IV. OSBORN AQUATIC CENTER UPDATE

CORVALLIS SCHOOL DISTRICT
Osborn Aquatic Center Update
October 22, 2026

Background & Overview

Built in 1977, the Osborn Aquatic Center has served as a vital community hub for aquatic recreation for decades. In October 2024, the facility was closed due to a structural failure caused by significant roof steel corrosion. To mitigate immediate risk, the City of Corvallis installed temporary shoring to secure the roof structure.

Following a facilities assessment conducted in the fall of 2025, the Corvallis School District prioritized key repairs necessary to safely reopen the pool. On July 1, 2026, the School Board of Directors approved a **$5,212,000 contract** with Eagle Mountain Construction. The current project scope focuses on essential repairs, including structural roof remediation, HVAC system replacement, and necessary safety compliance updates.

Key Project Milestones

Key Milestone	Target Date	% Complete	Notes
Construction Permits	August 2026	100%	Permits in hand
Pool Closure	August 31, 2026	100%	City staff relocated equipment & operations.
Contractor Mobilization	September 2026	100%	On-site work commenced Sept 14, 2026.
Project Funding	April 2026	90%	Collaborating with community partners
Project Completion	November 2027	7%	Underway

Current Construction Activity

The City of Corvallis closed public operations on August 31, 2026, allowing staff to pack equipment and ready the facility for construction. City staff have relocated to other municipal facilities during the construction period and have collaborated smoothly with the District and Eagle Mountain Construction.

Eagle Mountain Construction and its subcontractors mobilized on September 14, 2026. Work on the exoskeleton, including pressure washing and painting, is currently underway.

The project team is actively working on solutions to provide an operational bulkhead and scoreboard. While these items were not in the base budget, a recent grant from Travel Oregon specifically requires functional bulkhead and scoreboard systems to support competitive meets that drive regional economic development. Targeted fundraising is ongoing to ensure these key components are fully funded and operational.

Kailee Simons, our Project Manager from Wenaha Group, is leading conversations with Energy Trust Oregon for possible incentives to offset costs of construction.

Fundraising Activity & Community Support

On September 23, 2026, the Travel Oregon Board of Commissioners awarded **$500,000** to the District to support the facility reopening and competitive event infrastructure. Since reaching the 90% milestone, the Friends of Parks & Recreation has received additional individual donations, and the City of Corvallis has applied for a supplemental grant.

On October 7, 2026, District and community partners gathered to celebrate reaching **90% of our funding goal**. A special thank you to the State Legislature, City of Corvallis, Benton County, Voices for Osborn, Friends of Parks & Recreation, and Travel Oregon for making this possible.

While we are optimistic about fully closing the remaining $628,027 gap, continued community support is vital.

V. DIVISION 22 STANDARDS

Corvallis SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Melissa Harder
Meeting Date: October 22, 2026

Division 22 Standards for 2025 - 2026 School Year **ACTION REQUESTED**

Background

School district superintendents are required to provide a Division 22 Report to their local school board regarding the district's standing with respect to all Standards for Public Elementary and Secondary Schools as outlined in Oregon Administrative Rules 581-022-2305.

By November 1, 2026, school district superintendents are to report to their local School Board on the district's compliance with all Division 22 Standards in effect for the 2025-2026 school year and to post the Division 22 Community Report for the 2025-2026 school year on their district website. ODE also recommends that superintendents inform School Boards if there have been any recent changes in policy or practice that may take the district out of compliance with any of the Division 22 Standards during the current school year (2026-2027).

The standards that districts must meet contain requirements relating to the five Priorities for Student Success as identified in Oregon's Reimagined Accountability Framework:

- High-Quality Learning Experiences for All Students
- Aligned and Focused Educational Systems
- Engaged Partners and Communities
- Safe and Inclusive Schools
- Committed and Supported Staff

The Division 22 Compliance Report is formatted into categories described in the infographic here.

After completing the local reporting process, districts submit their report to ODE by November 15, 2026.

Compliance Overview

The Corvallis School District has no corrective action to report for the 2025-2026 school year.

Updates to Division 22

New Evaluation Standards for Educational Leaders

Administrator Standards (OAR 581-022-2420)

In June 2025, the State Board of Education adopted the Professional Standards for Educational Leadership (PSEL). As PSEL standards are already used for licensure purposes by the Teacher Standards and Practices Commission (TSPC) and aligned with those used for administrator preparation, this change will increase cohesion and clarity for leaders across the system. Districts are working with ODE to fully implement these standards by September 30, 2027.

In our district, our monthly Leadership Team meetings include a standing PSEL agenda item where we unpack the standards and translate them into specific and actionable skills, behaviors, and knowledge.

Reporting Student Instructional Time

On April 16, 2026, Governor Kotek issued Executive Order 26-06: Preserving Student Instructional Time. The purpose of the executive order is to ensure that all Oregon students have access to sufficient and high-quality instructional time to support their success in school. School districts and public charter schools were prevented from further reducing student instructional time during the 2025-26 school year and in the future as a result.

ODE conducted an initial survey in May 2026 to gather baseline data on the amount of instructional time districts provide. ODE will collect actual time provided for 2025-26 as part of the November 2026 Division 22 Standards assurances. The required instructional time is detailed in temporary rule OAR 581-022-2320.

Our district will report the following:

Required Instructional Time Based on Temporary Rule OAR 581-022-2320	**Corvallis School District Instructional Time 2025 - 2026 School Year**
Grade 12 — 966 hours	Grade 12 = 971 hours ● Includes 54 total hours of PD/ Conferences
Grades 9–11 — 990 hours	Grades 9 - 11 = 997 hours ● Includes 54 total hours of PD/ Conferences
Grades K–8 — 900 hours	Grades K - 5 = 922 hours Grades 6 - 8 = 938 hours ● Includes 54 total hours of PD/ Conferences

ACTION REQUESTED

Approve the Division 22 report for submission to ODE and to be published on the District website. Authorize the district to include up to 30 hours of professional development time, up to 30 hours for parent-teacher conferences, and up to 60 hours of recess for students in grades kindergarten through grade 3 for the calculation of instructional hours.

MOTION REQUESTED

"I move to approve the Division 22 report for submission to ODE and to be published on the District website and authorize the district to include up to 30 hours of professional development time, up to 30 hours for parent-teacher conferences, and up to 60 hours of recess for students in grades kindergarten through grade 3 for calculation of instructional hours."

Corvallis School District
Report on Compliance with Public School Standards
2025-26 School Year

By November 1 of each year, school district superintendents are required by OAR 581-022-2305: District Assurances of Compliance with Public School Standards to report to their community on the district's status with respect to all of the Standards for Public Elementary and Secondary Schools. The Standards are adopted by the State Board of Education and set out in Oregon Administrative Rules Chapter 581, Division 22.

The table below contains a summary of Corvallis School District's compliance with each of the requirements of Oregon's administrative rules found in DIVISION 22 - STANDARDS FOR PUBLIC ELEMENTARY AND SECONDARY SCHOOLS during the 2025-26 school year. For each rule reported as out of compliance, Corvallis School District has provided an explanation of why the school district was out of compliance and the school district's proposed corrective action plan to come into compliance. The corrective action must be approved by ODE and completed by the district by the beginning of the 2027-28 school year.

What are the requirements of the standards? For a general overview of what each rule/standard requires, consult this high-level Rules at a Glance summary. For specific, comprehensive requirements, use the links below for each individual rule.

Corvallis
SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Lauren Wolfe, Director of Finance
Meeting Date: October 22, 2026

October 1 Unaudited Enrollment

NO ACTION REQUIRED

The District's unaudited enrollment on October 1, 2026, was 5,429 students. This represents a decrease of 326 students (-5.66%) from the prior year.

The 2026-27 Adopted Budget projected 5,572 students. The District's unaudited enrollment on October 1, 2026, is 143 students below the budget projection (-2.6%).

This October 1st date is important because the student count from the first school day in October is formally collected by the Oregon Department of Education (ODE) as part of the First Period of the Cumulative ADM Collection. ODE publicly releases the resulting official data, known as the Fall Membership Report, which serves as a foundational figure for a school district's state funding and resource allocation. The District will continue to monitor enrollment closely.

First Period of the Cumulative ADM Collection is due to the ODE on 10/26/2025 and, at this time, has not been submitted. Student enrollment displayed below is considered "unaudited" and not yet validated by the District Security Administrator to ODE.

5.2 **Appointment.** The board of directors shall elect officers by majority vote prior to the November member meeting. In cases where there are more than two candidates nominated for any position, and none receives a majority of the votes, a second ballot shall be required between the two candidates receiving the highest number of votes. The one receiving a majority of the votes is elected.

5.3 **Designation.** The officers of the Association shall be a president, president-elect, past president, vice president, a secretary-treasurer, and such other officers as the board of directors may appoint.

5.4 **Term of Office.** Officer terms are one calendar year. The secretary-treasurer may serve up to two consecutive one-year terms. If an officer's position on the board is up for reelection by their region or redesignation by the Caucus Council, the officer must be reelected by their region or redesignated by the Caucus Council to continue serving in their officer position unless the officer position is the immediate past president. ~~Caucus Council directors serving in officer positions must continue to be recommended by the Caucus Council in accordance with their operating procedures.~~

An officer may resign at any time by delivering notice to the board of directors, the president, or the secretary-treasurer. A resignation is effective when the notice is effective under ORS 65.034 unless the notice specifies a later effective date. If a resignation is made effective at a later date and the Association accepts the later effective date, the board of directors may fill the pending vacancy before the effective date if the board of directors provides that the successor does not take office until the effective date. Once delivered, a notice of resignation is irrevocable unless revocation is permitted by the board of directors. No removal or resignation shall prejudice the rights of any party under a contract of employment.

5.7 **Officers.** The officers of the Association are as follows:

The president shall automatically serve as immediate past president for the following term. The president serves for a term of one calendar year.

5.7.2 President-elect: In the absence of the president, the president-elect shall assume the powers and duties of the president, and when a vacancy occurs in the office of president, shall serve in that capacity for the remainder of the term. The president-elect shall automatically serve as president for the following term, even if required to fill an uncompleted term as president. The president-elect serves for a term of one calendar year.

This authority may be general or confined to specific instances. Except as explicitly permitted by ORS 65.364, the Association shall not make a loan, guarantee an obligation, or modify a pre-existing loan or guarantee to or for the benefit of a director or officer of the Association.

8.6 Execution of Documents. The board of directors may, except as otherwise provided in these bylaws, authorize any officer or agent to enter into any contract or execute any instrument in the name of and on behalf of the Association. 2026 OSBA BYLAWS BALLOT MEASURE

OSBA Governance Changes

A summary for member boards: what would change, why, and what comes next

To OSBA member boards,

In 2026, OSBA's Board Governance Committee led a review of how the association is governed. On September 19, 2026, the OSBA Board of Directors adopted a resolution to amend the OSBA Bylaws and referred it to you, our members, for a vote during the 2026 election cycle.

This summary explains what the amendments would change, why, and what would stay the same. The bylaws set the overall framework. Many supporting details would be worked out afterward through Board policy and operating procedures, with input from the people most affected. Each section lists those open details and who will decide them.

Each member board will vote on the amended bylaws as a single ballot measure. Approval requires two-thirds of returned ballots. The full text of the Board's resolution is included in the voting packet.

We encourage every member board to read the "At a Glance" page and discuss it before voting.

OSBA Board Governance Committee

At a Glance

The ballot measure contains four central changes, plus several smaller technical updates described later in this summary.

THE FOUR CENTRAL CHANGES

1

Ex-officio advisor seats. Would end the standing list of named,non-voting advisors on the Board. The Board could still invite advisors when needed.

2

Caucuses. Caucuses would advise the executive director instead of the Board. The executive director would establish caucuses using criteria the Board sets in policy. Today, adding or removing a caucus requires a member vote to amend the bylaws.

3

Caucus Council. Would create a new Caucus Council, with one representative from each caucus, to advise the Board. The two caucus seats on the Board would become two seats filled by the Board on the Council's recommendation. The Council would also have new pathways to additional leadership.

4

Legislative Policy Committee (LPC). Board members would choose whether to serve on the LPC instead of being required to. The Caucus Council would also have LPC seats (number determined in policy).

WHAT IS NOT CHANGING

Board size. The Board would keep up to 25 voting directors: up to 22 elected by region, plus 2 recommended by the Caucus Council.

Caucus seats during the transition. The two established caucuses would keep their Board seats until the new Caucus Council directors are appointed, or until the end of 2027, whichever comes first.

Caucus voice in governance. Caucuses would continue to have a path to leadership through the two Caucus Council seats and committee seats.

Board oversight of funding. The Board would continue to set caucus funding through the annual budget.

Why these changes

Members told us that the Board's size, unclear roles, and confusion between governance and advocacy are the biggest barriers to an effective Board. These changes are a first, measured step. The Governance Committee will review their impact after one year before recommending anything further, including any change to Board size.

Background

How the review was done

As part of OSBA's regular governance review cycle, the Board engaged Coraggio Group in 2026 to assess OSBA's governance structure. The assessment gathered input from:

188 survey respondents, 12 stakeholder interviews, and 7 focus groups, representing the Board, staff, member districts of every size, the caucuses, and the PRIDE Advisory Committee

A review of school board association bylaws in more than 30 states

Coraggio Group reported its findings in June 2026. The Governance Committee then held a design retreat on August 3, recommended bylaws amendments on August 24, and the Board adopted and took action to refer them to the membership on September 19.

Guiding principles

Four principles, set at the start of the review, shaped which changes moved forward:

Efficiency

Design structures that make purposeful use of staff resources and board member time. Every committee, caucus, and process should add clear value.

Effectiveness

Ensure governance structures enable the board to fulfill its core responsibilities: strategic oversight, policy governance, fiduciary accountability, and organizational leadership.

Engagement

Ensure boards as entities have genuine opportunities to participate and inform decisions without creating administrative burden or unnecessary complexity.

Representation

Balance representation between boards as fundamental units and districts serving larger student populations, ensuring all member voices carry appropriate weight while maintaining geographic practicality.

What we heard

- Board size was named by every member group as the greatest opportunity to improve efficiency, and **69%** of Board and staff respondents named it as a structure that should be re-evaluated.
- Confusion between governance and advocacy was the most-cited barrier to Board effectiveness (**29%** of all respondents), followed by unclear roles (**26%**).
- Board and staff rated the Board's understanding of OSBA's Board work **2.6 out of 5**, though they rated orientation **3.9**.
- The non-voting ex-officio seats were rated the least active and least impactful Board roles. **39%** of Board and staff respondents flagged them.
- Both caucuses and the advisory committee received below-target effectiveness ratings. Members of each group flagged their own group's structure for re-evaluation: **69%** of advisory committee respondents, **63%** of Rural Caucus respondents, and **56%** of Members of Color Caucus respondents flagged their own body's structure for re-evaluation.

The Four Central Changes

1. Ex-officio advisor seats

TODAY

Up to 25 voting directors: 22 elected by region, plus one from the Oregon School Board Members of Color Caucus and one from the Oregon Rural School Board Members Caucus. The bylaws cap the Board at 25 voting persons (Sec. 3.3).

Five named, non-voting ex-officio advisors: an NSBA director elected from Oregon; the executive director of the Coalition of Oregon School Administrators; the chair-elect of the Oregon Association of Education Service Districts; the board president of the Oregon Community College Association; and the chair of the State Board of Education.

WHAT WOULD CHANGE

The named list of ex-officio advisors would be removed.

The Board could designate non-voting ex-officio advisors as needed (Sec. 3.5.4).

WHY

The ex-officio role and its relationship to the Board were never clearly defined. These seats were rated the least active and least impactful Board roles, and 39% of Board and staff respondents flagged them. Peer state associations seat 14 to 19 voting directors; OSBA seats up to 25.

2. Caucuses would advise the executive director

TODAY

Two caucuses are named in the bylaws: the Oregon School Board Members of Color Caucus and the Oregon Rural School Board Members Caucus.

Each holds a guaranteed Board seat and LPC seat and advises the Board directly.

A caucus can be created or eliminated only by a bylaws amendment approved by members.

The PRIDE Advisory Committee is not named in the bylaws. It advises the Board and has no guaranteed Board or LPC seat.

WHAT WOULD CHANGE

The executive director would establish caucuses that support OSBA's vision, mission, and goals, following criteria the Board adopts in policy.

Caucuses would advise the executive director instead of the Board. The Caucuses would no longer be approved by the membership.

The two current caucuses would no longer be named in the bylaws. The expectation is that they would be re-established under the new framework, but that would happen through policy, not through this ballot measure.

The PRIDE Advisory Committee is not addressed in the bylaws, so this measure has no immediate effect on its status. Any change would come through Board policy.

Staff support would be defined in caucus operating procedures and an executive director framework rather than in the bylaws.

The Board would continue to evaluate the executive director, providing accountability for groups that report to that position.

WHY

Today the two caucuses and the advisory committee have different budgets, seats, authority, and resources. A single framework would give every caucus the same pathway and the same rules.

Reporting to the executive director would connect caucuses more directly to OSBA staff and day-to-day operations, providing greater flexibility in how they conduct their work while supporting effective coordination and implementation.

STILL TO BE DECIDED

- Criteria and safeguards for establishing a caucus, grounds for dissolving one, and an appeal to the Board if a caucus request is denied or is dissolved (OSBA Policy Committee)
- How caucus leaders are selected, how long they serve, and how leadership rotates (caucus operating procedures)
- What staff provide to caucuses and how staff take part in their meetings (caucus operating procedures and executive director framework)
- How Oregon public meetings law applies to caucus meetings (OSBA Policy Committee, with legal review)

3. A new Caucus Council, and caucus seats on the Board

TODAY

Each of the two caucuses designates one voting director to the Board and Legislative Policy Committee.

Each caucus manages its own budget.

Adding a caucus adds a seat on both the Board and the LPC.

WHAT WOULD CHANGE

A new Caucus Council, advisory to the Board, composed of one Board-approved representative from each caucus, (Sec. 4.4.4).

The Council would recommend two people for the Board to appoint as full voting directors (Secs. 3.5, 3.5.3). These replace the two current caucus seats.

The Council would have the option to recommend a Finance Committee member, LPC members, and members to other Board committees. Recommendations would be subject to the approval of the Board.

The Council would adopt operating procedures (Sec. 4.4.2), keep minutes, report at Board meetings, follow public meetings law (Sec. 4.5), and file a year-end report (Sec. 4.4.6).

The Board would set the Council's budget (Sec. 4.4.5), as it sets caucus budgets today.

New caucuses would join the Council without adding Board seats.

Filling seats and the transition

Officer overlap. If the president or immediate past president is a Caucus Council director, the Council would select an additional director for that term (Sec. 3.5.3).

Start date. The new structure would take effect July 1, 2027, to allow time to develop the supporting policies and procedures

Transition. The two current caucus directors would keep their seats until the Board appoints the two Council directors, or until the end of 2027, whichever comes first.

WHY

One Council would give every caucus, current and future, the same pathways to leadership. The Council structure allows new caucuses to be added without expanding the Board or revising the bylaws each time a caucus is created. This provides greater flexibility while addressing member concerns about Board size.

STILL TO BE DECIDED

- The Council's operating procedures, including how it selects candidates for its two Board seats (OSBA Policy Committee)
- How Caucus Council budget is distributed to individual Caucuses (Caucus Council)

4. Legislative Policy Committee (LPC)

TODAY

Members: all voting Board members, elected regional representatives (Sec. 4.1.3(c)–(e)), the President as an ex-officio voting member, and one designee from each caucus.

Board policy (Policy 2100) requires every director to serve on the LPC.

The bylaws set two-year terms for LPC seats, with terms starting in January 1 of even-numbered years.

WHAT WOULD CHANGE

Members: Board members who choose to serve; the president (ex officio, voting); all Executive Committee members (required to serve); elected regional representatives; and members recommended by the Caucus Council (Sec. 4.1.3(b)).

Two-year terms starting January 1 of even-numbered years, with members being limited to up to five consecutive terms, then eligible again after a two-year break (Sec. 4.1.3(f)).

WHY

Requiring every director to serve on the LPC blurred the line between governance and advocacy, the barrier to effectiveness respondents named most often. Voluntary service would place directors on the LPC who are ready and have capacity for the advocacy role. Term limits would create predictable rotation and new leadership pathways. Seating Council designees would keep caucus representation on the LPC through one consistent process.

STILL TO BE DECIDED

- How directors indicate interest in LPC service, and how seats are filled (OSBA Policy Committee)
- How many Caucus Council designees serve on the LPC (Board and Caucus Council)
- How current members, and directors who join mid-cycle, move into the new term cycle (OSBA Policy Committee)

Other Changes on the Same Ballot

These technical updates are part of the same ballot measure. Items already covered above are noted, not repeated.

CHANGE	WHAT IT DOES
Resolution deadline (2.5)	Moves the deadline for submitting resolutions to the Board from September 30 to September 15.
Region declaration (2.6.2)	Clarifies that if a member has a main administrative office in more than one region, the member must declare which region it intends to vote and shall only vote in that region.
Regional review (2.7)	Formal review of OSBA's regions would happen at least every five years instead of every three.
Annual meeting (2.8)	Keeps the annual members' meeting but drops the requirement that it be in person in November. OSBA would still report on its activities and finances at least once a year.
Quorum and approval (2.13, 2.14)	Blank ballots and abstentions would count toward quorum but would not count as "no" votes.
Board vacancies (3.6)	Clarifies that the Board would be able to fill any vacant director seat by appointment, except an extra seat created under Sec. 3.5.1(e) when the president or immediate past president is no longer from that region.
Contiguous regions (3.6)	Ends the option of appointing a director from a neighboring region. Directors would have to come from the region they represent.
Finance Committee term limits (4.1.2)	Members starting on or after January 1, 2027, would be able to serve five consecutive two-year terms, then return after a two-year break. Current members would not be affected.
Officer reelection (5.4)	Clarifies that an officer (other than the past president) whose Board seat is up for election would have to be reelected by their region to remain an officer.
Also on the ballot	Caucus director transition (3.5.3) and Finance Committee Council designee (4.1.2): see Change 3. LPC terms (4.1.3(f)): see Change 4.

Improvements Already Underway (No Vote Needed)

These improvements fall within the Board's and staff's existing authority. Several are already in progress.

AREA	WHAT IS CHANGING
Onboarding	Written role descriptions at recruitment, mentoring for new directors, and a check-in at six to eight months.
Board and LPC expectations	Written attendance and engagement expectations and a way to track them, applying equally to regional and Caucus Council directors.
Regional director role	Clarifies that regional directors are a point of contact for member boards, not their delegates, and owe their primary duty to the association as a whole as its fiduciaries.
Governance training	Ongoing training on Board, staff, and officer roles, fiduciary duty, and officer eligibility.
Member communication	Clear ownership of member communication, a regular governance digest and legislative updates, and roadshows redesigned for two-way dialogue.
Meetings	In-person sessions for complex decisions and more emphasis on preparation before meetings.

7. The Superintendent or designee schedules times for a maximum of three board

members to meet with the Superintendent or designee for information-sharing sessions and questions. Answers to questions will be shared with the entire Board, and meeting participants will not deliberate towards a decision.

Public Comment at Board Meetings

All Board meetings, with the exception of executive sessions, will be open to the public. The Board invites the district's community members to attend Board meetings to become acquainted with the programs and operation of the district. The public has a right to attend public meetings held in open session. The Board welcomes and encourages the members of the public, including students, staff, families, and community, to share comments, ideas and opinions with the Board during designated times on the agenda.

The Board may conduct meetings without public comment. Oregon's public meeting law is not a public participation law. However, the Board deeply appreciates public input to improve the district's efforts on behalf of students and staff. While the Board will not typically engage in deliberations or answer questions of the public while in session, the Board directors consider all input in their decision making.

Individuals with hearing, vision or speech impairments will be given an equal opportunity to participate in Board meetings and submit written comments to the Board. Individuals requesting assistance, aids or accommodations are encouraged to notify the district at least 48 hours prior to the Board meeting with the request, consistent with Board policy BD/BDA – Board Meetings.

Procedures for Oral Public Comment

The Board establishes the following procedures for public comment at regular meetings held in open session. Information will be accessible and available to all patrons accessing or attending such a Board meeting.

1. Public comment is limited to its designated place on the agenda as time allows for that agenda item.

2. A person wishing to provide public comment at a board meeting, should submit a request form online by a deadline set by the district administration 48 hours before the meeting. Request forms can be accessed on the district website via this (link to district website) or by contacting the Superintendent's office. Public comment, like meeting attendance, is available either virtually or in person. Up to 10 community members will be scheduled to provide public comment at each meeting, with a 3-minute time limit per speaker. If more than 10 people request to speak, priority will be given to residents who did not provide public comment during the previous two meetings, then the selection of speakers will be determined randomly.[1] A request to give public comment in-person or electronically does not guarantee time will be available.

3. A person speaking during the public comment portion of the meeting may comment on an agenda item or other topic not on the published agenda.

4. A person speaking during the public comment portion of the meeting should state their name, whether they are a resident of the district, and, if speaking for an organization, the name of the organization. A spokesperson should be designated to represent a group with comments for a common purpose.

5. A person giving public comment is limited to an established time limit of three minutes. Statements should be brief and concise. Prior to the meeting the Board chair may extend the overall time allotted for public comment in consideration of the number of people wishing to provide comment. Prior to the public comment agenda item, the Board chair, without objection from the Board, may consistently adjust time limits for all individual speakers. Any additional time will be allocated in a fair and equitable manner across all speakers, giving each an equivalent amount of time. Time limits may be determined based on the number of commenters and the amount of time available for public comment. If a person has more comments than time allows or is unable to comment due to time constraints, the person is encouraged to submit additional written comments to the Board through the district office as directed.

6. Comments and inquiries from the public during the designated portion of the agenda are taken into consideration by all Board directors, but will not typically be responded to by the Board chair or other directors. Inquiries may be referred to the superintendent for reply at a later date.

Materials or comments submitted at least 48 hours in advance of a Board meeting will be provided to the Board before the Board meeting, but will not be read at the Board meeting.

All oral and written public comment will be considered by the Board. The Board Chair or designee may acknowledge written comments, however the Board generally does not respond directly to the public comments and cannot deliberate with the public.

Comments Regarding Staff Members

A person speaking during the designated portion of the agenda for public comment may offer objective comments or criticism about district operations and programs. Public Comment at Board Meetings

All meetings of the Board, with the exception of executive sessions, shall be open to the public. The Board invites patrons of the district to attend Board meetings to become acquainted with the program and operation of the district. Members of the public are also encouraged to share their ideas and opinions with the Board when appropriate.

It is the intent of the Board to ensure communications with individuals with disabilities are as effective as communications with others. Individuals with hearing, vision or speech impairments will be given an equal opportunity to participate in Board meetings. Primary consideration will be given to requests of qualified individuals with disabilities in selecting appropriate auxiliary aids[1] and services.

Auxiliary aids and services for persons with disabilities will be available at no charge to the individual. All auxiliary aids and/or service requests must be made with appropriate advance notice. Should the Board demonstrate such requests would result in a fundamental alteration in the service, program or activity or in undue financial and administrative burdens, an alternative, equally effective means of communication will be used.

Audience

During an open session of a Board meeting, members of the public are invited to present comments during the portion of the agenda so designated. At the discretion of the Board chair, further public comment may be allowed.

Request for an Item on the Agenda

A member of the public may request the superintendent consider placing an item on the agenda of a regular Board meeting. This request should be made in writing and presented to the superintendent for consideration at least five working days prior to the scheduled meeting.

[1]Auxiliary aids may include, but are not limited to, such services and devices as qualified interpreters, assistive listening systems, note takers, readers, taped texts, Braille materials and large print.

1. Discussion or presentation concerning a published agenda item is limited to a designated place on the agenda, unless otherwise authorized by the Board chair.

2. A visitor speaking during the meeting may introduce a topic not on the published agenda. The Board, at its discretion, may require that a proposal, inquiry or request be submitted in writing and reserves the right to refer the matter to the administration for action or for study.

3. Any person invited by the Board chair to speak to the Board at a meeting should state his/her name and residence and if speaking for an organization, the name and identity of the organization. A group of people with a common purpose should designate a spokesman to speak for the group.

4. Statements by members of the public should be brief and concise. The Board chair may exercise discretion to establish a time limit on discussion or oral presentation by visitors.

5. Questions asked by the public, when possible, will be answered by the Board chair or referred to the superintendent for reply. Questions requiring investigation may, at the discretion of the Board chair, be referred to the superintendent for response at a later time.

6. At the discretion of the Board chair, anyone wishing to speak before the Board, either as an individual or as a member of a group, on any agenda item or other topic, may do so by providing the Board secretary with a complete registration card prior to the Board meeting in order to allow the chair to provide adequate time for each agenda item.

Petitions

Petitions may be accepted at any Board meeting. No action shall be taken in response to a petition before the next regular meeting. Petitions shall be referred to the superintendent for consideration and recommendation.
