- E. 7. Motion to Discuss a Resolution Authorizing Interventions in Proceeding Before The State of Illinois Property Tax Appeal Board

Daina Pflug, Business Manager, discussed the reasoning behind the Resolution and stated that this was not new to schools, but it was new to Central 301. She explained that relevant requests were sent to the district every year, though the District did not receive many such requests as they did not have much commercial business in the area. She noted that Target and Farm and Fleet were the two biggest businesses that were affected. She further explained that every year, school districts and taxing bodies received this letter if the value was more than \$100,000.00. The Resolution, therefore, requested the ability for the District's lawyers to intervene on their behalf when necessary, noting that they only had 60 days from the letter's receipt to intervene. She clarified that this process was time-sensitive, depending on when the letter was received relative to the next Board meeting. The Board discussed the resolution prior to voting.

6. New Business (Action)
Authorize District Civil Engineer and District Construction Manager to develop Architectural Drawing of proposed parking lot for Central High School

The Board discussed having the District Civil Engineer and the District Construction Manager provide architectural drawings for the proposed parking lot at Central High School and whether the use of funds to have this done would be beneficial at this time. Member Gorman asked if this had been started, and Dan Poloway told him it had not. Member Gorman then asked Mr. Poloway his thoughts on this.

Dan shared that there was a need for a parking lot, but there were several things that needed to be done in the district that were needed to keep the district and schools running on a day-to-day basis. Dan stated that ten to twelve thousand dollars would go a long way on the list.

President Wasson stated that at the last board meeting, the board had asked people to reach out about the parking issue, and he had not heard from anyone nor had he received any emails on the subject; the rest of the board shared they had not had any contact either. Dan shared that the cost of a new parking lot would be in the hundreds-of-thousand-dollar range, if not more. Member Gorman said he felt the parking was more of an issue in the beginning of the school year. Member Hurst asked if maybe there were ways they could better administer parking passes in the right way and possibly check the price of parking passes in neighboring districts to see if they needed to raise the cost of parking passes, noting that there were ways to improve the ways they used what they had. After discussion, the board felt they needed more information before proceeding with this step.

This discussion was tabled for future discussion.

MEMORANDUM

FROM: Matthew E. Haug, Executive Director for Human Resources
TO: Central 301 Board of Education
CC: Tim Kilrea, Interim Superintendent
Kyle Schumacher, Interim Superintendent
DATE: November 17, 2025
RE: Salary Adjustment - Sarah Farrington

At the July 7, 2025 Board of Education meeting, it was recommended and approved that Sarah Farrington would have a title change from Assistant Principal to Associate Principal at Central High School. This is consistent with the comprehensive leadership role that Ms. Farrington has taken on over the past several years. Due to ongoing negotiations, administrative salaries were not settled at the beginning of the school year. Once completed, Ms. Farrington's salary was established based upon her assistant principal role.

After conducting a review of salaries and positions, we are recommending that Ms. Farrington's 2025-2026 base salary be retroactively adjusted from \$115,976 to \$122,065 to reflect the increase in responsibility that goes beyond the traditional scope of an assistant principal.

RE: Approval of Donation to PV Student Council Activity Account

Prairie View Grade School received an anonymous donation for \$500.00 to be used for Student Council projects. Some of the projects that these funds would be used for are the 5th grade end of year activities and field trips costs. We are recommending that we accept this donation.

Subject: 2025 Proposed Tax Levy

Date: November 17, 2025

Attached is information relating to the proposed 2025 tax levy. The Board will be asked to adopt a tentative tax levy resolution for the next school year. In December the Board will be asked to adopt the final tax levy.

Enclosed is an analysis of the history of district EAV and new construction numbers, the estimated 2025 EAV, estimated tax rate, and the increase in new dollars over the previous year's extension. We are anticipating approximately \$2,843,568 in new operating dollars. There will be a significant decrease in the debt service extension as our bond payments decrease from \$9,418,950 to \$1,942,050 due to the Series 2013 bonds being paid off. The total operating and debt service extension will be approximately \$62,852,050 if the estimated total EAV is close to \$1,268,500,000 and new construction is near \$24,200,000, which are the most recent numbers provided by the Kane County Tax Extension officer.

As in past years, it is necessary to request a higher amount than what we anticipate receiving to ensure full access to dollars that are generated through new construction EAV. The law provides that a district cannot receive more than what it is entitled. A district cannot receive more than what was requested in each fund.

Since the proposed operating extension is less than a 5% increase, we are not required to post a Truth in Taxation notice and conduct a public hearing. Also, the Property Relief Tax Grant that was applied for last year was not funded through the state so there is nothing to apply for this year.

**RESOLUTION ESTIMATING AGGREGATE
LEVY FOR THE YEAR 2025**

WHEREAS, Board of Education of Central Community Unit School District No. 301, Kane and DeKalb Counties, Illinois (the “Board of Education”), is empowered to levy taxes on the real property within Central Community Unit School District No. 301, Kane and DeKalb Counties, Illinois (“the School District”); and

WHEREAS, pursuant to the *Truth in Taxation Law*, 35 ILCS 200/18-55 *et seq.*, the Board of Education must determine the estimated amounts of taxes necessary to be levied for the year not less than twenty (20) days prior to the adoption of the aggregate tax levy; and

WHEREAS, the corporate and special purpose property taxes (i.e., “aggregate levy”) extended or abated for 2024 were **\$58,017,016**; and

WHEREAS, the property taxes extended for debt service and public building commission leases for 2024 were **\$9,513,147**; and

WHEREAS, if the estimate of corporate and special purpose property taxes to be levied is more than 105% of the amount extended or estimated to be extended, plus any amount abated by the taxing district prior to extension, upon the final aggregate levy of the preceding year, exclusive of election costs, public notice shall be given and a public hearing shall be held.

NOW, THEREFORE, Be It Resolved by the Board of Education of the Central Community Unit School District No. 301, Kane and DeKalb Counties, Illinois, as follows:

Section 1: The proposed corporate and special purpose property taxes to be levied for 2025 are **\$60,910,000**. This represents an **4.99%** increase over the previous year.

Section 2: The estimated property taxes to be levied for debt service and public building commission leases for 2025 are **\$1,942,050**. This represents a **79.59%** decrease over the previous year.

Section 3: The estimated total property taxes to be levied for 2025 are **\$62,852,050**. This represents a **6.93%** decrease over the previous year.

Girls Flag Football Proposal

Presented on November 17th, 2025
Michael Sitter, Athletic Director

D301's Mission Statement

*Engage the mind
Empower the learner
Inspire excellence
Influence the world*

Introduction

This proposal advocates for establishing a girls flag football program at Central High School starting with the 2026-2027 school year. Flag football offers students an opportunity to engage in a popular, safe and accessible team sport. Flag football, a non-contact alternative to tackle football, emphasizes skill development, teamwork and sportsmanship. Its growing popularity at the high school and collegiate levels makes it an excellent addition to our athletes here at Central High School.

We would offer 2 levels of competition - Varsity and Junior Varsity.

We would hire 3 coaches - One head coach and two assistant coaches.

This would align us with the other 9 schools in the Fox Valley Conference.

Season Overview

Season	Rules
<ul style="list-style-type: none">• The Illinois High School Association (IHSA) has established girls' flag football as a fall sport running from week 6 to week 21 of the IHSA calendar. The inaugural IHSA State Series for girls flag football debuted in the Fall of 2024.• Season begins on Monday, August 10, 2026. First game can be played on Monday, August 24, 2026.• Student-athletes are required to participate in at least nine practices before competition.• A maximum of 25 games are allowed per regular season.	<ul style="list-style-type: none">• The program will adhere to the rules set by the National Federation of State High School Associations (NFHS) for flag football.• Flag football rules emphasize safety by prohibiting contact, blocking and screening.• Other rules, such as the number of downs to achieve a first down and scoring, will align with IHSA regulations.

Student Interest Survey Recap

In August 2025, Freshman, Sophomores and Juniors were asked this question in a student interest survey:

If offered at Central, which sports would you be interested in joining?

Potential Challenges and Solutions

- **Securing fields and practice time:** Collaborate with the athletic department to schedule field usage.
- **Finding qualified coaches:** Seek individuals with flag football knowledge and coaching experience who are enthusiastic about developing a flag football program. There are numerous flag football clinics each year sponsored by the IHSA and the Chicago Bears.
- **Building student interest and participation:** Promote the program through school announcements, summer camps and a partnership with the CYFL (Central Youth Football League).
 - CYFL K - 8 (girls only) participate in league play vs other communities
 - 2024: 12 participants
 - 2025: 50 participants
 - 2025 Powderpuff: 139 participants
 - 8th grade flag football interest meeting at Central Middle School: 31 girls attended

Financial Considerations

<ul style="list-style-type: none"> ● The program requires flag footballs and belts (helmets are optional) <ul style="list-style-type: none"> ○ Helmets - 30 @ \$70 each = \$2,100 ○ Flag belts - 30 @ \$10 each = \$300 ○ Footballs - 5 @ \$40 each = \$200 ● Uniforms - includes shorts and jerseys - will be expected to last 3-4 years <ul style="list-style-type: none"> ○ Basic jersey and shorts set: \$160–\$200 per ○ Premium set: \$250–\$550 per <ul style="list-style-type: none"> ■ Basic pack: 30 × \$180 ≈ \$5,400 ■ Premium: 30 × \$400 ≈ \$12,000 ● Players are recommended to have non-metal cleats and mouthguards and can purchase optional equipment like football gloves. <p>Total: \$14,600 (premium jerseys)</p>	<ul style="list-style-type: none"> ● Game Expenses <ul style="list-style-type: none"> ○ Referees - \$3600 per season ○ Press box - \$1300 per season ● Coaching stipends for 26/27 <ul style="list-style-type: none"> ○ (Column H) Head Coach at \$5,324 ○ (Column F) 2 Assistant Coaches at \$4,274 each ● Travel expenses. <ul style="list-style-type: none"> ○ \$4.00 per mile and \$24.00/hr per driver ○ Example - Traveling to Crystal Lake would approx cost \$332 - \$350 <ul style="list-style-type: none"> ■ 50 miles round trip ■ 5.5 to 6 hrs ○ Approximately 10-12 trips per season totals \$3,630 per year <p>Total: \$22,402</p>

Measuring Program Success

Adding a girls flag football program presents an excellent opportunity to expand athletic offerings at Central High School promoting physical activity, skill development, and positive social interaction among students. We believe that with careful planning and community support, the program will be a valuable addition to our school's athletic department and foster a lasting love for the sport among students.

- Track student participation and retention rates in the program.
- Gather feedback from players, parents and coaches on program satisfaction, skill development and overall experience.
- Monitor improvements in player skills and knowledge of the game.
- Observe the development of teamwork, leadership and sportsmanship among players.
- Meet the social-emotional needs of all athletes.

Next Steps

- Final approval at the December 15th board meeting
- Notify Fox Valley Conference that Central High School will join flag football for the fall 2026 season
- Create a community and school announcement
- Work with the CEA concerning salary structure
- The human resource department will post the coaching positions
- Athletic department will hire and begin training the coaching staff
- Plan a summer camp and fall schedule

New “Right-Sized” IAR

The Key Move: Merging the Bottom

One major change was combining the two lowest categories (**Level 1 and Level 2**) into the single **"Below Proficient"** level. This simplifies the message -- instead of arguing about *how* far behind a student is, the focus is now clearly on providing support for those who are not yet on track.

The "Proficient" Bar Was Adjusted

The other major change was lowering the actual score (cut score) needed to hit **"Proficient"** in math and reading.

- The goal of the adjustment is to provide more accurate and meaningful data.

The What Does this Mean?

1. **A New Starting Line:** Because the scoring rules changed, you **cannot** directly compare this year's "Proficiency" rating for a school to last year's. This year's results create a new, more accurate baseline for everyone going forward. You can still track your child's progress by looking at their raw score over time.
2. **No Change to Schoolwork:** This change **does not** mean the lessons, standards, or curriculum in the classroom are being made easier. The state's expectations for what students must learn remain the same—only the scoring criteria on the test have been adjusted.
3. **Consistency:** The same four simple labels (**Above Proficient, Proficient, Approaching Proficient, Below Proficient**) are now used on the IAR, the science test (ISA) and the high school ACT/SAT. The consistency of these ratings provides alignment from elementary through high school.
4. **Benchmarks:** The state examined which test scores align with success in a college-level course (such as earning a C or better) and adjusted the bar to match that reality.
