How do people experience our school?

How are our students doing?

Student Achievement

Our state scores look promising coming off of the pandemic. However, CMS has seen a reduction in STAR Scores continuously for the past seven years, both in Math and ELA. While our SIP goals focus beyond academics, we are working to turn around these scores by the following: Advisor Interventions, RTI class, specific focused skill labs. We believe that if students feel safe and part of a community/belonging this too will support a rebound of those scores.

Why do we exist?

Mission or Vision

UNDER CONSTRUCTION

We are working with our School Leadership Team to refine our practices and evaluate our mission and vision statements to better reflect our current school and students.

“Our mission is to foster each individual's growth - academically, emotionally, and socially - by challenging, engaging and inspiring all students. We endeavor to provide each student with diverse and rigorous educational opportunities. Multiple learning styles and abilities are addressed in each class through differentiated instructional strategies. The school community works to educate the whole child with a number of enrichment opportunities, electives, student clubs, and extracurricular activities. These all work together to connect students and families to our school community.”

Where do we
want to go?

School Goal

To improve campus **culture** and foster increased positive **relationships** between students and staff to levels recorded prior to the pandemic.

Objective 1: Relationships

By spring 2023, based on the youth truth survey data, all students will report an increase (50th percentile to **57th percentile**) in the degree to which they feel they receive support and personal attention from their teachers.

Objective 2: School Culture

By Spring of 2023, based on Youth Truth data, all students will report an increase (40th percentile to **50th percentile**) in the degree to which students believe that their school fosters a culture of respect and fairness.

**How are we going to
get to where we want
to be?**

Strategies for Objective 1: Relationships

The principal mechanism for campus wide culture and relationships will be through our trifold curriculum around **equity**, **AVID**, and **Character Strong**. Supplemental to that will be intentional professional learning through our early release schedules, and monthly integration into staff meetings along with Canvas community discussion boards to promote conversation about positive practices.

Strategies for Objective 2: School Culture

Our primary methodology for bolstering relationships between our students and our staff will follow activities and strategies from **Character Strong** curriculum. “Four at the door + One More” is one such strategy.

[One of the high leverage strategies educators can infuse into their daily practice, that produces on average 20% more Academic Engaged Time in the average hour long class, is intentionally greeting students at the door. It is not enough to just stand there.]

In addition, **equity lessons** that are adapted for grade level, will promote trust and fairness to represent the diversity of our students.

Why do we exist?

MISSION:

Through rigorous and relevant learning, inspire students to be reflective, develop individual potential and pursue unique personal and career interests.

VISION:

Our vision is that Crescent Valley High School will nurture students to grow as responsible citizens, engaged learners and prepared for the transition to life beyond high school. In order to reach high levels of achievement and personal success, all individuals within the Crescent Valley community strive to think and communicate effectively, demonstrate integrity, show kindness and be positive role models. Our students also will be self-reliant and able to tackle new challenges with confidence and skill.

School Goal 1

**70% or Higher
Overall Regular
Attendance Rate**

Objective 1:

- **Connect students, struggling with attendance, to a trusted adult on campus**

Objective 2:

- **Develop a communication system to use with students and families when a student falls below the threshold of attendance rate**

School Goal 2

**90% or higher
9th grade on track for
graduation**

Objective 1:

- **All 9th grade students will be enrolled in a Raider Success class:**
 - **Correlation between attendance and grades**
 - **Understanding credits, graduation requirements, and transcripts**
 - **Boosting academic skills and motivation**
 - **Setting and achieving long-term goals**
 - **CIS - Career Information Systems**

Objective 2:

- **9th Grade Data Team will meet once a month to continually review group and individual student data, looking for patterns and linkages with risk factors, including attendance, grades, and credits earned. Identifying these patterns ensures that students receive the help they need to be successful in school.**

**How are we going to
get to where we want
to be?**

Goal 1 - Regular Attendance - Strategies

Connect students, struggling with attendance, to a trusted adult on campus

- **Student and Staff Survey (Adult Connections)**
- **Sort and assign students to an adult**
- **Utilize the 2x10 connection strategy**

Develop a communication system to use with students and families when a student falls below the regular attendance rate threshold

- **Nudge Letters are sent home**
- **Attendance Data Team meetings once a month**

Goal 2 - Strategies - 9th Grade on Track

All 9th grade students will be enrolled in a Raider Success:

- **Correlation between attendance and grades**
- **Understanding credits, graduation requirements, and transcripts**
- **Boosting academic skills and motivation**

School Goal

At Franklin School, we will engage all of our students through positive relationships, challenging coursework, and many opportunities to succeed.

Objective 1:

Improve Teacher and Student % + in **Culture** rating on YouthTruth survey

In Spring of 2023, 50% of teachers will respond positively to questions about school culture as measured by the YouthTruth survey.

In Spring of 2023, 50% of students will respond positively to questions about school culture as measured by the YouthTruth survey.

Objective 2:

By Spring of 2023, 48% of our students representing historically underserved races will meet the benchmark for grade level standards in ELA as measured by SBAC. This goal allows this population of students to raise ELA achievement level to a Level 3 in 2 years.

21-22 ELA All - 69.3% (level 4)

21-22 ELA underserved races 41.7% - (level 2)

By Spring of 2023, 34% of our students representing historically underserved races will meet the benchmark for grade level standards in Math as measured by SBAC. This goal allows this population of students to raise math achievement level to a Level 3 in 2 years. Additionally, By Spring of 2023, 58% of all of our students will meet the benchmark for grade level standards in Math as measured by SBAC. This goal will be the first of two steps allowing Franklin to reach the Level 4 achievement level in two years.

21-22 Math All 54.2% (level 3) level 4=62%

21-22 Math underserved races 25% - (level 2) level 3=43%

**How are we going to
get to where we want

Strategies supporting Objective 1

- Establish systems that recognize and celebrate positive student behavior: honor roll, Phoenix High Fives, Specials awards, etc.
- Utilize teacher evaluation system to give feedback encouraging reflection and student engagement.
- Clear and consistent communication with staff and families, including PTA meetings, Principal Chats and Friday Focus emails
- Staff Wellness and Connection activities: Seeing the Good, November pizza party, winter gathering, birthday month potlucks, positive notes, etc.
- Utilize Character Strong and Caring School Communities SEL curricula to create safe spaces for all students

Strategies supporting Objective 2

Objective 2

- Develop common mission and vision with staff
- Utilize teacher evaluation system to give feedback encouraging reflection and student engagement.
- Revitalize SST system to provide additional support to students
- Professional development around math instruction including a *Limitless Mind* book study
- Professional development around ELA instruction K-5

Objective 2:

By May of 2023, the percentage of students meeting on math SBAC will increase from 39% to 50%

**How are we going to
get to where we want
to be?**

Strategies - Improve school culture with an emphasis on Respect

Objective 1

- Through individual and group surveys, staff will gather data to guide our steps in building respect at LPMS. The questions we will use are: What does respect mean to you? What would I see if a student at LPMS was respecting another student? Teacher? Other staff?

Objective 2

- SAFE and PRIDE (LGBTQ+) clubs during school day

Strategies - Raise student achievement in math

Objective 1

- Opportunities for students to generate visual representations of problems
- Students will be asked to explain their reasoning
- Increased opportunity for structured discourse

Objective 2

- AVID WiCOR focus on reading strategies to extract information from text
- Increased opportunities for SBAC style math questions
- Schoolwide emphasis on students showing us what they know
