Meeting Date: August 12, 2026

Resolution No. 26-0801: Call a Measure Election to Submit to the Electors of the District the Question of Authorizing a Five-Year Local Option Levy Renewal ACTION REQUESTED

Background

Under Oregon's property tax law, a local option levy gives individual communities the ability to supplement state funding for their local schools. In May 2022, voters in Corvallis renewed a five-year local option levy, originally approved in 2006 and renewed in 2010 and 2016, at a rate of \$1.50 per \$1,000 of assessed value.

The district uses resources from the local option levy to fund teachers at all schools to sustain class sizes; music, physical education and art instruction for elementary students; vocational and technical education opportunities; counseling support for students; and high school athletics and activities. In fiscal year 2026-27, local option taxes are estimated to represent about \$11.3 million, or 10% of the district's general fund operating revenues.

The current levy will expire June 30, 2027. Proposing a levy renewal with a rate of \$1.50 per \$1,000 of assessed value would not increase the current tax rate; it would extend the existing tax rate for another five years beginning in 2027-28, after the current levy expires.

ACTION REQUESTED:

Adopt the attached resolution to call a measure election on November 3, 2026, to submit to the electors of the district the question of authorizing a five-year local option levy renewal.

Corvallis School District 509J
Resolution No. 26-0801

A RESOLUTION OF THE BOARD OF DIRECTORS OF CORVALLIS SCHOOL DISTRICT 509J, BENTON AND LINN COUNTIES, OREGON, CALLING A MEASURE ELECTION TO SUBMIT TO THE ELECTORS OF THE DISTRICT THE QUESTION OF A FIVE-YEAR LOCAL OPTION LEVY RENEWAL AT THE RATE OF \$1.50 PER \$1,000 OF ASSESSED VALUATION FOR GENERAL OPERATIONS.

WHEREAS, Oregon Revised Statutes 280.040 through 280.090 authorizes the district to submit a measure to district voters which, if approved, would allow the district to impose a local option tax for general operations.

WHEREAS, voters in the district last approved a local option levy in 2022 at the rate of \$1.50 per \$1,000 of assessed value for general operations; and

WHEREAS, the current local option levy provides approximately 10% of the District's general fund revenue and funds over 67 staff positions; and

WHEREAS, the current local option levy will expire June 30, 2027; and

WHEREAS, the district has determined there is a need to renew this level of funding and seek voter approval to renew the local option tax.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF CORVALLIS SCHOOL DISTRICT 509J, BENTON AND LINN COUNTIES, OREGON AS FOLLOWS:

1. That an election is hereby called for the purpose of submitting to the qualified voters of the district the question of authorizing a renewal of the local option levy for operating purposes for a period of five years commencing July 1, 2027 and ending June 30, 2032 at a fixed rate of \$1.50 per \$1,000 of assessed value.

Such a rate is estimated to raise approximately \$61.8 million over five years. The amount raised may be different than estimated, depending on changes to the assessed and real market value of each property within the district.

2. That the election hereby called shall be held on November 3, 2026.

3. That the School Board authorizes the Superintendent or their designee as the Authorized Representative to act on behalf of the district, to submit the final ballot title and explanatory statement, and to take such further action as is necessary or desirable to carry out the intent and purposes herein in compliance with the applicable provisions of law.

4. That there shall be delivered to the elections officer of Benton County, Oregon the Notice of Measure Election (the "Notice") in substantially the form attached hereto as Exhibit A, with such changes as are approved and filed by the Authorized Representative as follows:

- a. Not later than August 14, 2026 (80 days prior to the election date) for publication of notice by Benton County on Form SEL 805.
- b. Not sooner than after completion of the ballot title challenge process provided in the Secretary of State's Referral Manual and not later than September 3, 2026 (61 days prior to the election date) on Form SEL 803.

5. That pursuant to ORS 310.145, the five-year local option tax in the amount of a fixed rate of \$1.50 per \$1,000 of assessed value shall be classified as being subject to the limits of Section 11b, Article XI of the Oregon Constitution and that the taxes will be dedicated to fund the public school system.

ADOPTED by the Board of Directors of Corvallis School District 509J, Benton and Linn Counties, Oregon, this 12th day of August, 2026.

FOR OFFICE USE ONLY

EXPLANATORY STATEMENT FOR BENTON COUNTY VOTERS' PAMPHLET

Under Oregon's property tax law, a local option tax allows individual communities to supplement state funding for their local schools. The Corvallis School District local option tax was first approved by voters in 2006 and then renewed by voters in 2010, 2016 and 2022. The current local option tax represents approximately 10% of the district's general fund operating budget, and funds about 67 full-time teaching positions. The current tax expires June 30, 2027.

This measure would renew the local option tax at the current rate for another five years, beginning in 2027-28 and ending in 2031-32. The current tax rate will not increase if this measure is approved.

How will these additional tax dollars be spent?

The tax revenue from this measure will be used to continue to operate the district at its present level of service. More specifically, the additional tax revenue from this measure will be used to fund:

- Classroom teachers at all schools to sustain or reduce class sizes
- Music, physical education and art teachers at all elementary schools
- Vocational and technical education opportunities for students
- School counselors and instructional coaches
- Extracurricular athletics and activities

Is this measure within the limits established by Ballot Measure 5?

Yes, and all taxes collected will remain in the district. The local option tax rate is calculated individually for each property so that the total rate paid for education stays within the Measure 5 limits.

How much would this cost?

This measure would renew the current local option tax rate of \$1.50 per \$1,000 of assessed value for another five years, starting in 2027 and ending in 2032. The current tax rate will not increase if this measure is approved. This is not a new or additional tax.

What if this measure doesn't pass?

If this measure fails, the district would have to reduce its annual operating budget by approximately 10% beginning in the 2027-28 school year, which is equivalent to about 67 full-time teaching positions.
