5-Year Building Construction Plan

Construction/ Financing Timeline	Progress	School Opening	Type	Location	Funding	Construction Cost*	Furniture, Fixture & Equipment and Instructional Items Cost
2016-2017	Nearly complete	2017-18	Elementary School	South Jordan	Capital Reserve	\$15.0 million	\$973,000
			Elementary School	Herriman		\$15.5 million	\$973,000
2017-2019	Under construction	2019-20	Middle School	South Jordan	Capital / Bond November 2016	\$32.5 million	\$2,061,000
2017-2019			Middle School	West Jordan		\$40.0 million	\$2,061,000
2017-2020			High School	Herriman		\$81.5 million	\$5,851,000
2018-2019	Planning phase		Elementary School	Bluffdale		\$16.1 - 19.1 million	\$1,032,000
2018-2019		Elementary School	Herriman	\$16.1 - 19.1 million		\$1,032,000	
2018-2020		2020-21**	Middle School	Bluffdale		\$36.0 - 42.0 million	\$2,187,000

Implications

- Schools would be built in every area of the District.
- Construction is less expensive with more lead time.
- Funding would still be available for some capital projects.
- 7th periods and portables needed at middle and high schools.
- Domino boundary changes may be needed for middle and high schools.

Interlocal Agreement – Section 1. Rolling Five-year Plan:
 “The Board will provide the Cities with a five-year plan describing school buildings and administration facilities to be constructed or remodeled within the District.”

Considerations

- Plans beyond the first year, 2017-18, are tentative and will be reviewed annually.
- Hot spots to watch as growth continues:
 - Bluffdale - Independence
 - Herriman – Anthem, Sorensen
 - Riverton - CenterCal
 - South Jordan - Daybreak
 - West Jordan - Jordan Valley TOD, Jensen, The View, etc.

* Cost estimates will be revised after designs and bids are received. Cost estimates are based on the District’s hopes to reduce costs from last constructed schools with annual cost construction inflation of 4.5%. Construction costs include site upgrades, architectural, engineering and impact fees.

** Contingent on completion of city infrastructure
