Our Mission

We inspire and empower students to be culturally grounded responsible citizens who are deeply connected to our community and world.

Our Vision

Together, strong in identity, purpose, potential

Board and Superintendent Guiding Principles

- ✦ Works to ensure academic success for all students
- ✦ Works to promote positive community partnerships
- ✦ Provides leadership and support to ensure reading proficiency by 3rd Grade
- ✦ Supports the recruitment and retention of effective staff

Board and Superintendent Goals

- ✦ Provide the resources for the development and adoption of curriculum as per Board Policy (BP 6141).
- ✦ Support the integration of a student's culture in the curriculum within the context of the community through implementation of the Alaska standards for culturally responsive schools.
- ✦ Work to ensure all students feel connected to their peers and the adults in their schools by improving school climate.

3. Special Education Director/Coordinator
4. Speech and Language Pathologist/District Wide
5. Special Education Teacher -District Wide

PERSONNEL PROJECTS

NPS HR coordinated the delivery of both administrator and teacher contracts for the 2021-2022 school year. In accordance with Alaska Statue, teachers have until March 12, 2021 to return their contracts to the district for continued employment next year. The above list of vacant teacher positions is based on resignation letters received to date from those teachers in those positions. Those positions have been posted on Alaska Teacher Placement, the applicant tracking and recruitment platform each Alaska school district utilizes to fill vacant jobs.

EMPLOYEE BENEFITS

NPS Human Resources continues to work with RISQ Consulting to download and implement new Employee client portal called EaseCentral, the HR technology Platform. This requires initial employee data download as well as many zoom meetings for training of this new portal along with a new Absence Management Module System.

Respectfully submitted by,

Cynthia Gray

Members of the Board of Education
Nome Public Schools
Nome, Alaska 99762

The Nome Public Schools (District) is pleased to present you with the budget for the fiscal year 2022. The budget document is the primary document that communicates the District's plans for spending in the ensuing fiscal year, and it also details its organizational goals and objectives in monetary terms. The District is required to prepare and approve a balanced budget and submit it to the City of Nome by May 1st and to the Department of Education & Early Development by July 15th each year. A balanced budget is defined as revenue budgeted at least the same as, or more than, the budgeted expenditures or use of fund balance.

In presenting the FY2022 Budget document, we may discuss the instructional, operational, and financial plans in an open forum. We believe community interaction and input between stakeholders leads to improvements benefiting the education of children at Nome Public Schools. The administration of Nome Public Schools has reviewed and discussed its plan for the FY2022 school year in terms of what can be accomplished within the bounds of a balanced budget.

Budget development and analysis is always a work in progress. Changes will occur in FY2022 when salaries, benefits, and foundation funding are finalized.

Organizational Component

The City of Nome was incorporated in 1901 as a first-class city under the laws of the Territory of Alaska. The City operates under council-manager form of government and performs municipal duties allowed by Alaska Statutes and as directed by its residents.

The Nome Public Schools is a component unit of the City of Nome and is organized under Title 29.42.030 of Alaska Statutes as amended. The City has delegated the administrative responsibility for these functions to the Nome Public Schools Board of Education. The School Board is governed by a five-member school board with members elected by district and complemented by a non-voting student representative.

Budget Process

Alaska Statute 14.14.065. Relationship between city school district and city. The relationships between the school board of a city school district and the city council and executive or administrator are governed in the same manner as provided in AS 14.14.060. AS 14.14.060 (c) states “except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget the assembly shall determine the total amount of money to be made available from local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available from local sources from money available for the purpose.

The District’s School Board approves a budget timeline which includes opportunities for presentation to the public. Below is the FY2022 budget timeline.

FY 2022 BUDGET PROCESS AND TIMELINE

Budget Process, Timeline, Revenue Presentation, Board Sets Education & Fiscal Priorities For the District in Accordance with their Strategic Plan

BP 3100 - BUDGET – The district budget shall be prepared annually from the best possible estimates of revenues and expenditures. The Superintendent or designee shall determine the manner in which the budget shall be prepared and shall schedule the budget adoption process in accordance with legal time requirements. A public hearing shall be held prior to the adoption of the budget or a revised budget.

General Fund Revenues and Expenditures

Below are the assumptions used to develop the budget.

Revenue Budget

We have developed this budget based on assumptions about legislative funding for FY2022. This budget assumes that we will be flat funded at \$5,930 per base student allocation (BSA) with no cuts to Basic Need or any part of the foundation formula itself. We are budgeting for a \$3M City of Nome appropriation.

In the State of Alaska, the number of students enrolled in a district during the 20-day count period is the basis for computing the Average Daily Membership (ADM) that is used to calculate the amount of state funding provided to each district.

Revenue projection of \$14,682,431:

- ❖ Enrollment projected at 676 students
- ❖ 90% of the BSA for Correspondence students – 22 projected
- ❖ Intensive students (13 x's the BSA of \$5,930) – 16 projected
- ❖ Hold Harmless 2nd Year – 50% of Base Year
- ❖ ISER Area Cost Differential of 1.45
- ❖ Career & Technical Education (CTE) Factor – 1.015
- ❖ Special Needs Factor – 1.20
- ❖ Base Student Allocation (BSA) - \$5,930
- ❖ TRS On-Behalf and PERS On-Behalf – zero net effect against on-behalf expenditures
- ❖ City appropriation is budgeted at \$3,000,000
- ❖ Impact Aid estimated at \$35,200
- ❖ E-rate estimated with 90% discount rate on internet bills - \$725,822
- ❖ Other Revenues projected at \$385,000 (includes dorm rent, local contributions, gate fees)
- ❖ Utilize unreserved fund balance - \$480,767

Expenditure Budget

Below are the expenditure highlights and other considerations for FY2022. This budget includes:

- ❖ Annual step increases.
- ❖ A 5% increase to health insurance in anticipation of rising premiums.
- ❖ Other employer-paid benefits remain status quo – 22% for PERS & 12.56% for TRS.
- ❖ Staffing based on a combination of needs-based and overall monetary availability per revenue and expenditure assumptions.

Nome Elementary School

- ❖ Retained same staffing levels as FY21.
- ❖ No major changes; main increases were personnel/salary schedule-related.

Anvil City Science Academy

- ❖ Retained same staffing levels as FY21; moved FTE's between functions.

Nome-Beltz Middle High School

- ❖ Increased staffing by 0.50 FTE in Support Services-Students (College & Career Guide position - paid by Sitnasuak Native Corporation).

Districtwide

- ❖ Retained same staffing levels as FY21.
- ❖ Transfer to Food Service reduced to \$75,000.
- ❖ Transfer to Pupil Transportation remains status quo.
- ❖ No transfer to CIP or Apartment funds.

We thank you for your consideration of the FY2022 budget.

Sincerely,

Jamie Burgess
Superintendent

1. The new Teacher Apartment building is moving along quickly, and we hope to have the floor plan finalized soon, then proceed with elevations showing the potential exterior designs. In consultation with Josie Bourdon, Maddy Alvanna-Stimpfle, Yaayuk Alvanna-Stimpfle and Sandi Keller, we would like to consider naming the building “Ilisautit Iniqat”, which means “The Teacher’s Apartments” in Inupiaq.
2. Attached is a report from Dr. Doug Walrath sharing some information on NACTEC’s new ANEED grant project. We are excited to see this opportunity being offered to students not only at the middle school level, but also at the elementary level. This project will also give us the opportunity to have our own ANSEP Middle School Academy jointly with BSSD.
3. Attached are several submittals from the District Logo redesign contest. The Board may choose to select one of these, or to keep the current logo. The redesign was originally prompted by the fact that the current logo does not have the words “Nome Public Schools” which is challenging when our logo is used on coalition documents (i.e. Bering Strait Leadership Team). In addition, the multi-color logo is more expensive to reproduce on items such as t-shirts. However, I recognize that the current logo has been around for a very long time, and there is a lot of sentimental attachment from the community. We have a great deal of artistic talent here locally, and I was impressed by the submittals from both community members and students that were submitted.
4. It’s hiring season, and much of our job fair activity is happening at a virtual level. I personally have several small virtual fairs scheduled with some west coast schools over the next two months, and Ms. Cynthia Gray and myself are working to set up the ATP Virtual Job Fair for the end of March. This will be held on a Saturday, and the principals will be able to attend and do some virtual interviewing of potential candidates. We are seeing some staff submit resignations, and we are sad to lose some high quality individuals this year.
5. We received a parent letter from Adam Lust (attached) stating strong support for the Inupiaq Immersion Program at Nome Elementary, and the hope that the program would be extended into a first grade classroom for the coming year. I would like to clearly state that the administration strongly supports growing this program; we are currently investigating some local options for a second teacher. However, it is highly likely that we will need our community, not just in Nome, but in the region, to help us find a qualified individual. Ideally we would desire a certified elementary education teacher with some fluency in the language, which may be challenging to find. There is legislation under consideration in Juneau which would allow an individual who would not meet the requirements for regular teacher certification to teach in an immersion program; however, a successful outcome is uncertain, as is the timing.

6. Attached is an updated version of AR 5113 Absences and Excuses. This Administrative Regulation underwent significant revision with input from principals in order to better reflect current best practices and procedures used at the school level, and ensuring that the language is general enough to apply across all three schools. Language addressing make-up work was removed, as schools typically outline site-specific procedures in their respective handbooks.

An updated version of AR 6161.5 Web Sites/Pages is also presented for your information. Minor revisions were done in consultation with the District's IT Director to ensure the language is congruent with the Technology Agreements for staff and students. As part of the AR review process, a video approval form for the District was developed, which sparked a discussion around copyright issues with teachers utilizing videos or video clips in the classroom. The District is now working with Swank, an entity responsible for licensing access for schools using full length theatrical releases for rewards, fundraising, or entertainment, to ensure we are not engendering copyright violations. Teachers who use these types of videos for purely educational purposes are not considered in violation, but using personal accounts for streaming services such as Netflix, Hulu or Amazon Prime Video are strictly forbidden, so Swank also offers a catalog of over 200 theatrical titles for teacher use through a streaming service.

Alaska Native Engineering Education Development (ANEED) Project Planning Meeting

Jamie Burgess, NPS Superintendent
Doug Walrath, NACTEC Director

Update:

As of today 1 of 4 itinerant teaching positions have been filled. Two others have interviewed, with reference checks to follow this afternoon. One additional interview is scheduled for this afternoon. Positions are currently posted by BSSD (internal only) at this time. Interest in the STEM-rich positions has been strong.

Discussion Items:

NES placement: The equivalent of a 1.0 FTE position is envisioned for NPS service over the next three years. All four positions are itinerant, with 3-4 village site responsibilities. Across (4) teachers scheduling can occur to have a NACTEC EiE (Engineering is Elementary) be available for NES programming weekly. After school programming is a priority in this *Accessing Choices in Education* grant award. Family choice for both after school, and summer camp(s) – immediately after school ends are anticipated programs to be delivered. Would like to entertain conversations around NES “specials” offering for FY22- FY24.

5th Grade STEM Ready – Weeklong ANSEP/NACTEC partnership program for delivery in Nome, anticipated 1 program in FY22, 2 in FY23, and 3 in FY24. BSSD students in residential. Would like to explore option of running NPS 5th grade program concurrently, if of interest.

ANSEP Middle School Academy – ANEED grant will fund one academy per school year in FY22-FY24 for NPS and BSSD cross district partnership. With BSSD grant funding supporting their own ANSEP Middle School Academy in next three years, it is anticipated there will be more slots available for NPS student participation.

ACSA – ANEED grant is STEM-rich and ideal opportunity for NACTEC’s EiE teachers to be involved as desired by ACSA. Noting that NES, Kawerak Head Start, and Nome Pre-School are all potential service populations as well.

Housing – Greatest concern for teachers interviewed thus far is securing housing. As fully a 1.0 FTE position would be supported for NPS direct instruction, would like to ask for consideration of a single teacher apartment housing unit to provide housing for 2 instructors, if interested in a shared housing arrangement. NOTE: one married couple has expressed interest, which would bring two elementary aged children into NPS enrollment.

Sandra Martinson, President
Members of the Board of Education
Nome Public Schools
PO Box 131
Nome, Alaska 99762

Dear President Martinson and Members of the Board,

We could never have imagined the world we are currently experiencing. The repercussions for this worldwide pandemic have altered our children's learning to configurations we never could have predicted. It's new for all of us: parents, teachers, administrators, and, most of all, students.

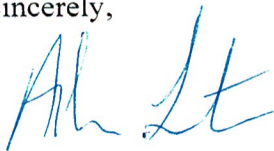

Despite the many challenges faced during this school year, I write today to draw your attention to a significant bright spot; that is the success happening each day in Ms. Kiminaq's Inupiaq Immersion Kindergarten Classroom at the Nome Elementary School.

Language immersion programs help young students understand other cultures, improve their performance in their learning and hopefully one day help them in the workplace. On top of learning how to speak and write the language, students also learn about cultures associated with that language. This helps students better understand the differences between themselves and other cultures while giving them a better appreciation for their own culture.

Language immersion helps develop cognitive and language skills and provides support for emotional and social development. These benefits are especially valuable for all students in rural Alaskan communities. And the effects of language immersion do not stay within the walls of the classroom. Community members recognize the benefits and work of the schools and are inspired to learn the language and support children in their learning when hearing Native languages utilized in daily life.

Immersion programming is uniquely planned and implemented. As a parent, I hope my child will be able to continue with this program into the 1st grade and beyond. I write to urge the Board of Education to seek ways to fully fund and support the expansion of this successful and vital program.

Sincerely,

Adam R. Lust

AR5113 ABSENCES AND EXCUSES

Regular attendance at school is necessary if students are to gain full benefit from their educational opportunities while in school. Students who have good attendance generally enjoy school more, achieve higher grades, and are more employable after graduating from high school. Nome Public Schools' staff will do everything possible to provide a positive learning environment that will encourage students to attend. The staff and school will inform the parents of their child's attendance record and, through mutual cooperation, work to achieve satisfactory attendance.

Compulsory Attendance Law, [Alaska Statute 14.30.010](#)

(A) Every child between seven and 16 years of age shall attend school at the public school in the district in which the child resides during each school term. Every parent, guardian or other person having the responsibility for or control of a child between seven and 16 years of age shall maintain the child in attendance at a public school in the district in which the child resides during the entire school term, except as provided in (b) of this section.

(B) This section does not apply if a child

(1) is provided an academic education comparable to that offered by the public schools in the area, either by

(a) attendance at a private school in which the teachers are certificated according to [AS 14.20.020](#);

(b) tutoring by personnel certificated according to [AS 14.20.020](#); or

(c) attendance at an educational program operated in compliance with [AS 14.45.100 - 14.45.200](#) by a religious or other private school;

(2) attends a school operated by the federal government;

(3) has a physical or mental condition that a competent medical authority determines will make attendance impractical;

(4) is in the custody of a court or law enforcement authorities;

(5) is temporarily ill or injured;

(6) has been suspended or expelled under [AS 14.03.160](#) or suspended or denied admittance under [AS 14.30.045](#);

(7) resides more than two miles from either a public school or a route on which transportation is provided by the school authorities, except that this paragraph does not apply if the child resides within two miles of a federal or private school that the child is eligible and able to attend;

(8) is excused by action of the school board of the district at a regular meeting or by the district superintendent subject to approval by the school board of the district at the next regular meeting;

(9) has completed the 12th grade;

(10) is enrolled in

(a) a state boarding school established under [AS 14.16](#); or

(b) a full-time program of correspondence study approved by the department; in those school districts providing an approved correspondence study program, a student may be enrolled either in the district correspondence program or in the centralized correspondence study program;

(11) is equally well-served by an educational experience approved by the school board as serving the child's educational interests despite an absence from school, and the request for excuse is made in writing by the child's parents or guardian and approved by the principal or administrator of the school that the child attends;

(12) is being educated in the child's home by a parent or legal guardian.

(C) If a parent, legal guardian, or other person having the responsibility for or control of the child elects to enroll a child who is six years of age in first grade at a public school, after enrollment, the child is subject to the provisions of (a) and (b) of this section. If the parent or guardian of a child who is six years of age and is enrolled in first grade at a public school determines, within 60 days after the child is enrolled, that the best interests of the child are not being served by enrollment in the first grade, the child may be withdrawn from school, and the provisions of (a) and (b) of this section do not apply to the child until the child is seven years of age. [AS 14.30.020](#).

Violations. A person who knowingly fails to comply with [AS 14.30.010](#) is guilty of a violation. Each five days of unlawful absence under [AS 14.30.010](#) is a separate violation.

At NPS, failure to comply with [AS 14.30.010](#) may subject the student's parent/guardian to legal action. When a student is absent unexcused five (5) times - and every 5 times thereafter - the student's name shall be forwarded to the Superintendent. **At their discretion**, the Superintendent or designee shall write a letter to the Nome Chief of Police stating the dates of the unexcused absences. ~~The Nome Police Department shall then issue a citation to each parent of the student for violating~~ [AS 14.30.010](#).

Definitions

A) **Absences** - An absence is defined as when a student is not actually physically present in the appropriate class for any reason. ~~All absences, whether excused or unexcused, are counted as absences.~~

B) **Absences, Excused** -

1. **Excused absences include:**

- a. Injury or illness
- b. Quarantine
- c. Death in the immediate/extended family
- d. Medical or dental appointment
- e. Court or administrative proceedings
- f. Religious observance

**** All excused absences MUST BE accompanied by parent notification within two (2) school days of the absence.**

Planned Absences - In the case of planned absences, the school should be notified in advance. Parents should consult with the classroom teacher to determine the appropriateness of homework assignments for their child during the planned absence. Staff will not be required to provide specific instructional assignments for this period of time.

2. School Sponsored Absences - School sponsored activity absences are absences due to student participation in school-sponsored clubs, sports activities, or field trips. These absences are considered to be part of the regular school program. Church groups, scouts, beauty pageants, club swim team, leagues, non-school sponsored activities, etc, are not included as school sponsored activities. Students missing regular classes due to school-sponsored activities, such as sporting events, are expected to follow the procedures outlined ~~above~~ **in their respective school's handbook** for pre-planned absences.

3. **Additional details and Make-Up Work**

- a. Any absence, in order to be counted as excused, must be accompanied by a parent notification within two (2) school days of the absence.
- b. Medical absences beyond three consecutive days must be accompanied by a doctor's note and will not count toward the **consecutive absence rules for middle school or high school students (as outlined in the Student Handbook)**. ~~more~~

~~than 25/15-day absence rule for junior high / high-school students considered by the Attendance Review Committee.~~

~~Students will be obligated to make-up assignments or tests after an absence from school. Parents / guardians must notify the school at least two (2) days in advance of the absence using the pre-planned absence form. Utilizing this pre-planned absence procedure will allow the student to receive two (2) make-up days for the first day of classes missed, plus one make-up day for each additional day of regular school days missed; to a maximum of ten (10) make-up days in order to potentially receive full credit for all make-up assignments. If the pre-planned absence procedure steps are skipped / not utilized, then the teacher is only obligated to extend two (2) days or make-up time for the first day of school missed, with one make-up day allowed for each additional day of regular classes missed; to a maximum of six (6) make-up days in order for missed assignment to potentially receive full credit. Absences that occur at the end of a semester / grading cycle will result in incomplete course grades until such time as those scores are replaced by the appropriate assignments and tests required for course credit. All outstanding assignments and tests must be completed before the end of the school year; incomplete grades will be converted to zeroes (0% scores) at the end of the academic year.~~

~~Students who are traveling for school activities will need to request their homework from teachers in advance, utilizing the sports/activities version of the pre-planned absence form.~~

~~Students shall be given the opportunity to make-up missed assignments / assessments due to an excused absence, and shall receive full credit if the work is turned in according to the above make-up work policy.~~

~~Students who miss school work because of unexcused absences or suspensions shall be given the opportunity to make-up missed work for full or reduced credit (refer to the make-up work policy above). Teachers shall assign such makeup work as necessary to ensure academic progress, not as a punitive measure. (BP 6154)~~

The make-up work policy for students shall be outlined in each school's Student Handbook, which will be reviewed and approved by the Principal and Superintendent annually.

C) Absences, Unexcused - An unexcused absence is one that does not meet the requirements of an excused absence.

a. Students leaving the building without first checking out of the school office will be considered unexcused.

b. Students who oversleep are considered unexcused.

c. ~~Students who are more than twenty (20) minutes late to class will be considered unexcused for the period. This unexcused absence will become part of the attendance review process for potential credit loss.~~

D) **Tardy** - Any appearance of a student beyond the scheduled time a class begins without permission.

E) **Skipping** - Defined as a student **not physically in class for more than 10 minutes at any time within the scheduled class period without prior consent of a parent or the school.** ~~that is considered on campus, but has willfully missed an inordinate amount of the regular class period(s) to which he/she was assigned, or has traveled outside of his/her assigned classroom space without first obtaining school permission. All instances of skipping class are is subject to administrative review. and behavior consequences, up to and including out of school suspension (OSS) depending on frequency and severity. Skipping class is considered an act of defiance of school authority. Skipping may also be considered as a missed class period(s) that count towards the 25/15 day absence rule for junior high / high school students that falls under the purview of the Attendance Review Committee.~~ **Skipping counts as an unexcused absence.**

F) **Truancy** - Truancy is ~~defined as a full day of unexcused absence~~ **handled under the Alaska legal statute that allows schools to notify law enforcement when a student has reached five unexcused absences for a class or the full day within a single semester. Parents will be notified when law enforcement has been made aware of the violation of compulsory attendance. An extended number of unexcused absences may result in charges of contributing to the delinquency of a minor and notification to the Office of Childrens' Services (OCS). Refer to the Compulsory Attendance section of this AR.**

G) **Attendance Review Committee** - A building level committee who reviews student attendance.

1. NES Attendance Review Committee:

The Nome Elementary School Attendance Committee, including the social worker **and/or counselor**, teachers and principal, will keep parents advised of attendance issues as needed. This committee will assist parents so attendance can be improved. Parents will be advised, in writing, when their child has three unexcused absences and a conference will be requested to develop an attendance improvement plan.

2. ~~Junior~~ **Middle** and Senior High School Attendance Review Committees:

a. In ~~Junior~~ High **Middle** School, when a student is absent (**unexcused or skipping**) from school for twenty-five (25) **(20)** or more days in an academic year, the student shall be recommended for retention in that grade for the following year. **When a student has accumulated ten (10) unexcused absences, the student and parent will be notified in writing and a conference will be attempted.** Parent / student attendance notification letters are sent home when a student accrues ~~five (5)~~, ten (10) and fifteen (15) days absent in a semester. ~~A conference will be attempted with the student and parent after the accumulation of fifteen (15) absences.~~ If, after the accumulation of more than twenty-five **(20)** absences, the ~~parent and/or~~ student believes the absences were justified, the student and parent/**guardian(s)** may appeal the loss of credit to the Attendance Review **Committee**.

b. In ~~Senior~~ High School, when a student has ~~fifteen (15)~~ **ten (10)** or more absences (**unexcused or skipping**) from a class period in a semester, **no credit will be given for that class that semester.** ~~the school may decide to withhold course credit from that student based on what the school considers to be an excessive loss of instructional time. In such cases, the Attendance Review Committee will convene to review the situation and determine if the student will lose course credit. Both excused and unexcused absences will be considered as part of the Attendance Review process, although this does not apply in the case of absences due to school sponsored activities.~~ **When a student has accumulated seven (7) unexcused absences, the student and parent will be notified in writing and a conference will be attempted.** Parent / student notification letters are sent home when a student accrues ~~five (5)~~, ten (10), and fifteen (15) days absent in a semester. ~~A conference will be attempted with the student and parent after the accumulation of ten (10) absences.~~ If, after the accumulation of ~~fifteen (15)~~ **more than ten (10)** absences, the student believes the absences were justified, the student and parent/**guardian(s)** may appeal the loss of credit decision to the Attendance Review Committee.

c. To appeal a loss of credit or a recommendation for retention, the parent/**guardian** must contact school administration within ten (10) school days of receipt of the letter to set up a meeting with the Attendance Review Committee. **The committee will hear the parent/guardian's appeal and make a determination by the following day.** A student may appeal on his/her own behalf if a parent/**guardian** is not willing or able to appeal.

d. The ~~Junior / Senior~~ **Middle**/High School Attendance Review Committee shall consist of the Assistant Principal/Dean of Students and at least two faculty members appointed by the administration.

e. The Attendance Review Committee has authority to: 1) Deny the appeal; 2) Approve the appeal dependent upon an agreement in writing reached with the student and parents / guardians concerning attendance for the remainder of the semester. ~~and/or a special consideration of extenuating circumstances.~~

f. Decisions of the Attendance Review Committee may be appealed by the student or parent through Nome Public Schools' regular due process procedure.

Attendance Recognition

To encourage excellent attendance, students with no absences and no tardies should may be recognized regularly with an incentive/reward.

Updated 8/2019 03/2021

Adopted June 10, 2003

AR5113 ABSENCES AND EXCUSES

Regular attendance at school is necessary if students are to gain full benefit from their educational opportunities while in school. Students who have good attendance generally enjoy school more, achieve higher grades, and are more employable after graduating from high school. Nome Public Schools' staff will do everything possible to provide a positive learning environment that will encourage students to attend. The staff and school will inform the parents of their child's attendance record and, through mutual cooperation, work to achieve satisfactory attendance.

Compulsory Attendance Law, [Alaska Statute 14.30.010](#)

(A) Every child between seven and 16 years of age shall attend school at the public school in the district in which the child resides during each school term. Every parent, guardian or other person having the responsibility for or control of a child between seven and 16 years of age shall maintain the child in attendance at a public school in the district in which the child resides during the entire school term, except as provided in (b) of this section.

(B) This section does not apply if a child

(1) is provided an academic education comparable to that offered by the public schools in the area, either by

(a) attendance at a private school in which the teachers are certificated according to [AS 14.20.020](#);

(b) tutoring by personnel certificated according to [AS 14.20.020](#); or

(c) attendance at an educational program operated in compliance with [AS 14.45.100 - 14.45.200](#) by a religious or other private school;

(2) attends a school operated by the federal government;

(3) has a physical or mental condition that a competent medical authority determines will make attendance impractical;

(4) is in the custody of a court or law enforcement authorities;

(5) is temporarily ill or injured;

(6) has been suspended or expelled under [AS 14.03.160](#) or suspended or denied admittance under [AS 14.30.045](#);

(7) resides more than two miles from either a public school or a route on which transportation is provided by the school authorities, except that this paragraph does not apply if the child resides within two miles of a federal or private school that the child is eligible and able to attend;

(8) is excused by action of the school board of the district at a regular meeting or by the district superintendent subject to approval by the school board of the district at the next regular meeting;

(9) has completed the 12th grade;

(10) is enrolled in

(a) a state boarding school established under [AS 14.16](#); or

(b) a full-time program of correspondence study approved by the department; in those school districts providing an approved correspondence study program, a student may be enrolled either in the district correspondence program or in the centralized correspondence study program;

(11) is equally well-served by an educational experience approved by the school board as serving the child's educational interests despite an absence from school, and the request for excuse is made in writing by the child's parents or guardian and approved by the principal or administrator of the school that the child attends;

(12) is being educated in the child's home by a parent or legal guardian.

(C) If a parent, legal guardian, or other person having the responsibility for or control of the child elects to enroll a child who is six years of age in first grade at a public school, after enrollment, the child is subject to the provisions of (a) and (b) of this section. If the parent or guardian of a child who is six years of age and is enrolled in first grade at a public school determines, within 60 days after the child is enrolled, that the best interests of the child are not being served by enrollment in the first grade, the child may be withdrawn from school, and the provisions of (a) and (b) of this section do not apply to the child until the child is seven years of age. [AS 14.30.020](#).

Violations. A person who knowingly fails to comply with [AS 14.30.010](#) is guilty of a violation. Each five days of unlawful absence under [AS 14.30.010](#) is a separate violation.

At NPS, failure to comply with [AS 14.30.010](#) may subject the student's parent/guardian to legal action. When a student is absent unexcused five (5) times - and every 5 times thereafter - the student's name shall be forwarded to the Superintendent. At their discretion, the Superintendent or designee shall write a letter to the Nome Chief of Police stating the dates of the unexcused absences.

Definitions

A) **Absences** - An absence is defined as when a student is not actually physically present in the appropriate class for any reason.

B) **Absences, Excused** -

1. **Excused absences include:**

- a. Injury or illness
- b. Quarantine
- c. Death in the immediate/extended family
- d. Medical or dental appointment
- e. Court or administrative proceedings
- f. Religious observance

**** All excused absences MUST BE accompanied by parent notification within two (2) school days of the absence.**

Planned Absences - In the case of planned absences, the school should be notified in advance. Parents should consult with the classroom teacher to determine the appropriateness of homework assignments for their child during the planned absence. Staff will not be required to provide specific instructional assignments for this period of time.

2. School Sponsored Absences - School sponsored activity absences are absences due to student participation in school-sponsored clubs, sports activities, or field trips. These absences are considered to be part of the regular school program. Church groups, scouts, beauty pageants, club swim team, leagues, non-school sponsored activities, etc, are not included as school sponsored activities. Students missing regular classes due to school-sponsored activities, such as sporting events, are expected to follow the procedures outlined in their respective school's handbook for pre-planned absences.

3. **Additional details and Make-Up Work**

- a. Any absence, in order to be counted as excused, must be accompanied by a parent notification within two (2) school days of the absence.
- b. Medical absences beyond three consecutive days must be accompanied by a doctor's note and will not count toward the consecutive absence rules for middle school or high school students (as outlined in the Student Handbook).

The make-up work policy for students shall be outlined in each school's Student Handbook, which will be reviewed and approved by the Principal and Superintendent annually.

C) **Absences, Unexcused** - An unexcused absence is one that does not meet the requirements of an excused absence.

- a. Students leaving the building without first checking out of the school office will be considered unexcused.
- b. Students who oversleep are considered unexcused.

D) **Tardy** - Any appearance of a student beyond the scheduled time a class begins without permission.

E) **Skipping** - Defined as a student not physically in class for more than 10 minutes at any time within the scheduled class period without prior consent of a parent or the school. All skipping is subject to administrative review. Skipping counts as an unexcused absence.

F) **Truancy** - Truancy is handled under the Alaska legal statute that allows schools to notify law enforcement when a student has reached five unexcused absences for a class or the full day within a single semester. Parents will be notified when law enforcement has been made aware of the violation of compulsory attendance. An extended number of unexcused absences may result in charges of contributing to the delinquency of a minor and notification to the Office of Childrens' Services (OCS). Refer to the Compulsory Attendance section of this AR.

G) **Attendance Review Committee** - A building level committee who reviews student attendance.

1. NES Attendance Review Committee:

The Nome Elementary School Attendance Committee, including the social worker and/or counselor, teachers and principal, will keep parents advised of attendance issues as needed. This committee will assist parents so attendance can be improved. Parents will be advised, in writing, when their child has three unexcused absences and a conference will be requested to develop an attendance improvement plan.

2. Middle and High School Attendance Review Committees:

- a. In Middle School, when a student is absent (unexcused or skipping) from school for twenty-five (25) (20) or more days in an academic year, the student shall be recommended for retention in that grade for the following year. When a student has accumulated ten (10) unexcused absences, the student and parent will be notified in writing and a conference will be attempted. Parent / student

attendance notification letters are sent home when a student accrues ten (10) and fifteen (15) days absent in a semester. If, after the accumulation of more than twenty (20) absences, the student believes the absences were justified, the student and parent/guardian(s) may appeal the loss of credit to the Attendance Review Committee.

b. In High School, when a student has ten (10) or more absences (unexcused or skipping) from a class period in a semester, no credit will be given for that class that semester. When a student has accumulated seven (7) unexcused absences, the student and parent will be notified in writing and a conference will be attempted. If, after the accumulation of more than ten (10) absences, the student believes the absences were justified, the student and parent/guardian(s) may appeal the loss of credit decision to the Attendance Review Committee.

c. To appeal a loss of credit or a recommendation for retention, the parent/guardian must contact school administration within ten (10) school days of receipt of the letter to set up a meeting with the Attendance Review Committee. The committee will hear the parent/guardian's appeal and make a determination by the following day. A student may appeal on his/her own behalf if a parent/guardian is not willing or able to appeal.

d. The Middle/High School Attendance Review Committee shall consist of the Assistant Principal/Dean of Students and at least two faculty members appointed by the administration.

e. The Attendance Review Committee has authority to: 1) Deny the appeal; 2) Approve the appeal dependent upon an agreement in writing reached with the student and parents / guardians concerning attendance for the remainder of the semester.

f. Decisions of the Attendance Review Committee may be appealed by the student or parent through Nome Public Schools' regular due process procedure.

Attendance Recognition

To encourage excellent attendance, students with no absences and no tardies may be recognized regularly with an incentive/reward.

Web Page Development Guidelines

The District needs to educate all students as they prepare for a productive life in a changing world. The use of the Internet and associated technology ~~is playing~~ **continues to play** an increasing role in student education. Adherence to these guidelines will insure proper use of the District's network capabilities and proper conduct of the user. The construction and ongoing maintenance of a ~~home page~~/web site that represents the District is to be viewed as a public information vehicle subject to the following guidelines which require efficient, ethical and legal utilization of networks resources.

Webmaster

Defined:

A Webmaster is the person who is responsible for the content and publication of their school or district site World Wide Web home page upon final approval of the school principal or district department supervisor. There may be more than one home page per school but these will be linked from the **District**/school's main home page.

Responsibilities:

- Screen all material before publication.
- Check all links for accuracy and appropriateness.
- Receive all links for accuracy of all material to be posted.
- Upload material to the district web**site/cloud** server.
- Ensure that the district Webmaster has the name of the current school Webmaster.
- Purging home page information of outdated pages or those no longer in use.

Caution:

~~Keep an updated copy of all school web pages on the Webmaster computer.
See District Webmaster responsibilities below.~~

District Webmaster

The district Webmaster/designee will maintain the district web**site** server. Update procedures and rights will be provided by the Webmaster/designee.

To keep the district web**site** server free of outdated or unused files, the district Webmaster/designee will periodically **direct the removal of outdated files.** ~~purge~~

~~all files, requiring each school Webmaster/designee to reload their new or updated files.~~ Adequate advance notice will be provided to insure that backup files are present and updated.

Sponsoring Teacher or Administrator

Defined:

Any teacher or administrator willing to be responsible for proofing student material prior to submission to the Webmaster/designee for publication on the school's World Wide Web homepage.

Responsibilities:

- Instruct student on proper use and guidelines before development of the student page begins.
- Ensure that student work has educational value.
- Screen student material to ensure that it adheres to the district goals, guidelines and policies.

(Refer to guidelines below.)

Student or District Employee

Student: any student currently enrolled in the District.

District Employee: any person currently employed by the District.

Any student wishing to publish a web page must first have a teacher willing to sponsor their material before it is submitted to their school's Webmaster/designee. Any district employee is responsible for meeting district guidelines before submission to their site Webmaster/designee.

Web Page Publishing Guidelines

Each school web page shall contain a disclaimer statement similar to the following:

- "We have made every reasonable attempt to ensure that our web pages are educationally sound and do not contain links to any questionable material or anything that can be deemed in violation of the Acceptable Use Policy."
- Material to be published must not display, access or link to sites deemed offensive by the District's Acceptable Use Policy.

All published material must have educational value and/or support the District's guidelines, goals and policies.

- The only material to be published on the District website server must come from the designated school or department site Webmaster. All personnel defined in this document must have on file the signed signature page. This signature page will reside with the school or district department administrator.
- The web is a very dynamic resource. It is strongly recommended that links to pre-existing sites be checked regularly to ensure that their links are not going to inappropriate sites.
- Student work should not be published on a web site unless both the student and the parent(s) or guardian(s) have **agreed to the District's permission to publish (online or hard copy) enrollment questionnaire.** ~~signed the signature page.~~ An exception would be if the work is part of an existing publication such as a newspaper or school newsletter.
- At no time should a student's personal e-mail address or phone number appear on a school or district web page. All e-mail should be directed to the school or site web master.
- Please pay particular attention to the copyright information found below.
- The principal or district supervisor should designate an additional staff member in each school or department (if it is not the Webmaster) to regularly "visit" their web site to check for appropriateness and the legal issues which may arise when a school or district department engages in global publishing.

Copyright Issues

Copyright law and district policy do not allow the re-publishing of text or graphics found on the Web on district Web sites or file services without explicit written permission.

- For each re-publishing (on a Web site or file server) of a graphic or a text file which was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. In many cases, that notice should also include the URL (Web address) of the original source.
- Students and staff engaged in producing Web pages must provide **School or District webmasters** ~~library media specialists~~ with e-mail or hard copy permissions to file before the Web pages are actually published. In the case of "public domain" documents, printed evidence must be provided to document the status of the materials.
- The failure of a site to display a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. If the materials have been improperly and illegally displayed by a Web site, the manager of that Web site may not be considered a source of permission.
- The "fair use" rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.

- ~~Student work may only be published if there is written permission from both parent and student.~~

Staff members and students with questions regarding these guidelines are advised to check with the **webmaster/designee** ~~library media specialist~~ in their building before proceeding with the collection of images and text.

Privacy Issues

In addition to copyright issues, careful thought and attention must be given to privacy issues. These include the following:

- Student directory information may not be published if parents have requested that it be withheld.
- Photographs of students or staff should be used only with permission from the parents or staff workers.
- Student's last names shall not be used on web sites **without permission from parents.**

March 1, 2021

Dear Board Members,

February may be the shortest month of the year, but I'm pretty sure it lengthened our year by at least two months! ☺ We aren't sure why February felt so long, but it could be because so much was happening!

We started the month with a state-wide virtual convening of all "Comprehensive Support and Improvement" (CSI) and "Targeted Support and Improvement" (TSI) school representatives on February 1st. Unfortunately, as sometimes happens while participating only virtually, I was pulled away from the event quite a bit that day. However, Tammy VanWyhe's (DEED) opening quote is what has really stuck with me: "School improvement is not 'one more thing,' it is THE thing." This is something that comes to mind for me frequently – staying focused on the what and how of improving schooling for our children, and not getting bogged down in too many initiatives. We work hard to determine how our actions and practices fit with our priorities as we move forward. The reminder for focus is always welcomed.

We hosted our first three FaceBook Live read-alouds each Monday in February, beginning on the 8th. These take place at 5:30PM on the Nome Elementary School FaceBook page. We are having a great time modeling reading aloud and the fun things you can do when reading a book with children. We will continue to promote this event, and hope to see our participation increase. We are getting great feedback from students and families who do participate. We also connected with families during Parent/Teacher Conferences on February 19th and 22nd, meeting with about 87% of our students' families.

Many hours in February were dedicated to the research and review of math program materials considered for adoption. The NES committee met on multiple days as a team to comb through the options selected, and score them critically. We are excited to be recommending Eureka Math to the school board, and looking forward to the opportunity to share these materials with the public for their review as well. Many thanks to Katie Bourdon, Krista Marvin, Meghan Ten Eyck, Elizabeth Dillman, and Julie Kelso for their dedicated efforts through this process.

Our Kagan Structure-A-Month focus with Mrs. Cross was "Find the Fiction." The structure was presented, modeled, and practiced by staff on February 3rd, then coached on February 25th and 26th. Minimum Day time was also spent on training for the upcoming PEAKS testing, and the review of student progress in the primary grades, as a result of tutoring. The primary team met together twice to look at several data points and re-group students for the next session of

tutoring, which began March 2nd. We are also working with Nome Eskimo Community to add to our menu of after-school tutoring options, and hope to have that option up and rolling after spring break.

NPS Strategic Plan Goal #2: Programs, courses and instruction reflect and incorporate local and indigenous identity.

2.1.2 Integrate local indigenous languages

Ms. Keller and Ms. Kiminaq are amazing resources for this effort, and they reach out to others for help, too. We have an Inupiaq phrase each week that is shared on morning announcements Mondays & Wednesdays, and highlighted during Ms. Keller's Cultural Studies classes, along with her regular weekly lesson which includes Inupiaq. Tuesdays and Thursdays we focus on two Inupiaq Values for the month, also hearing then in Inupiaq, and translated to English. We are saying the Pledge of Allegiance in Inupiaq four days a week, with student leaders every Friday during our virtual morning meeting. Kiminaq and Sandi also share with staff and students the different letters, sounds, and some words from other dialects or languages from our region. They are often helped in this effort by other community members.

2.1.3 Implement and grow Inupiaq Immersion Program

Ms. Kiminaq currently has 20 students enrolled in her kindergarten class, and will continue with Inupiaq Immersion in the 2021-2022 school year, either as a Kindergarten or First Grade teacher. We are actively looking for a second Inupiaq Immersion teacher who would like to take on this challenge. We are also working with entities in our community to continue to support the development of the program, including the needed materials.

Coming Events:

- NES Facebook Live Read-Aloud – Mondays @ 5:30PM! ☺
- Read Across America, Tuesday, March 2nd.
- NES Spelling Bee, Wednesday, March 3rd, 6:30PM
- PEAKS Testing begins Tuesday, March 30th

Statistics:

School was in session for 17 student days in February.

- Attendance rate 88.9%, compared to 84% for the same period last year;
- We served 3,041 student breakfasts (3,934 in 2020); and
- We served 4,273* student lunches (4,062 in 2020). **this includes weekend lunches, a practice we began in mid-January, 2021.*

Nome Elementary School provides a positive and welcoming environment where our culturally-diverse students, staff, and community members are valued through mutual respect, collaboration, safe interactions, and enriching experiences. Clear and high expectations serve as guidelines to reach success and wellness for all students in this rapidly-changing world.

ACSA Board Report, March 9, 2021

Lisa Leeper, Principal

Enrollment / Attendance Update

- There were no changes to enrollment in February.
- We had a 92% student attendance rate for February.

Classes and Activities

- February Student of the Month: Aries Bioff, 8th grade
- Due to various current constraints, February parent/teacher conferences were conducted a bit differently than the student led model we've used for the past three years. We requested that students attend their conferences and that they share some prepared information and work with their parents, but teachers lead the conferences. It was a good opportunity for students to be part of the discussion about their progress, and all but a few attended. Fifty students and their parents met with us, and families overwhelmingly seem grateful for in person learning and the opportunity to meet with teachers.
- Eight students competed in the ACSA Spelling Bee held on Tuesday, March 2. Here are the winners for each category: Overall and 5th grade - Peyton Lewis, 7th grade - Carter Gray, 6th grade - Cole Gray and Jocelyn Nichols-Takak, 5th grade - Chantal Blanchette. We would like to thank the NPS staff members who served as judges and scorekeepers, and we would like to thank Julie Kelso for leading practices and organizing the bee.
- Students and staff participated in the School Climate and Connectedness Survey. Thus far, 37 ACSA families have also completed the survey (deadline is March 26). We will use the results of the SCCS when setting goals for school improvement for the upcoming school year.
- April will be open enrollment month for ACSA. Information about our program and acquiring an application will be distributed directly following spring break. We now have both an online and paper application available, and we plan to help anyone who needs assistance in applying.

- Strategic Plan Goal #2 - Programs, courses and instruction reflect and incorporate local and indigenous identity.
 - Students have been working hard to prepare for this year's science fair to be held Friday, March 5th. Projects include a wide range of personal interests and creativity. Ms. Smyke did an amazing job of leading students through the scientific process using online log books and allowing each to study a topic of choice.
 - In Social Studies, Mrs. Johnson has connected with teachers across the country and world to do "Where in the world?" Her classes meet virtually with classes from various locations and they both use "yes/no" questions to try to guess where the other students live. They then visit and ask questions after the game has been played. Our students enthusiastically share about life in Nome.
 - Many of projects for our various subjects allow students the opportunity to showcase one's identity. We will attempt to make regular, meaningful opportunities to tie learning to a student's culture. Students are doing impressionism paintings, and some have chosen to depict local scenes. Class A is learning to knit and some students are making scarves. Class B skis every day in elective.

Subject: March Board Report

NBMHS Current Enrollment: 281

- NBMHS Teacher of the Month for March is high school Science teacher, Sarah Liben (NBMHS teacher of the month will be submitted to Superintendent Burgess for consideration as the NPS teacher of the month).
- NBMHS Support Staff Employee of the Month for March is SPED Aide, Anita Scadden (NBMHS support staff member of the month will be submitted to Superintendent Burgess for consideration as the NPS support staff member of the month).
- Students of the Month are Charles Jade Greene for the high school and Tonya O'Connor for the Middle School.

We have been working in the green since our last board meeting.

The following is a list of happenings that currently impact NBMHS:

- Sports resuming with limited travel
- Regulating the heat in our building (the building is cold in places and really warm in others)
- Wearing masks appropriately throughout the day
- High school teachers provided Credit Recovery/Competency Intensive instruction

Other happenings at NBMHS:

- Through an NEC tutoring partnership, NBMHS has added a Monday afterschool tutoring session now until early May;
- The Science Fair was held Friday, March 05, 2021. Over 100 science projects were on display throughout NBMHS. Due to Covid protocol we did not invite the public, but our student body toured to observe their peer's hard work. A big thank you goes out to Dr. Husemann, Ms. Liben, and Mrs. Garrison for their efforts in organizing this event;
- Credit Recovery Report: Our experiment with a consolidated credit recovery program this past week was a huge success. More than 40 students were able to recover .5 credits in either Math, English, or Social Studies. Students that did not need credit recovery were in a variety of classes similar to our Winterim courses. The classes included: ETT,

Animal Care, Culinary Arts, Small Engines, Stained Glass, Art, Music, and Cultural Arts. A big thanks goes out to Chef Rob (NSHC), Keane Richards (NWC), Brian Marvin, Amy McNulty, Rose Reale, Hunter Belamy, Greg Walls (NSHC), and the entire NACTEC staff. Without the support of these people and the organizations they work for this opportunity for our students would not happen.

NBMHS has been doing as many student activities as Covid restrictions allow:

- The Drama Club is planning a play to be performed on the radio in late March or early April;
- Basketball games are scheduled with Kotzebue and Unalakleet for both the boys and girls. This will include Cheer, Choir, and Pep band;
- Regional and State basketball is planned, but details are vague;
- Middle school games with Unalakleet are planned for late March;
- Prom is scheduled for May 07, 2021; we will have Covid guidelines in place;
- Scholarship Night will be May 24, 2021;
- Graduation is May 26, 2021.

As a follow up to our meeting with KNOM and questions about internships and opportunities for at risk and disabled youth, I would like to include some information about the Arctic Access program. Arctic Access supports Nome-Beltz in many ways, including the following:

- Setting up local internships: 15 NBMHS students were placed in internships during the last 2 years
- Providing hourly pay for some of the internships
- Training in job readiness such as resume writing and good work habits
- Runs the summer work program
- First Aid and CPR training
- Driving permits and licenses

Strategic Plan Goal 2: Educational experiences respectfully integrate Indigenous identity

As we consider classes and programs that impact our school the following list highlights many of them:

- Nome Native Youth Leadership Organization
- Conversational Inupiaq (Dual Credit w/NWC)
- Tribal Government (Dual Credit w/NWC)
- Native Dancing and Drumming
- Sivuqaq Lifestyle
- Parky Sewing
- Cultural Arts and Crafts
- Culturally relevant books in the Language Arts curriculum include: *Two Old Women*, *My Name is Not Easy*, *Inuit Thought of It*, and *The Raven's Gift*

Current projects

Preparation for rollout of identiMetrics finger scanning system for use with PowerSchool Attendance and PowerLunch. Primary staff received training on 19FEB21 for the functionality of the enrollment software as well as the application of the software in PowerSchool Attendance and PowerLunch. The announcement went out to parents / guardians on 02MAR21 with a planned launch for enrollment on 22MAR21. Once we reach 85% or greater biometric enrollment we will perform final checks of the system and then change over to using the system for PowerSchool tardy attendance and meal service for the remainder of the fourth quarter.

E-Rate - Category II Network equipment. Nome Public Schools authorization amount for E-Rate CATII for JUL2021-JUN2026 is \$131,880. We receive Federal funding for 85% of this amount and must pay for the 15% plus any ineligible equipment costs as well as equipment that is installed in Non-Instructional Facilities (District Office and Maintenance Shop). As mentioned in last months report we pushed our CAT II proposal opening date while we tested new equipment for distribution of wired and wireless internet throughout the district. Our proposal opened on 19FEB21 and our bidding cycle closes 19MAR21. Due to Federal requirements, the contract must be awarded and form 471 submitted by 25MAR21. The selection committee will meet on 22MAR21 to evaluate bids and chose a vendor. This short timeframe will require a phone poll vote for approval to award the contract on either March 22nd or March 23rd in order to meet the 25MAR21 deadline.

Evaluated replacement solutions for our current Technology Helpdesk which adds the capabilities of Asset Management. The Tech Dept (with review from Business Office personnel) chose IncidentIQ for our replacement Tech Helpdesk and Asset Management system. IncidentIQ combines Asset Management with a Tech HelpDesk solution that automatically integrates with our current Mobile Device Management solutions (JAMF for Mac computers and iPads, Google Admin Console for ChromeBooks, and JumpCloud for Windows devices) and our Student Information System for import of Staff, Student, and class data. We held our initial implementation meeting on 01MAR21 and are excited to get this new system up and rolling. We have already setup interfaces with many of the above mentioned systems to import staff and students user accounts and the majority of our individual computer devices.

Future Projections

After completion of the CAT II E-Rate cycle we will prepare to run approximately 2 miles worth of ethernet cable from network rooms / cabinets to allow for WiFi Access Point installation in every classroom. This installation should assist in balancing the various loads on our network equipment thus providing a more stable experience for staff and students.

PowerSchool Online Enrollment

Current enrollment numbers are not being reported this month because the Tech Department is in the process of converting the 20-21 PS Enrollment over to 21-22 PS Enrollment. This should allow for intake of the incoming Kindergarten students records by the beginning of April.

PowerSchool Student Information System Access data
PowerSchool use, by students and parents.

Total Parent and Student PS Web and Mobile Access Sessions for Month:

Technology Web HelpDesk

Part of the Technology Department's duty is to maintain the Technology Web Help Desk for staff to request repairs, training and troubleshooting. In February we resolved 67 of 70 (96%) of the tech requests submitted through the system. We encourage staff to make use of this resource but many immediate needs are still handled outside of it.

Grants- Consolidated ESEA: Title I-A/Title I-C/Title II-A/Title IV; EASIE; and RLIS

•Attended the 4-day Virtual ESEA National Conference

Sessions attended included: parentcamp.org for facilitating parent engagement; Indigenous Women:Our Journey, presented by Dr. Sherri Miller; Best Practices for Tutoring with Dr. Robert Slavin; and Uniform Grant Guidance with Brustein and Manasevit.

•Title I-C (Migratory)-

•ANSEP Computer Build- Alaska Native Science and Engineering Program at UAA led NPS middle school students through a computer build via ZOOM February 4-6. Our students were so focused they finished the 3-day curriculum in just 2 days! NBMS science teacher, Katherine Garrison acted as the onsite facilitator with assistance from Bode Leeper. We had 10 students participate on site in the NACTEC Wing and one participate remotely. All students successfully built and set up their computers with an operating system and programing software. At the end of the session the students took their computers home.

•Lego kits and parts for Lego Robotics for grades 3-5 and middle/HS have recently arrived on site. We are now waiting for the Chromebooks to arrive to start our program. Lisa Leeper will be the instructor.

•Distribution of HALO (<https://www.halobelt.com/>) rechargeable light belts to all eligible migratory students via school or USPS.

•Jade Murdock, migrant recruiter and assistant, will be emailing a link to an Xtra-Tuff boot order form for migratory eligible students. We will also advertise on Nome Announce and FB. NPS will be working with Big Rays to fulfill this order.

•Title II-A- Working with NES administration to provide on-site training in Professional Learning Communities for NES staff the first week of June.

•Title IV-A

- The trail groomer has arrived and is assembled (thank you, Jeff Collins) for the ACSA/NBMHS ski program.

• Completed Part 1 of EASIE (Indian Education Grant)

• Completed RLIS (Rural and Low-Income School) Grant

Assessments, Curriculum and Data-

Attended the 2-day Virtual Alaska District Test Coordinator conference and training offered by DEED.

- DEED offered the DTC training via ZOOM this year. The presenters did a nice job of disseminating the information and giving participants time to review the information in small break out rooms with similarly sized districts.

WIDA

- I finished conducting regularly scheduled EL ACCESS 2.0 (aka WIDA) testing at NBMHS and continuing with make ups for those who were absent. ACCESS testing is ongoing at NES (thanks to Sandi Keller). This assessment contains four individual assessment areas or domains: listening, reading, writing, and speaking. Each area of assessment takes about 1 to 1.5 hours.

PEAKS & Science

- Presented the initial training component for the Alaska Science and PEAKS Assessments to NBMHS, ACSA and Extensions, and NES, at each site.

- All employees who will be present in the room where PEAKS & AK Science testing is taking place must complete the training and sign test security agreements. The initial training (already completed) is an introduction to PEAKS administration and the “Padlet” that I use to disseminate training and PEAKS administration information. See link: <https://padlet.com/mhayes27/i7wg05qrnl19> Please note: The information on this “padlet” site is **not test secure and can be shared publicly**. Once schedules are in place, I will add them to this “Padlet”. The second of the three components is completed through DEED’s eLearning site and the final component will be a review of local testing procedures, review of test security, and a team quiz using a game format (Kahoots).

- This year AK Science will be testing grades 5, 8, and 10. In the past, grades 4, 8, and 10 were assessed.

- PEAKS & AK Science testing Accommodations for SPED students are updated in PowerSchool (thanks to Rebecca Miller)

- MAP-Winter window closed on February 12 and the Spring window opened on February 15. The windows are different this year due to NBMHS opting to MAP test once, instead of twice during second semester.

•PEAKS & AK Science test window- March 29 -April 30, 2021

Special Education Department

- 77 Active SpEd caseloads
- 11 Current Paraprofessionals (2 Open Positions for 2021-2022)
- 1 Administrative Assistant
- 5 Special Education Teachers (2 Anticipated Positions for 2021-2022)
- 0 Speech Language Pathologist (1 Advertised Position for 2021-2022)

Special Education Monthly Snapshot

- Staffing
 1. SPED Teacher Positions (2 anticipated posting for next year).
 2. All SPED paraprofessional positions are now filled. (2 anticipated posting for next year).
- Speech Language Pathologist has resigned position. interim Speech/Language services are being provided virtually for the remainder of this school year. Services provided by tele-therapy are going well in all schools. We are currently looking at the best way to go forward for next year that meets the needs of NPS students. (SLP recruitment vs. tele-therapy)
- Department of Education and Early Development has given a finding for the 2020 audit. February 5th Inservice addressed training needs for IEP and ESER processes. Currently gathering corrected materials to resubmit.
- Completed Child Find February 19th, with assistance from our partners at Kawarek, WIC, and Child Infant Learning we were able to screen 12 Pre-K children in school readiness, vision and hearing, and speech.

SCHOOL BOARD COMMUNICATION

Title: Approval of FY22 School Calendar

Date: March 9, 2021

BACKGROUND INFORMATION

The NPS Calendar Committee met on February 16th to discuss a potential draft calendar for the 2021-2022 school year. Much discussion was held around a variety of topics impacting the calendar which are discussed below. The Committee recommends the proposed calendar for adoption.

1) Snow days – with teachers utilizing “Blizzard Bags” for students during COVID-19, the discussion was held to continue this practice for the next school year. This practice minimizes loss of instruction, and the impact that school closures can have on our classified staff, who either must use personal leave or have an unplanned day without pay. This practice still allows some 3-day weekends to be scheduled in April and May, when children are often adjusting to the rapidly increasing amount of light in the evenings/nights, and may need breaks from the tightly packed schedule of testing in those months.

2) Professional Development days – there was much discussion around how our District PD days were placed within the calendar. There is always tension between the need for days prior to the start of school versus the need to address other topics after a period of implementation and practice. Due to the proposed adoption of a new math curriculum K-8, the committee felt that allowing for some PD days later in the school year were appropriate.

3) Balanced semesters – the start of school was moved back three days from the original draft, since the number of days in the fall semester was significantly lower than the spring semester. While this has little impact at the elementary level, it does impact our middle and high school classes which are offered in semester format; if the semester ends right before winter break, there was a three week difference in the length of the semester, meaning elective classes would be significantly different. Ending the semester after winter break has been shown to create problems for final exams/midterms, with teachers often having to spend additional days

reviewing materials with students after a 2 week break without instruction. This calendar shift does mean an earlier release for students and staff.

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the proposed 2021-2022 school calendar.

Sample Motion: I move to approve the proposed 2021-2022 school calendar.

BACKGROUND INFORMATION

The Board of Education reviewed and approved the first reading of the policies listed below at the February 9th, 2021 Regular Board meeting. The policies are now presented to the Board for a second reading and adoption.

BP 4112.10 Employment of Retired Teachers
BP 5145.15 Student and Family Privacy Rights
BP 9260 Legal Protection

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the second and final reading of board policies BP 4112.10 Employment of Retired Teachers, BP 5145.15 Student and Family Privacy Rights and BP 9260 Legal Protection.

Sample Motion: I move to approve the second and final reading of board policies BP 4112.10 Employment of Retired Teachers, BP 5145.15 Student and Family Privacy Rights and BP 9260 Legal Protection.

BP 4112.10 EMPLOYMENT OF RETIRED TEACHERS

Note: Effective November 8, 2018, [AS 14.20.136](#) authorizes schools districts to hire retired teachers in cases of teacher shortages. Retired teachers hired under this statutory provision may elect to continue receiving TRS benefit payments during the period of reemployment. A contract for reemployment of a retired teacher hired under [AS 14.20.136](#) may not be for more than 12 consecutive months. If the teacher retired under the defined benefit retirement system, the teacher must be retired for at least 60 days if 62 years of age or older, or at least six months if under 62 years of age, before reemployment. In addition, if the teacher is reemployed by the same district that employed the teacher upon retirement, the teacher must certify that there was no prearranged agreement with the school district to hire the teacher after retirement.

Prior to the hire of retired teachers under this statute, the school board must adopt a policy that permits the employment of retired teachers who are qualified to teach in those disciplines or specialties in which a shortage of teachers exists. The policy must describe the circumstances that constitute the shortage.

This optional policy may be utilized by districts desiring to hire retired teachers in cases of teacher shortages, as authorized by [AS 14.20.136](#).

It is the policy of the Board that teacher vacancies be filled in a timely manner by qualified personnel. The District administration is authorized to employ retired teachers in accordance with [AS 14.20.136](#) in cases of teacher shortages, and to notify the Administrator of the Teachers' Retirement System that it is hiring retired teachers pursuant to that statutory provision.

The hiring of retired teachers is authorized in those disciplines or specialties in which a shortage of teachers exists despite active recruitment efforts. A shortage is deemed to exist for those open positions that the administration has been unable to fill with qualified candidates, despite recruitment, public advertising for at least 10 business days, interviews, and the offering of positions to qualified candidates, if any.

BP 5145.15 STUDENT AND FAMILY PRIVACY RIGHTS

Note: *The Protection of Pupil Rights Act requires any school district “that receives funds under any applicable program [to] develop and adopt policies, in consultation with parents, regarding [statutory privacy rights].” (20 U.S.C. §1232h(c)(1)). “Any applicable program” generally refers to any federal program administered by the U.S. Department of Education (20 U.S.C. §1221(c)). “Consultation with parents” is not defined; boards are advised, at minimum, to publicize the issue and request public comment during the policy’s adoption.*

The Board believes that personal information gathered from a student may be helpful or necessary to facilitate school safety, student welfare, or the continued success of academic programs. However, these goals must be balanced with the expectations of privacy of our students and their families. The following procedures shall be followed so that parents may make informed choices regarding the disclosure or collection of personal information from their student.

Student Surveys

Note: *Federal law requires prior written parental consent before certain surveys may be administered to students. Effective June 30, 2017, [AS 14.03.110](#) requires written parent permission before a school may administer, or permit to be administered in a school, a questionnaire or survey, whether anonymous or not. The following policy sets forth the notice and consent provisions required by law and identifies when parental consent and notice are required. Additionally, state law provides that no student may be required to participate in a questionnaire or survey if the student objects to participation. [AS 14.03.110](#).*

The Board recognizes that student surveys administered in the public schools may be beneficial for the purposes of study, the improvement of education, for class assignment, and to assist in providing guidance or counseling services to students and their families. In administering surveys or questionnaires to the District’s students, the District shall comply with state and federal laws concerning parental notice and consent.

Surveys will not be administered to students without prior parental consent.

Annual Consent: The District may seek written parent/guardian permission, on an annual basis, for the administration of anonymous student surveys. Consent to anonymous surveys obtained annually will be valid until the beginning of the subsequent school year, or until written notice of withdrawal of consent is provided to the school principal. Parents or guardians shall receive at least two weeks’ notice prior to the administration of an anonymous questionnaire or survey.

Consent for Surveys that are Not Anonymous: Prior to the administration of a survey that is not anonymous the District shall obtain written permission from the parent/guardian at least two weeks prior to the survey.

Notice Requirements: At least two weeks prior to the administration of a questionnaire or survey, whether anonymous or not, that requires parental consent as identified above, the school shall provide each student's parent or legal guardian with written notice explaining:

1. how and where the parent may preview the survey;
2. how the survey will be administered;
3. how the survey results will be used;
4. who will have access to the questionnaire, survey or results; and
5. for those surveys which are not anonymous, explain that written parental consent is required before participation in the particular survey, and include a permission form to be returned by the parents, with instructions that the form must be returned at least two weeks before the survey.

Instructional Material

A student's parent(s)/guardian(s) may inspect, upon their request, any instructional material used as part of their child's educational curriculum within a reasonable time of their request.

The term "instructional material" means instructional content that is provided to a student regardless of its format, printed or representational materials, audio-visual materials, and materials in electronic or digital formats (such as materials accessible through the Internet). The term does not include academic tests or academic assessments.

Physical Exams or Screenings

Note: Effective June 30, 2016, provisions of [AS 14.30.070](#) and the entirety of [AS 14.30.120](#) requiring school districts to provide for or require each child to have a physical examination is repealed. The requirement that school districts provide vision and hearing screening examinations remains. [AS 14.30.127](#). Although districts are no longer required to provide for and require physical examinations of every child attending school, the Department of Health and Social Services may require the district to conduct physical examinations it considers necessary and may reimburse the district for examinations. The federal Protection of Pupil Rights Act states that student's parent(s)/guardian(s) may refuse to allow their child or ward to participate in a "non-emergency, invasive physical examination or screening." [20 U.S.C. §1232h\(c\)\(2\)\(A\)\(ii\)](#).

A student's parent(s)/guardian(s) may refuse to allow their child to participate in any non-emergency, invasive physical examination or screening that is: (a)

required as a condition of attendance, (b) administered by the school and scheduled by the school in advance; and (c) not necessary to protect the immediate health and safety of the student, or of other students. The term “invasive physical examination” means any medical examination that involves the exposure of private body parts, or any act during such examination that includes incision, insertion, or injection into the body, but does not include a hearing, vision, or scoliosis screening.

The above paragraph does not apply to any physical examination or screening that:

1. Is permitted or required by an applicable state law, including physical examinations or screenings that are permitted without parental notification.
2. Is administered to a student in accordance with the Individuals with Disabilities Education Act ([20 U.S.C. §1400](#) et seq.)
3. Is otherwise authorized by board policy.

Collection of Personal Information from Students for Marketing

Note: Federal law allows schools to collect personal information from students for marketing ([20 U.S.C. §1232h\(c\)\(1\)\(E\)](#)), provided the board, by policy, allows parents to preview the instrument and opt their child out of the activity.

The term “personal information” means individually identifiable information including: (1) a student or parent’s first and last name, (2) a home or other physical address (including street name and the name of the city or town), (3) a telephone number, or (4) a Social Security identification number.

No school official or staff member shall administer or distribute to students a survey or other instrument for the purpose of collecting personal information for marketing or sale.

The above paragraph does not apply to the collection, disclosure or use of personal information collected from students for the exclusive purpose of developing, evaluating or providing educational products or services for, or to, students or educational institutions, such as the following:

1. College or other post-secondary education recruitment, or military recruitment.
2. Book clubs, magazines, and programs providing access to low-cost literary products.

3. Curriculum and instructional materials used by elementary schools and secondary schools.
4. Tests and assessments to provide cognitive, evaluative, diagnostic, clinical aptitude, or achievement information about students (or to generate other statistically useful data for the purpose of securing such tests and assessments) and the subsequent analysis and public release of the aggregate data from such tests and assessments.
5. The sale by students of products or services to raise funds for school-related or education-related activities.
6. Student recognition programs.

Note: *The rights provided to parent(s)/guardian(s) in this policy transfer to the student when the student turns 18 years old, or is an emancipated minor.*

Biometric Information

Note: *Biometric information means the noninvasive electronic measurement and evaluation of any physical characteristics that are uniquely attributable to a single person, including fingerprint characteristics, eye characteristics, hand characteristics, vocal characteristics, facial characteristics and any other physical characteristics used for the purpose of electronically identifying that person with a high degree of certainty.*

1. Prior to collecting biometric information from a student, the school district shall provide notification of the intent to do so to the parents, or guardian, or to the student if he or she has reached the age of 18. Two weeks between notification and the actual collection of biometric information shall be given in order to allow a response to refuse participation in the biometric identification program. A request not to participate in the biometric identification program shall be made in writing by the parents, or the individual who has legal custody of the student, or the student if he or she has reached the age of 18. Failure to respond with a request not to participate in the biometric identification program shall be considered as giving permission for the student to participate.
2. Biometric information collected by the District will be stored securely behind District firewalls and other data protection protocols. All biometric information shall be destroyed within 30 days after (a) the student's graduation or withdrawal from the school district; or (b) upon receipt in writing of a request for discontinuation of participation in the biometric identification program by the parents, or the individual having legal custody of the student, or by the student if he or she has reached the age of 18.
3. The biometric information is to be used solely by the school district for identification or fraud prevention.
4. The school district will not sell, lease, or disclose any biometric information to any other person or entity.

5. The choice for the student not to participate in the biometric identification program by the parents, or guardian, or by the student, if he or she has reached the age of 18, must not be the basis for refusal of any services otherwise available to the student.

BP 9260 LEGAL PROTECTION

Note: *For all districts, Sections 2361-2368 of the Every Student Succeeds Act are designed to provide teachers, principals and other school professionals, including board members, the tools they need to undertake reasonable actions to maintain order, discipline and an appropriate educational environment. Section 2366 limits the liability of a school employee or official for acts or omissions when he/she is acting within the scope of employment or district responsibilities and his/her actions were in conformity with federal, state and local laws in an effort to control, discipline, expel or suspend, or maintain order or control in the classroom or school.*

Limitations on liability do not apply when the officer or employee: (1) acted with willful or criminal misconduct, gross negligence, recklessness or a conscious or flagrant indifference to the harmed student's right to safety; (2) caused harm by operating a motor vehicle; (3) violated a federal or state civil right law (e.g., sexual harassment, discrimination, IDEA claims); (4) was convicted of a sexual offense, crime of violence or act of terrorism; or (5) was under the influence of alcohol or drugs.

If a civil action is brought against the employee or officer, and the laws' conditions are satisfied, Sections 2366 and 2367 limit the amount of the employee's/officer's liability to a formula based on the percentage of responsibility for the harm, and also limits punitive damages. The provisions of the law took effect on April 8, 2002.

The School Board shall provide insurance necessary to protect Board members, officers, and employees from any judgment resulting from suits brought against them alleging their liability while acting within the scope of their employment and/or under the direction of the Board. The insurance shall cover claims in such matters as civil rights actions, negligence, or other act resulting in accidental injury to any person or property damage in or out of the school buildings.
