Our Mission

We inspire and empower students to be culturally grounded responsible citizens who are deeply connected to our community and world.

Our Vision

Together, strong in identity, purpose, potential

Board and Superintendent Guiding Principles

- Works to ensure academic success for all students
- Works to promote positive community partnerships
- Provides leadership and support to ensure reading proficiency by 3rd Grade
- Supports the recruitment and retention of effective staff

Board and Superintendent Goals

- Provide the resources for the development and adoption of curriculum as per Board Policy (BP 6141).
- Support the integration of a student's culture in the curriculum within the context of the community through implementation of the Alaska standards for culturally responsive schools.
- Work to ensure all students feel connected to their peers and the adults in their schools by improving school climate.

Public Comment Statement

The Board of Education welcomes community member input during meetings about issues on or not on the agenda. The Board is not able to respond directly to you during Public Comment; the Board may decide at the end of the meeting during Board Member Comment to discuss your topic at a work session, regular meeting, or direct the Superintendent to look into a situation further.

The Board may not speak about subjects that are protected by legal confidentiality such as specific student discipline issues or personnel issues that could disparage or slander district employees.

The general guideline is approximately three minutes per speaker; however, additional time is allowable if needed. When you speak to the Board, please state your first and last name for the record.

Members of the Board of Education Nome Public Schools Nome, Alaska 99762

The Nome Public Schools (District) is pleased to present you with the budget for the fiscal year 2023. The budget document is the primary document that communicates the District's plans for spending in the ensuing fiscal year, and it also details its organizational goals and objectives in monetary terms. The District is required to prepare and approve a balanced budget and submit it to the City of Nome by May 1st and to the Department of Education & Early Development by July 15th each year. A balanced budget is defined as revenue budgeted at least the same as, or more than, the budgeted expenditures or use of fund balance.

In presenting the FY2023 Budget document, we may discuss the instructional, operational, and financial plans in an open forum. We believe community interaction and input between stakeholders leads to improvements benefiting the education of children at Nome Public Schools. The administration of Nome Public Schools has reviewed and discussed its plan for the FY2023 school year in terms of what can be accomplished within the bounds of a balanced budget.

Budget development and analysis is always a work in progress. Changes will occur in FY2023 when salaries, benefits, and foundation funding are finalized.

Organizational Component

The City of Nome was incorporated in 1901 as a first-class city under the laws of the Territory of Alaska. The City operates under council-manager form of government and performs municipal duties allowed by Alaska Statutes and as directed by its residents.

The Nome Public Schools is a component unit of the City of Nome and is organized under Title 29.42.030 of Alaska Statutes as amended. The City has delegated the administrative responsibility for these functions to the Nome Public Schools Board of Education. The School Board is governed by a five-member school board with members elected by district and complemented by a non-voting student representative.

Budget Process

Alaska Statute 14.14.065. Relationship between city school district and city. The relationships between the school board of a city school district and the city council and

executive or administrator are governed in the same manner as provided in AS 14.14.060. AS 14.14.060 (c) states "except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget the assembly shall determine the total amount of money to be made available from local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available from local sources from money available for the purpose.

The District's School Board approves a budget timeline which includes opportunities for presentation to the public. Below is the FY2023 budget timeline.

FY 2023 BUDGET PROCESS AND TIMELINE

Budget Process, Timeline, Revenue Presentation, Board Sets Education & Fiscal Priorities For the District in Accordance with their Strategic Plan

BP 3100 - BUDGET – The district budget shall be prepared annually from the best possible estimates of revenues and expenditures. The Superintendent or designee shall determine the manner in which the budget shall be prepared and shall schedule the budget adoption process in accordance with legal time requirements. A public hearing shall be held prior to the adoption of the budget or a revised budget.

General Fund Revenues and Expenditures

Below are the assumptions used to develop the budget.

Revenue Budget

We have developed this budget based on assumptions about legislative funding for FY2023. This budget assumes that we will be flat funded at \$5,930 per base student allocation (BSA)

with no cuts to Basic Need or any part of the foundation formula itself. We are budgeting for a \$3.15M City of Nome appropriation.

In the State of Alaska, the number of students enrolled in a district during the 20-day count period is the basis for computing the Average Daily Membership (ADM) that is used to calculate the amount of state funding provided to each district.

Revenue projection of \$15,006,132:

- Enrollment projected at 665 students
- ❖ 90% of the BSA for Correspondence students 20 projected
- ❖ Intensive students (13 x's the BSA of \$5,930) 12 projected
- ♦ Hold Harmless 3rd Year 25% of Base Year
- ❖ ISER Area Cost Differential of 1.45
- ❖ Career & Technical Education (CTE) Factor − 1.015
- ❖ Special Needs Factor − 1.20
- ❖ Base Student Allocation (BSA) \$5,930
- * TRS On-Behalf and PERS On-Behalf zero net effect against on-behalf expenditures
- ❖ City appropriation is budgeted at \$3,150,000
- ❖ Impact Aid estimated at \$35,200
- ❖ E-rate estimated with 90% discount rate on internet bills \$1,338,461
- Other Revenues projected at \$385,000 (includes dorm rent, local contributions, gate fees)
- ❖ Utilize unreserved fund balance \$995,112; leaving a 5.36% fund balance which is *above* the Board stipulated 5% minimum.

Expenditure Budget

Below are the expenditure highlights and other considerations for FY2023. This budget includes:

- Annual step increases/salaries updated.
- ❖ A 5.58% increase to health insurance in anticipation of rising premiums.
- Other employer-paid benefits remain status quo -22% for PERS & 12.56% for TRS.
- Staffing based on a combination of needs-based and overall monetary availability per revenue and expenditure assumptions.
- ❖ A 3% increase to utility budgets, except heating fuel.
- ❖ A \$221k increase to heating fuel budgets due to increase in gas prices.

Nome Elementary School

- * Retained same staffing levels as FY22.
- ❖ Decreased supply budget by \$10,000 & textbook budget by \$80,000.
- ❖ PERS/TRS On-Behalf decreased by \$154,668.

Anvil City Science Academy

- ❖ Decreased supply budget by \$7,800.
- ❖ PERS/TRS On-Behalf decreased by \$28,531.

Nome-Beltz Middle High School

- ❖ Increased staffing by 0.50 FTE Middle School Generalist.
- ❖ Decreased 1 FTE Behavior Specialist.
- ❖ PERS/TRS On-Behalf decreased by \$145,590.

Districtwide

- ❖ Increased Indirect Cost Recovery budget.
- ❖ Transfer to Food Service status quo at \$75,000.
- ❖ Transfer to Pupil Transportation status quo at \$40,000.
- * Transfer to CIP reduced to \$200,000.

We thank you for your consideration of the FY2023 budget.

Sincerely,

Jamlie Burgess

Please Note: FY22 & FY23 data depends on timing of when bills are paid. Ultimately, the District's General Fund holds around \$2M between nonspendable and fund balance. In addition, the monies flowing through the special revenue funds are recorded in the financials in the General Fund cash account with offsetting transaction in Due to other funds liability account.
