Ms. Sandridge distributed a petition which was circulated against the reconfiguration in which 70 families participated. These families would like the Board to consider their comments.

II. Administrative Reports

II.A. Superintendent's Announcements

- Happy New Year and welcome back to school this week. Staff and students hit the platform running.

- The Board officially reached out to the Newtown community. We will keep them in our thoughts and prayers and continue to reach out to the community.
- The district has taken precautions and will continue to review safety issues. We have cameras, video entrance systems and our emergency operations plan is in full implementation this year. We have reviewed our processes since the tragedy. Funds for safety have been set aside and will be discussed as part of the plus one budget tonight.
- The topic of the intermediate school reconfiguration will come to the Board either January 23rd or February 6th and this will be communicated to all parents. Prior to the break, parents met with administrators to discuss the intermediate school reconfiguration topic. Most of the research is at our disposal and we are putting the information together.
- The search for a new middle school principal is in process. Mr. Heminway has offered to be the board representative on the search committee.
- The Board should have received this evening 4-year Ivy League college information requested from the last board meeting.

III. Consent Agenda

III.A. Minutes

III.B. Retirements

A motion was made by Ed Ohannessian and seconded by Ronald Walther to adopt the consent agenda. This motion passed unanimously at 7:25 p.m.

IV. Old Business

IV.A. FY14 Budget Goals

The FY14 budget goals were discussed at the last meeting and a slight modification was made. A motion was made by Ed Ohannessian and seconded by Rosemarie Weber to approve budget goals as presented. This motion passed unanimously at 7:27 p.m.

V. New Business

V.A. First Reading of Policies 4118.11, Personnel - Non-Discrimination; 5145.4, Students - Non-Discrimination; and, 1110.1 Community Relations

The Curriculum Subcommittee offered the above policies for a first reading. It was noted that Policies 4118.11 and 5145.4 should both state, "...cannot discriminate against ancestry and genetic information". This correction will be made and these policies will go to the Board for a second reading at the next meeting.

V.B. FY14 Plus One Budget

Mr. Addley presented the Plus One Budget. There will be a meeting on January 22nd with the Board of Selectmen (BOS), Board of Finance (BOF) and Board of Education (BOE). The BOE has been in close communication with the BOF to work with some of the guidelines that have been set. There is a 2% guideline and the plus one budget is coming in with 2.1%. Some highlights, all subject to further discussion, include: Enrollment projected to decrease by 61 students next year; addition of an instructional coach to work with teachers in meeting the needs of our highest performing students; an increase for funding for the teacher/administrator evaluation plan as well as curriculum writing for the new common core state standards; one new bus added to the fleet; special education salaries include net reduction of \$159K from efficiencies from the special education review; and line items that are zero budgeted are textbooks, workbooks, software. Concern was raised that the district is falling behind in general upkeep (i.e., painting); therefore, a recommendation has been made to add \$25K in FY13 end-of-year spending. The Board would like to report on the Q&D budget as well as the operating budget figures. The funded and unfunded items for small capital were also discussed, with the suggestion made that any year-end surpluses be applied to these items rather than returned to the town. The Board inquired if this budget takes into account maintenance needs of the new athletic facility. Mr. Traver will look into the cost of the maintenance needs for the new athletic facility. The Board will refer any other questions on the plus one budget to Alan.

VI. Miscellaneous

VI.A. Board Standing Committee Reports

VI.A.1. Curriculum/Policy/Technology/Communication

This subcommittee met tonight and discussed the Curriculum Director's report; professional development in the district; a draft policy for an individual education plan which will go forward to the Board for a first reading; a draft discipline policy which will be reviewed by subcommittee members; and, Zippslip and the expanded version as well as policy implications. The Subcommittee believes that they can offer an expanded version at the parents' option at a fee, and within the current policy. With regard to the advertising aspect of Zippslip, the subcommittee is recommending the Administration develop a pilot program and solicit feedback. The subcommittee also discussed the intermediate school reconfiguration and will bring this topic to the Board in late January/early February. Additionally, the subcommittee discussed two new text recommendations: The Glass Castle and Numbers Talk which will be put on the consent agenda at the next meeting.

VI.A.2. Finance/Personnel/Facilities

This subcommittee did not meet.

VI.B. Other Board-Related Reports

VI.B.1. Athletic Field Project Committee

It was reported that initial bids all came in over the budget (20%). The committee is exploring where costs can be cut such as: eliminate field logo; downgrade turf quality; downgrade grandstands; eliminate elevator lift; change pavers to asphalt, and do not remove soil in order to change overall grade. Will send out a revised bid package and get bids back by the 17th to see if they are within budget. Priority is the athletic experience, spectator experience, and then administrative (maintenance). It was suggested that the possibility of increasing the available funding be explored with the BOS and BOF, given that other projects funded through the bond referendum may have come in below budget and the athletic facilities are a core town resource.

VI.B.2. CREC/CABE

CABE reached out to Newtown and provided coffee and donuts to the faculty upon their return to school.

VI.B.3. Granby Education Foundation

The Granby Education Foundation has not met since last reported.

VI.B.4. District Efficiency Initiatives

Granby is monitoring Suffield's re-lamping project result to understand some issues that have arisen in realizing the forecasted savings.

VI.C. Calendar of Events

There is a proposal for a special meeting to discuss 1:1 computing on January 9th and at least one board member cannot attend. It was discussed and the Board agreed to hold the special meeting on January 9th. Additionally, it was suggested to move the meeting on January 16th to January 23rd due to a conflict. The Board agreed to this change.

VI.D. Board Member Announcements

There were no board member announcements.

VII. Executive Session/Non-Meeting

A motion was made by Ronald Walther and seconded by Rosemarie Weber to adjourn the regular meeting and enter into an Executive Session to discuss a personnel matter. This motion passed unanimously at 8:37 p.m. The Executive Session adjourned at approximately 9:00 p.m.

Respectfully submitted,

II. 1-to-1 Computing

Mr. Heminway stated the Board has requested administration to come forward with a recommendation on 1-to-1 computing. He asked that the Board support 1-to-1 as it relates to philosophy and funding. Community Relations

Communications with the Public

Parent Involvement

Aligned with our district mission to foster effective collaboration, the Granby Board of Education (BOE) believes that improved student achievement is the shared responsibility and goal of the BOE, parents, teachers, the school system and the community at large. Research supports our belief that the education of our children must be a collaborative effort between families and school, and that meaningful cooperation and effective communication between home and school improve the quality of education significantly. Consistent and two-way communication and cooperation between teachers and parents, including guardians and other family members involved in supervising children's education, improves student behavior and attendance and, ultimately, achievement.

Therefore, all parents, guardians and care-givers of students in our schools are encouraged to take an active role in the education of their children, and school personnel will ensure a variety of opportunities for parents to participate in the life of the school community. The opportunities provided by each school are in no way a limit on the ways in which parents can and should be involved in their child's education. Each school will develop an annual plan to foster opportunities for parent and family involvement and participation including, but not limited to, such steps as ensuring that:

- Parents and guardians are welcome in every school and their support, assistance and input is sought in assisting student learning.
- Communication between home and school is regular, two-way, meaningful and consistent, and reflects updated and accurate information.
- Systems of communication are developed and refined to meet the needs of all our families including those from other communities.
- Conference schedules respect the needs of working families.
- Community resources are made available to strengthen school programs and student learning.
- Opportunities are provided for parents to give input regarding decisions affecting children and families.
- Opportunities for parent and community involvement foster shared responsibility for student learning.

The Superintendent will report to the Board of Education annually on parent involvement opportunities.

While complaints are being investigated, the safety of all parties will be ensured. Once a complaint has been received, interim measures such as counseling, stay away mechanisms, and/or ~~accommodations-academic adjustments~~ may be utilized. All proceedings shall be kept confidential as is appropriate and if discrimination is found, steps will be taken to promptly and effectively end the discrimination, prevent its recurrence, and remedy its effects. In determining if discrimination occurred, a preponderance of evidence will be used. All parties will be notified of the outcome of the investigation subject to the District's legal responsibilities to comply with the Family Educational Rights and Privacy Act (FERPA) 20 U.S.C. § 1232g. Evidence of reprisal or retaliation against any party shall be viewed as an infraction of the policy and will not be tolerated.

In compliance with regulations of Title VI, Title VII of the Civil Rights Act of 1964, Title IX of Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act and the Civil Rights act of 1987, the Granby Board of Education adopts the following Equal Employment Opportunity and Equal Educational Opportunity Policies.

The following grievance procedure shall be utilized by any student, parent/guardian, employee, or applicant in making a complaint or inquiry.

Level I: Early Complaint Resolution [*Informal Resolution Mechanism*]

Early Complaint Resolution allows the parties (the complainant and the individual who caused the alleged discrimination) an opportunity to resolve the alleged discrimination quickly. If both parties are willing to try this approach, and if the Compliance Coordinator(s) determines that Early Complaint Resolution is appropriate, the Compliance Coordinator will facilitate settlement discussions between the parties and work with the parties to help them understand the legal standards and possible remedies. The Compliance Coordinator(s) will attempt to resolve the complaint within 5 school days. Any time during Early Complaint Resolution, either party can opt to move to Level II. Throughout the process, building administrator(s) will be kept apprised of developments.

Early Complaint Resolution is not appropriate in cases of sexual violence, if multiple complaints have been lodged against the same alleged discriminator, or if either party opts out of Level I in lieu of moving to Level II.

Students

Nondiscrimination (Cont'd)

Level II: Formal Complaint

The complainant shall, within 180 days of the alleged incident, on forms provided, put the complaint in writing and file it with the Compliance Coordinator(s). The Complainant may file the complaint orally and the Coordinator will reduce it to writing. The following are the steps involved in investigating a complaint:

- 1) The Coordinator will interview the complainant and, if different, the student victim within two school days following receipt of the complaint.
- 2) If applicable, steps will be taken to protect the complainant/victim, including developing an interim safety plan, pending the final outcome of the investigation.
- 3) After gathering information from the complainant/victim, the Coordinator will inform the accused of the charges and interview the accused within two school days following receipt of the complaint.
- 4) The Coordinator will investigate and resolve the complaint within five school days if possible, but within no more than ten school days following receipt of the complaint.
- 5) During the investigation, the Coordinator is a neutral fact-finder. Techniques used during the investigation will include reviewing documentary evidence and conducting witness interviews.
- 6) The Coordinator will use the preponderance of the evidence standard to determine whether discrimination occurred.
- 7) The Coordinator will document all efforts to gather evidence and summarize the underlying evidence in an investigative report, which will include a description of relevant facts and analysis under the appropriate legal standard(s) as well as a description of the actions to remedy harm to the victim and school community, if any.
- 8) At the end of the investigation, parties will be notified of the outcome of the complaint subject to the District's legal responsibilities to comply with the Family Educational Rights and Privacy Act (FERPA) 20 U.S.C. § 1232g. If it is found that discrimination occurred steps will be taken to end the discrimination, prevent its reoccurrence and remedy its effects on those impacted.
- 9) In the case of harassment, appropriate steps to end discriminatory harassment will be taken. This may include separating the victim and harasser, providing counseling for the victim and/or harasser, and/or taking disciplinary action against the harasser. Strategies to eliminate any hostile environment will be identified and implemented. These steps should not penalize the victim. If needed, a final safety plan will be implemented for the victim.

Nondiscrimination (Cont'd)

Level III: Appeal

Within ten school days of receiving the Coordinator's decision, either party may appeal the findings to the Superintendent. In the appeal, the party must explain why he or she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied and how this would change the District's determination in the case. The Superintendent, upon receiving a written appeal, will have ten school days to resolve the appeal of the complaint.

Right to File a Separate Court Action

The complainant may have the right to file suit in Federal court, regardless of the school districts findings. Granby Public Schools does not represent the complainant in case processing, so if the complainant wishes to file a court action, he or she must do so through his or her own attorney or on his or her own through the court's pro se clerk's office. If a complainant alleges discrimination prohibited by the Age Discrimination Act of 1975, a civil action in Federal court can be filed only after the complainant has exhausted administrative remedies. Administrative remedies are exhausted when either of the following has occurred: 1) 180 days have elapsed since the complainant filed the complaint with Granby Public Schools and Granby Public Schools has made no finding; or 2) Granby Public Schools issues a finding in favor of the recipient. If this occurs, Granby Public Schools will promptly notify the complainant and will provide additional information about the right to file for injunctive relief.

Draft

To: Granby Board of Education
From: Alan Addley, Superintendent of Schools
Date: January 23, 2013
Re: FY14 Quality and Diversity Plan

Quality & Diversity (Q&D) Fund

The Q&D fund helps Granby meet the legal requirement for Connecticut school districts to increase opportunities for their students to interact with students and teachers from diverse racial, ethnic and economic backgrounds. Connecticut State Statute requires that these funds be appropriated to the district as a supplement to any other local appropriation and, by law, each board of education is required to report activities undertaken in the school district to reduce racial, ethnic and economic isolation. Funds are deposited into a town revolving account established by the Board of Finance and are used to support direct needs of our Open Choice students, pay magnet school tuitions and support various other enrichment activities for Granby students.

Granby has actively participated in Open Choice (formerly Project Concern) since its inception over thirty years ago. We have done so because it has been the right thing to do for Hartford and Granby students. For many years, Granby has enrolled one of the highest percentages of Open Choice students in the state. The district benefits from its active participation through legislation that allocates \$10,500 per kindergarten student and \$6,000 per (grade 1-12) student attending schools in the Greater Hartford Area.

Board of Education Goal for Quality and Diversity

To provide funding and support for local students to attend quality educational programs in areas of specialization not available locally, and/or new and existing programs in Granby that provide quality learning opportunities within a more diverse student population.

FY14 Guiding Principles/Recommendations

1. Q&D programming should support the District mission and the Board's goals and beliefs for quality and diversity.
2. Maintain a conservative funding model that protects the Board's and town's liability for unanticipated magnet school tuition and possible changes in state legislation and funding.
3. Provide funding that will ensure students' completion of their magnet school experience.
4. Cap enrollment at ten (10) kindergarten Choice students annually at a level that we can support with class sizes along with administrative discretion to replace Hartford students that withdraw from Granby.
5. Revisit the plan on an annual basis.

Considerations:

1. How to respond to the changing landscape of state funding, legislation, magnet schools (including pre-school), and local budgets?
2. How do we address the projected increase in magnet school enrollment and the associated run out costs?
3. Do any Q&D expenditures belong in the operating budget (Full-Day Kindergarten)?
