For the Board of Trustees

Action Sheet

MEETING DATE: July 24, 2024

AGENDA ITEM: Consider entering contract with Educentric for campus improvement services for the 2024-2025 school year.

Educentric is a school performance provider who focuses on “breakthrough performance” by assisting schools in achieving measurable improvement. They help clarify areas of focus and pursue a “north star metric” by prioritizing objectives, measuring strategies with key progress indicators, and communicating key results to stakeholders. An executive coach is available for the campus leader one hour per week during the school year. A second year of coaching is free if the school does not achieve improvement after year one.

Training includes a two-day launch hosted within Galveston ISD. Educentric is a member of the Goodbuy Purchasing Cooperative and is led by Terry Grier, former district superintendent with experience in multiple states. The two campuses under consideration for this assistance are Weis Intermediate and Central Middle School.

RECOMMENDATION: I move the Board of Trustees approve a contract with Educentric for the 2024-25 school year for two campuses not to exceed \$110,000.
