1.03 General Personnel Policies

This Employment Handbook is subservient to, and does not supersede, the provisions set forth in Board policies.

SECTION 2 - EMPLOYMENT LAW

2.01 Equal Opportunity

The District complies with laws that prohibit discrimination on the basis of age, race, religion, creed, color, disability, pregnancy, marital status, sex, citizenship, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, membership in the National Guard, state defense force or any other reserve component of the military forces of Wisconsin or the United States, political or religious affiliation, use or nonuse of lawful products off the employer's premises during non-working hours, declining to attend a meeting or to participate in any communication about religious matters or political matters, the authorized use of family or medical leave or worker's compensation benefits, genetic information, or any other factor prohibited by state or federal law.

2.02 Reasonable Accommodation

In accordance with federal and state laws, the District provides reasonable accommodation to known physical or mental limitations of an otherwise qualified employee with a disability unless the accommodation would impose an undue hardship on the District. Reasonable accommodation may be, depending on the circumstances, modification or adjustment to a job, the work environment, or the way things usually are done that enables an employee with a disability to perform the essential functions of a job, and to enjoy equal benefits and privileges of employment. Reasonable accommodation may also include a leave of absence or modified work schedule.

Requests for accommodations under the Americans with Disabilities Act or under the Wisconsin Fair Employment Act from current employees must be made in writing in accordance with Board policy, to the extent permitted by law. The District may require a physician's statement documenting the need for the requested accommodation. The District may also require a physician's statement documenting the employee's ability to return to work and perform the essential functions of the position in question. Not every accommodation proposed by an employee and his or her physician will be deemed reasonable by the District. Moreover, the District will not provide reasonable accommodations that create an undue hardship for the District.

2.03 Equal Opportunity Complaints

The District encourages informal resolution of complaints under this provision. A formal complaint resolution procedure is available in the Board policies, however, to address allegations of violations of the provision in the District.

2.04 Employment of Minors

No one under eighteen (18) years of age will be employed without providing proper proof of his or her age. Minors will be employed only in accordance with state and federal laws and Board policies.

2.05 Harassment and Bullying

Sexual harassment, harassment based upon an individual's membership in a protected class and discrimination based upon an individual's membership in a protected class are not only violations of federal and state law, but also not tolerated in the District. As such, the District will take all necessary and appropriate actions to eliminate harassment from the workplace.

It is the policy of the School District of New Glarus to maintain a work environment free of discrimination and harassment.

Definition of Sexual Harassment

Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact or other unwelcome verbal, physical or visual conduct of a sexual nature when: (a) submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining employment; (b) submission to or rejection of that conduct or communication is used as

a factor for any employment decision affecting an individual; or (c) that conduct or communication substantially interferes with an individual's employment. Specific examples include, but are not limited to, the following:

- Making unwelcome requests for sexual favors; lewd or derogatory comments or jokes; comments regarding sexual behavior or the body of another employee; use of offensive or demeaning terms that have sexual connotations; and other vocal activity such as catcalls or whistles.
- Showing or sending materials that have a sexual content or are of a sexual nature (such as obscene letters, notes, invitations, photographs, cartoons, articles, etc.) either by e-mail, interoffice mail, Internet or otherwise, to employees who may find such materials offensive.
- Making unwelcome suggestions regarding, or invitations to, social engagements or work-related social events, especially after being informed that the invitations are unwelcome.
- Retaliating against an employee for refusing a sexual advance or reporting an incident of possible sexual harassment to the District or any government agency.
- Expressly or impliedly indicating that an employee's job security, job assignments, conditions of employment, or opportunity for advancement may depend on the granting of sexual favors.
- Engaging in objectionable physical closeness, behavior, actions, or contact, including touching, assault, or blocking or impeding movements.
- Deliberately or carelessly creating an atmosphere of sexual harassment or intimidation.

The District has the discretion to determine whether particular conduct violates this provision or is otherwise inappropriate.

Other Unlawful Harassment

Harassment is defined as: Unwanted, deliberate or repeated unsolicited comments (oral or written), gestures, graphic material, physical contacts, verbal/nonverbal or physical conduct directed to an individual because of his or her membership in a protected class constitute harassment when this conduct:

1. Has the purpose or effect of creating an intimidating, hostile or offensive working or educational environment; or
2. Has the purpose or effect of unreasonably or substantially interfering with an individual's work or student's performance in school, including his or her performance in curricular, extracurricular, and nonacademic activities; or
3. Otherwise adversely affects an individual's employment or a student's opportunities in curriculum, extracurricular, and nonacademic activities; or
4. Submission to the conduct is made either explicitly or implicitly, a term or condition of an individual's employment; or a student's opportunity to obtain an education; or
5. Submission to or rejection of the conduct by an individual is used as the basis for employment decisions affecting the individual or as a factor in decisions affecting the student's education; or
6. Is sufficiently severe, persistent or pervasive that it adversely affects (a) a student's ability to participate in or benefit from an educational program or activity or (b) an individual's ability to work.

Harassment based on anyone's protected class is against the law. The District also prohibits this type of unlawful discriminatory harassment. Such behavior includes words or actions that are offensive to another based on sex, race, age, religion, color, creed, disability, sexual orientation, marital status, arrest or conviction record, national origin, or any other protected class. The District does not tolerate any form of harassment, whether it comes from supervisors, fellow employees, vendors, or any other party.

Each employee is expected to treat other employees with respect and to report immediately any suspected sexual harassment or other unlawful harassment.

Reporting Harassment

Any employee who believes he or she has been subjected to possible sexual harassment or other unlawful harassment has the right to immediately demand that the person stop at once. The employee should promptly

report the conduct to his or her supervisor. If the employee feels that reporting suspected harassment to his or her supervisor is not effective or possible, or if the supervisor is participating in the suspected harassment, he or she may speak with an administrator, or the District Administrator. In the event that the alleged harassment involves the District Administrator, an employee should report the conduct to an administrative or Board official.

The District will investigate all claims of harassment and appropriate action will be recommended. Confidentiality will be maintained as much as possible during the investigation.

Non-Retaliation

No retaliation of any kind will occur because of reporting an incident of suspected sexual harassment or other unlawful harassment. An employee should immediately report any incident of further harassment or retaliation to his or her supervisor, or if the supervisor is participating in the harassment or retaliation, he or she may speak with an administrator, the District Administrator, or, if the alleged retaliation involves the District Administrator, an administrative or Board official.

SECTION 3 - GENERAL EMPLOYMENT PRACTICES AND EXPECTATIONS

3.01 District Expectations

The District expects its employees to produce quality work, maintain confidentiality, work efficiently, and exhibit a professional and courteous attitude toward other employees, parents, and students. The District expects employees to comply with all applicable Board policies, work rules, job descriptions, terms of this *Handbook* and legal obligations.

The District expects employees to comply with the standards of conduct set out in Board policies, this *Handbook*, administrative regulations, and with any other policies, regulations and guidelines that impose duties, requirements or standards attendant to their status as District employees. The District expects employees to adhere to the directives issued by their supervisors. Violation of any policies, regulations, Handbook provisions, guidelines, and/or directives may result in disciplinary action, including termination of employment.

The delineation of general employment practices and expectations in Section 3 of this *Handbook* is for informational purposes and is not intended to be an exhaustive list of all employment expectations that may be found in other applicable Board policies, work rules, job descriptions, terms of this *Handbook* and legal obligations.

3.02 Accident/Incident Reports

Reports must cover property damage as well as personal injury. A completed accident report form must be submitted to the building principal within twenty-four (24) hours or the next scheduled District workday. In the event of a work-related accident or injury, a completed “Employers First Report of Injury or Disease” must be submitted to Human Resources. See, Part I, Section 8.

3.03 Attendance

In order for the District to operate effectively, employees are expected to perform all assigned duties and work all scheduled hours during each designated workday, unless the employee has received approved leave. Breaks and meal periods may only be taken during times designated by the employee’s supervisor/building administrator and as further specified in other parts of this *Handbook*. Any deviation from assigned hours must have prior approval from the employee’s supervisor/building administrator.

Employees who are unable to report to work shall follow the applicable procedures for reporting his or her absence.

Teachers, Special Education Assistants and Teaching Assistants: If prior to 7:00 a.m., on the day of the absence must call in (1-800-942-3767) or log in to (www.aesopeducation.com) to the AESOP absence reporting and substitute placement system. If after 7:00 a.m., on the day of the absence, the building secretary must be called. If possible, such notification should be made the evening prior to the time of absence. This will help to provide time for obtaining a substitute teacher.

All other regular employees: The employee must contact their immediate supervisor as well as the building secretary by the beginning of their work day. The employee must enter the time off request into “Employee Access” the day they return to work.

Any time spent not working during an employee’s scheduled day must be accounted for in the appropriate system. The District will monitor attendance and absence patterns. Theft of time and/or improper modification of time worked records will be investigated. Employees must notify the District and provide adequate notice of an absence, cannot incur unexcused absences and return to work the day following the expiration of an authorized leave of absence.

Absence is defined as failing to report to work for a scheduled shift or workday without having secured preapproved leave. An employee who incurs five (5) unexcused absences without providing adequate notice to the District in any 12-month period will be terminated for excessive absenteeism.

Employees who will be tardy must call their immediate supervisor prior to the start of the work day, unless it is an emergency. Employees may not have excessive tardies. Tardiness is defined as failing to report to work at the scheduled start time of an employee’s shift or workday, including failing to report back to work on time after a scheduled lunch or break period, without having preapproval to report late from an immediate supervisor. Tardiness may also include any instances where an employee has punched in at the start of his or her scheduled shift or workday, but who is not prepared to actually begin working at that time.

The District has the discretion to waive enforcement of these rules in very limited circumstances as may be necessary to provide a reasonable accommodation for a qualified individual with a disability under the Americans with Disabilities Act.

3.04 Bulletin Boards

The District shall provide a bulletin board as a limited forum for employees to post professional development information and other apolitical literature that is directly connected to employment at the District and is consistent with Board policy and applicable law. All distributed and posted materials shall be professional in approach, shall not contain any derogatory comments about staff, parents, students or board members and shall not be in contravention of any Board policies or law. The District Administrator and/or his or her designee may remove material from the bulletin board(s) at his or her discretion.

3.05 Child Abuse Reporting

Any school employee who has reasonable cause to suspect that a child, seen by the person in the course of professional duties, has been abused or neglected or who has reason to believe that a child, seen by the person in the course of professional duties, has been threatened with abuse or neglect, and that abuse or neglect of the child will occur, have an obligation to report such suspicion. 3.06 Communications

The District is committed to providing technology resources to communicate effectively. Employees are expected to abide by the attached district communication policies.

3.07 Confidentiality

Pupil information employees obtain as the result of their employment with the District is confidential and protected by law unless such information has been designated as pupil directory data as set forth in District policy. The law and respect for our students require that pupil information may only be discussed with the student, his or her parents/guardians and District employees, who need to know the information. Disclosing pupil information to anyone else is a violation of the law and a violation of the District's expectations. In addition to student information, confidentiality is expected in other areas, including employee or District business information. Any requests for pupil information and/or District records shall be referred to the appropriate administrator.

3.08 Conflict of Interest

A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party the employee is affiliated with because of the employee's position with the District. Employees are asked to avoid outside activity that may compete or be in conflict with the best interests of the District. Employees must disclose to their immediate supervisor information of any transaction that may be considered a conflict of interest as soon as they know the facts. No employee may use his or her position to obtain financial gain or anything of substantial value for the private benefit of himself or herself or his or her immediate family, or for an organization with which he or she is associated.

3.09 Criminal Background Checks/Charges/Convictions for Active Employees - Obligation to Report Criminal Record

All District employees shall notify their immediate supervisor or administrator as soon as possible, but no more than three (3) calendar days after any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of the employee, whichever occurs first for any felony and any of the other offenses as indicated below:

- a. crimes involving school property or funds;
- b. crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator;
- c. crimes that occur wholly or in part on school property or at a school-sponsored activity;
- d. crimes that involve minors, including, but not limited to current or former students enrolled in the District;
- e. crimes referenced in Wis. Stat. § 115.31; and/or
- f. immoral conduct as defined in Wis. Stat. § 115.31.

The requirement to report a conviction or deferred adjudication shall not apply to minor traffic offenses (e.g., speeding, parking, seatbelt violations, etc.). However, the District does not classify an offense of operating under the influence, revocation or suspension of license, and driving after revocation or suspension as a minor traffic offense. Such report shall be made as soon as possible, but in no circumstance more than three (3) calendar days after the event giving rise to the duty to report. The District may conduct criminal history and background checks on its employees.

An arrest or indictment shall not be an automatic basis for an adverse employment action. However, if the offense giving rise to the arrest or indictment is a felony and/or substantially related to the circumstances of the employee's job. If the arrest or indictment relates to a pending criminal charge, the District may suspend the employee. Arrests or indictments for which criminal charges were dismissed shall not be the basis for adverse employment actions.

Conviction of a crime shall not be an automatic basis for an adverse employment action. The District may consider factors including the following, in determining what action, if any, should be taken against an employee who is convicted of a crime during employment with the District: (1) the nature and gravity of the offense or conduct; (2) the time that has passed since the offense, conduct and/or completion of the sentence; (3) the nature of the position to which the employee is assigned; and (4) (for-non-felonious crimes only) the relationship between the offense and the position to which the employee is assigned.

Nothing in this provision shall prohibit the District from placing an employee on administrative leave based upon an arrest, indictment or conviction.

3.10 District Property

Employees are expected to show reasonable care for any equipment issued and to take precautions against theft. Employees cannot take District property for personal use or gain. Any equipment, unused supplies, or keys issued must be returned prior to the employee's last day of employment, including, but not limited to: employee identification badges and the key card for building entry. District equipment borrowed for short term use must be returned the first work day after project completion.

3.12 Employee Identification Badges

The District shall provide employees with an employee identification badge. Employee identification badges allow students, parents, coworkers, vendors and the public to know who employees are. They are an important part of providing a secure environment for our students. Employees must wear their employee identification badges in a visible spot during their contracted work time.

3.13 False Reports

An employee shall not make false reports or statements arising out of or related to or arising out of his or her employment with the District. This provision applies to verbal and written reports and statements. Any employee who suspects fraud or financial impropriety in the District shall report the suspicions immediately to any supervisor, the District Administrator or designee, the Board President, and/or local law enforcement. Reports of suspected fraud or financial impropriety shall be processed and investigated in a manner that gives appropriate consideration to the confidentiality of these matters. However, limited disclosure may be necessary to complete a full investigation or to comply with law. Neither the Board nor any District employee shall unlawfully retaliate against a person who, in good faith, reports perceived fraud or financial impropriety.

3.15 Fraud and Financial Impropriety

The District prohibits fraud and financial impropriety, in the actions of its Board members, employees, vendors, contractors, consultants, volunteers, and others seeking or maintaining a business relationship with the District.

Gifts: An employee or a member of the employee's immediate family may not accept, directly or indirectly, any gift, money, gratuity, or other consideration or favor of any kind from anyone other than the District that a reasonable person would understand was intended to influence official action or judgment of the employee in executing decision-making authority affecting the District, its employees or students. It shall not be considered a violation of this provision for an employee to receive incidental entertainment, food, refreshments, meals, or similar amenities, that are provided in connection with a work-related activity where such incidentals primarily facilitate the employee's attendance at and participation in the activity, and, therefore, primarily benefit the District. Exceptions to this provision are acceptance of minor items, which are generally distributed to all by companies through public relations programs. Teachers may accept only gifts of token value from students.

It is the District's policy for individuals to decline gifts, gratuities or favors from any outside organization or individual doing business or seeking to do business with the District. Gifts that are intended for the benefit

of the District must be referred to Administration for proper processing under the District's policy on gifts and solicitations and the terms of § 118.27, Wis. Stats. Gifts of nominal or of insubstantial value and services offered for a reason unrelated to the employees' position and which could not reasonably be expected to influence a decision could be accepted. Larger gifts to employees as an individual and gifts of more than a nominal or insignificant value must be graciously declined.

- B. Sale of Goods and Services: No District employee may receive for his or her personal benefit anything of value from any person other than the District to sell, promote the sale of or act as an agent or solicitor for the sale of any goods or services to any public school pupil while on the property of the District or at an activity of the District. § 118.12, Wis. Honesty is a core value in the District. An employee shall be honest and trustworthy in all aspects of his or her work with the District, including in verbal statements, written documents, and electronic media.

3.19 Investigations

- A. Expectation of Cooperation: In the event of a District investigation or inquiry, every District employee has an affirmative duty to provide to his or her supervisor(s) or any other District official assigned to investigate all relevant and factual information about matters inquired except as provided for below in paragraph "B". An employee must volunteer such information, or the employee's failure may constitute "insubordination."
- B. Investigation interplay with potential criminal conduct: If the alleged misconduct being investigated by the District may constitute criminal conduct by the employee, the employee may be provided with a Garrity warning. *Garrity v. New Jersey*, 385 U.S. 493 (1967).
- C. Administrative Leave: The District may place an employee on administrative leave, paid or unpaid, during an investigation into alleged misconduct by the employee.

3.20 Licensure/Certification

Each employee who is required to hold a specific license or certification by law or by Board policy must provide the District with a copy of the current license or certificate to be maintained in his or her personnel file. Employees are expected to know the expiration date of their license/certification and meet the requirements for continued licensure or certification in a timely manner. A teaching contract with any person not legally authorized to teach the named subject or at the named school shall be void. All teaching contracts or Letter of Assignments (and thus the employment relationship) shall terminate if, and when, the employee's certification / licensure terminates.

3.21 Nepotism

Applicants for employment in the District shall be selected without regard to a familial relationship which they may have with a current employee of the District. However, to avoid possible conflicts of interest, an employee who is related to another employee or applicant, by blood or marriage, shall not participate in any decision to hire, retain, promote, evaluate or determine the salary of that person.

3.22 Operators of District Vehicles, Mobile Equipment and Persons Who Receive Travel Reimbursement

- A. - B. Notice of Traffic Violations: All employees who are required to drive a District vehicle, operate mobile equipment, or receive a District travel allowance or mileage reimbursement, even on a periodic basis, must notify their immediate supervisors immediately of any driving citation or conviction of a traffic violation. It is the responsibility of the driver. The reporting provision applies to citations or convictions as a result of operating either a District vehicle or personal vehicle.

- C. Commercial Driver's License (CDL): In addition to the notice requirements above, a CDL driver must notify his or her employer, in writing and within thirty (30) calendar days, of a conviction for any traffic violation regardless of the type of vehicle being driven at the time of the violation.
- D. Personal Transportation Utilized for School Use

A minimum of private car transportation will be utilized. Employees must notify and receive approval from the building principal prior to transporting students in private cars for school activities. Such approval shall be in compliance with all applicable state and federal laws and administrative code provisions and shall include, but not be limited by enumeration, a review of the employee's driving record and an examination of the vehicle.
 2. Personal Vehicle Reimbursement
Damage to personal vehicles while used as authorized above for transporting students for school activities may be reimbursed by the District, in its discretion, provided the District's maximum reimbursement shall not exceed the deductible amount to a maximum deductible amount of five hundred dollars (\$500.00). No such reimbursement shall be provided where the employee is found to be liable in any degree for the damage to the personal vehicle.
 3. All transportation will be done in accordance with Board policy.

3.23 Outside Employment

Outside employment is regarded as employment for compensation that is not within the duties and responsibilities of the employee's regular position with the school system. Personnel shall not be prohibited from holding employment outside the District as long as such employment does not interfere with assigned school duties. The District shall have the discretion to determine whether outside employment interferes with the employee's assigned duties. The School Board expects employees to devote maximum effort to the position in which employed. An employee will not perform any duties related to an outside job during regular working hours or for professional employees during the additional time that the responsibilities of the District's position require; nor will an employee use any District facilities, equipment or materials in performing outside work. When the periods of work are such that certain evenings, days or vacation periods are duty free, the employee may use such off-duty time for the purposes of non-school employment.

3.24 Personal Appearance/Staff Dress Code

District employees are judged not only by their service but also by their appearance. It is the District's expectation that every employee's appearance is consistent with the high standards we set for ourselves as a District. Employees are expected to present a well-groomed, professional appearance and to practice good personal hygiene. Remember, to our students, parents and the public, employees represent the District.

The District expects that all employees are neat, clean, and wear appropriate dress for work that is in good taste and suitable for the job at hand. The District will not tolerate dress or attire from school employees that the principal or supervisor considers disruptive, inappropriate, or which adversely affects the educational atmosphere. All employees must wear name badges.

Appropriate safety gear shall also be worn at all times as deemed necessary. Any designated employees (e.g. custodial, cleaning, maintenance, transportation, food service et al), shall not wear open-toed or slip-on shoes during regular work hours. The food service department must adhere to the dress code set forth by the Food Service Management Firm.

Employees have no expectation of privacy with respect to any item or document stored in or on District-owned property, which includes, but is not limited to, desks, filing cabinets, mailboxes, lockers, tables, shelves, and other storage spaces in or out of the classroom. Accordingly, the District may, at any time and in its sole discretion, conduct a search of such property, regardless of whether the searched areas or items of furniture are locked or unlocked.

Employees have no expectation of privacy to items maintained in plain view, for example, but not limited by enumeration to automobiles parked on the District's property, items left on top of or within desks and cabinets, lockers, etc. Items not in plain view and contained within an employee's personal property, e.g. purse, wallet, coat, backpack, etc., may be searched in accordance with applicable state and federal law.

The District does not assume any responsibility for loss, theft or damages to personal property. In order to minimize risk, the District advises employees not to carry unnecessary amounts of cash or other valuables. If employees bring personal items to work, they are expected to exercise reasonable care to safeguard them. The District is not liable for vandalism, theft or any damage to cars parked on school property. The District carries no accident insurance or other insurance coverage for any loss or injury for which the District does not have legal responsibility.

3.26 Personnel Files

An employee shall have the right, upon request and consistent with the timelines and content limitations specified in state law, to review the contents of his or her personnel file, while in the presence of the administrator or his designee. An employee shall have the right, upon request, to receive copies of any documents contained in the personnel file except those delineated in § 103.13(6), Wis. Stats., upon payment of the actual cost for making such a copy, as identified in Board Policy.

If the request to review personnel records is pursuant to an active grievance filed by that employee, the District will provide copies of the records to the employee, at the employee's expense, and the employee and his or her representative may examine the copies outside of the presence of the administrator/records custodian.

After reviewing his or her personnel records, the employee has the right to request that records he or she believes to be inaccurate or obsolete be removed from his or her file. If the District denies the request, the employee has the right to file a written rebuttal statement and have that rebuttal attached to the disputed record. If the District intends to release the disputed record to a third party, the District must also release the attached employee rebuttal statement to the third party. § 103.13(4) Wis. Stats.

3.27 Personnel – Student Relations

All District personnel must recognize and respect the rights of students, as established by local, state, and federal law, and Board policies. Further, employees shall refrain from engaging in any actions or conduct of a sexual nature (verbal or physical) directed toward a student, including, but not limited to, sexual advances, activities involving sexual innuendo, or requests for sexual favors or sexually explicit language or conversation. Employees shall not form (or seek to form) inappropriate social or romantic relationships with students, regardless of whether or not the student is 18 years old. - B. During established hours of employment or while an employee is engaged in his or her official duties, no employee or other person may solicit or receive from any employee any contribution or service for any political purpose, where a "political purpose" includes an act done for the purpose of influencing the election or nomination for election of a person to office. Furthermore, no person may enter any District building, office or facility in order to request, make or receive a contribution for a political purpose.

- C. No employee shall use in any way the classrooms, buildings, or pupils for the purpose of solicitation, promotion, election, or defeat of any referendum, candidate for public office, legislation, or political action. A schedule of hours shall be prepared for part-time employees. Such schedule shall be made known to the affected employees.

3. Additional Hours and Overtime - Approval and Assignment:

- a. Approval: In order for an employee to work beyond his or her contract hours in any week, prior approval must be obtained from the immediate supervisor. Exceptional cases requiring overtime may be approved after the overtime is worked when all administrators/principals/immediate supervisors are unavailable and such pre-approval may cause harm to students, staff, and the community or District property.
- b. Assignment: Additional hours and overtime assignments shall be assigned at the discretion of the District.
- c. Pay Rate for Overtime: Time worked over forty (40) hours per week is paid at one and one-half (1 ½) rate. Time over forty (40) hours per week does not include sick, vacation, holiday, or personal leave time. The reason for overtime must be indicated in the time-keeping system. For the sole purpose of determining the appropriate pay period for the receipt of overtime pay, a week is defined as a pay period starting at 12:00 a.m. on Sunday and ending at 11:59 p.m. on Saturday.

4. Compensatory Time Off:

- a. In lieu of overtime pay, employees may, at their option, choose to receive compensatory time off. Compensatory time off may be taken by mutual agreement between the employer and the employee. One and one-half (1 ½) hour of compensatory time off will be granted for each one (1) hour worked above forty (40) hours per week. Time over forty (40) hours per week does not include paid time off, i.e. sick, vacation, holiday or personal leave time.
- b. Employees shall use the time keeping system for requesting and utilizing Compensatory time. The employee may accumulate up to forty hours of compensatory time off. Any overtime exceeding forty hours must be paid in cash. The employer, in its sole discretion, may pay cash in lieu of accrued compensatory time off at any time. Any unused compensatory time off as of June 30 will be paid out in the July payroll.

The District may in its discretion deny a request to use compensatory time off if the employee's absence on the day requested would cause an undue disruption to the District's operations (e.g., another member of the department or grade level has already requested leave on that day; the District has a special event scheduled such as an open house or parent teacher conferences; the District is unable to find a substitute employee and would be left short-staffed, etc.).

5. Lunch Period:

All employees who are scheduled to work seven (7) hours or more per day will be scheduled an unpaid half-hour lunch period, which shall be duty free. The duty free lunch must be taken during the work day, and may not be used at the beginning or the end of the work day.

Time sheets or an on-line time keeping system shall be used by all hourly employees. Employees will sign in only at such time as they are fully prepared to begin work and are scheduled to work. Employees are responsible for their own time keeping and shall not sign in or out for any other employee. If an employee leaves the premises for any non-business reason, he or she must sign out and sign in upon return.

Staff who are required to attend administratively-called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

13.02 Reasons for Personal Leave

Personal leave may be used for compelling personal obligations which cannot reasonably be conducted outside of the employee's workday.

Vacation time shall be allocated to calendar year employees on July 1 of each calendar year.

14.02 Calendar Year Employees

Start of Year eight (8) of service	Fifteen (15) days
Start of Year fifteen (15) of service	Twenty (20) days

Vacation time shall be prorated for calendar employees who work less than full-time, according to percentage worked.

Employees in their 1st year of service earn a pro-rated amount of vacation based upon the number of months worked. For example, an employee hired on October 1, 2011, would be eligible to earn nine-twelfths (9/12) of the employee's vacation allotment on October 1, 2011. This would entitle the employee to $9/12 \times 5$ days on October 1, 2011 or 3.75 days. The employee under this example would be entitled to five (5) days of vacation on July 1, 2012. This provision is not retroactive.

"Years of Service" as set forth in this Section refers to years of service in the District in a position that is eligible for vacation. Eligible employees in the District shall receive the preceding vacation depending on years of service as measured each July 1. Employees must start employment prior to January 1 of the year to receive a year of service on the following July 1. For part-time calendar employees, vacation pay shall be pro-rated based on the average number of hours worked per week during a calendar year.

Crediting of Vacation Leave: Vacation leave though credited at the beginning of each contract year is vested only upon completion of the work year. Any employee terminated or resigning will be credited only with those days earned at the time employment is severed. An employee, who has used vacation leave at the time of termination or resignation of employment that has not yet vested, will be required to reimburse the District for any used time that has not yet vested.

14.03 Scheduling of Vacation

Vacation time may be taken in full blocks or in shorter blocks not less than fifteen (15) minutes as arranged with the immediate supervisor. Requests for vacation time shall normally be made and approved at least five (5) working days prior to taking such leave, however, vacation time requested with less than five (5) working days' notice may be approved by the District Administrator and/or his or her designee. No employee may be denied the ability to take all of his or her accrued vacation during a 12-month period, but the District Administrator and/or his or her designee shall have the right to schedule vacations on a first-come, first-served basis, as necessary to accomplish work objectives. All vacations shall be taken during the school vacation months except by special arrangement with the immediate supervisor or his or her designee.

14.04 Vacation Accumulation

An employee may carry over a total of five (5) vacation days from the prior year to the next year's vacation amount. Carry over days must be used no later than December 31 of that contract year. Any carry over days not used by December 31 of that contract year shall be forfeited and shall not be paid out.

14.05 Payment upon Employment Severance/Transfer to a Position Not Eligible for Vacation

Employees who sever from employment for any reason other than disciplinary action or who transfer to a position that is not eligible for vacation, shall be entitled to the vacation pay remaining that has vested in their accumulation. Compensation for any unused vacation days will be equal to the daily wages per accumulated day at the time of the employee's termination and will be remitted on the final paycheck or the paycheck following the transfer.

If January 1st falls on a Sunday and school is scheduled to begin on the following Monday, the preceding Thursday shall be observed as the December 31st holiday and the preceding Friday shall be observed as the January 1st Holiday. If December 24th and December 31st fall on a Sunday, the preceding Friday shall be declared the holiday unless the preceding Friday is a student contact day. If the preceding Friday is a student contact day, Section 15.03 will apply.

15.03 Holidays Falling on Student Contact Days

If any of the holidays listed in Section 15.01, above, fall on a student contact day, the employees shall work their regular hours that day, and shall instead receive a paid holiday on a date determined by the Administration.

The length of the leave shall be determined on a case by case basis.
- C. Benefits During Leave:
 1. Length of service and other benefits shall not accrue during such leave.
 2. The employee may continue health insurance during the leave of absence by remitting the full premium amounts to the District. Upon return from any leave of absence, the employee may be returned to his or her former position, if available. If the former position is not available as determined by the District, the employee shall be returned to a position equivalent in terms of percentage of contract unless the employee's percentage of contract was reduced or increased due to nonrenewal or reduction in force, whichever is applicable:
1. The employee shall be eligible to return to duty from an unpaid medical leave of absence when he/she is physically able provided:
 2. The employee has previously indicated his or her intent to return to duty following the expiration of the medical leave.

The District has the discretion to designate another physician to verify or refute the employee's physician's certification. If the two (2) physicians' certifications are in conflict, a 3rd mutually agreed to physician will issue a physician's certification. The 3rd physician's certification will be binding on the parties. The District will pay all costs associated with the 2nd and 3rd physician's certification.
- E. Failure to Return after Expiration of Leave: In the event the employee does not return to work following the expiration of the leave, and subject to applicable legal restrictions, he/she will be deemed to have resigned his or her position with the District and waived any and all rights to further employment by the District.
- F. Interaction with Family and Medical Leave Provisions: Unpaid medical leave, the term of such leave and participation in insurance programs under this section as provided for above shall run concurrent with any leave(s) provided for under the Wisconsin Family and Medical Leave Act and/or under the federal Family and Medical Leave Act.

If an employee has overused sick, personal, or vacation time earned, the employee will have an amount equal to the value of that overused leave withheld from his or her last paycheck. The District's obligation to pay its share of the employee's insurance benefits will terminate at the end of the month in which the employee works his or her last day.

5.02 Discipline and Termination

Probationary employees may be disciplined or terminated from employment by the District in its sole discretion. Such discipline or termination will not be subject to the grievance procedure provisions of this handbook.

No non-probationary employee may be disciplined or terminated for arbitrary or capricious reasons.

5.03 Representation

In the event any employee is called to a meeting with representatives of the District for the purpose of issuing discipline or the termination of employment, or for the purpose of investigating circumstances which may lead to discipline or discharge, the employee has the right to request representation. In the event the employee chooses to have representation, the meeting may be delayed, at the discretion of the District, until appropriate representation may be obtained. Nothing in this provision shall prevent the District from removing an employee from the work place if immediate action is required.

PART IV - CO-CURRICULAR STAFF

SECTION 1 - ATHLETIC AND ACTIVITY ASSIGNMENTS

1.01 Letter of Assignment

Employees shall assume responsibility for the supervision of the extra-curricular activities that are included in their letters of assignment. Such activities shall be governed according to the following guidelines:

- A. Extra-curricular assignments will be posted internally to the teaching staff first for a minimum of 5 working days. After that, if the position has not been filled, the assignment will be posted externally.
- B. Activity assignments will be offered to the individual who, in the sole discretion of the District, is the most qualified applicant. However, under no circumstances shall a Board member work as a coach, assistant coach, advisor, or assistant advisor to an extra-curricular activity.
- C. The stipend for extra-curricular activities shall be specified in the letter of assignment.
- D. The letter of assignment shall not be deemed a contract, and individuals holding extra-curricular positions are at-will employees.

1.02 Payments

Payments for extra-curricular activities shall be made in accordance with District payroll procedures at the end of the term of the assignment. See the Appendix for the pay schedule information.

1.03 Work Schedule

Extra-curricular assignments may occasionally occur during part of an employee's regular workday in his or her other position(s) with the District (e.g., as a teacher). In such cases, the employee shall consult with the supervisor of his or her regular assignment to determine the appropriate course of action. In the supervisor's sole discretion, the employee may be (1) required to work a flexible schedule to make up time lost during his or her regular work week; (2) relieved from the requirement to make up the time lost; (3) required to re-schedule the extra-curricular activity; or (4) required to take any other action that the supervisor deems reasonable. All coaching staff who are not contracted as a full time teacher with the District must log their time that they spend on their assignment. The log must be turned in to the Athletic Director prior to final payment for their coaching duties.

1.04 Evaluation of Extra-Curricular Assignments

Individuals holding extra-curricular assignments shall be evaluated in the manner and frequency that their supervisor deems appropriate. When determining the manner and frequency of evaluations, the supervisor may take into account such factors as (1) the individual's experience with the particular activity; (2) input received from participants, parents, and other stakeholders; (3) the extent to which an individual needs additional guidance or oversight; and (4) any other consideration that a supervisor, in their reasonable discretion, deems appropriate.

1.05 Volunteers

Upon approval from the head coach/advisor and the athletic director or principal, an individual may serve as a volunteer coach/advisor for an extra-curricular activity. The following guidelines apply to volunteers:

- A. They will not be eligible for salary/wages, stipend, or benefits;
- B. They will be covered by the District's general liability insurance policy while acting as a volunteer coach for the District. However, there is no coverage under the District's liability insurance policy for claims made against volunteers by other volunteers or District employees;
- C. They will be responsible for their own personal injuries(i.e., ineligible for worker's compensation);
- D. They must consent to a background check;
- E. They must follow all District activity, athletic policies and procedures and other Board policies as applicable;
- F. They accept direct and indirect supervision of the head coach; and,
- G. They may be dismissed at any time without cause.

PART V - SUBSTITUTE EMPLOYEES

SECTION 1 - SUBSTITUTE TEACHERS AND TEACHING ASSISTANTS

1.01 Licensure and/or Permit, Training and Evaluation

All substitute teachers and teaching assistants shall have the necessary license and/or permit required by state law to serve in the substitute assignment.

1.02 Assignment and Professional Responsibilities

- A. Assignments: The Aesop automated substitute placement system will make all assignments for day-to-day substitutes. The substitute is responsible for their assignments accepted in the automated system.
- B. A “Substitute Folder” will be available for each substitute. It will contain all pertinent information so that the substitute can effectively cover the assignment.
- C. Professional Responsibilities: The professional responsibilities and duties of substitutes shall be consistent with the regular employee responsibilities and duties of the employee for whom they are substituting. When a substitute is employed as a long-term substitute teacher, or is employed at the end of the semester, they are expected to complete all tasks as deemed necessary by the principal.
- D. Long-Term Substitute Teaching Assignment: When a substitute is assigned for more than twenty (20) consecutive days in the same position, the long-term rates apply retroactive to the first day, unless the long-term nature of the assignment is known in advance, in which case payment will begin on the first day.
- E. Substitute Day: A support staff substitute’s absence will have the hours of the assignment documented in the automated placement system. A substitute’s teaching day shall be eight (8) hours for a full day, excluding the duty free lunch, or four (4) hours for a half day.
- F. In-Service: Long-term substitutes may be required at the administrator’s discretion to attend in-service days and will receive their long-term rate.
- G. Lunch: Substitutes shall be provided a lunch period consistent with the staff person that the substitute is replacing.
- H. Orientation Meeting: The District may have an orientation meeting at the beginning of each school year. Attendance at the in-service will be strictly voluntary. Substitutes attending the in-service will not be compensated for their attendance unless otherwise noted.
- I. Substitute Resource Guide: Each substitute will be provided with a resource guide at the beginning of each school year to detail procedures for substituting in the District.

1.03 Dismissal/Removal from Substitute List

Substitutes are not regular employees and therefore have no expectation of continued employment. As such substitutes may be disciplined or terminated for any reason and without recourse to the grievance procedure. Substitutes may also be removed from the substitute call list at the discretion of the District for any reason and without recourse to the grievance procedure.

1.04 Substitute Teacher Pay Schedule

Substitute teachers shall be employed at the rate established by the District.

Sport Event Workers:.

Sport Events are paid at \$25 per one equalent. Some events are worth more than 1 sport event.

Sport Event Worker Day

Teaching staff can sign up for 5 events* in order of seniority in the District. After the first round of teachers has had an opportunity to sign up, teachers will have the opportunity to sign up for any remaining events without regard to seniority. After that, the remainder of the events may be filled with other staff with prior approval of the Human Resource office to ensure Labor and Hour Laws and other benefit issues have been addressed. Any non staff members who are interested in taking the remaining jobs must have prior approval by the Human Resource office. The events will be organized by the Athletic Director.

Staff who work 5 or more Sporting Events will earn a "Sport Event Worker Day". The time off earned as a "Sport Event Worker Day" follows the same rules as a Personal Day when determining how it can be used. Only 1 "Sport Event Worker Day" can be earned in a school year. The day cannot be carried over past the current school year. If the day has not been used during the school year, \$125 (\$25 per event) will be paid to the employee on the June payroll.

The Athletic Director will provide the business office with the names of the event workers. The District may, and reserves the right to decline to have any individual work a particular event or events.

Draft - Emergency Closure Language to Add to Employee Handbook

The Administration proposes adding the following language to Section 9.06 - Emergency School Closures (page 27) in the Employee Handbook:

Emergency Closures of More Than Five Consecutive Work Days:

If an Emergency School Closure lasts for more than five consecutive work days, then the following procedures will be put in place beginning on the sixth day. All regular, full-time and part-time salaried, hourly, and extracurricular employees will continue to be paid at their regular rate of pay if they are available to work and meet the work expectations (virtual and/or on-site) as directed by the administration.

Employees who are unable to work or do not meet the work expectations as directed by administration may elect to use applicable paid time off including sick, personal, or vacation time. In the event an employee does not have eligible paid time off, they would be in unpaid status. Benefit eligibility will not be affected by employees in unpaid status during the duration of time defined above

All non-regular, itinerant or variable hourly employees will not be paid during the time of district closure, unless their services are needed. Non-regular, itinerant, and variable hourly staff includes all substitute teachers, officials, athletic and special event workers, and other staff who work on a temporary, casual, or variable basis for the district.
