PERSONNEL/HR PROJECTS

On March 14, 2022, NPS HR along with NPS Superintendent Jamie Burgess attended the Educators' Career Fair at the University of Montana in Billings. With little success for large applicant pool, the team attended the Alaska Teacher Placement Job Fair in Anchorage on March 18 and 19, 2022. The current climate for in person teacher recruitment is very challenging.

Bookworms ELA Program

(Information was taken from a presentation, the OPEN-UP website and the introductory video.)

Philosophy

The Bookworms reading and writing program is based on the premise that “research informs the design” of a program. The authors believe that all students need access to whole texts that are high quality in both narrative and informational formats. The program was designed with texts that were carefully selected to be used with each grade. When using these authentic texts, evidence-based routines and genre-based writing lessons are in place. In addition, the design of the program allows for differentiated instruction in foundational skills and “an extension of text access for students with strong foundational skills.”

Overview

- The *Bookworms* curriculum operates with three 45-minute blocks: **Shared Reading; Interactive Read-Aloud and Writing; and Small-Group, Differentiated Skills Instruction.**
- Straightforward, routinized protocols are designed to make high-quality literacy instruction easier for teachers.
- Teachers use foundational skills assessments to group students and provide targeted instruction to help them excel.
- Instruction is differentiated at the foundational skills level rather than the text level, in order to help students, accelerate their reading growth.
- This program been successfully used in Delaware schools with high poverty rates and schoolwide Title 1 programs. Students have made significant gains in their statewide achievement tests in ELA.

Program Components:

The program is implemented in three 45-minute daily blocks that can be scheduled in any order.

1. **English Language Arts (Interactive Read-Aloud and Writing):** Teachers read above-grade level text while modeling inferential thinking and comprehension strategies. Focused grammar instruction and related written responses require students to write about what they’re reading.
2. **Shared Reading:** Students read grade-level texts out loud with support of the teacher to foster fluency, vocabulary, and comprehension.
3. **Differentiated Skills Instruction:** Teachers use assessments to group students and provide targeted instruction to help them excel. Students work in small groups and receive explicit instruction in phonemic awareness, word recognition, vocabulary, or reading comprehension through highly interactive lessons in brief instructional segments. Spelling instruction based on syllable patterns is also taught during this block.

Professional Development:

Professional development is customized according to the school's needs and is done in person and/or virtually. Teachers are introduced to routines, pedagogy, and design of materials during this training. Schools have access to an on-demand professional development video library that can be used in conjunction with PLC's.

Bookworms

Overview

The *Bookworms* curriculum is designed specifically to foster a love of reading in young children, by using a wide variety of whole texts that are high quality narrative and informational texts, instead of just excerpts.

This program has been successfully used in schools with high poverty rates and schoolwide Title 1 programs. Students have made significant gains in their statewide achievement tests in ELA.

From the
Author

Since this video was filmed in 2017, the program has greatly expanded and developed to meet the needs of more students and communities.

In one Title 1 school, within 2 years, the school had eliminated the achievement gap, moving from 37 points lower than the state average in 2015 to surpassing the state average in 2017 (Seaford School District, in Delaware).

The *Bookworms* curriculum operates with three 45-minute blocks: Shared reading; Interactive Read-Aloud and Writing; and Small-Group, Differentiated Skills Instruction.

Instruction is differentiated at the foundational skills level rather than the text level, in order to help students accelerate their reading growth.

Grammar instruction and related writing responses require students to write about what they are reading, thereby integrating the writing into their reading. This allows students to focus on the skill of writing instead of struggling to develop content about which to write.

Handwriting instruction is not included in the program. The suggested companion program is *Handwriting without Tears*, which has already been a part of our language arts curriculum.

Our Recommendation

After comparing six different programs, we are confident that *Bookworms* is great fit for our students and community. We are excited to introduce next year's students to high quality literature through full-book form instead of excerpts.

Above all, we are excited to help our students foster a deep love of reading.

Cost

Bookworms 6 year subscription including all trade books and shipping.

Public Comment Statement

The Board of Education welcomes community member input during meetings about issues on or not on the agenda. The Board is not able to respond directly to you during Public Comment; the Board may decide at the end of the meeting during Board Member Comment to discuss your topic at a work session, regular meeting, or direct the Superintendent to look into a situation further.

The Board may not speak about subjects that are protected by legal confidentiality such as specific student discipline issues or personnel issues that could disparage or slander district employees.

The general guideline is approximately three minutes per speaker; however, additional time is allowable if needed. When you speak to the Board, please state your first and last name for the record.

Nome Public Schools
Superintendent Report

April 12, 2022

1. COVID Update: Cases have continued to drop nationwide, across Alaska, and here in Nome. We have seen lapses in declarations of emergencies, expirations of mask mandates, and cases in Nome are now staying in the single and low double-digit ranges. With the move in to spring, we anticipate active case rates to remain extremely low through the end of the school year. The Health Advisory Team supports a move to a mask-optional protocol for the school district. The principals are also supportive, as is a significant majority of our staff. We have also surveyed our community through a simple survey sent out on Nome-Announce, our District Facebook Page, Nome Post, and our Remind text communication tool – we had a very strong response rate within a few days, with 80% of the respondents supporting the move at all schools.

The administration will announce that Anvil City Science Academy and Nome-Beltz Middle/High School will move to a mask-optional protocol effective Monday, April 18th for the remainder of the school year. Nome Elementary will remain under the mandatory masking due to the low vaccination rates (less than 40% of students) at the school and the potential for significant loss of instructional time due to quarantine.

We will work over the course of the summer to prepare an updated COVID mitigation response plan for the coming school year to create a flexible response in anticipation of a wave of cases in the winter time along with other normal winter illnesses. We encourage our community members to consider vaccinations and recommended boosters when publicized by the hospital.

2. Legislative Fly-In – I attended the Alaska Council of School Administrators Legislative Fly-In in Juneau in March and had the opportunity to meet with Senator Donny Olson and telephonically with Representative Neal Foster (due to a COVID outbreak in the House). Both continue to be very supportive of increasing education funding this year. The news from Juneau on education funding continues to be encouraging, although the debate continues and the budget is not yet finalized. The current outlook as of the writing of this report appears to be an additional \$57M one-time appropriation for schools, which would mean an additional \$370,000 for NPS. This is not reflected in the final FY23 budget presented to the Board (see below). The house is also considering HB272 and HB273, which would increase the BSA for two consecutive years and tie future increases to the Consumer Price Index respectively. HB272 has some chance of passing, with HB273 not likely to pass. Current inside information says that if HB272 passes, the \$57M may be vetoed by the Governor (the revenue increase to schools for FY23 is similar). Rumor also has it that the Governor may veto the \$57M if some sort of accountability bill such as the Alaska Reads Act (SB111/HB164) is not passed, but this is debatable. The legislature has also restored quite a bit of funding on both sides (Senate and House) in their respective budgets currently being discussed to line items such as the school bond debt reimbursement and funding for major maintenance. I enjoyed the opportunity to meet with a few legislators and have had the opportunity to testify in front of the House Education and House Labor and Commerce. I've enjoyed building relationships with some legislators outside of our region as well.

3. Hiring Update – I attended the Montana State University and the Alaska Teacher Placement Anchorage Job Fairs along with Ms. Gray in March. Neither fair were particularly well attended or fruitful. We made the decision to cancel attendance at the Oregon Job Fair due to Ms. Gray's illness. We may still attend the ATP's scheduled fair in Salt Lake City in May if needed, although we have had reasonable success thus far with filling positions utilizing ATP's online portal and other methods of identifying candidates.

Housing opportunities for new staff continues to be a concern, as the vacancies in our apartment building created by departing staff have been filled almost immediately by new hires. The teacher dorms are very limited in meeting staff needs, as they can't be utilized for families, and don't work well for couples. Pet-friendly housing continues to be in high demand. Our new teacher apartment project in town is at a standstill, as we await the City's actions to find financing solutions. The Council's appetite for taking the project out to a bond vote for the public seems to be extremely low at this point in time, so we may end up utilizing the remainder of our AFHC grant funds to complete construction drawings so that we have a "shovel-ready" project for when construction prices drop at a later point in time.

4. 2022-2023 Budget Final Draft – This final draft as presented to the Board represents a worst case scenario at this point in time. This version of the budget reflects a dramatic increase in the budget for fuel purchase for FY23, based on information from NJUS. We need to purchase an increased amount of fuel (will be presented to the Board as an action item in May) due to the increased fuel consumption this past winter, and the price for fuel oil is very high at this time. Since the City has opted not to price-lock early with the hope that the cost per gallon will drop, the actual cost will be computed at time of delivery in July/August. We must budget for worst-case scenario since we did not lock in the price.

At the writing of this report, we are waiting for the results of bids for our health insurance for next year. We have left the budget for FY23 at 5% increase for health insurance, but it is possible that we may see a slightly higher increase after we review the bids and continue to negotiate with insurance providers.

However, as stated above, we are hopeful that we will see increased revenue from the state in the form of either an increase to the BSA or a one-time funding bump. Either revenue move would likely offset the fuel oil price increase, but we still will have to deal with any health insurance increase over and above the 5% budgeted. In addition, if the state is able to fund major maintenance projects significantly, we have two reimbursement projects sitting at #24 and #25 on the list which would bring an additional \$325K back to our CIP fund. We could potentially move that money back out of CIP into the general fund to relieve some of the pressure on our fund balance. The City has affirmed that they are likely comfortable with providing us with a \$3.15M contribution this year.

Nome Public Schools
Superintendent Report
Jamie Burgess
April 12, 2022

Please also note that the fund balance in the current iteration of the budget is below 5%. This can be adopted with Board approval. The District can make additional changes prior to the formal adoption of the budget on April 26th if any additional information is received.

Nome Public Schools
Nome, Alaska 99762

The Nome Public Schools (District) is pleased to present you with the budget for the fiscal year 2023. The budget document is the primary document that communicates the District's plans for spending in the ensuing fiscal year, and it also details its organizational goals and objectives in monetary terms. The District is required to prepare and approve a balanced budget and submit it to the City of Nome by May 1st and to the Department of Education & Early Development by July 15th each year. A balanced budget is defined as revenue budgeted at least the same as, or more than, the budgeted expenditures or use of fund balance.

In presenting the FY2023 Budget document, we may discuss the instructional, operational, and financial plans in an open forum. We believe community interaction and input between stakeholders leads to improvements benefiting the education of children at Nome Public Schools. The administration of Nome Public Schools has reviewed and discussed its plan for the FY2023 school year in terms of what can be accomplished within the bounds of a balanced budget.

Budget development and analysis is always a work in progress. Changes will occur in FY2023 when salaries, benefits, and foundation funding are finalized.

Organizational Component

The City of Nome was incorporated in 1901 as a first-class city under the laws of the Territory of Alaska. The City operates under council-manager form of government and performs municipal duties allowed by Alaska Statutes and as directed by its residents.

The Nome Public Schools is a component unit of the City of Nome and is organized under Title 29.42.030 of Alaska Statutes as amended. The City has delegated the administrative responsibility for these functions to the Nome Public Schools Board of Education. The School Board is governed by a five-member school board with members elected by district and complemented by a non-voting student representative.

Budget Process

Alaska Statute 14.14.065. Relationship between city school district and city. The relationships between the school board of a city school district and the city council and

executive or administrator are governed in the same manner as provided in AS 14.14.060. AS 14.14.060 (c) states “except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget the assembly shall determine the total amount of money to be made available from local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available from local sources from money available for the purpose.

The District’s School Board approves a budget timeline which includes opportunities for presentation to the public. Below is the FY2023 budget timeline.

FY 2023 BUDGET PROCESS AND TIMELINE

Budget Process, Timeline, Revenue Presentation, Board Sets Education & Fiscal Priorities For the District in Accordance with their Strategic Plan

BP 3100 - BUDGET – The district budget shall be prepared annually from the best possible estimates of revenues and expenditures. The Superintendent or designee shall determine the manner in which the budget shall be prepared and shall schedule the budget adoption process in accordance with legal time requirements. A public hearing shall be held prior to the adoption of the budget or a revised budget.

General Fund Revenues and Expenditures

Below are the assumptions used to develop the budget.

Revenue Budget

We have developed this budget based on assumptions about legislative funding for FY2023. This budget assumes that we will be flat funded at \$5,930 per base student allocation (BSA)

with no cuts to Basic Need or any part of the foundation formula itself. We are budgeting for a \$3.15M City of Nome appropriation.

In the State of Alaska, the number of students enrolled in a district during the 20-day count period is the basis for computing the Average Daily Membership (ADM) that is used to calculate the amount of state funding provided to each district.

Revenue projection of \$15,172,923:

- ❖ Enrollment projected at 665 students
- ❖ 90% of the BSA for Correspondence students – 20 projected
- ❖ Intensive students (13 x's the BSA of \$5,930) – 12 projected
- ❖ Hold Harmless 3rd Year – 25% of Base Year
- ❖ ISER Area Cost Differential of 1.45
- ❖ Career & Technical Education (CTE) Factor – 1.015
- ❖ Special Needs Factor – 1.20
- ❖ Base Student Allocation (BSA) - \$5,930
- ❖ TRS On-Behalf and PERS On-Behalf – zero net effect against on-behalf expenditures
- ❖ City appropriation is budgeted at \$3,150,000
- ❖ Impact Aid estimated at \$35,200
- ❖ E-rate estimated with 90% discount rate on internet bills - \$1,338,461
- ❖ Other Revenues projected at \$385,000 (includes dorm rent, local contributions, gate fees)
- ❖ Utilize unreserved fund balance - \$1,155,490; leaving a 4.25% fund balance which is below the Board stipulated 5% minimum.

Expenditure Budget

Below are the expenditure highlights and other considerations for FY2023. This budget includes:

- ❖ Annual step increases/salaries updated.
- ❖ A 5% increase to health insurance in anticipation of rising premiums.
- ❖ Other employer-paid benefits remain status quo – 22% for PERS & 12.56% for TRS.
- ❖ Staffing based on a combination of needs-based and overall monetary availability per revenue and expenditure assumptions.
- ❖ A 3% increase to utility budgets, except heating fuel.
- ❖ A \$221k increase to heating fuel budgets due to increase in gas prices.

Nome Elementary School

- ❖ Retained same staffing levels as FY22.
- ❖ Decreased supply budget by \$10,000 & textbook budget by \$80,000.
- ❖ PERS/TRS On-Behalf decreased by \$154,668.

Anvil City Science Academy

- ❖ Decreased supply budget by \$7,800.
- ❖ PERS/TRS On-Behalf decreased by \$28,531.

Nome-Beltz Middle High School

- ❖ Increased staffing by 0.50 FTE – Middle School Generalist.
- ❖ PERS/TRS On-Behalf decreased by \$145,590.

Districtwide

- ❖ Increased Indirect Cost Recovery budget.
- ❖ Transfer to Food Service status quo at \$75,000.
- ❖ Transfer to Pupil Transportation status quo at \$40,000.
- ❖ Transfer to CIP reduced to \$200,000.

We thank you for your consideration of the FY2023 budget.

Sincerely,

Jamie Burgess

Student Representative Board Report

March 2022

If anyone knows how to end the school year off in a bang, it's Nome Beltz. Our Nome boys basketball team competed at the state tournament this late march after taking first at regions. Our nome cheerleaders also took first place at regions and decided to compete at state along with our boys. Our boys went undefeated at the state tournament and even made it to the championship game. And if you don't live under a rock, then you would already know that they beat the grace christian bears and took home the 3a boys basketball championship trophy. This is the first time our boys team won the state championship games since Nome Beltz was moved up to be a 3a school. Our community celebrated the victory by coming together and celebrating with a huge parade that ran throughout the local streets of nome.

With excitement about the community with basketball wins and springs coming what appears to be a bit early, our Nome Beltz Drama club has come forth to create a play for the community's enjoyment. This will be the first drama production the club has been able to put on since the effect of the Covid-19 pandemic. Their play is called "The Trials of Robinhood" and is based on the unfortunate and hilarious events of well known robin hood being put through a long and tortuous court case. Head senior of the production, Jenae Matson, stated that "we are very excited to put on an event for our community to come together and appreciate. Its been awhile since we have been able to grow a group of students who are interested in this type of thing but we will make do!" The drama club at the moment only consists of about 8-10 students and they are looking for all the help they can get. If you have any questions or inquiries about the play and

how you want to be able to get involved, please contact either Jenae Matson (Jenae Matson) or Rachel Finney (Rachel Finney) for any further information.

Along with exciting news about a drama production about to be premiering in our community, our school also held its annual science fair! This science fair consisted of students from the middle school, ACSA, and the high school all competing and showing off their science boards. The science fair went on for half of the school day and had volunteers for the community come in and score students' presentations. These volunteers consisted of doctors, firemen, emts and much much more. The announcements on who placed what have not been announced yet but stay tuned to our local nanook news writers to stay informed about who placed what.

Along with science fair happening within our school, we also had a group of 9 students either juniors or seniors for a Career Experience expedition around Alaska. The group traveled to Seward and met up with career experts at the local sealife center. The students on this trip were able to get an insight into apprenticeship programs, training programs, and much more. Senior Haley stated that “The trips was so much fun and we had a lot of laughs and the experience was memorable” The trip was sponsored by NSEDC and the group hopes to continue this type of travel later on down the road for future students who want to get more guidance on just what they want to do once they graduate high school.

With that being said, I hope this report was useful for you to get an inside on just what our students and faculty have been doing before the end of the school year and I can't wait to report to you next month.

April 7, 2022 (March Report)

Dear Board Members,

Well, March was short and fast! With our COVID closure from Feb. 28 – March 4, a weather day on March 10, and Spring Break March 14 – 18, we only had students at school for 13 short days. March brought the close of Third Quarter and the start of AK STAR state testing, which continues through the month of April.

In the month of March we celebrated seven Nanauyaat mascots posted in NES hallways – one each for Ms. Ten Eyck's class, Ms. Balice's class, Ms. Secor's class, and Mrs. Stang's class, as well as three for Mrs. Erikson's class. This reflects a total of 140 reading logs being returned between these classes. Mrs. Erikson's class is now up to 11 mascots, so we have Brrrrrriliant Readers and a Roller Coaster of Great Reading (new cheers! ☺).

We are working hard to recruit teachers and staff for 2022-2023 vacant positions. We have received signed contracts from individuals for Assistant Principal, SPED Teachers (x2), and a 5th Grade Teacher. We are continuing to search for two 2nd Grade teachers – one will hopefully be Inupiaq-speaking to continue our immersion program, another 5th Grade teacher, and one more SPED Teacher. Searching, interviewing, and reference-checking is on-going in the hopes that we won't need to attend a late May job fair.

In the month of February we had the following Inupiaq weekly phrases:

- Quwait'nak (Don't slip!), week of March 7;
- Uniagatit (mushers), week of March 21;
- Uvagnazraq (Spring), week of March 28;

and focused on the Inupiaq Values of:

- *Love of Children – Nagguagiktut ilagit, and
 - *Respect of Elders – Utuqannat kammagiralui
- *These were reported for February, but were actually in March

In February, we focused on the Inupiaq Values of:

- Responsibility - Aṇalataasran
- Honesty – Nagguatun kulliaglutin

NPS Strategic Plan Goal #4: Recruit, Support, and Retain Effective Administrators, Teachers, and Staff.

4.1: Implement new staff mentoring program.

There is no new information for report here. We still have assigned mentors to new staff. However, working with the community to provide events and develop an “Adopt a New Teacher” program is something we need to make time for.

4.2: Professional Development Plans & Support

We continue to develop PD based on school improvement needs. This includes surveying teachers on what supports they need to best meet instructional goals.

4.3: Support a “Grow Your Own Teachers” Program

We have been thrilled this semester to host high school student participants from Ms. Finney’s Ed Rising group. Students came to teach their designed lessons in elementary classrooms, receiving support and feedback from classroom teachers.

Coming Events:

- Now – Apr. 28: AK STAR Testing (State Assessment)
- Apr. 4 - 8: Safe Bodies presentations by Jennifer Johnson (Erin’s Law requirement)
- Apr. 11-15: Northwest PBIS Conference in Tacoma, WA: KJ, Zora, Julie Cross attending
- Apr. 11 – May 13: Spring MAP Growth & MAP Reading Fluency testing
- Apr. 19 & 21: Kindergarten Kick-Off Events for incoming students/families
- Apr. 22: Site-based Inservice: Lexia, Eureka, and Committees
- Apr. 29: NES Inservice – ten staff to attend Alaska’s Science of Reading Symposium, ANC

Statistics:

(Nome Elementary) School was in session for 13 days in March.

-Our attendance rate was 85.5%.

-We served 2,141 student breakfasts, and 2,115 student lunches.

-17 volunteers spent a total of 156 hours in NES classrooms during the month of March.

This included 106 hours by three sped paraprofessional interns from Alaska Christian College during the week of March 7th.

Nome Elementary School provides a positive and welcoming environment where our culturally-diverse students, staff, and community members are valued through mutual respect, collaboration, safe interactions, and enriching experiences. Clear and high expectations serve as guidelines to reach success and wellness for all students in this rapidly-changing world.

ACSA Board Report, April 12, 2022

Lisa Leeper, Principal

Enrollment / Attendance Update

- March had no changes to enrollment.
- We had a 87% student attendance rate for March.

Classes and Activities

- March Student of the Month: Avery Erlich-Piscoya, 8th grade
- On March 9th, for the first time ever, ACSA held a qualifying event for the State Science Fair. In cooperation with NACTEC, we sent 10 students representing the top finishers in each grade level, 5th-8th, to Anchorage to compete on March 26th. Three students won cash prizes, one was the top project in the 6th grade division, and four earned special recognition and the chance to compete again on a national level. Mostly, the gains we appreciate are the experiences the students had in taking their ideas from concept to design and for articulating their thinking to the judges.
- The NBMHS and ACSA science fair was held on April 5th in the Beltz gymnasium. All 60 ACSA students participated and presented their projects to the judges. Most of the project work was done in class, though students were invited to work at home and with their families. Parents and community members served as judges. Ms. Liben, Mr. Deering, Ms. Deering and Ms. Smyke worked together to coordinate the opportunity for students to participate. There were 78 projects, and the quality of student work improves every year. We hope students who participate will understand the world better and be able to approach ideas, thoughts, and issues with organized methods to find answers that benefit all of society.
- March 30th-April 22nd is open enrollment month for ACSA. On April 1st, three groups of ACSA students visited the three NES 4th grade classrooms to explain our program and answer questions. Mrs. Leeper also visited the 5th grade classrooms for the same purpose. Students and their families were

invited to a Presentation and Open House on the evening of April 6th. APC members were available to help parents and students complete the ACSA application. We are accepting applications for all grade levels and will hold a lottery to enroll new students. April 22nd is also the date for current students to confirm enrollment for next school year or to give intent to stay in a waiting pool.

- We spent time in the last week of March preparing staff and students for the new state summative testing system — AK STAR. The Alaska System of Academic Readiness (AK STAR) is designed to provide families, students, and educators with information about student performance and progress in relation to the English language arts (ELA) and mathematics standards for grades 3-9.
- Strategic Plan Goal #4 - Recruit, Support and Retain Effective Administrators, Teachers and Staff.
- Efforts made to address this goal are consistent with what was reported in previous board reports. I have included those main points here:
 - The ACSA principal seeks to network with NPS district staff and other Alaskan educators to recruit teachers for our school. Often, word of mouth helps to make connections when looking for a quality educator that will love the people, cultures, and geography of our region.
 - ACSA teachers work collaboratively everyday. This is a deliberate practice that builds a team mentality and provides support to each staff member. We share our resources, struggles, and strengths, and we fill in for one another when one is in need.
 - Our Academic Policy Committee is a group of parents who offer their support to new ACSA teachers. Most members of the APC are parents who have years of experience with our program. They can assist the new staff member with answers to questions and can help establish operations.

- 16 high school students are traveling to Hawaii April 10-16 as a continuation of this Cultural Exchange;
- The Regional Music Festival was held in Dillingham April 6-11. This event has been canceled for the past two years;
- The NYO State Meet returns to in-person competition April 21-23. NBMHS has a small, but very talented team this year. Nome NYO students competed in Juneau and recorded a number of 1st-place finishes that included several personal bests.

Activities Wrap-up:

- NBMHS' newly formed Ski Team hosted its first home ski meet on April 1-2. Teams from Nome, Teller and Brevig Mission participated;
- High School Girls and Boys Basketball and Cheer competed in the Regional Tournament in Kotzebue March 11-12. The Boys placed first and qualified for state. The girls basketball team played well, but placed third. The cheer team placed first as well and qualified for the state competition.
- The Nanook Boys Basketball team and the Cheer team competed in Anchorage for the State competition. The boys brought home the 3A State Championship!
- Esports is undefeated in their quest for a second consecutive spring state championship - the battle rages on! The championships are the last week in April.
- The NBMHS/ACSA annual science fair was held on April 5, 2022. This event was held in the NBMHS gym and was well attended. Thanks to Mr. Deering, Ms. Liben, and Ms. Smyke for doing a great job organizing the fair.
- Congratulations to Dorothy Callahan and Victoria Gray for qualifying to compete in the Educators Rising National Competition. They will be traveling to Washington D.C. June 23-28, 2022.

Strategic Plan Goal 4: Recruit, Support, & Retain Effective Staff

- Recruitment of quality teachers will continue to be one of our greatest obstacles in the near future due to:
 - Housing availability and costs;
 - Salary schedule which is lower than surrounding districts;
 - Insurance
- Current activities include:
 - Developing a robust Educators Rising program at the high school level;
 - Actively fostering interest in a career in education with individuals who possess a college degree;
 - Encourage current staff to engage in the recruitment process.
- Support and Retain
 - Quality professional development;
 - Positive relationships with teachers and support staff.

Grants- Consolidated ESEA: Title I-A/Title I-C/Title II-A/Title IV; EASIE; and RLIS

Consolidated ESEA-

•Title I-C, Migratory Education-

- Winter tutoring in ongoing at NBMS (three days a week) and at NES (twice a week).

•Title IV-Student Support and Academic Enrichment-Districtwide-

- The Recreational Ski Program continues to fulfill its mission of providing a non-competitive opportunity for students to participate in skiing. The trails are open to the public. As a reminder please do NOT ride snow machines on the trail.
- The piano purchased for NBMHS has arrived and is in use

•JOM-Districtwide-Ms. Keller and Mr. Payenna continue to provide culturally based curriculum to their students. This month NES students will have the opportunity to go on the annual ice fishing field trip.

•EASIE (Indian Education, Title VI) Part 1 Application submitted. Part 2 due May 13

•RLIS submitted (AKA REAP- Rural Education Achievement Program)- used to support Literacy at NES

Assessments- My main focus of the past month was preparing and administering assessments.

•ACCESS 2.0 (aka WIDA)-WIDA testing has been completed district wide and materials have been returned to the assessment vendor, Data Recognition Corporation. Sandi Keller completed ACCESS testing at NES. During this month I spent 9 days (two, 2-2.5 hour long sessions each day) administering the WIDA/ACCESS 2.0 at NBMHS to EL students. NPS has 21 EL students in grades 6-12 and five in grades 1-5.

•AK STAR-

- Prepared for the implementation of a new AK STAR assessment.
- Prepared and uploaded student and test administrator data for AK STAR and AK Science.
- Assessment Administration Training occurred at all sites. Ms. KJ trained her staff at NES and Ms. Leeper conducted training at ACSA, while I conducted the training at NBMHS. As of this writing NES is the only school to have started AK STAR testing. Test administrators have noted some differences in delivery of this test to PEAKS. However, successful administration is taking place.
- Reminder: This is the last year it will be necessary to conduct Spring MAP Growth. Linking studies between MAP Growth and the new AK STAR require students to take both assessments in the spring of 2022. In the Spring of 2023 only one assessment will be required.
- Testing dates by school and grade (subject to change)

	Grade 3 ELA & Math	Grade 4 ELA & Math	Grade 5 ELA & Math and AK Science	Grade 6 ELA & Math	Grade 7 ELA & Math	Grade 8 ELA & Math and AK Science	Grade 9 ELA & Math	Grade 10 Science only

NBMHS				4/4 -4/19	4/4-4/19	4/7-4/8	4/11-4/12	4/11-4/12

•MAP Growth- MAP Growth window has been adjusted to allow the younger grades who are not AK STAR or Science testing to start their spring formative assessment. The window opened April 4, 2022.

Spring 2022 Assessment Windows:

Assessment	Assessment Window	Grades Assessed
WIDA ACCESS for ELLs	February 1 – March 31, 2022	ELs in grades Kindergarten through 12th grade

Completed Projects

SPED Equipment - All SPED iPads are in protective cases, enrolled in our Mobile Device Management system, specific applications scoped to individual devices, and issued to SPED classrooms.

Provisioned and issued ChromeBox units to replace aging iMacs for use by NPS Classified Staff as well as NMS Shop and Custodial Staff.

Current projects

Continuing the installation of approximately 2,500 feet of network cable to provide drops to mechanical rooms in support of the Districts Environmental Controls installation project.

SPED Equipment - We are still awaiting quotes for the SPED interactive displays.

Completing the PowerSchool Enrollment forms for New and Returning Students for the 2022-2023 School Year. Awaiting all Student Handbooks to fully publish the forms. The New Student form is ready enough for next year's Kindergarten Roundup. The Returning Student form will go live once the End of Year and Start of Year processes are complete in our PowerSchool Student Information System (after 01JUL22).

Awaiting receipt and installation of a mass Network Attached Storage solution to provide encrypted / redundant backup capabilities and storage for servers, admin and secretarial staff, and remote access to specified accounts.

Preparing for the core switch configuration and replacement of network switches districtwide once we receive the remainder of the new equipment.

Identification and preparation of devices for electronic waste turn in to Kawerak this Spring.

Future Projects

Network Equipment Update: the two core switches on order have arrived, the remaining switches are supposed to ship soon, several more pieces of equipment shipped at the end of March (smaller switches, inconnectuivity cables, and modules to connect independent switches to the main framework via fiber) .

Lifecycle replacement of student devices for NES, NBMHS, and ACSA (approx. 120, 90 are already ordered).

PowerSchool Online Enrollment

There is no change in our PowerSchool Online Enrollment data. We are still tracking a total of 30 un-submitted returning student records (8 for NES and 22 for NBMHS) in our roster workspace. The Returning Student Registration form closed on 31JAN22. Efforts shifted to updating the data for the New and Returning Student forms for 2022-2023 School Year.

PowerSchool Student Information System Access data
PowerSchool use, by students and parents.

Total Parent and Student PS Web and Mobile Access Sessions:

Technology Web HelpDesk

Part of the Technology Department's duty is to maintain the Technology Web Help Desk for staff to request repairs, training and troubleshooting. In March we resolved 46 out of 51 (90.2%) of the tech requests submitted through the system. Our average response time was 4.9 hours and average resolution time was 1.6 days. We encourage staff to make use of this resource but many immediate needs are still handled outside of it.

MEMORANDUM

To: Board of Education
Thru: Jamie Burgess, Superintendent
From: Genevieve Hollins, Contracted CFO
Alaska Education & Business Services, Inc.
Date: April 7, 2022
Subject: **Financial Narrative**

FY2023 3rd Draft Budget

The FY2023 3rd Draft budget is included in the board packet. There were 2 major changes in this draft:

- 1) Increased heating fuel expense due to significant hike in gas prices. This budget includes funds to pay for 190,000 gallons up to \$3.94/gallon plus approximately \$50k in drayage from tank farm to school sites. We purchase fuel in bulk with the City. The City is waiting until July/August and will pay the then price for fuel. The City thinks that the current price is at the top and it will either stay the same or decrease by July/August when they have to purchase the fuel for the barge.
- 2) Increased the City Appropriation by \$50,000 per email from City Manager.

The change in the above items necessitated increasing the use of Fund Balance. Fund Balance is projected to be at \$644,274 or 4.25% by June 30, 2023. This is below the Board's threshold, per BP 3470, of 5%.

District Wellness Policy Triennial Progress Assessment

Attached is the District Wellness Policy Triennial Progress Assessment that the District is required to undertake once every three years. The questions are derived from the Alaska Department of Education and Early Development's Child Nutrition Programs Local School Wellness Policy Review form. The assessment evaluates the compliance with the wellness policy, assesses the implementation of the policy, includes the extent to which schools comply with the policy, the extent the policy compares to the Alliance for a Healthier Generations' model wellness policy, and a description of the progress made in attaining the wellness goals. The assessment is done together by the Superintendent and Business Manager's review of the past three years in combination with the Wellness Committee meeting minutes.

Standard Operating Procedure (SOP) #4

Attached you will find SOP Number 4 - Payroll Processing Procedures for your information regarding the specifics behind how payroll is handled.

Thank you!

REPORT TO THE PUBLIC

District Wellness Policy
Triennial Progress Assessment
March 2, 2022

Preamble of Wellness Policy

Nome Public Schools is committed to the optimal development of every student. The District believes that for students to have the opportunity to achieve personal, academic, developmental and social success, we need to create positive, safe and health-promoting learning environments at every level, in every setting, throughout the school year.

Triennial Progress Assessment

At least once every three years, the District is required to evaluate compliance with the wellness policy to assess the implementation of the policy and include:

- ✚ The extent to which schools under the jurisdiction of the District comply with the wellness policy;
- ✚ The extent to which the District's wellness policy compares to the Alliance for a Healthier Generations' model wellness policy; and
- ✚ A description of the progress made in attaining the goals of the District's wellness policy.

During FY2022 the District solicited input from stakeholders and received feedback from several of the District Wellness Committee members. The District Wellness Committee members held a meeting and each individual present completed the School Wellness Policy Assessment Tool. The feedback is summarized in the following report.

Public Involvement

Does the SFA have a Local Wellness Policy?

Yes, the District's Wellness Policy was last revised on January 20, 2022 and is posted to the District's website.

Does the SFA have a school Wellness Committee?

Yes, the committee is comprised of various stakeholders and is listed in the District's Wellness Policy. Committee members include school food service personnel, school administrators, and teachers.

Is there documentation that the sponsor has actively solicited participation from potential stakeholders to participate in the development, review, update, and implementation of the Local Wellness Policy?

Yes, stakeholders within the school system were solicited for involvement via email.

Does the School Wellness Committee meet regularly?

The District's Wellness Policy requires 2 meetings per year. Over the course of the past 3 years (FY20-FY23), 1 meeting was held thus far.

Nutrition Guidelines

Does the Local Wellness Policy include goals and priorities for nutrition guidelines?

Yes. Examples of goals and priorities in the policy include the following:

- ✓ Participation in both school breakfast and lunch programs
- ✓ Free water available at breakfast and lunch
- ✓ Self-service fruit and vegetable bars
- ✓ Offer multiple menu choices (available at NBMHS which is an Offer vs. Serve site)
- ✓ Offer versus Serve: allow students to choose their meal (at NBMHS)

All sites are meeting the guidelines for goals and priorities.

Do all food and beverages sold during the school day (midnight to ½ hour after school) comply with Smart Snack requirements, including: Vending Machines, School Stores, Snack bar, & Fundraisers?

Nome Elementary School did not have any food sold during the school day and therefore meets this requirement.

Nome-Beltz High School and Anvil City Science Academy need to review the food available to students during the “school day” and ensure it complies with Smart Snack requirements and the Local Wellness Policy nutrition guidelines.

Each year all sites need to review the food that is accessible to students during the school day and ensure they meet Smart Snack requirements. The District’s Business Manager or Nana Management Services Food Service Manager can point administrators in the right direction and help with answering nutrition-related questions.

Does the Local Wellness Policy include nutrition guidelines for all food available for sale on the school campus & does it include guidelines for marketing only food that meets Smart Snack standards?

Yes.

Nutrition Education

Does the District Wellness Policy include goals & priorities for nutrition education & promotion?

Yes, it does. Examples of goals include:

- ✓ Cafeteria bulletin boards & posters
- ✓ Staff training on positive feeding environments
- ✓ Publishing monthly school menu
- ✓ Taste testing, food samples of new products or recipes

- ✓ Periodic menu themes and special events

Nutrition education and promotion is being met by all sites.

Nutrition Promotion

Does the District Wellness Policy include goals & priorities for nutrition promotion?

Yes. Examples of nutrition promotion goals that have been met include:

- ✓ Allow sufficient time for students to eat school meals (30 minutes at lunch and 20 minutes at breakfast)
- ✓ Food & beverages not used as rewards for student performance or behavior (needs reinforcement at the Jr./Sr. High School level)
- ✓ Evaluate lunchroom environment
- ✓ Implement Smarter Lunchroom strategies
- ✓ Feature & promote healthy foods
- ✓ Healthy classroom celebrations (will continue to work on providing *suggested* guidelines for parents providing celebratory food items)
- ✓ Non-food rewards & healthy food of non-food fundraisers

Physical Activity

Does the District Wellness Policy include goals & priorities for physical activity?

Yes. Examples of physical activity goals met include:

- ✓ 20 minutes of recess per day (all but Nome Beltz-High School, which has PE and many voluntary extra-curricular activities)
- ✓ Physical activity will not be withheld as punishment
- ✓ Physical activity breaks in classes
- ✓ Access to school exercise facilities
- ✓ Safe walking routes to school
- ✓ Before/after school physical activity programs

Public Notification

At least annually, is the public is informed or updated regarding content and implementation of the wellness policy, and progress toward goals and priorities?

Yes, wellness committee meeting agenda, minutes, and policy continuously available via District website.

Monitoring & Evaluation

Has the School Food Authority assessed the implementation of the Local Wellness Policy in the last three years & is there documentation that the public has been informed?

Yes, and it is posted to the District website.

The District's Business Manager has been tasked with ensuring that a triennial review (once every 3 years) of the District's Wellness Policy occurs. After the report is finalized, it will be included in the Board of Education Board Packet and subsequently posted to the District's website.

This concludes the latest review of the District Wellness Policy.

SOP No. 4

PAYROLL PROCESSING PROCEDURES

1. PURPOSE: To establish procedures for initiating, processing, authorizing, reviewing and recording payroll transactions.
2. AUTHORITY: Superintendent or designee
3. RESPONSIBILITY: Chief Financial Officer (CFO) and Payroll Technician
4. PROCEDURES: The following procedures should be followed for completing transactions in the payroll cycle:
 - a. EMPLOYEE AND PERSONNEL/PAYROLL RECORDS
 - (1) Each employee shall have a file which contains a copy of the contract of employment, relevant tax and deduction information, W-4, a current personnel action form (or the like) which includes salary information and account coding, and any other information that is relevant and/or necessary for payroll processing.
 - (2) All personnel changes shall be prepared by HR or designee and signed [e-signed or wet signed], and approved by the Superintendent or designee, as indicated by signature.
 - (3) All changes to the master personnel file in software system shall be reviewed by the CFO to maintain internal control.
 - (4) Any changes to employee Direct Deposit banking information shall be confirmed by phone call to the employee's District work phone number of record, in addition to receiving the completed authorization form.
 - (5) The CFO and Payroll Technician shall be immediately informed of any employee terminations. The terminated employee's rights to access the District's computer system(s) shall be immediately removed, and HR or designee will conduct an exit interview.
 - (6) Employees must have all hire paperwork completed before a paycheck will be generated.

- (7) Retain employee payroll records as required by ASLAM/DEED Records Retention Schedule (see REFERENCES below).

b. PROCESSING PAYROLL TRANSACTIONS

- (1) Electronic Timecard system access will be granted by the Payroll Technician and/or CFO upon receipt of hire paperwork.
- (2) Permanent full time and part time classified employees and long-term substitutes will enter their time worked into the electronic timecard system.
- (3) Administrative employees will enter their time worked into the electronic timecard system.
- (4) Teachers and substitutes will NOT enter time worked into the electronic timecard system. Substitutes time worked will be recorded in the Absence Management system and reconciled together with the applicable teacher leave requests that have been submitted. Teachers will complete and submit leave requests and absence reports via the electronic Absence Management system, and will receive approval/disapproval electronically within that system.
- (5) Entering Time into Timecard System:
 - (a) Classified Hourly and Classified Exempt Employees will enter time worked from the 1st to the 15th and the 16th to the end of the month and submit to their supervisor within 1 day following the end of each pay period.
 - (b) Certified Administrative employees will enter their time from the 1st to the end of the month and will submit to supervisor within 1 day following the end of the month.
 - (c) The Superintendent's monthly timecard will be sent by the Payroll Technician to the Board President for her/his signature/date.
- (6) Supervisor will review all subordinate timecards and submit to the Payroll Technician within 24 hours of receipt of timecard.
- (7) Timecards must be completed and signed [electronic submission is considered approval, or wet signed] by the employee and their supervisor before it is transmitted to the Payroll Technician.
- (8) The Payroll Technician shall review the timecard and recalculate the hours to ensure accuracy.
- (9) Errors identified are corrected, and adjustments made to the timecards should be communicated to the employee and their supervisor.

- (10) All electronic and non-electronic timecards and leave requests are entered into software system by the Payroll Technician.
- (11) The Payroll Technician shall prepare a Combined Payroll Worksheet (pro-forma; preliminary payroll) for each pay period.
- (12) CFO will review and approve the Combined Payroll Worksheet before payroll is processed.
- (13) The Payroll Technician shall process payroll upon approval from the CFO and generate the bank ACH file.
- (14) CFO shall review and approve the check register and the ACH transmittal file for direct deposits.
- (15) CFO shall upload the ACH file with the bank and return a copy of the detail bank register to the Payroll Technician as confirmation of successful upload. Both CFO and Payroll Technician will ensure bank total is correct.
- (16) Paystubs will be distributed by the Payroll Technician.
- (17) The Payroll Technician shall process all payroll liability payments immediately after payroll is processed with the goal of processing all transactions before the end of the month related to each payroll. At a minimum, all liability payments shall be processed according to federal, state, and local requirements.
- (18) All payroll accounts and the general ledger (GL) should be reviewed after each payroll to ensure GL accounts are reconciled.

c. PAYROLL ADVANCES

- (1) Payroll advances are limited to two (2) advances per employee per fiscal year. Employees requesting an advance should complete the Payroll Advance Request Form (see EXHIBITS below).
- (2) The Superintendent or designee may approve a payroll advance for documented extraordinary circumstances.
- (3) In no event shall any payroll advance exceed the amount of the next net paycheck.
- (4) Payroll advances requested relative to year-end leave cash outs will not be approved.

(5) The Business Office requires a minimum of two (2) days to prepare a payroll advance.

(6) All payroll advances must be repaid on the next paycheck and prior to fiscal year-end, except as noted in Nome Education Association's Negotiated Agreement.

d. REPORTING PAYROLL TRANSACTIONS

- 1) Payroll expenses will be compared with budgeted amounts by the CFO and site supervisors on a quarterly basis.

Public Comment Statement

The Board of Education welcomes community member input during meetings about issues on or not on the agenda. The Board is not able to respond directly to you during Public Comment; the Board may decide at the end of the meeting during Board Member Comment to discuss your topic at a work session, regular meeting, or direct the Superintendent to look into a situation further.

The Board may not speak about subjects that are protected by legal confidentiality such as specific student discipline issues or personnel issues that could disparage or slander district employees.

The general guideline is approximately three minutes per speaker; however, additional time is allowable if needed. When you speak to the Board, please state your first and last name for the record.

☒	Action Needed	☐	For Discussion	☐	Information	☐	Other
-------------------------------------	---------------	--------------------------	----------------	--------------------------	-------------	--------------------------	-------

BACKGROUND INFORMATION

The district budget needs to be revised based on the outcome of the Department of Education's reconciliation based on the results of the student count period, as well as a minor adjustment in expenditures to allow for mandated asbestos training for maintenance staff.

Two new intensive needs students were not approved by the Department of Education, resulted in a reduction in previously budgeted revenue. The administration has elected to utilize fund balance at this time as opposed to making reductions in expenditures, which may occur at the final budget revision at the end of the year.

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the second FY22 budget revision.

Sample Motion: I move to approve the second FY22 budget revision.

The Board of Education Policy Review Committee met on March 9, 2022 to review several policies for possible revision. BP0100 was revised to include language and concepts from the Strategic Equity Framework. BP0210 was revised to include language and concepts from the Strategic Plan. BP1020 was revised to remove deficit language.

The following policies are now presented to the Board for a first reading approval.

BP0100 Philosophy
BP0210 Goals for Student Learning
BP1020 Youth Services

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the first reading of board policies BP0100 Philosophy, BP0210 Goals for Student Learning, and BP1020 Youth Services.

Sample Motion: I move to approve the first reading of board policies BP0100 Philosophy, BP0210 Goals for Student Learning, and BP1020 Youth Services.

BP 0100 PHILOSOPHY

In accordance with state education policy, the purpose of education is to help ensure that all students will succeed in their education and work, shape worthwhile and satisfying lives for themselves, exemplify the best values of society, and be effective in improving the character and quality of the world about them.

The School Board is committed to calling out disparities in our schools, identifying the district's role in erasing them, and holding up high expectations to ensure that all students reach their academic potential. In light of our mission and beliefs, Nome Public Schools' historic, persistent achievement gaps between different ethnic and socioeconomic subgroups of students is unacceptable. While complex societal and historical factors have contributed to the inequities our students face, our district must address and overcome institutionalized racism wherever it is found, significantly changing its practices, policies and procedures in order to achieve and maintain equity in education. This goes beyond formal equality – where all students are treated the same – to fostering a barrier-free environment where all students have the opportunity, regardless of background, to benefit and achieve equally. The School Board believes that all students can succeed regardless of their race, background or ability. The School Board is committed to providing a program of instruction which students are prepared and empowered to find their purpose and pathway. Furthermore, the School Board believes that a culturally responsive education in which District staff practice a high level of cultural proficiency will honor and positively influence the opportunity for students of all cultures to become successful individuals, exemplifying positive values and improving communities and the world. School staff shall embody this philosophy in all district programs and activities.

Understanding and Supporting Equity

Addressing systemic racism and cultivating equity and inclusion is necessary to create successful outcomes for students and stronger, healthier communities. This involves recognition of the needs, resources, and contributions of students, families, cultures, and community, as well as the educational system made up of administrators, staff, teachers, the school board, and the land and structures comprising the public school system. Some of the desired outcomes of diversity and inclusion include: acknowledgment of the intergenerational impact of Westernized schooling on our children and families, correct injustice and other wrongs, accurately represent history, educate educators to ensure an accurate understanding of history and protocols, establish schools as an Indigenous place and community, orient and welcome people to the land and place, create and implement healing in policies and partnerships, and integrate ceremony and protocol.

The School Board strives to support all students to succeed by creating conditions for learning, teaching, and partnering in the schools. The District's policies and regulations should be considered, adopted, and implemented to further equity and nondiscrimination, cultural safety and responsiveness, student-centered learning and teaching, restorative or trauma sensitive practices, and collaboration with community.

BP 0210 GOALS FOR STUDENT LEARNING

The School Board believes that a quality education provides an opportunity for each student to develop:

1. The concept of self-worth and the ability to exercise self-discipline.
2. A positive attitude toward responsible citizenship.
3. Mastery and a working knowledge of mathematics, technology, reading, language arts (including effective oral and written communication), the sciences, geography, history, government and citizenship, world languages and fine arts.
4. Skills and other competencies leading toward economic independence consistent with the individual's interests and basic potential.
5. Skills to think logically and critically, and to acknowledge diverse viewpoints.
6. An awareness and understanding of the ability to critically think through our country, state and regional history and its diverse ethnic, racial and cultural heritage.
7. An awareness and understanding of the heritage, ideals, and contributions of one's own and other cultures, races and countries.
8. The opportunity to develop the capability of students to appreciate beauty in literature, art, music and nature, and to recognize value and use creativity.
9. A recognition of the importance of physical and mental health and an understanding of skills for a healthy life.
10. An ability to adapt and participate constructively in a changing society.
11. An understanding of the relationship of people and his/her environment.
12. Moral and ethical values based on the rights and responsibilities of individuals and their relationships to each other.
13. Students are prepared and empowered to find their purpose and pathway.
14. Educational experiences respectfully integrate Indigenous identity.

BP 1020 YOUTH SERVICES

The School Board recognizes that children who are connected to their culture and identity have a high resilience.

Children have a right to have their physical, emotional and intellectual needs met. The Board supports public policies, which respect children by meeting their needs. The Board will advocate for local, state and national public and private policies, legislation and programs designed to provide or better coordinate services that help children to make the most of their educational opportunities.

Children who come to school with unmet physical, social and emotional needs may be unable to devote themselves to learning. Our future depends upon these children becoming literate, independent and productive citizens. The Board believes that all aspects of a child's welfare must become our society's top priority.

The Board realizes that local schools alone cannot meet our children's complex individual needs. The schools have, therefore, a legitimate interest in cooperating with public and private agencies that provide day care, nutrition, and health services for children. The victims of homelessness, exploitation, substance abuse and child abuse may need multiple services which should be coordinated in order to avoid gaps, duplication, or delay. Schools, local government, businesses, foundations and charitable organizations all must work together to improve conditions for our community's youth.

BACKGROUND INFORMATION

The Board of Education reviewed and approved the first reading of the policies listed below at the March 8, 2022 Regular Board meeting. The policies are now presented to the Board for a second reading and adoption.

BP 0520 School Accountability/School Improvement
BP 1340 Access to District Records
BP 3311 Bids
BP 6146.3 College and Career Readiness Assessments

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the second and final reading of board policies BP 0520 School Accountability/School Improvement, BP 1340 Access to District Records, BP 3311 Bids, and BP 6146.3 College and Career Readiness Assessments.

Sample Motion: I move to approve the second and final reading of board policies BP 0520 School Accountability/School Improvement, BP 1340 Access to District Records, BP 3311 Bids, and BP 6146.3 College and Career Readiness Assessments.

BP 0520 SCHOOL ACCOUNTABILITY/SCHOOL IMPROVEMENT

Note: *The following policy reflects the Alaska Accountability System which measures both school performance and school progress and results in a school designation of Priority, Focus, or Reward. The school rating may result in required interventions as well as specific supports.*

The School Board is committed to the successful performance of the district and its schools. Successful performance is indicated through student academic achievement, student progress over prior year performance, strong attendance and graduation rates, and participation and achievement in college and career readiness exams. The Superintendent shall implement requirements for school and district accountability as determined by the Department of Education and Early Development.

Note: *The Alaska School Performance Index measures schools by a combination of data: student achievement on SBAs in reading, writing and math; growth in the school's student body in those assessments from the prior year; and attendance. Schools with high school students are also measured by graduation rates; and student performance on college-readiness assessments, including SAT, ACT, and WorkKeys. ASPI points will result in a Star Rating for a school from 1-5 stars, the higher number representing stronger school performance*

If any district school receives a star rating of one, two, or three stars, the Superintendent or designee shall develop and implement a school improvement plan in accordance with state law. School improvement plans shall be presented to the Board for approval. If the plan is for a school that receives one or two stars, the plan will be submitted to the Department. If the school has been designated as a priority or focus school, the plan will be prepared in consultation with the Department and subject to Department approval.

The Superintendent or designee shall develop and implement a school improvement plan for schools receiving a four or five star rating when necessitated due to failure to meet annual measurable objectives, a decline in the school's growth and proficiency, a decline in graduation rate, or insufficient participation in standards-based assessments.

The Superintendent or designee shall develop and implement a district improvement plan when required due to the number of one- or two-star schools; the number of students who attend one- or two-star schools; deficiencies in curriculum, assessment practices, instruction, learning environment, professional development, or leadership; or lack of progress by a subgroup towards annual measurable objectives. The District improvement plan shall be approved by the School Board and submitted to the Department.

School Interventions

The Superintendent or designee shall implement comprehensive interventions for any school identified as a priority school by the Department. The comprehensive interventions will use turnaround principles that accomplish the following: provide strong leadership; ensure effective teachers; redesign the school calendar to include additional time for student learning and teacher collaboration; improve the instructional program; use student data to inform instruction; establish a school environment that improves safety and discipline; and provide mechanisms for family and community involvement.

Targeted interventions will be implemented to meet the specific needs of schools identified by the Department as focus schools. A plan and timeline to implement the targeted interventions shall be created by the Superintendent or designee. Interventions should consider each of the turnaround principles for priority schools, some or all of which may be appropriate for the school or targeted subgroups. Decisions should be data-driven.

The district will utilize state provided supports in implementing comprehensive or targeted interventions.

School Success

The Board believes that all of its schools can be high performing and high progress schools. The district will annually recognize those schools identified as reward schools by the Department.

Parent Notification

The Superintendent or designee shall communicate with the parents of children attending schools designated as one- or two-star schools. The information should be in an understandable and uniform format, and, to the extent practicable, in a language the parents can understand. Parents should be promptly advised of:

1. What the star designation means, and how the school compares in terms of academic achievement to other schools in the district and state;
2. The reasons for the designation;
3. Information about how the parents can become involved in addressing the academic issues that led to the designation; and
4. Any action taken to address the problems that led to the designation, including: an explanation of what the school is doing to address low achievement; an explanation of what the district and Department are doing to help; and a description of interventions being taken by the district.

The information in item 4 above shall also be disseminated to the public. Information provided to parents will be sent through direct means such as mail or email. Communications must respect the privacy of students and their families.

(cf. [9321](#) – *Executive Sessions*)

Any person shall have reasonable access, during regular business hours, to the public records of the schools and district. The Superintendent or designee shall establish regulations to authorize and facilitate public access to district records in accordance with law, to protect the security of district records, and to prevent interference with regular district operations. Records shall be maintained in accordance with the State of Alaska Model Records Retention Schedule for Alaska School Districts.

The district may charge for copies of public records or other materials requested by individuals or groups. The charge, based on actual costs of duplication, shall be determined by the Superintendent or designee.

BP 3311 BIDS

The district shall purchase equipment, supplies and services on a competitive bidding basis when required by law and whenever it appears to be in the best interest of the district to do so. The Superintendent or designee shall establish procedures to implement these requirements. Prior to any purchase, the District should review the federal funding award or grant to determine if it requires compliance with OMB's procurement procedures.

Purchases Made Under Federal OMB Funding Awards

All bids under federal awards must be made in accordance with the standards set forth in [2 CFR 200.320](#), set forth below. One of the following five methods of procurement shall be used for each purchase under a federal award:

1. Micro-purchases: Less than \$50,000 (\$2,000 for purchases subject to the Davis-Bacon Act)
 - a. No competitive quotes required
 - b. Purchases should be spread among qualified suppliers
2. Small Purchases: Between \$50,000 and \$150,000
 - a. Rate quotes must be obtained from an adequate number of qualified sources
 - b. Quotes can be obtained from suppliers or from public websites
3. Sealed bids: Purchases more than \$150,000
 - a. Two or more qualified bidders are required
 - b. Bids must be publicly advertised and solicited from adequate suppliers
 - c. Lowest bidder for the fixed price contract with specific requirements shall be awarded the contract
 - d. Competitive Proposals: Purchases more than \$150,000
 - e. A written policy must be adopted for conducting technical evaluations of reviewing proposals and selecting the recipient
 - f. Sole Source: Purchases of any amount that meet one of the following four requirements
 - g. Good/service is only available from a single source
 - h. Only one source can provide the good/service in the time frame required
 - i. Written pre-approval from the Federal awarding agency
 - j. Competition is deemed inadequate, after solicitation attempts through one of the other methods

To ensure that good value is received for funds expended, specifications shall be carefully designed and shall describe in detail the quality, delivery and service required.

Minority Bidding

When procuring contracts under federal awards set forth in [2 CFR 200.320](#), the District must take affirmative steps to utilize minority businesses, women's business enterprises, and labor surplus area firms when possible. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs 1 through 5 of this section.

SCHOOL BOARD COMMUNICATION

Title: Adoption and Purchase of New Elementary Reading Curriculum

Date: April 12, 2022

Administrator: Jamie Burgess, Superintendent

Attachments: Purchase Quotation for Bookworms

☒	Action Needed	☐	For Discussion	☐	Information	☐	Other
-------------------------------------	---------------	--------------------------	----------------	--------------------------	-------------	--------------------------	-------

BACKGROUND INFORMATION

The current K-5 Reading Program at Nome Elementary school has reached the end of its contract, and the District convened a Reading Adoption committee at the elementary school to select and review programs for consideration. The committee reviewed several programs and selected the Bookworms program by Open Up Resources as the program which best fit the needs of the students and staff. The materials have been made available to the public for review at the elementary school for the past two weeks. The quote is for teacher materials, trade books for student use and a six year supply of student workbooks as well as shipping. Professional development will be on a separate purchase in the upcoming school year.

Costs for the program will be covered out of COVID funding.

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of the adoption and purchase of the Bookworms reading program and materials for Nome Elementary School in the amount of \$91,297.00.

Sample Motion: I move to approve the adoption and purchase of the Bookworms reading program and materials for Nome Elementary School in the amount of \$91,297.00.

Terms & Conditions

Pricing Information:

- All prices are in US dollars and valid for 30 days from the date of this proposal. After this time period, prices, products, and services are subject to change without notice.
- Note: This is a cost proposal, not a formal contract.
- Due to some titles occasionally going out of print, the availability of recommended titles in tradebook bundles may change at any time. This includes titles contained in custom tradebook bundles. If a title cannot be included in your order, we will update your invoice to reflect the updated contents of your order. Please review the packing slip included with your order, to be certain you know which products you have received.
- Due to changes in book pricing, tradebook prices may be subject to change. If a tradebook price changes after we have submitted a quote to you, we may contact you to provide an updated quote.

Shipping and Handling Charges:

- **All orders for Alaska and Hawaii will be charged shipping based on weight and distance.**
- Standard orders will be shipped via ground carrier, standard delivery.
- Books are packed in cartons labeled with Grade and Unit Number. Pallets will be organized by the receiving school or district to aid in distribution to the appropriate locations. To minimize the number of pallets shipped per school, materials for more than one grade level may appear on a single pallet.
- *Additional charges may apply for expedited shipments or exceptionally large orders; please contact your field specialist if you have special shipping or delivery requirements. Requests for shipping or product order changes after submission of your order will be accommodated whenever possible, though fees for re-direction may apply.

Ordering Information:

Please submit your official purchase order, with authorized signature(s), electronically to your field specialist. Include:

- Your complete billing address.
- A primary contact name, email address, phone number, title, school, district, street address, city, state, and zip code.
- A copy of this proposal.
- Any additional special requirements for delivery.

Payment Information:

- We kindly request payment within 30 days. Open Up Resources is a 501C3 not-for-profit organization.
- A 3% service charge will be applied for credit card payments.
- After 90 days, a fee of 1.5% per month will be charged on unpaid balances

Shortages and Damaged Materials

Please inventory your materials upon receipt. Open Up Resources will replace damaged, missing, or incorrect materials from an order at no cost to the customer if notified within 30 days of the shipment arrival date.

Return requests for any other reason must be made within 30 days of the shipment arrival date and will be considered by Open Up Resources on a case-by-case basis.

The following materials are not refundable:

- Custom trade book bundles and their bins
- Lab Materials Kits

Warranty:

- Open Up warrants to the District that for one year from the date of purchase (the 'Warranty Period'), all printed textbooks provided by Open Up pursuant to this RFP ('Textbooks') will be free from material manufacturing defects in material and workmanship that render such Textbooks unusable. To the extent that a material manufacturing defect that makes any Textbook unusable is discovered during the Warranty Period, Open Up will provide the District with a functionally equivalent replacement Textbook at no additional cost to the District. EXCEPT FOR THE WARRANTY SET FORTH ABOVE, OPEN UP MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE TEXTBOOKS, INCLUDING ANY (A) WARRANTY OF MERCHANTABILITY OR (B) WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE. THIS WARRANTY DOES NOT APPLY TO LAB MATERIALS KITS.
- The District must make best efforts to inspect books for material defects within 60 days of receipt to ensure timely replacement.
- Issues requiring warranty support may be directed to support@openup.org.

SCHOOL BOARD COMMUNICATION

Title: Approval of FY23 Teacher Contract

Date: April 12, 2022

Administrator: Jamie Burgess, Superintendent and Cynthia Gray, HR Manager

Attachments:

☒	Action Needed	☐	For Discussion	☒	Information	☐	Other
-------------------------------------	---------------	--------------------------	----------------	-------------------------------------	-------------	--------------------------	-------

BACKGROUND INFORMATION

Based on supervisory recommendations, the administration recommends that the non-tenured teacher listed below be offered an employment contract for the 2022-2023 school year.

Annie Conger NES

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval to issue a contract for Annie Conger for the 2022-2023 school year.

Sample Motion: I move to approve issuing a contract for Annie Conger for the 2022-2023 school year.

SCHOOL BOARD COMMUNICATION

Title: Approval of Change to Board Work Session Calendar

Date: April 12, 2022

Administrator: Jamie Burgess, Superintendent

Attachments: Draft Work Session Calendar & Topics

☒	Action Needed	☐	For Discussion	☐	Information	☐	Other
-------------------------------------	---------------	--------------------------	----------------	--------------------------	-------------	--------------------------	-------

BACKGROUND INFORMATION

Historically work sessions have occasionally been cancelled due to lack of a worthwhile topic, and in recognition of the value of Board members' time, the administration would like to propose moving to holding work sessions every other month, beginning in May of 2022. A proposed calendar is attached with some tentative topics. Additional work sessions can be called in "off" months if needed. The board can review how the new calendar is working towards the end of the FY23 school year and revise if needed.

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of adjusting the Board Work Session calendar to every other month, beginning in May of 2022.

Sample Motion: I move to approve adjusting the Board Work Session calendar to every other month, beginning in May of 2022.

Proposed Board Work Session Calendar with Tentative Topics

Anvil City Science Academy Annual Presentation to Board (April 2022)

Review of Revised Strategic Equity Framework (June 2022)

TBD (August 2022)

State Assessment Results & Fall MAP Results (October 2022)

Legislative & Capital Priorities (December 2022)

Budget Deep Dive (February 2022)

Capital Improvement/Capital Needs Discussion (April 2022)

Other Topics to be scheduled as needed

- Curriculum Updates
- Conference Reports
