# WINDSOR BOARD OF EDUCATION

## AGENDA ITEM

**For Consideration by the Board of Education at the Meeting of:** February 17, 2021

**PREPARED BY:** Danielle Batchelder

**PRESENTED BY:** Danielle Batchelder

**ATTACHMENTS:** Student Enrollment Report & Recap

**SUBJECT:** Student Enrollment as of February 1, 2021

---

### BACKGROUND:

Attached are the enrollment figures as of February 1, 2021. Mrs. Batchelder will answer any questions.

### STATUS:

In prior BOE enrollment reports, the enrollment report grouped all students into one category labeled "Outside Placement/Private Placement (SPED)". Beginning in September 2016, the Out Placement/Private Placement (SPED) line was separated into two categories:

1. *Out of District Placement-Special Education students*
2. *Private Placement Special Education students*

**Out of District - Special Education:** Those students who are placed at a Connecticut State Department of Education (CSDE) approved private special education program as recommended by a planning and placement team (PPT) as part of a student's individualized education program (IEP). Additionally, this category may include a family who moves into Windsor with a child who has a disability who has already been placed in a private special education program and/or children who are placed in Windsor foster home(s) by the Department of Children and Families (DCF) and are already enrolled in a private special education program.

**Private Placement - Special Education:** Those students who have been identified special education through the planning and placement team (PPT) process that have been parentally placed at a non-public school located in Windsor (i.e., St. Gabriel, Trinity Christian, Madina Academy, Praise Power & Prayer, etc.).

Mr. Lockhart opened the floor to the board members for their feedback to the proposed budget.

Ms. Ricketts thanked Dr. Hill for the presentation.

Mr. Eleveld said he was pleasantly surprised by the numbers and he thanked Dr. Hill for taking community hardships into consideration.

Ms. Khan was surprised by the numbers and she appreciated the concern for the community and that classrooms would not be negatively impacted.

Mr. Ristas stated that he believed the increase was actually more when comparing actuals from both years. He was concerned with the technology portion as new computers and hotspots had already been furnished to students and he wanted to see where the expenses were coming from.

Ms. Taylor said it was leaner than she expected and a good job was done.

Mr. Bosch felt the budget was responsible and he was happily surprised.

Mr. Furie thanked Dr. Hill for the presentation and felt that he had shown a balance with the impact on the community and students.

Mr. Panos thanked Dr. Hill for a clear presentation and appreciated that there were no new programs announced. He questioned the impact of changes to the Kelly Services contract.

Mr. Lockhart felt that a great balance had been struck and that Dr. Hill did not let his interim status affect his performance. He stated that he wished the public had greater participation in the forum. He let the community know that Dr. Hill kept a promise from former Superintendent Dr. Cooke to have the budget books provided to the board earlier than normal. Ms. Batchelder was thanked for a job well done.

Dr. Hill thanked the Board of Education members, the building administrators, and a special thank you to Sally Brown for all the work she has done.

Mr. Lockhart agreed that Sally Brown needed a special thank you.

#### **4. THE REGULAR MEETING WILL BEGIN IMMEDIATELY FOLLOWING THE PUBLIC FORUM AND A 5 MINUTES RECESS**

Mr. Lockhart called for a five-minute recess at 7:07 PM.

#### **5. Recognitions/Acknowledgements**

##### **5.a. Recognition--Kamryn Monroe, BOE Student Representative**

Discussion:

Due to a work conflict, Ms. Monroe was unable to be present at the meeting.

Mr. Lockhart thanked Ms. Monroe on behalf of the Board of Education and complimented her good work. He said he will offer the board members an opportunity to speak after Ms. Monroe's report was read during agenda item 7. Student Representative Report.

#### **6. Audience to Visitors**

Discussion:

Sally Grossman - 106 Niles Road - She thanked Dr. Hill for the student outreach regarding the January 6 uprising in Washington D.C. She is grateful to the staff, administration, and Dr. Hill who she feels are committed to racial justice.

Rebecca Jacobsen - 50 Lighthouse Hill Road - She made comments regarding the Black Lives Movement not being equivocated with the riots on January 6, 2021. She said she is proud of the district and how they've handled the controversial topic.

#### **7. Student Representative Report**

Discussion:

As Ms. Monroe could not be present due to a conflict, her report was read by Ms. Taylor.

Ms. Monroe began her statement by apologizing for her absence, and she thanked the board for giving her the opportunity to share the student voices. There had been an incident at the high school where the rock at the entrance was defaced. On January 13, the members of Black Excellence repainted the rock with Black Lives Matter. Read alouds for Oliver Ellsworth and JFK students continue to be held. The high school students appreciate their small group opportunities on Wednesdays.

Mr. Furie thanked Ms. Monroe for her participation. He said she is a leader and he wishes her success.

Mr. Panos appreciated her succinct comments and believes she will do well.

Ms. Taylor stated that she is an ambitious young lady and she can't wait to see what she does in the future.

Dr. Hill thanked her for the work she has done. He said she is an outstanding young lady and that she'll do great things.

## **8. Board of Education**

### **8.a. President's Report**

Discussion:

Mr. Lockhart began by thanking the administration for the handling of the DATTCO contract. He also thanked SPMS for inviting the board to participate in a forum with the 8th grade students. He has invited the town council to participate in the district budget process. The town council was having diversity discussion, to which Mr. Lockhart informed them that WPS is already doing the associated diversity work.

Mr. Ristas stated that he was disappointed he could not attend the student forum due to a death in the family. The board offered condolences.

Mr. Panos said he appreciated the forum and he thanked teacher Garrett Connelly for organizing it.

At this time, as the meeting had been progressing quickly, Mr. Lockhart opened the floor to any board member who had any school liaison report to offer.

Mr. Eleveld shared that Clover Street School has been testing asynchronous learning and so far it has been successful. The biggest challenge has been with substitute teachers.

Ms. Ricketts said that JFK hosted a virtual elementary transition program for the 5th grade students going into SPMS in the fall. Any parent interested in having access to the virtual program should reach out to Principal Baltimore.

### **8.b. Remote Meeting Participation**

Discussion:

Ms. Khan stated that the policy committee met on January 13, 2021 and discussed this matter. More information is needed from CABA regarding other districts' policies before there can be any further discussion.

Mr. Ristas asked if inquiries had been made of CABA.

Mr. Lockhart stated that getting the CABA information is in process.

Mr. Eleveld said that CREC Foundation updated their meeting by-laws to include any means of communication that is two-way.

Mr. Panos wanted to clarify, for the community that this topic was meant to be post-Covid-19.

Mr. Lockhart stated the details of Executive Order 7B regarding hybrid schooling.

Mr. Furie explained that because virtual meetings are planned through June, there has been no rush to create a new policy and that by reviewing other districts' policies, WPS may create the best one possible.

Mr. Lockhart received unanimous consent to send this agenda item back to the policy committee.

## **9. Interim Superintendent's Report**

Discussion:

Dr. Hill spoke about the teaching of current events and that he believes the staff, administration and paras can always rise to the occasion. He always wants students to feel safe and not attacked. He said that we have a professional obligation to listen to the voices of the students.

This is 4th year of Re-Center training, with a focus on the Clover staff. This type of training began in the early 2000s and he is very proud of the work that has been done. Windsor will continue to be a leader in this area.

Today was a peaceful transfer of power. The Poet Laureate was very impressive. He said he felt that the incident on January 6, 2021, at the nation's capitol was disgraceful and not about politics. It is the responsibility of the district to help young people navigate when things don't feel right.

On January 11, 2021 a communication was sent regarding the 4 day a week reopening on January 25, 2021. As there will never be zero Covid-19 cases, academic loss needs to be made up. Schools are not the sources of cases, so he urged families to use their better judgement regarding gatherings. He explained that Dr. Oliver is supervising the district's Covid-19 Vaccine Program. Currently, community members 75 and older may register for the program. February will allow for age 65 and up.

There were no candidates for the Director of Pupil and Special Education Services who met the district's needs. The job posting has been reopened.

Several sports activities began practicing as of Tuesday, January 19. Games will start being held in February.

There are opportunities to mentor students by contacting Shannon Connery in the Office of Family and Community Partnership.

Mr. Furie reminded the community that they may still choose the learning option that is best for them and that if it changes they can complete the form on the district's website and wait approximately 5 days for the change to take place.

Mr. Panos asked if returning to school is voluntary. He asked if there was a more forceful option to convince families to return to in-person instruction.

Ms. Ricketts asked if there will be a requirement for students to be vaccinated. Dr. Hill responded that it could be made a condition of employment, but there is no legal authority over students.

Mr. Eleveld asked if there are placement tests available to gauge the learning lost to Covid-19. Ms. Khan replied that teachers are still testing, holding conferences, and teaching based on student results.

Mr. Panos discussed the January 6, 2021 nation's capitol incident and how there can be different interpretations of events. He compared it to the "mob scenes" over the summer. He said there needs to be objectivity and be sensitive to differences of opinion.

Ms. Taylor agreed that there is a need to be objective, but not about things that are "right versus wrong". She questioned his justification of the insurgence on the capitol.

Mr. Panos said that he did not mean to give the impression that what happened was not wrong and that they had no right to do that. He said that there does need to be a consistency and that it is never right to riot.

Dr. Hill responded that he agreed with Mr. Panos and that with BLM protests in the summer there wasn't the same opportunity to teach about what was happening.

Mr. Ristas stated that he was disappointed that this discussion was happening. He said there is a double standard regarding what happened last May, the beginning of the BLM protests, and what happened most recently. He said that teachers present their own bias and that there are different points of view on the subtleties. He disagrees that schools should lead the conversation and that diversity is actually racial division.

Ms. Khan responded that Windsor is raising life-long learners and that teachers can teach without bias.

Mr. Eleveld said that America is great because of freedom of speech. He said everyone can agree to disagree, but he said he thinks they all agree that the January 6 riot was wrong. Peaceful protests are our right.

Mr. Lockhart thanked Dr. Hill and the Board of Education members for their engagement in the topics.

Discussion:

Ms. Ricketts, Mr. Eleveld, Ms. Khan, and Mr. Ristas had no comments.

Ms. Taylor informed the community that there will be mobile Covid-19 testing at First Cathedral in Bloomfield on Friday.

Mr. Bosch spoke about the Geissler's Supermarket receipt promotion to benefit Windsor Education Foundation. He suggested that anyone age 75 and over who are interested in making a Covid-19 vaccine appointment call 1-877-918-2224 Monday thru Friday for assistance. The Northwest Park Cabin Fever program will take place next week with virtual and in-person activities.

Mr. Furie suggested that, for the public forum during finance committee meetings, the community be prepared with questions that reflect those topics covered at that particular meeting. The main branch of the Windsor Public Library will hold Black History Month programs on Monday evenings in the month of February.

Mr. Panos referenced the discussion earlier regarding the protests and riots in May, stating that Dr. Hill had not been interim superintendent at the time and that may have impacted how the topics were addressed by the schools last year.

Mr. Lockhart spoke about an incident that had occurred to the New London Board of Education Chair where threats were made against her on her Board materials at her home. He stated that any attack against any Board member is a concern and that it was a dishonorable act. He had reached out to show support to her and would do so no matter their party affiliation or views. He said that the country is divided and it needs to stop. We need to learn to have grace and courtesy to each other.
