2019 School Bus Bids for six (6) buses								
Vendor	School Bus Purchase Price	Total Purchase Price						
Mid-State	\$89,675.00	\$538,050.00						
<b>Nelson Bus</b>	<b>\$87,957.50</b>	<b>\$527,745.00</b>						
Recommendation for purchase is Nelson Bus based on info listed below:								
1. Pre and Post Trip Inspection Solutions included base specification - Mid State does not offer								
2. GPS Equipment used for maintenance data and interoperability with location apps included in base specification								
Mid-State suggests sending out a separate RFP for services								
3. External Stop Arm Violation Cameras - option \$539.00 and free installation								
Mid-State - \$600.00 and installation price \$300.00								
4. Camera system serviced by Nelson, Mid-State does not service would need to contact 3rd party vendor								
5. On-line maintenance service and record keeping								
6. Maintenance for the International Buses is Lakeside Service - truck repair business								
Nelson only services buses								
7. International Bus purchased two years ago is having issues								
8. Current 5 Thomas Buses have had minimal issues in the past 5 years outside of normal maintenance.								
9. Excellent customer service								
10. Nelson billing system is on-line, Lakeside Service billing not customer friendly - receive monthly statements prior to receiving actual invoices								
11. A requirement for Mid-State is bus trades are conditional to be fully operational on trade date. This is cost prohibitive for the District.								
12. Fleet would be all Thomas buses with the exception of one (1) International bus
