Co-Vice Chair Tominey thanked members of the public for providing testimony on community transparency regarding the upcoming local option levy. She also thanked district staff for their dedication to fostering a warm, supportive, and caring back-to-school transition for all students and families.

Military Leave of Absence

The district will grant military leave of absence to an employee on duty¹ with a uniformed service² in accordance with applicable state and federal law. An employee requesting military leave is required to provide written notice as soon as practicable following notification of military call-up or reservist duty, unless precluded by military necessity

An employee may apply for military leave³ of absence from duties for up to 21 work days in any one training year⁴ or in accordance with ORS 408.290. An employee may use accrued vacation or similar leave during the period of service exceeding 21 days. Military leave shall be in addition to any other leave to which the employee is entitled.

While on military leave, the employee will receive the same benefits as other employees on leave, as well as the following:

1. The employee may continue enrollment in the district's health insurance. During the first 18 months of leave, the employee may be required to pay any employee contributions required of other employees on a leave of absence. If the leave extends beyond 18 months, the employee will be required to pay not more than 102 percent of the full premium;
2. Upon return from military service, the district will give retroactive employer contributions to the Public Employee Retirement System on the same basis as if the employee had not left, provided the employee was an enrolled member at the time of the leave. The employee may repay any required employee contributions over a period of three times the military service leave period or five years, whichever is less.

¹ "Duty" means the performance of duty on a voluntary or involuntary basis in a uniformed service and includes active duty or inactive duty training, state active duty, National Guard duty, U.S. Armed Forces duty and absence to determine fitness for duty.

² "Uniformed service" means being a member of the National Guard, National Guard Reserve or of any reserve component of the U.S. Armed Forces, or of the commissioned corps of the U.S. Public Health Service and any other category of persons designated by the President in time of war or national emergency.

³ The employee may use military leave without loss of time, pay or regular leave if the employee has been employed by the district for six months or more.

⁴ "Training year" means the federal fiscal year for any particular unit of the National Guard or a reserve component.

An employee on duty with a uniformed service is entitled to reemployment for a maximum of five years, unless retained on active duty because of war or national emergency. An individual returning from military leave shall notify the district of their intent to return to the district as follows:

1. An employee who is a veteran or reservist returning from training must only inform the district of their training obligations and report back at the next regularly scheduled working period;
2. An employee returning from active duty must notify the district of their intent to return to their former job within 90 days after the employee is relieved from duty, or from hospitalization continuing after discharge for a period of not more than one year.

An individual reemployed under this policy is entitled to the seniority and other currently existing rights and benefits the individual had when service started, plus the additional seniority and similar rights and benefits that would have been accrued if employment had been continuous.

This policy does not apply if the employee has been separated from service with a dishonorable discharge or bad conduct discharge or under other than honorable conditions.

Board Policy GCBDD/GDBDD—Sick Time*—Revision—Second Read

Background

This is a highly recommended policy revision. Oregon's Sick Time Law (ORS 653.601-653.661) requires employers to provide paid sick time to employees. Sick Time is differentiated from Sick Leave, which is addressed in district employees' collective bargaining agreements and the Non-Represented Employees Salary and Benefits Agreement. School districts are required to have practices and procedures to implement the requirements of this law.

Updates to Policy GCBDD/GDBDD include revised allowable reasons for the use of Sick Time, the addition of PFMLI (commonly known as Paid Leave Oregon), and new legal references. Because the Corvallis School District contracts with a substitute staffing agency and therefore does not maintain sick time balances for substitutes, references to substitute staff were removed from this policy.

Sick Time*

Oregon's Sick Time Law (ORS 653.601- 653.661) requires employers to provide paid sick time to employees. School districts are required to have practices and procedures in place to implement this law's requirements.

Nothing in this policy impacts the district's sick leave obligation under Sick Leave for School Employees law (ORS 332.507), the district's collective bargaining agreements, or Non-Represented Employees Salary and Benefits Document, except where those agreements are silent or not in effect regarding sick time requirements. Licensed, classified, and non-represented employee groups should refer to their appropriate bargaining agreement for all applicable leave.

"Employee" means an individual who renders personal services at a fixed rate to the district if the district either pays or agrees to pay for personal services or permits the individual to perform personal services. The definition does not include volunteers, independent contractors, or others excluded by law.

Employees qualify to begin earning and accruing sick time on the first day of employment with the district.

Paid sick time of 40 hours shall be front-loaded to an employee who falls within the following groups at the beginning of each year: Licensed and non-represented staff who are 0.5 FTE or greater, coaches, and seasonal stipends.

Paid sick time shall accrue at the rate of one hour of paid sick time for every 30 hours worked for an employee who falls within the following groups: Licensed and non-represented staff who are 0.49 FTE or less, classified staff, student employees, and non-regular/timecarded employees.

If an individual falls into more than one group identified above, sick time will be accrued at the rate of the primary position. If an employee's bargaining agreement grants equal or greater sick leave benefits, then no additional sick time is accrued.

An employee may carry up to 40 hours of unused sick time from one year to the subsequent year. An employee is limited to using no more than 40 hours of sick time in a year.

Sick time shall be taken in hourly increments for all employee groups and may be used for the

employee's or a family member's¹ mental or physical illness, injury or health condition, need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition, or need for preventive care, or for reasons consistent with the Family and Medical Leave Act (FMLA), Paid Family and Medical Leave Insurance (PFMLI), or Oregon Family Leave (OFLA).

Sick time earned by an employee may also be used for the following reasons:

1. In the event of a public health emergency compliant with ORS 653.616;
2. To donate accrued sick time to another employee if the other employee uses the donated sick time for a purpose consistent with ORS 653.616;
3. To donate blood in connection with a voluntary program for the donation of blood that is approved or accredited by the American Association of Blood Banks or the American Red Cross; or
4. For leave to address domestic violence, harassment, sexual assault, bias, or stalking under ORS 659A.272 (safe leave).

The use of sick time may not lead to, or result in, an adverse employment action against the employee.

The district reserves the right, after five consecutive days of absence, to require verification or certification in accordance with law of the need for the sick time, including a medical verification or certification paid for by the district. If an employee fails to provide verification or certification or fails to provide other evidence as required by the district, the employee shall be subject to appropriate disciplinary action, up to and including dismissal.

When the reason for sick time is consistent with FMLA, PFMLI, or OFLA leave, the sick time and the FMLA, PFMLI, or OFLA leave may run concurrently.

When the reason for sick time is consistent with ORS 332.507, the sick time and leave pursuant to ORS 332.507 may run concurrently.

If the reason for sick time is a foreseeable absence, the district may require the employee to provide advance notice of his or her intention to use sick time within ten days of the requested sick time, or as soon as practicable. When an employee uses sick time for a foreseeable absence, they shall take reasonable effort to schedule the sick time in a manner that does not unduly disrupt the operations of the district (e.g., grading deadlines, in-service training, mandatory meetings).

If the reason for sick time is unforeseeable, such as an emergency, accident, or sudden illness, the employee shall notify the district as soon as practicable.

Sick Leave - Personal Illness and Injury Leave *

Sick leave is allowed to accrue at the rate of 10 days each school year for each “school employee¹” for personal illness or injury, or one day per month employed, whichever is greater, as provided by Oregon law. Twelve-month employees will accrue 1 day per month or 12 days each year.

In accordance with state law, this leave will accumulate without limit.

Sick leave in excess of five consecutive work days shall require a certificate from the employee’s attending physician, naturopathic physician, or practitioner that the employee’s illness or injury prevents the employee from working. Any employee refusing to submit to such an examination or to provide other evidence as required by the district shall be subject to appropriate disciplinary action, up to and including dismissal.

All medical information will be kept confidential, in a separate file from personnel records, and released only in accordance with the requirements of the Americans with Disabilities Act or other applicable law.

Other paid and unpaid leaves will be determined by the district’s collective bargaining agreements.

Sickness or other unavoidable circumstances that prevent a teacher from teaching 20 school days immediately following exhaustion of sick leave accumulated under Oregon law, will result in the Board placing the teacher on unpaid leave for the remainder of the school year or until the teacher’s disability is removed and they are able to return to work. If the teacher is still unable to return to work by their first contracted day of the next school year, the Board may terminate the teacher’s employment, subject to state and federal laws regarding family and medical leave.

Sexual Harassment

The district is committed to addressing sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members, and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students, and third parties are subject to this policy. Any person may report sexual harassment.

The district processes complaints or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report, or complaint regarding sexual harassment is received by the district, the district will review such information, report, or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure and GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures. Other complaint procedures may include: Nondiscrimination (Board policy AC), Workplace Harassment (Board policy GBEA), Hazing, Harassment, Intimidation, Bullying, Menacing, Cyberbullying, Teen Dating Violence and Domestic Violence - Student (Board policy JFCF), and Reporting Requirements for Suspected Sexual Conduct with Students (Board policy GBNA/JHFF).

OREGON DEFINITION AND PROCEDURES

Oregon Definition

Sexual harassment of students, staff members, or third parties¹ shall include:

¹ "Third party" means a person who is not a student or a school or district staff member and who is: 1) on or immediately adjacent to school grounds or district property; 2) At a school-sponsored activity or program; or 3) Off school grounds or district property if a student or a school or district staff member acts toward the person in a manner that creates a hostile environment for the person while on school or district property, or at a school- or district-sponsored activity.

1. A demand or request for sexual favors in exchange for benefits;
2. Unwelcome conduct of a sexual nature that is physical, verbal, or nonverbal and that:
 - a. Interferes with a student's educational activity or program;
 - b. Interferes with a school or district staff member's ability to perform their job; or
 - c. Creates an intimidating, offensive, or hostile environment.
3. Assault when sexual contact occurs without consent².

Sexual harassment does not include conduct that is necessary because of a job duty of a school or district staff member or because of a service required to be provided by a contractor, agent, or volunteer, if the conduct is not the product of sexual intent or a person finding another person, or another person's actions, offensive because of that other person's sexual orientation or gender identity.

Examples of sexual harassment may include, but not be limited to, physical touching or graffiti of a sexual nature; displaying or distributing of sexually explicit drawings; pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexual behaviors in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity, or performance.

Oregon Procedures

Reports and complaints of sexual harassment should be made to the following individual(s):

Name: Rynda Gregory
Position: Title IX Coordinator
Phone: 541-757-4433
Email: rynda.gregory@corvallis.k12.or.us

This individual is responsible for accepting and managing complaints of sexual harassment. Persons wishing to report should contact them using the above information. This person is also designated as the Title IX Coordinator. *See* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure.

Response

Any staff member who becomes aware of behavior that may violate this policy shall immediately report to a district official. The district official (with coordination involving the reporting staff member when appropriate) will take any action necessary to ensure the:

1. Student is protected and to promote a nonhostile learning environment;

² "Without consent" means an act performed: (a) without the knowing, voluntary and clear agreement by all parties to participate in the specific act; or (b) when a person who is a party to the act is incapacitated by drugs or alcohol; unconscious; or pressured through physical force, coercion or explicit or implied threats to participate in the act.

2. Staff member is protected and to promote a nonhostile work environment; or
3. Third party who is subjected to the behavior is protected and to promote a nonhostile environment.

This includes providing resources for support measures to the student, staff member or third party who was subjected to the behavior and taking any actions necessary to remove potential future impact on the student, staff member, or third party, but are not retaliatory against the student, staff member, or third party being harassed or the person who reported to the district official.

Any student or staff member who feels they are a victim of sexual harassment are encouraged to report their concerns to district officials, this includes officials such as the principal, compliance officer, or superintendent. Students may also report concerns to a teacher, counselor, or school nurse, who will promptly notify the appropriate district official.

All reports and complaints about behavior that may violate this policy shall be investigated. The district may use, but is not limited to, the following means for investigating incidents of possible harassment:

1. Interviews with those involved;
2. Interviews with witnesses;
3. Review of video surveillance;
4. Review of written communications, including electronic communications;
5. Review of any physical evidence; and
6. Use of third-party investigator.

The district may take, but is not limited to, the following procedures and remedial actions to address and stop sexual harassment:

1. Discipline of staff and students engaging in sexual harassment;
2. Removal of third parties engaged in sexual harassment;
3. Additional supervision in activities;
4. Additional controls for district electronic systems;

5. Trainings and education for staff and students; and
6. Increased notifications regarding district procedures and resources.

When a student or staff member is harassed by a third party, the district will consider the following:

1. Removing that third party's ability to contract or volunteer with the district, or be present on district property;
2. If the third party works for an entity that contracts with the district, communicating with the third party's employer;
3. If the third party is a student of another district or school, communicate information related to the incident to the other district or school;
4. Limiting attendance at district events; and
5. Providing for additional supervision, including law enforcement if necessary, at district events.

No Retaliation

Retaliation against persons who initiate a complaint or otherwise report sexual harassment or who participate in an investigation or other related activities is prohibited. The initiation of a complaint, reporting of behavior, or participation in an investigation, in good faith about behavior that may violate this policy may not adversely affect the:

1. Educational assignments or educational environment of a student or other person initiating the complaint, reporting the behavior, or participating in the investigation; or
2. Any terms or conditions of employment or of work or educational environment of a school or district staff member or other person initiating the complaint, reporting the behavior, or participating in the investigation.

Students who initiate a complaint or otherwise report harassment covered by the policy or who participate in an investigation may not be disciplined for violations of the district's drug and alcohol policies that occurred in connection with the reported prohibited conduct and that were discovered because of the report or investigation, unless the student gave another person alcohol or drugs without the person's knowledge and with the intent of causing the person to become incapacitated and vulnerable to the prohibited conduct.

1. Each reporting person;
2. If appropriate, any impacted person who is not a reporting person;
3. Each reported person; and
4. Where applicable, a parent or legal guardian of a reporting person, impacted person, or reported person.

 - b. For the reported persons, information about and contact information for state and community-based mental health services.

³ Student, staff member, or third party, or if applicable, the student or third party's parent. If the person is a minor, the district should consider when to contact the person's parent.

⁴ Remember confidentiality laws when providing any information.

8. Notice that students who report about possible prohibited conduct and students who participate in an investigation under this policy may not be disciplined for violations of the district's drug and alcohol policies that occurred in connection with the reported prohibited conduct and that were discovered as a result of a prohibited conduct report or investigation unless the student gave another person alcohol or drugs without the person's knowledge and with the intent of causing the person to become incapacitated and vulnerable to the prohibited conduct; and
9. Prohibition of retaliation.

The notice must:

1. Be written in plain language that is easy to understand;
2. Use print that is of a color, size, and font that allows the notification to be easily read; and

Additionally, notice must be provided to the person who initiated the complaint and, if applicable, the person's parents, when an investigation is initiated and when it is concluded. The notification at the conclusion of the investigation must include whether a violation of the policy was found to have occurred, to the extent allowable under state and federal student confidentiality laws.

The ODE will provide technical assistance and training upon request.

FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity⁵;
3. "Sexual assault": an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;

⁵ "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R. § 106.44(a))

4. “Dating violence”: violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. “Domestic Violence”: felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction; or
6. “Stalking”: engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person’s own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district’s treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. The report can be made at any time.

Rynda Gregory, Human Resources Administrator, is designated as the Title IX Coordinator and can be contacted at 541-757- 4433. The Title IX Coordinator will coordinate the district’s efforts to comply with its responsibilities related to this policy. The district will prominently display the contact information for the Title IX Coordinator on the district website and in each handbook.

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.⁶ The district shall treat complainants and respondents equitably by providing supportive

⁶ (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only

measures⁷ to the complainant and by following a grievance procedure⁸ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.⁹

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁰ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

⁷ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁸ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁹ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁰ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

Inquiries about the application to Title IX and its requirements may be referred to the Title IX Coordinator or the Assistant Secretary¹¹, or both.

No Retaliation

Neither the district or any person may retaliate¹² against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in the district student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any person upon request.

Sexual Harassment

The district is committed to addressing sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members, and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students, and third parties are subject to this policy. Any person may report sexual harassment.

The district processes complaints or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report, or complaint regarding sexual harassment is received by the district, the district will review such information, report, or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure and GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures. Other complaint procedures may include: Nondiscrimination (Board policy AC), Workplace Harassment (Board policy GBEA), Hazing, Harassment, Intimidation, Bullying, Menacing, Cyberbullying, Teen Dating Violence and Domestic Violence - Student (Board policy JFCF), and Reporting Requirements for Suspected Sexual Conduct with Students (Board policy GBNA/JHFF).

FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity⁵;
3. "Sexual assault": an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;

⁵ "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R. § 106.44(a))

4. “Dating violence”: violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. “Domestic Violence”: felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction; or
6. “Stalking”: engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person’s own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district’s treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. The report can be made at any time.

Rynda Gregory, Human Resources Administrator, is designated as the Title IX Coordinator and can be contacted at 541-757-4433. The Title IX Coordinator will coordinate the district’s efforts to comply with its responsibilities related to this policy. The district will prominently display the contact information for the Title IX Coordinator on the district website and in each handbook.

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.⁶ The district shall treat complainants and respondents equitably by providing supportive

⁶ (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only

measures⁷ to the complainant and by following a grievance procedure⁸ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.⁹

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁰ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

⁷ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁸ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁹ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁰ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

Inquiries about the application to Title IX and its requirements may be referred to the Title IX Coordinator or the Assistant Secretary¹¹, or both.

No Retaliation

Neither the district or any person may retaliate¹² against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in the district student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any person upon request.

Expression of Milk in the Workplace

When possible, an employee must give reasonable notice of the intent to express milk to their direct supervisor. The district shall provide the employee a reasonable rest period to express milk each time the employee has a need to express milk. If feasible, the employee will take the rest period at the same time as the rest periods or meal periods provided by the district.

The district will make a reasonable effort to provide a location, other than a public restroom or toilet stall, in close proximity to the employee's work area, where an employee can express milk in private, concealed from view and without intrusion by other employees or the public.

The following locations have been identified in each facility for milk expression:

1. District Office & Bridges;

 - (a) College Hill/Harding Center Alternative Center: Conference Room 207.
 - (b) Corvallis High School: Room 210.
 - (c) Crescent Valley High School: Room C8, staff room in Wing C.

An employee who expresses milk during work hours may use the available refrigeration to store the expressed milk. The district must allow the employee to bring a cooler or other insulated food container to work for storing the expressed milk and ensure there is adequate space in the workplace to accommodate the employee's cooler or insulated food container.

This policy and the list of designated locations are published in the employee handbook. The list of designated locations is available upon request in the central office of each school facility and in the district's central office.

This policy only applies to employees who are expressing milk for children 18 months of age or younger.

Background

This is a required revision. Senate Bill 808 (2025) amended ORS 408.225, 408.230, and 408.235. These statutes describe issuing preference to veterans and disabled veterans during the hiring or promotion process.

As a result, board policy GBA – Equal Employment Opportunity and administrative regulation GBA-AR – Veteran and State Servicemember Preference have been updated to reflect SB 808 and to account for the four different employment preferences now allowed under Oregon law, effective January 1, 2026.

Additionally, OAR 581-022-2405 requires districts to have policies regarding equal employment opportunities and affirmative action. Language has been added to more clearly meet these requirements.

Equal employment opportunity and treatment shall be practiced by the district regardless of race¹, color, religion, sex, sexual orientation, gender identity, gender expression, national origin, marital status, pregnancy, childbirth or a related medical condition, age, veterans' status, service in a uniformed service, familial status, genetic information, an individual's juvenile record that has been expunged, and disability if the employee, with or without reasonable accommodation, is able to perform the essential functions of the position.

The district administers preference in hiring or promotion decisions in accordance with Oregon law for applicants claiming preference as a veteran, disabled veteran, state servicemember, or former state servicemember.

The superintendent will appoint an employee to serve as the officer in charge of compliance with the Americans with Disabilities Act, and the Americans with Disabilities Act Amendments Act (ADA), and Section 504 of the Rehabilitation Act. Evaluation of the Superintendent

The Board will formally evaluate the superintendent's job performance at least once each year. The evaluation will be based on the superintendent's administrative job description, any applicable standards of performance, Board policy, and progress in attaining any goals for the year established by the superintendent and/or the Board.

Additional criteria for the evaluation, if any, will be developed at a public board meeting prior to conducting the evaluation. The superintendent will be notified of the additional criteria prior to the evaluation.

The Board's discussion and conferences with and about the superintendent and their performance will be conducted in an executive session unless the superintendent requests a session open to the public¹. Such an executive session will not include a general evaluation of any district goal, objective, or of any directive to personnel concerning district goals, objectives, operations, or programs. Results of the evaluation will be written and placed in the superintendent's personnel file.

At the Board's discretion, it may notify the superintendent in writing of specific areas to be remedied, and the superintendent may be given an opportunity to correct the problem(s). Where the Board provided written notice pursuant to the prior sentence, if the Board determines the superintendent's performance remains unsatisfactory, the Board may dismiss or non-renew the superintendent pursuant to Board policy, the superintendent's employment contract, and state law and rules. In those situations where the superintendent's employment contract includes an evaluation, dismissal, or non-renewal provision, it shall take precedent over this policy.

END OF POLICY

¹ Notice must be provided to the superintendent in accordance with OAR 199-0040-0030. The superintendent must receive written notice of the meeting no less than one business day or 24 hours, whichever is greater, in advance of the meeting. The notice must include:

- a. Identification of the Board;
- b. The time, date and location of the meeting;
- c. The purpose for which the Board proposes to convene the executive session, including the citation to the applicable section of ORS 192.660 and the fact that the Board will be reviewing and evaluating the performance of the superintendent; and

VIII. CONSOLIDATED INFORMATION

VIII.A. Virtual Charter School Enrollment

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Kristin Mahoney & Melissa Harder
Meeting Date: October 8, 2026

Virtual Charter School Enrollment

NO ACTION REQUIRED

Background

Board Policy LBEA requires district staff to semiannually calculate the percentage of the number of students residing in the district who are enrolled in a virtual public charter school not sponsored by the district. Calculations are to be conducted utilizing data collected for state reporting purposes in Fall and Spring of each year. Please note, these numbers do not include students who are on an Interdistrict Transfer to another district, such as Nyssa or Colton, which host online programs in which students attend remotely.

When the established percentage is more than three percent (3%), the district will request direction from the Board as to its intent to approve or deny additional resident students enrollment to a virtual public charter school outside of the district boundary, subject to the requirements in Oregon Administrative Rule (OAR) 581-026-0305(2). Such direction will be in effect until the next semiannual review date for the upcoming academic term.

As the calculated percentage is less than 3%, no action is requested of the Board.

Virtual Charter 3% Calculation
Per LBEA/OAR 581-026-0305

Data	Number	% of Total	Reference
Students enrolled within the district	5,537	85.07%	District Enrollment as of 9/30/26
Students enrolled in public charter schools located in the district	77	1.18%	MCCS Enrollment as of 9/30/26
Students residing in the district enrolled in virtual public charter schools not located in the boundary	184	2.83%	Most recent individual enrollment reports voluntarily shared by virtual charter schools (Sept 2026)

Board Policy IICC-AR—Volunteer Guidelines—New Administrative Regulation—First Read

Background

District staff recommends this revision. This new administrative regulation will strengthen the district's current volunteer policy and provide guidelines for parents and community members interested in working with students in our schools.

This administrative regulation clarifies the difference between visitors and volunteers, between staff working as district employees and staff volunteering in a classroom, and limitations for current CSD students who want to volunteer.

Volunteering in District Buildings

Volunteers are a vital part of the Corvallis School District community. When appropriate, every effort will be made to allow family, staff, and community members to volunteer in the schools. Volunteering is a privilege, not a right, and volunteers must follow the rules and guidelines set forth by the district. The district reserves the right to remove volunteer access at any point in time.

District Process

All volunteers must apply using the online application found on the district's website. Once approved, a volunteer is cleared for two school years. If a person applies near the end of a school year, their application is good for the remainder of that year and one additional year. School staff are responsible for ensuring that volunteers have been cleared before volunteering.

While there are no restrictions on non-custodial parents volunteering, they may not use volunteer time to visit with their child on days or times not otherwise authorized in a parenting plan or court order without prior written consent of the custodial parent.

Volunteers must be 21 years or older to chaperone a field trip.

Criminal Records Check & Sex Offender Registry

Any person who wishes to volunteer is required to undergo an Oregon criminal records check before volunteering and then every two years thereafter. Consent for the criminal records check is included in the online volunteer application. Results of the checks are confidential and seen only by the Human Resources department staff responsible for volunteers. School staff and school volunteer coordinators only have access to a list of approved volunteers.

Applications can take weeks to process. Potential volunteers are encouraged to apply to volunteer early in the school year. The district does not require a Social Security number to process a volunteer application or criminal records check. Immigration status is not part of the criminal records check and will not impact a volunteer's clearance.

Volunteer versus Visitor

Volunteers are individuals who assist in schools or with school activities. Examples of volunteering may include but are not limited to: field trips, classroom help, mock interviews, mentoring, office work, etc. Visitors are individuals whose participation is not ongoing or frequent. Examples may include but are not limited to: attending a school play, career fair, guest speaker/author, college recruiter, etc. Please note, school staff must be present in the area where visitors are located at all times. Visitors are not required to complete a background check to visit the school building.

District Employees Who Volunteer

District employees who wish to volunteer in schools must complete online volunteer applications and criminal background checks. When volunteering, employees will follow all the same procedures as all other volunteers, such as signing in and out of locations, sight/sound requirements, and following fire drills and evacuation procedures.

Student Volunteers

Students are encouraged to volunteer at other schools within the district. Students must also apply using the online application. Students may only volunteer at their school or a school at a lower grade level. For example, high school students can volunteer at an elementary school, the junior high, and at their own high school but not at another high school in the district. Junior high school students can volunteer at an elementary school and at their school only. Students are ineligible to chaperone any field trips.

Safety

The safety of students is paramount. Volunteers must operate under the direction of a staff member in an open space and be within sight or sound of a staff member while working with students. Volunteers must never be asked to supervise, manage a classroom, or supervise a student on a one-on-one basis. Corvallis School District staff working as volunteers, rather than in their paid staff role, must also adhere to these requirements.

For safety and liability reasons, volunteers are expected to sign in and out of schools and district facilities. This allows staff to track who is present in the building, especially in emergency situations. All visitors and volunteers are required to wear identifiable badges or markings. Visitors and volunteers not wearing proper identification will be redirected to the school's main office.

Volunteers are not allowed to have other children (including babies) with them when they are volunteering, including chaperoning off-site field trips. Caring for non-students can be distracting for volunteers and cause disruptions for students and staff.

All volunteers are required to review information regarding child abuse prevention and reporting as well as adult sexual misconduct on the district's website. Volunteers are required to report suspected incidents of child abuse. This can include physical abuse, sexual abuse, or neglect. Contact the school principal immediately for guidance on how to make a report.

Confidentiality

Volunteers must protect the right to privacy for students and staff. Volunteers may not disclose sensitive school or personal matters that have come to their attention while volunteering. They should only discuss student concerns with teachers or staff members at the school where they are volunteering.

VIII.B.3. Policy JECBB-AR - Resident Transfer Procedures

SCHOOL DISTRICT

Board Policy JECBB-AR—Intradistrict/Resident Transfer Procedures—Revised—First Read

Background

District staff recommends this revision. These Intradistrict/Resident Transfer administrative regulations describe the requirements, conditions, and procedures for a resident transfer request.

Each year, the Corvallis School District opens a transfer window for students living within the district boundary. This process occurs each spring and provides an opportunity for families to choose to attend a school outside of their attendance area boundary.

The proposed revision in the Transfer Request Process section reverses priority language for students in schools that closed the previous year.

Resident Transfer Procedures

The following procedures will govern consideration of a request by a parent/guardian for their student to attend a district school other than the one within the student's regular attendance boundary. (Reference JC-AR for information on attendance boundaries).

Conditions of a Resident Transfer

1. Resident students and their parent/guardians will be notified on an annual basis of resident transfer options available.
2. Requests to transfer will be considered on a space-available basis.
3. Requests that a student attend a district school other than the student's assigned school within their regular attendance boundary must be made by the parent/guardian (or emancipated minor or student age 18 or older) and submitted online.
4. Designated district office staff will notify the parent/guardian in writing that the request has been granted or denied.
5. Students who apply for a resident transfer and are not accepted at the time of application because of space availability, or Every Student Succeeds Act (ESSA) transfers, will be placed on a waitlist. Such applications will be considered for approval at a later date as space becomes available. The waitlist will be maintained until January of each year.
6. Transportation will be the responsibility of the family. In certain circumstances, district transportation may be provided on a case-by-case basis. Existing bus routes and stops will not, however, be disrupted or altered to accommodate a resident transfer.
7. Once approved, a transfer remains in effect until the student completes the highest grade at that school. Students must apply for a transfer if they intend to transition to a junior high school or high school that is not within their attendance boundary.
8. Students participating in a Dual Immersion program are not required to apply for a transfer when transitioning to 7th or 9th grade.
9. An approved transfer granted to a student will not obligate the district to approve subsequent requests from another student in the same family.
10. Student violations of Board policy, administrative regulation or school rules may result in revocation of the transfer at any time at the discretion of the district, in addition to any discipline imposed.

Transfer Request Process

1. Online applications will be accessible via the district's website. If the parent/guardian does not have access to an internet-accessible computer, they may utilize such equipment at either individual school locations or the district office.
2. If there are more applications than space available, a lottery process will be applied. In a lottery process, each student applicant will be assigned a randomly generated number. Priority will be given to qualifying students in the following order:
 - a. ~~Corvallis School District (CSD) students who attended Letitia Carson Elementary or Cheldelin Middle School in 2025 – 2026 and incoming kindergarten students living in the Letitia Carson boundary who will enroll for the 2026 – 2027 school year.~~
 - b. CSD students with siblings currently attending a transfer school and who will attend with the student already enrolled.
 - e. Other CSD students.
 - d. Non-CSD students seeking nonresident transfer with siblings currently attending the CSD transfer school, and who will attend with the student already enrolled.
 - e. Other non-CSD students seeking nonresident transfer.
3. Seats will be offered to applicants based on their priority randomized ranking up to the number of available spots at each grade level for each school. The remaining ranked list of applicants, if any, will serve as the waitlist should future seats become available.
4. In the event that an elementary school exceeds capacity because of growth in the number of attendance boundary students, or a secondary school exceeds the limit needed to balance student populations, the district may choose not to maintain a waitlist until such time when transfers will be accepted.
5. Multiple birth siblings (twins, triplets, etc.) are treated as individuals during the lottery process. If one sibling is offered a seat and the others are offered a position on the waitlist, the parent/guardian may choose to accept the seat offered to one while the siblings remain at the attendance boundary school. If the parent/guardian declines the one seat, the sibling would be placed on the waitlist at the position held by the next sibling not offered a position.
6. Designated district office staff will notify families of their acceptance, denial, or waitlist status in a timely manner as soon as the transfer request process has been completed.
7. Students applying for transfers outside of the online application window are placed at the bottom of the waitlist (if any) in the order their applications are received.

Exceptions to the Transfer Process

The district reserves the right to make placement decisions when warranted by special circumstances. As such, transfers initiated by school administrators, in conjunction with the assistant superintendent or their designee, may occur and become effective at any time during the school year.

Transfer Requests Outside of the Official Window

Transfer requests made during the school year, but outside of the designated transfer window, will be evaluated on a case-by-case basis at specific dates throughout the year. The request must be made via an online application that may require responses not needed during the official transfer window. Once the request has been made, designated district office staff will reach out to school administrators to discuss the request. A decision letter will be sent via email to the parent/guardian once a decision is made.

Revocation Process

1. Minimum standards for behavior must be maintained for a student to remain enrolled in the transfer school. Before revoking a transfer, the receiving building administrator will notify the assistant superintendent or designee and the administrator of the attendance boundary school. If a transfer is revoked, a resident student attending on a transfer will be asked to return to their attendance boundary school.
 - a. A student shall comply with the district's policies, administrative regulations, school, and classroom rules. Regular attendance is an expectation of all students. Chronic absenteeism is grounds for a transfer revocation.
 - b. For purposes of this transfer policy, a transfer may be revoked if a determination is made that the student's conduct poses a threat to the health and safety of students or employees and the behavior poses a significant disruption to the learning environment of others.
2. Parent/guardian may request that a transfer be rescinded by submitting a written request to the assistant superintendent, or their designee, for final review and processing.
 - a. Such requests will be processed immediately to limit any impact on the student's ability to attend school.
 - b. To ensure continuity for a student's education, the district reserves the right to deny more than one transfer request at each school level within a two-year period.
3. Students who transfer high schools will be eligible to participate in interscholastic athletics in accordance with procedures established by the OSAA. The procedures are intended to prohibit recruiting of athletes without unjustly penalizing students. The procedures in no way are to be interpreted as condoning the recruitment of any athlete from one high school to another since recruitment is a clear violation of the intent of this administrative regulation. Students and their families are responsible for ensuring their students meet OSAA transfer regulations.

Students Who Move from their Attendance Boundary

Students whose legal residence changes from the attendance boundary of their current school may choose to remain and complete the highest grade at that school.

Students whose legal residence changes to a different school district during the school year may complete the school year at their current school, but will be required to apply for a transfer for the next school year and obtain an interdistrict transfer request from their new resident school district.

Students who move during the summer to a different school district must attend school in their new resident school district unless they have applied and been approved for nonresident transfer to continue enrollment.

1. Parent/guardian will notify the school in writing of their address change and their request for a continuation at the school.
2. Transportation will be the responsibility of the family.

Students on Extended Leave or Sabbatical from a Transfer School

When a currently enrolled family on transfer takes an extended leave (sabbatical or other out-of-town absence), the students of the family may have special consideration as described below for re-enrolling at their transfer school upon return provided:

- The student previously attended the school for at least one full school year.
- The family's extended leave lasted no longer than one school year.

Parent/guardian must complete an Extended Leave Application form (available at each school location and the district office) prior to leaving. Depending on the length of their leave, re-enrollment will be as follows:

- Should the extended leave last longer than a year, the parent/guardians will follow the process for requesting a transfer through the online transfer request process described within this document.
- Should the extended leave be less than a year, the student will be able to reclaim their transfer upon their return.

Siblings of Students Placed Into District Specialized Programs

Siblings of students placed into district specialized programs are eligible for transfer to the school their sibling attends. Specialized programs include, but may not be limited to, Life Skills and Dual Immersion.

If the district currently provides transportation for the student in the specialized program, transportation may be provided to the sibling as long as space is available and the schedule is consistent with regular routing of the district or the specialized transportation arranged for the sibling assigned to a specialized program.

Safe Public School Choice Transfer Requests

In the event a district school is identified by the Oregon Department of Education (ODE) as persistently dangerous, or a student has been a victim of a violent criminal offense while in or on the grounds of a school the student attends, a transfer to meet the safe public school choice requirements of ESSA will be provided, subject to the following:

1. The district will provide notification to parent/guardian of all students attending a school identified as persistently dangerous of their student's right to transfer.

The notice will:

- a. Be in writing, provided within 10 school days from the time the district becomes aware that the school has been identified by ODE as persistently dangerous or from the time a parent/guardian or student has notified the district that the student has been the victim of a violent criminal offense as defined by ODE;
 - b. Inform parent/guardian that their student is eligible to attend another public school in the district due to the identification of the school as persistently dangerous, or inform the parent/guardian of a student who has been the victim of a violent criminal offense, as defined by ODE, while in or on the grounds of a school the student attends, that their student is eligible to attend another public school in the district;
 - c. Identify each public school in the district, including public charter schools, that the parent/guardian may select;
 - d. Explain why the choices made available may have been limited including, as applicable, that no choices are currently available; and
 - e. Describe the performance and quality of those schools of choice. Parent/guardian may request more detailed information and may ask to see a school's academic report card.
2. The transfer will be to a safe school in the district.
3. Requests to transfer must be in writing (standard mail, fax or email) and submitted to the school office for consideration, generally no later than 20 school days from the district notice. The district will confirm requests.
4. The district will consider the education needs and preferences of the student and parent/guardian. Parent/guardian may decline the assigned school.
5. Approved transfers will generally occur within 30 school days from the time the district learns that the school has been identified as persistently dangerous. A student who has been the victim of a violent criminal offense will be transferred as soon as practicable.
6. Transfers may be temporary or permanent but will minimally be in effect as long as the student's original school is identified as persistently dangerous. Transfers for a student who has been the victim of a violent criminal offense will remain in effect until such time as may be appropriate, based on the safety and welfare of the student. The district will consider the educational needs of all transfer students as well as other factors affecting the student's ability to succeed if returned to the transferring school.
7. The district may provide transportation using federal funds or through cooperative agreements with local victims assistance units.

In the event a district school is identified by ODE as persistently dangerous, or a student has been a victim of a violent criminal offense while in or on the grounds of a school the student attends and there is not another school in the district for the student to transfer to, the district may develop an agreement with a neighboring district to accept transfer students. The development of such agreements is at the discretion of the district. Transfer approval will be in accordance with established Board policy and administrative regulation.

Special Education and Public School Choice

The district will ensure that students with disabilities are provided a free appropriate public education (FAPE) in their school of choice, consistent with the Individuals with Disabilities in Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act. In offering choice to students with disabilities, the district may match the abilities and needs of a student with disabilities to the possible schools that have the ability to provide the student with FAPE.

Appeals Process

A parent/guardian may appeal a transfer denial or waitlist placement if they believe there are special circumstances that the district should consider. Appeals are to be made in writing to the assistant superintendent or their designee and must contain the following elements to be considered:

1. Name of the student
2. Student's grade level for the transfer year
3. Current School
4. School requested
5. Parent/guardian's name and contact information
6. Description of any special circumstances, including any necessary or appropriate supplemental materials.

The assistant superintendent or their designee will investigate each situation and notify the parent/guardian of the decision in writing. Decisions regarding transfer requests made by the assistant superintendent or their designee will be final.
