2026-2027 School Board Update

Corvallis SCHOOL DISTRICT

CORVALLIS HIGH SCHOOL

CELEBRATIONS & SUCCESSES FROM 2025/26

- Eighteen students scored 'proficient'(11) and 'early proficient' (7) on the ELPA. Students have the option of exiting from ELD support services when they reach proficiency. Five students exited last year.
- 45% of our students participated in a sport, with many more involved in other extracurricular activities.
- Initial data from the Supported Algebra model suggests that the move to keep the most vulnerable standard-diploma math learners (9th grade) at grade level with an additional Algebra support class resulted in significant gains from middle school outcomes, with the percentage of students with a failing grade dropping from 52% in middle school to 23% in high school, and 60% earning a C or higher in 9th-grade Algebra 1.

HIGHLIGHT: WHAT WE ARE EXCITED ABOUT THIS YEAR

- Students are spending more time engaged in class discussions and less time on their Chromebooks.
- ELL students now have access to supported online courses to improve their chances of graduating.
- Waffle Wednesdays & Open Gym at lunchtime
- Data review: looking at trends in access and outcomes for our Hispanic students and working to decrease that disproportionality through our equity work with WestEd.
- Applied Science giving modified diploma students a chance to learn science in an appropriate and supportive setting.
- 10th-12th graders whose cumulative GPAs are under 2.5 have shown an 8.5% increase in their attendance percentages for Q1.

GOALS FOR THE CURRENT SCHOOL YEAR		
Board Goals	District Goals	School Goals
Excellent Learning Experience	Increase 9th grade students on track for graduation	By June 2027, the % of 9th Grade students with 6 credits will be 90%
Excellent Learning Experience	Increase 5 year completer graduation rates for students with disabilities, English learners, and students experiencing poverty Increase 4 year cohort graduation rates for students with disabilities, English learners, and students experiencing poverty	By June 2027, the % of 4 year diploma completion will increase from 87.9% to 90%
Healthy Communities	Increase regular attendance rates	By June 2027, the regular attendance rate of 10-12th Grade students with GPA 2.5 and lower will increase from 74% to 85%

KEY STRATEGIES TO ACHIEVE OUR GOALS

- Weekly grade & attendance reports (internal support team meetings).
- Detailed attendance reports sent to families every three weeks.
- Targeted intervention support (including 1:1 support meetings with students, team meetings with students/families/ teachers, schedule changes, assigning support classes and connecting students to building resources, assigning additional building resources in support, meeting with specific teachers to discuss data and potential support for students).
- New co-taught classes (Geometry, World Literature).
- Continued focus on Algebra 1 support.
