SHAC MEETING MINUTES

September 16, 2025

HISD BOARD ROOM

- Welcome and meeting was called to order by Stephanie Gatlin at 5:32 p.m.
- No one signed up to speak in open forum.
- Information Items:
 - SHAC Overview – PowerPoint presentation with no questions from SHAC
 - Reviewed SHAC By-Laws with no questions from SHAC
 - Reviewed Health and Wellness Policy with no questions from SHAC
 - Reviewed Food Allergy Management Plan with one question asking why bullying was included in training staff. Stephanie Gatlin gave the example of not wanting to draw attention to students with food allergies and at the same time making sure they are safe by having a nut-aware table in each cafeteria. In one district, not HISD, someone smeared peanut butter all over the nut aware table making fun of those with food allergies. This is why bullying prevention is included in the food allergy management plan.
 - Discussed the 25-26 Health Fair to be held at HMS. Stephanie Gatlin will reach out to Mr. Wylie to schedule a day, possibly in February since Tucker's Law and the Dangers of Vaping presentations are scheduled for February as well.
 - Meeting dates for the school year were included in the agenda with the next meeting date being November 18th at noon.
- Action Items:
 - Christal Burks made a motion to approve the minutes from the March 18, 2025 meeting as written with a second from Whitney Alexander. Passed unanimously.
- Meeting adjourned at 5:59 p.m.
