RE: CALALLEN ISD BOARD OF TRUSTEES PLACE 5

DEAR BOARD OF TRUSTEES,

I would like to take this opportunity to declare my interest in serving the people of Corpus Christi/Calallen by being considered to fill Calallen ISD's board post which was made vacant.

My name is Cherri L. Talley. I, along with my husband Lee and daughter Jade, a student at Magee Elementary; have resided in Calallen most of our lives. I am a proud graduate of Calallen High School. At the age of 8 my family relocated to Corpus Christi, Texas when my father, Gary Durbin decided to open Gulf Coast Graphics & Signs in a warmer part of the United States from Decatur, Illinois.

Following graduation from Calallen ISD High School, in Corpus Christi, I earned my Bachelor of Science degree in Interdisciplinary Studies with a major in Early Childhood Development at Texas A&M University of Corpus Christi in December of 2001.

My career was mainly spent in the Gregory-Portland ISD as a kindergarten teacher, and as a manager for Gulf Coast Graphic Designers in Corpus Christi, Texas. My responsibilities included the hiring and supervising of graphic designers, graphic technicians, and sales staff. As a teacher my role was to mold young minds into becoming lifelong learners and responsible members of our community as they enter adulthood. My responsibilities were vast to meet the needs of all learners and maintain a healthy classroom environment with limitless learners.

I am currently Vice President of Bromley Gas Measurement, Inc., and president of Cherri Tree Properties, LLC. My responsibilities have always included critical decision making for the benefit of the whole, and I feel confident that my educational background and work experience qualify me for the board position.

Thank you for your careful consideration of my letter of interest.

Dear Trustees,

I am writing to recommend Cherri Talley as a qualified candidate for the Calallen ISD Board of Trustees Place 5 vacancy.

During the 2008-2009 and 2010-2011 school years, Mrs. Talley was the kindergarten teacher of two of our children. I was a regular volunteer in her classroom during those years, and witnessed first-hand her interactions with students, other parents, colleagues, and administrators.

Teaching demands that a teacher navigate complex interactions throughout the educational hierarchy. Primary grade teachers must wear many hats -- from teacher to nurse to nurturer to disciplinarian -- hats that Mrs. Talley wore gracefully and compassionately.

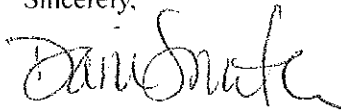

Mrs. Talley's commitment to educational excellence was clear from the first time we met. Her classroom was meticulously organized and engaging for the students. All things had a place and time, and the students quickly learned to respect and help maintain their learning environment by emulating Mrs. Talley's example. She made an effort to understand the whole child within the context of his or her family and community. She set firm boundaries for the children, enforcing them gently but consistently, while at the same time adapting her approach to differentiate for each child's ability.

Mrs. Talley is a thoughtful listener, extending her compassion into diplomatic interaction with parents and colleagues. She was a resourceful educator, effectively engaging support systems to enrich each child's learning experience. She encouraged parents to take an active role in the educational process by visiting and participating in classroom activities, or by being in close contact throughout the day to address the emotional and disciplinary needs of children who found it challenging to adapt to the school environment. She consistently engaged her colleagues in curriculum development and student engagement, encouraging a team approach to helping each child find his or her best opportunity for success.

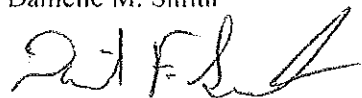

Our family feels very fortunate to have had the opportunity to work with Mrs. Talley as a teacher, and believe that she would be a strong steward of education as a school board trustee. Through word and action, she has always demonstrated a loving dedication to her family and her community roots in Calallen, and she would be an asset to the Calallen Board of Trustees, striving to shape the best possible educational experience for all students.

If we can provide any clarification or further information, please don't hesitate to contact us.

Sincerely,

Danielle M. Smith

Dear Board of Trustees:

It is with great pleasure that I recommend Lori Jo Walker for a position on the school board of Calallen ISD. From 1995 through 1999, Mrs. Walker and I worked closely together and shared a team conference period, giving me the opportunity to observe and benefit from her professionalism.

Her knowledge of her subject area, motivational skills, and effective, yet fair discipline strategies turned her classroom into an exceptional learning environment. In addition to the contributions her teaching experience would bring to her effectiveness on the school board, she has outstanding leadership skills, communication skills, and problem solving abilities. Using these leadership skills, Mrs. Walker made consistent, valuable contributions during our team meetings to the great benefit of our team teachers and team students.

Mrs. Walker's devotion to her family and community, her happy, energetic personality, and her moral compass have always been steadfast. She volunteers at school, teaches Sunday School, has been active in PTA, and will serve as a PTA president next year.

Teaching in the classroom next to Mrs. Walker's at Calallen Middle School gave me the opportunity to really know Mrs. Walker's abilities, personality, and her values. I, without reservation, gladly recommend her for a position on the Calallen ISD School Board. She would serve Calallen students and community very well. Please let me know if I can be of further assistance.

Calallen ISD School Board Members,

Please accept this letter of recommendation for Lori Jo Walker to **assume** the recently vacated school board position.

During my nine-year tenure as Director of Children's Ministries for Grace **United** Methodist Church, I had the privilege of serving with Mrs. Walker in a variety of ways. Her **commitment** as a teacher for children and youth is unparalleled. On numerous occasions, **she used personal time** and resources in teaching classes, preparing and serving meals, or traveling out-of-town to further her own learning. In addition, I have witnessed her dedication while serving with Mrs. Walker on leadership committees. She has shown an ability to thoroughly analyze issues, viewing all sides of potential decisions, and displayed a willingness to work with others to arrive at a common goal.

Lori Jo Walker has a passion for the children of Calallen ISD, as well as the wisdom and determination to see that they are provided with all they need to succeed. With many vital decisions to be made in the coming year, the Calallen School Board would benefit from Mrs. Walker's presence and leadership.
