Other considerations

- ▶ Timeline extensions do not require a waiver from the State Board.
- ▶ The charter school should make it VERY clear what they want in the new contract.
- ▶ Old contract stays in place until new one is negotiated.
- ▶ Public hearing should be more than just testimony.
- ▶ 5-year contracts are national best practice.

- VI. RESOLUTION NO. 18-1001 IN OPPOSITION TO MEASURE 105 (8:45 p.m. approx.)

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Vincent Adams, Board Chair
Meeting Date: October 25, 2018

Resolution No. 18 - 1001 - Statement of Opposition to Oregon Ballot Measure 105: Repeal of Sanctuary State Law

ACTION REQUESTED

Background

On December 5th, 2016 the Corvallis School Board adopted Resolution No. 16-1201 – Rights of Undocumented Students and Protocols for Immigration and Customs Enforcement (ICE) Access to Schools, which clearly delineated the role that the district plays with regard to immigration law enforcement, how district staff are to interact with law enforcement officials, and directed the superintendent to communicate guidelines for compliance by staff. Resolution No. 16-1201 was reaffirmed by the Board on September 28th, 2017, and is aligned with Oregon's Sanctuary Law (ORS 181A.820) that was enacted in 1987. Measure 105 will repeal Oregon's Sanctuary Law if approved by voters in the midterm election on November 6th, 2018. It is permissible for school boards to opine on state-level policies with the stipulation that such action does not use public resources beyond the simple administration of board meetings.

Involvement

Director Sami Al-Abdrabbuh (Sponsor), Director Vincent Adams

Cost Impact

None.

ACTION REQUESTED:

Adopt this resolution.

MOTION REQUESTED:

"I move to adopt Resolution No. 18-1001 – Statement of Opposition to Oregon Ballot Measure 105: Repeal of Sanctuary State Law."

Corvallis School District 509J

Resolution Number 18-1001

**STATEMENT OF OPPOSITION TO OREGON BALLOT MEASURE 105: REPEAL OF
SANCTUARY STATE LAW**

WHEREAS, the Board of Directors of the Corvallis 509J School District believe diversity makes our country stronger — it's part of what defines our nation.

WHEREAS, since 1982, Supreme Court precedent (*Plyler v. Doe*, 457 U.S. 202) has required equal access to public education for all children, including those who are undocumented or come from families with members who are undocumented.

WHEREAS, immigrants living in Corvallis are part of our families, communities, workplaces, and schools.

WHEREAS, we believe in fairness, looking out for each other, and treating others as one would hope to be treated. Schools should welcome others, including those who may seem to be different, and build bridges of understanding. We are committed to the success and safety of every student who attends our district's schools.

WHEREAS, measure 105 is in violation of these values because it would repeal Oregon's sanctuary law.

WHEREAS, measure 105 would make us less safe. Trust is the foundation of good education and policing. People in Oregon, especially children, should feel secure when reaching out to public institutions, including schools and law enforcement.

WHEREAS, state and local government already face a tight budgets, including the Corvallis School District. Taxpayer money should not be spent doing the job of federal immigration agents.

LET IT BE RESOLVED, that the Corvallis School Board OPPOSES Measure 105.

ADOPTED, by the Board of Directors of the Corvallis School District 509J, Benton and Linn Counties, Oregon this 25th day of October, 2018.
