Adopted	March 13, 2017
Last Revised	October 9, 2017

0131.1 - **BYLAWS AND POLICIES**

The Board of Education shall adopt bylaws and policies for the organization and operation of this Board. Such policies are to include those needed to meet the education standards established by Wisconsin Statute.

Those bylaws and policies which are not dictated by the statutes or rules of the Department of Public Instruction or ordered by the State Superintendent of Public Instruction or a court of competent authority may be adopted, amended, and repealed at any meeting of the Board, ~~provided the proposed adoption, amendment, or repeal shall have been proposed at a previous Board meeting and, once proposed, shall have remained on the agenda of each succeeding Board meeting until approved or rejected.~~

Except for policy actions to be taken on emergency measures, the adoption of Board policies shall generally follow this sequence which will take place at a regular meeting of the Board:

- A. The Board Policy Committee shall consider proposed new or revised policies and bring to the full Board with a recommendation.
- B. The vote to adopt or not to adopt shall then occur at the regular full Board meeting.

Emergency Procedure: On matters of unusual urgency, the Board may waive the Board Policy Committee review and take immediate action to adopt new or revise existing policies.

Bylaws and policies shall be adopted, amended, repealed, or suspended by a majority vote of the Board present at a properly posted meeting.

The Board may adopt, amend, or repeal rules of order for its own operation by simple resolution of the Board passed by a majority of those present and voting.

The adoption, modification, repeal, or suspension of a Board bylaw or policy shall be recorded in the minutes of the Board.

All bylaws and policies shall be included in the Board policy manual.

Title	CONFLICT OF INTEREST
Code	po1130
Status	Policy Committee Review
Adopted	March 13, 2017

1130 - CONFLICT OF INTEREST

The proper performance of school business is dependent upon the maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by Board members, and the District's administrative employees, officers and agents, and is essential to the Board's commitment to earn and keep the public's confidence in the School District.

For these reasons, the Board adopts the following guidelines to assure that conflicts of interest do not occur. These guidelines apply to all administrative employees, officers and agents, including members of the Board. These guidelines are not intended to be all inclusive, nor to substitute for good judgment on the part of all administrative employees, officers and agents. Administrative employees are expected to perform their duties in a manner free from an actual conflict of interest or from situations that create the appearance of a conflict of interest, in a manner consistent with 19.59, Wis. Stats. The Board's interest in enforcing this policy is to assure that the decisions and actions of public employees retain the public's trust. Therefore, even a conflict relationship that can be viewed as beneficial to the District or that was intended to be beneficial to the District, may still be a violation of this policy.~~consistent with 19.59, Wis. Stats.~~

- A. No administrative employee, officer or agent shall engage in or have a financial or other interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his/her duties and responsibilities in the school system. This includes not only those interests that violate state criminal law, which typically requires at least \$15,000 in financial interest, but also lesser valued conflicts that nonetheless create the appearance of using one's public position to secure a private benefit.
- B. Administrative employees, officers and agents shall not engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, client, or parents of such students or clients in the course of their employment or professional relationship with the School District.

Included, by way of illustration rather than limitation are the following:

1. the provision of any private lessons or services for a fee, unless the provision of services is arranged outside of school and is separate from and in addition to regular support provided to students as part of the staff member's regular duties
2. soliciting on school premises or under circumstances which are coercive for the private sale of goods or services to students or other employees
3. the use, sale, or improper divulging of any privileged information through his/her access to School District records, about a student or client gained in the course of the administrative employee's, officer's or agent's employment or professional relationship with the School District ~~through his/her access to School District records~~
4. the referral of any student or client for lessons or services to any private business or professional practitioner if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration for such referrals
5. the requirement of students or clients to purchase any private goods or services provided by an administrative employee, officer or agent or any business or professional practitioner with whom any employee, officer or

agent has a financial or other relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations

- C. Should exceptions to this policy be necessary in order to provide mandatory services to students or clients of the School District, all such exceptions will be made known to the administrative employee's supervisor and will be disclosed to the District Administrator before entering into any private relationship.
- D. Administrative employees, officers and agents shall not make use of materials, equipment, or facilities of the School District for their own personal financial gain or business interest. Examples would be the use of facilities before, during, or after regular business hours for service to private practice clients, or the checking out of items from an instructional materials center for private practice.
- E. Administrative employees, officers and agents cannot participate in the selection, award, or administration of a contract supported by a Federal grant/award if s/he has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer or agent, any member of his/her immediate family, his/her partner, or an organization which employs or is about to employ any of the parties described in this section, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

Administrative employees, officers and agents cannot solicit or accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

However, pursuant to Federal rules, the School District has set standards for when an administrative employee, officer or agent may accept a gift of an unsolicited item of nominal value. For purposes of this section, "nominal value" means that the gift has a monetary value of \$25.00 or less.

- F. To the extent that the School District has a parent, affiliate or subsidiary organization that is not a State, local government or Indian tribe, the School District may not conduct a procurement action involving the parent, affiliate or subsidiary organization if the School District is unable, or appears to be unable, to be impartial.
- G. Administrative employees, officers and agents must disclose any potential conflict of interest which may lead to a violation of this policy to the School District. Upon discovery of any potential conflict of interest, the School District will disclose, in writing, the potential conflict of interest to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

The District will also disclose, in a timely manner, all violations of Federal criminal law involving fraud, bribery or gratuity that affect a Federal award to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

- H. Administrative employees, officers and agents found to be in violation of this conflict of interest policy will be subject to disciplinary action.

In the event that, within the course of administering a Federally funded grant program or service to the District, an administrative employee identifies a conflict of interest, a potential conflict of interest, or that the appearance of a conflict of interest may arise in the course of administering the Federal grant funds, the administrative employee must immediately notify either the Federal agency administering the grant in a manner consistent with that particular agencies rules on conflict of interests, or the District employee directly responsible for grant compliance. Such notice shall be provided at the earliest possible time.

It is a violation of this policy to take action or to refrain from taking action, or for an administrative employee to otherwise use his/her public position to obtain a financial gain or anything of substantial value for himself/herself or his/her immediate family.

1213 - STUDENT SUPERVISION AND WELFARE

Administrators because of their proximity to students are frequently confronted with situations which, if handled incorrectly, could result in liability to the District and personal liability to the administrator. It is the intent of the Board to direct the preparation of guidelines that would minimize that possibility.

An administrator who is found to have had sexual contact with a student, including a student age sixteen (16) or older, shall be referred to the proper authorities and be subject to discipline up to and including discharge.

This section should not be construed as affecting any obligations on the part of staff to report suspected child abuse under Wis. Stats. 48.981 and Policy 8462.

Each District administrator shall maintain a standard of care for the supervision, control, and protection of students commensurate with his/her assigned duties and responsibilities which include, but are not limited to the following:

1. An administrator shall report immediately any accident or safety hazard about which s/he is informed or detects to his/her supervisor as well as to other authorities or District staff members as may be required by established policies and procedures.
2. An administrator shall report unsafe, potentially harmful, dangerous, violent or criminal activities, or threat of these activities by students to the District Administrator and local public safety agencies and/or school officials in accordance with Policy 8420 - School Safety and Emergency Preparedness.
3. An administrator should not volunteer to assume responsibility for duties s/he cannot reasonably perform. Such assumption carries the same responsibilities as assigned duties.
4. An administrator shall not send students on any personal errands.
5. An administrator shall not associate with students at any time in a manner which gives the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive or involve illegal substances such as tobacco, alcohol, or drugs. Any sexual or other inappropriate conduct with a student by any staff member will subject the offender to potential criminal liability and District discipline up to and including termination of employment.

This provision should not be construed as precluding an administrative staff member from associating with students in private for legitimate or proper reasons or to interfere with familial relationships that may exist between staff and students.
6. An administrator shall not disclose personally identifiable information about a student to third parties unless specifically authorized by law or the student's parent(s) to do so.
7. An administrator, other than the District Administrator, shall not transport students for school-related activities in a private vehicle without the approval of his/her immediate supervisor and consistent with the provisions of Policy 8660. This does not apply to any student who is the administrator's family member.

1400 - JOB DESCRIPTIONS

The Board ~~of Education~~ recognizes that it is essential for District and employee accountability for each staff member to be fully aware of the duties and responsibilities of his/her position. Job descriptions document and describe the essential functions for professional staff positions, and thereby promote organizational effectiveness and efficiency. Therefore, the District Administrator shall maintain a current, comprehensive, and coordinated set of job descriptions for professional and support staff positions. Job descriptions of licensed personnel, and any revisions thereof, shall be approved by the Board and maintained by the Director of Human Resources.

As long as the provisions of the job description(s) are not inconsistent with Board policies, or with Federal/State law, they will be considered to be an extension of the policy manual and binding upon all employees.

Each job description shall include a statement that reserves the authority to the District Administrator to assign additional duties and responsibilities as necessary within the scope of the employment position.

Following the revision of a job description, staff members who are affected by that revised job description shall be provided access to the updated version and the opportunity to discuss the revisions therein with their immediate supervisor.

1422 - NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY

The Board does not discriminate in the employment of administrative staff on the basis of the Protected Classes of race, color, national origin, age, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), ~~national origin~~, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other characteristic protected by law in its employment practices.

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Director of Pupil Services 1701 2 nd Street New Glarus, WI 53574 608-527-2410	Director of Human Services 1701 2 nd Street New Glarus, WI 53574 608-527-2410
---	---

The names, titles, and contact information of these individuals will be published annually on the School District's web-site.

The COs are responsible for coordinating the District's efforts to comply with the applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, retaliation or denial of equal access. The COs shall also verify that proper notice of nondiscrimination [has been provided](#) for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), the Age Discrimination in Employment Act of 1975, and the Genetic Information Nondiscrimination Act (GINA) to students, their parents, staff members, and the general public.

Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are expected to promptly report incidents of unlawful discrimination and/or retaliation to an administrator, supervisor, or other supervisory employee so that the Board may address the conduct. Any administrator, supervisor, or other supervisory employees who receives such a complaint shall file it with the CO at his/her first opportunity, but no later than two (2) business days.

Employees who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint will not adversely affect the complaining individual's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept complaints of unlawful discrimination/retaliation directly from any member of the School District community (District employees, students, parent(s), and member of the Board), [a](#) resident of the District, or a visitor to the District. Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin an investigation, or the

CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to any person who files a complaint. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO must contact the employee within two (2) business days to advise him/her of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Any employee who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated.

Once the complaint process begins, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Wisconsin Equal Rights Division, or the Equal Employment Opportunity Commission ("EEOC").

Complaint Procedure

An individual who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant"), may file a complaint, either orally or in writing, with a Principal, the CO, District Administrator, or other supervisory employees. Any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of CO for such complaints.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person who allegedly engaged in the misconduct. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the District Administrator.

Within two (2) business days of receiving the complaint, the CO will initiate an investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including this Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the District Administrator may appeal through a signed written statement to the Board within five (5) business days of his/her receipt of the District Administrator's final decision. In an attempt to resolve the complaint, the Board shall review the findings and may meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of its decision. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the misconduct pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Board will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. All Complainants will be advised that their identities may become known to the Respondent(s) through the investigation process.

During the course of an investigation, the CO will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

~~All public records created as a part of an investigation of a complaint of discrimination/retaliation will be maintained in accordance with the School Board's records retention policy.~~

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably

calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law. When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies and/or the Employee Handbook.

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised their rights, aided or encouraged any other person in the exercise of any right granted or protected by those laws.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

1. all written reports/allegations/complaints/statements;
-
2. narratives of all verbal reports, allegations, complaints, and statements collected;
-
3. a narrative of all actions taken by District personnel;
-
4. any written documentation of actions taken by District personnel;
-
5. narratives of, notes from, or audio, video, or digital recordings of witness statements;
-
6. all documentary evidence;
-
7. e-mails, texts, or social media posts pertaining to the investigation;
-
8. contemporaneous notes in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.) pertaining to the investigation;
-
9. written disciplinary sanctions issued to students or employees and a narrative of verbal disciplinary sanctions issued to students or employees for violations of the policies and procedures prohibiting discrimination or harassment;
-
10. dated written determinations to the parties;
-
11. dated written descriptions of verbal notifications to the parties;
-
12. written documentation of any interim measures offered and/or provided to complainants, including no contact orders issued to both parties, the dates issued, and the dates the parties acknowledged receipt; and
-
13. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

1162 - EMPLOYEE ANTI-HARASSMENT

Prohibited Harassment

The Board of Education is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), national origin, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other characteristic protected by law in its employment practices (hereinafter referred to as "Protected Characteristics"), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee- to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.

The Board will investigate all allegations of harassment and in those cases where harassment is substantiated, the ~~School~~Board will take immediate steps calculated to end the harassment, prevent its reoccurrence, and, if applicable, remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means individuals subject to the control and supervision of the Board including, but not limited to, students, teachers, staff, volunteers, and Board members, agents, contractors, or other persons.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the District, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

Definitions

"**Harassment**" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a school employee on the basis of the employee's Protected Characteristics that:

- A. places a school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. is sufficiently severe, pervasive, and persistent so as to create a hostile working environment which materially alters the employee's working conditions from the perspective of a reasonable person similarly situated;

- C. has the effect of substantially disrupting the orderly operation of a school or any other aspect of the District's operations.

Sexual Harassment

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

- A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;
- B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;
- C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;
- D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;
- E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;
- F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. physical and/or sexual assault;
- C. threats or insinuations that a person's employment, wages, promotion, assignments, or other conditions of employment may be adversely affected by not submitting to sexual advances;
- D. unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, text messages, or social media postings;
- E. sexually suggestive objects, pictures, videotapes, audio recordings, or literature, placed in the work or educational environment, which may embarrass or offend individuals;
- F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;
- H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;
- I. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment; and

- J. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

Boundary Invasions

Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. However other behaviors might be going too far, are inappropriate and may be signs of sexual grooming.

Inappropriate boundary invasions may include, but are not limited to the following:

1. kissing or other physical contact with a student;
2. telling sexual jokes to students;
3. engaging in talk containing sexual innuendo or banter with students;
4. talking about sexual topics that are not related to curriculum;
5. showing pornography to a student;
6. taking an undue interest in a student (i.e. having a "special friend" or a "special relationship");
7. initiating or extending contact with students beyond the school day for personal purposes;
8. using e-mail, text-messaging or websites to discuss personal topics or interests with students;
9. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrative approval;
10. invading a student's privacy (e.g. walking in on the student in the bathroom, locker-room, asking about bra sizes or previous sexual experiences);
11. going to a student's home for non-educational purposes;
12. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of student);
13. giving gifts or money to a student for no legitimate educational purpose;
14. accepting gifts or money from a student for no legitimate educational purpose;
15. being overly "touchy" with students;
16. favoring certain students by inviting them to come to the classroom at non-class times;
17. getting a student out of class to visit with the staff member;
18. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;

19. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);
20. being alone with a student behind closed doors without a legitimate educational purpose;
21. telling a student "secrets" and having "secrets" with a student;

Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin Harassment

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Age Harassment

Prohibited age based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Race/Color Harassment

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability, perceived disability, or record of disability, and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's current or past disabling condition or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Reports and Complaints of Harassing Conduct

Members of the School District community and third parties, which includes all staff, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a complaint shall file it with the District's Compliance Officer at his/her first opportunity.

Members of the School District community or third parties who believe they have been harassed by another member of the School District community or a third party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

Reporting procedures are as follows:

- A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.
- B. Teachers, administrators, and other school officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.
- C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.
- D. Appropriate school officials are as follows:
 1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who shall assume the role of the District Compliance Officer for such complaints.
 2. Any complaint under this policy regarding the District Administrator or Board Member that is received by the District Compliance Officer shall be referred to the School Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.
- E. The reporting party or complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator.
- F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Director of Pupil Services	Director of Human Services
1701 2 nd Street	1701 2 nd Street
New Glarus, WI 53574	New Glarus, WI 53574
608-527-2410	608-527-2410

The names, titles, and contact information of these individuals will be published annually in the parent and staff handbooks and on the School District's web site.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations or will oversee the preparation of such recommendations. All members of the School District community should report incidents of harassment that are reported to them to the CO within two (2) business days of learning of the incident.

Investigation and Complaint Procedure

Any employee or other member of the School District community or visitor to the District who believes that s/he has been subjected to harassment or has witnessed harassment of another may seek resolution of his/her complaint through the procedures as described below. Further, a process for investigating claims of harassment

and a process for rendering a decision regarding whether the claim of harassment was substantiated are set forth below.

Once the complaint process begins, the investigation will be complete in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

Complaint Procedure

An individual who believes s/he has been subjected to harassment hereinafter referred to as the "complainant," may file a complaint, either orally or in writing with a teacher, Principal, CO, District Administrator, or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of the CO for such complaints.

Due to the sensitivity surrounding complaints of harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision making process.

All written complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be actively engaging in, harassment; a detailed description of the facts upon which the complaint is based; and a list of potential witnesses.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the complainant and/or the alleged harasser. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deem appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the complainant or respondent.

Within two (2) business days of receiving a complaint, the CO will inform the individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received.

~~Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, t~~The respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with and a copy of this policy or information about where to find it. Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint. shall be provided to the respondent at that time. The respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Within five (5) business days of receiving the complaint, the CO will initiate a formal investigation to determine whether the complainant has been subject to offensive conduct/harassment.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of harassment within fifteen (15) calendar days of receiving the formal complaint. The investigation will include:

- A. interviews with the complainant;

- B. interviews with the respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the complainant has been subjected to harassment. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. The CO may consult with the School Board Attorney before finalizing the report to the District Administrator.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or third party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

Privacy/Confidentiality

The School District will employ all-reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law.

Confidentiality, however, cannot be guaranteed. All complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the respondent.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation and if so shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

~~All public records created as a part of an investigation of a complaint of harassment will be maintained by the CO in accordance with the Board's records retention policy. Any records which are considered student records in~~

~~accordance with the State or Federal law will be maintained in a manner consistent with the law.~~

Directives During Investigation

The CO may recommend to the District Administrator placing any employee involved in an investigation under this Policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a Garrity warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving the right against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against harassment by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law. When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

All sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Allegations Constituting Criminal Conduct

If the CO has reason to believe that the complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made the Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the COs obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Miscellaneous

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in educational employment, and the mailing

address and telephone number of the United States Equal Opportunity Employment Commission.

A summary of this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of harassment. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

1. all written reports/allegations/complaints/statements;
2. narratives of all verbal reports, allegations, complaints, and statements collected;
3. a narrative of all actions taken by District personnel;
4. any written documentation of actions taken by District personnel;
5. narratives of, notes from, or audio, video, or digital recordings of witness statements;
6. all documentary evidence;
7. e-mails, texts, or social media posts pertaining to the investigation;
8. contemporaneous notes in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.) pertaining to the investigation;
9. written disciplinary sanctions issued to students or employees and a narrative of verbal disciplinary sanctions issued to students or employees for violations of the policies and procedures prohibiting discrimination or harassment;

13. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

2270 - RELIGION IN THE CURRICULUM

As a public entity, the District must comply with the U.S. Constitution's First Amendment requirement that the District neither establish religion in the schools nor prohibit students' free exercise of religion according to pertinent interpretation and application of those Constitutional provisions by the Courts. Accordingly, no Board employee will promote religion in the classroom or in the District's curriculum, or compel or pressure any student to participate in devotional exercises. Displays of a religious character must conform with Policy 8800. Instructional activities shall not be permitted to advance or inhibit any particular religion or religion generally. Teachers shall forward requests for religious accommodation in instruction to the Principal.

An understanding of religions and their effects on civilization is essential to the thorough education of young people and to their appreciation of a pluralistic society. To that end, curriculum may include, as appropriate to the various ages and attainments of the students, instruction about the religions of the world.

The Board acknowledges the degree to which ~~religion~~~~a religious consciousness has permeated~~ often is incorporated into certain aspects of the arts, literature, music, and issues of morality. The instructional and resource materials approved for use in the District schools ~~sometimes~~frequently contain religious references or concern moral issues that have traditionally been the focus of religious concern. That such materials ~~may be religious in nature~~ may contain such references, or may concern such issues, shall not, by itself, bar their use by the District. The Board directs that professional staff members employing such materials be neutral in their approach and avoid using them to advance or inhibit religion in any way.

The Board recognizes that religious traditions vary in their perceptions and doctrines regarding the natural world and its processes. The curriculum is chosen for its place in the education of the District's students, not for its conformity to religious principles. Students should receive unbiased instruction in the schools, so they may privately accept or reject the knowledge thus gained, in accordance with their own religious tenets if any.

Accordingly, no student shall be exempted from completion of a required course of study on the grounds that components of the instruction interfere with the free exercise of his/her religion. However, if after careful personal review of the program's lessons and/or materials, a parent indicates to the school that either the content or activities conflict with his/her religious beliefs or value system, the school will honor a written request for his/her child to be excused from a particular class period for specified reasons.

The student will be provided with alternate learning activities during the times of such parent requested absence.

The District's instructional materials shall not be designed to influence students to accept or reject a particular religious belief or point of view and the District Administrator shall prepare administrative guidelines to that effect.

Complaints by students or the public regarding any such course of study will be handled in accordance with Board Policy 9130. See Reference: Policy 8800

Any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of CO for such complaints.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person who allegedly engaged in the misconduct. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the District Administrator.

Within two (2) business days of receiving the complaint, the CO will initiate an investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including this Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the District Administrator may appeal through a signed written statement to the Board within five (5) business days of his/her receipt of the District Administrator's final decision. In an attempt to resolve the complaint, the Board shall review the findings and may meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of its decision. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the misconduct pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Board will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. All Complainants will be advised that their identities may become known to the Respondent(s) through the investigation process.

During the course of an investigation, the CO will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

~~All public records created as a part of an investigation of a complaint of discrimination/retaliation will be maintained in accordance with the School Board's records retention policy.~~

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably

calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law. When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies and/or the Employee Handbook.

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised their rights, aided or encouraged any other person in the exercise of any right granted or protected by those laws.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

1. all written reports/allegations/complaints/statements;
-
2. narratives of all verbal reports, allegations, complaints, and statements collected;
-
3. a narrative of all actions taken by District personnel;
-
4. any written documentation of actions taken by District personnel;
-
5. narratives of, notes from, or audio, video, or digital recordings of witness statements;
-
6. all documentary evidence;
-
7. e-mails, texts, or social media posts pertaining to the investigation;
-
8. contemporaneous notes in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.) pertaining to the investigation;
-
9. written disciplinary sanctions issued to students or employees and a narrative of verbal disciplinary sanctions issued to students or employees for violations of the policies and procedures prohibiting discrimination or harassment;
-
10. dated written determinations to the parties;
-
11. dated written descriptions of verbal notifications to the parties;
-
12. written documentation of any interim measures offered and/or provided to complainants, including no contact orders issued to both parties, the dates issued, and the dates the parties acknowledged receipt; and
-
13. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

3139 - STAFF DISCIPLINE

The Board retains the right and the responsibility to manage the work force. When the discipline of a staff member becomes necessary such action shall be consistent with the requirements of any applicable Board policy, and State and Federal law. The District Administrator or designee may issue discipline, ~~except termination~~, when she/he deems appropriate, however, student performance on examinations may not form the basis for staff discipline. **This policy does not cover decisions to terminate or nonrenew a staff member's employment (see Policy 3140).**

-

Investigation of Possible Criminal Activity

The District may be required to investigate potential wrongdoings on the part of its employees. Such investigations may require that the employee answer questions relating to the activity. Failure to cooperate in an investigation may result in discipline, up to and including termination of the employee. In cases where this possible wrongdoing may involve criminal activity, the District shall inform the employee that answers to questions relating to the employee's conduct may be used by the District for determining appropriate discipline, but will not be provided to law enforcement officials in the course of their independent criminal investigation, unless otherwise required by law. Employees must also be informed that refusal to answer questions may be considered in determining discipline.

Staff may be disciplined for violations of Board policy or for other failures to meet the expectations and obligations of their position. No staff member may be subject to arbitrary or capricious disciplinary action.

The District Administrator may issue discipline to staff members when she/he deems appropriate. The level of discipline may range from oral reprimands to suspension or termination consistent with Policy 3140. The level of discipline shall be consistent with the seriousness of the offense as determined by the District Administrator.

Management efforts engaged to improve an employee's job performance or address specific performance concerns, including letters of direction, performance improvement plans, mandatory training, etc., are not disciplinary in nature and are not subject to this policy or to Policy 3340 - Grievance Procedure.

All instances of staff discipline are subject to the employee grievance procedure, set forth in Policy 3340.

Code	po3213

3213 - STUDENT SUPERVISION AND WELFARE

Professional staff members ~~because of their proximity to students~~ are frequently confronted with situations which, if handled incorrectly, could result in liability to the District, personal liability to the professional staff member, and/or harm to the welfare of the student(s). It is the intent of the Board ~~of Education~~ to direct the preparation of guidelines that would minimize that possibility.

A professional staff member, or a person who works or volunteers with children, who is found to have had sexual contact with a student, including a student age sixteen (16) or older, shall be referred to the proper authorities and be subject to discipline up to and including discharge.

This policy should not be construed as affecting any obligations on the part of staff to report suspected child abuse under Wis. Stats. 48.981 and Policy 8462.

Each District employee shall maintain a standard of care for the supervision, control, and protection of students commensurate with his/her assigned duties and responsibilities which include, but are not limited to the following standards:

- A. A professional staff member shall report immediately any accident or safety hazard about which s/he is informed or detects to his/her supervisor as well as to other authorities or District staff members as may be required by established policies and procedures.
- B. A professional staff member shall report unsafe, potentially harmful, dangerous, violent or criminal activities, or threat of these activities by students to the District Administrator and local public safety agencies and/or school officials in accordance with Policy 8420 - School Safety.
- C. A professional staff member should not volunteer to assume responsibility for duties s/he cannot reasonably perform. Such assumption carries the same responsibilities as assigned duties.
- D. A professional staff member shall provide proper instruction in the safety matters presented in assigned course guides.
- E. Each professional staff member shall immediately report to the principal any accident or safety hazard s/he detects.
- F. Each professional staff member shall immediately report to the principal any knowledge of threats of violence by students.
- G. A professional staff member shall not send students on any personal errands.
- H. A professional staff member shall not associate with students at any time in a manner which gives the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive or involve illegal substances such as tobacco, alcohol, or drugs. Any sexual or other inappropriate conduct with a student by any staff member will subject the offender to potential criminal liability and District discipline up to and including termination of employment.

This provision should not be construed as precluding a professional staff member from associating with students in private for legitimate or proper reasons or to interfere with familial relationships that may exist between staff and students.

- I. ~~If a student comes to a staff member to seek advice or to ask questions regarding a personal problem related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, the staff member may help the student make contact with certified or licensed individuals in the District or community who specialize in the assessment, diagnosis, and treatment of the student's problem. Under no circumstances should a staff member attempt, unless properly licensed and authorized to do so, to counsel, assess, diagnose, or treat the student's problem or behavior.~~
- J. **A professional staff member shall not disclose personally identifiable information about a student to third parties unless specifically authorized by law or the student's parent(s) to do so.**
- K. A professional staff member shall not transport students for school-related activities in a private vehicle without the approval of his/her immediate supervisor and consistent with the provisions of Policy 8660. This does not apply to any student who is the professional staff member's family member~~the principal.~~
- L. A student shall not be required to perform work or services that may be detrimental to his/her health.
- M. Staff members are discouraged from engaging in social media and online networking media, except for appropriate academic, extra-curricular, and/or professional uses only~~such as Facebook, Twitter, MySpace, etc.~~
- N. Staff members are expressly prohibited from posting any video or comment pertaining to any student on personal or unauthorized social networking media or similar forums.

Since most information concerning a child in school, other than directory information described in Policy 8330 - Student Records, is a confidential student record under Federal and State laws, any staff member who shares confidential information with another person not authorized to receive the information may be subject to discipline and/or civil liability. This includes, but is not limited to, information concerning assessments, grades, behavior, family background, and alleged child abuse (see Policy 8330).

Pursuant to the laws of the State and Board Policy 8462, each professional staff member shall report to the proper legal authorities immediately, any sign of suspected child abuse, abandonment, or neglect.

3230 - CONFLICT OF INTEREST

The proper performance of school business is dependent upon the maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by Board members, and the District's employees, officers and agents is essential to the Board's commitment to earn and keep the public's confidence in the School District.

For these reasons, the Board adopts the following guidelines to ensure that conflicts of interest do not occur. These guidelines apply to all District employees, officers and agents, including members of the Board. These guidelines are not intended to be all inclusive, nor to substitute for good judgment on the part of all professional employees, officers and agents. Professional employees are expected to perform their duties in a manner free from an actual conflict of interest or from situations that create the appearance of a conflict of interest, in a manner consistent with 19.59, Wis. Stats. The Board's interest in enforcing this policy is to assure that the decisions and actions of public employees retain the public's trust. Therefore, even a conflict relationship that can be viewed as beneficial to the District, or that was intended to be beneficial to the District, may still be a violation of this policy.~~consistent with 19.59, Wis. Stats.~~

- A. No professional employee, officer or agent shall engage in or have financial or other interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his/her duties and responsibilities in the school system. This includes not only those interests that violate state criminal law, which typically require at least \$15,000 in financial interest, but also lesser valued conflicts that nonetheless create the appearance of using one's public position to secure a private benefit.
- B. Professional employees, officers and agents shall not engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, client, or parents of such students or clients in the course of their employment or professional relationship with the School District.

Included, by way of illustration, rather than limitation are the following:

1. the provision of any private lessons or services for a fee, unless the provision of services is arranged outside of school and is separate from and in addition to regular support provided to students as part of the staff member's regular duties
2. soliciting on school premises or under circumstances which are coercive for the private sale of goods or services to students or other employees
3. the use, sale, or improper divulging of any privileged information about a student or client granted in the course of the employee's, officer's or agent's employment or professional relationship with the School District through his/her access to School District records
4. the referral of any student or client for lessons or services to any private business or professional practitioner if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration for such referrals
5. the requirement of students or clients to purchase any private goods or services provided by an employee, officer or agent or any business or professional practitioner with whom any employee, officer or agent has a financial or other relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations

3362 - EMPLOYEE ANTI-HARASSMENT

Prohibited Harassment

The Board of Education is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), national origin, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other characteristic protected by law in its employment practices (hereinafter referred to as "Protected Characteristics"), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee- to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.

The Board will investigate all allegations of harassment and in those cases where harassment is substantiated, the ~~School~~Board will take immediate steps calculated to end the harassment, prevent its reoccurrence, and, if applicable, remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means individuals subject to the control and supervision of the Board including, but not limited to, students, teachers, staff, volunteers, and Board members, agents, contractors, or other persons.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the District, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

Definitions

"**Harassment**" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a school employee on the basis of the employee's Protected Characteristics that:

- A. places a school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. is sufficiently severe, pervasive, and persistent so as to create a hostile working environment which materially alters the employee's working conditions from the perspective of a reasonable person similarly situated;

- C. has the effect of substantially disrupting the orderly operation of a school or any other aspect of the District's operations.

Sexual Harassment

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

- A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;
- B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;
- C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;
- D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;
- E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;
- F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. physical and/or sexual assault;
- C. threats or insinuations that a person's employment, wages, promotion, assignments, or other conditions of employment may be adversely affected by not submitting to sexual advances;
- D. unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, text messages, or social media postings;
- E. sexually suggestive objects, pictures, videotapes, audio recordings, or literature, placed in the work or educational environment, which may embarrass or offend individuals;
- F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;
- H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;
- I. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment; and

- J. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

Boundary Invasions

Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. However other behaviors might be going too far, are inappropriate and may be signs of sexual grooming.

Inappropriate boundary invasions may include, but are not limited to the following:

1. kissing or other physical contact with a student;
2. telling sexual jokes to students;
3. engaging in talk containing sexual innuendo or banter with students;
4. talking about sexual topics that are not related to curriculum;
5. showing pornography to a student;
6. taking an undue interest in a student (i.e. having a "special friend" or a "special relationship");
7. initiating or extending contact with students beyond the school day for personal purposes;
8. using e-mail, text-messaging or websites to discuss personal topics or interests with students;
9. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrative approval;
10. invading a student's privacy (e.g. walking in on the student in the bathroom, locker-room, asking about bra sizes or previous sexual experiences);
11. going to a student's home for non-educational purposes;
12. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of student);
13. giving gifts or money to a student for no legitimate educational purpose;
14. accepting gifts or money from a student for no legitimate educational purpose;
15. being overly "touchy" with students;
16. favoring certain students by inviting them to come to the classroom at non-class times;
17. getting a student out of class to visit with the staff member;
18. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;

19. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);
20. being alone with a student behind closed doors without a legitimate educational purpose;
21. telling a student "secrets" and having "secrets" with a student;

Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin Harassment

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Age Harassment

Prohibited age based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Race/Color Harassment

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability, perceived disability, or record of disability, and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's current or past disabling condition or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Reports and Complaints of Harassing Conduct

Members of the School District community and third parties, which includes all staff, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a complaint shall file it with the District's Compliance Officer at his/her first opportunity.

Members of the School District community or third parties who believe they have been harassed by another member of the School District community or a third party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

Reporting procedures are as follows:

- A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.
- B. Teachers, administrators, and other school officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.
- C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.
- D. Appropriate school officials are as follows:
 1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who shall assume the role of the District Compliance Officer for such complaints.
 2. Any complaint under this policy regarding the District Administrator or Board Member that is received by the District Compliance Officer shall be referred to the School Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.
- E. The reporting party or complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator.
- F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Director of Pupil Services	Director of Human Services
1701 2 nd Street	1701 2 nd Street
New Glarus, WI 53574	New Glarus, WI 53574
608-527-2410	608-527-2410

The names, titles, and contact information of these individuals will be published annually in the parent and staff handbooks and on the School District's web site.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations or will oversee the preparation of such recommendations. All members of the School District community should report incidents of harassment that are reported to them to the CO within two (2) business days of learning of the incident.

Investigation and Complaint Procedure

Any employee or other member of the School District community or visitor to the District who believes that s/he has been subjected to harassment or has witnessed harassment of another may seek resolution of his/her complaint through the procedures as described below. Further, a process for investigating claims of harassment

and a process for rendering a decision regarding whether the claim of harassment was substantiated are set forth below.

Once the complaint process begins, the investigation will be complete in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

Complaint Procedure

An individual who believes s/he has been subjected to harassment hereinafter referred to as the "complainant," may file a complaint, either orally or in writing with a teacher, Principal, CO, District Administrator, or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of the CO for such complaints.

Due to the sensitivity surrounding complaints of harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision making process.

All written complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be actively engaging in, harassment; a detailed description of the facts upon which the complaint is based; and a list of potential witnesses.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the complainant and/or the alleged harasser. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deem appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the complainant or respondent.

Within two (2) business days of receiving a complaint, the CO will inform the individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received.

~~Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, t~~The respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with and a copy of this policy or information about where to find it. Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint. shall be provided to the respondent at that time. The respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Within five (5) business days of receiving the complaint, the CO will initiate a formal investigation to determine whether the complainant has been subject to offensive conduct/harassment.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of harassment within fifteen (15) calendar days of receiving the formal complaint. The investigation will include:

- A. interviews with the complainant;

- B. interviews with the respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the complainant has been subjected to harassment. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. The CO may consult with the School Board Attorney before finalizing the report to the District Administrator.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or third party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

Privacy/Confidentiality

The School District will employ all-reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law.

Confidentiality, however, cannot be guaranteed. All complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the respondent.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation and if so shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

~~All public records created as a part of an investigation of a complaint of harassment will be maintained by the CO in accordance with the Board's records retention policy. Any records which are considered student records in~~

~~accordance with the State or Federal law will be maintained in a manner consistent with the law.~~

Directives During Investigation

The CO may recommend to the District Administrator placing any employee involved in an investigation under this Policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a Garrity warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving the right against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against harassment by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law. When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

All sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Allegations Constituting Criminal Conduct

If the CO has reason to believe that the complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made the Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the COs obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Miscellaneous

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in educational employment, and the mailing

address and telephone number of the United States Equal Opportunity Employment Commission.

A summary of this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of harassment. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

1. all written reports/allegations/complaints/statements;

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are expected to promptly report incidents of unlawful discrimination and/or retaliation to an administrator, supervisor, or other supervisory employee so that the Board may address the conduct. Any administrator, supervisor, or other supervisory employees who receives such a complaint shall file it with the CO at his/her first opportunity, but no later than two (2) business days.

Employees who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint will not adversely affect the complaining individual's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept complaints of unlawful discrimination/retaliation directly from any member of the School District community (District employees, students, parent(s), and member of the Board), [a](#) resident of the District, or a visitor to the District. Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin an investigation, or the

CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to any person who files a complaint. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO must contact the employee within two (2) business days to advise him/her of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Any employee who believes that s/he has been subjected to unlawful discrimination or retaliation may seek resolution of his/her complaint through the procedures described below. The complaint procedures involve an investigation of the individual's claims and a process for rendering a decision regarding whether the charges are substantiated.

Once the complaint process begins, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights, the Wisconsin Equal Rights Division, or the Equal Employment Opportunity Commission ("EEOC").

Complaint Procedure

An individual who believes s/he has been subjected to unlawful discrimination/retaliation (hereinafter referred to as the "Complainant"), may file a complaint, either orally or in writing, with a Principal, the CO, District Administrator, or other supervisory employees. Any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of CO for such complaints.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employees, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties informed of the status of the investigation and the decision-making process.

All complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be engaging in, the discriminatory/retaliatory conduct; a detailed description of the facts upon which the complaint is based; a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the person who allegedly engaged in the misconduct. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the District Administrator.

Within two (2) business days of receiving the complaint, the CO will initiate an investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including this Policy. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Complainant has been subjected to unlawful discrimination/retaliation. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether the charges have been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the Complainant and the Respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

If the District Administrator determines the Complainant was subjected to unlawful discrimination/retaliation, s/he must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the District Administrator may appeal through a signed written statement to the Board within five (5) business days of his/her receipt of the District Administrator's final decision. In an attempt to resolve the complaint, the Board shall review the findings and may meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of its decision. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the employee alleging the misconduct pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Board will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. All Complainants will be advised that their identities may become known to the Respondent(s) through the investigation process.

During the course of an investigation, the CO will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that s/he learns and/or provides during the course of the investigation.

~~All public records created as a part of an investigation of a complaint of discrimination/retaliation will be maintained in accordance with the School Board's records retention policy.~~

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably

calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law. When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies and/or the Employee Handbook.

Where the Board becomes aware that a prior remedial action has been taken against an employee, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation, or participates as a witness in an investigation is prohibited. Specifically, the Board will not retaliate against, coerce, intimidate, threaten or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under those laws, or because that individual exercised their rights, aided or encouraged any other person in the exercise of any right granted or protected by those laws.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

1. all written reports/allegations/complaints/statements;
-
2. narratives of all verbal reports, allegations, complaints, and statements collected;
-
3. a narrative of all actions taken by District personnel;
-
4. any written documentation of actions taken by District personnel;
-
5. narratives of, notes from, or audio, video, or digital recordings of witness statements;
-

4213 - STUDENT SUPERVISION AND WELFARE

Support staff members may be confronted with situations which, if handled incorrectly, could result in liability to the District, personal liability to the staff member, and/or harm to the welfare of the student(s). It is the intent of the Board of Education to direct the preparation of guidelines that would minimize that possibility.

A support staff member, or a person who works or volunteers with children, who is found to have had sexual contact with a student, including a student age sixteen (16) or older, shall be referred to the proper authorities and be subject to discipline up to and including discharge.

This policy should not be construed as affecting any obligation on the part of staff to report suspected child abuse under Wis. Stats. 48.981 and Policy 8462.

Each District support staff member shall maintain a standard of care for the supervision, control, and protection of students commensurate with his/her assigned duties and responsibilities which include, but are not limited to the following standards:

- A. A support staff member shall report immediately any accident or safety hazard about which s/he is informed or detects to his/her supervisor as well as to other authorities or District staff members as may be required by established policies and procedures.
- B. A support staff member shall report unsafe, potentially harmful, dangerous, violent or criminal activities, or threat of these activities by students to the District Administrator and local public safety agencies and/or school officials in accordance with Policy 8420 - School Safety
- C. A support staff member shall not send students on any personal errands.
- D. A support staff member shall not associate with students at any time in a manner which gives the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity which could be considered abusive or sexually suggestive or involve illegal substances such as tobacco, alcohol, or drugs. Any sexual or other inappropriate conduct with a student by any staff member will subject the offender to potential criminal liability and District discipline up to and including termination of employment.

This provision should not be construed as precluding a support staff member from associating with students in private for legitimate or proper reasons or to interfere with familial relationships that may exist between staff and students.
- E. ~~If a student comes to a staff member to seek advice or to ask questions regarding a personal problem related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, the staff member may help the student make contact with certified or licensed individuals in the District or community who specialize in the assessment, diagnosis, and treatment of the student's problem. Under no circumstances should a staff member attempt, unless properly licensed and authorized to do so, to counsel, assess, diagnose, or treat the student's problem or behavior.~~
- F. A support staff member shall not transport students for school-related activities in a private vehicle without the approval of his/her immediate supervisor and consistent with the provisions of Policy 8660. This does not apply to any student who is the support staff member's family member~~the principal.~~
- G. A student shall not be required to perform work or services that may be detrimental to his/her health.
- H. Staff members are discouraged from engaging students in social media and online networking media, except for

appropriate academic, extra-curricular, and/or professional uses only.

- I. Staff members are expressly prohibited from posting any video or comment pertaining to any student on personal or unauthorized social networking media or similar forums.

Since, most information concerning a child in school, other than directory information described in Policy 8330 - Student Records, is a confidential student record under Federal and State laws, any staff member who shares confidential information with another person not authorized to receive the information may be subject to discipline or civil liability. This includes, but is not limited to, information concerning assessments, grades, behavior, family background, and alleged child abuse ~~(see Policy 8330).~~

Pursuant to the laws of the State and Board Policy 8462, each support staff member shall report to the proper legal authorities immediately, any sign of suspected child abuse, abandonment, or neglect.

4230 - CONFLICT OF INTEREST

The proper performance of school business is dependent upon the maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by Board members, and the District's employees, officers and agents is essential to the Board's commitment to earn and keep the public's confidence in the School District.

For these reasons, the Board adopts the following guidelines to ensure that conflicts of interest do not occur. These guidelines apply to all District employees, officers and agents, including members of the Board. These guidelines are not intended to be all inclusive, nor to substitute for good judgment on the part of all professional employees, officers and agents. Professional employees are expected to perform their duties in a manner free from an actual conflict of interest or from situations that create the appearance of a conflict of interest, in a manner consistent with 19.59, Wis. Stats. The Board's interest in enforcing this policy is to assure that the decisions and actions of public employees retain the public's trust. Therefore, even a conflict relationship that can be viewed as beneficial to the District, or that was intended to be beneficial to the District, may still be a violation of this policy.~~consistent with 19.59, Wis. Stats.~~

- A. No professional employee, officer or agent shall engage in or have financial or other interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with his/her duties and responsibilities in the school system. This includes not only those interests that violate state criminal law, which typically require at least \$15,000 in financial interest, but also lesser valued conflicts that nonetheless create the appearance of using one's public position to secure a private benefit.
- B. Professional employees, officers and agents shall not engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, client, or parents of such students or clients in the course of their employment or professional relationship with the School District.

Included, by way of illustration, rather than limitation are the following:

1. the provision of any private lessons or services for a fee, unless the provision of services is arranged outside of school and is separate from and in addition to regular support provided to students as part of the staff member's regular duties
2. soliciting on school premises or under circumstances which are coercive for the private sale of goods or services to students or other employees
3. the use, sale, or improper divulging of any privileged information about a student or client granted in the course of the employee's, officer's or agent's employment or professional relationship with the School District through his/her access to School District records
4. the referral of any student or client for lessons or services to any private business or professional practitioner if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration for such referrals
5. the requirement of students or clients to purchase any private goods or services provided by an employee, officer or agent or any business or professional practitioner with whom any employee, officer or agent has a financial or other relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations

- C. Should exceptions to this policy be necessary in order to provide mandatory services to students or clients of the School District, all such exceptions will be made known to the employee's supervisor and will be disclosed to the District Administrator before entering into any private relationship.
- D. Professional employees, officers and agents shall not make use of materials, equipment, or facilities of the School District for their own personal financial gain or business interest. Examples would be the use of facilities before, during, or after regular business hours for service to private practice clients, or the checking out of items from an instructional materials center for private practice.
- E. Professional employees, officers and agents shall not participate in the selection, award and administration of any contract to an entity in which they have a pecuniary interest or from which they derive a profit or in which a dependent of the employee has a pecuniary interest or from which the dependent derives a profit. "Dependent" includes the employee's spouse; unemancipated child, stepchild or adopted child under the age of eighteen (18); or individual for whom the employee provides more than one-half (1/2) of the individual's support during a year. A "pecuniary interest" means an interest in a contract or purchase that will result or is intended to result in an ascertainable increase in the income or net worth of the employee or the employee's dependent who is under the direct or indirect administrative control of the professional employee or who receives a contract or purchase order that is reviewed, approved, or directly or indirectly administered by the employee.

Professional employees, officers and agents cannot solicit or accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

However, pursuant to Federal rules, the School District has set standards for when an employee, officer or agent may accept a gift of an unsolicited item of nominal value. For purposes of this section, "nominal value" means that the gift has a monetary value of \$25 or less.

- F. To the extent that the School District has a parent, affiliate or subsidiary organization, including any charter school authorized by the Board regardless of whether it is an instrumentality of the District or not, that is not a State, local government or Indian tribe, the School District may not conduct a procurement action involving the parent, affiliate or subsidiary organization if the School District is unable, or appears to be unable, to be impartial.
- G. Professional employees, officers and agents must disclose any potential conflict of interest which may lead to a violation of this policy to the School District. Upon discovery of any potential conflict of interest, the School District will disclose, in writing, the potential conflict of interest to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

The District will also disclose, in a timely manner, all violations of Federal criminal law involving fraud, bribery or gratuity that affect a Federal award to the appropriate Federal awarding agency or, if applicable, the pass-through entity.

- H. Professional employees, officers and agents found to be in violation of this conflict of interest policy will be subject to disciplinary actions:

In the event that, within the course of administering a Federally funded grant program or service to the District, any professional employee that identifies a conflict of interest, a potential conflict of interest, or that the appearance of a conflict of interest may arise in the course of administering the Federal grant funds, the employee must immediately notify either the Federal agency administering the grant in a manner consistent with that particular agencies rules on conflict of interests, or the District employee directly responsible for grant compliance. Such notice shall be provided at the earliest possible time.

It is a violation of this policy to take action or to refrain from taking action, or for an employee to otherwise use his/her public position to obtain a financial gain or anything of substantial value for himself/herself or his/her immediate family.

4362 - EMPLOYEE ANTI-HARASSMENT

Prohibited Harassment

The Board of Education is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, age, sex (including transgender status, change of sex, sexual orientation, or gender identity), pregnancy, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in 111.32, Wis. Stats.), national origin, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters, or any other characteristic protected by law in its employment practices (hereinafter referred to as "Protected Characteristics"), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board prohibits harassment that affects tangible job benefits, interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive working environment. Harassment may occur employee- to-employee, employee-to-student, male-to-female, female-to-male, male-to-male, or female-to-female.

The Board will investigate all allegations of harassment and in those cases where harassment is substantiated, the ~~School~~Board will take immediate steps calculated to end the harassment, prevent its reoccurrence, and, if applicable, remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means individuals subject to the control and supervision of the Board including, but not limited to, students, teachers, staff, volunteers, and Board members, agents, contractors, or other persons.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the District, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

Definitions

"**Harassment**" means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a school employee on the basis of the employee's Protected Characteristics that:

- A. places a school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. is sufficiently severe, pervasive, and persistent so as to create a hostile working environment which materially alters the employee's working conditions from the perspective of a reasonable person similarly situated;

- C. has the effect of substantially disrupting the orderly operation of a school or any other aspect of the District's operations.

Sexual Harassment

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as unwelcome sexual advances, requests for sexual favors, and other physical, verbal, or visual conduct based on sex constitutes sexual harassment when:

- A. a supervisory employee engages in harassing behavior towards a subordinate employee, regardless of whether such conduct creates a hostile work environment;
- B. acquiescence in or submission to such conduct is an explicit or implicit term or condition of employment;
- C. an individual's acquiescence in, submission to, or rejection of such conduct becomes the basis for employment decisions affecting that individual;
- D. such conduct is sufficiently severe, pervasive, and persistent such that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment;
- E. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism results in an adverse employment action for another employee or otherwise creates a hostile work environment;
- F. inappropriate boundary invasions by a District employee or other adult member of the District into a student's personal space and personal life.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

Prohibited acts that constitute sexual harassment may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. physical and/or sexual assault;
- C. threats or insinuations that a person's employment, wages, promotion, assignments, or other conditions of employment may be adversely affected by not submitting to sexual advances;
- D. unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, text messages, or social media postings;
- E. sexually suggestive objects, pictures, videotapes, audio recordings, or literature, placed in the work or educational environment, which may embarrass or offend individuals;
- F. unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. a pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;
- H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;
- I. consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment; and

- J. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Sexual relationships between staff members, where one staff member has supervisory responsibilities over the other, are discouraged as a matter of Board policy. Such relationships have an inherent possibility of being construed as sexual harassment because the consensual aspect of the relationship may be the result of implicit or explicit duress caused by uncertainty regarding the consequences of non-compliance.

Romantic or sexual relationships between District staff (teachers, aides, administrators, coaches or other school authorities) and a student is expressly prohibited. Any school staff member who engages in sexual conduct with a student may also be guilty of a crime and any information regarding such instances will be reported to law enforcement authorities.

Boundary Invasions

Boundary invasions may be appropriate or inappropriate. Appropriate boundary invasions make medical or educational sense. For example, a teacher or aide assisting a kindergartner after a toileting accident or a coach touching a student during wrestling or football can be appropriate. However other behaviors might be going too far, are inappropriate and may be signs of sexual grooming.

Inappropriate boundary invasions may include, but are not limited to the following:

1. kissing or other physical contact with a student;
2. telling sexual jokes to students;
3. engaging in talk containing sexual innuendo or banter with students;
4. talking about sexual topics that are not related to curriculum;
5. showing pornography to a student;
6. taking an undue interest in a student (i.e. having a "special friend" or a "special relationship");
7. initiating or extending contact with students beyond the school day for personal purposes;
8. using e-mail, text-messaging or websites to discuss personal topics or interests with students;
9. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrative approval;
10. invading a student's privacy (e.g. walking in on the student in the bathroom, locker-room, asking about bra sizes or previous sexual experiences);
11. going to a student's home for non-educational purposes;
12. inviting students to the staff member's home without proper chaperones (i.e. another staff member or parent of student);
13. giving gifts or money to a student for no legitimate educational purpose;
14. accepting gifts or money from a student for no legitimate educational purpose;
15. being overly "touchy" with students;
16. favoring certain students by inviting them to come to the classroom at non-class times;
17. getting a student out of class to visit with the staff member;
18. providing advice to or counseling a student regarding a personal problem (i.e. problems related to sexual behavior, substance abuse, mental or physical health, and/or family relationships, etc.), unless properly licensed and authorized to do so;

19. talking to a student about problems that would normally be discussed with adults (i.e. marital issues);
20. being alone with a student behind closed doors without a legitimate educational purpose;
21. telling a student "secrets" and having "secrets" with a student;

Inappropriate boundary invasions are prohibited and must be reported promptly to one of the District Compliance Officers, as designated in this policy, the Building Principal or the District Administrator.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin Harassment

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Age Harassment

Prohibited age based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's age, being over age forty (40), and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Race/Color Harassment

Prohibited race/color based harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race and/or color and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability, perceived disability, or record of disability, and when the conduct has the purpose or effect of interfering with the individual's work performance; or of creating an intimidating, hostile, or offensive working environment. Such harassment may occur where conduct is directed at the characteristics of a person's current or past disabling condition or a perceived condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Reports and Complaints of Harassing Conduct

Members of the School District community and third parties, which includes all staff, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a complaint shall file it with the District's Compliance Officer at his/her first opportunity.

Members of the School District community or third parties who believe they have been harassed by another member of the School District community or a third party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the complaining individual's employment unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

Reporting procedures are as follows:

- A. Any employee who believes s/he has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the appropriate school official as identified in D below.
- B. Teachers, administrators, and other school officials who have knowledge of or receive notice that an employee has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the appropriate school official as defined in D below.
- C. Any other person with knowledge or belief that an employee has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to an appropriate school official as identified in D below.
- D. Appropriate school officials are as follows:
 1. Any complaint under this policy shall be reported to the District's Compliance Officer unless the complaint is regarding the Compliance Officer. In such cases, the complaints shall be reported to the District Administrator, who shall assume the role of the District Compliance Officer for such complaints.
 2. Any complaint under this policy regarding the District Administrator or Board Member that is received by the District Compliance Officer shall be referred to the School Board's legal counsel, who shall assume the role of the District Compliance Officer for such complaints.
- E. The reporting party or complainant shall be encouraged to use a report form available from the Principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing. Further, nothing in this policy shall prevent any person from reporting harassment directly to the District Administrator.
- F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, the District shall designate both a male and a female District Compliance Officer.

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Director of Pupil Services	Director of Human Services
1701 2 nd Street	1701 2 nd Street
New Glarus, WI 53574	New Glarus, WI 53574
608-527-2410	608-527-2410

The names, titles, and contact information of these individuals will be published annually in the parent and staff handbooks and on the School District's web site.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a CO will begin either an investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations or will oversee the preparation of such recommendations. All members of the School District community should report incidents of harassment that are reported to them to the CO within two (2) business days of learning of the incident.

Investigation and Complaint Procedure

Any employee or other member of the School District community or visitor to the District who believes that s/he has been subjected to harassment or has witnessed harassment of another may seek resolution of his/her complaint through the procedures as described below. Further, a process for investigating claims of harassment

and a process for rendering a decision regarding whether the claim of harassment was substantiated are set forth below.

Once the complaint process begins, the investigation will be complete in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

Complaint Procedure

An individual who believes s/he has been subjected to harassment hereinafter referred to as the "complainant," may file a complaint, either orally or in writing with a teacher, Principal, CO, District Administrator, or other supervisory employee. As noted above, any complaint received regarding the District Administrator or a Board member shall be referred to the Board's legal counsel, who shall assume the role of the CO for such complaints. Additionally, if the complaint is regarding a CO, the complaint shall be reported to the District Administrator, who shall assume the role of the CO for such complaints.

Due to the sensitivity surrounding complaints of harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a Principal, District Administrator, or other supervisory employee, either orally or in writing, about any complaint of discrimination or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision making process.

All written complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or be actively engaging in, harassment; a detailed description of the facts upon which the complaint is based; and a list of potential witnesses.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the complainant from further harassment or retaliation including but not limited to a change of work assignment or schedule for the complainant and/or the alleged harasser. In making such a determination, the CO should consult the Complainant to assess his/her position to the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deem appropriate in consultation with the District Administrator. No temporary arrangements shall be disciplinary to either the complainant or respondent.

Within two (2) business days of receiving a complaint, the CO will inform the individual alleged to have engaged in the harassing or retaliatory conduct, hereinafter referred to as the "Respondent", that a complaint has been received.

~~Simultaneously, the CO will inform the individual alleged to have engaged in the discriminatory or retaliatory conduct (hereinafter referred to as the "Respondent"), that a complaint has been received. The Respondent is not entitled to receive a copy of any written complaint unless the CO determines it is appropriate to do so; however, t~~The respondent will be informed about the nature of the allegations. The CO shall inform the Respondent of the requirements of this policy, which may include providing the Respondent with and a copy of this policy or information about where to find it. Respondent shall be afforded the opportunity to submit a written response to the complaint. The CO shall inform the Respondent of the Respondent's deadline to provide the CO with the written response to the allegations in the complaint. shall be provided to the respondent at that time. The respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Within five (5) business days of receiving the complaint, the CO will initiate a formal investigation to determine whether the complainant has been subject to offensive conduct/harassment.

Although certain cases may require additional time, the CO will attempt to complete an investigation into the allegations of harassment within fifteen (15) calendar days of receiving the formal complaint. The investigation will include:

- A. interviews with the complainant;

- B. interviews with the respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in this policy and State and Federal law as to whether the complainant has been subjected to harassment. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. The CO may consult with the School Board Attorney before finalizing the report to the District Administrator.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

The decision of the District Administrator shall be final. If the investigation results in disciplinary action, the employee subject to discipline is entitled to file a grievance pursuant to Board Policy 3340. Nothing in this policy shall be construed to prevent an employee from bringing a complaint before the Equal Employment Opportunity Commission or the Wisconsin Equal Rights Division.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or third party alleging the harassment pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

All timelines pertinent to the investigation process are intended to be guidelines to assure that the investigation proceeds with all deliberate efficiency. Failure of the CO to meet any specific timeline does not invalidate the investigation or provide a defense to the allegations.

Privacy/Confidentiality

The School District will employ all-reasonable efforts to protect the rights of the Complainant, the Respondent(s), and all the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligation in an investigation of harassment. The School District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the School District's legal obligations under State and Federal law.

Confidentiality, however, cannot be guaranteed. All complainants proceeding through the formal investigation process should be advised that their identities may be disclosed to the respondent.

During the course of an investigation, the CO will determine whether confidentiality during the investigation process is necessary to protect the interests and reputations of those involved and/or to protect the integrity of the investigation and if so shall instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

~~All public records created as a part of an investigation of a complaint of harassment will be maintained by the CO in accordance with the Board's records retention policy. Any records which are considered student records in~~

~~accordance with the State or Federal law will be maintained in a manner consistent with the law.~~

Directives During Investigation

The CO may recommend to the District Administrator placing any employee involved in an investigation under this Policy on administrative leave pending resolution of the matter. If the District Administrator is the Respondent, the CO shall make such recommendation to the Board. Administrative leave may be appropriate in situations in which protecting the safety of any individual or the integrity of the investigation necessitates such action.

The CO shall determine whether any witnesses in the course of an investigation should be provided a Garrity warning apprising the person of his/her obligations to answer questions truthfully and honestly while preserving the right against self-incrimination in the context of any resulting criminal investigation or prosecution.

Every employee interviewed in the course of an investigation is required to provide truthful responses to all questions. Failure to do so may result in disciplinary action.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against harassment by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable law. When imposing discipline, the District Administrator shall consider the totality of the circumstances. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

All sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Allegations Constituting Criminal Conduct

If the CO has reason to believe that the complainant has been the victim of criminal conduct, such knowledge should be reported to local law enforcement. After such report has been made, the District Administrator shall be advised that local law enforcement was notified.

If the complainant has been the victim of criminal conduct and the accused is the District Administrator, such knowledge should be reported by the CO to local law enforcement. After such report has been made the Board President shall be advised that local law enforcement was notified.

Any reports made to local law enforcement shall not terminate the COs obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, the harassment investigation shall not be stopped due to the involvement of outside agencies without good cause after consultation with the District Administrator.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the complainant's or reporter's work status or work environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Miscellaneous

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address, and telephone number of the COs, the name, mailing address, and telephone number of the State agency responsible for investigating allegations of discrimination in educational employment, and the mailing

address and telephone number of the United States Equal Opportunity Employment Commission.

A summary of this policy and any related administrative guidelines shall appear in the employee handbook and a copy shall be made available upon request of employees and other interested parties.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of harassment. The District Administrator shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District staff at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

The Board will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as practicable, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery, disclosure, or other legal obligations.

Retention of Investigatory Records and Materials

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

1. all written reports/allegations/complaints/statements;
2. narratives of all verbal reports, allegations, complaints, and statements collected;
3. a narrative of all actions taken by District personnel;
4. any written documentation of actions taken by District personnel;
5. narratives of, notes from, or audio, video, or digital recordings of witness statements;
6. all documentary evidence;
7. e-mails, texts, or social media posts pertaining to the investigation;
8. contemporaneous notes in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.) pertaining to the investigation;
9. written disciplinary sanctions issued to students or employees and a narrative of verbal disciplinary sanctions issued to students or employees for violations of the policies and procedures prohibiting discrimination or harassment;
10. dated written determinations to the parties;
11. dated written descriptions of verbal notifications to the parties;
12. written documentation of any interim measures offered and/or provided to complainants, including no contact orders issued to both parties, the dates issued, and the dates the parties acknowledged receipt; and
13. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

5114 - NONIMMIGRANT STUDENTS AND VISITOR PROGRAMS

The Board ~~of Education~~ recognizes the positive cultural benefits to the students, staff, and the community in meeting students from other countries and in having exchange students as members of the student body of this District's high school(s).

An exchange visitor student is a foreign national who has been selected by a sponsor that has been approved by the United States Department of State (USDOS) to participate in an exchange visitor program and who is seeking to enter or has entered the United States temporarily on a J-1 visa.

Exchange Visitor Program for Nonimmigrant Students with J-1 Visas

The Board authorizes the District Administrator to consider a request to admit an exchange visitor student who meets the USDOS requirements and applies for admission through a sponsoring organization, and to determine whether or not that student should be accepted.

In accordance with Federal law, an exchange visitor student will be selected and sponsored by an organization that has been approved by the USDOS. The Board, pursuant to Federal law, requires the sponsoring agency to secure prior written acceptance of the District Administrator for the placement of an exchange visitor student in any District high school.

After written acceptance of school placement is secured, the sponsoring agency should issue the certificate of eligibility for J-1 Visas to the exchange visitor student who meets the criteria established in Federal law for participation in an EVP.

Pursuant to Federal law the sponsoring agency is also responsible for selecting a host family ~~who resides in the District~~ for each exchange visitor student.

Lastly, pursuant to Federal law, a sponsoring agency can place no more than five (5) exchange visitor students per District high school.

However, with Board approval, the District Administrator may request, in writing, the placement of more than five (5) students from a sponsoring agency in the high school.

Other Nonimmigrant Students

This policy does not apply to nonimmigrant students with citizenship in countries other than the United States who are not participating in an approved exchange visitor program at a District school or who are not sponsored by the District so they can attend a school in the District as participants in the student and exchange visitor program (SEVP) on a valid F-1 visa.

All other nonimmigrant students with citizenship in countries other than the United States who seek to enroll in the District's schools are subject to State law and the District's policies regarding enrollment and, if applicable, tuition.

Title	STUDENT CODE OF CLASSROOM CONDUCT
Code	po5500
Status	Policy Committee Review
Adopted	March 13, 2017

5500 - STUDENT CODE OF CLASSROOM CONDUCT

The School District of New Glarus is committed to maintaining an educational atmosphere of excellence. Teachers are expected to create a positive classroom environment that is conducive to learning and self-discipline. Students are expected to behave in a manner that is based on respect and consideration for the rights of others. Students are to allow teachers to instruct effectively and students to participate in learning activities. Students are further expected to know and abide by the rules of behavior established by the classroom teacher, school administration, and Board. Parents/guardians should be aware of their children's activities, performance and behavior in school, and are asked to cooperate and consult with the school to prevent or address any concerns.

Student behavior that is dangerous, disruptive, and unruly or that interferes with the teacher's ability to teach effectively will not be tolerated. Any student who engages in such behavior may be subject to removal from class and placement as outlined below. In addition, the student may be subject to disciplinary action in accordance with established Board Policies, school rules, municipal ordinances and state/federal laws and regulations. Removal from class under this Code does not prohibit the District from pursuing or implementing other disciplinary measures, including but not limited to detentions, suspension or expulsion, for the conduct for which the student was removed.

For the purpose of this Code, a "class" is any class offered as part of the normal schedule of instruction or any extension of such class (i.e. field trip). This excludes co-curricular activities and other school activities that are not typically defined as classes.

A "teacher" is any certified instructor, intern, student teacher, counselor, nurse, Administrator, or designee in the employ of the District. A "teacher of a class" means the regularly assigned teacher of the class, or any teacher assigned to teach, monitor, assist in or oversee the class.

This Classroom Code of Conduct applies to all students in grades K-12.

A. Student Removal From Class

A student may be removed from class for, but not limited to, the following reasons: dangerous, disruptive, damaging, or unruly behavior, behavior that violates expectations set forth in Board of Education Policies and Student Handbooks, behavior that interferes with the ability of the teacher to teach effectively or interferes with the ability of others to learn, and behavior which is inconsistent with class decorum.

When a student is removed from class, s/he will be sent or escorted to the Building Principal or his/her designee. The teacher removing the student will notify the Building Principal or his/her designee and inform him/her of the reason(s) for the student's removal. A written explanation of the reason(s) shall be given to the Building Principal or his/her designee within 24 hours of the student's removal from class.

B. Placement Procedures

This Code of Conduct distinguishes between two, essentially separate kinds of removal from class: short term or temporary removal, and long-term removal. The Building Principal or his/her designee shall decide whether a student who has been removed from a class for violating the Classroom Code of Conduct is to be placed in either a long term or short term placement. When making placement decisions, the Building Principal or his/her designee shall consider the following factors: the interests of the other students in the class and the teacher, the reason(s) the student was removed from class, the type of placement options available to students in the District, the estimated length and time of placement, the student's individual needs, whether the student has been removed from a class previously and the

relationship of the placement to any disciplinary action. The Building Principal or his/her designee may consult with other appropriate school personnel, as s/he deems necessary when making or evaluating placement decisions. A student's parents/guardians may also be consulted regarding student placement decisions when determined by the Building Principal or his/her designee to be in the best interest of the student involved or when required by law.

All placement decisions shall be made consistent with established Board of Education Policies and in accordance with State/Federal laws and regulations.

1. Short Term Placement Procedures

In the majority of cases, a student shall remain in the short term removal area for at least the duration of the class or activity from which s/he was removed. The Building Principal or his/her designee shall inform the student of the reason(s) for removal from class, and shall allow the student an opportunity to present his/her version of the situation. The Building Principal or his/her designee shall then, after weighing the interest of the removed student, the other students in the class, and the teacher, determine if readmission to the class is the best or only alternative. In the event it is not deemed appropriate to return the student to regular classes, the Building Principal or his/her designee shall either retain the student in short term removal, or, where necessary, appropriate and practical, shall take steps to have the student sent home.

2. Long Term Placement Procedures

A student warrants long term removal from class when his/her actions have been severe and serious and/or there have been repeated violations of the Classroom Code of Conduct.

Students who are removed long term from a class will be placed in an alternative educational setting. This setting may include, but is not limited to, the following:

- a. Another instructional setting.
- b. Another class or another appropriate place in the school.
- c. An alternative education program approved by the Board. State law defines an alternative education program as an instructional program approved by the Board that utilizes successful alternative or adaptive school structures and teaching techniques and that is incorporated into existing, traditional classrooms or regularly scheduled curricular programs, or offered in place of regularly scheduled curricula programs.

In any long-term placement provided, the student must continue to receive an educational program and services comparable to, though not necessarily identical with, those of the class from which s/he was removed. Such program need not be in the precise academic subject of the student's former class.

Long-term removal is an administrative decision not subject to a formal right of appeal. However, the parents/guardians of the student, and/or the student, may have the right to meet with the Building Principal or his/her designee. When possible, such a meeting shall take place within three (3) school days of the request. At the meeting, the Building Principal or his/her designee shall inform the parents/guardians and/or student as fully as possible regarding the basis for the removal, the alternatives considered and the basis for the decision. Nothing in this Code shall prevent the Building Principal or his/her designee from implementing a removal to another class, placement or setting, prior to any meeting, over the objection of the parents/guardians or student.

[Removal of a student from a class that is consistent with the Code of Conduct does not constitute a report under Policy 8462.01. If the staff member believes in good faith that the threat represents a serious and imminent threat to the health or safety of students, staff, or others, and the threat is a threat of violence made in or targeted at a school. Staff must still report such threats as described in Policy 8462.01 - Mandatory Reporting of Threats of Violence.](#)

Parent/Guardian Notification Procedures

The teacher who initiated the removal of a student from class will attempt to notify parents/guardians within twenty-four (24) hours of the incident that caused the student to be removed from his/her class. The classroom teacher shall keep written logs or records regarding all attempts to contact the parents/guardians of the removed student and provide these to the Building Principal or his/her designee within twenty-four (24) hours of the student's removal from class.

The Building Principal or his/her designee shall notify the parents/guardians of the student orally or in writing, when a teacher has removed a student from class. This notification shall include the reason(s) for the student's removal from class and the placement decision involving the student. This notice shall be given as soon as possible after the student's removal from class and after a placement determination has been made.

If the removal from class and change in educational placement involves a student with a disability, parent/guardian notification shall be made consistent with the with the United States Department of Education – Part B, Procedural Safeguards Notice, and state/federal laws and regulations and state/federal laws and regulations.

If the student removed from a class is also subject to disciplinary action (ex: detention, suspension, expulsion) for the particular classroom conduct, the student's parents/guardians shall also be notified of the disciplinary action in accordance with policy and legal requirements.

The District shall not discriminate in enforcing the Classroom Code of Conduct on the basis of sex, race, religion, national origin, ancestry, color, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability or handicap. Discrimination complaints shall be processed in accordance with established procedures.

5512 - USE OF TOBACCO AND NICOTINE BY STUDENTS

The Board is committed to providing students, staff, and visitors with a tobacco and smoke-free environment. The negative health effects of tobacco and nicotine use for both users and non-users, particularly in connection with second hand smoke, are well- established. In addition, students less than eighteen (18) years of age are generally prohibited by law from purchasing or possessing cigarettes and other tobacco products.

For purposes of this policy, "use of tobacco" means to chew or maintain any substance containing tobacco, including smokeless tobacco, in the mouth to derive the effects of tobacco, as well as all uses of tobacco, including cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, any other matter or substances that contain tobacco, in addition to papers used to roll cigarettes and/or the smoking of electronic, "vapor," or other substitute or simulated forms of cigarettes, clove cigarettes and any other lighted smoking devices for burning tobacco or any other substance. This policy also prohibits the use of other products containing nicotine, including but not limited to nicotine patches and nicotine gum, except when a student provides documentation from a licensed medical practitioner that the student's use of non-tobacco nicotine products is being medically supervised for the cessation of a nicotine addiction and the student complies with Policy 5330 - Administration of Medication. Accordingly, the Board prohibits students from using or possessing tobacco or nicotine in any form on District premises, in District vehicles, within any indoor facility owned or while leased or contracted for by the District and used to provide education or library services to children, and at all District-sponsored events.

Code	po5517

5517 - STUDENT ANTI-HARASSMENT

Prohibited Harassment

It is the policy of the Board ~~of Education~~ to maintain an educational environment that is free from all forms of harassment, including sexual harassment. This commitment applies to all District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of harassment. This policy applies to conduct occurring in any manner or setting over which the Board can exercise control, including on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will not tolerate any form of harassment and will take all necessary and appropriate actions to eliminate it, including suspension or expulsion of students and disciplinary action against any other individual in the School District community. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our students.

The Board will vigorously enforce its prohibition against harassment based on the traits of sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or state civil rights laws (hereinafter referred to as "Protected Characteristics"), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. Additionally, the Board prohibits harassing behavior directed at students for any reason, even if not based on one of the Protected Characteristics, through its policies on bullying (See Policy 5517.01 – Bullying).

Harassment may occur student-to-student, student-to-staff, staff-to-student, male-to-female, female-to-male, male-to-male, or female- to-female. The Board will investigate all allegations of harassment and in those cases where harassment is substantiated, the Board will take immediate steps designed to end the harassment, prevent its reoccurrence, and remedy its effects. Individuals who are found to have engaged in harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means individuals students, administrators, teachers, staff, and as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Other Violations of the Anti-Harassment Policy

- B. unwelcome pressure for sexual activity;
- C. unwelcome, sexually motivated or inappropriate patting, pinching, or physical contact, other than necessary restraint of students by teachers, administrators, or other school personnel to avoid physical harm to persons or property;
- D. unwelcome sexual behavior or words including demands for sexual favors, accompanied by implied or overt threats concerning an individual's educational status;
- E. unwelcome sexual behavior or words, including demands for sexual favors, accompanied by implied or overt promises of preferential treatment with regard to an individual's educational status;

F. unwelcome behavior or words directed at an individual because of gender;

Examples are:

1. repeatedly asking a person for dates or sexual behavior after the person has indicated no interest;
2. rating a person's sexuality or attractiveness;
3. staring or leering at various parts of another person's body;
4. spreading rumors about a person's sexuality;
5. letters, notes, telephones calls, or materials of a sexual nature;
6. displaying pictures, calendars, cartoons, or other materials with sexual content.

G. inappropriate boundary invasions by a District employee or other adult member of the District community into a student's personal space and personal life.

H. remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history; and

I. verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

It is further the policy of the Board that a sexual relationship between staff and students is not permissible in any form or under any circumstances, in or out of the work place, in that it interferes with the educational process and may involve elements of coercion by reason of the relative status of a staff member to a student.

Not all behavior with sexual connotations constitutes sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's education, or such that it creates a hostile or abusive educational environment, or such that it is intended to, or has the effect of, denying or limiting a student's ability to participate in or benefit from the educational program or activities.

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin Harassment

Prohibited national origin harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin and when the conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's

physical, mental, emotional or learning disability and when the conduct has the purpose or effect of interfering with the individual's educational performance; of creating an intimidating, hostile, or offensive learning environment; or of interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disabling condition, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like.

Reporting Procedures

Students and all other members of the School District community, as well as third parties, are encouraged to promptly report incidents of harassing conduct to a teacher, administrator, supervisor, or District employee or official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with the District's Anti-Harassment Compliance Officer at his/her first opportunity.

Students who believe they have been subjected to harassment are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint will not adversely affect the complaining individual's participation in educational or extra-curricular programs unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

If, during an investigation of a reported act of bullying in accordance with Policy 5517.01 – Bullying, the principal determines that the reported misconduct may have created a hostile learning environment and may have constituted harassment based on sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or state civil rights laws, the principal will report the act of bullying to one of the Compliance Officers who shall assume responsibility to investigate the allegation in accordance with this policy.

Reporting procedures are as follows:

- A. Any student who believes s/he has been the victim of harassment prohibited under this policy will be encouraged to report the alleged harassment to any District employee, such as a teacher, administrator or other employee.
- B. Any parent of a student who believes the student has been the victim of harassment prohibited under this policy is encouraged to report the alleged harassment to the student's teacher, building administrator or District Administrator.
- C. Teachers, administrators, and other school officials who have knowledge or received notice that a student has or may have been the victim of harassment prohibited under this policy shall immediately report the alleged harassment to the Compliance Officer and the building principal or District Administrator.
- D. Any other person with knowledge or belief that a student has or may have been the victim of harassment prohibited by this policy shall be encouraged to immediately report the alleged acts to any District employee, such as a teacher, administrator or other employee.
- E. The reporting party or complainant shall be encouraged to use a report form available from the principal of each building or available from the District office, but oral reports shall be considered complaints as well. Use of formal reporting forms shall not be mandated. However, all oral complaints shall be reduced to writing.
- F. To provide individuals with options for reporting harassment to an individual of the gender with which they feel most comfortable, each school's building principal shall be advised to designate both a male and a female Compliance Officer for receiving reports of harassment prohibited by this policy. At least one (1) Compliance Officer or other individual shall be available outside regular school hours to address complaints of harassment that may require immediate attention.

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Building Principal	School Guidance Counselor
New Glarus Schools	New Glarus Schools
1701 2nd Street	1701 2nd Street
New Glarus, WI 53574	New Glarus, WI 53574
608-527-2410	608-527-2410

The names, titles, and contact information of these individuals will be published annually:

- A. in the staff handbooks.
- B. in the School District Annual Report to the public.
- C. on the School District's web site.

A CO will be available during regular school/work hours to discuss concerns related to harassment, to assist students, other members of the School District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student.

Any Board employee who directly observes harassment of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Thereafter, the COs must contact the student, if over age eighteen (18) or the student's parents if under the age eighteen (18), within two (2) business days to advise s/he/them of the Board's intent to investigate the alleged misconduct, including the obligation of the compliance officer to conduct an investigation following all the procedures outlined in the complaint procedures.

The COs are assigned to accept complaints of harassment directly from any member of the School District community or a visitor to the District, or to receive complaints that are initially filed with a school building administrator. Upon receipt of a complaint, either directly or through a school building administrator, a CO will begin review and investigation or the CO will designate a specific individual to conduct such a process. The CO will prepare recommendations for the District Administrator or will oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of harassment that are reported to them to the Compliance Officer as soon as possible, but always within no more than two (2) calendar days of learning of the incident.

Investigation and Complaint Procedure

Any student who believes that s/he has been subjected to harassment may seek resolution of his/her complaint through the procedures described below. Further, a process for investigating claims of harassment and a process for rendering a decision regarding whether the claim of harassment was substantiated are set forth below.

Due to the sensitivity surrounding complaints of harassment, time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) calendar days of the complaint being received).

If at any time during the investigation process the investigator determines that the complaint is properly defined as Bullying, under Policy 5517.01 - Bullying and not Harassment under this Policy, because the conduct at issue is not based on a student's Protected Characteristics, the investigator shall transfer the investigation to the appropriate building principal.

Complaint Procedure

A student who believes s/he has been subjected to harassment hereinafter referred to as the "complainant", may file a complaint, either orally or in writing with a teacher, principal, or other District employee at the student's school, the CO, District Administrator, or other District employee who works at another school or at the District level. Due to the sensitivity surrounding complaints of harassment, time lines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a complainant informs a teacher, principal, or other District employee at the student's school, the CO, District Administrator, or other District employee, either orally or in writing, about any complaint of harassment, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process as described herein, the CO should keep the parties informed of the status of the investigation and the decision making process.

All complaints must include the following information to the extent it is available: the identity of the individual believed to have engaged in, or to be actively engaging in, harassment; a detailed description of the facts upon which the complaint is based; and a list of potential witnesses.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the

complainant from further harassment or retaliation including but not limited to a change of class schedule for the complainant or the alleged harasser, or possibly a change of school for either or both of the parties. In making such a determination, the Compliance Officer should consult the District Administrator prior to any action being taken. The Complainant should be notified of any proposed action prior to such action being taken.

As soon as appropriate in the investigation process, the CO will inform the individual alleged to have engaged in the harassing conduct, hereinafter referred to as the "respondent", that a complaint has been received. The respondent will be informed about the nature of the allegations and a copy of these administrative procedures and the Board's anti-harassment policy shall be provided to the respondent at that time. The respondent must also be provided an opportunity to respond to the complaint.

Within five (5) business days of receiving the complaint, the CO will initiate a formal investigation to determine whether the complainant has been subject to offensive conduct/harassment. A principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Although certain cases may require additional time, the Compliance Officer will attempt to complete an investigation into the allegations of harassment within fifteen (15) calendar days of receiving the formal complaint. The investigation will include:

- A. interviews with the complainant;
- B. interviews with the respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations, as determined by the CO;
- D. consideration of any documentation or other evidence presented by the complainant, respondent, or any other witness which is reasonably believed to be relevant to the allegations, as determined by the CO.

At the conclusion of the investigation, the CO shall prepare and deliver a written report to the District Administrator which summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of harassment as provided in Board policy and State and Federal law as to whether the complainant has been subject to harassment. In determining if harassment occurred, a preponderance of evidence standard will be used. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. The CO may consult with the Board Attorney before finalizing the report to the District Administrator.

Absent extenuating circumstances, within ten (10) business days of receiving the report of the CO, the District Administrator must either issue a final decision regarding whether or not the complaint of harassment has been substantiated or request further investigation. A copy of the District Administrator's final decision will be delivered to both the complainant and the respondent.

If the District Administrator requests additional investigation, the District Administrator must specify the additional information that is to be gathered, and such additional investigation must be completed within ten (10) business days. At the conclusion of the additional investigation, the District Administrator must issue a final written decision as described above.

The decision of the District Administrator shall be final. If the complainant feels that the decision does not adequately address the complaint s/he may appeal the decision to the State Superintendent of Public Instruction.

The Board reserves the right to investigate and resolve a complaint or report of harassment regardless of whether the member of the School District community or third party alleging the harassment pursues the complaint. The Board also reserves the right to have the complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board.

Additional School District Action

If the evidence suggests that the harassment at issue is a crime or requires mandatory reporting under the Children's Code (Sec. 48.981, Wis. Stat.), the CO or District Administrator shall report the harassment to the appropriate social service and/or law enforcement agency charged with responsibility for handling such investigations and crimes.

Any reports made to the local child protection service or to local law enforcement shall not terminate the CO's obligation and responsibility to continue to investigate a complaint of harassment. While the COs may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the District Administrator.

Confidentiality

The District will make all reasonable efforts to protect the rights of the complainant and the respondent. The District will respect the privacy of the complainant, the respondent, and all witnesses in a manner consistent with the District's legal obligations under State and Federal law. Confidentiality cannot be guaranteed however. All complainants proceeding through the investigation process should be advised that as a result of the investigation, the respondent may become aware of the complainant's identity.

During the course of an investigation, the CO will instruct all members of the School District community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that s/he learns or that s/he provides during the course of the investigation.

~~All public records created as a part of an investigation of a complaint of harassment will be maintained by the CO in accordance with the Board's records retention policy (see Policy 8310). Any records which are considered student records in accordance with the state or Federal law will be maintained in a manner consistent with the provisions of the law.~~

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against harassment by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable law. When imposing discipline, the District Administrator shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies.

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or District Administrator shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Reprisal

Submission of a good faith complaint or report of harassment will not affect the complainant's status or educational environment. However, the Board also recognizes that false or fraudulent claims of harassment or false or fraudulent information about such claims may be filed. The Board reserves the right to discipline any person filing a false or fraudulent claim of harassment or false or fraudulent information about such a claim.

The District will discipline or take appropriate action against any member of the School District community who retaliates against any person who reports an incident of harassment prohibited by this policy or participates in a proceeding, investigation, or hearing relating to such harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of discriminatory practices. The District Administrator will develop a method of discussing this policy with the School District community. Training on the requirements of non-discrimination and the appropriate responses to issues of harassment will be provided to the School District community at such times as the Board in consultation with the District Administrator determines is necessary or appropriate.

This policy shall be reviewed at least annually for compliance with local, State, and Federal law.

The District shall conspicuously post a notice including this policy against harassment in each school in a place accessible to the School District community and members of the public. This notice shall also include the name, mailing address and telephone number of the Compliance Officers, the name, mailing address and telephone number of the State agency responsible for investigating allegations of discrimination in educational opportunities, and the mailing address and telephone number of the United States Department of Education, Office for Civil Rights.

A summary of this policy shall appear in the student handbook and shall be made available upon request of parents, students, and other interested parties.

[Retention of Public Records, Student Records, and Investigatory Records and Materials](#)

-

All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation including but not limited to:

1. all written reports:
-

7440 - FACILITY SECURITY

Promoting the safety of students, staff and others in the school buildings, as well as providing for the protection of the significant financial investment in the District's buildings is a critical function of the Board. Proper safety measures are to be implemented to protect those who use the buildings and to protect the buildings and equipment owned by the Board from theft and vandalism in order to maintain the optimum conditions for carrying out the educational program.

The District Administrator shall develop and supervise [the District's School Safety Plan, in compliance with State and Federal laws, as described in Policy 8420.](#) ~~a program for the security of the District's students, staff, visitors, school buildings, school grounds, and school equipment in compliance with State and Federal laws. Such a program may include the use of video surveillance and electronic monitoring equipment in appropriate areas in and around the schools and other District facilities, and on school buses.~~

Every effort shall be made to apprehend those who knowingly cause serious physical harm to students, staff, visitors, and Board property and to require prosecution of those who bring harm to persons and/or property. The Board will seek to repair the damage or seek the payment of a fee to cover such repairs.

The District Administrator is authorized to install metal detectors and video surveillance/electronic monitoring equipment on school property in order to protect the health, welfare and safety of students, staff, visitors and Board property, and other security devices that would assist in the detection of guns and dangerous weapons on District property.

Public Access to School Facilities

The Board expects that during regular school hours only students and school staff need to be present in the school building. The Board also acknowledges that there will be times during the instructional day that members of the public, including parents/guardians, invited guests, or other individuals will for appropriate and legitimate reasons require entry into a school facility. In such cases, the following guidelines shall be followed:

- A. All exterior doors to every school building shall be locked during the instructional day, preventing entry into the building and all visitors to the school building during those times will be directed to designated entrance(s) into the building. Visitors must identify themselves and the purpose of their visit to the school through the intercom system.
- B. All persons, other than students and building staff, shall check in with the main office of the building and shall complete a visitor log.

7440.01 - VIDEO SURVEILLANCE AND ELECTRONIC MONITORING

The Board ~~of Education~~ authorizes the use of video surveillance and electronic monitoring equipment at various school sites throughout the District and on school buses.

The District Administrator is responsible for determining where to install and operate fixed-location video surveillance/electronic monitoring equipment in the District. The determination of where and when to use video surveillance/electronic monitoring equipment will be made in a nondiscriminatory manner. Video surveillance/electronic monitoring equipment may be placed in common areas in school buildings (e.g. school hallways, entryways, the front office where students, employees and visitors are permitted to freely come and go, gymnasiums, cafeterias, libraries), the school parking lots and other outside areas, and in school buses. Except in extraordinary circumstances and with the written authorization of the District Administrator, video surveillance/electronic monitoring equipment shall not be used in areas where persons have a reasonable expectation of privacy (e.g. restrooms, locker rooms, changing areas, private offices (unless there is express consent given by the office occupant), or conference/meeting rooms), or in individual classrooms during instructional times. Administrators are authorized to carry and use cameras when responding to incidents.

Any person who takes action to block, move, or alter the location and/or viewing angle of a video camera shall be subject to disciplinary action.

Legible and visible signs shall be placed at the main entrance to buildings and in the areas where video surveillance/electronic monitoring equipment is in use to notify people that their actions/behavior are being monitored/recorded. Additionally, the District Administrator is directed to annually notify parents and students via school newsletters and the Student Handbook, and staff via the Staff Handbook, of the use of video surveillance/electronic monitoring systems in their schools. In cases approved by the District Administrator, camera surveillance may be used for investigatory purposes without staff, student, or public notice if the usage is calculated to further investigation into misconduct believed to have occurred or believed to be ongoing.

Any information obtained from video surveillance/electronic monitoring systems may only be used to support the orderly operation of the School District's schools and facilities, and for law enforcement purposes, and not for any other purposes. As such, recordings obtained through the use of video surveillance/electronic monitoring equipment may be used as evidence in any disciplinary proceedings, administrative proceeding or criminal proceeding, subject to Board policy and regulations. Further, such recordings may become a part of a student's education record or staff member's personnel file.

The Board will not place video surveillance/electronic monitoring equipment for the purpose of obtaining information for routine staff appraisal/evaluation or monitoring; however, video footage captured in the normal course of surveillance which shows information pertinent to staff performance or conduct may be used for that purpose.

Recordings that capture students may be student records and as such will be treated as confidential, subject to the Board's public records and student records policies.

~~The Board will not use video surveillance/electronic monitoring equipment to obtain information for the purpose of routine staff appraisal/evaluation or monitoring.~~

~~Recordings of students will be treated as confidential. Consequently, because the Board is bound by Wisconsin Pupil Records Statute and the Family Educational Rights and Privacy Act (FERPA), copies of video recordings containing personal identifiable information about students shall not be released except to school officials with legitimate educational interests. Confidential recordings shall only be released through subpoena or court order.~~

8330 - **STUDENT RECORDS**

In order to provide appropriate educational services and programming, the Board ~~of Education~~ must collect, retain, and use information about individual students. Simultaneously, the Board recognizes the need to safeguard students' privacy and restrict access to students' personally identifiable information.

Except for data identified by policy as "directory data," student "personally identifiable information" includes, but is not limited to: the student's name; the name of the student's parent or other family members; the address of the student or student's family; a personal identifier, such as the student's social security number, student number, or biometric record; other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name; other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or information requested by a person who the District reasonably believes knows the identity of the student to whom the education record relates.

The Board is responsible for the records of all students who attend or have attended schools in this District. Only records mandated by the State or Federal government and/or necessary and relevant to the function of the School District or specifically permitted by this Board will be compiled by Board employees.

In all cases, permitted, narrative information in student records shall be objectively-based on the personal observation or knowledge of the originator.

Student records shall be available only to students and their parents, eligible students, designated school officials who have a legitimate educational interest in the information, or to other individuals or organizations as permitted by law.

Address Confidentiality Program

Students who are verified participants in the Safe at Home/Address Confidentiality Program administered by the Wisconsin Department of Justice shall be permitted to use their substitute assigned address for all District purposes. The Board shall refrain from including the student's actual/confidential residential address in any student records or files (including electronic records and files) or disclosing the student's actual/confidential residential address when releasing student records. The Board shall only list the address designated by the Wisconsin Department of Justice to serve as the student's address in any student records or files, including electronic records and files. Further, the Board shall use the student's substitute assigned address for any and all communications and correspondence between the Board and the parent(s) of the student (or adult student). The student's actual/confidential residential address shall be maintained in a separate confidential file that is not accessible to the public or any employees without a legitimate purpose. The intentional disclosure of a student's actual/confidential residential address is prohibited.

The Board may enter into a memorandum of understanding with a county department under State statutes (s. 46.215, 46.22 or 46.23) or a tribal organization, as defined under Federal law, that permits disclosure of information contained in student records as provided under State law in cases in which the student's parent, if the student is a minor, or the student, if the student is an adult, does not grant permission for such disclosure.

The term "parents" includes legal guardians or other persons standing in loco parentis (such as a grandparent or stepparent with whom the child lives, or a person who is legally responsible for the welfare of the child). The term "eligible student" refers to a student who is eighteen (18) years of age.

Both parents shall have equal access to student records unless stipulated otherwise by court order or law. In the case of eligible students, parents may be allowed access to the records without the student's consent, provided the student is considered a dependent under section 152 of the Internal Revenue Code, and with respect to personally identifiable information, has not informed the school, in writing, that the information may not be disclosed.

A school official is a person employed by the Board as an administrator, supervisor, teacher/instructor (including substitutes), or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board; a person or company with whom the Board has contracted to perform a special task (such as an attorney, auditor, or medical consultant); a contractor, consultant, volunteer or other party to whom the Board has outsourced a service otherwise performed by Board employees (e.g. a therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks (including volunteers).

"Legitimate educational interest" is defined as a "direct or delegated responsibility for helping the student achieve one (1) or more of the educational goals of the District" or if the record is necessary in order for the school official to perform an administrative, supervisory, or instructional task or to perform a service or benefit for the student or the student's family. The Board directs that reasonable and appropriate methods (including but not limited to physical and/or technological access controls) are utilized to control access to student records and to make certain that school officials obtain access to only those education records in which they have legitimate educational interest.

The Board authorizes the administration to:

A. forward student records, including disciplinary records with respect to suspensions and expulsions, upon request to a private or public school or school district in which a student of this District is enrolled, seeks or intends to enroll, or is instructed to enroll, on a full-time or part-time basis, upon condition that:

1. a reasonable attempt is made to notify the student's parent or eligible student of the transfer (unless the disclosure is initiated by the parent or eligible student; or the Board's annual notification - Form 8330 F9 - includes a notice that the Board will forward education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer);
2. the parent or eligible student, upon request, receives a copy of the record; and
3. the parent or eligible student, upon request, has an opportunity for a hearing to challenge the content of the record
4. no later than the next working day, the District shall transfer to another school, including a private or tribal school, or school district, all student records relating to a specific student if the transferring school district or private school has received written notice from the student if s/he is an adult or his/her parent or guardian if the student is a minor that the student intends to enroll in the other school or school district or written notice from the other school or school district that the student has enrolled or from a court that the student has been placed in a juvenile correctional facility, as defined in s. 938.02(10p), or a secured residential care center for children and youth, as defined in s. 938.02(15g):

In this subsection, "school" and "school district" include any juvenile correctional facility, secured residential care center for children and youth, adult correctional institution, mental health institute, or center for the developmentally disabled that provides an educational program for its residents instead of, or in addition to, that which is provided by public, private, and tribal schools.

- B. forward student records, including disciplinary records with respect to suspensions and expulsions, upon request to a juvenile detention facility in which the student has been placed, or a juvenile court that has taken jurisdiction of the student;
- C. disclose student records that are pertinent to addressing a student's educational needs to a caseworker or other representative of the department of children and families, a county department under s. 46.215, 46.22, or 46.23, or a tribal organization, as defined in 25 USC 450b(L), that is legally responsible for the care and protection of the student, if the caseworker or other representative is authorized by that department, county department, or tribal organization to access the student's case plan;
- D. provide "personally-identifiable" information to appropriate parties, including parents of an eligible student, whose knowledge of the information is necessary to protect the health or safety of the student or other individuals, if there is an articulable and significant threat to the health or safety of a student or other individuals, considering the totality of

the circumstances;

- E. report a crime committed by a child to appropriate authorities, and, with respect to reporting a crime committed by a student with a disability, to transmit copies of the student's special education and disciplinary records to the authorities for their consideration;
- F. release de-identified records and information in accordance with Federal regulations;
- G. disclose personally identifiable information from education records, without consent, to organizations conducting studies "for, or on behalf of" the District for purposes of developing, validating or administering predictive tests, administering student aid programs, or improving instruction;

Information disclosed under this exception must be protected so that students and parents cannot be personally identified by anyone other than representative of the organization conducting the study, and must be destroyed when no longer needed for the study. In order to release information under this provision, the District will enter into a written agreement with the recipient organization that specifies the purpose of the study. (See Form 8330 F14.)

This written agreement must include: (1) specification of the purpose, scope, duration of the study, and the information to be disclosed; (2) a statement requiring the organization to use the personally identifiable information only to meet the purpose of the study; (3) a statement requiring the organization to prohibit personal identification of parents and students by anyone other than a representative of the organization with legitimate interests; and (4) a requirement that the organization destroy all personally identifiable information when it is no longer needed for the study, along with a specific time period in which the information must be destroyed.

While the disclosure of personally identifiable information without consent is allowed under this exception, it is recommended that whenever possible the administration either release de-identified information or remove the students' names and social security identification numbers to reduce the risk of unauthorized disclosure of personally identifiable information.

- H. disclose personally identifiable information from education records without consent, to authorized representatives of the Federal government, as well as State and local educational authorities. The disclosed records must be used to audit or evaluate a Federal or State supported education program, or to enforce or comply with Federal requirements related to those education programs. A written agreement between the parties is required under this exception. (See Form 8330 F16)

This written agreement must include: (1) designation of the receiving entity as an authorized representative; (2) specification of the information to be disclosed; (3) specification that the purpose of the disclosure is to carry out an audit or evaluation of a government -supported educational program or to enforce or comply with the program's legal requirements; (4) a summary of the activity that includes a description of methodology and an explanation of why personally identifiable information is necessary to accomplish the activity; (5) a statement requiring the organization to destroy all personally identifiable information when it is no longer needed for the study, along with a specific time period in which the information must be destroyed; and (6) a statement of policies and procedures that will protect personally identifiable information from further disclosure or unauthorized use.

Under the audit exception, the District will use "reasonable methods" to verify that the authorized representative complies with FERPA regulations. Specifically, the District will verify, to the greatest extent practical, that the personally identifiable information is used only for the audit, evaluation or enforcement of a government-supported educational program. The District will also ascertain the legitimacy of the audit or evaluation and will only disclose the specific records that the authorized representative needs. Further, the District will require the authorized representative to use the records only for the specified purpose and not to disclose the information any further, such as for another audit or evaluation. Finally, the District will verify that the information is destroyed when no longer needed for the audit, evaluation or compliance activity.

- I. request each person or party requesting access to a student's record to abide by Federal regulations and State laws concerning the disclosure of information.

The Board will comply with a legitimate request for access to a student's records within a reasonable period of time but not more than forty-five (45) days after receiving the request or within such shorter period as may be applicable to students with disabilities. Upon the request of the viewer, a record shall be reproduced, unless said record is copyrighted, or otherwise restricted, and the viewer may be charged a fee equivalent to the cost of handling and reproduction. Based upon reasonable requests, viewers of education records will receive explanation and interpretation of the records.

The Board shall maintain a record of each request for access and each disclosure of personally identifiable information. Such disclosure records will indicate the student, person viewing the record, their legitimate interest in the information,

information disclosed, date of disclosure, and date parental/eligible student consent was obtained (if required).

Only "directory information" regarding a student shall be released to any person or party, other than the student or his/her parent, without the written consent of the parent, or, if the student is an eligible student, without the written consent of the student, except as provided by applicable law.

DIRECTORY INFORMATION

Each year the District Administrator shall provide public notice to students and their parents of the District's intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information":

- A. a student's name;
- B. photograph;
- C. participation in officially-recognized activities and sports;
- D. height and/or weight, if a member of an athletic team;
- E. date of graduation;
- F. degrees and awards received.

Parents and eligible students may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board within fourteen (14) days after receipt of the District Administrator's annual public notice or enrollment of the student into the District if such enrollment occurs after the annual public notice.

In accordance with Federal and State law, the Board shall release the names, addresses, and telephone listings of secondary students to a recruiting officer for any branch of the United States Armed Forces or an institution of higher education who requests such information. A secondary school student or parent of the student may request in writing that the student's name, address, and telephone listing not be released without prior consent of the parent(s)/eligible student. The recruiting officer is to sign a form indicating that "any information received by the recruiting officer shall be used solely for the purpose of informing students about military service and shall not be released to any person other than individuals within the recruiting services of the Armed Forces." The District Administrator is authorized to charge mailing fees for providing this information to a recruiting officer.

Whenever consent of the parent(s)/eligible student is required for the inspection and/or release of a student's health or education records or for the release of "directory information," either parent may provide such consent unless agreed to otherwise in writing by both parents or specifically stated by court order. If the student is under the guardianship of an institution, the District Administrator shall appoint a person who has no conflicting interest to provide such written consent.

The Board may disclose "directory information," on former students without student or parental consent, unless the parent or eligible student previously submitted a request that such information not be disclosed without their prior written consent.

The Board shall not collect or use personal information obtained from students or their parents for the purpose of marketing or for selling that information.

INSPECTION OF INFORMATION COLLECTION INSTRUMENT

The parent of a student or an eligible student has the right to inspect upon request any instrument used in the collection of personal information before the instrument is administered or distributed to a student. Personal information for this section is defined as individually identifiable information including a student or parent's first and last name, a home or other physical address (including street name and the name of the city or town), a telephone number, or a Social Security identification number. In order to review the instrument, the parent or eligible student must submit a written request to the building principal at least fourteen (14) business days before the scheduled date of the activity. The instrument will be provided to the parent or eligible student within fourteen (14) business days of the principal receiving the request.

The District Administrator shall directly notify the parent(s) of a student and eligible students, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when such activities are scheduled or expected to be scheduled.

This section does not apply to the collection, disclosure, or use of personal information collected from students for the

exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions, such as the following:

- A. college or other postsecondary education recruitment, or military recruitment
- B. book clubs, magazine, and programs providing access to low-cost literary products
- C. curriculum and instructional materials used by elementary and secondary schools
- D. tests and assessments used by elementary and secondary schools to provide cognitive, evaluative, diagnostic, clinical, aptitude, or achievement information about students (or to generate other statistically useful data for the purpose of securing such tests and assessments) and the subsequent analysis and public release of the aggregate data from such tests and assessments
- E. the sale by students of products or services to raise funds for school- related or education-related activities
- F. student recognition programs

The District Administrator shall ensure that students and parents are adequately informed each year regarding their rights to:

- A. inspect and review the student's education records;
- B. request amendments if the parent believes the record is inaccurate, misleading, or violates the student's privacy rights;
- C. consent to disclosures of personally-identifiable information contained in the student's education records, except to those disclosures allowed by the law;
- D. challenge Board noncompliance with a parent's request to amend the records through a hearing;
- E. file a complaint with the United States Department of Education;
- F. obtain a copy of the Board's policy and administrative guidelines on student records.

The Board authorizes the use of the microfilm process or electromagnetic processes of reproduction for the recording, filing, maintaining, and preserving of records.

No liability shall attach to any member, officer, or employee of this Board as a consequence of permitting access or furnishing student records in accordance with this policy and regulations.

Any entity receiving personally identifiable information pursuant to a study, audit, evaluation or enforcement/compliance activity must comply with all FERPA regulations. Further, such an entity must enter into a written contract with the Board delineating its responsibilities in safeguarding the disclosed information. Specifically, the entity must demonstrate the existence of a sound data security plan or data stewardship program, and must also provide assurances that the personally identifiable information will not be redisclosed without prior authorization from the Board. Further, the entity conducting the study, audit, evaluation or enforcement/compliance activity is required to destroy the disclosed information once it is no longer needed or when the timeframe for the activity has ended, as specified in its written agreement with the Board.

8410 - ~~SCHOOL SAFETY AND~~ CRISIS INTERVENTION

The Board ~~of Education~~ is committed to maintaining a safe school environment. The Board believes that school crime and violence are multifaceted problems that need to be addressed in a manner that utilizes the best resources and coordinated efforts of District personnel, law enforcement agencies, and families. The Board further believes that administrators and local law enforcement officials must work together to provide for the safety and welfare of students while they are at school or a school-sponsored activity or while enroute to or from school, or a school-sponsored activity. The Board also believes that the first step in addressing school crime and violence is to assess the extent and nature of the problem(s) or threat, and then plan and implement strategies that promote school safety and minimize the likelihood of school crime and violence.

~~A school safety plan will be developed for each school in the District and approved by the Board. Each school's plan will be reviewed no less than every three (3) years and resubmitted to the Board for approval.~~

The District shall develop and the Board shall approve a school safety plan consistent with Policy 8420 - School Safety.

Persistently Dangerous Schools:

The Board recognizes that State and Federal law requires that the District report annually incidents that meet the statutory definition of violent criminal offenses that occur in a school, on school grounds, on a school conveyance, or at a school-sponsored activity. It is further understood that the Wisconsin Department of Public Instruction will then use this data to determine whether or not a school is considered "persistently dangerous" as defined by State policy.

Pursuant to the Board's stated intent to provide a safe school environment, the school administrators are expected to respond appropriately to any and all violations of the Student Code of Conduct, especially those of a serious, violent nature. In any year where the number of reportable incidents of violent criminal offenses in any school exceeds the threshold number established in State policy, the District Administrator shall convene a meeting of the building administrator, representative(s) of the local law enforcement **agency**, and any other individuals deemed appropriate for the purpose of developing a plan of corrective action that can be implemented in an effort to reduce the number of these incidents in the subsequent year.

The District Administrator shall make a report to the Board about this plan of corrective action and shall recommend approval and adoption of it.

In the unexpected event that the number of reportable incidents in three (3) consecutive school years exceeds the statutory threshold and the school is identified as persistently dangerous, students attending the school shall have the choice option as provided in Policy 5113.02 and AG 5113.02.

In addition, the District Administrator shall convene a meeting of the building administrator, representative(s) of the local law enforcement **agency**, and any other individuals deemed appropriate for the purpose of developing a plan of corrective action that can be implemented in an effort to reduce the number of these incidents in the subsequent year.

-

Victims of Violent Crime

-

The Board further recognizes that, despite the diligent efforts of school administrators and staff to provide a safe school environment, an individual student may be a victim of a violent crime in a school, on school grounds, on a school conveyance, or at a school-sponsored activity. In accordance with Federal and State law, the parents of the eligible student shall have the choice options provided by Policy 5113.02.

8420 - SCHOOL SAFETY

The Board recognizes that its responsibility for the safety of students extends to possible natural and man-made disasters and that such emergencies are best met by preparedness and planning.

Each school shall develop a school safety plan in accordance with State requirements, and each school's safety plan shall be reviewed and approved every three (3) years by the Board. The plan contains guidelines and procedures to address school violence and attacks, threats of school violence and attacks, bomb threats, fire, weather-related emergencies, intruders, parent-student reunification, and threats to non-classroom events, including recess, concerts and other performances, athletic events, and any other extracurricular activity or event. The plan shall contemplate the use of tools to mitigate threats of school violence, including video surveillance, school resource officers, metal detectors, and other such preventative safety measures in addition to responsive measures.

The school safety plan shall include the manner of scheduling, conducting, and reviewing required drills, including fire drills, tornado or other hazard drills, school safety incident drills, and school violence drills. Each school safety plan shall specify for each type of required drill how many and how frequently they will be conducted for each building in compliance with State law requirements for the performance of such drills. The plan shall designate the responsible administrator for each building for assuring that required drills are completed, reviewed, and reported as required by law.

The Board must submit the following to the Wisconsin Office for School Safety prior to January 1st of each year annually:

1. A copy of its school safety plan.
2. The date(s) of the required annual safety school violence event drill or drills held conducted in accordance with each building's school safety plan during the previous year.
3. Certification that the Board reviewed a required written evaluation of the drill or drills.
4. The date of the most recent school training on school safety and the number of attendees.
5. The most recent date the Board reviewed and approved the school safety plan.
6. The most recent date the Board consulted with a local law enforcement agency to conduct on-site safety assessments.

School administrators and staff are mandatory reporters of suspected child abuse and neglect pursuant to Wis. Stats. § 48.981 (2)(a). The Board also requires all employees to receive training regarding mandatory reporting of school violence threats pursuant to Wis. Stats. § 175.32(2) and (3). If the threat constitutes a serious and imminent threat to the health or safety of a student or school employees or the public, it shall be reported to law enforcement. A good faith standard exists for reporting threats made by an individual seen in the course of professional duties. These obligations and procedures are covered by Board Policy 8462 - Child Abuse and Neglect, as well as Policy 8462.01 - Threats of Violence. All threats to the safety of District facilities shall be identified by appropriate personnel and responded to promptly in accordance with the school safety plan.

In response to public records requests for school safety documents, after consultation with the District legal counsel and local law enforcement authorities, the District Administrator shall redact such information that may be sensitive safety or security information that is in the public's interest to remain confidential.

8420—EMERGENCY PREPAREDNESS

~~The Board of Education recognizes that its responsibility for the safety of students extends to possible natural and man-made disasters and that such emergencies are best met by preparedness and planning.~~

~~The Board authorizes a system of emergency preparedness which shall require that fire drills are conducted at least once each month; tornado drills are conducted at least twice annually and school safety incident action plan drills are conducted at least twice annually.~~

~~All threats to the safety of District facilities shall be identified by appropriate personnel and responded to promptly in accordance with the plan for emergency preparedness.~~

~~Each school's emergency preparedness plan shall be reviewed by the Board at least once every three (3) years following initial adoption.~~

~~The District Administrator shall develop guidelines for the handling of all emergency evacuations.~~

NEW POLICY - SPECIAL UPDATE - SCHOOL SAFETY

8462.01 - THREATS OF VIOLENCE

The Board strictly prohibits any threats of violence in or targeted at any school. All incidents or suspected incidents of such conduct must be reported as described in this policy and in State law and will be investigated. All District employees, regardless of position, are required to make a report if the following is present:

- A. A staff member, in the performance of his/her professional duties, hears or receives a threat of violence in or targeted at a school; and
- B. That staff member believes, in good faith, based on the threat that the health and safety of any person is in serious and imminent threat.

Any staff member who, in good faith, believes that circumstances require reporting shall do so without conducting any further investigation concerning the subject matter of the report. When a report is made, the staff member shall immediately notify the building level administrator or District Administrator that a report has been made and provide details concerning the basis for the report.

Staff Training Required

The Board shall require every employee to receive training provided by the Department of Public Instruction (DPI) regarding the laws governing the reporting of a threat of violence. Such training shall be completed within the first six (6) months of employment in the District and at least once every five (5) years after the initial training. This training may be held in conjunction with staff training for threatened or suspected child abuse or neglect as required in Policy 8462.

Training conducted in fulfillment of this policy shall include a record of the date, time, duration, and content of the training, as well as a list of all attendees at the training. The District Administrator shall submit a report to DPI annually by January 1st that identifies the training performed under this section, along with the reporting required under Policy 8420 - School Safety and Emergency Preparedness.

Procedures for Reporting - Threats of Violence

An employee, regardless of position, shall immediately inform, by telephone or personally, a law enforcement agency of the facts and circumstances contributing to the belief that there is a serious and imminent threat to the health or safety of a student or school employee or the public. The report shall contain detailed information concerning the nature of the threat. The staff member shall cooperate fully with law enforcement. When such a report is made, the staff member shall also inform the building administrator or District Administrator, as well as the School Resource Officer, if available. If a threat is reported to the building administrator, s/he shall immediately notify the District Administrator and coordinate the District's coordination with law enforcement, students, and parents as the circumstances require.

Sanctions for Making Threats

All threats of violence are to be taken seriously. No staff member who reports a threat in good faith shall be subject to disciplinary action. Failure to report or undue delay in reporting a threat may result in disciplinary action.

Any student or staff member who makes a threat of violence will be evaluated for disciplinary action, up to possible referral for expulsion in the case of students (See Policy 5610) or termination from employment in the case of staff (See Policy 3140/Policy 4140).

The administration may, with the assistance of law enforcement personnel, remove from and/or prohibit the presence on

school property, any member of the community, including a volunteer, parent, contractor, coach, etc., who makes a threat of violence in or against the school. In such a case, the District Administrator shall notify the Board as soon as is practicable.

9130 - PUBLIC REQUESTS, SUGGESTIONS, OR COMPLAINTS

Any individual(s), having a legitimate interest in the staff, programs and operations of this District shall have the right to present a request, suggestion, or complaint to the District and the Board. At the same time, the Board has a right to protect the staff from inappropriate harassment. It is the intent of this policy to provide guidelines for considering and addressing public requests, suggestions, or complaints in an efficient, reasonable, and equitable manner. Requests, suggestions, or complaints made by District staff members are covered by Policy 1422, Policy 3122, and Policy 4122.

It is the desire of the Board to address any such matters through direct, informal discussions and other means. It is only when attempts at informal resolution fail that more formal procedures shall be used.

Generally, requests, suggestions, or complaints reaching the Board or Board members shall be referred to the District Administrator for consideration. Any individual presenting such a matter shall be provided with a copy of this policy.

Guidelines for Matters Regarding a Professional Staff Member

A. First Level

Generally, if the matter concerns a professional staff member the individual(s) should discuss the matter with the staff member. The staff member shall take appropriate action within his/her authority and District administrative guidelines to deal with the matter.

Discussion with the staff member may not be appropriate in some situations including, for example, where the matter involves suspected child abuse, substance abuse, or any other serious allegation that may require investigation or inquiry by school officials prior to approaching the staff member.

B. Second Level

If the matter has not been satisfactorily addressed at the First Level or it would be inappropriate to discuss the matter with the staff member, the individual(s) may discuss the matter with the staff member's supervisor, if applicable. Discussions with the supervisor shall occur promptly following any discussion with the staff member.

C. Third Level

If the matter has not been satisfactorily addressed at the Second level, and the matter does not involve the District Administrator, the individual(s) may submit a written request for a conference to the District Administrator. This request should include:

1. the specific nature of the request, suggestion or complaint and a brief statement of the facts giving rise to it;
2. the respect in which it is alleged that the individual(s) (or child of a complainant) has been affected adversely;
3. the action which the individual(s) wishes taken and the reasons why it is felt that such action be taken.

The request must be submitted promptly after discussion with the staff member's supervisor. The District Administrator shall respond in writing to the individual(s) and shall advise the Board of any resolution of the

matter.

D. Fourth Level

If the matter has not been satisfactorily addressed at the Third Level, or at the First Level in the case of a matter involving the District Administrator, the individual(s) may submit a written request to the Board to address the matter. Any such request must be submitted within 10 business days of the latest attempt to resolve the matter ~~receiving the District Administrator's written response.~~

The Board, after reviewing all material relating to the matter, may provide the individual(s) with a written response; or grant a hearing, which may be held in closed session at the discretion of the Board when consistent with Wisconsin's Open Meetings law

The individual(s) shall be advised, in writing, of the Board's decision no more than ten (10) calendar days following the next regular meeting. The Board's decision will be final on the matter, and it will not provide a hearing to other complainants on the same issue.

If the individual(s) contacts an individual Board member to discuss the matter, the Board member shall inform the individual that s/he has no authority to act in his/her individual capacity and may refer the individual(s) to this guideline or the District Administrator for further assistance.

Guidelines for Matters Regarding a Support Staff Member

In the case of a support staff member, the matter is to be directed, initially, to the person's supervisor, and then in subsequently higher levels as prescribed in "Guidelines for Matters Regarding a Professional Staff Member".

Guidelines for Matters Regarding District Services or Operations

If the matter relates to a District procedure or operation, it should be addressed, initially, to the appropriate supervisor and then in subsequently higher levels as prescribed in "Guidelines for Matters Regarding a Professional Staff Member".

Guidelines for Matters Regarding Enrollment Disputes

If the matters relates to disputes concerning student residency determination, Homelessness under the McKinney-Vento Act, or related issues, the matter should be addressed initially to the District's Residency or Homelessness Coordinator, and then to the Third Level of the process for "Matters Regarding a Professional Staff Member".

Guidelines for Matters Regarding the Educational Program

If the matter relates to a District program, it should be addressed, initially, to the Building Principal and then in subsequently higher levels as prescribed in "Matters Regarding a Professional Staff Member".

Guidelines for Matters Regarding Instructional Materials

Students and parents have the right to inspect instructional materials used as part of the educational curriculum and the procedure for completing such an inspection. See Policy 2414.

If the request, suggestion, or complaint relates to instructional materials such as textbooks, library books, reference works, and other instructional aids used in the District, the following procedure shall be followed:

A. The criticism is to be addressed to the Director of Curriculum, in writing, and shall include:

1. author;
2. title;
3. publisher;
4. the complainant's familiarity with the material objected to;
5. sections objected to by page and item;
6. reasons for objection.

B. Upon receipt of the information, the Director of Curriculum may refer the matter to the District Administrator for

resolution.

- C. The individual(s) may submit an appeal of the District Administrator's decision in writing to the Board President within thirty (30) business days of receiving the decision. The written appeal and all written material relating to it shall be referred to the Board for consideration.
- D. The Board shall review the matter and advise the individual(s), in writing, of its decision as soon as practicable. The Board shall determine on a case-by-case basis whether its review will include appearances by the petitioner and administration, be conducted based on written submissions, or only on the record produced by the [District Administrator-Committee](#).

No challenged material may be [permanently](#) removed from the curriculum or from a collection of resource materials except by action of the Board, and no challenged material may be removed solely because it presents ideas that may be unpopular or offensive to some. Any Board action to remove material will be accompanied by the Board's statement of its reasons for the removal.

9150 - SCHOOL VISITORS

The Board ~~of Education~~ welcomes and encourages visits to school by parents, other adult residents of the community and interested educators. But in order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to establish visitor guidelines.

In accordance with 120.13(35), Wis. Stats., the District Administrator has the authority to establish conditions for entering or remaining in a District building, prohibit the entry of any person to a school of this District or to require a visitor to leave when there is reason to believe the presence of such person would be or is detrimental to the good order of the school. If such an individual refuses to leave the school grounds or creates a disturbance, the local law enforcement agency may be contacted to provide assistance including removal of the individual.

Parents, who are registered sex offenders and wish to participate in their child's school activities, may be allowed on campus at the discretion and under the direction of the Principal. Such parents must inform the school administration of any time that they will be on school grounds. Conditions may be imposed upon participation, including but not limited to the following: must have prior permission, must check in, must have approved escort in building or at event, must leave premises immediately upon conclusion of business, and may not visit while school is in session.

Nonstaff access to students and classes must be limited and only in accordance with a schedule which has been determined by the Principal after consultation with the teacher whose classroom is being visited. Classroom visitations must be nonobtrusive to the educative process and learning environment and should not occur on an excessive basis.

Parent concerns about any aspect of his/her child's educational program should be presented through the procedure set forth in Board Policy 9130 - Public Complaints, a copy of which is available at the Board office and at each school.

Individual Board members who are interested in visiting schools or classrooms on an unofficial basis shall make the appropriate arrangements with the Principal. In keeping with Board bylaws, such Board member visits shall not be considered to be official unless designated as such.

The Board member shall be visiting as an interested individual in a similar capacity of any parent or citizen of the community. These visits should not be considered to be inspections nor as supervisory in nature.

If, during a visit to a school or program, a Board member or other visitor observes a situation or condition which causes concern, s/he should discuss the situation first with the Principal as soon as convenient or appropriate. Such a report or discussion shall not be considered an official one from the Board.

If the Board member believes the situation or condition serious enough, s/he may wish to also inform the District Administrator. All visitors to a school of the District must comply with the visitor rules as set forth in Board Policy 7440, Facility Security.
