10.1 Back to School Update

Dr. Suffredini highlighted for the Board his annual Back to School Update. The Superintendent noted that convocation went very well. Keynote speaker, Jo Ann Freiberg Ph.D, presented to school staff on anti-bullying legislation, and was received as very stimulating. The Superintendent visited each school building, remarking that there was an enthusiastic climate and a very positive atmosphere for the new school year to commence. Dr. Suffredini also notified the Board regarding the CT Reform package and the number of initiatives the Governor is focusing on. The state requested and received a waiver on the No Child Left Behind Act enabling CT to establish state-specific guidelines. The Superintendent also discussed with the Board the new CT evaluation instrument for teachers and administration by the SDE.

iPads for the Technology Plan came in over the summer, and will be distributed to the pre-determined grades as part of the first year roll-out. Director of Technology and Information Services, Mr. Jim Morrow, has scheduled an informational meeting for parents on August 28th.

10.2 Activity Account Report

As per the Board of Education reporting schedule, Director of Business Services, Mr. Bill Boutwell, presented an activity account report. All activity account transactions run through the business office, thus, any monies deposited or withdrawn flow through Account Payables within the Business Office. There are 110 fund accounts total, mostly at Somers High School. The activity accounts are revolving until graduation, and there is no co-mingling of funds as class money can only stay with that particular class. Dear Dr. Suffredini:

It is with a measure of sadness that I submit this letter of resignation. I have served as the preschool speech/language pathologist (.45 FTE) for eight years and it has been a thoroughly enriching experience both personally and professionally. Somers Elementary School is by far the most energizing and collaborative school I have ever worked in. Staff members are completely dedicated, the administration is unfailingly supportive and the community as a whole rallies around it's children in support of their education. I will absolutely miss being here.

I am moving on to work for a birth-to-three agency in Hartford, providing support services for an extremely needy population. This has been a very difficult decision to make, but ultimately it is the right choice for me at this point in my life.

My anticipated last day of service to the children of Somers will be October 5, 2012. I am willing, however, to continue to service some students beyond that date if the district has difficulty filling the position.

Thank you for your time and attention.
