## **AGENDA ITEM**

**For Consideration by the Board of Education at the Meeting of:** February 22, 2017

**Prepared By:** Craig A. Cooke

**Presented By:** Craig A. Cooke

**Attachments:** WEF Mini-Grant Awards 2017

**Subject:** Windsor Education Foundation

---

### **BACKGROUND:**

The Windsor Education Foundation (WEF) was established in April 2007. Its mission is to encourage community support for excellence in public education and to provide funding for innovative projects and programs in the Windsor Public Schools. All Windsor Public Schools certified staff are eligible to apply for the grants.

The Grant Review Committee looks for a variety of proposals from all grade levels and schools that:

- Are consistent with the Windsor Board of Education district and school goals
- Impact students with varying learning abilities
- Fall outside the regular operating budget
- Will ultimately impact/benefit a large number of individuals; in other words, the impact of the grant is not a one-time benefit to a single group of students, but may benefit additional students in the long term.
- Encourage professional collaboration.
- Promote school and community communication.

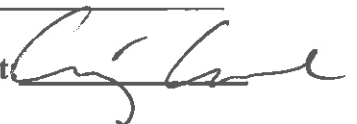

In the past ten years the WEF has raised over \$131,000 which goes towards grants to Windsor teachers. This year the WEF has approved 13 grants totaling \$15,909 which includes a \$1,000 science grant from The Christine Gasparino Foundation. All approved applications went toward furthering student learning and involving the schools in the community.

### **RECOMMENDATION:**

That the BOE receive as information and for recognition.

## AGENDA ITEM

**For Consideration by the Board of Education at the Meeting of:** February 22, 2017

**Prepared By:** Craig A. Cooke

**Presented By:** Craig A. Cooke  
Danielle Batchelder

**Attachments:** FY 17 "MORE" Funding Reduction Summary

**Subject:** Alliance Grant Reduction

---

### BACKGROUND:

Windsor was notified in late December regarding a reduction of \$181,260 to the Alliance grant for the 2016/17 year. This one year reduction impacts the 2016/17 school year only. The timing of this reduction leaves the administration with limited options within the Alliance grant as contracts with employees and consultants for the current school year have been signed.

The administration is presenting reductions on the attached sheet that would have the least impact to students for the current school year. These reductions would not impact the 2017/18 budget. The reduction would, however, lower any year-end balance by \$181,260.

Dr. Cooke and Ms. Batchelder are prepared to discuss these recommendations.

### RECOMMENDATION:

## FY17 "MORE" FUNDING REDUCTION SUMMARY

Original Year 5 Alliance Grant Allocation	\$763,989
"MORE" Reduction:	(\$181,260)
Reduced Year 5 Alliance Grant Allocation	\$582,729
The reduction of benefits listed below are based on the district having open positions during this school year which allows the general fund to absorb the benefit expense of these positions.	
1.0 FTE ROTC Teacher Benefits	\$12,500
2.0 FTE Remedial Reading Teachers' Benefits	\$25,000
1.0 FTE Social Worker Benefits	\$12,500
1.0 FTE Family Resource Coordinator Benefits	\$12,500
1.0 Social Worker - The district has eliminated a 0.3 FTE social worker position due to a mid-year resignation. This position will be split 0.7/0.3 and the general fund will absorb the remaining 0.3 FTE and not backfill the resignation.	\$21,000
0.4 FTE Communications and Website Specialist - This position will work a total of 0.6 FTE this school year based on a maternity leave. The general fund already pays for 0.6 FTE of this position.	\$20,962
Positions that became open during the 16/17 fiscal year that were not backfilled (1.0 FTE Adult Ed / Curriculum Office Secretary; 1.0 FTE Paraprofessional). This surplus will be used to offset the remaining payments for Dr. Rachel Gabriel - Readers Workshop and EASTCONN Consulting.	\$76,798

## AGENDA ITEM

**For Consideration by the Board of Education at the Meeting of: February 22, 2017**

**PREPARED BY:** Danielle Batchelder

**PRESENTED BY:** Danielle Batchelder

**ATTACHMENTS:** Student Enrollment Report & Recap

**SUBJECT:** Student Enrollment as of February 1, 2017

---

### **BACKGROUND:**

Attached are the official enrollment figures as of February 1, 2017. Mrs. Batchelder will answer any questions.

### **STATUS:**

In prior BOE enrollment reports, the enrollment report group all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning at the September 2016 BOE meeting, the Out Placement/Private Placement (SPED) line will be separated into two categories:

- One category will be labeled - *Out of District Placement-Special Education students*
- The second category will be labeled - *Private Placement Special Education students*

**Out of District - Special Education:** Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

**Private Placement - Special Education:** Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).
