#### Regular Meeting/Executive Session

Tuesday, January 14, 2020 5:30 PM NES Library, 1057 E 5th Ave, Nome, Alaska 99762

- 1. Pledge of Allegiance
- 2. Nome Public Schools Mission Statement
- 3. Roll Call
- 4. Approval of Agenda
- B. Consent Agenda

# (Routine matter considered for approval as one motion. Any item can be pulled for separate consideration).

- 1. Approval of Minutes: Regular Meeting: December 10, 2019
- 2. Approval of December 2019 Disbursements
- 3. Approval of Out of State Travel
- C. Awards and Presentations
- 1. Introductions of Guest & Visitors
- 2. Students of the Month
- 3. Teacher of the Month
  - 4. Support Staff of the Month
  - D. Opportunity for Public Comments on Agenda/Non-agenda Items
  - (3 minutes per speaker, 30 minutes aggregate)
  - E. Superintendent Report
  - 1. First FY21 Budget Presentation
  - F. Information & Reports
  - 1. Student Representative Report
  - 2. Principal Reports
  - 3. Director Reports
  - 4. Business Manager Report
  - G. Second Public Comment Opportunity
  - (Individuals are limited to three minutes each.)
  - H. Action Item
  - 1. First Reading of Board Policy
  - 2. Approval of Administrator Contracts for FY20
  - 3. Approval of Middle School Model for Nome-Beltz Jr/Sr High School
  - 4. Approval of Teacher Contracts
  - I. Executive Session
  - 1. Superintendent Evaluation
  - J. Board and Superintendent's Comments & Committee Reports
  - K. Upcoming Events:
  - L. Adjournment

**Our Mission** 

Nome Public Schools, in active partnership with families and the community, educates and inspires students to become successful and responsible global citizens in an environment that represents our rich cultural diversities and local traditions.

# Our Vision

Nome students will discover and expand their talents, meet high expectations, and be prepared for a changing world.

# Board and Superintendent Guiding Principles

- Works to ensure academic success for all students
- Works to promote positive community partnerships
- Provides leadership and support to ensure reading proficiency by 3rd Grade
- Supports the recruitment and retention of effective staff

# Board and Superintendent Goals

- Provide the resources for the development and adoption of curriculum as per Board Policy (BP 6141).
- Support the integration of a student's culture in the curriculum within the context of the community through implementation of the Alaska standards for culturally responsive schools.
- Work to ensure all students feel connected to their peers and the adults in their schools by improving school climate.

Nome Public Schools Superintendent Report Jamie Burgess January 14, 2020

1. The Alaska Housing Finance Corporation Teacher Housing Grant has been submitted with a request for \$500,000. Additional funds were announced in mid-December from the Denali Commission, and the deadline for the grant application was extended. Notification if our project receives any funding is expected in mid-February. A thank you to Rudy Rudisel for his work on the construction estimate and assistance in completion of the grant application.

2. Congratulations to Mr. Keane Richards and his third period science class at ACSA for winning the statewide REAP (Renewable Energy Alaska Project) Alaska Power Pledge Challenge. This program was designed to help middle school students increase energy awareness and understanding of energy use. Students completed a lesson on energy use, learned how to calculate the cost of appliance use, and did a home energy audit, then completed a pledge online with what changes they could make at home. A representative from REAP also came out to Nome to do a presentation with the students. Mr. Keane and his students will receive a pizza party, \$2400 worth of classroom materials, and a tour of the Nome Power Plant. Mr. Keane's fourth period science class was the regional winner as well and will also get a pizza party and a Power Plant tour. Thank you to Kawerak's Energy Development Specialist Amanda Toerdal for helping coordinate the REAP representative visit and making us aware of the program.

3. I am working on ways to improve culturally responsive teaching in our district and to make this a district priority for the upcoming school year. I met with several representatives from Kawerak Wellness to discuss development of a schedule for NPS staff to participate in available workshops and trainings on an ongoing basis, as well as utilize community members and experts in district Wednesday PD, and to provide input on our curriculum work. I will be discussing these plans with district leadership and preparing a formalized plan for the Board.

4. The district's Strategic Plan Sessions are coming up on January 23<sup>rd</sup> and 24<sup>th</sup>. AASB has asked that we implement a district-wide input survey to gather additional information from stakeholders to help inform decisions by the planning committee. The survey has been released over various outlets, and we will have paper copies available in the front office of the schools and district office.

5. Registration for the first course in the UAF-NWC Cultural Campus Credential for the district should be coming soon – we are pleased to have Jim LaBelle teaching the History of Schooling in the Bering Strait Region. In addition, Meghan Topkok will be teaching an Inupiaq Language Course which teachers can attend at no cost, and plans are underway for an Alaska Literature course as well for this semester. We look forward to a good turnout of staff participating in this professional development opportunity.

6. I will be attending an Interest Based Bargaining workshop hosted jointly by AASB and NEA-Alaska at the end of January. This is an opportunity for me to learn how to effectively participate in this collaborative style of labor negotiations.

Nome Public Schools Superintendent Report Jamie Burgess January 14, 2020

7. The first draft of the FY21 budget is attached to this report for your information and response. This was compiled with input from all directors and principals regarding needs for the coming year. We are anticipating flat funding from the legislature this year, which does mean some cuts need to be made, as salaries/benefits will rise, along with health care costs, energy costs and other cost increases. No major changes have been made to staffing, with the exception of adding one special education teaching position due to case management needs. I have a meeting with the City Manager scheduled for January 9<sup>th</sup> to discuss the first draft and work on a schedule for presentations to City Council regarding the City's appropriation. Any changes in state funding that develop during the Legislative Session will be reflected in future budget drafts.

# Draft Budget

January 14, 2020

Mrs. Brandy Arrington, President Dr. Barb Amarok, Vice-President Mrs. Sandra Martinson, Treasurer Mrs. Nancy Mendenhall Ms. Darlene Trigg

#### Mission

Nome Public Schools, in active partnership with families and the community, educates and inspires students to become successful and responsible global citizens in an environment that represents our rich cultural diversities and local traditions.

FY 2021

January 7, 2020

Members of the Board of Education Nome Public Schools Nome, Alaska 99762

The Nome Public Schools (District) is pleased to present you with the budget for the fiscal year 2021. The budget document is the primary document that communicates the District's plans for spending in the ensuing fiscal year, and it also details its organizational goals and objectives in monetary terms. The District is required to prepare and approve a balanced budget and submit it to the City of Nome by May 1<sup>st</sup> and to the Department of Education & Early Development by July 15<sup>th</sup> each year. A balanced budget is defined as revenue budgeted at least the same as, or more than, the budgeted expenditures or use of fund balance.

In presenting the FY2021 Budget document, we may discuss the instructional, operational, and financial plans in an open forum. We believe community interaction and input between stakeholders leads to improvements benefiting the education of children at Nome Public Schools. The administration of Nome Public Schools has reviewed and discussed its plan for the FY2021 school year in terms of what can be accomplished within the bounds of a balanced budget.

Budget development and analysis is always a work in progress. Changes will occur in FY2021 when salaries, benefits, and foundation funding are finalized.

#### Organizational Component

The City of Nome was incorporated in 1901 as a first-class city under the laws of the Territory of Alaska. The City operates under council-manager form of government and performs municipal duties allowed by Alaska Statutes and as directed by its residents.

The Nome Public Schools is a component unit of the City of Nome and is organized under Title 29.42.030 of Alaska Statutes as amended. The City has delegated the administrative responsibility for these functions to the Nome Public Schools Board of Education. The School Board is governed by a five-member school board with members elected by district and complemented by a non-voting student representative.

#### **Budget Process**

Alaska Statute 14.14.065. Relationship between city school district and city. The relationships between the school board of a city school district and the city council and executive

or administrator are governed in the same manner as provided in AS 14.14.060. AS 14.14.060 (c) states "except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget the assembly shall determine the total amount of money to be made available form local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available form local sources from money available for the purpose.

The District's School Board approves a budget timeline which includes opportunities for presentation to the public. Below is the FY2021 budget timeline.

#### FY 2021 BUDGET PROCESS AND TIMELINE

#### Budget Process, Timeline, Revenue Presentation, Board Sets Education & Fiscal Priorities For the District in Accordance with their Strategic Plan

BP 3100 - BUDGET – The district budget shall be prepared annually from the best possible estimates of revenues and expenditures. The Superintendent or designee shall determine the manner in which the budget shall be prepared and shall schedule the budget adoption process in accordance with legal time requirements. A public hearing shall be held prior to the adoption of the budget or a revised budget.

#### FY 2021 1st Draft Budget presented to the Board at regular meeting January 14, 2020

FY 2021 2nd Draft presented to the Board at regular meeting March 10, 2020

FY 2021 3rd Draft/Final Budget presented to the Board at regular meeting April 14, 2020

> FY 2021 Budget Adoption at special session April 28, 2020

#### General Fund Revenues and Expenditures

Below are the assumptions used to develop the budget.

#### Revenue Budget

We have developed this budget based on assumptions about legislative funding for FY2021. This budget assumes that we will be flat funded at \$5,930 per base student allocation (BSA) with no cuts to Basic Need or any part of the foundation formula itself. We are budgeting for a \$3M City of Nome appropriation.

In the State of Alaska, the number of students enrolled in a district during the 20-day count period is the basis for computing the Average Daily Membership (ADM) that is used to calculate the amount of state funding provided to each district.

Revenue projection of \$14,041,385:

Enrollment projected at 690 students

- ♦ Intensive students (13 x's the BSA of \$5,930) 15 projected
- ✤ ISER Area Cost Differential of 1.45
- ◆ Career & Technical Education (CTE) Factor 1.015
- ✤ Special Needs Factor 1.20
- ✤ Base Student Allocation (BSA) \$5,930
- ◆ 90% of the BSA for Correspondence students 15 projected
- ✤ TRS On-Behalf and PERS On-Behalf zero net effect against on-behalf expenditures
- ✤ City appropriation is budgeted at \$3,000,000
- ✤ Impact Aid estimated at \$80,000
- ◆ E-rate estimated with 90% discount rate on internet bills \$598,647
- ♦ Other Revenues projected at \$381,690 (includes dorm rent, local contributions, gate fees)
- ✤ Utilize unreserved fund balance \$199,067

#### Expenditure Budget

Below are the expenditure highlights and other considerations for FY2021. This budget includes:

- ✤ Annual step increases.
- An 8% increase to health insurance in anticipation of rising premiums.
- ◆ Increased Special Education teachers by 1 FTE after needs analyzed by Administration.
- ♦ Other employer-paid benefits remain status quo 22% for PERS & 12.56% for TRS.
- Staffing based on a combination of needs-based and overall monetary availability.
- Administrative salary schedule update to reflect a steady step increase from year-to-year as opposed to the previous step increases of haphazard amounts.
- Site supply budgets decreased and may need an increase in FY2022.

#### Nome Elementary School

Retained same staffing levels as FY20.

Function 100 – Regular Instruction

- ✤ Decreased Substitute days commensurate with next year's anticipated 1 FTE teacher being available (had extenuating circumstances in FY20 causing the need for a long-term substitute, thus the higher sub budget in FY20).
- Reduced travel relocation budget in anticipation of less turnover.
- Supplies, Textbooks, and Other Expenses reduced.

#### Anvil City Science Academy

Retained same staffing levels as FY20, but freed up more preparation periods for Principal/Teacher position.

- Function 100 Regular InstructionIncreased supply budget.
- Function 160 Vocational Education
  - ✤ Reduced supply budget.

#### Nome-Beltz High School

Increased staffing by 1 FTE in the Special Education department.

Function 100 – Regular Instruction

- Reduced Other Purchased Services budget FY20 contained large chemical disposal purchase.
- ✤ Reduced Supplies budget.

Function 200- Special Education

- \* Increased Certified Special Education Teacher by 1 FTE (from 2 to 3).
- Large health/life insurance budget increase due to current salary staffing coverage levels; budgeted for vacant positions at highest coverage level.

#### Districtwide

Function 220 – Special Education Instruction – Support Services

✤ Reduced Relocation Reimbursement and Staff Travel to \$0.

Function 350 – Support Services-Instruction

Reduced DW Professional Development, Other Purchased Services, Supplies, and Educational Reimbursement (Other Expenses).

Function 351 – Support Services-Technology

• Overall increase to Supplies for cycling in of staff and student devices (chromebooks, etc.). *Function 354 – Inservice Training* 

Decreased In-Service Training budget.

Function 510 – Office of the Superintendent

 Reduced Transportation Allowance, Professional & Technical, Legal, and Supplies budgets.

Function 511 – Board of Education

\* Reduced Professional & Technical budget.

Function 600 – Operations & Maintenance

Increased Other Purchased Services and Property Insurance budgets.

- Function 900 Transfer of Funds
  - Transfer to Food Service and Pupil Transportation remains status quo.
  - Transfer of \$250,000 to CIP for upcoming major maintenance, including \$67,700 technology bills coming due in FY21.

We thank you for your consideration of the FY2021 budget.

Sincerely,

Jamie Burgess Superintendent

Janeview Hollins

Ava Earthman 1/13/20

Board Report: Second Semester has begun!!

### Sports:

-Basketball: This past weekend was the Subway Showdown! There was a great turn-out and both the boys and girls played really well!! The boys came in second and the girls came in third. The all-tournament team included Caden Hanebuth, Stephan Anderson, Dawson Schaeffer, and Lisa Okbaok.

-Cheer: Last weekend at the Subway Showdown, the cheer team cheered their second set of games for the season. Considering the fact that half the team is new, they performed very well! -Wrestling: Before the break, the wrestling team went to state. We had several athletes place including Elden Cross, 3rd, and JJ Marble, 3rd.

### **School Happenings:**

-The second week of Winterim has begun! There are a plethora of different classes to choose from, including, "Riflery, Law Enforcement, and PublicSafety", "Music, Psychology, and Storytelling", "QaspeqMaking", "HeavyEquipment /Driver's Permit Study", "SmallEngines /ATV & Snowmachine Repair", "Sewing MachineBasics", and "CulinaryArts".

-The second semester has begun and we are all excited for the second half of the school year which includes cheer and basketball season, NYO, Music Regions, and graduation!!

ACSA Board Report, January 14, 2020 Lisa Leeper, Principal

### Enrollment / Attendance Update

- There were no changes to enrollment in December.
- We had a 91% student attendance rate for December.

### **Classes and Activities**

- December Student of the Month: Nercyn (Benny) Lie, 6th grade
- Mr. Richards' science classes, upon hosting guest presenter Taylor Ferguson for lessons on energy conservation and efficiency, have won the state prize for the Power Pledge Challenge! This is particularly exciting because this is the first year a non-Railbelt community has won the state prize. Being the state prize winner, our school will receive \$2400 worth of energy education material/kits from the National Energy Education Development (NEED) Project. The classes will also receive a pizza party and a tour of the Nome Power Plant.
- As part of this year's "Around the World" theme, students created bulletin boards for the school. Families were invited to a lunchtime potluck as an opportunity to view these boards and to see recent student watercolor paintings of Beringia during the Pleistocene Era. The event seemed well attended, even though it was held the busy week before the winter break.
- Boogles Johnson and Lahka Peacock were nominated and selected to fill two open seats on the Academic Policy Committee. The APC includes six members, and two new terms begin each January. We thank our two outgoing APC members, Nancy Bahnke and Kacey Miller, for their many years of service to our school.
- Holiday activities included Spirit Week, crafts led by Kegoayah Kozga librarians, 5th annual bake off, and stockings hung on lockers and filled each day by student council.

- Strategic Plan Goal #4 Community members will be given opportunities to offer input into the educational resources and materials used in our schools.
  - ACSA parents are recruited to serve as members of the Academic Policy Committee. As such, the APC reviews and adopts the curriculum of the school.
  - Each spring, community members are encouraged to share skills or knowledge with students during special elective courses. We've had many different guest instructors who offered classes in playing guitar, sewing and beading, local science, cooking, newspaper publication, soccer, skiing, and more.
  - The Nome branches of the National Park Service and the Department of Fish and Game develop lessons that incorporate local ecology and allow their staff time to visit and teach in the schools.
  - Local Tribal organizations such as Nome Eskimo Community and Kawerak, partner with Nome Public Schools to provide culturally based education and tutoring opportunities.
- Equity Framework Initiative #3 Student Centered Teaching and Learning.
  - Learning targets and self-assessment of student work is incorporated into much of our program. Often achievement is determined as a cooperative formative assessments by the student and teacher. We try to develop lessons that allow students to access the material at different developmental levels, providing a structure to to build towards proficiency or mastery.
  - Each spring of the past two years, and again this year, we attempt to prepare students to lead conferences with their parents and talk about their individual learning and growth.
  - As much as possible, students are assigned to classes that correspond to their learning level and readiness. Teachers scaffold learning over the years to help students meet the standards in core subjects and acquire independence in knowing how to do so. As such, the expectation for each child is to reach his or her maximum potential in academics as well as social and emotional growth.

Elizabeth Korenek-Johnson Principal

Elizabeth Dillman Assistant Principal

January 6, 2019

Dear Board Members,

December was short and sweet <sup>©</sup> We celebrated our Fourth Grade classes at High Table Luncheons. All of our students did a fabulous job in their musical performances for their families at the annual winter music program, with much support from all staff. And, staff enjoyed each other's company at several festive events, including a wedding shower, Secret Santa party, and staff Christmas party. We like to celebrate the adults and the kids! <sup>©</sup>

Our December Minimum Day In-services were jam-packed. On December 4<sup>th</sup> and 11<sup>th</sup> we were split into primary and intermediate groups. The first week our primary-grade staff were trained in the BAS administration (our reading intervention assessment)- led by out Title I teachers, while the intermediate staff held a discussion on racial bias, and awareness when choosing supplemental materials. The next week these groups switched activities. These discussions were a great opportunity to hear each other's concerns or fears, and also to offer support, suggestions, ideas, and reminders of resources. Staff came up with ideas for creating shared resources, and how we can grow in our efforts and actions to provide a culturally safe learning environment for all students. On the 18<sup>th</sup>, all staff came together to wrap up the BAS administration training with scoring rules.

Our "Inupiaq Phrases of the Week" for December were:

- Kusamasiluataumausi! (Kus-ah-ma-see-lua-tow-moe-see), "Merry Christmas!" (Kiminaq rapped for the whole school at Friday's Morning Meeting to help us learn!)
- Azitnuutnaq, Kusamas tibinaluqtuk!, "Don't be bad, Christmas is almost here!"

Our values of focus were:

- Sharing, pikkaagupsi aitturalui; and
- Pride in Culture, puyaunau iupiaqtun iLLusiq.

School Counselor Focus: Feelings (continued), and Managing Anger

### **Requested Reporting:**

NPS Strategic Plan, Goal #4: Community members will be given opportunities to offer input into the educational resources and materials used in our schools.

- 1. Engage and solicit community input when developing curriculum. Anytime we are in a cycle to review curriculum for adoption, the community is involved with representation on the committee. Less formally, we stay involved in community-wide committees to share ideas and information, helping to inform us of what supplemental materials or activities we may need.
- 2. Enter into community talks to define how to integrate local culture into schools. This is an extension of #1 above. Through our work in committees, like the Cultural Equity Committee, CRESEL Committee work, and our age-level discussions we are able to create lists of resources and activities that can enhance the relevance of instruction for our students. Further work can be done through the development of a cultural relevance committee to really DEFINE the integration of these resources, activities, and ideas into what we do here at Nome Elementary.

NPS Strategic Equity Framework, Initiative #3: We will identify, develop, and systematically apply instructional practices that make a significant difference in the education of all children as demonstrated by research & best practice.

### 3-1: Establish literacy as a primary focus for eliminating the achievement gaps. Continue initiatives through Early Childhood programming and parent training.

Literacy is the main focus of our newly developed school improvement plan. Identifying essential standards at each grade level, and then unpacking the standards to focus on the various depths of knowledge addressed within each one will be the first steps in our PLC process, beginning in mid-April.

Our Pre-Kindergarten family engagement event will take place in mid-May, assisting families in the enrollment process, and explaining what to expect as their children begin their educational journey in our school. This is an opportunity for questions to be addressed, and families to meet the teachers and see the classrooms, as well as participate in some fun literacy activities with guidance from staff (kindergarten teachers, reading interventionists, and administration).

3-2: Explore current and critical research and best practice on creating equitable/anti-racist learning environments. Continue District and site initiatives/teams.

Responsible: Committee, Director of Instruction, Superintendent

3-3: Synthesize, interpret, and contribute to research that informs culturally responsive practice and that combines the wisdom of researchers and practitioners.

Responsible: Committee, Director of Instruction, Superintendent

3-4: Develop a plan for implementing culturally responsive, standards-based curriculum, instruction, and assessment practices.

Adopted instructional programs and assessment materials were evaluated for alignment with Alaska Standards. While no program is a magic key for all students, teachers are expected to incorporate local knowledge and skills, as well as place-based relevancy, making daily instruction meaningful for students. Instruction and assessments are designed to bridge adopted material context with local context, making connections in vocabulary and situations. Standards are currently included in lesson planning and addressed in the teacher evaluation system.

### 3-5: Implement, monitor, and evaluate changes in what we do that results in improved achievement for all students.

We are beginning to develop Professional Learning Communities at Nome Elementary School. During this systematic, collaborative time for teacher teams, student evidences on common assessments will be used as reference for reflection on instructional practices, allowing teachers to support each other in better meeting the needs of all students. Instructional practices will be shared, research will be done, and evaluation of lessons and units will help us to tailor instruction appropriately moving forward.

### 3-6: Systematically disaggregate and analyze achievement data and develop related individual and site staff development goals. Explore use of growth models.

This is an on-going process in Nome Elementary School, as we continue to dig in to MAP data several times each year, and evaluate where instruction is strong, and where it can become stronger. We also work with teachers to support student in goal setting within MAP, recognizing where they are performing, what they can reasonably achieve in the span of a year, and what it takes to get there. Staff development is designed around the most current information on needs of staff and students. PLCs are based on a growth mindset for staff, and will provide a framework for professional growth for each individual.

### 3-7: Provide low-achieving students with intensive interventions designed to accelerate learning in basic skill areas of reading, writing, and math. Continue as priority effort.

-Improve monitoring of effectiveness of interventions, along with student participation pathways.

Student participation pathways in intervention are in place for Reading Intervention as part of our RTI plan. The plan is also currently under review for updates. Effectiveness is regularly assessed within the program, and adjustments made. We are currently working on the development of progress monitoring documentation and reporting, to both assist in decision making for service adjustment, and student recognition.

Writing and Math Interventions are currently addressed in a Tier 2 setting, meaning differentiated instruction within the classrooms, as additional time above the core Tier 1 instruction.

3-8: Hold high expectations for every student and actively assist each one to reach high academic standards.

This continues to be the active intention and focus of our work at Nome Elementary School. The PLC process is going to help teachers in the active assistance of each individual, providing for focused instruction based on student evidence.

3-9: Develop and implement academic support plan (K-12) that prepares all students for college and career eligibility and success.

Responsible: Director Instruction, Superintendent

3-10: Implement and support academic programs that accelerate all students into more rigorous curriculum and courses, including honors, advanced placement, and challenge opportunities.

Again, as part of the PLC process, teachers will begin to support each other in strategies, time, and materials to meet the needs of students when they are ready for a challenge. This is not an area where we are strong currently. We do follow a team process in assessing need for advancement in extreme cases.

3-11: Continue to promote a learning culture where every student's achievement is the most important priority, and staff, students, and parents are co-responsible and accountable for that success.

The culture of learning for every student is promoted daily by staff in their continued encouragement of each child as an individual, and by students as they learn cooperatively through Kagan Structures to support one another in the principle of interdependence.

As part of our School-Wide Title I Plan, the Title I team developed an educational compact, considering the roles and commitments for all stakeholders. These were included with the student handbook at the start of the year.

Coming Events:

- DIBELS testing window is open for the month of January. This is for K-2.
- MAP Testing will begin in mid-January.
- BAS testing by classroom teachers at all grades will start in this testing window. This is new, so we expect it will be bumpy, but we are up for the challenge, as we know this will provide valuable information on or students' growth.
- A team of five certified staff will be attending the Alaska RTI/MTSS Conference, as well as the DEED CSLD Subgrant Awardee Orientation, because we got the grant!!! (We are very excited!).

• Three staff members will be attending Kagan Winter Academy in Dallas. Unfortunately, we have just learned that the Win-Win Discipline and Cooperative Meetings trainings have been cancelled, but we have already replaced those workshops with other relevant, high-quality trainings available.

### Statistics

In the month of December school was in session 15 days. During that time:

- We served 3,242 student breakfasts;
- We served 3,239 student lunches;
- Our attendance rate was 83.5%.

Nome Elementary School provides a positive and welcoming environment where our culturally-diverse students, staff, and community members are valued through mutual respect, collaboration, safe interactions, and enriching experiences. Clear and high expectations serve as guidelines to reach success and wellness for all students in this rapidly-changing world.

### Nome-Beltz Jr/Sr High School

PO Box 131 Nome, AK 99762 907-443-5201

Date: 01-06-20 To: NPS Board From: Jay Thomas and Caen Dowell Subject: December Board Report

Current Enrollment: 267 Attendance Average for Quarter Two: 85%

We continue our look at the strategic plan and the equity framework. This month we are looking at strategic plan #4 and equity framework #3.

1) Strategic Plan Goal #4 - Community members will be given opportunities to offer input into the educational resources and materials used in our schools.

1. Engage and solicit community input when developing curriculum.

2. Enter into community talks to define how to integrate local culture into schools.

NBHS is currently in the process of adopting new science curriculum. We are gathering curriculum kits from several venders. When we have the kits in our building, we will invite parents and community members in to share their thoughts and insights. This a somewhat formal process, but insures we have stakeholder input.

2) Equity Framework Initiative #3- We will identify, develop, and systematically apply instructional practices that make a significant difference in the education of all children as demonstrated by research and best practice.

NPS has embraced both the Professional Learning Community (PLC) and the Kagan Cooperative Learning Strategies to systematically apply instructional best practices. PLC development will enhance our ability to use data to drive instruction. Kagan gives teachers tools to use cooperative learning and instructional best practice. Some other happenings to share are as follows:

- The HS Music program was held at NES on December 10
- The NBHS Alumni tournament was held over Christmas Break. It was great to see all our former students in the building.
- Presentations by the public health nurse continue at the Jr. High
- We have added several new elective classes for second semester:
  - Design technology- Students will learn to operate a plasma cutter, 3D printer, and a \_ laser cutter.
  - Fundamentals of Art - Aviation Ground School
  - Forensics

- Siberian Yupik Culture

- Philosophy

- -Future Teachers
- NBHS has a new HS PE teacher. Ms. Francesca Curteis has joined us from Wales, UK, by way of Louisiana. She has been a former Division I soccer player and is adjusting quickly.
- Winterim is in full swing at NBHS. For the first two weeks of the second semester students rotate through their regular classes in the morning and have an interested-based class for the afternoon. NBHS and NACTEC are partnering to provide instruction for the sessions. The Winterim classes are as follows:
  - -Small Engine Repair - Outdoor Activities
  - Board Game Logic -
  - Welding
  - Heavy Equipment
  - Basics of Sewing
  - Seal Hat Making
  - Jobs and Money
  - Culinary Arts

- The Art of.....
- Cooking Around the World
- Law Enforcement Careers
- Qaspeq Making
- Music and Storytelling -
- -**Dungeons and Dragons**

The activity schedule at NBHS finished the semester with a flurry. Our wrestlers sent 11 students to the state tournament and we had our first HS basketball games. The following is a list of activities NBHS students have been involved with:

• HS State Wrestling in Anchorage. The following students qualified for the state competition:

Elden Cross- 3<sup>rd</sup> place, JJ Marble- 3<sup>rd</sup> place, Stephen Anderson- 5<sup>th</sup> place, Thomas Hannon- 4ª Place, Karlin Ahwinona-Smith- DNP (Did not Place), Natalie Tobuk- 4ª place, Ava Earthman-DNP, Katie Smith-DNP, Sharla Kalerak- DNP, Georgia Ustaszewski-DNP, Karis Evans-DNP

- HS basketball 1-22-19 against Reddington with the boys winning and the girls losing in a close game
- The Subway Shoot-Out will be January 9-10, 2020. The teams are NBHS, KOTZ, Soldotna, and Unalakleet.
- NBHS Jr. High Boys and Girls will be playing in Unalakleet January 9-10, 2020
- NBHS has 26 students out for Cheer •
- Jr. High Cheer is starting in early January

### **Major projects**

36 ViewSonic interactive displays are ordered to replace classroom teacher Promethean Boards. We are awaiting shipment / receipt to schedule installation with the Maintenance Department. Tech Dept personnel plan to attend a free VeiwSonic offered device training during the Alaska Society for Technology in Education (ASTE) conference in Anchorage 22-25 February.

Realignment of the 80+ previously issued JrHigh iPads to NES classroom pods to increase iPad ratios / availability for NES students is complete, pending a work order to move the carts to NES. The increase of these device ratios will cause overload on our existing smaller capacity WiFi Access Points (AP) in the classroom pods. I identified successfully tested, and purchased 3 higher capacity APs to assist in alleviating this overload. A small plus up of Category 2 (Network Infrastructure and Security) E-Rate funds to pay for the upgrades for the remaining APs will be available in SY20-21 and we will again receive our full 5 year CAT2 budget beginning in SY21-22.

READ180 / System 44 expanded to Nome Elementary School. The Tech Department completed the device setup / install for Read180 / System 44 for the Title I Reading services at NES.

Our conversion to JumpCloud Directory as a Service is complete. The Tech Department successfully converted all 1:1 Student devices in ACSA and NBHS to JumpCloud over Parent Teacher Conferences (31OCT-02NOV). ACSA and NBHS Staff as well as the NBHS Mac Labs are now also converted to JumpCloud. The Tech Dept completes conversion of NES Staff and Student devices over the Winter break. We are now able to leverage more benefits of JumpCloud like Lightweight Directory Access Protocol (LDAP) and Single-site Sign On (SSO) to expedite user on and off boarding, account updates, and device reporting. The Tech Depart is already recognizing the time savings to the workflows with this tool!

### **Future Projections**

Continuing the process of developing plans for technology equipment replacement to best suit our budgetary and user needs as our equipment ages out as identified in the 10 year Tech Department Budget Projection. Seriously researching the use of ChromeBooks vs MacBooks for student devices.

Status of NBHS Computer Lab device updates: No change from last report. Pending device selection for meeting compatibility and security requirements for testing services. Researching feasibility of students testing on assigned student devices in classrooms instead of only in a lab environment. Estimate remains between \$30,000 to \$60,000.

### **PowerSchool Online Enrollment**

Continuing to work with PowerSchool Enrollment to apply updates / fixes to our data delivery and content questions for our 2020-2021 School Year.

PowerSchool Student Information System Access data PowerSchool use, by students and parents, remains within norms as we continue the school year.

### Total Parent and Student PS Web and Mobile Access Sessions for Month

2018-2019 PS access

### Technology Web HelpDesk

Part of the technology department's duty is to maintain the Technology Web Help Desk for staff to request repairs, training and troubleshooting. In September we responded to 126 tech requests through the system. We encourage staff to make use of this resource but many immediate needs are still handled outside of it.

### **Network / Internet Delivery**

Network traffic is defined as all traffic that passes through our network Access Points and Switches (this includes all local server traffic and Internet traffic). Internet traffic is only that network traffic that traverses the subsea fiber optic cable to Internet services and back.

### Total December Network traffic = 17.75 TB Total December Internet traffic = 2.47 TB

### **Internet Caching Traffic**

Traffic delivered via Cache does not have to travel across the fiber optic network / internet. This traffic includes locally delivered files, apps, and updates requested / delivered from the CacheBox Media Library, local Software Update Server, Safari Montage Media Server, and cached Content Delivery Network (CDN) information.

Nome Public Schools Board Report Megan Hayes Director of Federal Programs

January 6, 2020

Consolidated Grant/Title I-A/Title II-A- these 2 grants are eligible for carry-over with limits.

**Johnson-O'Malley-** Received official award letter from Kawerak for JOM funding for 2020/2021. The award amount is \$10,530. JOM funds may be carried over from year to year. Including previous year's carry over, brings the total JOM budget to \$33,804.77.

### Allowed Carry Over of State of Alaska administered grants:

ESEA Consolidated Application Funding

- **Title I-A:** A district may carryover a maximum of 15% of its Title I-A allocation from one federal fiscal year to the next (as of September 30). A district may request a waiver from the state to carryover more than 15% once every three years.
- **Title I-C:** A district may only carryover funds to carry out an approved migrant summer program that crosses fiscal years.
- **Title I-D:** No limit to amount a district may carryover. Note: Funds expire after 27 months and will be forfeited if not spent in that timeframe.
- **Title II-A**: No limit to amount a district may carryover. Note: Funds expire after 27 months and will be forfeited if not spent in that timeframe.
- **Title III-A**: No limit to amount a district may carryover. Note: Funds expire after 27 months and will be forfeited if not spent in that timeframe.
- **Title IV-A:** No limit to amount a district may carryover. Note: Funds expire after 27 months and will be forfeited if not spent in that timeframe.

### **Other Migrant Related Funding**

- Migrant Literacy Grant: No carryover allowed.
- Migrant State Parent Advisory Council Member Travel Grant: No carryover allowed.
- Staff Development Grant: No carryover allowed.

**NEW Comprehensive State Literacy Development Grant-** Elizabeth Korenick-Johnson's proposal for the Comprehensive State Literacy Development Grant was awarded on December, 23, 2019. This grant will be used to "allow NES to build on current literacy needs, and build collective teacher capacity around the pieces we already have in place, providing sustainability after the life of the grant" (E. Korenick-Johnson).

The four goals of this grant:

- 1) The percentage of NES Students who meet or exceed their individual growth targets (set byNWEA) in MAP Reading will increase each year.
- 2) The percentage of NES Students who reach 41<sup>st</sup> percentile or better in MAP Reading will increase each year.

- 3) The percentage of NES Students who meet or exceed their individual growth targets (set by NWEA) in MAP Language Usage will increase each year.
- 4) The percentage of NES Students who reach 41<sup>st</sup> percentile or better in MAP Language will increase each year.

District:	Nome City Schools				
Year 1 (2019-2020)	Year 2 (2020-2021)	Year 3 (2021-2022)	Year 4 (2022-2023)	Year 5 (2023-2024)	TOTAL CLSD AWARD AMT:
\$ 43,142.02	\$ 93,986.47	\$ 93,986.47	\$ 93,986.47	\$ 93,986.47	\$ 419,087.91

5 year budget overview for CSLD grant:

### **Federal/State Reports**

State Reports- The director submitted the following state reports this month:

Reconciled OASIS report – This report provides the basis for next year's state funding. For this section of the report I work with other districts to ensure that students are not counted present in two or more districts.

### Assessments

MAP- Winter MAP testing window is January 13- February 21. WIDA and PEAKS

As in the past, this year's WIDA and PEAKS tests will all be administered online. The WIDA/ACCESS 2.0 (ELL) assessment window is 2/3/20-3/31/20. The PEAKS and AK Science (computer based) window is 3/30/20-5/1/20.

Current Enrollment (1/7/20)				
Nome Elementary School	376			
Anvil City Science Academy	60			
Nome-Beltz Junior Senior High	267			
NPS Extensions Correspondence	18			
PreK for SPED Svcs. Only	3			
Total Enrollment K-12	721			

Special Education Board Report, December 2019 Nadene Parshall, Special Education Director

### **Special Education Department**

- > 81 Active SpEd caseloads
- > 10 Current paraprofessionals
- > 3 Current vacant positions
- > 1 Administrative Assistant
- 5 Special education teachers
- 1 Speech pathologist

### **Current Events**

- The Special Education Department has hired a full time SpEd teacher. This person will mainly be servicing the Jr. High School and ANVIL School special education students.
- > The RTI conference is this month.
- > The intensive paraprofessionals will be continuing training in CPI on Wednesdays.
- The Special Education Department is continuing to work with TTCO to help with reimbursement of Medicaid. Training will begin this month.

### Nome Public Schools Facility Service Report, January 2020.

John W. Mortensen, Facilities Director

John.mortensen@nmsusa.com

### 907-244-4121

### For the month of December work order report

- New and old work order requests: 489
- Completed work orders since December 1<sup>st</sup> to include Preventative Maintenance (PM's) 113
- There are 30 to 150 new work orders per month on School Dude including Preventative Maintenance.

### **Injuries & Accidents**

• Travis Wilkerson is on light duty from the 24th of October through January 14th. Currently he is working on "light duty" until he has a doctor's release.

### Employee new hires

- John W. Mortensen new Facilities Director
- Need to hire two new High School Custodial staff members to replace missing and sick leave employees

### **Maintenance Department**

• The list below is not exhaustive, and the maintenance department is very behind with the current maintenance staffing, daily emergencies, new and old work orders, and the preventative maintenance workload.

### **Emergencies - Triage List - Priority**

- Apartment 1F Burnt Electrical Panel Connection 1-6-20 Working on and need to order wire as not available in Nome for purchase repair
- Fire sprinkler line freeze and blow out 1-1-20 New Year's Day in High School Auto and Carpenters Shops. Taylor Fire flew in that Friday and repaired and got fire sprinkler and alarm system back online. Repair is ongoing and will need labor and additional materials to complete. Possible water damage to both areas in the High School.
- Fire System Alarms going off constantly starting 12-27-19 due to dust on the fire sprinklers, and sensors, and lack of long-term repairs and maintenance.
- High School water tank controls and tank pump control panel Ongoing, have all materials and need labor to complete.
- High School Pools HVAC fan, heat, and control system down as of Monday 12-30-19 Ongoing need labor and material to complete
- Woman's gym Locker room shower broken Ongoing need labor and material to complete
- Currently two exhaust fans that serve the kitchen at the elementary school are down. Working with Anchorage supplier to get fan replacements and will add to work list when we get the parts.

### Projects in the works

- High School Snow Removal Have been behind all winter because our Volvo loader is having mechanical issues and breaking down and personnel issues as well. We are caught up on snow removal as of today 1-7-20, if the Volvo loader breaks down again, we will get behind again and possibly need subcontractor.
- For every Snow event at the High School it requires two (2) full time Maintenance Staff employees the 1st and second day, and 1 employee for third through the fifth day. Excluding light duty employees, we have a total of five (5) employees in the Maintenance Department. High School Snow Removal currently requires 1/3 to 1/2 of our maintenance staff for 3 to 5 days per week. We need a full-time operator so our HVAC or plumbing technicians can work on HVAC, plumbing, and preventative maintenance.
- High School Gym seating renovation and replacement Has taken about 5 weeks so far and should be completed by 1-8-20
- Nome Public Schools facility fire sprinkler system and fire alarm deficiencies Have reports and bids that are incompatible. Need review and rebid with Taylor Fire and additional bids.
- Day Fuel Tank Elementary School fuel line and pump replacement. Being designed by RSA Engineers and have already purchased the pump replacement.
- Nome elementary school roof and boiler stack repair has started. There are 2 subcontractors, one is the roofing and one is the façade and boiler stack subcontractor. The roofing subcontractor is not coming back until the end of January or first of February. The façade and boiler stack subcontractor cannot do their work until the roofing subcontractor does most of their work first. Additional water damage in December caused by the roofing contractor needs to be remediated for water damage and is the insurance company's responsibility.
- Elementary School Main Entry Lighting Have materials need to complete work ASAP.
- Replace all air filters on all HVAC Air Handling Units at both High School and Elementary Schools campuses and all buildings. Should be done every month to six months depending on filter type.
- Chevy Van conversion 4 Wheel Drive is completed, and Wheelchair Lift addition will not be complete until Spring 2020 by approximately March.
- NPS door signage We have all materials but no manpower to do the work currently.
- Maintenance building boiler replacement. All parts on site but no manpower to complete now or this year. Will go out to bid to for labor installation subcontract for budget.
- Nome high school septic tank pumping City is too busy apparently to work on it currently. Will get to it when they can.
- High school teachers lounge adding either extra circuits or splitting the current circuits that are in place Canceled due to cost of a minimum \$9,000.00.
- Science lab VCT tile replacement and Elementary School floor tiles replacement in pods. Need clarification of scope of work.
- Replace broken windows at Nome elementary school, windows are here and in the shop at the elementary school, this will need to be done during summer.
- High School Exhaust Fan Out East Side Boys and Girls Restrooms. Need to order materials and complete work ASAP.

### Future 2020 projects:

- Dorm hallway carpet replacement
- City Anvil Science Academy Restroom Addition Was awarded to Bering Straits and should start in 2020.
- High school roof repair Being Designed
- Raising the main entrance at the Nome Elementary School. Needs to be designed and bid.
- Nome Elementary School fire alarm system renovation. Designed with engineers estimate. Needs to go out to bid.
- Apartment exterior lighting should have been completed by the 8th of November. Scope of work is not complete. Sub-contractor and NSD work are incomplete Intermittent problems with repair work not completed also.

### **Future Long-Term Projects**

All Nome Public Schools facilities Direct Digital Control systems (DCC) upgrades with central computer control that monitors all HVAC – We have 65% completion in the process of engineering and creating the facilities controls upgrade concept design plans, specifications, and cost estimates. Will recommend project phasing by building and area to help with long term budget, bidding of replacement, and implementation from worst to best condition area replacements.

### **Custodial Department**

- Elementary School Custodial staff is doing a good job and we believe the elementary school management is happy with their performance.
- The high school custodial department is very behind with the current high school custodial staffing, broken equipment, and new and old work orders workload.
- Need to hire two new High School Custodial staff members to replace missing and sick leave employees.
- Wil change High School District Office custodial staffing from 2 part time to 1 full time employee ASAP.
- Will further refine our routing, planning, and organization of High School Custodial crews.
- Repair and replace broken equipment.
- Train and give custodial staff leads further access to School Dude work order log system

### Human Resources Manager-School Board Report January 14, 2020 Cynthia Gray, NPS HR Manager

### **RECRUITMENT/RETENTION**

New Hires/Certificated/Classified:

- 1. Alexandra (Tori) Crawford/Secretary I/NES
- 2. Sandra Wagner/Special Education Teacher/NBHS
- 3. Francesca Curteis/Physical Education Teacher/NBHS

We continue to recruit for the following positions for the 2019-2020

- 1. Special Education Paraprofessional-District Wide
- 2. Music Teacher/District Wide

### PERSONNEL PROJECTS

Human Resources calendar for December and January includes many end of the year work for upcoming budget preparation and staffing for the following year. Completing file reviews to keep files up to date. Ensuring all benefit enrollment forms are accurate and any end of the year reports are done. Continuous work on Verification of Service/Employment is constant as employees leave the district. Salary surveys, and scatter gram requests for outside agencies are done. Certified staff evaluations for tenured staff are due January 31. HR works closely with Superintendent to review staffing needs and certification compliance for certificated staff. In preparation for Certified teacher contracts; to be issued in February 2020. Administrator contracts are reviewed and offered in January to all NPS Administrators for the 2020-2021 year.

Preparations are underway for the busy recruitment time for NPS/HR. Coordinating logistics, ordering materials and supplies for job fairs needs for the upcoming 2019-2020 year.

### **EMPLOYEE BENEFITS**

No update.

### **STAFF RECOGNITION/EMPLOYEE ACTIVITIES/FUNCTIONS**

There are no employee functions/activities planned in the next month.

I am happy to answer any questions the board or anyone may have of me. Happy New Year!

Quyanna. Respectfully submitted.

Cynthía Gray

Nome Public Schools PO Box 131 Nome, AK 99762 907-443-2231 – <u>www.nomeschools.org</u>

Due to a change in the new Classified Association Negotiated Agreement, the wording for BP4262 – Holidays, needs to be revised to match the agreement language.

Previously, the Negotiated Agreement and the Board Policy allowed for classified staff to select one day during Winter Break as a paid Holiday. Historically, 99% of staff requests have been for Christmas Eve, and during the most recent negotiations, it was agreed that Christmas Eve would be accepted as a paid classified holiday in lieu of staff selecting a day. As such, the Board Policy now needs to reflect that change.

### **ADMINISTRATIVE RECOMMENDATION**

The administration recommends approval of the first reading of BP 4262 – Holidays.

Sample Motion: I make a motion to approve the first reading of BP 4262 – Holidays.

### **BP 4262 HOLIDAYS**

The following legal Holidays, and such other days as may be designated by the School Board, shall be observed in the classified service:

- 1. New Year's Day
- 2. Memorial Day
- 3. Independence Day
- 4. Labor Day
- 5. Thanksgiving Day
- 6. Day after Thanksgiving
- 7. Christmas Eve
- 8. Christmas Day

### SCHOOL BOARD COMMUNICATION

**Title: Approval of Administrator Contracts** 

### **Date: January 14, 2020**

Administrator: Jamie Burgess, Superintendent

### **Attachments:**

### **BACKGROUND INFORMATION**

The following certified administrators have performed satisfactorily per the district's administrative evaluation framework and are recommended to receive an employment contract for the 2019-2020 school year.

Jay Thomas – Principal, NBHS Elizabeth Korenek-Johnson – Principal, NES Lisa Leeper – Principal/Teacher, ACSA Elizabeth Dillman – Assistant Principal, NES Megan Hayes – Director of Federal Programs Nadene Parshall – Director of Special Education

### **ADMINISTRATIVE RECOMMENDATION**

The administration recommends approval of administrator contracts for the 2019-2020 school year for Jay Thomas, Elizabeth Korenek-Johnson, Lisa Leeper, Elizabeth Dillman, Megan Hayes and Nadene Parshall.

Sample Motion: I make a motion to approve administrator contracts for the 2019-2020 school year for Jay Thomas, Elizabeth Korenek-Johnson, Lisa Leeper, Elizabeth Dillman, Megan Hayes and Nadene Parshall.

### SCHOOL BOARD COMMUNICATION

Title: Approval of Change of Grade Levels at Nome Elementary School and Nome-Beltz Jr/Sr High School

**Date: January 14, 2020** 

Administrator: Jamie Burgess, Superintendent

Attachments: Middle School Model Presentation, Draft Letter to Commissioner Johnson

### **BACKGROUND INFORMATION**

After an analysis of the needs of our Grade 6 students with the district leadership team, discussion with the junior high teacher team at NBHS, and opportunities for input from parents, families, staff and the community via two community forums, the administration recommends that sixth grade be moved to Nome-Beltz Jr/Sr High School beginning in the 2020-2021 school year.

A copy of the presentation made to the community is attached to this cover sheet, presentation an overview of the rationale behind this recommendation. The district leadership team, including all district principals and directors, and the junior high teaching staff are in agreement that this change is in the best interests of our students, and is logistically feasible given available space at the Beltz campus. The change will mean rearrangement in staffing at both NES and NBHS, but will not result in the additional of any new staff positions. The change will also have no impact on the state foundation funding per the district's Business Manager. There should be minimal impact on expenditures as well, since the overall number of students remains the same district-wide.

Approval at this time will allow administration and the district leadership team time to begin making plans for the change, and for the NBHS leadership and teachers to prepare for scheduling and orientation for the incoming  $6^{th}$  and  $7^{th}$  graders, which will occur in the current semester.

The change must be approved by Commissioner Michael Johnson of the Department of Education before being finalized; the administration has been in contact with DEED regarding the proposed change and no objections are anticipated.

### ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of moving Grade 6 from Nome Elementary to Nome-Beltz Jr/Sr High School beginning in the 2020-2021 school year.

Sample Motion: I make a motion to approve moving Grade 6 from Nome Elementary to Nome-Beltz Jr/Sr High School beginning in the 2020-2021 school year.

# NPS Middle School

Sixth through Eighth Grade at NBHS

### **District Leadership Rationale**

- Students have same core teachers for three years
- Provides stable support in expectations of a new setting
- Instructional time gained in 7th grade, as rapport already established
- Students are able to build relationships with several supportive adults at a possibly tumultuous time in their lives. 0
  - Students will have Science and Social Studies provided by content-specific teachers.
- 6th grade students are physiologically and emotionally more connected to 7th grade students than 5th grade students
- A Middle School model would allow for leadership opportunities for 8th grade students.

### Logistical Considerations

- Busses have enough room.
- Lunch schedule will have to be adjusted to accommodate larger middle school numbers and ACSA.
- Classroom space will be created by absorbing Jr. High Computer Lab.
- One-to-One student devices will be maintained with Chromebooks.
- Students will be exposed to High School population minimally, only in hallway
  - to PE classes (this is the case currently for 7th & 8th Grades).
    - Expanded middle school sports program (6-8)

## Potential Staffing Considerations

- Staffing & programs are expected to be maintained, although some adjustments of teaching assignments may be needed.
- Music teacher moved to NBHS full-time Middle school choir added, likely theater as well for middle/high
- Need full-time elementary music teacher (expanded opportunities)
- Need generalist at NBHS Middle School to assist with addition of grade 6 core classes

Nome Public Schools P.O. Box 131 • Nome, Alaska • 99762 (907) 443-2231 • Fax 443-5144

Jamie Burgess, Superintendent jburgess@nomeschools.org (907)-443-6191

January 15, 2020

Commissioner Michael Johnson Alaska Department of Education and Early Development 801 West 10<sup>th</sup> Street, #200 P.O. Box 110500 Juneau, AK. 99811-0500

Dear Commissioner Johnson:

The Nome Public Schools Board of Education has approved moving Grade 6 from Nome Elementary School to Nome-Beltz Jr/Sr High School effective in the 2020-2021 school year, and requests that DEED formally approve the reorganization of grade levels.

Nome Elementary will become a K-5 school, and Nome-Beltz Jr/Sr High School will become a 6-12 school. The administration and district leadership are in agreement that this change in configuration is in the best interest of our Grade 6 students. We feel that the middle school model (Grades 6-8) provides many more benefits to our students; academically, socially and emotionally.

We are excited about this opportunity to improve the educational experience and outcomes for our students, and respectfully request that you approve this change so that we may begin planning for the coming school year in a timely fashion.

If you wish any additional information to help inform your decision, please do not hesitate to contact me.

Sincerely,

Jamie S. Burgess, M.S., M.Ed. Superintendent Nome Public Schools

### SCHOOL BOARD COMMUNICATION

**Title: Approval of Teacher Contracts** 

### **Date: January 14, 2020**

Administrator: Jamie Burgess, Superintendent

### **Attachments: None**

### **BACKGROUND INFORMATION**

The administration is recommending approval of teaching contracts for the 2019-2020 school year for the following individuals and positions. Individuals listed below are appropriately certified with the State of Alaska, have been interviewed and recommended by the appropriate principals and/or directors, and have passed their background checks. These contracts are only for the second half of the 2019-2020 school year.

Francesca Curteis – High School PE (replacement hire)

Sandra Wagner – High School Special Education (transfer from classified position to newly created certified position)

### **ADMINISTRATIVE RECOMMENDATION**

The administration recommends approval of teacher contracts for Francesca Curteis and Sandra Wagner for the 2019-2020 school year.

Sample Motion: I make a motion to approve teacher contracts for Francesca Curteis and Sandra Wagner for the 2019-2020 school year.
