached at the conclusion of these minutes (Attachment 3)

Public Comment

No patrons signed up to address the Board regarding this Special Business item and no patrons accepted the invitation to speak.

MOTION: It was moved by Tracy Miller and seconded by Marilyn Richards to approve revisions to Administrative Policy DP378 *Employee Code of Conduct*. The motion passed with a unanimous vote.

C. **Ratification of Addendum to Purchase Sales Agreement for Horsley Property**

President Dunford stated that the Addendum to Purchase Sales Agreement was previously approved by the Board and requires ratification in an open general session Board meeting. He said each Board member was contacted in advance of the Board entering into this Addendum for their approval, which was given.

Public Comment

No patrons signed up to address the Board regarding this Special Business item and no patrons accepted the invitation to speak.

MOTION: It was moved by Darrell Robinson and seconded by Tracy Miller to ratify the Addendum to Purchase Sales Agreement for Horsley property. The motion passed with a unanimous vote.

D. **Consideration to Approve Proposed Herriman Innovations District CDA Project**

President Dunford stated that Herriman City requested the District's support for a new CDA project. Herriman City officials first presented the plan to the Finance Committee and then to the entire Board during a previous study session and it is being brought before the Board for final approval.

Ms. Miller expressed appreciation to Herriman City for presenting terms that do not take as much money from students and for the proposed partnership with one of the development's anchor businesses to provide job training and employment opportunities to students.

Mr. Robinson stated that at the Jordan Education Foundation Summit he heard Lt. Governor Spencer Cox speak about the fantastic economy Utah is experiencing and that the District needs to ask the cities to quit asking for tax breaks. Mr. Robinson said he is in favor of not incentivizing companies to come to Utah because they bring growth to the District and high-density housing. He said the District is put in a tough situation when cities ask for tax breaks because if the District says "no," then the District is perceived as fighting against the cities. He questioned whether tax breaks are really necessary when the economy is so fantastic.

Public Comment

No patrons signed up to address the Board regarding this Special Business item and no patrons accepted the invitation to speak.

MOTION: It was moved by Darrell Robinson and seconded by Tracy Miller to approve the proposed Herriman City Innovations District CDA project. The motion passed with a unanimous vote.

IV. **Information Items**

A. **Superintendent's Report**

Superintendent Godfrey reported that he had an opportunity to participate in the following meetings/activities:

- He attended a meeting of the BYU Leaders Associates.
- He attended the USBA Leadership Academy.

- He attended the Jordan Education Foundation Economic Summit and was asked to share brief comments.
- He was introduced to the South Jordan City Council.
- He attended a Health & Wellness State Agency Review with McKinley Withers and his team and enjoyed great discussion.
- In his role as part of the BYU Partnership Governing Board, he met with BYU to discuss civic education. He noted that this Board meets on a monthly basis.
- He attended a meeting of the CTE Consortium held at Salt Lake Community College to discuss issues.
- He participated in the Utah State Superintendent Association monthly meeting.
- He met with the Majestic Elementary School faculty and had a great discussion.
- He met with South Jordan Elementary teachers since they were not able to participate in the District-wide professional development day (year-round school). He noted that he previously met with Fox Hollow and Blackridge faculties (also year-round schools).
- He met with leadership of the Utah Association of Elementary School Principals (UAESP).
- He attended the Safety Assembly at Foothills Elementary.
- He attended the Teacher of the Year banquet and said the District was well-represented.
- He noted that the podcast launched and thanked Doug Flagler and Sandy Riesgraf for the wonderful job done on the promotion and recording of the podcast. He said Mr. Flagler and Ms. Riesgraf are professionals, both having worked for news stations, and were very patient with an amateur at the microphone. He thanked Chad Margetts for his visuals and logo for the podcasts. He thanked Stewart Hudnall and McKinley Withers and the students who have been guests on the podcast.

Superintendent Godfrey reported that organizational changes and administrative appointments have been made which have included reorganizing some District departments and making physical location changes. He said there is a certain amount of chaos inherent in this process, but it is his hope to be able to bring entire departments together at the same location so the close proximity will create a higher level of coordination and maximize the effort towards meeting the academic, social, and emotional needs of students. Dr. Godfrey reviewed a draft organizational chart to illustrate the organizational changes. Dr. Godfrey added that he wants to be personally involved on a monthly basis with the work being done, particularly with suicide prevention, and stated that he made this request of Mr. Anderson, associate superintendent, and Mr. Hamblin, director of Student Services.

B. Report on Education Grants

Superintendent Godfrey introduced Jonathan and Laraine Lawes, prior year recipients of Education Grants, and explained that he wanted the Board to see how these teachers used the grant funds to increase the academic performance of students. Jonathan Lawes is a teacher at Elk Ridge Middle School and Laraine Lawes is a teacher at South Jordan Middle School. He presented the information in a video created by the Communications Department in which each of these teachers explained the programs they created and how their efforts helped students achieve a higher level of learning and academic performance.

V. Discussion Items

A. Committee Reports and Comments by Board Members

1. Community Outreach Board Advisory Committee

Ms. Atwood, Committee chair, reported that the recent Parent University was a huge success and was attended by close to 400 middle and high school students and their family members. She added that many parents and students as they left expressed appreciation for the information they received. Ms. Atwood thanked Jeff Cox and Stacey Worthen for the

work they did preparing for the event which made the night a success. She added that she heard from several parents that perhaps this is an activity that should be done annually. Ms. Atwood reported that Ms. Gerber, administrator of schools, will no longer serve as the Cabinet member on the Community Outreach Board Advisory Committee and welcomed Mr. Curtis as the new member. She thanked Ms. Gerber for her hard work and dedication on the Committee. Ms. Atwood reported that she will be sending to Board members upcoming dates for School Community Council trainings and will also send an updated calendar of Committee tasks. She noted that President Dunford will be working with Mr. Young and Mr. Robinson on dedications for the new schools. She also noted that there may need to be a date change on a couple of future Parent University activities and will keep the Board advised of any changes.

2. Facilities Board Advisory Committee

Ms. Miller, Committee chair, reported that the Committee performed a brief follow-up on the summer 2020 project list and that staff expressed appreciation for the direction given by the Board and are moving forward. She noted that the Committee is working on updating the Five-Year Building Construction Plan and will bring a draft for Board review to the next study session. Ms. Miller stated that the Board discussed in the past the need to review school building designs and costs to determine whether they should continue with the current design plans or select a new design before asking the public to approve another bond. She said the Committee is planning to begin discussions about how to proceed with the review of building design and costs and will include building utilization in the discussion. She asked Board members to contact her if they have any suggestions or ideas.

3. District Finance and Audit Board Advisory Committee

Mr. Young, Committee chair, stated that under Utah law, Cities are required to prepare an annual report about tax increment funding projects which explains how the projects are progressing, etc. He said some municipalities are better at the reporting process than others and noted that South Jordan City is by far the best. He noted that South Jordan City held an annual meeting in compliance with State law and produced a document that provides an update on every TEC project and they included in this document information on completed projects as a point of reference. Mr. Young stated that he received a copy of this document and it is available to Board members interested in reviewing it. He expressed appreciation to South Jordan City officials for all they do to keep the Board informed of TEC projects. Mr. Young informed the Board that the Committee has a matter for Board review that in other Districts may have simply been a decision made by the business administrator, but because Mr. Larsen understands this Board's desire to be accountable to the public, it is being presented to the Board for input. He said when the Board asked the public in 2016 for the right to issue \$245 million in bonds for the construction of new schools the public was told that this would be done in four separate issuances, three of which have been completed, and the fourth is projected to be completed in approximately January 2020. He noted that the process is beginning for the fourth issuance and Mr. Larsen approached the Finance Committee with a question which the Committee felt should be directed to the entire Board. He reminded Board members of the commitment the Board made to the public to not increase the bond portion of the average household property tax above \$16.80 and that this commitment has been kept by the Board. He said Mr. Larsen suggested keeping the amount at \$16.80 which would allow the District to pay off the bond debt earlier than scheduled.

President Dunford stated that he is in favor of this plan because it is fiscally responsible and puts the District in a better financial position. He invited Board member input, to which all seven Board members agreed to the proposal to maintain the \$16.80, which will pay the bond debt earlier than scheduled.

Mr. Young reported that the Committee is beginning discussions about the creation of a policy about how low the General Fund balance reserve can go and how it is replenished and hopes that by January the Committee will be prepared to bring a recommendation to the Board. He noted that the General Fund balance has consistently increased, but he anticipates that this year's Comprehensive Annual Financial Report (CAFR) will show a decrease to the General Fund balance and feels that the time is right to create a policy to govern fund balances. He invited Board members to contact him with questions or suggestions.

Mr. Young reported that a document containing June 30, 2019, end-of-year school fund balances was placed in BoardDocs for Board member review and that the document is the same version as provided in the past. He said the Committee will be reviewing the balances to determine if there is additional information they would like Mr. Larsen and his team to analyze. He also noted that the Bingham High balances do not accurately reflect the ending balances as Bingham High is in the process of transitioning to a single bank account which "closed out" existing fund balances. He indicated that Mr. Larsen is looking at a way to provide Board members with access to this information.

4. **Government Relations Board Advisory Committee**

Ms. Richards, Committee chair, expressed that she appreciates working with her Committee members, Ms. Miller, Ms. Voorhies, and Mr. Anderson. She reported that a Committee meeting was held last week with Representative Cheryl Acton and Representative Steven Christiansen (Ken Ivory's replacement) and they shared ideas for the upcoming 2020 Legislative session. She said other legislative representatives will be invited to attend future Committee meetings. Ms. Richards indicated that she sent each Board member a draft copy of the Board's Legislative Priorities and asked for input on the list in preparation for an upcoming Board discussion. Ms. Richards also reminded Board members of upcoming dates for introducing Dr. Godfrey at City Council meetings.

5. **Innovations in Education Board Advisory Committee**

Mr. Robinson, Committee chair, stated that the District has an amazing administration that has many great ideas and that Dr. Godfrey attended a recent Committee meeting and shared many innovative ideas he plans to implement.

MOTION: At 8:46 p.m., it was moved by Darrell Robinson and seconded by Tracy Miller to adjourn the meeting. The motion passed with a unanimous vote.

 SUBJECT: NON-RESIDENT AND CHARTER SCHOOL STUDENT ENROLLMENT

I. Board Directive

The Board recognizes that non-resident students and charter school students residing in Jordan School District may at times request to be enrolled in the schools of the Jordan District. The District Administration is therefore authorized to enroll non-resident students, foreign exchange students and charter school students according to the provisions of the following administrative policy, and in accordance with Utah Code §[53G-6-302](#) through [53G-6-404](#), [53G-6-503](#), [53G-6-702](#) through [53G-6-707](#) and [Utah Administrative Code R277-438](#), [R277-494](#) and [R277-612](#).

II. Administrative Policy

The following administrative policy provisions shall be followed in providing for Jordan District enrollment of non-resident students and charter school students who reside in Jordan District. Students who have previously graduated from high school or equivalent, have exceeded age appropriate placement, or whose class has graduated will not be eligible for enrollment.

A. In-State District Reciprocity

1. A student's legal residence is the domicile of the student's custodial legal guardian.
2. Students from another district may attend District schools following the procedures and expectations outlined in [Policy AS93 – Open Enrollment/School Choice](#).
3. Students must be prepared to abide by the rules and policies of the school and the District.
4. The student shall be placed in the next consecutive grade as indicated on the student's official transcript, except in cases of documented accelerations and/or retentions conducted by the prior district, charter and/or school.
5. Charges, if any, for enrolling students from another district are to be arranged with the school districts involved.

B. Foreign Exchange and Foreign Students

1. Foreign exchange students may be enrolled in the District only upon meeting the following criteria:
 - a. The student is sponsored by an agency approved by the Jordan Board of Education; and
 - b. The student and agency complete the required documents and pay such tuition as may be established by the Board; or
 - c. The exchange student attends the same school during the same time period that another student from the school is:
 - 1) Sponsored by the same agency; and
 - 2) Enrolled in a school in a foreign country; and
 - 3) Is enrolled in the school for one year or less.
2. Foreign students do not qualify for a high school diploma and do not participate in graduation ceremonies.
3. A cap on the number of J1 foreign exchange students the District may accept is set by the Utah State Office of Education. Jordan District's assigned allotment of J1 foreign exchange students designates the

SUBJECT: NON-RESIDENT AND CHARTER SCHOOL STUDENT ENROLLMENT

District’s foreign exchange cap. All foreign exchange students work through Student Services and should not be enrolled at the local school without a Verification of Guardianship.

4. The District may enroll a foreign exchange student who does not qualify for state monies (B.3 above) and pay the tuition costs of the student with other District funds; or charge the student tuition using the current school year’s non-resident tuition rate.
 - a. The Superintendent or the superintendent’s designee may grant a foreign exchange tuition waiver using the following criteria:
 - 1) A tuition waiver request is submitted to Student Services by the student’s exchange agency and host family guardian(s). Tuition waiver requests are considered in the order they are received.
 - 2) Tuition waivers may be awarded annually provided:
 - a) The host family resides in the District; and
 - b) Space is available at the host family’s school of residence.
 - i. Available space is determined using the criteria outlined in this policy and [Policy AS93—Open Enrollment School Choice](#).
 - ii. The number of available waivers will be reviewed regularly.
 - iii. Tuition waivers apply only to exchange students complying with all the requirements outlined in this policy.
 - iv. Exceptions to B.4.a.(2) or denied waiver requests may be appealed to the Board of Education.
 - b. Exchange students paying the non-resident tuition rate may enroll in the District provided the conditions outlined in this policy (B.1. above) and the Student Services Manual are met.
 - c. Registration and participation/class fees outlined in [AA408 – Fees](#) still apply.
 5. All foreign exchange and foreign students must be approved for enrollment by the Board in an open meeting of the Board.
 - C. Non-Utah Residents
 1. Non-Utah residents will be charged a per capita cost unless such tuition is waived by the Board in an open meeting of the Board.
 2. The following criteria shall be used to determine fees for non-Utah residents:
 - a. The base figure will be the same cost determined to educate a student in Jordan District that was computed two school years previous.
 - b. The increase in the Weighted Pupil Unit (WPU) during the past two (2) years will be added to the cost derived in C.2.a.
 - c. If the student is to receive or chooses to participate in programs of the District that are heavily subsidized by state or local funding (i.e., Special Education, CTE, Dual Immersion, International Baccalaureate, etc.), the amount charged will be increased by the average cost per student of that program.

SUBJECT: NON-RESIDENT AND CHARTER SCHOOL STUDENT ENROLLMENT

3. Non-resident and foreign students require authorization from Student Services prior to enrolling at the local school.
 4. The following criteria will be applied to determine if the student will not be charged a tuition fee (§53G-6-302):
 - a. The student’s presence in the District is not for the primary purpose of attending school.
 - b. The student’s physical, mental, moral, or emotional health would best be served by considering the student to be a resident for school purposes.
 - c. The student is prepared to abide by the rules and policies of the school and the District in which attendance is sought.
 - d. The student resides with a responsible adult who is a resident of the District, and:
 - 1) Has been appointed guardian by a court of jurisdiction; or
 - 2) Is the student’s noncustodial parent, grandparent, brother, sister, uncle, or aunt; and
 - 3) Is designated as the student’s custodian in a durable power of attorney issued by the party who has legal custody of the student that grants the custodian full authority for educational or medical services in the interest of the student.
 - 4) Is married or an emancipated minor.
 - e. Enrollment granted under C.4.d.(2) shall require a durable power of attorney.
- D. Resident Charter School Students
1. A student’s legal residence is the domicile of the student’s custodial parent or legal guardian.
 2. Resident students attending a charter school may attend Jordan School District schools as follows (§53G-6-503):
 - a. Resident students attending a charter school may attend their school of residence the following school year if written notification of intent to enroll in the school of residence is submitted to the school no later than June 30 of the current year.
 - b. After June 30 or during the school year, resident students enrolled in a charter school may attend their school of residence if there is space available, or a school other than their school of residence by following the procedures outlined in this policy and in [Policy AS93—Open Enrollment School Choice](#).
 - c. Charter school students may participate in extra-curricular or co-curricular activities at their school of residence by following the procedures outlined in this policy, the Student Services Manual, and [Policy AA447 – Out-of-District Student Enrollment](#).

 SUBJECT: Employee Code of Conduct

I. Board Directive

The Board adopts this policy, in part, because the legislature has conditioned certain governmental immunity protections upon the adoption of an appropriate behavior policy not less stringent than a model policy created by the State Board of Education. The Board is committed to establishing and maintaining appropriate standards of conduct between staff members and students. These standards of conduct are also known as professional boundaries. Staff members shall maintain professional and appropriate demeanor and relationships with students, both during and outside of school hours, as well as both on and off campus, that foster an effective, non-disruptive and safe learning environment. The Board delegates to the Administration the responsibility for establishing guidelines for the Employee Code of Conduct.

II. Administrative Policy**A. Definitions**

1. Staff Member: an employee, contractor or volunteer with unsupervised access to students.
2. Student: a child under the age of 18 or over the age of 18 if still enrolled in a public secondary school.
3. Boundary Violation: crossing verbal, physical, emotional, or social lines that staff must maintain in order to ensure structure, security, and predictability in an educational environment.
 - a. A boundary violation may include the following, depending on the circumstances:
 - 1) Isolated, one-on-one interactions with a student out of the line of sight of others;
 - 2) Meeting with a student in rooms with covered or blocked windows;
 - 3) Telling risqué jokes to, or in the presence of a student;
 - 4) Employing favoritism to a student;
 - 5) Giving gifts to individual students;
 - 6) Staff member initiated frontal hugging or other uninvited touching;
 - 7) Photographing an individual student for a non-educational purpose or use;
 - 8) Engaging in inappropriate or unprofessional contact outside of educational program activities;
 - 9) Exchanging personal email or phone numbers with a student for a non-educational purpose or use;
 - 10) Interacting privately with a student through social media, computer, or handheld devices; and
 - 11) Discussing an employee's personal life or personal issues with a student.
 - b. A boundary violation does not include:
 - 1) Offering praise, encouragement, or acknowledgment;
 - 2) Offering rewards available to all who achieve;
 - 3) Asking permission to touch for necessary purposes;
 - 4) Giving a pat on the back or a shoulder;
 - 5) Giving a side hug;
 - 6) Giving a handshake or high five;
 - 7) Offering warmth and kindness;
 - 8) Utilizing public social media alerts to groups of students and parents; or
 - 9) Contact permitted by an IEP or 504 plan.
4. Grooming: befriending and establishing an emotional connection with a student or a student's family to lower the student's inhibitions for emotional, physical, or sexual abuse.

SUBJECT: Employee Code of Conduct

5. Sexual Conduct: includes any sexual contact or communication between a staff member and a student including but not limited to:
 - a. Sexual Abuse: the criminal conduct described in Utah Code Ann. [§76-5-404.1\(2\)](#) and includes, regardless of the gender of any participant:
 - 1) Touching the anus, buttocks, pubic area, or genitalia of a student;
 - 2) Touching the breast of a female student; or
 - 3) Otherwise taking indecent liberties with a student; with the intent to:
 - a) cause substantial emotional or bodily pain; or
 - b) arouse or gratify the sexual desire of any individual.
 - b. Sexual Battery: the criminal conduct described in Utah Code Ann. [§76-9-702.1](#) and includes intentionally touching, whether or not through clothing, the anus, buttocks, or any part of the genitals of a student, or the breast of a female student, and the actor's conduct is under circumstances the actor knows or should know will likely cause affront or alarm to the student touched; or
 - c. A staff member and student sharing any sexually explicit or lewd communication, image, or photograph.

B. Procedures

Staff members shall act in a way that acknowledges and reflects their inherent positions of authority and influence over students.

1. Staff members shall recognize and maintain appropriate personal boundaries in teaching, supervising and interacting with students and shall avoid boundary violations including behavior that could reasonably be considered grooming or lead to even an appearance of impropriety. It is not a boundary violation when a student acts or speaks in inappropriately familiar ways with a staff member without having been prompted to do so by the staff member, but such incidents must be promptly documented and reported to the staff member's supervisor or the building principal and the student should be given guidance on proper student-staff relationships as directed by the supervisor or principal.
2. A staff member may not subject a student to any form of abuse including, but not limited to:
 - a. physical abuse;
 - b. verbal abuse;
 - c. sexual abuse; or
 - d. mental abuse.
3. A staff member shall not touch a student in a way that makes a reasonably objective student feel uncomfortable.
4. A staff member shall not engage in any sexual conduct toward or sexual relations with a student including, but not limited to:
 - a. viewing with a student, or allowing a student to view, pornography or any other sexually explicit or inappropriate images or content, whether video, audio, print, text or other format;
 - b. sexual battery; or
 - c. sexual assault.
5. Staff member communications with students, whether verbal or electronic, shall be professional and avoid boundary violations.

SUBJECT: Employee Code of Conduct

6. A staff member shall not provide gifts, special favors, or preferential treatment to a student or group of students.
7. A staff member shall not discriminate against a student on the basis of sex, religion, national origin, gender identity, sexual orientation, or any other prohibited class.
8. Staff member use of electronic devices and social media to communicate with students must comply with District policy, be professional, pertain to school activities or classes, and comply with the Family Educational Rights and Privacy Act.
9. A staff member may not use or be under the influence of alcohol or illegal substances during work hours on school property or at school sponsored events while acting as a staff member. Additionally, a staff member may not use any form of tobacco or electronic cigarettes on school property or at school sponsored activities in an employment capacity.
10. The prohibitions listed above in subsections 1 through 9 apply to staff member interaction with any student presently enrolled in the District and to staff member interaction with any former student who was enrolled at a school where the staff member was assigned during the student's enrollment at that school for a period of two (2) years after the student ceased enrollment at that school.
11. A staff member shall cooperate in any investigation concerning allegations of actions, conduct, or communications that if proven, would violate this policy.
12. The District recognizes that familial relationships or other relationships which are independent of and which do not arise out of the school context between a staff member and a student or former student may provide for exceptions to certain provisions of this policy.
13. Conduct prohibited by this policy is considered a violation of this policy regardless of whether the student may have consented.

C. Reporting

1. A staff member who has reason to believe there has been a violation of this policy shall immediately report such conduct to an appropriate supervisor or school administrator. If a staff member has reason to believe a school administrator has violated this policy, the staff member shall immediately report the conduct to the administrator's supervisor.
2. In addition to the obligation to report suspected child abuse or neglect to law enforcement or the Division of Child and Family Services under Utah Code Ann. [§62A-4a-403](#):
 - a. a staff member who has reasonable cause to believe that a student may have been physically or sexually abused by a school staff member shall immediately report the belief and all other relevant information to the school administrator, or to District Administration;
 - b. a school administrator who has received a report or who otherwise has reasonable cause to believe that a student may have been physically or sexually abused by a school staff member shall immediately inform the District Administration of the reported abuse; and

SUBJECT: Employee Code of Conduct

- c. if the staff member suspected to have abused a student holds a professional educator license issued by the Utah State Board of Education, the District Administration shall immediately report that information to the Utah Professional Practices Advisory Commission;
 - d. a person who makes a report under this subsection in good faith shall be immune from civil or criminal liability that might otherwise arise by reason of that report.
 3. A staff member who has knowledge of suspected incidents of bullying shall immediately notify the student's building administrator in compliance with Policy [AS98-Bullying, Cyberbullying and Hazing](#).
 4. Failing to report suspected misconduct as required herein is a violation of this policy, the Utah Educator Standards, and in some instances, state law, and may result in disciplinary action.
- D. Training
 1. Within 10 days of beginning employment with the District a staff member shall receive [video training](#) regarding this policy and shall electronically acknowledge having received training and understanding the policy.
 2. Staff members employed by the District at the time of initial adoption of this policy shall receive video [training](#) regarding this policy prior to the first day of the 2019-2020 school year on which students will be in attendance and shall electronically acknowledge having received training and understanding the policy.
 3. All employees will receive [video training](#) annually as part of the crucial policy review.

E. Violations

A staff member found in violation of this policy will be subject to disciplinary action, up to and including removal as a volunteer or termination of employment in accordance with orderly termination policy [DP316 NEG](#), [DP316A](#) and [DP316B NEG](#).

Intradistrict Communication

DATE: October 16, 2019
TO: Dr. Anthony Godfrey, Superintendent of Schools
FROM: Brad Sorensen, Administrator of Schools
SUBJECT: Fee Schedule Additions and Changes

The attached fees have recently been submitted for consideration to be added to the approved fee schedule website. The fee adjustments were requested by the schools after the original approval completed last spring. These fee requests have been submitted by the teacher or coach and approved by the local administration as well as by Cabinet.
